Chapter 1642

Arron: "..."

He was silent for a long time.

He and Pan Haoyang had met twice in total. The first time Pan Haoyang ran away, and then they were both uncertain and far away, and they didn't even say a word.

this moment,

He really didn't know what to say.

"Speak... Speak! Why don't you speak! Speak! You dog

Bastards! "Pan Haoyang scolded hysterically.

"I know you are a ruthless, cold-blooded man. In Nancheng, you are a man who speaks for itself. I know you have a bad temper. You can kill me by stomping your feet. Come on, kill me! Kill me!"

Arron remained silent: "..."

"Speak! You son of a b!tch!" When he scolded this sentence, Pan Haoyang obviously didn't think about it, he and he were the same parents.

Arron finally spoke lightly, his tone was so calm that it was like reciting a poem in the middle of the night: "Speak, I will listen."

Pan Haoyang: "You coward! Coward!"

"You get cheap and sell well, don't you!"

"Does she hurt you?"

"I have always loved you since I was a child! For you, she endured hardships at the Fu family, right?"

"For you, she has no place in her life? For you, she went into exile abroad and raised you alone?"

"Why are you so happy? You can get her love, but what about me?"

"I have nothing."

When he said this, Pan Haoyang took several sips of strong wine alone, and he poured the wine out of his mouth. What life?"

"They don't love me!"

"I eat and drink every day, and a domestic helper takes care of me, but I can't see my parents!"

"My mother cried when she saw me, and scolded me when she saw me again!"

"I don't understand why since I was a child? I'm taller and more handsome than the three brothers above me. I work harder than them. Why does my mother still dislike me?"

"I asked my father, why did you ignore me and let me die? My father sighed, looked at me with hatred and left!"

"From childhood to adulthood, in order to win their love, I studied hard and won the first place since I was a child!"

"I went to the best high school in Jiaying Island, just to prove to them how good I am, why don't you like me?"

"But they still ignore me."

“I went abroad to study in a fit of rage. I worked part-time abroad and didn’t return to China for three consecutive years. Later, my mother didn’t know what kindness she sent, and asked me for three years without asking them for money. How can I live? I said I work part-time, I work in L city in country Y, and my mother was shocked at that time!”

“I remember the tone of her voice until now. She was shocked, she asked me if I had met anyone suspicious! Asked if I had met that woman!”

“I’m inexplicable, I don’t know what woman? What? I met that woman, I asked my mother, she didn’t tell me anything, she told me to return to Jiaxing Island immediately, if I didn’t fly within three days. Jiaxingdao, she will never want me!”

“I had no choice but to fly back!”

“How about coming back?”

“It’s nothing more than being scolded by my parents! They called me an unfamiliar white-eyed wolf, and they withheld my passport so that I could never go to that country or city again!”

“I’m very surprised by what they do! Since they don’t like me, why don’t they let me fend for themselves outside, and why limit my freedom!”

“I didn’t understand until you captured Jiaxing Island!”

“It turns out that you and her are in that city, that she has a good job as an architect in that city, and she uses her high salary to help you study abroad!”

“It turns out that I was once close to her too.”

“But no one told me that I was in the same city as my biological mother!”

Chapter 1643

“Arron! I hate you all!”

“I hate you!”

“I hate her!”

“I hate everyone!”

“I hate...you bastard! You don't let me see you, I have to chop off your dog's head and put it on her grave to honor her! You bastard, dog

You bastard, how could you have the heart to put her in jail for ten years! “

“You bastard!”

Pan Haoyang scolded a lot.

His words were a little confused.

He hates everyone, he hates his own mother.

But in his words, there is still a strong feeling of distressing his biological mother.

Does he hate or love?

Maybe he couldn't tell himself.

“You have a mother's love, you also have a father's love, you have everything, and the Fu family has left everything to you, but what about me?”

“I don't have a mother's love, I don't have a father's love, I was fostered in someone else's house, I have nothing, Arron, you dog? bastard...”

“You said, are you a dog? Mongrel!”

After listening to Pan Haoyang muttering so much incoherently, Arron finally said, “Haoyang, it's not what you think.”

Pan Haoyang: “Go to hell!”

Arron still said plainly: “I didn't know you existed before I went to Jiaxing Island.”

“My mother was already suffering from cancer in prison. She is running out of time. At that time, let alone her, even I was controlled by the other brothers of the Fu family. Our mother and son are unable to protect themselves. The reason why mother Don't tell anyone, you are in Jiaxing Island, in fact, she is there to protect you. She doesn't want the three of us to die.”

“Do you understand, Hao Yang!”

Speaking of this, Arron was also very heartbroken.

At that time, his status was unstable. How dare his mother tell him that he still has a biological brother in Jiaxing Island?

As soon as he took office, he took his mother out, but her mother only lived for more than two months.

At that time, who understood the concerns of the mother?

Instead of letting the younger son live in the precarious situation of fighting and killing in Nancheng, it is better to let him be Pan forever in Jiaxing Island.

At least, Pan's parents just didn't like him, but they also raised him.

Pan Haoyang roared fiercely: “I don't understand! I don't understand! I don't understand! All I know is that she died and I didn't see her!”

Until now, Pan Haoyang has never even called “Mom”.

There was even anger in his words.

But Arron could hear how much he regretted that he couldn't see his biological mother.

Arron: “Haoyang, when you come back, as long as you come back, the Fu Group will have half of yours.”

“Fart!” Pan Haoyang yelled fiercely and angrily!

“Do you think I'll be fooled by you? I already know how vicious you are and how ruthless you are! It's a lie that you told me to go back to

Nancheng and split the family property with me, is it true that you come back and kill me?" Pan Haoyang asked in a sad tone.

"You never thought that I am your brother!"

"You are my younger brother, the only uncle, and the only one who misses you very much." Arron tried to use the only one to ease the other party's emotions.

Sure enough, the other party's tone suddenly softened a lot, and it became a lot more sad: "The only...she is not...didn't she say she hates me?"

At this moment, a childish voice suddenly came from behind Arron: "Dad, who are you calling?"

Chapter 1644

The child was woken up by the urine at night. When she went to the bathroom, she heard a faint voice in the house, as if it was her father's voice.

At first, the only thing I thought was in my parents' bedroom.

But the door of Mom and Dad's bedroom was left open, and only Mom was sleeping soundly.

The only thing that didn't bother my mother, but crept to the terrace with bare feet, sure enough, my father was on the phone.

She heard it, Dad mentioned her name, she heard it too, and it seemed like her name was being mentioned on the other end of the phone.

Shen Wei was very curious.

She called out from behind her father.

Arron turned his head and saw his daughter, who was casually dressed in small flowers, standing behind him with bare feet. He stretched out his arms and embraced her in his arms, and said gently, "It's nothing baby, go to sleep."

"The only! The only! Is it the only?" At that end, Pan Haoyang immediately heard Shen Weiyi's voice, and he shouted excitedly.

Shen Wei heard it.

She looked at her father with inquiring eyes: "Is it Uncle Pan?"

Arron had no choice but to nod: "Yes."

At the other end, Pan Haoyang shouted eagerly, "Bastard! Let the only one answer the phone, or I'll kill you!"

Arron: "..."

In six or seven years, he had never been intimidated like this.

Even Suzi never intimidated him like this.

Now he even let the other bastard to intimidate him.

At this moment, Arron wanted to roar at the other party: "You are a bastard! Shen Wei is my daughter! My daughter!"

However, he said nothing.

She only aimed the receiver at the only ear.

Gently said to the only one: “the only one, this is your uncle. Dear uncle.”

After saying this, Arron couldn't help but smile bitterly.

Suddenly I found that people live in this world, even if you have huge financial power, but you are also helpless, and there are times when you are bears.

Just like now.

Here, Shen Weiyi was already shouting, “Uncle Pan, is that you?”

In the middle of the night, the child was actually half asleep and half awake, and the childish voice was that of a grandmother, with a thick nasal sound, soft. All of a sudden, the hostility from Pan Haoyang's body was washed away.

Pan Haoyang suddenly cried.

like a child.

He was originally sitting at the door of the hut, just blocking the hut.

When he heard Shen Weiyi's voice, Pan Haoyang huddled together, and the door of the hut was suddenly unguarded.

He just curled up, cried, sniffed, and then tried his best to keep his voice from crying: “The only one, Uncle Pan...Uncle Pan misses you very much.”

“Uncle Pan, don't cry. There are a lot of small snacks for you. Don't cry. I'll give you all to eat when you come back.”

“Well, good, good only.”

“But the only one, why did someone tell me that you hate Uncle Pan, do you hate Uncle Pan?”

Shen Weiyi suddenly felt a little guilty.

She said in front of her grandma that she hated Uncle Pan today.

But that's madness.

Shen Weiyi sincerely apologized: "I'm sorry Uncle Pan, I'm not telling the truth. I said this because I hated grandma. I don't hate you Uncle Pan."

Pan Haoyang suddenly smiled: "That's good, uncle thought you didn't like me anymore."

Shen Weiyi immediately coaxed: "Uncle Pan, don't be sad, I saw sister Mingsai yesterday, and sister Mingsai has become beautiful again."

"Mingsai?" Pan Haoyang's heart softened again.

He asked gently: "Is your sister Mingsai okay? Does she... have any money on her body? If there is no money to spend, tell your uncle, and the uncle will give her money."

He thought about his little niece. He had never felt sorry for her for so many years in Jiaying Island.

Later, the entire Pan family was scattered, and Pan Haoyang knew how to take care of his little niece.

Chapter 1645

He still remembered that when he left, he left a million to his little niece, and he wondered how long she could spend it?

"Uncle Pan, you have to be good. Sister Mingsai said that she works very hard. In the future, she will support you after graduating from college. You have to be good, Uncle Pan, and don't do bad things." Shen Weiyi is like coaxing a child. coaxing Pan Haoyang.

Pan Haoyang nodded: "Well, Uncle Pan must listen to the only words."

"Uncle Pan, it's so late, the only thing you have to sleep, can you go to bed too?" Shen Weiyi said again.

She is really sleepy.

Pan Haoyang nodded immediately: “Hmm, okay, the only one, children must sleep more so that they can grow up and go to sleep quickly.”

“Good night Uncle Pan, you have a good dream.” The little boy said goodbye to Pan Haoyang.

“good.”

Shen Weiyi handed the phone to his father, and whispered to his father, “Don’t be so cruel to Uncle Pan, Uncle Pan is a good man.”

Arron: “...”

Seeing the only one walking away and turning into the aisle, Arron called out on the phone, “Hello?”

At that end, Pan Haoyang did not speak for a long time.

He didn’t expect that in the space where he was talking to Shen Weiyi, the stinky woman in the little black room was gone.

What about people?

The damn woman, even when he was not prepared, escaped.

“What’s wrong with you, Haoyang?” Arron was a little worried. He could hear that Pan Haoyang on the other end of the phone was actually quite drunk. At this moment, Arron was thinking, would he have any trouble drinking?

“Haoyang! Haoyang!” He lowered his voice and shouted fiercely.

At the other end, Pan Haoyang suddenly roared, “It’s all your fault! Let her run away! Run away!”

Arron didn’t understand: “Who ran away?”

“That woman! She has done a lot of evil and is full of sinister viciousness. She actually ran away! She actually ran away!” Pan Haoyang said angrily.

He originally planned to starve Qiu Cunxin to death.

Unexpectedly, let her run away.

This damn woman, count her life!

“Arron, please remember! You protect Suzi and Wei Yi well! Otherwise, I will kill you!” With words, Pan Haoyang suddenly hung up the phone.

Arron: “...”

There have been several harassing calls for a while, and he knew that Pan Haoyang called him.

He couldn't even ask where he was now?

But what's the use of asking?

He hoped that he would come back, and then half of the property would be given to him, which would be somewhat of a make-up.

However, Arron did not want Pan Haoyang to come back.

Because the only one and Suzi.

Think about it like this, they are separate from each other, and the well water does not make the river water.

If one day, Pan Haoyang is really poor, Arron will still care about him and give him enough security.

Thinking of this, Arron felt a little more at ease.

He sat on the terrace and thought for a long time before returning to the bedroom.

The woman in the bedroom was still asleep, and the man tucked the quilt for her and lay down to sleep.

The next Monday was also Arron's busiest day.

Every Monday, the Fu Group has a regular meeting in the morning, which is still the case today.

From 9:30 am to 11:30 am, he didn't even drink saliva for two hours. After the meeting, Arron just came back from the conference room when he saw Jun Jingyu sitting in his office.

Jun Jingyu's face was a little grim.

Arron immediately asked, "What's wrong with Jing Yu? Dalia's mood is still unstable?"

Jun Jingyu shook his head: "A Shan is fine now, something else happened."

Arron froze in his heart: "What's wrong?"

"It's Qiu Cunxin!" Jun Jing coldly spat out three words.

Chapter 1646

Arron nodded, and there was no surprise in that expression.

Jun Jingyu glanced at Arron: "You already know?"

"She was sent to Pan Haoyang by my father and your second uncle. It was she who told Haoyang that the child in her womb belonged to Haoyang, but Haoyang found out that the child was not Haoyang's, and Haoyang beat her up. Stop." Arron said.

"He deserves it! Don't let me see her! As long as I see her, I will kill her!" Jun Jingyu said coldly.

At this moment, he no longer cares about his past affection.

In the end, it was Qiu Cun's heart every chance to let her go. Even if they didn't love each other anymore, he couldn't bear to be cruel to her.

But what the hell did Qiu Cun Xin do?

He even went to the northeast to kill Ah Shan!

Beating Han Zhenshan to death and forcing Ashan into a corner, her heart was ashes.

Such a vicious woman, what do you keep her for?

Arron looked at Jun Jingyu lightly: "You came to tell me about this?"

Jun Jingyu nodded: "I wanted to call you in the morning, but I was afraid of waking up your pregnant woman, so I came to the company to find you, just to tell you to be careful, that woman was ruined by that kid Hao Yang. Ghost, she's a desperado now, what can't she do?"

Arron nodded: "Thank you."

Jun Jingyu looked at Arron with a slightly sad face: "Do you have something on your mind?"

Arron was not worried about Qiu Cunxin, what he was worried about was Pan Haoyang.

Just as he was about to speak to Jun Jingyu, someone knocked on the door outside the office.

"Come in."

It was Xu Zeyan who came in from outside, and he has cooperated with Fu Group in a lot of business recently.

Therefore, he has been running very diligently in the Fu Group recently.

What's more, his current girlfriend, Chu Tiantian, is still working in the Fu Group, and Xu Zeyan runs more diligently.

Seeing Xu Zeyan coming in, Jun Jingyu immediately said, "Zeyan, you have to be careful too."

Xu Zeyan was startled: "What's the matter, Brother Jingyu?"

Jun Jingyu sighed: "As far as I know, Qiu Cunxin came back from abroad half a year ago, and it was my cousin who did it."

"It was Jun Zixian who deliberately called Qiu Cunxin back from abroad, because Qiu Cunxin realized that it was not only me and Shaoqin who had a strong relationship, she found that Ashan and Suzi were also very close, and she found that the Jun family and The Fu family is getting closer and closer, and at that time, my second uncle suffered a serious loss because of the financing of Jiaxing Island."

"My second uncle asked his daughter to call Qiu Cunxin back in order to balance me and Shaoqin."

Having said this, Jun Jingyu gave a wry smile: "Qiu Cunxin came back this time, the storm was indeed not small, and it almost killed Ashan."

"But it's okay, it's all over now."

"That woman also got the punishment she deserved, it's just..."

"What's wrong?" Xu Zeyan asked with a serious face.

"That woman has escaped from Pan Haoyang now." Jun Jingyu was a little worried.

He looked at Jun Jingyu: "As long as she is still alive, she will go to Jun Zixian. My cousin is also an old woman. She is now in her thirties and doesn't get married. She is focused on doing things."

Xu Zeyan asked, "Is that my cousin's one, sister-in-law?"

Jun Jingyu nodded: "Your cousin is my cousin. When I married your cousin, I went to your Xu family's property."

“A few months ago, Shaoqin helped you get your family property back. Don’t mention how much my cousin hates.”

“So Zeyan, you all have to be careful. But don’t worry, with me and your fourth brother sitting here, no one will dare to touch you.”

Xu Zeyan smiled and said, “Thank you, brother Jingyu, thank you fourth brother.”

He handed over the documents to be signed to Arron and went out.

Chapter 1647

Xu Zeyan is a winking person. Although he is the boss of the Xu Group, he also knows that Jun Jingyu and Arron are discussing important matters, and he will not interfere with them.

Xu Zeyan, who had withdrawn from Arron’s office, came to Chu Tiantian’s desk.

Chu Tiantian is not there, the seat is empty.

Seeing Xu Zeyan coming over, several female colleagues next to her couldn’t help booing.

“Handsome guy, President Xu is here again.”

“Did President Xu give us a red envelope this time?”

“If you don’t give us a red envelope, you can bring us a bag of sugar and live chocolate. You know, Tian Tian is the most diligent, sensible, and beautiful little beauty in our department, and you just took it away.”

Xu Zeyan laughed.

While smiling, he took out two boxes of imported bonbons from his bag and put them in the department.

The little girls screamed.

“Wow……”

“My saliva is drooling...”

“Tiantian is so lucky...”

“Mr. Xu is young, handsome and rich. The most important thing is that he has a good heart, a good temper, a gentleman’s demeanor, and a mature charm. He is really a stunner in the world...”

Xu Zeyan: “...”

I really didn’t expect that behind these little girls, they didn’t praise him?

When she was smiling in embarrassment, she saw Chu Tiantian coming over.

For some reason, Chu Tiantian’s eyes were a little red, and her face was not very good-looking.

Seeing Chu Tiantian coming over, Xu Zeyan was startled, and then asked, “What’s wrong with you, Tiantian? Have you...cried?”

Chu Tiantian forced a smile: “Brother Zeyan, you are here to find President Fu? Are you done?”

Xu Zeyan raised his wrist and looked at his watch: “It’s almost noon now, it’s time for lunch, let’s go, let’s go out for a meal, tell me why you’re unhappy today?”

Chu Tian’s eyes turned red again, and tears almost came out.

But she still gave Xu Zeyan a sweet smile: “Let’s go, brother Zeyan, we will eat what you say we will eat today.”

The two went out together.

When he came to a Chinese restaurant opposite Fu’s Group, Xu Zeyan ordered several delicious dishes from the four sides. When serving the dishes, he said: “You see that you are thin, you are not allowed to lose weight in the future, and you are not allowed to eat any meal replacements. Drinks and coffees are even better. It’s as little as you can, and in the future, three meals a day will be eaten!”

Seeing Xu Zeyan's half-commanding, half-caring tone, Chu Tiantian immediately asked coquettishly, "Brother Zeyan, I'll get fat by then, don't you dislike me?"

Xu Zeyan smiled: "Girls don't think that fat and thin are beautiful and ugly, but their hearts are beautiful and ugly. As long as my family Tiantian is a beautiful girl with a soul, even if you are fat and become a pink little sister, I like it."

"Ha! I don't want to be fat like a pig, it will be ugly!" She squeezed her cheeks and leaned against Xu Zeyan's chest with a smile.

Xu Zeyan was startled.

Then he regained his composure, and he asked gently, "Tell me, what are you crying about just now, is your work not going well? Is there anything I can help you with? You must tell me if you have any difficulties, do you understand?"

Chu Tiantian's eyes suddenly turned red: "..."

Just then, her cell phone rang suddenly.

She took out the phone from her bag and glanced at it, her face suddenly turned into annoyance.

Seeing the change in Chu Tiantian, Xu Zeyan asked her worriedly, "What's wrong, who beat her?"

Chu Tiantian cut off the phone viciously and forced a smile: "It's okay."

She had just finished speaking when the phone rang again.

This time, she couldn't bear it any longer. She pressed the answer button heavily, and her anger suddenly burst out: "I'll tell you Shang Hongmei! If you harass me again, I'll go to court and sue you!"

Chapter 1648

Seeing Chu Tiantian's outbreak, Xu Zeyan immediately asked with concern, "Tiantian, what happened?"

Chu Tiantian immediately buckled her phone, looked up at Xu Zeyan, and smiled bitterly: "I'm sorry, Brother Zeyan, I made you laugh, I'm actually nothing. It's fine."

She lowered her head, tears falling from her eyes.

After a pause, she looked up at Xu Zeyan again: "Brother Zeyan, let's... eat."

Xu Zeyan grabbed Chu Tiantian's hand: "Tiantian, I'm your boyfriend, we are going to get married in the future, your business is mine, no matter what you need to solve, I can help you. You, believe me, your future husband still has a little ability."

Chu Tiantian immediately pursed her lips and smiled, then shook her head: "It's okay, Brother Zeyan."

"What the hell happened, are you trying to kill me! You're going to sue me in court! Who is pestering you! Hurry up and tell me!" Xu Zeyan was anxious.

He looked at her with concerned eyes, and Chu Tiantian finally couldn't hold it anymore, tears streaming down her cheeks.

She said to Xu Zeyan very helplessly: "Brother Zeyan, I... I have a mother who is insatiable, especially greedy for money. In fact, he and my father have divorced. But her teacher pestered my father, greedy My dad's property."

Xu Zeyan: "You... your mother?"

He looked at Chu Tiantian in surprise.

Having known Chu Tiantian for a month and a half, he has never heard of Chu Tiantian's mother.

But occasionally I heard her mention her father.

Said that her father opened a medium-sized tobacco and alcohol supermarket, and also engaged in some wholesales, with an annual income of about one or two million. Xu Zeyan learned from Chu Tiantian's mouth that although Chu Tiantian's family was not a rich and noble family, it was also A well-off life.

Therefore, Chu Tiantian has always been a pure child who does not worry about scolding and has no concept of money since childhood.

Xu Zeyan also knew that Chu Tiantian's father was a daughter slave.

I love Chu Tiantian very much.

For the sake of sweetness, Father Chu can cook a good dish.

"I was fed by my father for a while, and it was really like a pig." Chu Tiantian once said to Xu Zeyan.

From Chu Tiantian's mouth, Xu Zeyan could hear that she had a good relationship with her father.

But, the only point is that Xu Zeyan has never heard of Chu Tiantian's mother.

For more than a month, he had always thought that Chu Tiantian's mother might also be like Chu Tiantian. She was doted on by her father, like a young girl, who rarely asked about family affairs, so Chu Tiantian rarely mentioned it.

But today, Xu Zeyan learned that it turned out that Chu Tiantian's parents were divorced.

"How long have you... been divorced from mom and dad?" Xu Zeyan tried to understand the situation, only after understanding the situation could he know how to help her.

After all, is it her mother?

What is the situation?

Between mother and daughter, under normal circumstances, of course, reconciliation is the main thing.

In this world, how can a daughter bring her mother to court?

“I’m ten years old.” Chu Tiantian said sadly.

Then she smiled helplessly: “It’s hard for you to imagine? I was actually brought up by my dad. When that woman didn’t divorce my dad, she didn’t take me either. My dad always took me alone. “

“That woman’s name is Shang Hongmei.” Chu Tiantian didn’t call her mother, but directly the woman.

“Shang Hongmei married my father very young.”

“It is said that she lacked discipline at that time, and at the age of 17 or 18, she mingled with the gangsters in the society. One day Shang Hongmei was chased by some gangsters in the society. From now on, Shang Hongmei will rely on my dad.”

“She’s lazy and doesn’t do any work.”

Chapter 1649

“My dad couldn’t drive her away. Besides, my dad also felt that she was too young to drive her out, and was bullied by those young people in society, so he could only bite the bullet and keep her at home.”

“Then...they had me.”

“Listen to my dad, Shang Hongmei was only eighteen when she gave birth to me.”

“Calculating it now, she’s only forty years old.”

“You probably can’t think of it. A forty-year-old woman is obviously still very young, but she is still lazy and unimproved, thinking about sharing half of my father’s property all day long.”

“Did your father’s supermarket open before her divorce, or when you were with your mother, the monk Hongmeizi?” Xu Zeyan asked.

Unexpectedly, Chu Tiantian said another sentence that shocked Xu Zeyan: “They didn’t get married at all, but because Shang Hongmei couldn’t live a hard life, she abandoned my father and me and ran away alone.”

“My dad opened the supermarket after Shang Hongmei ran away. Our supermarket has nothing to do with Shang Hongmei!” When she said this, Chu Tiantian was extremely resentful.

“She has hands and feet! She’s not seven or eighty years old! She’s only eighteen years older than me! Why don’t you live on your own! Isn’t the supermarket that my father opened also run by my father, the supermarket that my father ran so hard, If you make money, why should you give it to her!”

“Even if my dad agrees to give it to her, I don’t agree, I don’t agree! I just don’t agree! Woohoo...” The 22-year-old girl was annoyed as she spoke.

Crying incessantly.

Everyone in the restaurant looked at them both.

Xu Zeyan immediately raised his arm to block her, took out a tissue and wiped it for her.

“Okay, okay, don’t cry, don’t get excited, we have to deal with anything, she...is your mother after all...”

“She’s not my mother! She never hurt me at all, she just knows how to play, play, play!”

“I grew up, when I needed to put me to sleep, it was always my dad!”

“When I need my mom to tell me stories, it’s my dad too!”

“When I opened my eyes, what I saw was my father holding me, my father cooked my three meals a day, all the clothes I wore were bought for me by my father, even the braids I had when I was a child, all My dad made it for me!”

“My mom is a tool to me!”

“What do I want her to do!”

“Woooooooooo...”

At the end, Chu Tiantian lay on Xu Zeyan’s shoulder and cried silently.

Xu Zeyan: “...”

He didn’t even know what to say.

He didn’t expect such a mother to exist in this world.

The women he knew, his mother, Suzi, and Shu’s mother, were all women who loved their children very much.

Especially Suzi, he and Suzi lived together for six years, how Suzi loved Shen Wei in six years, Xu Zeyan saw it all, he felt that the most miserable woman in the world was his mother.

The greatest woman is also a mother.

Xu Zeyan once believed that there is no mother in this world who does not love her children.

But only today I heard from my girlfriend that there is such a cruel woman.

Xu Zeyan was also shocked.

He patted Chu Tiantian for a while: “It’s all right, since I know about your mother, I’ll settle it with you, everything is negotiable. You tell me now that your parents divorced at the time. When, for what reason, who brought it up first?”

Chu Tiantian wiped away her tears, and was ashamed, and said in an angry tone: "It's her who has an affair!"

Chapter 1650

Hearing what Chu Tiantian said, Xu Zeyan was even more shocked.

Simply incredible.

Before he saw Chu Tiantian's mother, his impression of Chu Tiantian's mother was extremely bad.

It is truly amazing.

There are responsible mothers like Suzi in this world, and there are irresponsible mothers like Shang Hongmei.

Forty years old, I think he is not a few years older than him. Another day, he will have to bring Tiantian and argue with Shang Hongmei in person. It's okay in the past. In the future, with him Xu Zeyan, he must not be allowed to cheat like this. Responsible mother, harass Tiantian again.

"This woman is too much. Your dad is so kind to her, yet she is still having an affair!" Xu Zeyan said angrily.

Chu Tiantian sighed: "Before Shang Hongmei, my father had a wife, and they couldn't have children together for many years. Later, the woman blamed my father and divorced my father. My father was sad

because of his grief. I haven't looked for it for several years, and when I met Shang Dongmei, my dad was already in his thirties."

Having said that, Chu Tiantian looked at Xu Zeyan: "When my father and my mother were together, my father was about the same age as you, but my father was also very handsome, handsome and diligent, and had a good character."

"Brother Zeyan, I liked you at the time, and I chose you because I thought your conduct was like my father in every way."

"My dad is... so pitiful."

"He didn't plan to find another wife, but he rescued Shang Hongmei and went home. Then Shang Hongmei saw that she was handsome and knew that she was hurt, so she got along with him."

"As a result, a few years later, when Shang Hongmei was twenty-eight or nine years old, she took away a sum of money that my father had worked so hard to save, and ran away with a man five or six years younger than her!"

"At that time, my father was so sick that he almost died."

"When she was twenty-eight years old, my father was forty-five years old. She just saw that my father was older than her and not worthy of her, so she was good to other men!"

"This kind of woman deserves to be stabbed by a thousand swords!"

"Now that the money is spent, and I have no money on my body, it is estimated that the man doesn't want her anymore. She even has the cheek to come to my father, to me, and let me make peace and let her go home!"

"How could I possibly agree! You said how could I possibly agree!"

"I hate her!"

"How can there be such a shameless woman in this world!"

Chu Tiantian cried and cried.

Xu Zeyan's heart was also hurt by his girlfriend.

This noon, they didn't have a lunch for two in the restaurant. Seeing that many people around looked at Chu Tiantian, Xu Zeyan took Chu Tiantian out, packed her some desserts, and sent her back to the company. .

"Don't be sad, just go to work and go to work, do you hear it? Let's solve the rest together. Next time if your mother calls you again, you ask me to pick it up, and I'll talk to her with you. Talk, go to work now." Xu Zeyan coaxed Chu Tiantian.

Chu Tian dessert nodded: "Brother Ze Yan, I know, must focus on work in the company."

"Go, I'm going to take you into the office." The main Xu Zeyan was still worried about Chu Tiantian and wanted to comfort her for a while.

The two walked to the aisle of the company, Chu Tiantian's eyes were still red.

As soon as the aisle was finished, when Chu Tiantian was walking towards her department, they met Shen Weiyi head-on.

"Yi, why are you here?" Xu Zeyan was surprised.

After having a meal, why did Shen Weiyi come here?

"Who brought you here? Is your mother here?"

Shen Weiyi ignored Xu Zeyan, she only looked at Chu Tiantian, like a prisoner: "What are you doing with my uncle!"

Chu Tiantian: "..."

He wanted to squeeze out an embarrassing smile, but after all, it was because he was so sad that he couldn't smile at all.

He forced a smile, but was also laughed at by Shen Weiyi: "Laughing is more embarrassing than crying! You are ugly!"

"The only one! I'll beat you!" Xu Zeyan was about to die of anger.

Shen Weiyi stuck out his tongue at Xu Zeyan.

Seeing that her uncle was really angry, she acted coquettishly and stepped forward to hold his uncle's hand.

Shen Weiyi likes to ignore it: "That's fine."

Chu Tiantian looked at Xu Zeyan again: "Brother Zeyan, you take the only one, for such a big company, she runs around alone for a while and President Fu can't find her again, I'll go to work first, I'm fine, I'll give it to you after get off work Call up."

Xu Zeyan: "Okay, don't be familiar with the only general knowledge, she is just a little kid."

Looking down, Shen Weiyi, this little thing, stepped on his feet and crushed it hard.

"Because you are my uncle!"

“I’m your uncle! It’s not you, it’s my uncle!”

Shen Weiyi: “I’ll take care of you!”

Xu Zeyan: “...”

He was so angry that he never wanted to hit her when he grew up, now he wants to hit someone!

I want to pick up this little kid’s ass and beat him hard!

Is her dad here?

Her dad is here, and he beats it up as well!

He raised his hand and slapped it down, but at the last moment, he stopped.

In the end is reluctant.

Shen Wei is the heart of Xu Zeyan.

How could you be willing to hit her?

He crouched down and coaxed softly: “The only thing, if you don’t let your uncle fall in love, your uncle won’t be able to marry a wife, you know?”

Shen Weiyi shook his head: “I won’t let you fall in love with you, Chu Tiantian, is there any way I won’t let you fall in love with other women!”

“Is there only one woman in the world, Chu Tiantian! Humph!”

Xu Zeyan was just annoyed with laughter: “You...you, if you have the ability, you are going to find one for me, and you are going to find one for me!”

“It’s not that I didn’t help you find it, I have already found it for you!”

Xu Zeyan: “...”

Co-author, this little niece is waiting for him here!

“Where!” he asked angrily.

The little girl suddenly changed into a smile: “Hey, uncle, uncle, come with me, come with me, you can see your girlfriend right away.”

Xu Zeyan: “...”

Before the brain circuit was clear, Xu Zeyan had already been led out by Shen Weiyi, and the little girl led her uncle vigorously except the front desk, got on the elevator, and went all the way down.

After getting out of the elevator, she brought her uncle to the door not far from the Fu Group’s gate, and then pointed to a person and said to Xu Zeyan: “Uncle, look, she is your girlfriend, how can I have good eyesight? ,How do you like it?”

Xu Zeyan glanced angrily along Shen’s only little finger, and the whole person was stunned into an ice sculpture: “You... This is the girlfriend you introduced to me?”
