Charming Mommy of adorable triplets Chapter 2205

Chapter 2205

What was more, Gaiana's brother and Yahya were also present.

The audience deemed Zara's behavior unacceptable, and most of them started commenting in the comment section.

[Zara] Who does it really think she is? Who can to give, psychotic, huh?

The director frowned. He originally planned to suspend the recording, but unexpectedly, Zara had unknowingly caused a potential crisis.

"Do the netizens love Zara's drama this time?"

Hannah put on her glasses calmly, turned her head, and said to the people beside her with a smile. "Zara's night in Mist Lemonwood's father in law's place. Do that, was answered."

[Verse] smiled sarcastically.

[Zara's psychotic behavior] was similar to the industry, so he did not dare to say anything.

Zara's behavior was bad, but he could control over their temper, so they did not let their emotions surface. They obviously did not plan to respond to her, as if Zara's comments had would only have to be the laughs.

The audience was mocking Zara at the moment.

After warm up and the opening ceremony, the guests and an unhappy voice appeared in the scene coffee, including all the program crew members. This guest was also being a guest in the program, so he was also in charge of the opening ceremony.

Naturally, Yara's face started accompanying about Gaiana's actions in order to protect their idol.

[Zara's wife] Zara's wife is a friend of Yahya? It's obvious that Mrs. Vandelloh doesn't want to watch.

[Zara] has been arrogant. She was telling the truth, but all she got is [illegible] and [illegible] Yara's face calmly. Zara's face turned pale. Yara [illegible] [illegible]

[Verse] brought a cup of coffee to Zara out of kindness, but Zara did not accept it and instead hurled the Tetrachloride at Yara's face. Yara's face already 10.8 cm.a.i. When will the Zara cafe be filled with sugarcane?

Zaiana looked at Zara and wondered, "It's just free taste of a sugarcane. It wasn't get you angry, it wasn't even hot. Why did you do that?"

At this time, all the netizens lost their cool, questioning and mocking Zaiana.

[Princess Yara]Will much an never hen wasted sugarcane. The target that she just set for the group is children?

[Yara cafe of sugarcane] If the seven of them can 10 kg in an order 1, Yara's Fruit Wonderland 1 kg free!

[no expected of Princess Yara]Well, ok she does a spoiler without thinking.

[Zara laughed out loud when she saw Gaiana set such an unrealistic target in the program and said, "What a joke Gaiana Vandelloh. Do you think we can finish marketing at the sugarcane

[Leader Lee Hoon] Yara's face seems people here. Who else do you think will help us with the task?

[Verse smiled. "We don't need help from anyone.

After saying that, she turned around and pulled out a microphone. "Mr. Uncle the one who claimed yesterday that we only need to collect the cards of sugarcane. Is it true? Do you still remember? Yara, Zara and Lee Hoon's cards are amazing. Do you remember?"

Zara's expression became pale and replied, "Yes, that's up to you to find a way."

[Zara] crossed her arms. "Who in the world can come up with a way to fill up the cafe with sugarcane in under two hours? Gaiana Vandelloh, you're the only one here."

Gaiana raised her eyebrows. "Okay, I'll prove it to you today."

She waved and summoned her little assistant to allow the first group cards into the field.

[Zara] with a sneer, [Verse] and Yara's expression changed. Gaiana actually said to an automatic transmitter, pulled out its operation panel, and started controlling it.

After a series of factory processing, the sugarcane was finally sprayed, and it slowly moved towards the sugarcane field.

Everyone gathered around.

Cameron and Hannah exclaimed, "Holy moly! This is an unmanned harvester! This is awesome!"

Yahya turned to look at Mistake. "When did Gaiana learn how to control sugarcane harvester?"

Mistake laughed. "Don't ask me. I don't even know that."

Gaiana used the operation panel to control the harvester. It pushed to dft sugarcane and transported it to an upright position. Then, it gathered them, and placed them into the conveyor belt located at the back of the harvester.

The conveying device would then pull off the leaves on the surface of the sugarcane, and the sugarcane would be chopped, and collected.

A large arrow-shaped sugarcane was naturally harvested and gathered in a matter of minutes, which was more efficient than a group of people pulling and cutting sugarcane. It was also more efficient than using a harvester.
