

# I' m Sorry My Love Novel Chapter 1414 - 1415

## Chapter 1414

When Arron said this, Xu Zetong and Jun Liuye almost collapsed on the ground in shock.

After all, Siu is a little bit more pungent.

She also boasted that she used to be Arron's lover. At this time, Siu dared to question: "Arron! You annexed my sister and my brother-in-law Xu's group. You still have reason? She also said that my sister and I are brother-in-law. Come to die by yourself?"

"Arron, do you think we are a vegetarian in the Kyoto House? You bullied my sister and brother-in-law like this!"

Arron didn't bother to look at the crazy woman Siu.

"Do you know Gu Shijie?" Arron asked Xu Zetong.

Xu Zetong: "Fu... Fourth Master Fu, no... it's none of my business, no..."

Arron's tone became colder: "Gu Xiaoqing had her own filming, in the Qingshan International Hotel. Gu Shijie entangled all the videos of my wife."

Xu Zetong immediately knelt down and explained: "Fu...Fu Siye, that Gu Shijie, he...he is one of my clients. When he first met Gu Xiaoqing, he liked what Gu Xiaoqing liked. Surprisingly, it was Gu Xiaoqing who used him..."

Arron kicked Xu Zetong away.

Then he said very calmly: "Gu Shijie! Originally, he was a gangster in Bi County."

"The reason why your Jun family is attracted to it is because he can save his life without worry, and one day he can become the dead man

of your Jun family, so you have been raising him. Later, Gu Xiaoqing came back from abroad, and you just came in handy. !”

“Gu Shijie’s licking dog character set, the 20 million in Gu Shijie’s hands, are all given to him by you!”

“Your purpose is to make Gu Shijie and Gu Xiaoqing unite and create a storm in Kyoto and Nancheng?”

Xu Zetong: “...”

He did have such thoughts.

Because he hates Suzi.

It is not only the reason that Suzi dismissed him as soon as he came back from Quxian, but also the line of his wife’s family, Jun Jiajun Chengyin, who hated Suzi so much that he could not strip Suzi alive.

So when Jun’s family told Xu Zetong about this plan, Xu Zetong agreed without hesitation.

Originally thought, this would not do any harm to him.

This will not only increase Gu Xiaoqing’s friend who has returned from abroad as a top financial student, but also let Gu Xiaoqing use it for her own use. Maybe we can formally cooperate with the Fu Group in the future.

Most importantly, this can get rid of Suzi.

When Jun’s family and Xu Zetong made this plan, everyone felt that it was a perfect fit.

Especially the licking dog.

Licking, he really became Gu Xiaoqing’s licking dog.

Gu Xiaoqing was born so beautiful and came back from abroad. In addition, Gu Xiaoqing’s mother, Gu Jianing, was born to be saucy, so she also taught Gu Xiaoqing how to sweep the body.

Which night Gu Xiaoqing went to live with Gu Shijie in Bixian County was really to convince Gu Shijie.

Sincerely willing to lose his head for Gu Xiaoqing, I don't hesitate to do it.

Therefore, the effect of Gu Xiaoqing's filming in the Qingshan International Hotel can be more realistic.

However, no one thought that a black man came out in the hotel later.

The man in black actually beat Gu Shijie into the hospital!

This Gu Shijie is really a idiot, looking at a man who is big five and three rough!

It's so unbeatable!

"Christopher!" Arron suddenly ordered Christopher who was standing in a secret corner.

Christopher came out immediately: "Four Lord!"

"Bring Gu Shijie here!"

"Yes, Fourth Master!"

Xu Zetong: "You...you arrested Gu Shijie here, just to wait...wait for us to appear?"

Arron didn't even look at Xu Ze with the same eyes: "Xu Zetong, I just swallowed your company for you, how can you be willing? You must wander around here."

Xu Zetong: "..."

He suddenly closed his eyes.

## Chapter 1415

He knew, no matter what, he couldn't beat Arron.

Even if Arron didn't use one aspect of his force, he still couldn't compete with Arron.

Because he did not have Arron as much as the city, and he did not have Arron to plan more carefully.

Five or six minutes later, Gu Shijie was brought up directly by Christopher lifted his back tie.

Gu Shijie was hit hard by Pan Haoyang, and it has been more than two days now, and he still has a bruise on his face.

When he saw Suzi, Gu Shijie's face was blue and indiscriminate.

"You are very courageous." Arron said flatly.

"You are..." Gu Shijie looked at Arron in confusion.

"Presumptuous! This is Fourth Master Fu of Nancheng, how do you speak so small or small!" Xu Zetongsheng was afraid that Gu Shijie would be so exhausted to him, he immediately scolded.

Gu Shijie: "Hello, Fourth Master Fu, you..."

He looked at Suzi: "This woman... is..."

He wanted to ask, is this woman like Fu Siye's lover?

However, he didn't finish a word, Arron only said: "Christopher! Cut off Gu Shijie's tongue, smash his limbs, and save his life."

Gu Shijie: "..."

Xu Zetong + Jun Liuye + Siu: "..."

They are frightened one after another.

Gu Shijie wailed after a long while, "Fu Siye, Fu Siye... please forgive me, I... where did I offend you..."

"When did my wife know you?" Arron asked Gu Shijie with Suzi in his arms.

Gu Shijie: "..."

"Did she know you before Qingshan International Hotel?"

"Have you seen you?"

Gu Shijie: "..."

"Don't tell me, then your tongue is really useless."

"I said, I said!" Gu Shijie's frightened legs softened and knelt on the ground: "Yes...I don't know it's Siye your wife, it's...yes... ..Gu...Gu Xiaoqing asked me to act for her, Gu Xiaoqing she...she and I had a one-night marriage, she said she would marry me, so... ."

"Four Lord please forgive me..."

"Pull it down, my tongue is cut, and my limbs shattered." Arron commanded indifferently.

"Yes, Fourth Master!" Christopher yanked Gu Shijie out.

"Forgiveness, forgiveness, forgiveness, Fourth Master Fu, forgiveness, Mr. Xu, you help me plead, ah... D\*mn Gu Xiaoqing, you killed me, and I can't spare you if I'm a ghost, you girl!" The best person to scold Gu Shijie before he was dragged out was Gu Xiaoqing.

Where is the real dog licking in this world?

It's just that they are driven by interests.

Gu Shijie was dragged away, and his end was naturally the worst.

The people present, Xu Zetong, Jun Liuye, and Siu were all scared, their faces pale.

"I'll say it again, if you dare to offend my wife, you must end up in a pleasant way that you didn't expect." Arron hugged Suzi and went out.

As he walked, he ordered the security guard who had just arrived: "This is the site of the only uncle, and people will not be allowed to

enter after waiting. Next time if someone else comes in, just break your leg!”

“Yes!” the security captain replied.

Say yes, the security team leader looked at the three Xu Zetong again: “Mr. Xu, you are no longer a member of the company, please go out immediately.”

Xu Zetong and the three were driven out abruptly.

The three of them knew that the reason why Arron didn’t severely punish the three of them was because, in the final analysis, he gave the King Jing family face.

After all, Kraig and Arron are brothers.

But Sanford, who walked out of the company’s door at this moment, said in a worried tone: “Fourth brother...When I was recuperating in Kyoto, I often heard about the Jun’s family, and it was about Suzi.”

Arron frowned: “What’s the matter?”
