

Chapter 256

“Me.”Liona wanted to stop talking, thought for a moment and said, “You’re my bodyguard, if you have a girlfriend, wouldn’t I become your light bulb, so I don’t like you having a girlfriend.”

“Oh, don’t worry, I don’t have any thoughts of that right now, besides, I haven’t found a woman that I’m tempted by yet.”Omi said comfortingly.

But once Liona heard that, she felt not very happy again, although Omi comforted her that she wouldn’t fall in love with Xu Yan, Omi also said that he hadn’t found a woman that made him feel tempted yet, wouldn’t that include her and Simran.

However, Liona thought, forget it, it’s better than him falling in love with Xu Yan, even if Omi is not smitten with her now, Liona believed that sooner or later, she will make Omi smitten with her a little bit.

“Then let’s go to dinner.”

“Well, I hope Xu Yan won’t pester me anymore.”Omi sighed.

Inwardly, Liona said, “It seems that Omi’s eyes are so high, he couldn’t even make Xu Yan swoon, I thought that with Xu Yan’s conditions, no boy would be able to reject her, but I didn’t expect that he still couldn’t make him swoon.I’m afraid that no matter how long it takes, I may not be able to fall in love with him, I hope it won’t be so sad, I really like him.It’s a pity that he has a low EQ, but he also has such a high vision that he doesn’t even know I’m secretly in love with him.It’s good that he doesn’t know, but if he knew, and he’s not interested in me, he would inevitably be even more difficult to get along with.”The only thing Liona could do was to sigh deeply.

Omi and Liona went to an off-campus restaurant for dinner, but Xu Yan didn’t come after them again, Xu Yan was emotionally blank and had never been in a relationship, and now Omi wanted to break up with her, and she didn’t know what to do, so she had to call her sister for help.

Maybe Omi's eyes are indeed a bit high, but there's not even a single one of the five school flowers in Baiyun Middle School that he's been impressed by. It's just that Song Yu'er couldn't make Omi move, after all, the mind is too immature, but Simran and Liona also didn't make him move, which is just as well, but Xu Yan, and has the posture, martial arts high talent strong, in the entire Linjiang City, no man dares to say no to the heart, as a result, Omi still can't be moved.

Omi's vision was indeed too high. However, this can't be blamed on Omi's high vision, after all, Omi's childhood sweetheart's little sister, is indeed not an ordinary existence, so, causing now, Omi's eyes to become so high, ordinary women simply can't be moved. In addition, in Omi's previous life, as the number one young man in the world, among the girls who secretly fell in love with him, there were quite a few school flower level rivers and lakes beauties with high martial arts skills.

For example, the former master of the Zhu Castle, Zhu Wubian, whom Omi still had a strong impression of, chased Omi for three thousand kilometers with his daughter so that his flowery daughter could be Omi's concubine. Omi finally caught up with Omi, Omi saw that Zhu Wubian's daughter was indeed very beautiful, but her martial arts skills were just a little too poor, only 'peak inner door' realm, Omi at that time hehehehehehe. When Omi's younger sister found out, she ran out in a panic and rejected Zhu Wubian on Omi's behalf. After the rejection, Zhu Wubian's daughter went back in tears, and the incident was still vivid in his mind. The first time I saw it, it was the first time I saw it. The first website m. .net

So, having seen too much, now these school flowers are just ordinary in Omi's eyes, it's hard to make her move.

"Sister, what should I do, Omi is not joking with me, he really wants to break up with me."

Xu Mei Qian was very surprised to receive a call from her sister.

"That's impossible, with your beauty and your nearly level 25 martial arts level, even in the entire Linjiang City, no man would dare to say that he doesn't like you, I really can't understand, how can Omi, a mere student, have the courage to look down on you?" Xu Mei Qian said with a bit of fire.

In terms of heart, Xu Yan really looked at the entire Linjiang City no one dared to suspect.

“Sister, anyway, Omi just wanted to break up with me, he even said it in front of the whole class, he was broken up with on the first day, I’m so depressed.”

Xu Mei Qian angrily said, “This Omi, he’s really bold, owes to clean up, okay, Yan, I’ll help you get rid of Omi, anyway, no matter what Omi says to break up with you, you just don’t agree to it.”

“Good.”

Omi and Liona were eating, suddenly the phone rang, look, the number is 110.

Omi thought to himself, I don’t seem to have committed any crime, why is 110 looking for me.

Omi picked up, and there was Xu Mei Qian’s voice, “Omi.”

“Uh, Officer Xu, what is it?” Don Omi was puzzled.

“Omi, you’ve got a lot of nerve.”

“Officer Xu, I don’t understand what you mean, I don’t seem to have committed anything in the past few days, right?”

“Omi, come to my office at noon.” After saying that, Xu Mei Qian hung up.

Liona was busy asking, “What’s wrong? What does Xu Mei Qian want with you?”

“I don’t know, maybe I broke some law again, but she told me to go to the police department myself.”

“Ah.”

After lunch, Omi let Liona go back to school first, and Omi drove to the Public Security Bureau.

Naturally, Omi was able to find Xu Mei Qian’s office.

At this time in Xu Mei Qian’s office, Xu Yan was also there.

Xu Mei Qian said, “He should be here soon, when he comes, see how I’ll teach him a lesson.”

Xu Yan was busy saying, “Sister, you don’t have to beat him either, just teach him a little lesson, so that he won’t dare to break up with me again, just be honest and fall in love with me.”

Xu Mei Qian smiled, “What? It’s not even officially together yet, and you’re starting to feel bad.”

“Sister.” Xu Yan blushed and gave Xu Mei Qian an embarrassed glance.

Soon after, a policeman said outside, “Team Xu, someone is looking for you.”

Xu Mei Qian shouted, “Let him in.”

And Xu Yan, immediately hid behind the cupboard.

Omi walked into Xu Mei Qian’s office and saw Xu Mei Qian sitting in her office chair, seemingly alone, but Omi noticed right away that there was someone hiding behind the cupboard.

“Close the door.”

Omi closed the door.

“Officer Xu, what did you call me here for?”

Xu Mei Qian asked, “Omi, I heard you’re serious about breaking up with my sister?”

Omi nodded, “Yes, I told you long ago, I’m serious, you’re the one who’s blindly analyzing some psychology there, huh?”

Xu Mei Qian slapped the table and questioned, “Omi, why do you want to break up with my sister?”

“Captain Xu, when did the police care about the feelings of men and women.”

“I am now in charge as Sister Xu Yan, my sister, you have seen her beauty, you also know her martial arts strength and talent, the entire Bai Yun High School, can you find another person so outstanding? Even in Linjiang City, a man with a martial arts rank of forty or fifty wouldn’t dare to say he doesn’t like my sister, what makes you so sure?”

257

“Uh.”

“Omi, do you mean to think that my sister is really so self-involved that she’s dying to be your girlfriend? You’re the only man in the world?”

"I didn't think so."

"Then what do you mean?"

"It doesn't mean anything, Xu Yan she's nice, pretty, and has a good figure, and her martial arts skills are still sloppy."

Xu Mei Qian's eyebrows rose, "You actually said that my sister's martial arts skills are perfunctory, although she's really not as perfunctory as you, but she's not as perfunctory as you say. Omi, you're taking yourself too seriously."

Omi said, "Since that's the case, a peaceful breakup is fine, you have to make it so unpleasant."

"Omi, you're not the only man in the world, it's not a problem that can be solved by a breakup. The point is, you agreed to be my sister's boyfriend in public, but it's only half a day and you want to break up, what do you take my sister for? Shake it off, eh? Make the students at school think you're cool, right? If you don't like my sister, no one forced you to agree to be my sister's boyfriend, but you agreed, and then broke up right away, you are trampling on my sister's dignity, is there anyone like you in the world? Why say yes in public if you don't like it, you're having fun playing my sister."

Omi had nothing to say for a moment.

"Speak up, Omi."

Omi helplessly said, "I didn't refuse at that time because I was afraid that the scene was so big, refusing in public would make Xu Yan unable to get off the stage, I'll explain to Xu Yan afterwards." Remember the website . . .net

“But others won’t think so, other students only know that you accepted my sister’s pursuit in public.”

Omi nodded, “Well, I’m not well-considered in this matter after all, so what do you want to do.”

“I don’t know, you can do whatever you want, in short, don’t let my sister suffer any half-hearted grievances, or you will never be forgiven.”

Omi said, “In that case, let’s not break up for the time being, and then when the time is almost right, we can find an excuse, let’s say that our personalities don’t match, and then we can talk about breaking up again, what do you think?”

Xu Mei Qian wanted to refuse, because it made her sister look as if no one wanted her.

However, Xu Yan was busy coming out from behind the cupboard and said, “Okay.”

Xu Mei Qian sighed and said in her heart, “This girl, her mouth says that I suggested it to you, but in fact, you don’t know how much you like Omi in your heart, it’s just that, since it’s your own willingness, I won’t say anything.”

Omi looked at Xu Yan and nodded his head.

Xu Yan asked, “Then before you break up with me, you can’t be indifferent to me, you must act like a boyfriend.”

Omi nodded, “Okay, but I must remind you that I am not smitten with you, when the time is almost right, we will officially break up.”

“How long are you talking about the timing?”

"I don't know, we'll see." Omi sighed.

"Alright, then you go out first and wait for me at the entrance of the Public Security Bureau, I haven't eaten yet, you have to accompany me to dinner."

Omi walked out of Xu Mei Qian's office.

After Omi left, Xu Mei Qian was busy, "Yan, why do you have to aggravate yourself so much, Omi obviously just doesn't like the way you look, why bother, if you want me to say that he wants to break up, just break up, find a better one than him, see if Omi still dares to be so discerning."

"Sister, since he's willing to not break up first, then let's not break up, it's fine to be together even if it's for a few months ah

."

Xu Mei Qian was furious, "This Omi, doesn't even look down on my sister, it really pisses me off, how about this, Yan, you talk to him first, I'll help you see if there's anyone better than Omi, at that time, I'll bring the better boy to Omi and let the other guy beat Omi down in public, then you'll propose to break up with Omi in front of him, and then you'll be with that better boy in front of him! Let's see if Omi still dares to act as if he doesn't like you."

This is a great move by Xu Mei Qian, not only to beat down Omi to his face, but also to make Xu Yan break up with Omi to his face, and to be with a boy who is better than Omi to his face, is this to make Omi vomit blood?

Xu Yan frowned, "Sister, would this be too cruel, or should we just don't, what if Omi is very sad." Xu Yan's heart was still oriented towards Omi, who really liked Omi.

Xu Mei Qian glared, "People are breaking up with you, and you're still talking towards him."

"Which I didn't, people just think, what if Omi can't take the shock anymore and jumps to his death."

"Come on, he with such a high heart would jump off a building, okay, I'm in charge of this matter, Omi dares to have such a high vision, I'll make sure he doesn't realize he's actually a slinger if I don't give him something to look at."

"Oh." Xu Yan didn't say anything, just oh, inside Xu Yan didn't want to hurt Omi, and she didn't want to break up with Omi either. She didn't blame Omi for wanting to break up with her, as there was no emotional foundation between them in the first place, and it was normal for Omi to dislike her.

"Sis, I'll leave first then, Omi is still waiting for me outside." Xu Yan said.

Xu Mei Qian nodded, then instructed, "Remember ah, don't hold hands with him, and don't even kiss him."

"Good."

Omi was waiting at the gate of the Public Security Bureau, Omi was really helpless, when he promised to be Xu Yan's boyfriend in the morning, he didn't consider it so well, he promised people and then broke up with them all of a sudden, it was indeed a bit of a trick. The first thing that Omi could do was to maintain a boyfriend/girlfriend relationship with Xu Yan, and wait for a few months when the time was almost right, and then post it on campus, saying that the personalities didn't get along and they broke up peacefully, so that the whole school wouldn't think that they were playing a trick on Xu Yan.

Omi's current situation is unlikely to have a real relationship with Xu Yan, which is also unfair to Xu Yan, because Omi's heart obviously can't accommodate another woman. Of course, it wasn't that Omi despised women weaker than her senior sister, Omi wouldn't be so high and mighty, it was just that the relationship with her senior sister since childhood wasn't something that could be let go. Moreover, Omi's future in this world was unknown even to him, maybe after a year and a half, he would leave here

completely, or maybe after a few decades, he would return to his hometown, and the people here, whether it was Liona, or Liu Chenming, or Xu Mei Qian, would all be parted forever.

Just as Omi was thinking to himself, Xu Yan came out quickly, looking at Xu Yan's face, she seemed very happy.

"Omi, I've kept you waiting." Xu Yan smiled.

"Oh, it's fine."

"I haven't eaten yet, have you eaten?" Xu Yan asked.

"Well, eat."

"Then you go to dinner with me, since you're my boyfriend now, it's a must to accompany your girlfriend to dinner, right?" Xu Yan said.

Omi shook his head in confusion, "I don't know, you look at it, what I should do, I will fulfill."

Xu Yan nodded happily and immediately held Omi's hand, saying, "There's a hotel over there in front, let's go there for dinner."

258

Omi was holding Xu Yan's hand, feeling very awkward, but he did what he said he would do, and didn't shake off Xu Yan's hand again, helplessly letting Xu Yan hold it all the time, only, being held by a girl, Omi felt a little uncomfortable.

And at this moment, upstairs in the Public Security Bureau, Xu Mei Qian stood in front of the window, stomping her foot: "This girl, took my words as a whisper, all told her, do not hold hands with Omi, she actually took the initiative to hold Omi's hand." Xu Mei Qian was also helpless, but it was normal for a boyfriend and girlfriend to hold hands, so she didn't call Xu Yan to say anything again.

Omi was holding hands with Xu Yan, came to the hotel, Xu Yan mood beautiful, ordered many dishes, Omi said, "I'm full, you eat alone, don't order so many."

"We have to eat together ah, boyfriends are supposed to eat with their girlfriends." Xu Yan said.

"Then let's eat some more." Omi didn't refuse, he didn't know if a boyfriend really had to eat with his girlfriend, if that was the case, it was too boring to be a boyfriend. After a few months of simmering, let's share it quickly.

When Xu Yan ate, a few people came down from downstairs, one of them saw Omi in the hall and came over in confusion.

"Omi, why are you here?"

"Uncle Willow, what are you doing here?"

One of the people who came down was Liu Chenming.

Liu Chenming said, "I'm inviting some clients to lunch today, you're here, didn't Xiang'er come out to eat with you?"

Omi was a little embarrassed to be a lady's bodyguard and come out to dinner himself. A second to remember to read the book

At that moment, Xu Yan stood up and pulled Omi's arm and smiled, "Omi, who is this uncle?"

Omi said helplessly, "He's our lady's father, Willow Chenming, Uncle Willow."

"Hello, Uncle Willow." Xu Yan was busy shouting Uncle Liu after Omi.

Liu Chenming smiled, "Omi, she is?"

Omi hesitated, but still introduced, "Uncle Liu, she's my girlfriend, Xu Yan, and she's Xu Mei Qian's sister."

"Ah." Liu Chenming was shocked, last night Xu Mei Qian invited Omi to dinner, Omi told her about it when she came home, didn't Omi say no? However, Willow Chenming didn't say anything at the moment and smiled, "Then you guys eat, I'll take a few clients back to the office."

"Okay, Uncle Liu, take care."

Liu Chenming and a few clients left.

After Xu Yan finished her meal, Omi and her prepared to go back to school.

Xu Yan didn't want to drive and wanted Omi to pick her up and drop her off every day, but Omi directly refused and got an inch.

With an aggrieved pout, Xu Yan had to drive her car, which was a very small mini.

After arriving at the school, Xu Yan continued to hold Omi's hand.

Xu Yan said, "Usually boyfriends, they would send their girlfriends to her class before returning to their own classes."

"Oh." Omi was indifferent, so let's send Xu Yan to her class first.

Xu Yan was so happy that she got her wish and went to her class holding hands.

Omi sent Xu Yan to her class before Omi went back to his own class 32.

Omi felt no energy ah, when the boyfriend has to be so tired, listen to Xu Yan said, if you go shopping, but also to the girlfriend to get things, this is simply when the hard labor.

In fact, the reason why Omi will be so tired, the main reason is that he does not have love for Xu Yan, if Xu Yan into his little sister, Omi to wash her feet are felt to be a gift.

When Omi and Xu Yan were just passing by the door of one of the classes holding hands, there was one person who saw it, Simran.

The first time I saw Omi and Xu Yan walking hand in hand through the corridor outside her class, I was so lost.

The first thing you need to do is to take a look at the watch you've bought for Omi, but I'm afraid you can't give it away.

Unconsciously, a tear, falling on the desk, Simran looked at the watch she was holding in her hand, her heart was sore.

Simran feels that her condition is far inferior to Liona, what makes her like people, so she chooses to treasure it.

On campus, there are overwhelmingly posts of Omi and Xu Yan, with many people exploding, seeing Omi and Xu Yan walking into campus holding hands, Omi also thoughtfully sending Xu Yan back to class.

After Liona saw the posts on campus, she didn't question Omi as to why she lied to her at noon and broke up with Xu Yan, and ended up being so close together.

The entire afternoon, Liona was listless, want to cry, can not cry.

In the evening, after school, Xu Yan came to Omi as soon as she got out of class, to hold Omi's hand and walk out of the parking lot outside the school.

Omi reluctantly let her hold it, Liona walking alone, not looking at Omi.

Omi knew that the lady must be angry.

It was not easy to come to the school entrance, Liona went directly to take the bus, and even did not take Omi's car.

Omi hurriedly went up and shouted, "Miss, why don't you take the bus if you have a special car."

"Don't want to take it." Liona said with a face like death.

Omi forcefully pulled Liona into his BMW, and when he got in, Liona didn't say anything.

"Miss, I can't help it."

"What's there to explain to me, I'm not who you are." Liona was cold.

"Oh, you are thinking that I cheated on you at noon, aren't you? I'm not lying to you, Xu Yan is always pestering me, I also don't like it, but I can't help it, since I promised Xu Yan, I can't break up with her so soon, what would the other students think, they would think I'm playing with her, I can only maintain this relationship with Xu Yan for a few months. After a few months, I'll definitely break up with her."

"I don't want to hear it anymore, there's no truth in your mouth already." Liona pursed her lips and said, but she was finally a little happier after hearing Omi explain.

"Oh? Am I such a person in your eyes that falling in love with Xu Yan would be torment for me as well. But it's true that I lacked consideration in the morning, that's why I moved a stone to smash my own feet, but no matter what, I have to take responsibility for what I've done, and torment for a few months. Don't worry, the months will pass soon." Omi said.

Liona asked, "Then tell me honestly, do you like Xu Yan in your heart?"

"Xu Yan is very good, very beautiful, a rare beauty, I can't lie to my conscience about that. However, I don't have any feelings for her, as I already said at noon, no one who makes my heart grow fonder has appeared yet, and I have no intention of starting a new relationship."

Liona asked again, "What about Xuan'er Li?"

Omi said, "I'm very good friends with Xuan'er, if you don't believe me, you can ask Xuan'er Li."

Liona Oh, her heart said, "Silly, Simran doesn't want to be any good friends with you." But Liona didn't point out, because Omi didn't know that she was also crushing on him. Omi wasn't interested in anyone else, so naturally he wouldn't pay attention to whether someone else would be interested in him, Omi's whole heart was his senior sister, and he had already blocked everything out.

259

Liona gets Omi's explanation and her mood gets better, and Liona tells herself that Omi is in love with Xu Yan and has no choice but to do so, and then, they go home happily.

When Omi returned home, Xu Yan immediately called.

"Omi, are you home yet?"

"Here we are."

"Do you want to have dinner together tonight." Xu Yan said.

Omi frowned, "Then do you want to come over and live with me?"

"Ah." Xu Yan was stunned, Omi told her to go over and live together. Of course, what Omi said was the opposite.

"Xu Yan, there's no such thing as you, if you're going to stick to me like this all the time, I'll have to break up with you right away."

"Alright, alright."

Xu Yan sighed, she hated to be bored with Omi all the time.

The night went by without a word, and classes went on as usual the next day. First URL m. .net

In a few days, it will be New Year's Day, and on that day, the school will hold a talent competition and a New Year's Day Gala in the evening. The class of the New Year's evening performance program, are now in intense rehearsals, Liona went to school early in the morning and went straight to the dance studio, this time Liona did not call Omi to go, after all, time is running out, she can not just focus on Omi in front of show body, must be serious rehearsal dance.

Omi was sitting in class when suddenly a student in the front row passed a letter to him.

Confused, Omi opened the envelope, which read, "Omi, please meet me at the roof, there is something important to tell you, Liao Gayuan."

Omi was perplexed.

"Liao Jiayuan asked me to meet him on the roof."

Omi did not hesitate to walk out of the class, no matter what plot Liao Gayuan had in mind, Omi would not be able to let him get away with it.

After Omi arrived on the roof, he just walked out of the small door on the roof, suddenly, he was greeted by a handful of lime like powder spray, the powder diffusion space was too wide, no matter how much he dodged, he would inhale some powder.

However, Omi also did not dodge, because Omi knew right away what kind of powder it was, it was something similar to a soft muscle, this kind of stuff does not work on Omi at all.

“Damn it, Liao Jia Yuan asked me to come up, but he even used secret tricks on me.” Omi said in his heart.

But at this time, there was Su Yuhao’s laughter: “Come quite quickly, give me a fall, hahaha.”

Omi pretended to be captivated, and this Su Yuhao pretended to use Liao Jia Yuan’s name to ask him to the roof to see what he wanted.

After Omi ‘fainted’, Su Yuhao immediately ordered to his two followers, “Tie Omi up, he has now been charmed by my grandfather’s Infinite Soft Tendon, and has become a lamb to my slaughter. Hmph, what White Cloud High School’s number one expert, I pooh, is a joke in front of my grandfather’s Infinite Soft Tendons.”

“Good le.” The two followers immediately tied Omi up, Omi didn’t resist, just funny, this soft tendon dispersal was not good for others, but it was too small in front of Omi. Omi was just curious, where did Su Yuhao have the guts to take action against him.

At this moment, Liao Jiayuan was smoking in the corridor in front of his class while the class was in session, and the teacher didn’t dare to call Liao Jiayuan in for class.

At this time, a student handed Liao Gayuan a letter.

“Liao Jiayuan, I’ll see you on the roof, there’s something important to discuss with you, you come up here alone, Omi.”

Liao Jiayuan threw the cigarette butt away, and said in his heart: “What is Omi asking me to go to the top floor for? difficult

Do wants to hit me?No, Omi can hit me anytime he wants, so there's no need to ask me to go to the top floor."

Liao Jia Yuan immediately went up to the top floor to have a look.

Omi was now on the top floor pretending to be awake.

Omi deliberately shouted, "Who is it?Why did you tie me up?Oh, what's wrong with me?Why are you so weak?What have you done to me?"

"Hahaha."At this moment, there were three people laughing, it was Su Yuhao and his two sidekicks.

Omi looked towards Su Yuhao and asked, "It's you, what did you do to me?Why don't I have any strength at all."

Su Yuhao snorted proudly, "Omi, aren't you the number one expert at Baiyun High School?You bastard, now you give me a couple of bounces to try."

"Su Yuhao, you're despicable and shameless, have the guts to fight me openly and honestly."Omi said.

Su Yuhao laughed, "Idiot, who's dueling with you, Omi, openly I can't beat you, but playing Yin, huh, I'll Yin you to death."

Omi pretended to be struggling.

Su Yuhao grunted, "Don't struggle, you've been hit by my Wuji Soft Tendon, you're weak all over, you can't escape."

Omi really didn't want to tell him, I don't even dare to struggle hard, I'm afraid I'll accidentally snap the rope.

"Su Yuhao, you're despicable."

"Omi, I'll let you know that there are even more despicable ones waiting behind you."

Omi asked, "I don't seem to have offended you, why are you dealing with me for no reason?"

Su Yuhao said angrily, "Omi, although that day was indeed me teasing you in the first place, and it's not too much to ask that you hit me, but the fault is that you shouldn't have kicked the table downstairs and just happened to splash Liao Jiayuan who was passing by, originally I had no grudge against Liao Jiayuan, just because of your kick, it made me and Liao Jiayuan form a deep hatred."

Omi was speechless, it could also be blamed on him, how did Omi know that Liao Jia Yuan just happened to pass by downstairs.

At this time, the third follower ran up from the corridor and said, "Su Shao, Liao Jiayuan is here."

Su Yuhao immediately ordered, "Quick, quick, get ready."

Then, Su Yuhao and the three followers ambushed the small door on the roof.

When Liao Jia Yuan stepped out of the small door, all of a sudden, something similar to a powder emitter held in the hands of Su Yuhao's three men shot at Liao Jia Yuan, the powder scattered in the air at once, there was no way to dodge it.

Liao Jia Yuan was dizzy on the spot and fell down.

“Hahaha.” Su Yuhao laughed loudly and asked his follower to tie up Liao Jia Yuan.

Omi watched all this in silence and wondered in his heart, so Su Yuhao had not only pussyfooted him, but also Liao Jia Yuan, how did Su Yuhao become so bold.

A few minutes later, Liao Jiayuan also woke up, he was exhausted, he didn't have Omi's skills.

Liao Jiayuan yelled, “What's wrong with me? Why don't you have any strength left.”

Su Yuhao snorted, “Liao Jia Yuan, look at who is tied up opposite you, even he has no strength, let alone you.”

Liao Jiayuan looked up, Omi was tied to the pillar opposite him, Liao Jiayuan wondered if it was a mistake, someone as awesome as Omi was actually tied up as well.

Liao Jiayuan raged, “Su Yuhao, it turns out that you lured me up here under the false name of Omi to do something underhanded to me.”

“Hahaha, hahaha.” Su Yuhao let out a hysterical laugh.

260

“Su Yuhao, I advise you to release me immediately, or I'll finish you off.”

“Pah.” Su Yuhao walked up and slapped Liao Jiayuan's face, Liao Jiayuan's face was green with anger and roared, “Su Yuhao, how dare you hit me Sealing God Swordsman.”

Omi was amused when he heard Liao Ga Yuan's words, what time is it, and he was still using the title of God-Feuding Swordsman to pretend to compare.

"Liao Jia Yuan, you know what you have done to me, today, I will let you also have a taste of inhumanity, and Omi, he is the culprit, he will also have a taste with you." Su Yuhao looked at Omi again.

Liao Jia Yuan shuddered for a moment.

Omi asked, "Wait a minute, what exactly happened? Why can't I understand?"

Su Yuhao walked up to Omi and snorted, "Do you want to know yes? Well, let me tell you then, the day Liao Jia Yuan dragged me to the toilet, he made me eat shit."

"What." Omi was shocked, oh my god, no wonder Su Yuhao turned so angry.

Omi said to Liao Jiayuan, "Liao Jiayuan, you're going a bit too far."

"Omi, what kind of goodness are you pretending to have, you tricked me into taking the aphrodisiac and made me strong Zhao Ritian, why don't you say that you're overdoing it yourself." Liao Jia Yuan raged.

"Ugh." Omi was stunned and cursed in his heart, "Damn it, Liao Jia Yuan actually put the blame on my head for strengthening Zhao Ritian. Song Yu'er, you did the good deed yourself and let me take the blame for you." Remember the website . . .net

However, Omi didn't argue, because Omi was only guessing that Song Yu'er had done it, and Omi had no proof that Song Yu'er had done it.

In short, Omi found that he had gotten involved in the feud of many students at Baiyun High School, it was so damn helpless.

“Su Yuhao, release me immediately, do you hear me?” Liao Jia Yuan yelled in anger.

Su Yuhao sneered: “Liao Jia Yuan, you don’t need to threaten me, it’s useless, today I’m going to give you a taste of that.”

Liao Jia Yuan shouted, “Su Yuhao, what the hell, what’s up with you counting on me for your eating Shang the day before yesterday, I’m the victim. This was originally a grudge between you and Omi, I was plainly implicated by you for no reason, you’re fucking sick in the head.” Liao Jia Yuan was furious, he felt that he was the victim because it was Su Yuhao who teased Omi that day, he was just passing by downstairs and ended up getting splashed all over for no reason, and now Su Yuhao was taking revenge on him.

Su Yuhao huffed, “Don’t talk to me about this, it’s useless for you to say anything today anyway, you yourself passed by downstairs and got splashed all over by Omi, go get revenge on Omi, why are you looking for me, it’s not like I kicked the table downstairs.”

“Fuck you, if you hadn’t teased Don Omi and poured a bucket of shit in Don Omi’s drawer, would Don Omi have kicked the table down? It’s all your own fault, heck, Su Yuhao, I advise you not to mess with me, you can’t afford to mess with me.” Liao Jia Yuan gritted his teeth in warning.

“Hmph, Liao Jia Yuan, don’t think that your father is some kind of third hall master, you can’t threaten me, do you know why you’re weak all over? That’s right, you’ve been hit by my Infinite Soft Tendon Dispersion, which is unique to my Su Family. Even Omi, the number one martial arts school, was broken in my hands, who the hell are you.”

Liao Jia Yuan said in anger: “Su Yuhao, there is an injustice, you want revenge, look for Omi.”

Su Yuhao snorted, "Isn't Omi already tied up here, don't worry, he will have a taste of inhumanity with you. With Omi, the number one martial artist, accompanying you, Liao Jia Yuan, you have enough face."

"You dare." Liao Jia Yuan was furious.

Trembling.

Omi finally understood this complicated relationship of enmity, Omi was no longer able to spit out, so he could only watch how things developed.

At that moment, Su Yuhao ordered, "Bring out the bucket."

"Yes." One of the followers, went to the corner of the roof and pulled out a bucket amidst a pile of scrap metal, what was in the bucket was already self-evident.

Liao Jia Yuan tensed up, he was so weak now that he couldn't stop being nervous.

Omi shouted, "Hey, hey, hey, Su Yuhao, you'll only knot everyone's hatred deeper and deeper like this, why don't you let Liao Gayuan set up a table for ten or eight."

Liao Jiayuan immediately roared, "Why should I set it, if I want to set it, it's also you, Omi, who will set it."

Su Yuhao snorted, "I can't eat shit for nothing, so I'm going to let you both eat today."

"Fuck you Su Yuhao, do you believe I'll cut you?" Liao Jia Yuan was furious, it was fine for Omi to step on him, who let Omi be really good at martial arts, but what was Su Yuhao.

At this time, one of the followers asked, “Su Shao, Omi and Liao Jiayuan, who will eat first?”

Liao Jiayuan was nervous, busy shouting: “Nonsense, of course it was Omi first, Omi is the culprit, I was just innocently involved.”

Omi shouted: “Liao Jia Yuan, you’re wrong, I didn’t know what was happening until just now, the reason why it’s like this today, it’s all because of you, if you didn’t drag Su Yuhao to the toilet the day before yesterday, would this happen today, must Liao Jia Yuan first.”

The follower asked, “Su, who’s first?”

Liao Jia Yuan was full of anxiety, if Omi went first, he could at least buy some time and maybe even break free of the rope.

“Omi first.” Liao Gayuan yelled.

Omi also shouted, “Liao Gayuan first, please, please let Liao Gayuan go first.”

Su Yuhao huffed, “Don’t fight, it’s not you guys who decide who goes first, it’s me who decides.”

Su Yuhao looked at Omi and then at Liao Jiayuan, then said, “Liao Jiayuan looks rather anxious, then let Liao Jiayuan eat first.”

“Yes, Su Shao.” A few followers nodded.

Liao Jia Yuan said urgently, “Su Yuhao, I’m warning you one last time, don’t you dare try.”

However, Su Yuhao immediately put on his gloves and did it himself.

“Ahhhh.”The next few minutes later, Liao Jia Yuan was implemented something inhumane.

Omi didn't dare to look and turned his head to the other side.

About five minutes later, Su Yuhao and a few of his followers walked up to Omi.

Su Yuhao said, “Omi, it's your turn.”

Omi looked at Liao Jiayuan who was tied on the opposite side, at the moment Liao Jiayuan's face was ashen, if he had been in the past when he was in the limelight, he wouldn't have believed that this would happen to him today no matter what.

When Liao Jiayuan saw Omi looking at him, he was furious and roared, “Omi, what are you looking at, it will be your turn soon, look at your sister.”

Omi said to Su Yuhao, “Brother Su, can you give me some face and let me go.”

Before Su Yuhao opened his mouth, Liao Jiayuan sneered, “Let you go?Ask me if I'll agree first, Su Yuhao, what the fuck are you standing there for, don't let Omi eat it yet.”
