

King of kings

1804

"No one knows now but himself."

In the sky.

Mo Qing slowly flew out while Ma Diao and his son hurriedly flew out and then paid their respects, "Greetings to Senior Yao Bang, meet Yao Ai and Daoist Yao Xiang."

Yao Bang snorted, "Where is Mo Yuyan?"

Ma forced busy said, "Mo Yuyan did come back, but when I got the news and rushed over, Mo Yuyan was already gone. It must have been Mo Qing who informed Mo Yuyan to escape, but we sealed off the Imperial City at the first time, so I'm sure that Mo Yuyan and that murderer are still in the Imperial City, Senior Yaobang, we really did our best."

Yao Bang nodded, indeed, Ma Diao and his son had tipped them off the first time.

Mo Qing flew out slowly and slowly.

"Mo Qing, if you don't hand over Mo Yuyan, I want you to die today." Yao Bang shouted.

Mo Qing snorted, "I haven't seen my daughter."

"You are still arguing, did Ma Diao and his son deliberately send me false news." Yao Bang said with a yell.

Mo Qing said, "It was originally false news, Ma Diao and his son, in order to leave out the relationship, deliberately sent you false news so that you would think that he is loyal to you." The first website m.kanshu8.net

Yao Bang looked at Ma Diao and his son.

Ma Diao's father and son turned red and shouted, "Mo Qing, how dare you talk nonsense, believe me I'll kill you."

Ma Diao's father and son were nervous, if the three strong men of the Yao Clan were to believe it, then the danger would be theirs.

Ma Force was also busy saying, "A few seniors, if I spread the news falsely, I shall not die and fail the robbery."

Yao Bang said, "I believe that Ma Diao and his son won't intentionally deceive me, Mo Qing, I'll give you one last chance to hand over Mo Yuyan, or else."

"Hahaha, or else die, come on, kill me, it doesn't matter." Mo Qing said with an indifferent face.

On the ground, Mo Yuyan cried out, Omi was busy covering her mouth, if the sky noticed them, they would be exposed.

Omi said, "Wei Cherry, don't cry, don't worry, I will never let your father die."

"People are at the sixth stage of the tribulation, what can you do, hehehehe."

Omi said, "Then you are underestimating me, I, Omi, am not such an incompetent person, even if I am at the sixth stage of the tribulation, I still have a way to save people."

Mu Qianji was busy saying, "Omi, have you thought about it clearly?"

"With everything that's at stake, do I have to see death and not save it?"

"But this is a matter of great importance, the other party is, after all, at the sixth stage of the tribulation, half-immortal."

"I have eight scrolls of the Heavenly Scrolls, the strongest of which can trap the Sixth Stage of Tribulation; and nine scrolls of the Gilded Immortal Mask, the strongest of which can withstand the attacks of the Sixth Stage of Tribulation, so I'm sure of it."

"But these scrolls you have, none of them can kill them, they're all used to save your life, you can't stay like this forever, what if you run out?"

Omi said, "That's not necessarily true, since I can trap them, there's naturally a way to kill them, after all, this isn't an ordinary scroll. Also, I'm not an ordinary Mahayana, if I'm an ordinary Mahayana, I definitely won't be able to do it, but don't forget, I also possess Immortal Qi, so I can cut them down." Omi was full of confidence.

Mo Yuyan was incomparably shocked when she heard Omi's conversation with Mu Qianji, Omi actually said that he could behead them, oh my god, Mo Yuyan couldn't even describe the shocking feelings at the moment, she didn't expect that Omi was so powerful that he could even cross the

The extent to which even the sixth stage of robbery dared to say beheaded.

Omi patted Mo Yuyan's shoulder and said, "Believe me, I won't let anything happen to your father."

After saying that, Omi leapt into the sky.

In the sky, Yaobang had been completely enraged.

"Mo Qing, are you really going to force me to kill you? Don't tell me that your father, Mo Green, is now alive or dead, even if he is still alive, he may not be able to stop me, we are just equal." Yaobang said through gritted teeth.

Mo Green and Yao Bang, one was the strongest person in the Mo Dynasty and the other was the strongest person in the Yao Clan, both were at the sixth level of tribulation, even if Mo Green came out, we were just even, not to mention that we didn't know if we were alive or dead yet, this was the reason why Yao Clan had no worries, right?

Mo Qing was already ready to be killed, humming, "Anyway, if you want to capture my daughter, no way, kill her if you want, what's the point of nagging."

"Then I'll fulfill you." Yao Bang shouted and raised his hand to shoot.

At that moment, there was a shout, "Wait."

Omi flew up.

"Who are you?" Everyone looked at Omi, and the scene Ma Force immediately recognized him, and Ma Force grunted, "It's you."

Omi didn't even look at Ma Force, but looked at Yaobang and said, "You're the strongest person in the Yaobang?"

"I'm asking you for words, say, who you are, or I'll kill you."

Omi laughed, "You ask me who I am? Oh, I'll tell you a story and you'll know who I am, one night, one month, one year, three hundred million of my children exploded into your mother's body, and ten months later, you were born, now, do you know who I am?"

The other side obviously didn't understand at the moment, after all, Omi hadn't been that thorough, and they didn't know what 300 million children and grandchildren were. However, the latter half of the sentence, you'll be born in ten months, they still knew the meaning.

That fifth stage of the tribulation called Yao Ai was busy saying, "Grandpa, he means that he is your father."

"What." Yao Bang's face changed drastically, so that's what he meant, oh my god, a Mahayana first stage, abusing like this in front of a strong person of the sixth stage of the Tribulation, this, this simply overturned their three views, how could there be such a person in the world who didn't know how to live.

Of course, as the ones being cursed, they were even angrier, being insulted by such a weak ant, what a humiliation it was.

"Ah." Yao Bang was so angry that he wanted to shoot Omi to death, but yet, he felt that no matter how he did it, he couldn't relieve his inner hatred, and directly shooting him to death would be cheap instead, so he didn't immediately shoot Omi to death.

But even if he immediately shot Omi to death, it didn't matter, Omi was already prepared for it, otherwise he wouldn't dare to fly out.

At this moment, Mo Qing, who was on the side, looked puzzled, could it be that the Tang Daoist who saved his daughter was Omi?

Omi looked towards Mo Qing and smiled, "Uncle Mo Qing, no, I should call you father-in-law, after all, I'm ready to form an immortal couple with Mo Yuyan."

"Ah, it's really you?" Mo Qing's body trembled.

Ma forced shouted, "He's the one who saved Mo Qing, senior Yao Bang, hurry up, arrest him."

The three strong men of the Yao Clan were startled.

Omi nodded directly and said, "Yes, the one who saved Mo Yuyan is me, and of course, the one who killed Yao Yang Tian is still me, the one who killed Yao You Tian is still me. Of course, you may not believe it, so fine, I have a way to prove it was me. Please pay attention to my next sentence: the Yao Dynasty, bullshit dynasty, kill one of your princes today as a warning, and if you dare to be rampant again, castrate all the old dogs of the Yao Clan."
