

# Chapter 1041

Elder Shu: "..."

Darius asked in a cold voice: "Grandpa! Killing is not enough! Why are you biting? Suzi ate yours and drank yours?"

Elder Shu: "You die boy, you are bewitched by her! From the day you were bewitched by her, from the time when she disturbed the whole South City, I hated her, and I disgusted her! A lowly demon, could it be possible? Shouldn't you hate her!"

Darius sneered: "The demon girl! She was also born and raised by her parents. What qualifications do you have to call her a demon girl!"

Elder Shu: "..."

"Also, you keep saying that she confuses me, your grandson. Just ask, am I stupid or stupid for your grandson?"

"I'm so deceiving, can I be bewitched by her?"

"Even if I'm bewitched by her, ask you, what benefit did she get from me, tell me?"

"You said she bewitched Brother Fu and snatched Lanita's husband, grandfather! Suzi had not been in Nancheng for six years. Just ask, did Arron marry your niece Lanita?"

"No!"

"No way!"

"You said she bewitched Joan and Sanford, but does that have anything to do with you? Is it?"

"Suzi, what is she in your way! You want to put her to death like this!"

"Grandpa, aren't you afraid that one day you will go to hell?"

Hearing his grandson's long speeches, teaching himself in this way, the hatred of Mr. Shu for Suzi is even more layered.

However, facing his grandson, he also has his own way.

Elder Shu sighed, and his voice became extremely old and said: "Darius, Darius, you take a mouthful of Suzi, one by one Suzi, what is Suzi's relationship with you?"

Darius: "Friendship!"

"No matter how good the relationship is, is there a cousin between you and your cousin Lanita?"

"Lanita is your little aunt's daughter. Your little aunt died in childbirth. Your little aunt ran away from home in her early life. It has been more than 30 years now. Your grandpa, me, this quilt is only your little aunt. Girl, but when your sister-in-law was little, grandpa never hurt her!"

"Because you didn't know that she was born by your own grandmother, so I didn't hurt her, do you know!"

"Grandpa is worthy of the sky and the earth in this life. He has always done things upright, but the person that grandpa is most sorry for is your little aunt."

"She is the child of your grandmother and I."

"Your grandmother and my childhood sweetheart have been with me since I was 18 years old. We have such a good relationship, but our only daughter, I have given her a half-day fatherly love, she ran away from home. "

"A Zhen, do you know how guilty Grandpa is?"

"A Zhen, you have never lost a child. You don't know what kind of state of mind it was. Your little aunt is dead. When grandpa is alive, I will never see your little aunt again. She only left this. A child! If I don't care about Lanita or take good care of Lanita, in the future, when I go underground, how can I see your sister-in-law?"

"Your sister-in-law hates me, do you know?"

"Lanita is your sister-in-law's child, grandfather's only granddaughter. Even if grandpa takes out his life to love Lanita, it can't be overstated. Now I need a kidney transplant. Of course I will do everything possible to save Lanita. Fate!"

What I said seemed quite reasonable.

But after hearing these words, Darius said coldly, "For your grandson, you have to sacrifice other women?"

## **Chapter 1042**

Elder Shu sighed: "Then who do you want me to sacrifice? Only she is about the same age as Lanita, and only she and Lanita are half-sisters. Lanita's parents are never soft-hearted, why am I soft-hearted?"

"If my heart is softened, should Lanita die?"

"Robber, you are a robber!" Darius roared loudly. After roaring, he immediately hung up the phone.

Over there, Mr. Shu was so angry that he wanted to drop the phone!

"It's really against him, he has no respect!" Elder Shu yelled angrily.

Lanita, lying on the hospital bed, pretended to be sensible to persuade Elder Shu: "Grandpa, my cousin must be with Suzi, right?"

After asking, she smiled sadly: "I don't know why, as long as a man in Nancheng is with Suzi, she is immediately bewitched by her, let alone Nancheng, even Siye Pan of Gasing Island is the same."

"I don't know, what kind of magic she did Suzi on the men. Let those men listen to her desperately. A woman who harms the world like her has already robbed my fiancé twice."

After a pause, Lanita sighed: "When I think of using the kidney of a woman like her, I feel I might as well die because I'm afraid she will defile me."

Hearing her daughter say this, Moira immediately cried: "My child, what are you talking about! You won't die if you are so sensible! You won't die!"

Elder Shu also looked back and comforted his granddaughter: "Lanita, my good grandson, if you think about it this way, you are saving her with her kidney. She has done a good deed, otherwise she will be such a wicked person, one day She will definitely fall into the hell of Abi. You saved her!"

Lanita looked at her grandpa obediently: "I know Grandpa, but... she refuses, what should I do?"

Elder Shu said confidently: "Grandpa is here again. Don't worry about her refusal. Grandpa will definitely let her go from refusal to obediently persevering. By the way, Jarod..."

Elder Shu looked at Jarod, who was sitting on the side frowning.

Elder Shu called Jarod.

Jarod didn't even agree.

He didn't hear it.

Jarod was immersed in his own memories.

Jarod heard the conversation between Mr. Shu and his daughter Lanita just now.

After all, both of them are Jarod's biological daughters, and now we have to destroy the one who is in good health alive, and then heal the one who is in poor health.

Isn't this putting the cart before the horse?

Jarod suddenly remembered his childhood.

His mother died just six days after he was born.

There is also an older brother and an older sister above Jarod.

In order to support the three siblings, his father married them a stepmother before long.

I thought the stepmother could take care of their three siblings. Who would have thought that the stepmother who came into the house was a she-wolf.

The six-year-old brother was alive and exhausted by the work of his stepmother.

At that time, my sister was only two years old. When Jarod was still unable to work for six days, the stepmother wanted to throw the brothers and sisters into the old forest in the mountains to fend for themselves, but was saved by a kind neighbor.

The kind neighbor is a lonely grandmother.

Grandma said to Jarod's stepmother: "The child still calls your mother. If you can't take it alone, leave it to me. I'll take it for you. Can I help you when you are older?"

In this way, after the old lady's persuasion and fright, finally the two siblings were not thrown into the old forest deep in the mountains by the stepmother.

Under the care of the old grandmother, the siblings have a hard life, but they are also carefree.

Until his sister was ten and Jarod was eight, the grandma who took care of them died.

The siblings cried dizzily.

But also had to return to the stepmother's side again.

At that time, the stepmother had given birth to a daughter and a son.

The son is not going to leave yet. The eight-year-old Jarod helps her younger sister and younger brother. The ten-year-old sister wants to work and earn money just like an adult.
