

King of kings

Chapter 1991

Omi snorted softly, "It's just a Level 2 Immortal Pill Master, making it sound as if it's so powerful."

That Master Chen heard Omi's words and his beard trembled with anger, isn't it just a Grade 2 Immortal Dan Master? Did he know that if it wasn't because he owed the Yunluo Immortal Kingdom a favor, Chen Ziqiu wouldn't have come here to concoct pills for the emperor, and that a Grade 2 Pill Master was already a supreme honor in the Yunluo Immortal Kingdom?

The man called A Miao said, "You are that pervert Zhou Mi who specialized in defiling good girls in your previous life, right? Hmph, how ridiculous, you think that even a toad can become an Immortal Pill Master? You don't even take a piss to look at yourself. Do you look like you know how to make pills? Don't tell me that even if my master doesn't accept you, you won't be able to make it, so don't get lost."

Princess Yun Meng saw that Master Chen was about to get angry, she was busy saying, "Master Chen, don't be angry, why do you need to be common with a person who doesn't know the meaning of heaven and earth. Zhou Mi, if you still have any self-awareness, leave immediately, don't be conspicuous in your disgrace, be careful of ruining some of the good image you so easily gained last time. Also, Master Chen is the most honorable Immortal Pill Master in my Yunluo Immortal Country, ignorance is not scary, ignorance to the extent that you don't know the nobility of a second-grade Immortal Pill Master is scary."

The man called Ah Miao was busy saying, "Princess Yun Meng, don't talk nonsense with a pervert, let's go, let's go study that Yu Ji Pill of yours."

"Good."

Princess Yun Meng happily followed that Ah Miao, Princess Yun Meng seemed to respect that Ah Miao, and that Ah Miao also seemed to have some thoughts about Princess Yun Meng, very attentive.

Master Chen was an alchemist only for the emperor alone, so usually, everyone else could only plead with Master Chen's disciple, Ah Miao, so that Ah Miao had a very high status in the Yunluo Immortal Kingdom, and almost every prince and princess, would come to flatter him.

That Ah Miao, who had been studying Immortal Pills at Master Chen's side for a long time, was also already a first-grade Immortal Pill Master.

Of course, those who could come to beg Ah Miao for alchemy were some imperial relatives, ordinary people were also not qualified, and people would not take care of them.

Omi could only accost them and leave. Remember the website [.kanshu8.net](http://kanshu8.net)

Omi originally thought that if Master Chen took him in, he would be more powerful than that Ah Miao, but unfortunately, he didn't get what he wanted and was humiliated.

Omi swore that one day, he would become an even more powerful Immortal Pill Master than Grandmaster Chen.

The most crucial thing for Omi now was still getting the True Fire Spell, as long as he got the True Fire Spell, Omi could officially become a first-grade alchemist with a little more effort for a few years.

"True fire spell ah true fire spell, where the heck can I get it, why isn't the Devil King contacting me, I don't know if the Devil King has the secret of true fire spell." On the way home, Omi muttered all the way.

Right at this moment, Omi felt a crisis.

"Swoosh." Omi instantly flipped to the side, and in the next second, a harsh sharpness flashed by Omi's side.

Omi panicked his eyes to look, but unfortunately, there was no one to be seen, but Omi saw a silhouette in the distance that was rapidly escaping.

"Trying to assassinate me?" Omi was startled and instantly understood what was going on.

Omi was furious and immediately chased after him.

I don't know who it was, but dared to assassinate Omi.

Omi got closer and closer to the shadow in front of him, and in an alley, Omi finally caught up with him.

Omi immediately pounced on the assassin.

The moment Omi pounced on the killer, he immediately felt a softness beneath him.

"Hm? It's a woman."

The woman killed.

The hand tried to struggle, but, it was quickly subdued by Omi.

If I wasn't mistaken, this female assassin was just becoming an Immortal, that is, at the pre-human Immortal starting stage, and although Omi was also at the starting stage, Omi was definitely further along in his cultivation than this female assassin.

"Pah." Omi fiercely slapped and subdued the female assassin.

Then, Omi flipped the female assassin over and faced Omi, who had just been jumped by Omi with her back to him.

After turning over, Omi realized that the female assassin was very beautiful looking.

"Hmm, beautiful female assassin?" Omi was startled, really not knowing why a beautiful killer would want to kill him.

"Let go of me." The beautiful assassin roared.

Omi snorted, "Damn it, daring to assassinate me, it would have been hard to predict if I wasn't a bit capable." Omi was upset, after all, we were all pre-Human Immortals, and although the distance of repair was different, if we were hit, we would die or be injured.

"Say, you're the one who sent you here." Omi pressed.

However, that beautiful killer didn't say.

Omi struck her in the brain with a Silence Technique, knocking her out.

Omi carried the beauty killer on his shoulders and returned to his home.

Soon after, the beauty killer woke up.

Omi pushed her down again.

"If you don't say anything, don't blame me for raping you, I really haven't f*cked a woman in years." Omi threatened.

That beauty killer raged, "Do you want to defile me a second time?"

"Uh, what do you mean? Have I ever defiled you for the first time?"

"Huh." The beauty killer snorted with tears in her eyes.

Omi reacted and laughed, "Looks like you're one of the thousands of virtuous girls I was strong in my previous life, hahaha, I see, I thought who sent you to kill me. However, in my previous life, I specialized in picking soft tomatoes, that is, I specialized in picking immortal cultivators, ah, but you're an immortal now. Oh, I see, when I defiled you in my previous life, you hadn't yet become immortal, but now that you've become immortal, you've come to seek revenge on me."

"I don't have to take this revenge." The beautiful woman said through clenched teeth.

Omi said, "Unfortunately, that was done by me in my previous life, I didn't do anything to you in this life."

"I don't care, the fact that you recovered your memories from your past life means that you are connected to your past life, and the hatred from your past life must be avenged on you."

Omi saw that she was very chaste and couldn't help but have a hint of desire.

Omi stroked his chin and said, "Since you are looking for revenge against me across the board, wouldn't it be too unfair if I did nothing, it's fine, I'm already your enemy anyway, I don't mind having one more time, haha."

Omi tackled the pretty killer down, and as the pretty killer screamed, Omi naked her again.

When it was over, Omi said, "You can go now."

Beauty killer why put on clothes, with tears, said nothing, quickly left. Should have known not to be impulsive today, in fact, she didn't intend to assassinate Omi today, because she just happened to meet on the street, and saw that Omi was losing his state of mind, she thought it was a good opportunity to assassinate him, so he shot to assassinate, as a result, Omi was even more powerful than she had expected, but dodged, she could only desperately run away. However, she didn't expect to be caught, and also, she was caught back home, and he did that again, this beautiful fairy, I don't know if she blamed herself for being reckless, or for being peripatetic.
