

# Chapter 1019

She was still waiting for Galia and Rayna to arrive to discuss Suzi's affairs.

Galia and Rayna came soon and came to the villa where Dalia and Kraig lived. Although the environment here is beautiful, Galia and Rayna did not have time. Appreciate it.

When the two entered the living room, they talked to Dalia about Jarod's request for Suzi.

Dalia's face turned pale in anger.

"Sister Shan, what do you say about this? We are Suzi's friends, and we can't watch Suzi being bullied." Galia cried and blushed.

When she didn't see Suzi's appearance, Galia was not so sad. Seeing Suzi lying in bed without breaking down, Galia gritted her teeth with hatred.

Dalia sighed: "..."

What to do?

Dujuan Mountain doesn't know either.

She and Galia, and Rayna, including Suzi, are all kind women in their bones.

The so-called gathering of objects and people into groups is this principle.

Especially Dalia, she has never calculated others, others have always calculated her. Later, after Kraig rescued Dalia, Dalia was under the protection of Kraig, living a simple and leisurely life.

Suddenly, it was really difficult for the three women to think of a bad move.

However, Rayna came out of the small market, and her parents were so unreasonable. Rayna also splashed since she was a child. Before she met Suzi, she did a lot of harm.

"I...I have an idea, I don't know if it is appropriate or not," Rayna said.

Galia Xiaojiao immediately screamed, "Speak quickly! As long as you can kill the Lin family!"

Dalia grabbed Galia and asked her to sit down: "Don't die, die, we have to pay for her death, right?"

"This way I don't have to pay for our lives." Min Qing said with a smile.

Galia: "Rayna, speak up!"

Rayna said confidently: "Suzi was pissed off by the Lin family this time, and it was because she was angry and sad that she almost broke down. Then why can't we punish the Lin family to death?"

Galia and Dalia's eyes lit up at the same time.

Galia couldn't help but said, "Xiao Rayna, I didn't see it, you are quite resourceful!"

Rayna raised her proud little chin, and continued: "Lanita still has one month to live. With her grandfather's ability, she wants to find the source of her kidney within one month, maybe she will be able to find it. , What if she comes alive again?"

Galia said coldly: "This kind of woman is a sc\*m to let her live! We must not let her have a chance to live!"

"So, we have to kill Lanita first."

"Quickly talk about your method, it's best to get her to death tomorrow!" Galia said impatiently.

Rayna whispered to Galia and Dalia's ears for several minutes.

After the muttering, Du Huanshan was stunned.

But Galia jumped up happily: "This idea is really great, ah ha ha ha..."

Dalia: "Is this... appropriate?"

Galia clapped her hands: "Appropriate!"

Dalia immediately smiled and said, "Okay, the three of us will go together. There are so many people and powerful!"

"Yeah!" Rayna and Galia nodded at the same time.

Three women, maybe they can also do very earth-shattering things!

This afternoon, the three women secretly planned for a long time. In the middle of the afternoon, Dalia drove the two girls out to buy.

Come back late at night.

When he got home, Kraig had already returned.

He was sitting on the sofa. He looked at Dalia with a gentle look today: "What did you do? I came back so late. Have you eaten?"

Dalia smiled and said: "After eating, Rayna and I are our nephew and his wife, and their friend Galia. The three of us ate together."

After a pause, Dalia asked Kraig: "Have you heard that the Lin family is going to dig Suzi's kidney?"

Kraig nodded: "In Arron's company today, I was talking about this."

Dalia asked: "What are you going to do? I think this old man Shu, everyone says he is upright, but why did he bully Suzi?"

Kraig: "..."

He seems to have something to say to Dalia.

But seeing Dalia's full attention on Suzi, Kraig didn't speak any more.

"Kraig!" Dalia shouted.

Kraig: "Huh?"

"Have you and Arron figured out how to deal with the Lin family! They are bullying Suzi!" Dalia is rarely strong in front of Kraig.

Kraig hugged her in his arms: "Do you care about Suzi?"

Dalia: "She is my friend!"

Kraig smiled and said, "How many days did you know her?"

"Friends don't care about the length of time, but friends are rare." Dalia said.

After a pause, she said: "Although I have known Suzi for a short time, Suzi cares about me very much. Even Suzi's daughter treats me very well. This time I went to Jiaying Island and brought me a special trip. Gifts back..."

Halfway through the conversation, Dalia paused.

The only gift for Dalia Dalia liked it very much.

I like it very much.

I like it because Suzi and Lilly can know what she thinks.

However, this gift symbolizes that she wants a child of her own, and it is impossible for Kraig to give her a child.

Therefore, Dalia paused halfway through what he said.

She paused for a while and then said: "Although I knew Suzi for a short time, I was attracted by her integrity the first time I saw her. Later, when I saw her again, she gave me the impression of being independent and making friends in a lifetime. Once, I naturally cared about her."

Seeing Dalia taking a mouthful of Suzi, Kraig said: "Today I went to Arron's company to discuss this matter."

"What happened later? How to say?" Dalia asked.

Kraig pinched his eyebrows: "If they were replaced by anyone, their lives might have been gone, but it would be difficult to do this because Mr. Shu stood in there."

"Master Shu is hateful!" Dalia said angrily.

"My suggestion to Arron is to let Arron send Suzi and her children abroad for the first half of the year. After half a year, Lanita will either die, or even if she has a kidney transplant, it is impossible for Suzi to belong."

Dalia raised her head to look at Kraig: "If Lanita finds the source of her kidney, will she still find fault with Suzi from time to time in the future?"

Kraig: "It's possible."

"No!" Dalia said.

Kraig: "There is no way, but now I can only hope that Elder Shu will die soon."

Dalia: "..."

Originally, I was thinking that Kraig could bring good news back when he came back. If this were the case, the plan she had with Galia and Rayna might not be used.

However, Dalia also knew that as long as Mr. Shu was there, it would be difficult for Kraig and Arron to attack the Lin family.

If it was before, it would be better to say something. But now, everyone knows that Mr. Shu is so kind to Arron.

So Kraig is right. The best way is to send Suzi to live abroad for half a year.

It's just that, it is possible that Lanita still can't die.

Thinking about this, Dalia thought it was better for the three little women.

Although it is a bit rough, it can be hit with one hit.

Anyway, the three of them are little women, and they don't have much face.

His father Shu was as kind to Arron as a mountain, but he was not as kind as a mountain to their three little women.

This matter was good, Dalia relaxed, and then she thought about the female courier during the day.

"Oh, by the way Kraig..." Dalia broke free from Kraig's arms. Just as she was about to say something to him, her lips were blocked by Kraig.
