

King of kings

2020

The next day.

Omi was alone in his room immortal machine vomiting.

At this moment, in the Yang residence.

Yun Zi's uncle and aunt had already returned.

"Father, you're back."

"What's happened?"

"Father, Kaede has been defeated."

"Huh?Who defeated Kaede?"Yun Zi's uncle was startled when he heard, as if this was a big deal.

"It's Yun Zi's cousin's friend."

"Yun Zi, when did she come to Upper Yama Island?"

"Just yesterday, it was her who came alone and brought a few friends with her, I can't figure out what exactly happened, the friend beside him, Zhou Mi, is the first day of the pre-Human Immortal Kingdom of Yunluo, at first it was arrogant, we all thought he was a frog at the bottom of a well, but then, he hit Xiao Feng with a single move and flew away." First published at m.kanshu8.net

"Circumstantial?What is the origin of this Zhou Mi?"

"I don't know."

"Where are they now?"

"Yun Zi didn't stay at our house, she and her few friends, went to stay at the inn and are now staying at the Niu Shun Inn, don't worry, our people are always watching."

"I'll get Yun Zi for me."

"Good."

Omi was at the Immortal Machine vomiting, when he sensed that Yun Zi was leaving the inn.

However, Omi didn't bother with her because Omi could sense her no matter where she went, and Omi couldn't really restrict her personal freedom completely.

Yun Zi soon arrived at the Yang residence.

"Pay your respects to your uncle." Yun Zi bowed to an Earth Immortal level powerhouse.

At the moment, Omi was at the inn and could clearly hear their conversation through Yun Zi.

"Yun Zi, why don't you stay at home even though you've come to stay at the inn." Yun Zi's uncle snapped.

"I, those friends of mine like to stay at an inn, it's more free, so I also went with them to stay at an inn, so I hope uncle doesn't blame me."

"Oh, Yun Zi, why didn't you say hello in advance this time to come here, by the way, how are your father and mother all right."

"Back to uncle, all are fine, they entrusted me to greet you."

"Really?"

"Uh, of course it's true."

"Yun Zi, don't lie to me, I just contacted your father yesterday, and your father said that you disappeared, but I didn't expect that you would come here."

"Ah, then did my father and mother say anything?"

"Alright, I'll contact them later and tell them you're here, so they don't worry."

"Thank you, uncle."

"You child, now you actually dare to run around by yourself, if anything happens, how sad it will make your father and mother."

"Uncle has taught me a lesson, I will never dare to do it again." Yun Zi was filled with regret inside, if she didn't run around this time, she wouldn't have become Omi's servant, she wouldn't have been used twice by Omi. However, Yun Zi's heart was also strange, the first time she was used forcefully by Omi, she was in pain, but yesterday, she wasn't, instead.

"Yun Zi, Yun Zi?"

"Ah, uncle." Yun Zi was so busy coming back to her senses that she got distracted.

"Why are you distracted?"

"I, I miss my father and mother."

"Leaving home for the first time, normal. Tell me, Yun Zi, who is that Zhou Mi, why is he not even an opponent to your cousin Yang Feng? It's reasonable to say that an Immortal Kingdom can't produce such a strong genius."

; "He is indeed the number one in our Yunluo Immortal Kingdom, before our Immortal Kingdom Ranking Competition, I was no match for him at all."

"Then why haven't I heard of him before, if there really is such a genius, he must have popped up before, could it be that he only recently became an Immortal?"

"Uncle is unaware of this, in fact, this Zhou Mi, he was a member of the Yunluo Immortal Kingdom in his previous life. In his previous life, he was that famous number one lecher Zhou Mi of our Immortal Kingdom. Now he has been reincarnated and fortunately found by his father Zhou Tie, so he helped him recover his past life memories. What everyone didn't expect was that the reincarnated Zhou Mi's talent was vastly different from his previous life."

At this moment, the cousins of Yun Zi beside him were all stunned.

"So it's really related to that first pervert."

"I told you how the names are the same."

"That Number One Pervert Zhou Mi, his fame has spread to us in Upper Fey Yan Continent, especially after he was trampled to death by my idol Gao Jian in the street, deep in the heart, we were all cheering for Gao Jian at the time."

"Yes."

At this moment, at the inn.

Omi's gaze was cold.

"Gao Jian? It turns out that the person who cut my life roots and stomped me to death on the street in my previous life was called Gao Jian."

It's just that Omi now didn't know what level of strength that Gao Jian was, most likely above the Mortal Immortal level, because Omi had felt that he was incomparably strong in his previous life, not at all at the same level.

If it was a Mortal Immortal level, and if Gao Jian heard that Zhou Mi had reincarnated, it was inevitable that he wouldn't do anything to Omi, for example, he was afraid that Omi would seek revenge on him in the future, so he would strangle Omi?

However, Omi quickly denied that Gao Jian was definitely a proud son of the sky, this kind of person was usually quite conceited and self-confident, he would never believe that he would be killed by Omi.

"Gao Jian, one day, I'll cut off your lifeblood and stomp you to death on the street." Omi said inwardly.

"Yun Zi, when will you return to the Yun Luo Immortal Kingdom? Do you want me to send someone to take you back?"

"No Uncle, besides, I don't know when I will return, it shouldn't be that soon."

"Well, then, stay at the house, and don't return to the inn."

"This." Yun Zi didn't want to go back to the inn inside, but she was afraid that Omi would get angry and make her soul ache again.

"Uncle, I'd better go back to join my friends, we all came out together, we deserve to be together, we shouldn't be on our own." Yun Zi said.

Yun Zi's uncle nodded, "Looks like Yun Zi has really grown up and is more sensible."

"Oh."

"Well then, go back and tell your friends to come to the house for a few days first, and then meet up with them afterwards, you and your cousins haven't seen each other for so long, don't you want to stay for a few days."

"Good, then I'll go back and say so."

"Well, go early and return early, I'll wait for you for dinner tonight."

"Hmm." Yun Zi was a little unsure, she hoped that Omi would let her come back for a few days.

Not long after, Yun Zi returned to the inn, Omi's door was knocked on.

"Come in." Yun Zi walked into Omi's room.

"What is it." Omi asked knowingly.

"Zhou Mi, I want to ask you for something."

"Say."

"My uncle is back, he asked me to stay at the residence for a few days, can you let me go back for a few days?"

Don Omi said, "How many days to stay?"

"Three days, okay? If I don't go, they're bound to be suspicious, and if they are, you're bound to be bad too."

"Are you threatening me?"
