1610

Omi asked, "Dare I ask if you are Young Master Gu Nu Yin?"

The man was so stunned that he called him Young Master?Did you come to ask him for something?

"Yes. What are you?Why interrupt my good fortune."

"Well, that's good, it looks like you've got the right person."

"Aren't you going to tell me who you are?How dare you barge in since you know I'm Young Master Gu Nu Yin."Gu Nu Yin yelled.

"Young Master Gu Nu Yin, I'm asking you, do you want to marry Tang Huan?"

"Nonsense, the bride-price has been given."

"That's right, I'm Tang Huan's younger brother, I just came back from the Flying Cloud Sect, I heard that you're marrying Tang Huan."

"Yo, so it's brother-in-law, hahaha, disrespectful."Gu Nu Yin smiled, since he was Tang Huan's brother, he forgave Omi.

After Omi confirmed his identity, he said, "Then, you'll be on your way."

"Uh."Gu Nu Yin's face changed. Remember the URL . kanshu8 . net

"Bang."In the next second, Omi exploded the ancient slave seal's head with a slap.

"Ah."The woman beside him shouted.

"Bang."Omi killed the head tag with another slap.

Then with a flaming palm move, he burned the two of them cleanly.

Omi quietly returned to the Tang family.

"Omi, why did you just come back, did you go kill the Ancient Slave Seal."

"Yes, Fifth Uncle, I wanted to try my luck, but I didn't expect that Gu Nun's Seal happened to be at the Immortal Residence tonight, so I killed him, don't worry, no one knows who did it."Omi said with a bit of a stifled voice.

"Good, that's good."

At this moment, in Tian Bao City, the Lie Yue Family, in the room of a disciple with a foreign surname, a twelve year old girl, looking at the moon in the sky outside the window, muttered to herself, "Windy, where exactly are you, would you be in the Flying Cloud Sect?"

This twelve-year-old girl, despite her tender age and incomparably tender face, was a complete beauty at first glance, and when she grew up, her beauty was definitely extraordinary.

At this time, a man's shout came from outside: "Leyue Xinyi, what are you still not sleeping at such a late hour, don't go to sleep yet, get up early tomorrow morning to absorb the spiritual energy of heaven and earth."

"Oh." That twelve year old girl oh, then closed the window, the man who had just yelled at him outside was the one who had led her back to this family, then changed her name to Leyue Xinyi.

In fact, her real name was Yan Xingyi, a person who stepped into the void, but she didn't tell anyone about it.

Yes, this tender and incomparably tender twelve year old girl was exactly Omi's teacher Yan Xinyi in the mortal realm.

Perhaps, Omi would never have thought that the second person who stepped onto the Void was his teacher's wife.

The only thing is, the teacher's wife was only a love affair in the mortal world, and now after everyone has returned to their ancestors, the love affair in the previous life is only a love affair, the teacher's wife is no longer the teacher's wife, and Feng'er is no longer the pupil.

Yan Xinyi was able to reach the Ancestor Returning Realm in the mortal realm, in fact, thanks to Omi's martial arts experience left behind in the mortal realm before he stepped into the void.

Yan Xinyi knew Omi too well, so the martial insights Omi left behind, Yan Xinyi could almost see through her heart, so Yan Xinyi raised her martial dao realm so fast that she finally did reach the Ancestor Returning Realm and stepped into the Void to arrive at the Spiritual Realm.

After arriving at the Spiritual World, Yan Xinyi, with a confused face, was like a lost child who didn't know where to go. At that time, she was discovered by a man named Leyue Lu, who thought she was a homeless little girl, and saw that her face was so delicate and she had played with countless women. So, Leyue Lu brought Yan Xin Yi back to the Leyue Family, and in the name of her godfather, raised her first, and then tasted her after she grew up.

Only, Yan Xinyi didn't know what was going on inside Leyue Lu's mind at the time, and thought that she had really met a good person. Until later, after she found out about Leye Lu's gaze, as someone who had come over, Yan Xin Yi knew what Leye Lu was paddling, Yan Xin Yi also began to worry, and even wanted to escape, but unfortunately, she couldn't escape, and was under Leye Lu's surveillance every day.

Right now, Yan Xin Yi was lying on her bed, she couldn't sleep, her mind kept flashing the face of Omi, of course, the grown up Omi.

"Feng'er, what should I do? That Lie Yue Lu, is really despicable and shameless, I'm really afraid that one day, he will put me, alas, I must leave the Lie Yue family. Feng'er, you are the only family I have left, I must find you, I heard that you might be in the Flying Cloud Sect, so I must assess to enter the Flying Cloud Sect. In half a month, the Flying Cloud Sect will start enrolling students, I must find a way to enroll so that I can go to the Flying Cloud Sect and get away from Leyongrue's control. It's just that Lie Yue Lu watches me to death every day, I don't have any chance to escape at all, what am I going to do." Yan Xinyi secretly thought.

The next morning, Yan Xinyi woke up and went to the place where the Leyue Family's aura was abundant to absorb the spiritual energy of the heavens and earth. No matter what, she must work hard to cultivate, the stronger she became, the greater the possibility of escaping from the evil claws.

At this moment, not far away, Leyue Lu looked at Yan Xin Yi and said inwardly, "This little ninny, with such a high talent, she has already stepped into the first stage of body refining at such a young age, I really don't know if I'm raising a tiger or not. No matter, when she turns fourteen in two years, I'll sleep with her, hehehehe." Lie Yue Lu smiled a smile full of evil, Lie Yue Lu was just a loser in the Lie Yue Family, he was afraid that Yan Xin Yi would grow up and he wouldn't be able to control it, so he didn't want to wait for Yan Xin Yi to grow too big.

At this time, Yan Xin Yi opened her eyes and saw Leyue Lu, who was watching her from not far away, and was depressed inside.

Lie Yue Lu's eyes, like a hungry wolf, had been staring at Yan Xin Yi's entire body all day, looking at Yan Xin Yi's heart. Although Yan Xinyi was a little girl on the outside, she was an adult woman on the inside, what would she not know, but limited to her low strength, she was also powerless.

In the blink of an eye, the Heavenly Jewel City's City Meeting arrived.

On this day, the entire Tianbao City was as lively as the New Year, with lights and gongs everywhere, and families cooking fragrant meals.

Of course, this was the life of ordinary people in Tianbao City, but the four great families of Tianbao City, the Gu Nu was there, the Lie Yue family, the Tang family, and the Meng family, their city meeting, was more than that.

The four great immortal cultivation families, early in the morning, one after another, went to the temple in the middle of Tianbao City.

Today, the Four Great Immortal Families would be holding a Heaven Sacrifice in the Holy Temple, and after the Heaven Sacrifice, the children of the Four Great Immortal Families would also be competing here, competing and emerging, so as to solidify each family's position. The four great immortal cultivation families all called their most talented children of their own families to come here to strengthen their family prestige.

At this moment, the Lie Yue Family.

Yan Xin Yi had also already heard about today's City Meeting from the other people, however, she did not have the opportunity to go.

Yan Xin Yi said inwardly, "I must fight and plead with Lie Yue Lu to take me to the Temple, only by going out can I find a chance to escape." So, Yan Xin Yi immediately went to plead with Lie Yue Lu, begging him to take her to the City Meeting.
