Not far away.

One challenge after another, this one in which nine out of ten people lost.

A few hours later, Omi walked out.

The bleating Xuan Xian asked, "What is your name? Which ranking are you challenging? The 101st to 199th, are all in the same realm as you, choose whichever one you want, as long as you win, you stay and he goes."

Omi smiled, "I'm not challenging any of the 101st to 199th, I want to directly challenge the first place."

"What did you say?" Suddenly, that Xuan Xian of the Mi Clan's brow furrowed, wondering if he had misheard, a pre-Celestial Immortal who wanted to directly challenge the first one.

"Hey, kid, didn't you hear me say that the top twenty, are all Dao Immortals. The one ranked first is even the strongest Dao Immortal among the people admitted this time, are you sure you know what you just said?"

Omi said, "Surely sure, I, the challenge is the first place Pre-Dao Immortal."

The audience was in an uproar.

At this moment, not far away, that lady of the Mi Clan saw Omi and was shocked, "What, is, is it, is it him?"

"Miss, who is that man? Directly challenging the first place Dao Immortal, could it be, he's also a Dao Immortal?" The maid beside him was busy saying. Remember the website .kanshu8.net

Miss Mi's family was incredulous, "Why did he come to my family and want to be a soldier in my family? That's impossible."

Right now, Miss Mi Clan didn't care so much, her heartbeat accelerated as she ran up, this was the male god in her heart. The scene of the male god defeating her teacher, Long Tuqiu, at the Immortal Academy was still fresh in her mind.

Omi said, "Senior, do I need to say it a second time, I'll directly challenge the first ranked pre-Dao Immortal, alright, don't jabber so much nonsense, I'll just leave."

At this time, the first ranked Dao Immortal immediately rushed out and said angrily, "Kid, since you want to find death, then I'll fulfill you."

"Just you, you're not qualified."

"Go die." Suddenly, that number one ranked Dao Immortal superbly struck and killed Omi with no mercy, as a Heaven Immortal challenged him, which was his greatest insult.

But . An unexpected thing happened, after his super strong move struck Omi, Omi had no problem at all, instead, that pre ranked Dao Immortal's body sank violently and poofed out blood.

"This, what's going on." Of course, the people here didn't know, even if they were told the Star Shift Great Law they wouldn't know what it was, only that Miss Mi, who graduated from the Immortal Academy, understood why Omi was so strong.

Omi shook his head, this guy, who was not a single bit worse than that long earth fur from the Immortal Academy, Omi didn't even want to bully him anymore.

That pre-Dao Immortal wiped the blood from the corner of his mouth and roared, "If you dare to play tricks on me, I'll chop you to death." This guy certainly didn't think that Omi could defeat him, thinking that Omi had done something to him.

Just then, there was a delicate shout, "Alright, stop."

Everyone immediately turned their heads, and a woman with a proud figure and an extremely beautiful face approached, it was a Miss of the Mi Clan, and she was the leader of the legion recruited this time.

When everyone saw this Miss Mi Clan, they hurriedly gave a salute, "Greetings, Chief."

However, that Miss Mi Clan walked straight to Omi's side, her eyes carrying an incredibly concealed excitement, seemingly full of honor and smiling incredulously, "Really, really, it's you."

Omi's eyebrows furrowed, "This young lady, you are?"

"I... I'm Mi Lu.

I, I'm the leader of this legion, I, I."

Omi said, "Miss Mi Lu, don't be nervous, speak slowly."

Everyone looked at Miss Mi Lu incredulously, she had always been a very cold chief before, how come she had become incoherent now.

"Tang."

"Wait, my name is Zhou Mi." Omi was busy interrupting Miss Mi, she almost called out Omi, she seemed to know him, but Omi didn't have any impression of her.

"Zhou Mi?"

"Yes, my name is Zhou Mi, I've come to the Mi Clan to participate in the Casting Banquet."

That Xuan Xian of the Mi Clan busily came up and asked, "Mi Lu, what's going on, do you know each other?"

"Uncle, I know him, he's a superb genius from the Immortal Academy, and he defeated Pre-Dao Immortal at the Immortal Academy. So, there's no need to compete anymore."

"What? He was able to defeat the Dao Immortal from the Immortal Academy, that too."

Mi Lu was busy saying to Omi, "Zhou Mi, can you come with me and lend me a word."

"Of course you can."

Omi followed Mi Lu.

Arriving at a deserted place, Mi Lu said excitedly, "Omi, is it really you? I'm so excited to see you." Mi Lu looked like she was about to throw herself at you.

"It seems that you also graduated from the Academy of Immortality."

"Ummm, I just graduated from the Immortal Academy less than 50,000 years ago, and before I graduated, I saw you defeat my teacher, Nagatoujou."

"Nagatoujou is your teacher?"

"Ummm, I'm also from the Air Tear Department of Immortal Academy, and I practice the Shura Divine Blade. Omi, I'm really so excited, how did you come to my family? You definitely didn't come here for that twenty immortal coin salary."

Omi laughed, "How do you know that I'm not after that twenty cents salary, could it be that I'm after you, but you're quite pretty too."

"Ah, me, me? I, I would like to." Mi Lu.

"You're willing? What would you like?"

"Ah, I thought you just said you wanted me."

Omi whipped up a cold sweat, "Did I say that? You're the one who got so excited you misheard."

"Ah, me." Suddenly, Mi Lu blushed up to her neck, she was really too excited and thrilled to see Omi, she didn't even mishear what Omi said, and directly said I'm willing.

"Alright, Miss Mi Lu, I also have nothing to do, I'm just looking for a random place, just as an exercise, just to be able to enter your family, maybe it's an honor. From now on, I'll be a soldier in your family, please take care of me."

"This, how can this be, I will definitely treat you as a guest of our family."

"Don't, I'm not here to be a valued guest, and don't reveal my true identity, I'll be called Zhou Mi now, do you hear me?"

"Uh-huh, whatever you say, I'll do whatever you say."

"Alright, you go about your business, I'm going back to the barracks."

"Omi, how can I do that, I'll set you up in the upper room."

"No need, by the way, does your family have a war to fight? The main reason I joined your family's legion was to fight, especially against people who were stronger than me."

"Of course it has."

"Hehe, that's good, it's not in vain that I joined your legion." Omi smiled and walked away, heading to the far side of the barracks.
