Or, what if it took a long time to get there? Spend more time than the princess expected?

For some reason, Omi was afraid of disappointing Princess Nianzhi.

However, Omi still took it.

“Good, you digest it right where you are, I’ll watch from the side.”

“Yes.” Omi immediately began to absorb the Fetal Pill.

Omi inwardly prayed that he would quickly become a Xuanxian and not disappoint the princess.

However, the more anxious he was, the harder it would be to achieve.

So, Omi instantly entered the depth space to go.

After only a few seconds, Omi felt that he had stepped into Xuan Xian.

Omi opened his eyes and busily asked, “Princess, I stepped into Xuan Immortal, how was it, how long did it take?”

The princess smiled slightly, “Not bad, I’ve only finished half a cup of tea and you’ve stepped into Xuanxian.” The first website [m.kanshu8.net](http://m.kanshu8.net)

“Yay.” Omi was so happy, it looked like he hadn’t disappointed the princess, he was really scared to death.

Omi didn’t know why he was so afraid of disappointing her.

“Right, thank the princess for giving Dan.”

“En, you’re welcome, you’ve stepped into Xuanxian now, you can enter the Sky Wolf Battle Team.”

“It’s all thanks to the princess.”

“I just gave you a pill, the fact that you were able to obtain my pills was originally your chance.”

“Oh.”

Princess Nian Shi sighed.

“Why is Princess sighing?”

"I don't know why, I always feel like, I don't know what to say to you, I would have liked to meet you more often, maybe a few more times, speak more often, and I would have gradually developed a real love for you inside me, but, I feel like, it didn't."

"Ah."

"Right now, I still can't develop the slightest bit of affection for you."

"Oh." Omi was disappointed inside, he was behaving so well and still didn't like him.

Omi said, "It's normal that the princess doesn't like me, after all, my subordinate's status is low."

"Shouldn't be the problem of your identity, I never look at identity, can't produce is just can't produce, can't say clearly. Really sorry."

"Princess no need to blame yourself, between you and me, it would have been impossible, besides you are a golden branch, I am a grass folk, that is worthy of a princess."

"No matter how golden I am, I am still a woman, and besides, my father hasn't said anything so far, it's obviously a tacit attitude. Perhaps, you really are the one for me, is must try to get in touch with you more."

"Oh." Omi said in his heart, sleeping I promise to make you fall in love with me, but it's only in his heart.

"Omi, you can go back first."

"Yes, my subordinate will take his leave." Omi quickly left.

Walking out of the princess's immortal palace, he saw the Three-Eyed War God waiting outside.

"Ah, Senior War God, why are you waiting for me here."

"Omi, why did the princess leave you behind? What did you say?" The Three-Eyed War God asked.

The reason why the Three-Eyed War God asked was also because of the Immortal Emperor's order, because the Immortal Emperor couldn't see through Princess Nennii's destiny, so he was afraid and told the Three-Eyed War God to keep an eye out to see which man the princess would fall in love with. That was why Three-Eyes asked Omi this way.

"The princess bestowed me with a Fetal Pill, so I'm stepping into Xuanxian now."

"What? Gave you the Fetal Pill again."

"Yes. But don't doubt Senior Three-Eyed, I'm not worthy at all, and there's no way the princess will like me. If you don't believe me, you can ask the princess."

"Also, it seems that I was overly worried."

Omi felt that the Three-Eyed War God was a bit defensive of him.

"Omi, you're now a Xuanxian.

, you're ready to join the Wolf Squad, when are you going to report?"

Omi said, "It's been a long time since I've been home, so let me make a trip home."

"Yes, I'll give you six months then."

"Thanks."

Omi went home happily.

"Dinglan, I'm back."

"Husband, you're back, there's no news at all."

"I've been assessed to the Sky Wolf Battle Team."

"Ah, you've become a Xuan Xian."

"Yes."

"Wow, our Ding family, we have a Sky Wolf, that's amazing."

"Hehe, stop boasting, let's start." Omi stopped Ding Lan at the waist.

"What are you doing?"

"Asking knowingly. By the way, is Tang Huan here?"

"She's at the Academy of Fairies, what do you want?"

"You tell me, I don't think two at a time will do."

"Fuck you." Ding Lan rolled her eyes.

But it was a pity that Tang Huan wasn't here, quite a pity.

Then we'll have to go to the Academy of Immortality afterwards.

At that moment, Ding Lan suddenly said, "Right, Omi, there's one thing I forgot to tell you."

"What?"

"Tang Huan said that something has happened to your lover named Mu Qianji."

"What?" Omi rolled over, seemingly not at all interested anymore.

Ding Lan said, "Don't worry, when I say something happened, it's not something, it's, Mu Qianji left the Immortal Academy."

"Where did she go? Why did you leave?"

"I heard that she doesn't want to stay at the Immortal Academy, and she's pretty strong, but you've just been ignoring her for a long time."

“Uh, yeah?Very strong?”

“Yes, I only met those relatives of yours after Tang Huan introduced them last time at the Academy of Immortals.At that time, I thought she must be extraordinary, when she was already a Heavenly Immortal.It’s very rare for Immortal Academy to reach Heavenly Immortal so quickly.”

“Oh, I don’t know about that, indeed, I’ve seldom even seen her since I left Upper Yama, I don’t even know what happened to her.”

“I heard that she went to the Eastern Sheng Shenzhou.”

“Why did she go to the Eastern Sheng Shenzhou?”

“I think the first one is that she doesn’t want to waste her time at the Fairy Academy anymore, and the second one is that she doesn’t want to continue living under your aura.”

“Well, I’m sure she’ll be fine, come on, continue.”

“Go on you head, it’s all interrupted.”

“Haha.”Omi pounced on it.

Omi’s entry into the Wolf Squad was soon known throughout the Ding family, and the face-loving Ding Cang Vault was ready to invite a table of ten thousand, a month later.

Omi originally disagreed, but when he thought of what he had said before, he agreed to clear Ding Lan’s name.

Omi was prepared to clear Ding Lan’s name on the day he invited the guests.

Of course, the matter of saving the Nine Daoist Demon King was not forgotten by Omi, and it could not be delayed, the Demon King had been imprisoned for so long, and his youth had been wasted for so long.

However, Omi still didn’t know where the Devil King was locked up at the moment, and he would have to investigate afterwards.

Omi left the Ding family and arrived at the location where he had sensed the Devil King last time.

Omi stood in the same position he had sensed last time and shouted, “Senior Demon King, do you hear my voice?”

But alas, the Devil didn’t respond.

“It’s not like it’s already been moved, or, it’s already dead, right?”Don Zidon was a nervous wreck.
