Only then did Tang Huan nodded, "In that case, for your sake, I'll save her once, and I'll introduce her to you later."

"What? Introduce her to me?"

"Yeah, I don't want it anyway."

After saying that, Omi kicked open the door with a bang and walked inside the courtyard.

At this moment, Lu Yuxi had already been dragged to the small cottage in the middle of the courtyard, and the sound of Lu Yuxi's struggling was still heard in the house.

Omi said to Tang Unknown, "You wait for me outside."

"Ah, don't let me see how you clean up Zhen Wu Xiang."

"What's there to see, it's just a matter of using the immobilization charm and then beating him up, get out."

"Yes, boss." Tang unidentified reluctantly went out.

Omi didn't let Tang Miao go in because he was afraid that in case Lu Yuxi's clothes had already been torn and was seen that she shouldn't be seen, after all, she was a girl, give her face.

Only then did Omi kick open the door of the small bungalow. One second to remember to read the book

I saw that Zhen Wu Xiang was pushing Lv Yu Xi down on the bed and was starting to tear Lv Yu Xi's blouse, Lv Yu Xi's blouse had already been torn with several openings, if Omi came in a step later, Lv Yu Xi's blouse would definitely be torn off, revealing her white skin, and even something unique to women.

"Who." Zhen Wuxiang saw someone coming in, and looked up and shouted.

Lv Yuxi looked towards the entrance with tears on her face and saw that it was Omi and cried out in panic, "Omi, save me."

Omi looked at Lv Yuxi and snorted, "I deserve it."

"Omi, I." Lv Yuxi didn't know what to say and looked at Omi with praying eyes, at this time, she could only pray to Omi.

Omi snorted, "Why don't you call me a little kid now."

Zhen Wuxiang let go of Lu Yuxi for the time being and said viciously, "Omi, you dare to disturb my good fortune."

Lv Yuxi took the opportunity to hide in the corner, tightly covering her clothes that had been torn open a little bit, with a pitiful look on her face.

Omi looked at Zhen Wu Xiang and sneered, "Zhen Wu Xiang, you think I'm interested in disturbing your good deeds, you're wrong, I'm not here to disturb your good deeds, I'm here to take care of you, you ungrateful son of a bitch. A few months ago, you knelt at my feet and called me big brother, I gave you dozens of spirit stones as a gift, but I never thought that you would be so proud of a little achievement today that you could even forget about big brother."

When Lu Yuxi heard Omi's words, she was stunned, could it be? Did Yan Wuxiang really worship Omi as her big brother?

Knowing this result, Zhen Wuxiang's image in Lu Yuxi's image had fallen to the bottom of the valley, thanks to the fact that she had worshipped him before and thought that he was even more powerful than Omi, but she didn't expect that she had already been cleaned up by Omi.

Lv Yuxi was busy saying, "Omi, be careful, although he had worshipped your big brother before, it was before, he is at least at the first stage of Enlightenment now."

Omi snorted, "Lu Yuxi, do you think I need your concern? Shut your mouth, Zhen Wuxiang, who is at least a first stage open light in your eyes, is just a piece of shit in my eyes."

Zhen Wuxiang sneered, "Omi, what a madman, well, I'd like to see how you, a Body Tempering Stage, can win over me. With the Heavenly Thunder Fist that you practiced to the tenth level before? What a death wish."

After saying that, Zhen Wuxiang Ton hit Omi with a palm, Zhen Wuxiang's palm, not knowing what kind of palm it was, was very powerful.

/> But in the next second, it was a shock to both Zhen Wu Xiang and Lu Yu Xi.

It's not just a matter of time, it's also a matter of time before we get to the bottom of the matter," he said.

Omi's Hall of Enlightened Seventh Stage, an Enlightened First Stage, was simply weak to the point of bursting.

"Ah, how did this happen?" Zhen Wuxiang was horrified, he never expected it to turn out like this, it was as if he was not on the same level at all.

Lu Yuxi was also greatly shocked, she couldn't believe how Omi's tiny arm was able to exert such a powerful force and clamp Zhen Wuxiang's hand down to death.

The corner of Omi's mouth lifted and said, "Zhen Wuxiang, I will let you know the consequences of betraying your trust and deceiving your master."

"Clack." In the next second, Zhen Wuxiang's arm was snapped off by Omi in one go.

"Ah." Zhen Wuxiang shrieked, while at the same time, Zhen Wuxiang's mouth could not believe it as she shouted, "Why is this happening? Why? I've already stepped into the first stage of Open Light, so why is this still happening."

"Bang." Omi stepped on Zhen Wuxiang's chest, and the ribs on Zhen Wuxiang's chest broke in unison.

“Zhen Wuxiang, I’ll tell you why, because, you were already unmentionable in front of me. Originally, I saw that you’re quite an honest person, that’s why I took you in as a little brother, but I didn’t expect that it’s all because you pretended to be. It’s just as well, you fucking took my spirit stone and didn’t even greet me, you didn’t recognize me as your boss, you’re looking for death you know?”

Omi’s foot stepped on Zhen Wuxiang’s broken ribs in the chest, the pain was so great that Zhen Wuxiang was about to faint.

At this moment, Zhen Wuxiang finally understood that he was wrong, Omi was able to be a big brother at a young age, it was by no means a coincidence, but Omi was inherently unpredictable, no one knew his true depths, and it was ridiculous that he thought that Omi didn’t dare to let out a single fart.

Lv Yuxi, who was hiding in the corner, was shocked to see the young Omi step on the tall Zhen Wuxiang and make her unable to resist, remembering that she had called Omi a little kid, and so on.

The first thing you need to know is that you can’t do anything wrong. Boss, ooooh, I was wrong, please forgive me.”

When Lu Yuxi heard Zhen Wuxiang’s shrieking plea for forgiveness and desperate cries for boss, she couldn’t help but look at Omi again, it seemed like she didn’t recognize Omi a bit at this moment.

Omi snorted, “Boss? How about you say “boss” again? Who the fuck is your boss.”

“Ooooooh, I was wrong, I was really wrong, boss, please forgive me.”

Omi stomped down and said, “Listen carefully, I, Omi, from now on, don’t have a little brother like you, if you dare to call me a boss again, I’ll cut out your tongue. Get out.” Omi also didn’t go to kill him, a piece of rotten shit, stepping on him also soiled his shoes.

Zhen Wuxiang endured the pain and crawled out of Lu Yuxi’s room.

Omi looked at Lv Yuxi, who was hiding in the corner, and Lv Yuxi’s body trembled.

Omi snorted, “I’m not saving you today, but I just happened to meet you. Also, don’t say you know me when you go out in the future, because, I don’t want to know you. Originally, I also wanted to cover you, and it’s not impossible to turn into a girlfriend in the future, but unfortunately, I’m no longer interested in you now, so all the words I said before are retracted, goodbye.” Omi turned around and walked away.

“Omi.” Lu Yuxi shouted.

Omi didn’t even turn back.
