

# King of kings 1087–1088

1087

In this Jiang Hu Righteous Alliance, although the fight against the Devil Sect was unanimous, and on the surface it was also amicable, but secretly the various sects were not as united as they thought, and climbing and fighting was naturally inevitable.

At this moment, in the crowd outside the palace, a martial artist asked, "Senior Cheng Quan, in the past two days, I heard a news that Wind Lightning has appeared, I wonder if you have heard of this news?"

Cheng Quanton snorted, "Does it have anything to do with me if Wind Lightning appears? Do I know him well?"

At this time, another martial artist said, "Senior Cheng Quan, eleven years ago, in order to meet Wind Lightning, your Miss staged a story of chasing her husband for three thousand miles, this story is still told in the Jianghu until now, and today, your Miss is getting married, so you have nothing to do with it at all, if Wind Lightning suddenly appears at this time, will it ruin your Miss's big wedding?"

At that moment, Jin Yuanlu shouted, "He dares."

Jin Yuanlu's anger-filled yell frightened everyone under.

Jin Yuanlu said furiously, "As long as Wind Lightning dares to appear at my wedding, I, Jin Yuanlu, guarantee to break his dog's legs." After saying that, Jin Yuanlu looked at Ding Ru and Yan Xinyi, Omi's master and master's wife. Omi's master and master's wife looked as if they were not moving, and everyone also looked at the two of them, but they did not see anything on their faces.

Another martial artist said, "Young Master Jin Yuanlu, the news that came out of Lianzhou City in the past two days said that Wind Lightning had defeated Guo Qing'an of Zongnan Mountain and Qi Renxuan of the Flag Mountain Sect respectively, are you sure you can defeat Wind Lightning?"

"Hahaha, hahaha." Jin Yuanlu let out an angry laugh, in Jin Yuanlu's heart, he actually hated Omi very much, the reason was naturally that the woman he married, and Wind Lightning had a three thousand mile chase between them, what husband could stand to have his wife have a good word with another man. Now, even more so, when he heard that Wind Lightning appeared, his inner discomfort was self-evident, and right now, he was being questioned whether he could win over Wind Lightning, no, Jin Yuanlu was even more furious.

Jin Yuanlu roared, "Who said that just now, come out and I promise not to break his legs."

Everyone in the crowd outside focused their attention on a certain man with a scythe weapon. The debut website [m.kanshu8.net](http://m.kanshu8.net)

The man was frightened and said, "Young Master Jin Yuanlu, please forgive me, I didn't mean to question your strength."

However, with one arrow step, Jin Yuanlu rushed out like the wind and grabbed that man.

Jin Yuanlu swept a glance at the crowd and said, "Look carefully, everyone, if the wind appears in front of me, I will break his legs like I am doing now." As soon as the words fell, the tragic man let out a scream as his legs were broken.

Everyone looked at Jin Yuanlu in fear, everyone seemed to have seen that this Jin Yuanlu, it seemed like he would lose control of his emotions whenever he mentioned Wind Lightning's name.

Omi and Little Sister were naturally there as well.

Little Sister kept pressing Omi's hand because, Omi had just almost gone out to explode Jin Yuanlu.

Inside Omi's heart, Omi was upset and said, "Nima's Jin Yuanlu, let you marry a flowery Cheng Xiao Ju, you F\*cking still dare to have your way here, I don't believe this young man will let you marry."

However, how could Little Sister let Omi mess around, so Omi just didn't go out to flatten Jin Yuanlu.

Although the martial path that Jin Yuanlu had comprehended was 'round', which was considered a very strong martial path, but

Unfortunately, Omi didn't put any eyes on it, Omi's martial dao 'change' was seconds away from his mother's.

Moreover, Omi was also ready to comprehend the second set of martial dao, at that time, Omi could be really powerful, in this Jianghu, there were really not many people who could comprehend two sets of martial dao, unless Omi didn't know about them, as far as Omi knew, there were a few people from the righteous school, the head of the Devil Sect, that is, Mu Qianji's father counted as one.

Without further ado, after Omi was stopped by his little sister, that was the way things were, and then, no one dared to say this topic again, don't get your leg broken by Jin Yuanlu again.

But then, the news spread among the City Lord's servants.

Cheng Xiao Ju's personal maid, Xiao He, immediately ran to the lady's boudoir.

"Miss, Miss."

"Xiao He, why are you panicking, is it an auspicious time? The auspicious time hasn't arrived yet, ah."

"Xiao He, there are many guests in the front hall, but something unexpected just happened, causing my aunt to break the legs of a martial artist."

"What? How could this happen, today is my big wedding day, how could he do such a thing."

"Miss, you can't blame the aunt for this, maybe the aunt was really hot at the time."

"What happened, say it."

"You can't blame me for that."

"Say."

"Miss, for the past two days you've been inside the house, rarely contacting the outside, you don't even know that the entire Rangzhou City is now spreading a news, that is, Wind Lightning has appeared."

"What? Wind, Wind Light Cloud?" Cheng Xiao Ju was shocked.

"Yes, just now someone in the front palace said this, the aunt said that she would break Wind Lightning's legs if he dared to disrupt his wedding, then a martial artist questioned the aunt, and as a result, the angry aunt broke his legs."

Cheng Xiao Ju was now dumbfounded, in her mind, she suddenly remembered a person, yesterday noon, a stranger who claimed to have only met her once, at that time, Cheng Xiao Ju felt that his back resembled a person, at this moment, Cheng Xiao Ju finally understood.

"He's my wind brother, I'm going to find him." Cheng Xiao Ju ran out of the boudoir at once.

For some reason, it seemed like Cheng Xiao Ju's depression had returned.

Xiao Huo was shocked, "Miss, what are you doing, you can't run, you still have to wait for auspicious time?"

But Cheng Xiao Ju didn't listen, and said, "Xiao He, I'm leaving the City Hall, I'm going to find Brother Wind."

"Miss, it will be time to pay your respects soon, don't be like this, the aunt will kill me." Xiao He cried and pulled Cheng Xiao Ju.

"Xiao He, this has nothing to do with you."

"Miss, I'm the one who's nosy, woo-hoo."

"Alright, Little Lotus, if you're afraid that Jin Yuanlu will kill you, escape through the back door, and take whatever jewelry, and all the gold and silver in my room."

"Miss, are you crazy, what are you going to do, is it worth even losing your wedding for an ethereal breeze?"

Cheng Xiao Ju smiled bitterly, "You don't understand, this is a dream of mine, this dream is forever unchanging in the heart, Brother Wind, he came to see me yesterday, Xiao Ju is so touched, Xiao Ju will go to him right away."

1088

"Miss, but what about your wedding? It's almost time to pay your respects ah, everyone is waiting for you to go out and pay your respects ah, how can you leave the City Lord's Palace and go find some wind and light clouds."

"I don't care, I just want to go after my dream now. What Jin Yuanlu, what worship, I don't think about it anymore, Xiao He, if you really can't do it, go out and help me back out of the marriage with Jin Yuanlu."

"What." Xiao He was dumbfounded, everyone in the front hall was waiting to pay their respects, and this Cheng let Xiao He go out to help her withdraw from the marriage.

How embarrassing this is for Jin Yuanlu, how much it hurts to have this face hit.

"Miss, I won't go, I'll be killed by my aunt and the master will kill me, if you want to retreat from the marriage, you go out and retreat yourself, and after that go to Wind Lightning as well."

Cheng Xiao Ju bit her lips and nodded, "Fine, then I'll go out and retire first, so as not to make everyone wait in vain." After saying that, Cheng Xiaoju walked towards the front hall.

The girl Xiao Huo but did not dare to go, panic back to the room, pack things, ready to run away, if not for her nosy, would not let the Miss is about to pay a visit to the hall also to withdraw from the marriage, Jin Yuanlu not to kill her to blame.

At the moment, in the front hall, the guests were all drinking tea and listening to the city lord's superficial remarks that were irrelevant.

"Dear friends and family, wait a little longer ah, the auspicious time will arrive soon, soon the bride will come out to pay her respects, wait a little longer." Cheng Quan said to the crowd with a smile.

At this moment, just when everyone was not expecting it, suddenly, Cheng Xiao Ju appeared in the main hall without any warning.

"This." Not only Cheng Quan, everyone was stunned, because Cheng Xiao Ju was still wearing a large red dress, and with a glance, one could tell that the bride, this auspicious time hadn't arrived yet, so what was the bride running out for? Scares the hell out of everyone. Remember the website .kanshu8.net

Cheng Quan was embarrassed and said, "Little Ju, what are you running out for, the auspicious time hasn't arrived yet, the matchmaker will naturally go in to inform you when you arrive."

Jin Yuanlu, seeing the situation, was busy exerting his wisdom to defuse the embarrassment and laughed, "Sorry, everyone, my Little Ju is probably too anxious to pay his respects to me, so, I ran out early, hahaha, don't take offense ah."

Cheng Quan was also busy echoing, "Yes, yes, Little Ju and Yuan Lu are too much in love, that's why they ran out in such a hurry, don't be offended, don't be offended, everyone."

Cheng Quan laughed and explained to the crowd as if he was very afraid of being laughed at by the crowd, he explained it this way, and everyone did just laugh.

However, at that moment, Cheng Dao said, "Dad, you misunderstood, I was in a hurry to run out, there's something."

"Xiao Ju, don't hurry back yet, we'll talk about what's going on after paying your respects." Cheng Quan glared.

Jin Yuanlu was also busy, "Yes, Little Ju, I'll help you back first."

Cheng Xiao Ju, however, took a step back, not allowing Jin Yuanlu to touch it, and everyone was talking about what had happened.

Jin Yuanlu felt very ashamed and said softly, "Little Ju, stop it, so many people are watching."

Cheng Quan also felt like he couldn't hang on to his face and whispered, "Little Ju, quickly ask Yuanlu to send you back."

Cheng Xiao Ju said, "Dad, I won't let Jin Yuanlu touch me anymore, because, my dream is back."

"What are you talking about? Kook." Kim Won Roo wrinkled every day.

Cheng Dao: "Kim Won Roo, I'm sorry, I'm sorry, but I'm now officially withdrawing from you."

"What." Jin Yuanlu and Cheng Quan both froze, everyone froze, and the entire hall suddenly fell silent.

Cheng Dao: "Father, I am out to break off my marriage to Jin Yuanlu, no

Good grief, the wedding can't be done today."

"Pah." Cheng Quan slapped Cheng Xiao Ju's face in anger, it was too disrespectful in front of so many guests.

"Again." Jin Yuanlu said with a trembling body.

Cheng Xiao Ju looked at all the guests and said with a smile, "Excuse me, seniors, thank you for coming to my wedding, but unfortunately, my dream has returned, so I can't continue today's wedding, sorry for making you come for nothing. I am now going to search for my dream, and I have come out to say sorry to the retreat, and also to say sorry to all the uncles and uncles." Cheng Xiao Ju curtsied to the crowd.

Everyone was silly there.

After one bow, Cheng Xiao Ju turned around and was about to fly away.

"Stand." Cheng Quan shouted.

"Father, please let me go."

"Little Ju, you want to search for your dream, won't Father stop you, can't you go after the wedding?"

"Oh, Dad, my dream is Brother Windy."

"Windy?" Cheng Quan gritted his teeth and asked.

"Yes, I heard that Brother Feng is back, I'm going out to find him, he must be the one who came to visit me yesterday, I must find my Brother Feng. I'm sorry, Dad, and Kim Won Roo, you'll find a better girl than me, I can't marry you anymore, but of course, if you don't mind, I can make up for the hurt I've caused you by becoming a heterosexual brother and sister."

"Ahhhh, ahhh." Jin Yuanlu roared like he had lost his mind, he originally hated Wind Lightning incomparably, but he didn't expect that he was about to pay his respects, and his bride ran out to back out of the marriage with him because of Wind Lightning. Ever seen someone who was about to pay their respects and was still being withdrawn from the marriage? Withdrawing his marriage was just fine, but also giving him a 'good man card' and consoling him that he could be a

heterosexual brother and sister, this was really a vicious slaughter knife in his heart ah.

For a while, there was a lot of discussion throughout the palace and beyond, never having seen anything like this before.

It seemed that the rivers and lakes were going to have another piece of chatter about 'retreating before the hall' besides the three thousand mile chase.

At this moment, in the crowd outside the main hall, Omi was also dumbfounded.

"I'll go, Cheng Xiao Ju is crazy, this is a wedding ceremony and he's still withdrawing from the marriage? Did she ever consider Kim Won Roo's feelings? Damn, even I can't watch this, Kim Won Roo is too sad." Omi said.

Little Sister gave him a blank look, "Senior Brother, you're still saying sarcastic things, Cheng Xiao Ju suddenly withdrew her marriage, and it's not because of you."

"Uh, can I be blamed for that?"

"Nonsense, you're Cheng Xiao Ju's dream, alas, Cheng Xiao Ju is pitiful too, she suffered from depression for three years back then, and now, I'm afraid it's starting again."

"Ah, are you saying she's crazy?"

"That's not true, it's not like she'd apologize to the big guys if she was crazy, what can I say, it's just that you've become her dream."

"Well, I don't want to, I can't blame it on me, so many young girls who adored me back then, why is she so abnormal when everyone else is so normal."

"Maybe, she really likes you, senior brother, I think it would be better for you to be with the witch."

"No way." Omi shook his head firmly, Omi did not like Cheng Xiaoju.

"Alas, let's leave it at that, after what happened today, I'm afraid Jin Yuanlu is going to tear you apart."

At this moment, Jin Yuanlu's eyes were red as he shouted, "Feng Xiaoyun, I'll F\*ck you Shini, come out here, I'll kill you."
