## Chapter 1552

Dalia dully looked at the fat old man: “You let me kneel for you, can you return my mother to me?”

“What your mother! I only want you, and I want your mother to do what an old lady does!” How can you get up and come to Dalia, raise your foot and kick Dalia to your knees.

He turned his head to look at Xin Wanruo again: “What’s the situation, how can she ask me for her mother?”

Xin Wan Ruo immediately pulled her aside her right to explain: “This woman is all about her death. If she doesn’t use her mother to contain her, she might commit suicide. She committed suicide, how can you play?”

Why has the right to be thoughtful: “It turns out that this is the case, I have a lot of tricks, don’t let her die.”

Xin Wanruo rejoiced: “The more tricks, the better. Boss He, I can tell you. This is something the Lord Kyoto specially ordered me to do. Do it well, let alone me. Even you will have a lot of benefits.”

“You think you are the king and hegemony in the area of Baihai City, right, but can you fight the king of Kyoto?”

Regardless of the right to a 60 or 70-year-old old man, but he is not confused.

He immediately shook his head: "It is natural to fight against. Every time the lord passes by this border, we ground-headed snakes hide and hibernate. Whoever eats enough will dare to provoke the lord!"

"So, this time is a good opportunity for you to perform."

"But." Xin Wan's words turned sharply: "No matter how you tortured this woman, no matter how many tricks you have, you can't let this woman die. The Lord only needs to live, don't die."

"Understood!"

He has the right to laugh and say: "Although I am old, I am also a man. I naturally understand the Lord, and the woman who thought I had the right back then, I only want to live, don't die! You! Don't worry, I have a sense of measure."

"That's good." Xin Wanruo felt happy.

I have the right to not even look at Xin just as if I had the right to do it at ordinary times.

Because in the eyes of how powerful, Xin Wanruo's grade is not enough.

He Quan, the existing beauties around him are all just over twenty years old. They are all small and delicate models in the Baihai City area. Don't look at these small models as if they were not Xin Wan. They were prosperous when they were celebrities, but they were more tender than Xin. .

A woman like Xin Wanruo, even though she has been in the entertainment circle in Kyoto, is not an infamous role too?

Even if she was not influential and was admitted to be blocked, that only shows that she is not good at offending people.

He Quan is very clear in his heart.

He wouldn't take Xin Wan like this kind of shabby stuff.

Thinking that when Xin Wanruo came to take refuge in him, he didn't even give Xin Wanruo a face-to-face meeting, which allowed the old Rob to take advantage.

However, what He Quan didn't expect was that Xin Wan, if this woman really had two chances, could even catch up with the Lord of Kyoto.

So why has the right to not neglect Xin Wan today.

Who doesn't want to have a relationship with the king of Kyoto?

If he can get in touch with each other, then why does he have the right to be such an influential snake in the future.

If Xin Wan looked at He Quan's appearance of fawning on her like this, she further said: "Tell you the truth, Boss He, I knew you were good for a long time, so I tried every means to get this pregnant woman over for you. , So while you have some fun, you can still have a familiar face with the Lord."

"Yes, yes, Miss Xin is right." He has the right to compliment.

"But." Xin Wanruo turned again: "I also offended my undead man for this!"

He has the right: "This..."

"But it's not because of you! You also know that I am not a thing in the pool. I was demoted to this desolate land only temporarily, so I never planned to follow Rob for a long time. No, I have a chance. I will immediately I'm going back to Kyoto. In the future, I will volunteer very richly in the southern city of Kyoto."

"I'm still the big celebrity next to the Lord."

"So Boss He, before the Lord comes to Baihai City, can you take me in? Otherwise, I might be hacked to death by the old immortal Rob as soon as I go out."

## **Chapter 1553**

He Quan immediately patted his chest and said, "Wrap it on Lao He!"

Yubi, he shouted, "Boss, second, third, fourth, fifth! You guys come over here!"

He shouted in this voice, and the five women who had been around He Quan immediately came to him.

"What's the matter?" asked one of the girls in their twenties.

"This is your old predecessor! Miss Xin also played roles in film and television dramas back then, you guys treat her well." He has the right to order.

"Sister Xin, come with us." One of the beautiful women shouted with a smile.

Xin Wanruo followed these five beauties upstairs.

The villa of He Quan has three floors, and the first floor is occupied by domestic helpers.

He lives on the second floor.

In the eight rooms on the third floor are his five model little girls.

After several little beauties took Xin Wanruo to the third floor and arranged a room for her, they began to question Xin Wanruo.

"Sister Xin, I heard that you have a very good relationship with the emperor in Kyoto?"

"Sister Xin, Sister Xin, have you seen the Lord of Kyoto?"

"You nonsense! Sister Xin used to develop in the entertainment industry in Kyoto, and of course she knows the Lord."

"Sister Xin, I heard that the prince of Kyoto is only thirty-four years old this year, and he is tall and handsome, and he is almost 1.9 meters tall. I have long heard that he and the fourth master of Arron in Nancheng, two of them are one south and one north. Both are two great handsome guys, and they are both men with monstrous wealth."

"Fourth old man, look at you like this, like a nympho, you are careful to be heard by the old man! The old man will kill you!"

“Haha, if the old man might have heard it in the past, but not today. I guess the old man is torturing the pregnant woman on the second floor now, right? Hehe...”

“Sister Xin, Sister Xin, can you tell us the story about you and the Lord?”

If Xin Wan knew that there was one of the little girls in it, which one didn't want to have a relationship with Kraig?

Which one doesn't want to be daydreaming, is liked by Kraig, and can choose the same concubine, choose to go?

She hummed coldly in her heart: “I want to be beautiful!”

However, on the surface, Xin Wan didn't show anything, she just stared at these little models like a big sister: “If you hurry up, you might see the lord tomorrow. See you at that time, don't you? Got it?”

“Ah, really?”

“Oh my God!”

“I have to take a beauty sleep today.”

“Sister Xin, I am your follower...”

Several small models all surrounded Xin Wanruo, pinching shoulders and legs for her.

This night, although Xin Wanruo had fallen out with her old man and was homeless, she was not worried, and she lived very comfortably, with four or five small models waiting for her.

In contrast, Dalia's life is sad.

How can Dalia have the right to be taken to the second floor? She was wearing dirty clothes, and she looked stupidly and looked at He right: “What do you want to do to me?”

Why has the right to smile coldly: “What do you mean?”

As soon as his voice fell, the phone rang suddenly, and he immediately connected: “Who, dare to disturb Lao Tzu’s good deeds at this time!”

### Chapter 1554

On the other end of the phone, Rob roared: “Why do you have any right! You are an immortal thing! Xin Wan, I will stay with you, if you do it tonight, I won’t ask you for it! Take your hand Give me back that little pregnant woman here!”

What right: “...”

In the generation of Baihai, why has the right to rule the king and dominate hegemony? Rob, an old immortal thing, has not dared to gasp loudly in front of him. What happened today?

For a little pregnant woman, Rob even yelled at her.

“Rob! You took the wrong medicine!” Why has the right to be patient and scolded.

Mainly he is also happy today.

It has been three years, and he has been out of stock. Only then did he get the stock. Naturally, he was happy and almost rubbed his hands.

I never thought about it. At the other end, Rob's uncompromising tone: "What right, I am immortal and you are immortal! We are all so old! You treat me as I am afraid that you will fail! I don't want to do it anymore. Fight with you!"

"After so many years, we have done a lot of bad things, right? The money spent on women accounted for almost half of the money we spent in exchange for our lives, but what did we get?"

What right: "..."

He didn't expect that Rob would have changed people today.

Not only is not afraid of him, but also tells him the truth.

Seeing why he has the right not to answer, Rob continued: "We don't even have a single-minded woman to us!"

"It's my bitch Xinwanruo! When she was demoted from Kyoto, she was so downhearted that she couldn't pay a hundred dollars on her body. You didn't want to take her in. I took her in. The result? Is she sincere to me? Not sincere!"

Sighing, Rob said, "But this little pregnant woman is different."

When it comes to the little pregnant woman, Rob is full of emotion.

The little pregnant woman was kept in her villa by Xin Wan for three days and three nights. Rob knew on the first day that he had also visited the little pregnant woman.

Every time I see a young pregnant woman, the pregnant woman looks dull and mentally ill, but she keeps asking: "Where is my mother?"

At that time, Rob thought that the mother mentioned by the little pregnant woman was her biological mother.

I didn't know until later that it was not.

The so-called mother in the mouth of the little pregnant woman turned out to be the mother of her fiance, and her fiance is dead.

She loves her fiance.

Therefore, even if the fiancé dies, she will take the fiancé's mother's life more importantly than her own.

Rob did all the bad things in his life.

There are also many women looking for.

There are as many as nine right now.

That proper is the performance of a typical nouveau riche.

But he was moved by the little pregnant woman.

Take a closer look at the temperament of the little pregnant woman. Although she is poorly dressed and has messy hair, her small face is poignant and affectionate. For such a petite and helpless woman, when she saw the savior, she thought of the same thing. It's not kneeling and kowtow to offer oneself for help.

She focused all her attention on her fiance's mother.

Completely disregarded his own life.

Although such a woman was very downhearted, she conquered Rob, who was in her sixties.

Thinking of him, he has not made less money throughout his life.

There are several hundred million.

However, all the women he saw were wagging their tails and begging for food and drink in front of him like a bltch, but they didn't treat him sincerely.

It was the first time that he saw such a woman who was not afraid of life and death and was not tempted by money.

He thought that as long as this little pregnant woman was willing to follow him, he would give her a place.

Including raising her child!

Several hundred million worth of assets can't be spent in a few lifetimes!

However, such a plan had not yet started, and it was ruined by Xin Wanruo this D\*mn woman.

## Chapter 1555

What does he have to fear?

He has buried half of the old immortal things, who is he afraid of!

He wants to find a loving and righteous woman all his life, can't he!

“Brother He, I am inferior to you in terms of power, but now we are both old! Now that the waves of the Yangtze River are pushing forward, how long can we live? As long as you give me the little pregnant woman, I will give you all my territory, I only took the little pregnant woman back to the countryside, how about it!” Rob was discussing how he entitled.

He Quan suddenly sneered: “The surname is Zou! This is not as simple as you think! You had better not intervene! Otherwise, you will die without a place to be buried!”

Rob suddenly became angry: “What's the last name! Is Lao Tzu afraid of you? You want to come true, Lao Tzu will stay with you to the end!”

“Huh!” He Quan just gave Rob the word.

He knew that Rob was not afraid of him.

After all, they are all old, they have only one life, who is afraid of whom?

However, if Rob makes trouble this time, I am afraid there will be really no good fruit to eat!

Why have the right to wait for Rob to make trouble.

It's best to keep the troubled chickens and dogs in Baihai City restless.

When the time comes, the Lord will take care of Rob directly, and it will save him why he has the right to move a needle and a thread.

After He has the right to hang up the phone, he stares at Dalia.

“Unexpectedly! Your big belly is still so attractive, and Rob's old immortal thing has been subdued by you?” Why has the right to say to Dalia in a weird manner.

Dalia's expression is still sluggish: “Where is my mother? Show me if my mother is sleeping and has she eaten? I want to share a video with my mother. If she is still alive, you can do anything you want me to do. Don't hurt my mother, I will cooperate in everything.”

“I just won't show you your mother!” Rob lifted his foot and wanted to kick Dalia in the stomach.

However, as soon as he touched Dalia's stomach, he suddenly stood firm.

He was afraid of kicking this delicate woman to death, and it would be difficult to explain to the Lord at that time.

Then he closed his feet, and then yelled: “I can give you a look at your mother and say a word.”

Yubi, he opened the video and directly contacted the person watching the old lady.

The old lady really lives in a good place.

Dalia glanced at it and burst into tears: “Mom...Mom.”

The old lady immediately cried and shouted: “Xiaoshan, leave me alone. My mother is in her seventies. You are alive and well. Go and collect a corpse for your Dashan brother. Leave your mother alone.”

“Mom, are you still willing to live? If you want to live, Xiaoshan will live, or if you want to live, let’s die together, okay?” Dalia asked in tears.

Originally, she had no tears anymore.

She felt her tears running dry.

But at this moment, when she saw her mother, her tears seemed to burst again.

“Mom is alive, mom must be alive.” The old lady on the other end immediately wiped her muddy tears.

When I was about to say something, the video was turned off.

“Mom!” Dalia shouted heartbreakingly.

She is really tired.

She really wanted to die with her mother.

But her mother didn’t want to die, so she had to find a way to protect her.

Dalia raised his tearful eyes and looked at the plump old man in front of him, and said in a gentle tone: “Let’s talk, I will obey you what you ask me to do. I only have one request, and I will talk to my mother once a day.”

“Very good!” The old man immediately raised his fat hand and dragged Dalia’s chin.

Just then, his cell phone rang again.

Picking it up, he didn’t even look at the number, and immediately roared: “Rob, you immortal thing! I...”

“Is it right? I’m Kraig.” At that end, Kraig said in a very cold tone.

## Chapter 1556

On the other end of the phone, Kraig was halfway there, but he was blocked by a landslide.

I thought that I would be able to reach Baihai City in just one day by car, so I didn't take a plane either.

As a result, there was rain and then a landslide.

Kraig's front and back were cut off.

For one or two days, he will not be able to reach Baihai City.

But he was extremely worried about Dalia's safety.

Therefore, Kraig called Xin Wanruo again.

At the other end, Xin Wanruo was lying on the bed like a queen, enjoying a few slaves and her legs.

Seeing the call from Kraig, Xin Wanruo called a surprise. Her hand with the phone trembled, and her voice couldn't help but tremble when she connected: "Jun...Jun, you ...You call me at night, you..."

"No way!" Kraig asked sharply.

"Yes... Yeah, of course you do, Lord..." If Xin Wan doesn't know what instructions Kraig has to call at night?

Do you want her to accompany you on the phone?

Hehe!

That was a once-in-a-lifetime opportunity.

Especially there are five women around him watching her.

But Xin seems to be showing off.

As a result, there was a different person on the other end of the phone.

The man's tone was very cold: "Xin Wanruo! Master is drunk and is losing his temper. The thing he hates most in his life is Dalia. Master must deal with Dalia himself. If you want to remember Xin Wanruo, you must stay. Dalia is alive!"

Xin Wanruo nodded immediately like a chicken pecking at rice: "I know that I know, you...you must be the adjutant of the king, don't worry, I will not let the surnamed Du die."

At that end, Elden asked again: "Where is Dalia now?"

Xin Wan's frightened forehead was sweaty: "Yes, what I said to the Lord last time is that an old man has a hobby, and he likes to torture pregnant women..."

"Presumptuous!" Elden scolded angrily

Xin Wanruo: "You...please give instructions!"

"Don't let that woman be tortured to death! At that time you can't eat and walk around, we won't have good fruit!" Elden said coldly.

If Xin Wan nodded immediately like a chicken pecking at rice: "Then I...I will go now, I will arrange for Boss He now, so that he must stay alive, sure!"

"No need! Tell me your phone number and I will ask myself!" Elden ordered.

"Okay, okay, I'll give it to you." Xin Wanruo immediately reported He Quan's mobile phone number.

After closing the line, Kraig immediately dialed the cell phone of He Quan without staying for a second.

Who has the right to be Kraig currently does not know.

But there is one thing he knows, and that is that the surname He must die!

As soon as the call was connected, Kraig's tone was extremely cold.

The right of this end is really scary.

He stammered and asked on the phone: "Mr...Mr. Lord, you...Hello, I have always admired your name very much when I was young, and I have always wanted to visit you. But I don't have that qualification when I'm young."

"Where's that woman!" Kraig's tone was very unpleasant.

He has the right: "Master, you...what do you want to do with her, as long as you say something, I will guarantee your satisfaction!"

At the other end, it was replaced by Elden's voice: "What does the master want to do with her? The master wants to cut her a thousand times!"

Hearing that the other party had been replaced by someone next to Kraig, He Quan did not neglect. He took the phone farther and kicked Dalia on Dalia's body. Dalia was immediately kicked to the ground, He You Quan Peng said to Dalia: "Have you heard, the Lord will cut you out!"

## Chapter 1557

Yu Bing, why have the right to say to the receiver again: "This little master, that woman is by my side, and she was kicked by me just now. She is more obedient than a dog, or else, I will Torture her half-dead, first let the Lord speak ill, but don't worry, I will definitely keep her life."

This hard-won opportunity, how could he have the right to speak to the emperor of Kyoto, he naturally didn't want to lose all opportunities for performance.

Now, it is no longer a matter of how he has the right to abuse a pregnant woman. This is a trivial matter.

The most important thing now is how to seize this opportunity and build a relationship with the Lord of Kyoto.

In the future, how could he have the right to be the Lord's person.

But what made He Quann't expect that at that end, Elden immediately scolded: "You sighed for the lord, where did the lord's illness go? What's more refreshing than the illness he felt in his heart. Of?"

What right: "..."

After a pause, he stroked the sweat on his forehead, and carefully said, "Yes, yes, what you said, my son, you have to let your suffocation go by yourself. Others do it, your prince. I still don't get angry. I understand. Don't worry, I will not touch this woman, and I promise that she will not die."

"Hang up!" Elden hung up very simply.

After closing the thread, he looked at Kraig, who was already singing because of his anxiety: "Master, Madam, there should be no mistakes..."

Sitting in the car, Kraig's tone was desperate: "I hope..."

He said in his heart: "Ashan, don't have anything to do, you must..."

On that end, Dalia was kicked by He Quan, and he has not yet got up.

She didn't want to get up either.

Dalia is now extremely slow to do anything.

She was like a dementia patient, kneeling there waiting for why she has the right to deal with her, why the right but struggling to squat down and sighed: "Eh, I can't enjoy such good goods."

"But it doesn't matter, as long as I can catch the Lord, I will definitely be more prosperous in the future, not bad for this one."

He lifted his foot and kicked Dalia: “You are here today on your knees! Forgetting your fate, you will live for two more days. I want to know how you offended the Lord? Scratched you piece by piece with a knife?”

Dalia was dumbfounded, without any reaction.

Shaved her piece by piece?

There was an uncomfortable drop of blood in her heart, her eyes were sore and painful, but she couldn't shed tears.

Okay.

I've come to pluck her, it's better to pluck her right now.

She suddenly raised the sky with a long howl: “Kraig, you come and shave me now! I won't let you go when I reach the underworld!”

At that end, Kraig, who was blocked by a landslide thousands of miles away, seemed to have heard it. He suddenly shook his spirit and sat upright.

“Master, what's the matter?” Elden asked.

“Find someone and clean up the landslide overnight!” Kraig said irritably.

“Yes!”

It took two full days for the landslide section to be cleaned and repaired. Kraig and Elden drove for a long time before finally reaching Baihai City.

It was already three days later.

A large number of people transferred by Kraig came to Baihai City earlier than Kraig, and they were all on standby.

“Master, please give your order!” the subordinate said.

“Go to the villa where you have the right!” Kraig said impatiently.

He couldn't wait for a minute, and he was about to see Dalia right away.

Half an hour later, Kraig came to the outside of He Quan's villa. From afar, he saw Xin Wan standing at the door of He Quan's villa and greeted him with a smile.

"Where is Dalia?" Kraig asked.

### Chapter 1558

Xin Wanruo was taken aback by seeing Kraig.

The last time I saw Kraig at a banquet was three years ago. At that time, Kraig was dressed in a suit and his body was straightened. He was not as cold and indifferent as described in the CEO's novel. On the contrary, he was gentle and elegant. The approachable look.

If Xin Wan couldn't believe it at the time, a man who held a lot of power to kill like hemp would actually look like that.

However, the image of Kraig also gave Xin Wan the courage, she deliberately stepped on Kraig's feet.

As a result, only on that occasion, she truly experienced the killing methods of a man with powerful hands. He seemed gentle and elegant, but he was a smiling tiger.

The shot is very fast and accurate.

If Xin Wan didn't even react, she lost her great career prospects in the entertainment industry.

All of a sudden, he was demoted to this barren land, acting as a secret agent for an old man in his sixties, and having to accompany the old man's guests.

Seeing Kraig again after three years, she was still very embarrassed.

Even though Kraig called her several times along the way, every time the tone was unpredictable, but it gave her a lot of hope, as if Kraig was telling Xin Wanruo that she was already his Junjing. Yu's friend.

At this moment, seeing Kraig wearing a navy blue long trench coat, a pair of shiny military boots, and a dark expression on his face, Xin Wanruo's heart was really in love.

This man is so stylish, he doesn't lose much to the Fourth Master Nancheng.

If she can be slept by such a man once in her life, she is dead and worth it.

If Xin Wan wanted to have good looks, she wanted to be well-known back then, but what kind of men did she and the men look like?

All the wrinkles on the face with a bald and big belly and fat fat oil can trap big green-headed flies.

Xin Wan has experienced dozens of men in her life, but she has always been like an old corpse.

Every time she can spit out the nauseous jaundice.

Now, finally let her wait for such a powerful and handsome man like Kraig.

This man has the breath of a king who overlooks everything in every gesture, especially this navy blue windbreaker, which brings out a strong and vigorous aura.

If Xin Wan hated that he couldn't jump into Kraig's arms in the next second, he was close to him, groaning delicately and weakly, letting him go and gallop.

But Xinwan felt terrified in her heart.

Because, at this moment, Dalia is not in the villa.

"Master, you must be tired after a long journey, not to mention that I heard that you encountered a mudslide on the road, you... Master, please come in, please come in." Xin Wanruo Trying to prevent herself from stammering too much, she wiped the sweat from her forehead and squeezed out a smile to deal with Kraig.

At this moment, Kraig really wanted to kick out all the internal organs of this woman Xin Wan.

However, Kraig dared not do anything when he didn't see Dalia.

It is often said that people cannot be handed without weakness.

Because you have no weakness, you have no scruples and will not compromise.

In the past, Kraig was an uncompromising and unscrupulous person, so what he didn't realize was correct.

After all, he has parents, elder brothers, and nephews that are all weak points, but even with these relatives, he still has no scruples, goes forward courageously, and never compromises.

But now it's different.

Now Kraig finally understood the meaning of this sentence.

Dalia is his weakness for Kraig.

Dalia is now in Xin Wanruo's hands. When Kraig didn't see anyone, he didn't dare to use any means on Xin Wanruo easily.

He can only detour first.

From his youth to the present, who has he been afraid of?

## Chapter 1559

But at this moment, he was afraid of Xin Wanruo.

So if Xin Wan asked him to come in and sit down first, take a break, Kraig came in with a cold face.

In the villa, there is another woman.

When she saw Kraig coming in, the woman's eyes were straight.

However, this woman is more calm than Xin Wanruo, and the woman looks younger and more beautiful than Xin Wanruo. She smiled and said to Kraig: "Mr. Jun, please sit down. Dalia you want is taken care of by Mr. He." When I got up and learned that you were going to be here soon, Mr. He went to pick up the woman. I will be there soon."

Hearing the woman's explanation, Xin Wan suddenly opened her head, and she nodded like smashing garlic: "Yes, yes, they, they will be here soon. Lord, sit down and I will give you tea."

Yubi, Xin Wanruo went to the inner room to make tea like a gust of wind.

Behind him, the woman immediately followed.

"Like sister, what are you afraid of? Didn't you say that you are a friend of the Lord?" The woman's tone was slightly contemptuous.

"Tian Xin! Don't think you have the right to be the boss of the five beauties around him! But in the eyes of the Lord you are not even a chicken! Why have the right to keep you here, I think you can help him stabilize the lord, don't you have the right to be a big deal with me!" Xin was in a warning tone.

"Ha!" Tian Xin stopped pretending to be either.

She laughed more frantically: "Xin Wanruo! I think your lord does not look at you at all! The tongue you scared just now is gone! If it weren't for me to hold the scene for you, maybe you are now caught by the lord. Kicked to death!"

“Also!” Before Xin Wanruo said anything, Tian Xin said more contemptuously: “Xin Wanruo, just like this rat, do you still want to hang out in front of Kraig?”

Xin Wanruo: “You, what do you mean!”

Tian Xin sneered: “Since Dalia is not here, Lord Jun can’t see Dalia and is angry. Then we two women are here, why don’t we put the fire down for Lord Jun?”

Xin Wanruo also sneered: “Who do you think you are! He wants Dalia’s life and wants to kill Dalia himself. His anger is on Dalia! It’s not that he has the fire to vent! You know you idiot!”

Tian Xin was also not angry.

She only looked at Xin Wan contemptuously: “No wonder why my family has no right to look down on you. You can only talk to Rob. As a woman, you can’t seduce the man you want. That is You have no abilities! You know you idiot!”

Sure enough, Tian Xin stopped for tea and went out.

She looks tall and elegant.

When I came to Kraig, he was also generous and not nervous at all.

“Mr. Jun, please have tea.”

Kraig raised her eyes and looked at Tian Xin more: “Are you?”

“Mr. Huijun, my name is Tian Xin. I graduated from Northeast Foreign Languages Institute. I am Boss He’s secretary.” The woman was generous.

When she bends down to pour tea for Kraig, the front area just shows up.

Kraig glanced at her again, but he didn’t say a word, only held up the tea without expression and delivered it to his mouth.

“Hey, Mr. Jun, wait a moment.” The woman immediately raised her hands to stop Kraig.

Her hands were tender and white, extremely slender, and thin as if they had no bones.

And her hand accurately held Kraig's wrist: "Hot..."

Seeing Kraig not moving anymore, Tian Xin apologized immediately: "I'm sorry, Mr. Jun, I...I touched your wrist when I was in a hurry, I'm sorry."

"Sit down." Kraig's tone really eased a lot.

Behind him, Xin Wan's fingernails, which looked like annoyance, were pinched into his hands.

There was a smile of Desheng in Tian Xin's heart.

At this moment, her mobile phone rang, and she picked up to connect: "Hello?"

Immediately afterwards, she said to Kraig in surprise: "Mr. Jun, Dalia brought you."

Kraig stood up suddenly.

"Master." Elden reminded Kraig.

Kraig calmed down, and he smiled at Tian Xin.

Tian Xinxin, who was holding the earpiece, was ecstatic.

She could see that her generous and generous behavior impressed Kraig very much.

Tian Xin immediately made persistent efforts: "Master, you have to wait a while, Boss He's car may take a few minutes."

Yubi, she took the receiver away and asked, "When will you arrive? Mr. Jun is already waiting at home, hurry up."

On that end, why should you have the right to ask worriedly: "Boss, can you tell that the Lord is angry?"

"The Lord is not angry, you have to hurry up." Tian Xin said.

He has the right to immediately whisper: "Boss! You can hold your lord for four or five minutes. I have to find a way to make the lord happy. Originally, Dalia, this woman should be in our house, so that it is logical for us to please the lord. It's a mess, I have to get rid of the hatred of the Lord first, and you can help me hold it for five minutes."

Tian Xin said into the receiver: "I see, five minutes."

After closing the line, she looked at Kraig with a smile: "Mr. Jun, Boss He's car has reached the corner, and it will be there in five minutes."

Kraig nodded calmly

He can wait for five minutes!

Dalia will not come in five minutes, he will level the villa!

"Sit down." Kraig looked at Tian Xin indifferently.

Not far away, Xin Wan's jealous eyes were red.

But she has no way to check Tian Xin.

She gave Dalia to He Quan,

Originally wanted to make a fortune here in How Right, but instead she could please Kraig, but in any case she did not expect that she only lived here for One Day.

An accident happened in one day.

After Dalia was imprisoned in the villa for a day, Dalia went on a hunger strike because she had to see her mother with her own eyes.

Both Xin Wanruo and He Quangong were afraid of her death.

If Dalia dies, if Xin Wan not only doesn't have the money, she might have to be killed by Kraig.

He Quan had the same idea. If Dalia died, Kraig's hard work might be flattened by Kraig.

But if they took care of Dalia, it would be different.

Helpless, He Quan and Xin Wan can only take Dalia to meet her old mother.

What they didn't expect was that Dalia was snatched away by Rob after seeing his old mother on the way back.

Rob blatantly grabbed people.

Xin Wanruo was stupid at the time. She pointed at Rob angrily and shouted, "The surname is Zou! How dare you snatch the woman that the boss is fond of!"

Rob sneered: "Little bitch! You followed me for three years! You have followed me for nothing! I will warn you if you have any right to go with the little pregnant woman, I am not afraid of what right!"

"I also called He Quan! I've gotten the little pregnant woman! Even if I fight with He Quan, the bastard kid, I want to take the little pregnant woman over!"

"You..." Xin Wan almost vomited blood.

But, let alone her, even if you have the right to see it, Rob is playing his life.

Helpless, He Quan and Xin Wan can only come back first and make other plans.

Both sitting in the living room frowned.

At this time, why have Wumei around me come over.

When the five women were about to come to He Quan to play coquettishly, they were reprimanded by He Quan in an extremely impatient tone: "Everyone will die for Lao Tzu! Those who dare to come to Lao Tzu to annoy Lao Tzu, Lao Tzu kicked him to death. Her!"

The four of the five beauty shivered all over, then turned and ran away.

## **Chapter 1561**

Only the old Da Tian Xin.

She is a bit knowledgeable.

Tian Xin is a high-achieving student who graduated from Northeast Foreign College, and he also had a great future back then.

However, when she was in college, she talked about a boyfriend. The boyfriend's mother would not let the boy find a girl from the mountain village, even if Tian Xin was beautiful and foreign.

Then the boy broke up with Tian Xin.

Angrily, Tian Xin took the initiative to approach what right.

Her purpose is only one, that is, to give Ho the right to help her out of a sigh of foul.

He had the right to break the boy's leg, and interrupted something else by the way, making it impossible for the boy to have a next generation in his life.

Then, Tian Xin followed He Quan.

Originally we had been with him for a year, but left him after paying off the debt.

However, Tian Xin is inseparable from He right under the money parcel of He right.

She is so lazy and professional. In addition to beauty and sleep every day, she accompanies this lousy old man, who has the right to accompany her. Don't mention how pleasant days are.

Just like that, Tian Xin has been with He Quan for more than three years.

In the past three years, she is the most entitled to pet among the five beauties.

Sometimes, why do you have the right to have something to discuss with this top student.

As a result, when Dalia was snatched away by Rob, Tian Xin was not frightened by He who had the right to drive her away.

Instead, after the other four corner sisters left, she stayed: "Master Quan, listen to me."

Why have the right to see Tian Xin and feel a lot better: "My sweetheart, my lord knows that you have a good idea. If you give my grandfather an idea, what should I do next?"

Tian Xin said unhurriedly: "Master, you have always wanted to kill Rob, now we can kill people with the knife."

He Quan's eyes lit up: "Go on, keep on talking!"

Tian Xin smiled confidently: "Didn't the Lord of Kyoto say that he will arrive tomorrow? Then we will stand still today, and let Rob think we are afraid of him. When the Lord is coming tomorrow, we will surprise Dalia again. When I came back, the people who provoked Rob came to snatch it, and it happened to meet the Lord..."

He has the right to slap his thigh immediately: "High, this trick is high! But..."

He was worried again: “The Lord is here, and I can’t see Dalia, will he...”

“You can rest assured Lord Jun, this isn’t that there is Sister Wanruo sitting here, Sister Wanruo is a friend of Lord Jun...Is it like sister?” Tian Xin raised her eyebrows and looked at Xin Wanruo.

Xin Wanwan wanted to kick Tian Xin to death.

However, she has no other way, she can only do it according to Tian Xin’s method.

That night, while there was no one, Tian Xin secretly told Xin Wanruo: “Sister Wanruo, do you know how Rob knew Dalia was going to visit her mother, so did you snatch Dalia halfway?”

Xin Wan was stunned: “Did you whisper the news?”

“Yes.” Tian Xin smiled purely.

“You...you bltch who eats inside and out, you are not afraid that the boss will break your body to pieces!” Xin Wan burst into anger.

“Go tell Boss He, and see if my man believes in you or believes in me?” Tian Xin continued to laugh.

Xin Wanruo: “...”

Tian Xin left her very provocatively.

But Xin Wanruo had no choice.

Even at this moment, she knew that Tian Xin was doing bad things on both sides, but she could only watch Tian Xin do her best in front of Kraig, and she, the matchmaker, was thrown aside.

When he was desperate, Xin Wanruo suddenly screamed and ran out: “Dalia! You are finally here!”

Upon hearing this cry, Kraig also stood up immediately.

Within a minute, Dalia appeared at the door of the villa, seeing her, Kraig and Elden, both stunned at the same time.
