

King of kings

2062

The crowd only worshipped Omi at the moment, so whatever Omi said, the crowd listened, and this was the best time to prove Miss Yang Cai's innocence.

Omi said, "I believe everyone knows that Wu Yong has a marriage contract with Miss Yang Cai of the Yang House. However, yesterday, Wu Yong came to withdraw from the marriage, withdrawing from the marriage to a woman, what reputation means to a woman everyone understands. But Wu Yong did it without hesitation. Wu Yong also said to outsiders that he withdrew his marriage because Miss Yang Cai was hanging out with another man. As such, should I challenge him."

"Ah, really or not."

"No way, Wu Yong is actually such a person."

The crowd was discussing.

Wu Yong, who had already flown to the ring to blow ashes, was busy shouting, "Zhou Mi, you dare to accuse me, Yang Cai you that bitch, it's obvious that he cheated on himself, and you even cleared her name, I think, the object of his cheating, is you."

Omi snorted, "Wu Yong, I didn't expect that until now, you are still framing, you have no bottom line as a human being anymore. You abandoned Miss Yang Cai in order to pursue a certain fifth-class overlord family's lady, and you still have the nerve to accuse people. Whether Yang Cai has cheated or not, just get a few female doctors to examine her, you dare? If the test proves that she is still innocent, do you dare to die in public to thank her?"

"You, Zhou Mi, don't come to smear me just because everyone worships you now."

"Ridiculous, are you worthy of having me purposely come to smear you?"

"You." Wu Courage's nostrils were smoking.

Omi said, "Everyone, please believe me Zhou, Miss Yang Cai is by no means that person, and now that the marriage has been withdrawn, it's just as well, Wu Yong is not worthy of Miss Yang Cai." One second to remember to read the book

Someone in the crowd shouted, "Yes, it's not worthy."

"Not worthy, I think, Zhou Mi is the only one who deserves it."

"Yes, since we've retired, why don't we just marry Zhou Mi, such a beautiful woman, only Zhou Mi is worthy to have."

Many of the men who worshipped Omi at the scene shouted, and many people knew about Yang Cai's beauty before, and they all believed that a beautiful woman should be worthy of a hero.

In the crowd, Yang Cai looked embarrassed.

However, Yang Cai's heart was beating fast, not daring to look at Omi.

Also embarrassed were Yang Qilu, Yun Zi and others.

It couldn't be blamed on those bored people, it was indeed Omi who was too prominent, those people who thought that beautiful women should be given their approval.

Omi smiled and said, "Don't make fun of me, brothers, I already have a family, and truth be told, it's Yang Cai's cousin."

"Oh, that's a pity."

"It's a pity, such a beautiful Miss Yang Cai didn't match with Mr. Zhou, I don't know who I'm going to be cheap."

"What a joke, a man with three wives and four concubines is nothing, I suggest Senior Zhou, no matter what cousins, take them together."

Suddenly, many people echoed, shouting yes, take them all together.

Speechless, Omi shouted, "Alright, everyone, today I've proven Miss Yang Cai's innocence, please don't listen to Wu Yong's vicious face anymore, alright, there's nothing to disperse."

Just at this moment, a voice came out, "Insulted my son, you think you want to leave?"

Everyone was shocked and immediately looked, a powerful late Earth Immortal slowly flew out, it was Wu Yong's father, Wu Longquan.

"Oh my god, could it be, he's going to take action against Zhou Mi." Seeing Wu Longquan flying out

Everyone was scared silly.

Wu Longquan, was a mid Earth Immortal, if such a strong man made a move, Zhou Mi would die.

Even Yang Qilu, in front of this Wu Longquan, would die without a burial place.

In the crowd, Yang Qilu's face changed drastically, and of course, Yang Cai, Yun Zi, and the others, were all scared white.

Yang Qilu said, "Despicable."

Yun Zi busy: "Uncle, what to do ah, you quickly uncle my husband."

Yang Qilu said, "A fingernail of Wu Longquan can wipe out my whole family, how can I save."

"Ah." Yun Zi was scared to faint. Yun Meng beside her also had a trembling heart, although Yun Meng didn't have a good relationship with Omi right now, Yun Meng didn't want Omi to die either ah.

Yang Qilu's body trembled, "I really didn't expect, Wu Longquan's shamelessness is beyond imagination, I thought that he wouldn't have the face to come out and kill Zhou Mi for this kind of open challenge, but I didn't expect that he would."

Omi looked back and saw a strong mid Earth Immortal, Omi trembled inside.

"Finished, it can't be that he's going to die, does he have the nerve to challenge me openly and honestly?"

That Wu Longquan was standing in front of Omi, looking at him condescendingly, like an ant.

Wu Longquan snorted, "Zhou Mi, you insulted my son and still want to leave?"

Omi said, "Senior, I am challenging Wu Yong today in an open and aboveboard manner, and exist to do what insult."

"Hmph, did I say anything about it being a challenge? I have nothing to say about my son's inferiority to you. However, regarding my son's withdrawal from the marriage, it's obvious that that bitch Yang Cai couldn't stand the loneliness and was sleeping with a wild man, but you've turned black and white and said that my son abandoned Yang Cai in order to pursue someone else, aren't you insulting my son by doing so?" Wu Longquan roared.

Omi said, "I'm not talking nonsense, Miss Yang Cai, indeed, has been true to her word and never transgressed half the rules."

"Hmph, you think that what you say is what you are? Today, you insulted my son, don't blame me, Wu, for being rude."

Omi said angrily, "Senior, with so many people watching, are you going to kill me for your son?"

"Is it strange to kill you, a Gryphon? So what if so many people are watching, are you allowed to insult my son and not allow me to kill you?" A cold light flashed in Wu Longquan's eyes.

At this moment, Yang Qi Lu flew out.

"Senior Longquan, show mercy." Yang Qilu prayed.

"Yang Qilu, you still dare to run out, you also want to die together, right?"

"Senior Longquan, I'm sorry, I apologize on behalf of Zhou Mi to you, yes, it's our daughter Yang Cai who didn't keep herself safe, couldn't stand the loneliness and was hanging out with the servants, I'm sorry, my daughter is not worthy of your son, please forgive Zhou Mi." The matter had come to this, Yang Qilu could only break his front teeth and swallow them into his mouth.

Offstage, Yang Cai with tears in her eyes, in public by her father said, she can't stand the loneliness to hang out with the servants, this is so helpless, she does not resent her father so ruin his daughter's reputation, under the power, and what can be done.

Omi's heart trembled, Yang Qilu actually said so badly, do you still want your daughter's reputation.

Omi finally understood why Yang Cai was divorced, no one who had pursued Yang Cai before dared to speak up for her, as it would offend Wu Longquan, unless it was someone who wasn't afraid of offending Wu Longquan. No wonder, Yang Qilu and the others, were so grateful to Omi.
