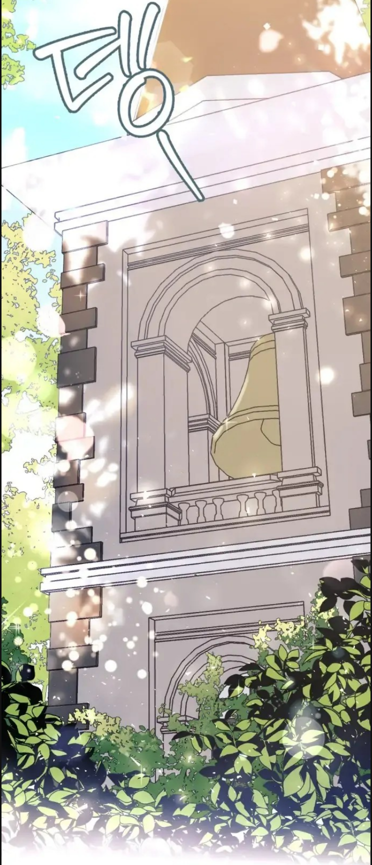
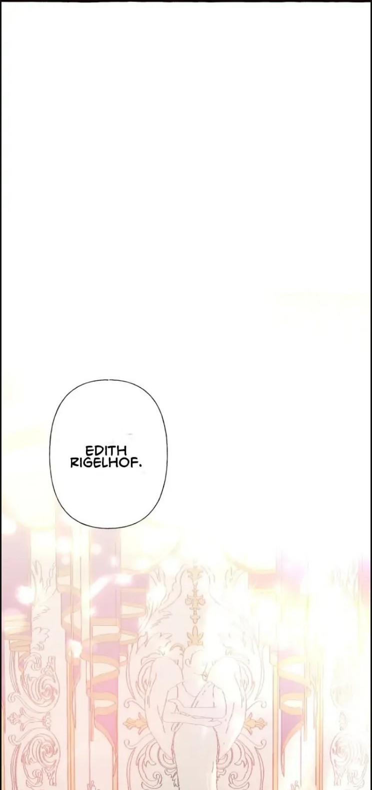
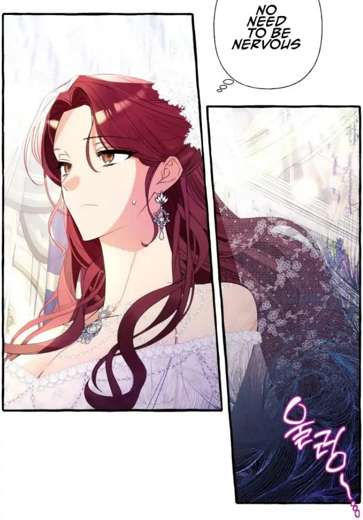
I Thought It’s a Common Possession - Chapter 1





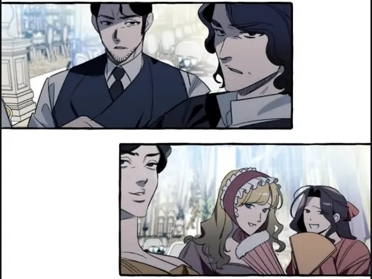
EDITH RIGELHOF.

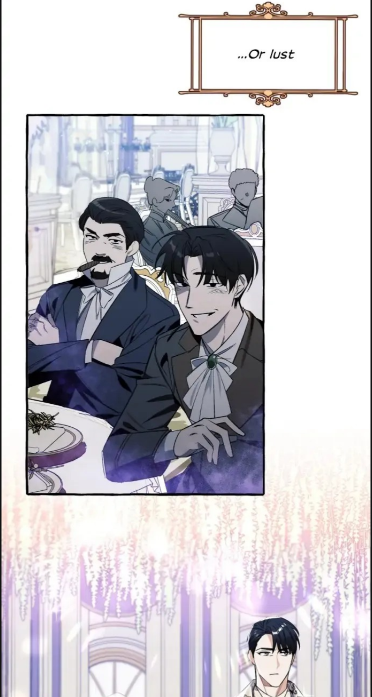
In a formal setting, this would undoubtedly be a flawless wedding for a Duchal household.

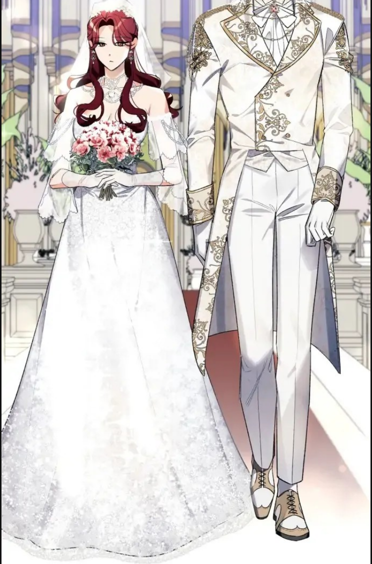


NO NEED TO BE NERVOUS
울렁~

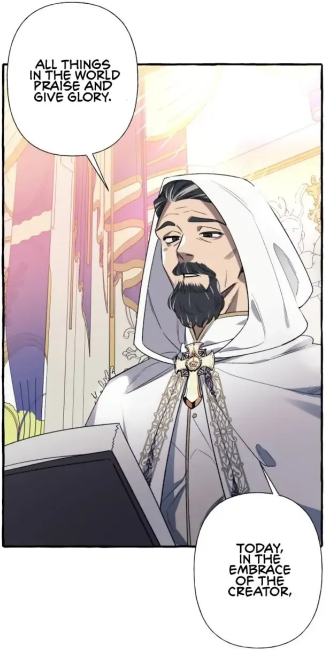
But everyone at the wedding could clearly see the hatred, disrespect, and contempt in the guests' eyes.



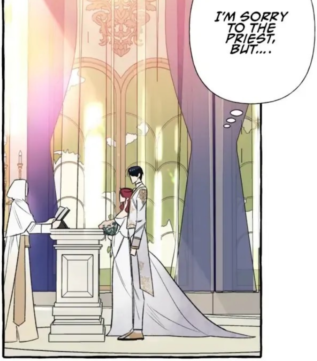




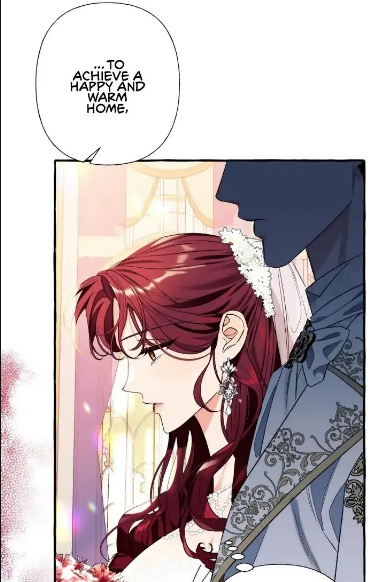
THERE WAS NO HAPPINESS TO BE FOUND IN THIS WEDDING, EVEN IF YOU CLOSED YOUR EYES AND TRIED TO IMAGINE A NORMAL ONE.



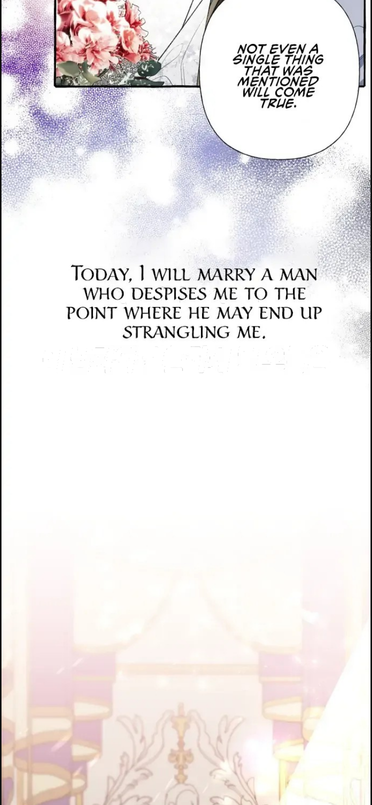
ALL THINGS IN THE WORLD PRAISE AND GIVE GLORY.
TODAY, IN THE EMBRACE OF THE CREATOR,



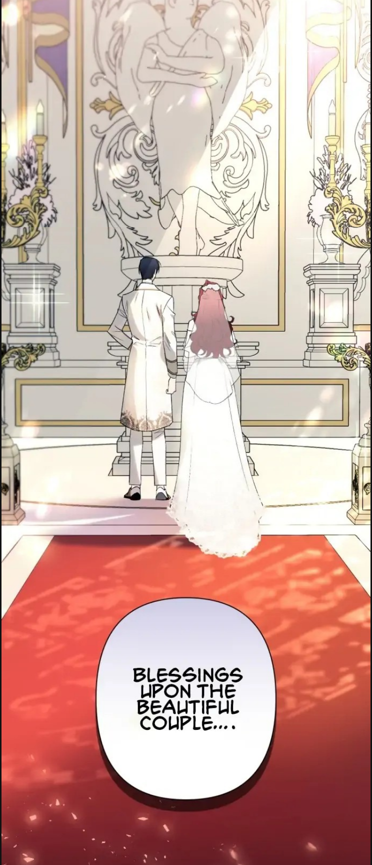
I'M SORRY TO THE PRIEST, BUT....



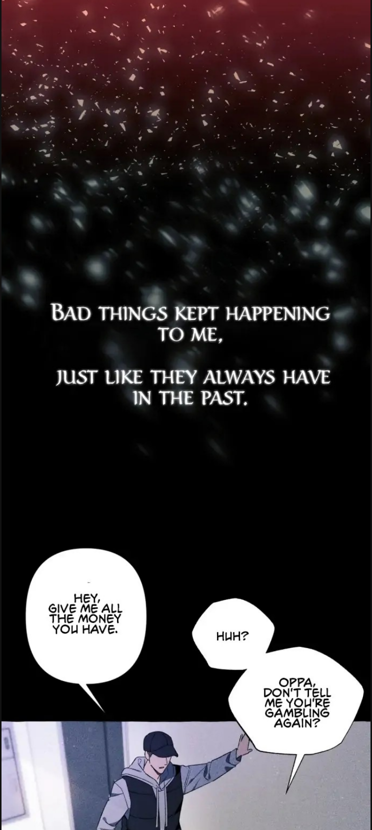
...TO ACHIEVE A HAPPY AND WARM HOME,



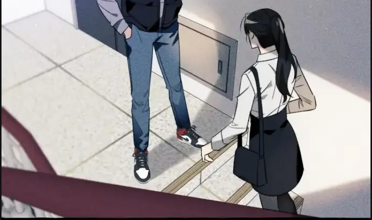
NOT EVEN A SINGLE THING THAT WAS MENTIONED WILL COME TRUE.
TODAY, I WILL MARRY A MAN WHO DESPISES ME TO THE POINT WHERE HE MAY END UP STRANGLING ME.



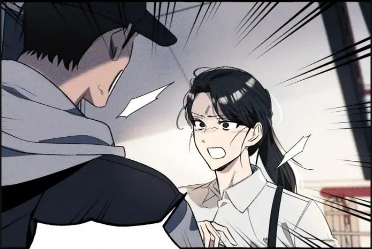
BLESSINGS UPON THE BEAUTIFUL COUPLE....



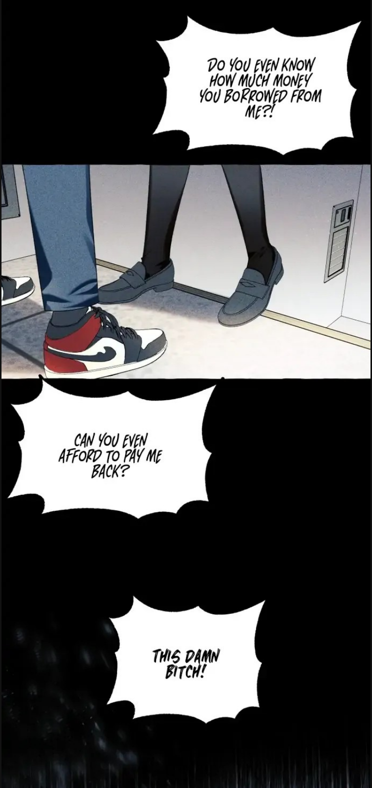
Bad things kept happening to me,
just like they always have in the past.
Hey, give me all the money you have.
Huh?
Oppa, don't tell me you're gambling again?



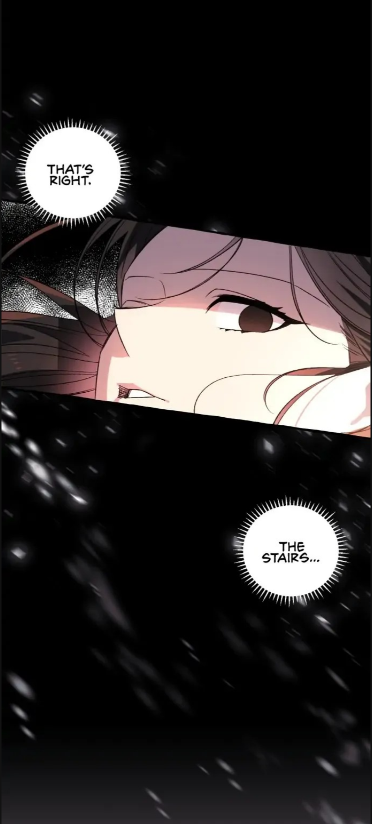
AH, YOU FU*KING TALK TOO MUCH!
WHO DO YOU THINK HAS BEEN SUPPORTING YOU ALL THIS TIME?!



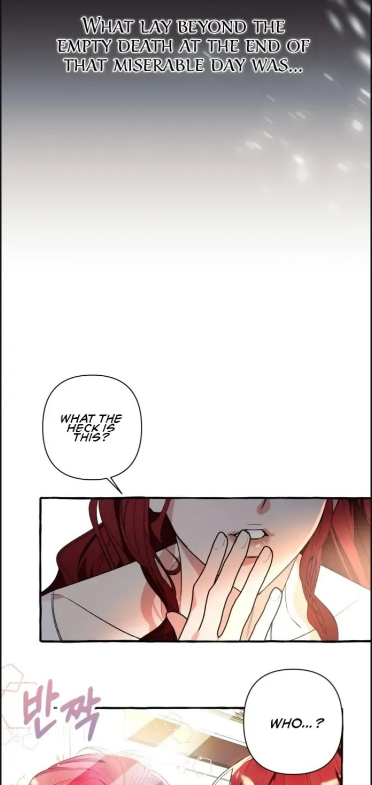
WHEN WAS THAT EVER THE CASE?!
TELL ME! WHEN?!



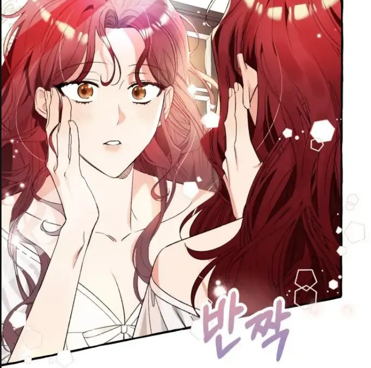
DO YOU EVEN KNOW HOW MUCH MONEY YOU BORROWED FROM ME?!
CAN YOU EVEN AFFORD TO PAY ME BACK?
THIS DAMN BITCH!



THAT'S RIGHT.
THE STAIRS...



WHAT LAY BEYOND THE EMPTY DEATH AT THE END OF THAT MISERABLE DAY WAS...
WHAT THE HECK IS THIS?
반짝
WHO...?



TRANS-MIGRATION?

흔한 빙의물인 줄 알았다

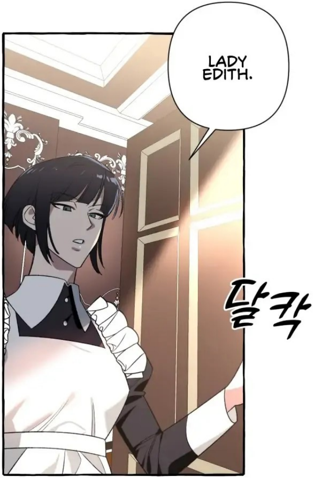
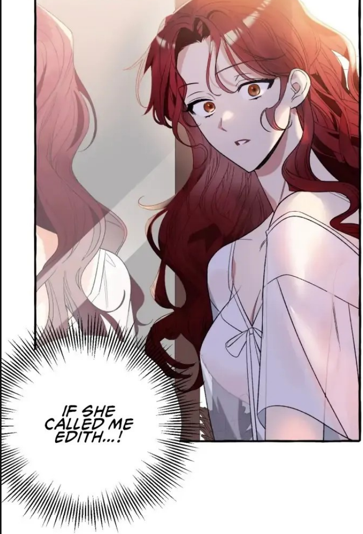
It's a cliché plot in webnovels.



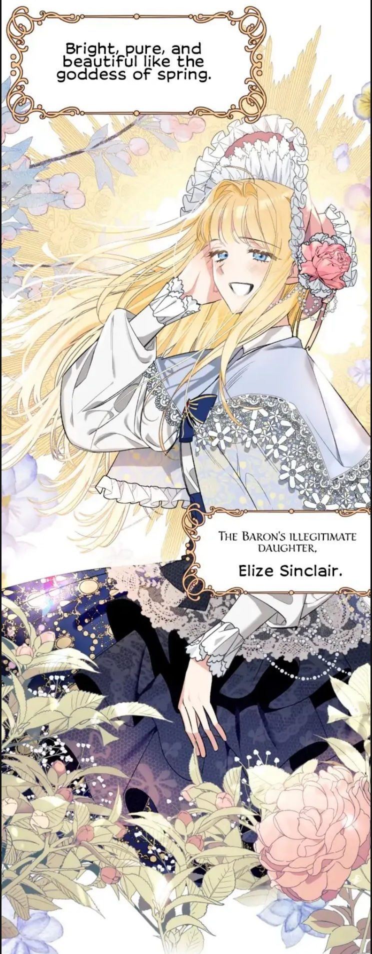
LADY EDITH.
달칵

YOU HAVEN'T FORGOTTEN WHAT TODAY IS TODAY, HAVE YOU?



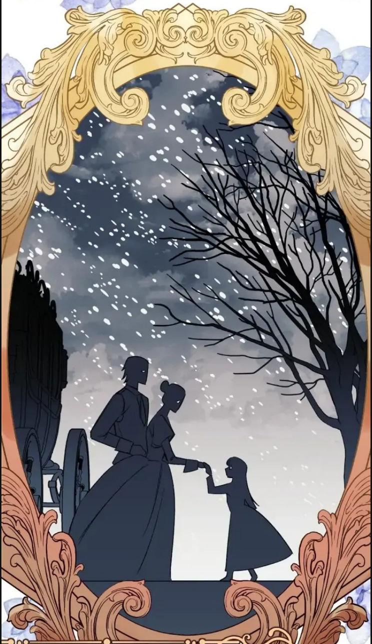
IF SHE CALLED ME EDITH...!

I READ A ROMANCE NOVEL TITLED <LETTING GO OF THE OBSESSION> OVERNIGHT YESTERDAY.

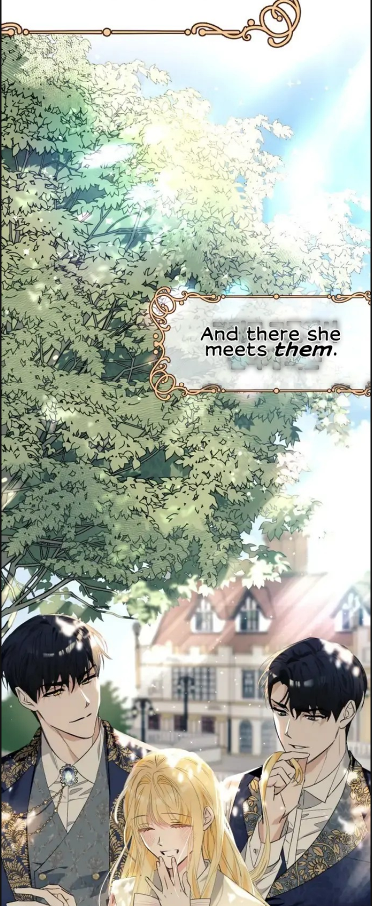


Bright, pure, and beautiful like the goddess of spring.
The Baron's illegitimate daughter,
Elize Sinclair.

Due to her low birth, she was persecuted by her family and had an unhappy childhood.



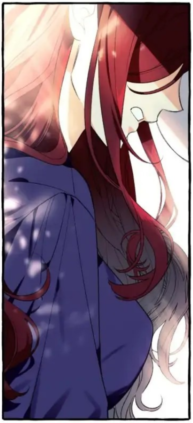
She caught the eye of the Duke and Duchess of Rudwick, and was taken to live as a lady in their household.



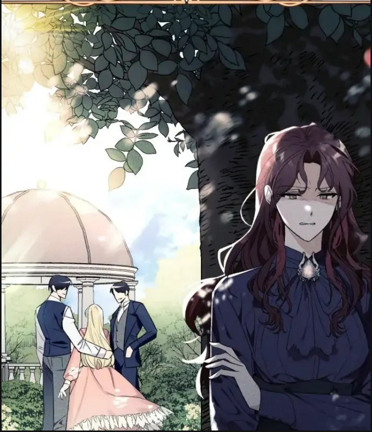
And there she meets *them*.

A neck and neck competition with no room for compromise starts in order to win the heart of Elize.

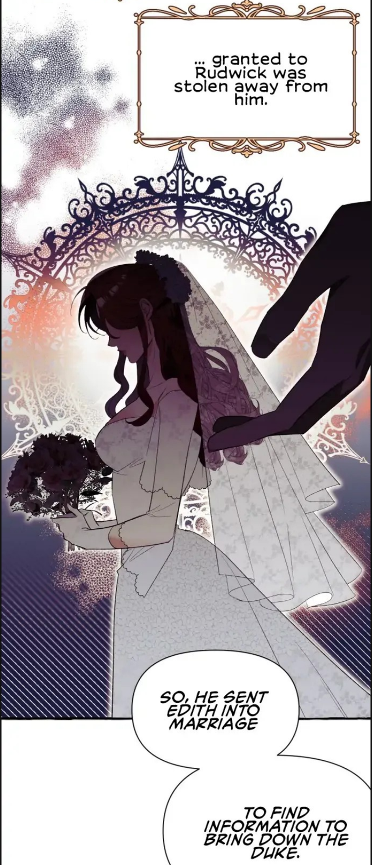
This is where the "obsession" in the title begins.



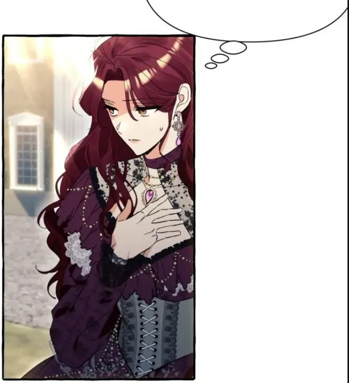
In the story,'the role of Edith Rigelhof is...

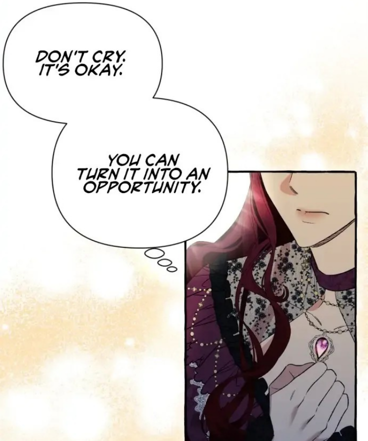


And, Count Regalhoph believed that the title of Duke...

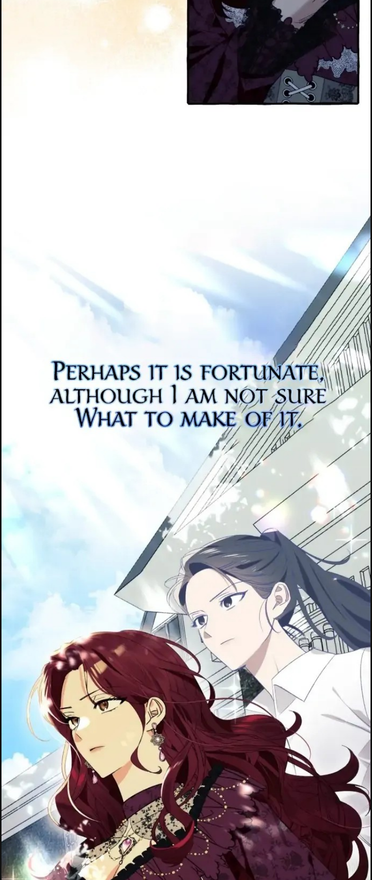


... granted to Rudwick was stolen away from him.
SO, HE SENT EDITH INTO MARRIAGE
TO FIND INFORMATION TO BRING DOWN THE DUKE.

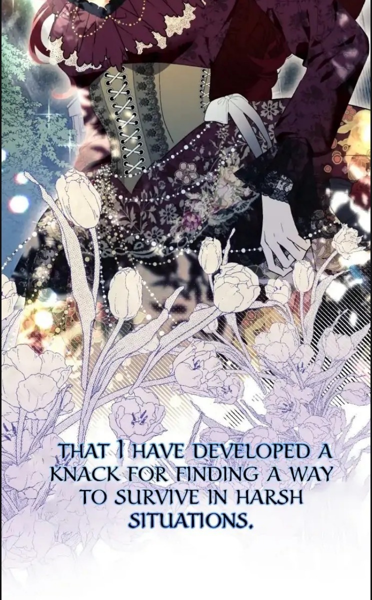




DON'T CRY.
IT'S OKAY.
YOU CAN
TURN IT INTO AN
OPPORTUNITY.



Perhaps it is fortunate, although I am not sure what to make of it.



THAT I HAVE DEVELOPED A KNACK FOR FINDING A WAY TO SURVIVE IN HARSH SITUATIONS.

To be continued

Hello, I actually just see your notice post about dropping the series "I Will Give Up The Position Of Empress" bc there's other scanlations group working on it. So i'm messaging you to give you a recommendation of series that I got interested in, it's "흔한 빙의물인 줄 알았다" on Naver. It is a new one and honestly there's not so much information about it I only know it was adaptation from a novel and reading the mtl summary of it the story pretty cliché but the art is soo gorgeous so I got really interested on it. So if you're also interested on the series it would be wonderful if you could work on it! Sorry if i just messaged you so suddenly😅

Thanks to this lovely person, I found this series, Thank you.

please be patient with me and you can reach out to me @Zie#1647
