Chapter 322: Star elder sister

Qin Yu didn't know the act of buying gold bars by himself.

Bring such a big touch to someone.

It made him toss and turn and couldn't sleep peacefully!

Now, his mind is all on the lazy cat performance in the afternoon.

The girl fan Rolls-Royce was dispatched, and Yu Ge personally acted as a part-time driver.

His camera equipment is on the co-pilot!

The full set of lenses is placed under the seat, just to record the beautiful moments of the lazy cat.

On the back seat, Lazy Cat had changed into dance clothes, and the long down jacket wrapped around it was dragged under his knees.

She wrapped her tightly to ensure that she would not be blown by the cold wind.

The weather is getting more and more unfriendly now, and the cold sea breeze blows on him, like a cold blade.

Shaved cheeks hurt!

In one direction, Qin Yu was about to park the car into position.

Cang Dang!

The side door was hit by someone. It was a nanny car.

"Qin Yu." Lazy Cat pulled the handrail nervously.

Qin Yu comforted: "It's okay, I'll deal with it!"

With a smile, Qin Yu opened the door and got out of the car, letting the lazy cat relax.

The driver in the babysitter's car on the opposite side also got off, looking straight to the scratch with a tangled expression.

Seeing Qin Yu, the other party quickly bowed and apologized: "I'm sorry, but I didn't pay attention. We will be responsible for the compensation."

Seeing that the other party is also a young man with such a good attitude, Qin Yu didn't embarrass him either.

"In this way, you leave a phone call and come back firmly and let's talk again!"

Qin Yu felt that the other party was a sincere person and wouldn't want to run away.

If you guess wrong, just take it as a mistake and buy a lesson!

If not, that is a good thing.

Maybe you can still have more friends, which is great.

"You wait." The other party ran into the car and soon took out a business card.

Lingling, senior assistant.

Below are the phones and companies, which are well-known in the world.

Which star is on it?

The curious thoughts flashed past, Qin Yu put away the business card and asked him to put the car back first.

Pulling the distance away, the scratches are not very serious!

But if you want to repair it, you must repack it as a whole.

The two parties took pictures and stopped to work.

When Qin Yu parked the car, the babysitter next door got in and got out of the car, which was also wrapped in a down jacket.

Wearing sunglasses and a hat, he walked quickly to the graceful posture of the performing arts hall.

"That person... is so familiar." Qin Yu got on the car and told him that he was a star, and the lazy cat kept staring at the car door.

I want to see if it's a senior, the senior sister is back.

This will see the other side's side face and back, I always feel a little familiar!

Qin Yu parked the car and walked around the front of the car to open the door for her. While packing the camera equipment, Qin Yu smiled and asked, "Why, your senior sister?"

Although the wrap is tight enough, men and women can still see it.

Lazy cat nodded and said: "It should be, it looks familiar!"

Seeing her standing still thinking, Qin Yu pulled her to the direction where the other party was leaving: "Let's go, waiting for you to put on makeup!"

Soon, the intense preparations and rehearsals made Lazy Cat forget about it.

After shrinking and converging on the stage to warm up twice, Shen Bing let them go to rest after confirming that the state was okay.

The next step is to maintain the best condition and prepare to debut!

At 4:35 pm, the performance officially began.

One man and one woman and two supporters are senior seniors who are about to graduate. Standing together is a bit of husband and wife.

It caused a lot of topics and talked about bringing people into the event.

The first appearance is the individual cello performance, as the opening show, the other party's performance is perfect.

The 88-point beauty, gentle temperament, is even more radiant when playing the violin.

"Okay, wow!" As soon as the performance was over, the werewolf below stood up and applauded.

One is more excited than the other, as if seeing his own wife.

A few have named their children in their hearts!

"Thank you Luo Qin for his wonderful performance. This year, Luo Qin has performed with the Shanghai Opera Symphony Orchestra several times."

"The farthest one was in Los Angeles, the Bald Eagles. The performance achieved extraordinary results and won the love of audiences at home and abroad..."

"After graduation, Luo Qin will officially join the Shanghai Opera Symphony Orchestra. Let us congratulate her on her bright future and a bullish future."

At the end of the introduction, the following wolves were whistles again and chanted 'Niu Bian' again.

The atmosphere is particularly relaxed, completely ignoring the school leaders in the front row.

The Shanghai Opera event is exactly like a spontaneous carnival held by the students.

The host is also humorous and witty, and will soon lead to the second show!

Skit, "Inner Beauty".

A line of very good ironic skits, the content is laughable at first glance.

Soon, it makes people think deeply. Is inner beauty really more important than outer beauty?

Especially in this age when everyone looks at their faces, how can only people with inner beauty survive?

In the end, the protagonist who reaps the inner beauty and the outer beauty heads for happiness!

Although it is a little fairy tale, it is really wonderful.

When the performance was over, Qin Yu discovered that there seemed to be many directors sitting in the front row, whispering to the school leaders beside him.

You know from the smiling face of the other person, it must be good news!

"Brother Yu, Brother Yu..." Yan Er and Shen Dong rushed over.

Seeing the two sweating on their heads, Qin Yu said amused: "Why is it so late?"

Yan Er immediately complained: "You ask Dongzi, I didn't sleep all night in excitement, and I got up late, so I cleaned up for another four hours."

"Facial treatment, washing, cutting, blowing and makeup." Yan Er's expression was almost vomiting, I have never seen such ink stains.

Hearing what he said, Shen Dong immediately retorted: "Second brother, without this, who bought more than 5,000 products at the end of the care?"

"Brother Yu, don't you know, I bought more than 3,000 glossy masks, you..."

Shen Dong who wanted to talk more was dragged out by Yan Er covering his mouth.

I didn't watch the news on the stage, so long and long, it's important to watch the show.

"Student Qin." The student union member who was in charge of arranging the event waved his hand: "Student Qin, did the filming change go well?"

Qin Yu held the camera and said with a gentle smile: "Well, it went well."

"That's good, thank you for your hard work, Qin, let's talk again after the event."

The other party waved his hand and ran away. He had to go and see how other places were and if he needed help.

In addition, we have to arrange a thank-you banquet in the evening!

The performers are on stage, and the workers behind the scenes are unknown, doing all the logistics work.

Without the scenery and applause, at least you have to take care of the meal!

The performance went smoothly, and nothing went wrong from beginning to end.

As the hour hand turns to 22 o'clock, the event is coming to an end...

"Brother Yu." Yan Er beckoned to call him to his side, curiously asked: "Which is the show of the sister-in-law?"

"The finale is coming soon!" Qin Yu remembered that Lazy Cat told himself, it was probably this time.

As soon as I finished talking here, the phone rang again.

Li Wanxing called, and the three of them were sitting close to the front row.

I was looking for Qin Yu all night, but didn't see him.

Shouldn't the photographer go forward?

"I took a good shot at the back, and waited for the lazy cat to come out before going up."

Looking up, the sky went dark, and the stage was full of black human heads, and there was nothing to see!

As the host was talking, the host began to report: "Next, we invite the Shanghai Opera Dance Troupe to perform for everyone, Dunhuang Feitian!"

Chapter 323: Dunhuang Feitian

The lights went out completely.

You can see that there are several shadows on the stage, which are pushed to the center of the stage as if being fixed.

As the music sounded, a soft halo shone in the air.

The figure of the lazy cat suddenly flew from the sky.

Long sleeves are good at dancing.

There is a beautiful person, from heaven.

Yan Ruwan Yan has eyebrows like distant mountains.

Quiet as Qiulan, the view is picturesque.

Move like a spring swallow, just like flying.

Lan Yue, who hangs Wia, is like a fairy in the sky, out of the dust!

The figure gradually fell from left to right as it flew, with a frown and a smile!

In the end, Lan Yue landed in the dark shadow in the center of the stage.

Slap~

The searchlight lights up the stage, and the frozen shadow is instantly resurrected.

On the small disc stage, Lan Yue bloomed with her own bright moments.

Kaka~

Qin Yu's figure appeared in front of the stage, and only Lan Yue could be seen through the lens.

Her every move, every change in her smile, and her dance.

Only recorded in the camera.

Through the lens, you seem to be able to see a vivid fairy, leaping and dancing for the one you love.

The scene was silent, and Qin Yu heard Lan Yue's name as he passed the front row.

"Head Han, this girl is the most potential student in our school, the ace dancer...no exaggeration, I think it's completely qualified!"

"It's not bad." The middle-aged man, known as the head of Han, squinted, and the gaze at Lan Yue made Qin Yu very uncomfortable.

"If you think it's good, I will ask her to go to your group to try it later. Our Hudu talents should stay in Hudu."

"Well, that's not bad!"

The smile between the two is the kind of deep snicker that a man knows.

Qin Yu didn't say anything, just remembered the appearance of the two and the names they called each other.

When I get back to my senses, the dance is over!

Wow~

There was deafening applause, and there were two more figures beside Qin Yu, Li Wanxing and Jiang Xiaoshan.

"Yueyue is great..." Li Wanxing said excitedly.

Jiang Xiaoshan's expression was also flushed with eagerness, as if she was drunk.

In the backstage corner, Shen Bing's face flushed, and his eyes gazed at the exiting students with satisfaction.

They didn't let themselves down, they were all good.

Especially Lan Yue, her performance completely exceeded her previous training.

It can be said to present the best side of yourself and completely integrate yourself into the role.

Looking back at the excitement and affection when looking at the "world".

The sincerity and touch in the smile.

There is no disguise, it's all emotions from the heart!

Only when the dancers themselves are involved in the role can they drive the emotions of the audience and enter the world of dance.

In this regard, Lanyue has achieved nearly the ultimate today!

As for the world she is looking at...

Except for Qin Yu, who is busy in the audience, who else is there?

Thinking of him, Shen Bing's originally excited mood became dull and helpless.

For this boy, Shen Bing can only describe the word "monster".

He is like a woman's robbery, as long as he meets him, he can't avoid it anymore.

Even Shen Bing, who has changed his emotions, has a kind of inescapable escape, seemingly powerless and hesitating.

It felt like falling into an abyss, falling on a sticky web.

No matter how struggling, he will eventually become the prey of the cobweb master.

Or plaything...

Thinking of this, Shen Bing's eyes were inexplicably frustrated.

"Mr. Shen, we succeeded."

"Teacher, we succeeded."

"Yueyue did a great job, you don't know, even I was stunned when she appeared."

"Me too, it's so beautiful."

"It's not the same who said, it's like a fairy descending to the earth!"

"I heard that a lot of big people came today, as well as the head of the dance troupe. I am afraid that Yueyue has been targeted by some people."

"Yes, that's right, Yueyuefei Huang Tengda, don't forget us."

"We Yueyue must be the chief."

"Chief Lan, Chief Lan is good."

"Give your peace to Chief Lan."

"Give your peace to Chief Lan."

Seeing a group of girls chatting and teasing each other, Shen Bing also showed a rare smile: "Okay, go change clothes soon!"

"Go, go, Lan Yue, tell me how you did it just now, did you see it clear, hehe..."

"Shy, look, shy, haha..."

"I just saw it. The male **** took the camera and took pictures of us professionally below."

"We? I think it's just taking pictures of Lanyue, right?"

"Why? I'm jealous? Then if I were a man, I would definitely have to take pictures of her. I would take pictures of her clearly, hehe..."

"Then you can't wash it first, then add a uniform."

"Oh, little girl, your path is a bit wide!"

Looking at the girls going away, Shen Bing began to seriously think about how to make the Royal Dance Company realize Lan Yue's potential.

She was sent to the Royal Dance Company not only to fulfill her dreams and wishes.

There is another important reason!

That is, Shen Bing believes that she has this potential and should not waste her potential and young life.

In fact, when Qin Yu first appeared.

Shen Bing was particularly worried that he would have a negative impact on Lan Yue, causing her to give up her dream and be a canary obediently.

That's why she is hostile to Qin Yu and wants him to retreat when he is in trouble!

Over time, Shen Bing discovered that he did not prevent Lan Yue from pursuing the freedom of dance dreams.

To be correct, not only did not stop, but fully supported her dream.

This is the first time Shen Bing has a different impression of him.

My heart no longer resists his appearance, 'perhaps he is there, it can arouse the desire to win in the girl Lan's heart!

In fact, just as she thought, Lan Yue's performance was getting better and better.

Especially in terms of emotional expression and devotion, it is becoming more and more satisfying.

However, while being happy, Shen Bing also had some worries that he could not tell.

Ugh!

Secretly sighed, pulling emotions from trivial matters.

Shen Bing's brows furrowed tighter, the Royal Dance Company...

It's not a dream town there, but full of fierce competition and intrigue.

One carelessness, her own today is her future.

"No, she still has Qin Yu, she will definitely be fine." Shen Bing shook his head, letting the bad thoughts disappear in his mind.

However, before that, she still has something to explain clearly to the girl Lan.

One's own name is absolutely not to be mentioned, as for the reason!

Shen Bing still had some confidence in dealing with the girl Lan.

Just find a time alone and talk to her when Qin Yu is away.

Qin Yu, the monkey spirit guy, if he were there, it would definitely not be easy to fool him.

Maybe he will guess something...

Things have passed, and Shen Bing's life today is simple and happy.

I don't want to make any more waves, even if it is the fairness that I have hoped for, I don't want to mention it again!

For her, the biggest wish now is to see her daughter happy.

However, this seems to be related to Qin Yu...

'He has him for everything. The two most important wishes in life are linked to Qin Yu.

This made Shen Bing a little distressed, can't there be anything that has nothing to do with him?

"Mr. Shen." The call in his ears made Shen Bing frown unhappy when he was interrupted.

Seeing that the person here was the head of the department, Shen Bing resumed his cold attitude in the past: "Director!"

"Mr. Shen is very popular this time. We are so lucky to have a dancer like Mr. Shen in our school!"

The head of the department first flattered, and a hot flash in his eyes disappeared.

A glamorous and arrogant woman living alone, with a child.

Body, temperament and face are all first-class.

How can such a condition not make people tempted?

It's just that everyone who takes action has eaten cold nails.

It is clear that the one who wants to stalk is even more provoking the yamen's arrest and losing face.

This has stopped those who are eager for the suitors.

Besides, Shen Bing's identity has always been a mystery!

Back then, she was able to come to the Shanghai Opera was a call from a big figure in Shangdu.

Although I have never seen a person from Shangdu in these years, after all, with this mysterious background, anyone who knows does not dare to use any tricks.

There is nothing trivial, like this glamorous and glamorous young woman with a professional level of up to the national level, with a child alone.

Go to Hudu and live a life of rough tea and light rice.

No matter how you think about it, it's not easy. At that time, there were so many rumors about Shen Bing, one more amazing than the other.

So that for a while, seeing Shen Bing was like seeing a cat's mouse, hurriedly passing by with his tail sandwiched.

I just want to become transparent and disappear in place so I can't be seen by the other party.

Chapter 324: Such a big official prestige

"Mr. Shen, I'm here for classmate Lan Yue."

The memories in my mind flashed away, and the dean of the department smiled and said: "Our Hudu Dance Troupe's head Han is very fond of classmate Lan Yue."

"We asked her to go to the head of Han for an interview before the New Year. If there is no problem, Lan Yue can officially become a full member of the Hudu Dance Troupe."

Looking around, the dean of the department said in amazement: "By the way, where is Lan Yue? I should let her know the good news sooner."

"Director." Shen Bing interrupted his self-confidence, with a calm expression: "Girl Lan has decided to join the Royal Dance Company."

"Although it is a pity, please thank you, Head Han, there may be opportunities for cooperation in the future!"

Seeing her arrogant attitude, the face-swept dean looked embarrassed: "Mr. Shen, you know the requirements of the Royal Dance Company."

"I admit that Lan Yue is very good, but if you want to meet the standards of the Royal Dance Company, I'm afraid it's a little too close."

"Furthermore, the excellent dancers who want to join come from all over the country, and no matter how good they are, they may be eliminated."

"On the contrary, it is better to stay in the Hudu Dance Company for more development."

Seeing Shen Bing not saying a word, his eyes were thoughtful.

The head of the department thought she was persuaded by herself: "Don't worry, as long as she can join the Hudu Dance Troupe, Head Han will definitely take care of her."

"My woman won't bother others to take care of it."

Suddenly he was interrupted again, the dean turned his head angrily and saw a young and unfamiliar face: "Which department are you from?"

"The conversation between Teacher Shen and I is something that a student of you can casually talk in, and you don't understand the rules!"

Seeing the dean's great official power, Qin Yu couldn't help but smile: "I'm from the Finance Department, is there a problem?"

"A Department of Finance..." The head of the department looked startled. Does the Shanghai Opera have a Department of Finance?

Therefore, this boy is not from their school.

"Anyone from another school?" The department head frowned: "That's how the teacher in your school teaches you?"

"Teacher Shen, what year is this?" Qin Yu asked curiously when he came to Shen Bing's side.

Shen Bing said calmly: "2021."

"Oh~" Qin Yu nodded suddenly: "It's 2021. I thought it was back to the previous dynasty, and I want to be guilty of words."

Qin Yu patted her chest in fear, and murmured as if she had escaped from death: "Fortunately, fortunately."

Looking up and snickering, Qin Yu looked at the department head and said, "My lord, the previous dynasty is dead!"

The head of the department was so angry that Qiqiao made smoke. He said that he was a slave of the previous dynasty.

"You, which school do you come from." The dean of the department gasped and shouted, "Who is in charge of the show, and the students in the student union?"

Hearing the shouts, the mountain that had just rested quickly ran over.

It was the dean of the department, and he quickly smiled and said, "Director, I am Gaoshan, you have..."

"What's the situation of this person? Who allowed him to come in?" The dean of the department roared, spit star flying randomly: "Also, give me his information, I'm going to call and ask how this school teaches students. "

The mountain, sprayed with spit and stars, was so dizzy.

The head of this department ate a secret small burger...

This one is better than a septic tank, and the mountain is about to throw up.

"What's the director of this? I'm from Lixin Finance Department, Qin Yu."

Brother Yu smiled and said, "Should I tell you the number of the instructor, or I will have the number of our director."

Lixin?

The dean's expression is a little bit waxy, and the relationship between Lixin and Shanghai Opera is not very good.

In the last photography contest, the two schools had done it in a straightforward manner.

Finally, Lixin relies on its influence in the capital market.

He just snatched the spot from the Shanghai Opera, and a school that had nothing to do with photography took away the qualifications for the photography industry.

This is a shame for the Shanghai Opera!

Now, he was confronted by Lixin's students again. What is he going to do?

The head of the department was furious and decided to teach him a lesson!

Regardless of whether he is angry, he still has a bit of reason in his heart.

Regardless of Lixin's attitude, even if it is worthless to devalue Shanghai opera in front of students.

But he didn't believe that the director called himself, reprimanding a student for not knowing how to respect the teacher and asking them to discipline him.

Lixin will still scan his face in public?

For an ordinary student?

That's definitely not possible, so the dean of the telephone department can make the call very relieved.

If you change someone, it really is exactly what he thought!

Unfortunately, this time he was a little misguided.

When receiving the call, Shen Wanqian was chasing drama in the bedroom.

Found that it was an unfamiliar number, and asked indifferently: "Who?"

"Hello, I am Director Ma of the Shanghai Opera Performance Department."

The director of the Shanghai Opera, what's the matter if you call yourself a guide?

Although curious, Shen Wanqian would not take the initiative to scan the face.

Smiling politely, Shen Wanqian asked: "Hello Director Ma, what's the matter with you calling?"

Shen Wanqian should also be curious about what is wrong.

He should also call the school leader, or call the reception room.

Call yourself a counselor...

Is it related to which student is causing trouble?

"Ms. Shen, do you have a student named Qin Yu."

Hearing this familiar name, Shen Wanqian's eyelids rolled.

Yes, don't ask anything!

What did this young master do to wipe his **** by himself?

But the dean of the other party's department can't stand him as a little mentor!

"Yes, it's a student from our school... well, well..."

Hearing the other party's angry rebuke, the grieving accusation.

Shen Wanqian's expression became more and more weird, and his heart said: What kind of director is sick?

Just because he rebutted him, he didn't give him face.

Should students be punished, or Lixin students should be punished across schools.

It is best to be able to report to the whole school, do a review, and record it in the file.

Is this going to be killed directly with a stick?

Not to mention that the person is Qin Yu, the baby that the whole school leaders are paying attention to.

The gold master named the golden boy for 'special affairs, special affairs'!

That's just an ordinary student, and it's not like that.

If he is still a young teenager, Shen Wanqian will definitely jump his feet and ask him: "Who do you think you are? Do you think you are so prestigious and prestigious?"

Now the temperament is set, and the enthusiasm of the year is gone.

So, he just greeted twice, saying that this matter would be reported to the above.

As for how to deal with that is a matter of leadership.

However, when someone returns, he will definitely criticize him seriously.

Speaking of this, it has already given him enough face A smart person should just accept it when he sees it, and he should also hear Shen Wanqian's suggestion.

Don't bother you about Lixin, the director of Shanghai Opera, we have our own rules.

People, I will definitely teach you a lesson, this is enough to give you face, right?

What he didn't expect was that Director Ma was very dissatisfied and began to accuse others.

To put it bluntly, it is the presence of an instructor like him that will ruin the style of study and make the current students have no rules.

Hehe, I can do qnm...

Decisively pressed to hang up, Shen Wanqian threw the phone into the drawer.

Watching the drama with taste, no matter how it vibrates, it is only an illusion.

Chapter 325: You are poisonous~

Director Ma failed to play his prestige in the end, and left with a calm face.

However, this matter is not so easy to end!

It is not so easy to join the Royal Dance Company.

Director Ma wanted to see how Lan Yue joined the Royal Dance Company if he was stuck on the school floor.

As everyone knows, Qin Yu will not let him go even if he wants to go there.

For a poisonous person like this, you should give him a "You are poisonous"!

'Choose a target, use...'

Watching the card gradually become transparent and disappear in the line of sight.

Qin Yu is full of expectations for the coming days...

I believe that this year, Director Ma must have had a particularly fulfilling life.

"Qin Yu, why are you here?" The lazy cat who got dressed jumped on him excitedly, holding him as a sweet kiss.

"Cough cough~" Shen Bing seemed to feel a little uncomfortable in his heart, pretending to clear his throat inadvertently.

Remind them that they are still here!

Don't be too presumptuous...

"Mr. Shen." The lazy cat blushed and wanted to jump down when he heard the movement, but Qin Yu's big hands dragged the rear bridge.

As a result, he turned his head awkwardly and greeted Shen Bing.

That shy and cute appearance made Qin Yu want to hug her and rush at the scene!

"You two are enough, here is the backstage." Seeing Qin Yu's recklessness, Shen Bing reminded unhappy.

Even she herself hadn't noticed that the anger in her tone didn't just come from Qin Yu's presumptuous.

There is also jealousy mixed with complex emotions...

That is the deep emotion that Shen Bing has been evading, not daring to face it, and cannot bear it.

Xu Tian smiled sourly in her eyes and said, "Wow, do you want to be so intimate."

Li Mengmeng is also a familiar friend, "It's vomiting, this dog food is so full!"

Having not seen each other for a few days, Qin Yu found out that she seemed to have grown up a lot.

I don't know who I learned makeup from, and it looks more beautiful than before.

"I decided to lose weight tonight... I'm full." The unfamiliar girl smiled and nodded.

After being teased by friends, Lazy Cat's cheeks were red and hot.

Gently patted him on the shoulder, and said angrily: "Don't let me down yet."

Putting her down funny, Qin Yu didn't let her go.

Putting his arms on her shoulders, holding her in his arms just occupied her.

The expressions and actions show that this is my woman.

This overbearing display made other girls almost jealous with envy.

The handsome wolfdog is the most fascinating!

Especially Xu Tian, who has seen his figure, feels hot involuntarily every time he thinks of him.

Why is he not his own?

Xu Tian didn't know how many times it was the first time that she asked herself inwardly like this.

Unfortunately, all this is in vain!

Only recently, Xu Tian seems to have discovered some differences.

The little fairies in the fairy dormitory, except for the lazy cat.

Is the other girl too close to Qin Yu, especially Wen Yaxuan!

Is it too much when Qin Yu goes to her house for a meal?

Only Xu Tian knew about it more than a dozen times.

Every time it's a big bag, like a son-in-law who comes to see his mother-in-law.

Also, the eyes that they interact with and those little eyes...

"Tiantian, what do you think?" Li Mengmeng touched her and said curiously: "Qin Yu is asking if you want to eat supper!"

"Okay!" Xu Tian agreed without thinking.

Even if she knows that there is no chance, she is still willing to be closer to each other.

Even just being in the same room with him is a kind of happiness!

This pursuit of beauty is an instinctive yearning hidden deep in one's heart.

"You also go with me, I believe they all want to see you as the protagonist." Qin Yu tapped a finger on the lazy cat's chin, making her fascinated.

The longer I spend with Qin Yu, the more lazy cat has no self in front of him.

It's like every move is completely controlled by him, that kind of whole-hearted dependence and love are the purest and precious emotions in the world.

Because of this, Qin Yu loves her very much.

Take the initiative to hand over a building of Luheng Mountain House to her to take care of.

To be honest...

If one day the whole world betrayed Qin Yu.

He also firmly believed that the lazy cat would be the infatuated woman who followed him and never gave up.

Just like Overlord and Yu Ji, loyal to life and death!

...

At the hot pot restaurant on the backstreet of the school, Qin Yu walked into the restaurant with a few beautiful women.

Immediately attracted everyone's attention, "It is Lan Yue, a flying fairy from Dunhuang."

Someone screamed in surprise, their expressions were already excited!

I didn't expect to see Lan Yue here, yes, no one expected.

Gao Shan, who is in charge of the organization, hurriedly greeted him: "Student Qin, you still have a lot of face... sit inside."

"Senior, don't be polite, everyone, don't blame us for coming here."

Lazy Cat took Qin Yu's arm and said with a sweet smile: "Hello everyone, I'm Lan Yue."

Seeing her movements, everyone knew that this woman was in charge.

Hostile eyes glanced at Qin Yu, and everyone was wondering what he could do.

Can make my own goddess committed...

That's right!

After tonight, Lan Yue is already the goddess of dancing for the Hudu public.

On the campus network, a video about [Dunhuang Feitian].

The details of all members are marked on the homepage, which can be said to be the celebration.

[Dunhuang Feitian] is the biggest winner, and among them, the leading lazy cat is the most eye-catching.

Her performance is worthy of her status as a 'lead dancer'!

"Welcome, welcome, welcome to Lan Yue, please sit down!" Everyone gave up their seats and wanted her to sit at their own table.

Lazy Cat only looked at Qin Yu, waiting for his decision.

"Let's just sit here." Seeing the table at Gaoshan, there were all hard-working workers.

Qin Yu brought Lazy Cat, Li Wanxing, Jiang Xiaoshan, Wen Yaxuan, Xu Tian and Li Mengmeng...

Uh!!!

They seem to have reserved the table.

"Damn, trembling and cold!" Someone cursed in a low voice, "Why do women surround him?"

"Come on, who can make the family rich and powerful!" The friend next to him softly comforted: "The price of the fan labor is nearly ten million, what can you compare?"

"How can there be tens of millions of such exaggerations, can you be reliable!" The other party felt that the friend was too exaggerated.

"The landing price is 8 million yuan. Is it different from nearly 10 million yuan for your 2500 **** per month?"

The other party was speechless, eight million and ten million.

For **** like them, it really makes no difference...

These are astronomical figures that can never be paid.

Admired, why isn't Lao Tzu a rich man?

"Cut, it's not just relying on the home, what's so good about."

Hearing his naive complaint, my friend no longer wanted to persuade him.

Instead of complaining here when you have time, it is better to think about how to change the status quo.

One day, my children and grandchildren will be able to have such a beautiful day.

Become the envy of word of mouth in the eyes of others!

At this time, the happiest and most restrained.

It is the mountain that everyone envy...

The table originally prepared for the members of the student council was occupied by a group of Yingying Yanyan.

The key is that there are only two men at the table, oneself and Qin Yu.

Seeing that he is comfortable and able to cope with it...

Don't mention how envious Gao Shan is, his nervous forehead and palm are full of sweat.

Can't even say a complete sentence.

Can only sit on the table as a foil to make up the numbers, watching Qin Yu open his bow from left to right, killing all quarters!

I don't know when, inexplicably mentioning what figure is the most comfortable to sleep with, Xu Tian aimed at Qin Yu: "Qin Yu, how does it feel to sleep with your lazy cat every day?"

"Are you reluctant to let go, wishing to be lying on the bed like this?"

The other girls turned their eyes to Qin Yu at the same time, all wanting to hear his answer.

Only Xu Tian was looking at each girl's expressions, body movements and gazes at this time.

"That's not true. The main reason is that the lazy cat is weak. I'm afraid she can't stand it."

The blatant answer caused the girls on the scene to whisper to themselves, "Not serious!"

The expressions of Li Wanxing, Jiang Xiaoshan and Wen Yaxuan were particularly calm.

It seems that I don't care about it at all!

But the more so, the more Xu Tian felt that they were hiding something. Unfortunately, the topic was quickly turned off.

Xu Tian could only sigh secretly in her heart because she missed the opportunity for her plan to try again.

Then suddenly he froze: "Even if you know the truth, what does it have to do with yourself?"

"Do you want to join them too?" Xu Tian was taken aback by the thought.

She is just an ordinary girl, compared to Lan Yue and others, it is correct to say so.

Therefore, her cognition and three views are also normal and ordinary.

Serving with others...

Will mother break her leg? ? ?

Chapter 326: Abrupt figure

Xu Tian thought carefully and was not discovered.

Except lazy cat...

Sitting next to Qin Yu, she could feel the light from the corner of her eye from time to time.

Except for Xu Tian from that angle, there is nothing but to eat.

Cute with pricked up ears!

Even with the temperament of a lazy cat, I can't help but complain at this moment: "You are like the poisonous apple in the Garden of Eden."

"??" Brother Yu didn't understand at all. He was talking about the Royal Dance Company with Gao Shan just now.

"Actually, in the final analysis, it is not only basic knowledge, but also depends on the background!"

Gao Shan said in a low voice, the **** mysteriously said: "If you don't have any background, it's better not to go..."

Although I haven't stepped into the show business circle yet, I still have touched the edge.

The inside story and black material that should be understood, as long as you have the heart, you will know.

Bei Diao, the simple two words, contain the sadness and blood and tears of many people!

"Background." Qin Yu looked at the ignorant lazy cat, and said with a light smile: "It seems to be really a bit."

Ye Jinlan, this scheming **** immediately came to mind.

Qin Yu intends to let the lazy cat pull the tiger's skin, and the Ye family's signature will work in the northwest.

In Shangdu, I believe that deterrence is better!

To tell the truth, that little thing in the entertainment industry really can't make it to the table.

In front of the real top family, they are just some actors who are called to come and go!

What entertainment tycoons are just senior wage earners.

Seeing Lazy Cat looking up at her, Qin Yu patted her head comfortingly, "It's okay, I'm here."

In a few simple words, Lazy Cat laid down all burdens and happily picked up vegetables for him.

Meow~

Just finished the high mountain of popular science, was forced into a handful of dog food.

Chew carefully...

Salty!

Unloading the mill to kill the donkey is nothing more than that, that's enough!

A meal tasted like chewing wax, and Gao Shan left early, saying that he would go to greet others.

Xu Tian was absent-minded, and didn't know what she had eaten.

On the contrary, Qin Yu eats with relish, Wen Yaxuan ranks second.

The two did not give in, and when it was about to end, it was for the last two pieces of yellow throat to make big chopsticks...

Kaka, bang...

The chopsticks fought against each other, and in the end Brother Yu was even better.

Won the mating... Gourmet priority.

"Hmph, I want to have another one." Wen Yaxuan ordered another one with annoyance.

Seeing Qin Yu's dazed expression, he smiled triumphantly: "I'll treat you this time. Isn't it generous?"

Brother Yu put down his chopsticks and looked at her with a faint smile: "Well, it doesn't matter, as long as you can eat supper at night."

Wen Yaxuan's expression was dazed, and then she seemed to think of what 'Supper' was.

Snorting fiercely, Wen Yaxuan blushed and lowered her head, muttering: "Then... it's better not."

If you have another serving, the supper will be too much to swallow.

Recently, the four of them have maintained a close coexistence situation in a tacit understanding.

As long as I pretend not to know, the others will keep in sync.

Therefore, the division of days becomes a bit important.

Lazy cats are naturally a pet, and no one can change it.

Even Li Wanxing, who claims to be the "Zheng Gong" every day, is unreasonable and arrogant in front of her.

Who made her the first to set foot on the thief ship...

Among the three people, Wen Yaxuan made people feel distressed, and she would often go to the lazy cat to stay.

Aiwu and Wu are naturally more favored!

Li Wanxing wants to maintain her own "right palace" demeanor and aura, and she has to be alone every time.

It's just that the two of them don't have a fixed location yet, so they can only go to the hotel each time.

Jiang Xiaoshan, as the second to board the ship, was the most inconspicuous among the 'passengers'.

Sometimes even Li Wanxing and the others would forget that Jiang Xiaoshan is also one of her sisters.

Don't fight, don't grab, don't make trouble!!

Perfectly grasp the attitude and position that belongs to your character.

But because of this, Qin Yu spends two days every week alone with her.

As long as people travel in Shanghai, this has not changed...

After careful calculation, Brother Yu found that the time was running out.

This is a bit difficult, [Time Manager] is obviously not enough.

When will I be able to advance again, I don't know how powerful [Tentacles] is?

...

After dinner, everyone said goodbye to each other at the entrance of the restaurant.

Qin Yu, surrounded by beauty, is naturally the focus of attention.

Everyone just greeted him hastily, then turned around and walked away quickly, wishing to get away from him as far as possible.

If you look at it again, you have to be so mad!

"Let's go too!" With a group of women walking towards the Shanghai Opera campus.

Fortunately, the distance was short enough that passersby disappeared before they had time to shoot people.

Otherwise, tomorrow's headlines will have to make a lot of noise.

Downstairs in the female dormitory, Qin Yu sent Li Wanxing and Jiang Xiaoshan into the building.

Hei Likui's fierce and evil face smiled again: "Xiao Qin is here again, do you want to go up and sit down?"

For help, you can steal book tickets like stealing food. Come steal the book tickets of your friends and vote for me.

"Stop sitting, I'm still waiting to go back." Cursing her lips at the lazy cat and Wen Yaxuan at the door.

Qin Yu tapped his finger on the desktop, and the red envelope slipped down on it: "Then I will go first. Happy New Year."

"Well, well, and I wish you a happy new year!" Black Li Kui smiled as if to eat people.

The big hand, rougher than a man, slapped it on the table completely, completely covering the red envelope.

This thickness, at least 2000...

With a clear understanding, Black Likui smiled even more scary.

This face of her, without a little ability, really can't grow like this, it's simply a natural god.

No wonder few people dared to rush into the women's bed.

Just saying that she stared at the bull's eyes, the soul had to be scared off a few!

'This little Qin, what a good boy!'

Hei Likui sighed with emotion, and she would have to stare at Xiao Qin in the future.

If anyone wants to find the girls at bed 206, she definitely can't agree.

Must add money...

"Hello, Senior Sister Lan."

"School girl Lan, your performance today is amazing!"

"Senior Sister Lan is great~"

"Senior sister, I love you~"

No matter the old students or new students, none of the classmates I met along the way didn't know Lan Yue.

The next day, the school even contacted Lan Yue and wanted her to shoot a short video about the recruitment of new students.

Debut with absolute C position.

Even if it's only in this school, that's a C position!

Several school leaders called and asked Lan Yue's plans for the future.

Various invitations are also overwhelming.

Not only dancing, but several leading directors directly called Lan Yue's mobile phone, wanting to invite her to audition everywhere!

"Dancing is a meal of youth, there are always times when you can't dance."

"Acting, as long as the audience says you can do it, that's a lifetime thing."

The other party's promise sounded very good, but it was too imaginary to Yu brother.

Audience?

If the audience can really determine the capital, they will not be fed 'shit' every year, and there is no way to refute it.

Don't ask, ask is not understanding appreciation, low-level thinking.

It's all garbage viewers. Lao Tzu was photographed for the master, and if you don't understand it, you will get rid of it!

"Do you want to film?" After hanging up the phone, Qin Yu looked at the bitter lazy cat and asked: "If you want to go filming, you can accumulate experience with Shanshan first."

Nowadays, Jiang Xiaoshan can be regarded as a small celebrity, and she is familiar with the eyes of the majority of online drama audiences.

People can see, even if they can't remember the name.

At least there will be one sentence: "Who is this, isn't it the one who made that web drama?"

Do not laugh!

In this age of traffic, it's good enough to make a film that gives people a little impression.

How many people have run through countless dragons, and in the end they didn't leave any impression on the audience.

This is not only due to Jiang Xiaoshan's unique temperament, but also related to the role.

Spicy, glamorous, and ruthless.

Every time I appear on the stage, he will kill people, and his mind will be vicious, which makes people ticklish with hatred.

Coupled with her own superior conditions!

If this doesn't make an impression on the audience, then she should really consider changing careers.

It's not the ingredients for this bowl of rice, no matter how much you toss, it's no use.

"No."

Lan Yue shook his head and refused: "I don't want to go filming. It is my dream to join the Royal Dance Company."

It is also Shen Bing's dream~

Lan Yue has not forgotten his promise to the teacher!

Besides, dancing is her goal and dream since she was a child.

As long as the thought of giving up dancing, the lazy cat will feel a sense of helplessness and hesitation.

It has been integrated into her bones, becoming a part of her body and even her mind.

In any case she will stick to her dream of dancing.

Unless one day, she finds a new goal, or...

Looking at Qin Yu to his side, a warm scene appeared in Lazy Cat's mind.

The doorbell rang, and the child happily ran to open the door, shouting "Dad~"

I was standing in front of the kitchen in an apron, watching my husband gently picking up his daughter, and whispering 'I'm back~'

Just when the inner happiness was about to overflow, several figures suddenly broke into the screen.

Li Wanxing, Jiang Xiaoshan, Wen Yaxuan, and a few strange women with curvaceous figures and fuzzy faces.

They rushed up and surrounded them, "Don't~"

Chapter 327: Status change

Lazy cat's cautious thoughts didn't tell anyone.

Even Qin Yu, she is afraid that others will misunderstand that she is a jealous woman.

In fact, Lazy Cat is just not confident!

I am worried that one day I will disappear from Qin Yu's side: "Will you leave me one day?"

While being tender, the lazy cat hugged him and muttered like a dream.

"How could it happen, unless I get lost in my mind." Qin Yu replied affirmatively and the temperature passed from the palm of his hand.

Let the lazy cat enter the dream again without knowing it...

Seeing her sound asleep again after waking up, Qin Yu was also dumbfounded!

I got up and looked at the mess on the ground, and said, 'Cleaning has been hard.'

After a few laps, I came back again.

Wen Yaxuan fell asleep in the guest bedroom, and the lazy cat fell asleep in the bedroom too.

It seems that the two of them don't plan to go out today.

Qin Yu couldn't go out, he had to try his suit.

Driving to Hengde Square, it is still the passage like a narrow alley.

Seeing the front desk again, the other party immediately recognized him: "Mr. Qin, welcome, the master is already waiting for you."

Follow the front desk to the back, half-ready clothes are hung on the hangers.

The process of trying on is not simple at all.

Various actions are required, taking into account the needs of various occasions.

In the end, it is ensured that there are no omissions, and that it fits the body and needs of the action.

The final calibration measurement is done.

"Qin, I once again suggest that you be a model, you will become a supernova..."

Listening to Jenny's endless chatter, Qin Yu ran away decisively.

There was such an unruly plan, staring at the old glass with glare in his eyes.

I always feel that I fell into the jackal and tiger's den, dangerous!

"Shao Qin, when will you come back, the gold bars are ready." Shen Chuxia.

Seeing her expression, Qin Yu replied: "I will contact you when I go back."

Here, as if I felt something in my heart, Xu Yue's WeChat account followed.

"Qin Shao, I wish you a Happy New Year in advance, family joy, happiness, and arrogance {牛牛牛}." Xu Yue.

"Thank you, and I wish you a happy new year." Qin Yu.

Fishing should also give occasional responses, otherwise the fish will always not eat the bait and will inevitably be discouraged.

Give her some sweetness from time to time, and feel happy!

Xu Yue, who was shocked by Qin Yu to doubt her life before, was so excited.

For the next few days, there was joy on his face.

I didn't know that she had won 5 million!

...

Regarding Lan Yue joining the Royal Dance Company, Qin Yu has his own plan!

I haven't seen Li Xiao and the others for a while, and it's about to celebrate the New Year.

Everyone discusses and gathers together, and this time everyone is here.

Yan Xue hadn't planned to come, but in the end he let Li Wanxing grow old.

TAXX, still the same place.

It's just that there are more people this time, both men and women.

There are no girls arranged, it's just that they are in contact with each other!

As soon as he arrived at the deck, Xu Hao lifted the glass: "Brother Yu, I have to respect you first."

Seeing him winking, his face full of anger, he knew that something was good.

"Take it?"

Qin Yu picked up the wine glass, it should be Xia Ke no accident.

Xu Hao laughed triumphantly: "Hey, there is a wedding wine later, you must come."

Qin Yu asked amused: "How do you listen to what you mean, I'm still a little uncertain?"

It was so hard to chase, and I hesitated as soon as I got it.

Xu Hao immediately denied: "How could it be possible, I was thinking..."

I am afraid that there are too many external factors and emotional changes!

Outsiders couldn't stop talking about this kind of thing, saying that it was Qin Yu's credit.

If Xia Ke is not happy, Qin Yu can still tie her up and throw Xu Hao on the bed?

After all, it was the **** who looked at mung beans and got his eyes right!

"Qin Yu, brother..." Li Wanxing came with Yan Xue.

"Shao Qin, brother, Xu Hao, Chengjun..."

Yan Xue said hello to everyone, and Han Hu and Liu Xing also failed.

With a few words of homely greetings, everyone was seated.

Qin Yu was sandwiched between Li Wanxing and Han Xue.

Han Hu and Liu Xing exchanged opinions with their eyes.

The two wanted to talk to Qin Yu about something, but he was always surrounded by two women.

The younger brother and the others also kept drinking and chatting with him, and the two of them were completely unable to intervene, which was embarrassing...

"Huzi, what's the matter?" Seeing Han Hu frowning, Xu Hao asked a little curiously: "Are you making people green?"

"Go away, you made people green." Han Hu spit out angrily: "I... have something to ask Brother Yu."

"Then ask!" Xu Hao said in surprise: "Ask something like a lady."

"Brother Yu, Huzi wants to ask you something." Xu Hao directly led him.

With Xu Hao's intervention, Han Hu finally caught up, "Brother Yu, I will prepare a small gift for you with Liu Xing, and it should be there in the next year."

Seeing the other party's somewhat pleasing gaze, Qin Yu knew it clearly: "We don't need to be so polite between us, just say something straight."

"Yes, what are you polite." Xu Hao jerked, "It's all his own."

In fact, now only the three of them can be regarded as their own.

Han Hu and Liu Xing were not counted in the next few actions, let alone Kuafu Battery Factory.

The two did not receive any news.

In the end, I learned the news from outsiders, not to mention too depressing!

"Well, the two of us still want to play with Brother Yu." Liu Xing smiled and hinted at the investment.

Li Xiao asked directly and clearly: "If you want to join Lixin's plate, you two think too much!"

"No, it's the same as last time, only paying, not much trouble!"

Liu Xing quickly said: "The handling fee, the amount of the rake, and the profit and loss are at your own risk."

Whenever you make money, anyone will say, 'Being self-sufficient for profit and loss!'

But when you really owe something, look back...

MD fart!!!

Brother Yu naturally has no worries in this regard. He can only earn more and earn less.

It's hard to lose money...

Seeing Liu Xing's sly round face, Qin Yu thought of steamed buns.

I don't know what happened to him and the goddess of first love.

"I have a chance next time." Qin Yu glanced at Xu Hao, "Let the mouse inform you."

"Okay, thank you Brother Yu, I will toast you." Liu Xing immediately stood up with the wine, the one who smiled was called a brilliant.

The same goes for Han Hu, with a wine bottle in one hand and a wine glass in the other.

Three cups were poured cleanly, which was not enough to express his inner excitement.

The two of them are not in the court, and there are not so many **** and bad things at home.

But shopping malls also have the rules of shopping malls!

When they reached their age, the two began to gradually come into contact with the family business in preparation for taking over in the future.

It depends on the ability, there is no real material, where to cool down and where to rest!

The last investment made a profit, but it made them a good show in the group.

Money is of secondary importance. What is important is the ability and connections to make money.

In Xia Guo, a society of human relationships, nothing is more worth investing in than contacts.

There are people in the DPRK who are easy to handle, and these words haven't changed in thousands of years.

Want to take over the family business and get the approval of shareholders.

The two of them must come up with enough dazzling results to be recognized and admired by shareholders and employees!

Only then can I take over the authority from my own Lao Tzu...

If you really are a prodigal, unless it is a small family workshop, it is absolutely impossible.

Like some inheritance families abroad, why are the family heirs always so good?

That's because the heirs are not directly related, but any good offspring will be cultivated on the 'main line' side.

Otherwise, it is to eliminate the inferior and keep the good, and select the best heir from the descendants of many uncles.

There is no master, the division of the family, the capable ones go up, and the mediocre ones go down.

It is this cruel and relatively fair way that can keep the family prospering for a century.

The same goes for Liu Xing and Han Hu's family.

There is nothing to appoint an heir. Laozi being the chairman of the board does not mean they can do it too!

Why are Liu Xing and Han Hu anxious.

That is not to receive the news that the status of Li Xiao and the three in the family has changed.

The right to speak increased, and he began to touch the core of the family.

Li Xiao's position has also undergone new changes, and he has stepped into a position with real power.

It is said that the old man of the Li family personally opened the mouth. The amount of information in it is a bit large, and it is natural to understand.

Li Xiao has entered the eyes of the old man, and has the capital to stand up...

If you don't understand, you probably think of it as grandpa's love for his grandson.

The family is not without family affection, but there is rarely pure family affection.

The **** decides the head!

In the position of the old man of the Li family, if it is emotional, it will only harm others and self in the end.

Just this matter, it can greedy the surrounding friends!

Why didn't you catch up with such a good thing? ? ?

Chapter 328: Cautiously

Others don't know what's going on, Han Hu and Liu Xingneng don't know.

Opportunity lies ahead!

Still not climbing up the pole, waiting to die?

Suddenly, time seemed to be back to the past, and Han Hu and Liu Xing no longer felt the sense of being excluded.

However, this time there is one more core in the team.

Qin Yu didn't have any special feelings about this, but Yan Xue felt the deepest.

When did Qin Yu ban the status of Li Xiao and become the absolute core of the team.

Even the former little brother should keep a little respect for him!

This is the position he has won for himself by virtue of his ability, without relying on any background.

Thinking of this, Yan Xue's eyes became a little different.

There are many excellent people in this world, but they are in their circles.

Have a new interpretation of excellence!

The excellence in the eyes of ordinary people is justified in their eyes.

And if you want to be called excellent in this circle, you must not be a dragon or a phoenix...

There are so many excellent people, scattered in each small circle.

The quantity is even better.

In all fairness, it is much less than the number of beauties...

That's why, Yan Xue would suddenly be inexplicably tempted!

'Am I tempted? Yan Xue was taken aback by her own thoughts.

How could she be tempted by her girlfriend's boyfriend, know that he is Wanxing...

Although she didn't say it clearly, Yan Xue could clearly perceive it from the attitude of the two.

Moreover, there is also an unclear ambiguity between him and the other women.

However, Yan Xue had not seriously considered these issues before.

Because it was to her that she had always believed that she was just an outsider.

right now.....

Suddenly, Yan Xue became a little uncertain, sitting in a confused position.

The glass of wine in his hand poured into his mouth, making Yan Xue's red tender lips glow with the evil temptation of blood.

"Xuexue, drink slowly!" It was Li Wanxing who realized that her situation was not quite right.

She stopped her booze in time, or Yan Xue had to die of drunkenness right now.

"After the New Year, the project will speed up the progress, and the Ye family can't wait." Li Xiao suddenly talked about the progress of Kuafu's project.

The Ye Family's performance was a bit eager this time, and Li Xiao had this feeling before.

The Ye Family promised too quickly, too proactively.

Over time, this feeling becomes stronger.

As if racing against time, Li Xiao's heart was full of anxiety.

What makes the Ye Family feel the sense of crisis, or is it... Ye Jinlan? ? ?

Trapped by the lack of intelligence, Li Xiao is still uncertain.

But he can be sure that there must be some changes in the Ye Family.

Either Ye Jinlan himself, or the Ye family himself...

If it is the latter, Xia Guo is afraid that there will be a terrible earthquake.

...

Yan Xue was finally drunk, and was supported by Li Wanxing into the car vacantly.

"I'll send Xuexue home, don't wait for me." Carrying her brother, Li Wanxing said softly: "You bad guy, don't always think about tossing a lazy cat."

"Don't toss her, what about you?" Qin Yuxie looked at her with a smile.

Li Wanxing choked and said helplessly: "Then you'd better toss her...if you have time to accompany Shanshan."

"I will arrange the time." Qin Yu naturally has a steelyard in his heart.

Seeing what he knew, Li Wanxing got on the taxi to take Yan Xue home.

Li Xiao, Xu Hao, and Yang Chengjun each looked for a driver, listening to the address is to continue to have fun.

The spring night is worth a thousand dollars, how can the great time be wasted!

"Mouse, don't forget that someone is waiting for you at home." Qin Yu reminded him appropriately. It is up to him to listen or not.

It's enough to understand the game of wild food!

Again.....

It's okay to have some time to have fun, because everyone is still young anyway.

But if you take it seriously, you will only hurt yourself in the end.

"I will send them back, don't worry, Brother Yu, I understand in my heart!" Xu Hao smiled and waved in response.

Here we called for a driver to return to the Oriental Royal Garden, and the garage was already enclosed.

The wall next to it has been knocked off, and the steel wall has a prototype!

I believe the actual effect will be seen in the next year.

Parked the car in the temporary parking space specially arranged by the property, Qin Yu closed the car door and planned to go upstairs.

As soon as he walked to the elevator door, Sha Man suddenly sent a message.

No nonsense, Shaman: \Picture X9. \'

The toes touched the ground, and the body made a chic turn, and the big paw drove to Seaview One again.

Shaman, who has just returned from abroad, looks like a volcano about to erupt.

The degree of madness and initiative almost made Yu Ge suspect that he was going to be drained.

It's a pity that she just broke out more than ever, but was not lasting enough!

Soon after being picked up by Brother Yu, he could only passively endure the ravages and lashes of the knight.

...

The next day, when Brother Yu opened his eyes, Shaman was about to get out of bed to take a shower.

"Will you sleep anymore?" His hands held high and tied his hair into balls, and his cold white skin was exposed to the sun.

Qin Yu jumped out of the bed vigorously and stretched out his hand to hook: "What do you mean? Let's wash it together..."

The plan to go to the clubhouse was ruined, and the two changed to a new morning exercise program!

Aerobic exercise, sweat wets the sheets and carpets.

"What's your plan for the New Year?" Sha Man was lying on the damp carpet, not even bother to move her fingers.

Qin Yu sat up, smiled and said, "Go home, how about you?"

"Me." Sha Man said nonchalantly: "As usual, exercise, eat, and paint!"

Qin Yu asked curiously: "Don't you go home?"

"This is my home." Shaman replied very simply, without sadness or hesitation.

Seeing Qin Yu's curious gaze, Sha Man continued, "I have no relatives."

Her parents died in a car accident and lived with her grandparents.

Later, grandparents also got old.

Shaman came to Hudu alone and bought the house with his parents' inheritance and compensation.

With his talent in painting, he gradually broke into a world.

So, she is basically alone now.

The big day of other people's New Year reunion is just an ordinary day of the year for her.

"Don't feel lonely?" Qin Yu regretted it as soon as he spoke.

Isn't this poking at someone's wound, which pot is not opened and which pot is lifted?

He is not usually like this, today he is totally relaxed.

"No... occasionally there will be." Sha Man looked at him and smiled calmly: "Isn't there you now?"

"I'll be back as soon as possible." Qin Yu can only promise so much.

Whenever this time, he wished that he could clone like an Aixia phone.

How good would that be!

"Don't say that." Sha Man covered his mouth with her hand, and whispered softly: "This is enough now."

No matter which woman it is, Qin Yu finds that they are very satisfying people.

Just like Sha Man said, as long as he can accompany him occasionally, he is already very satisfied!

How can it be He De, he can be so honored? ? ?

Only hang up~

To get Shaman's side, Qin Yu has to feed the little anchor and the cook before leaving.

These two fairies are not so easy to handle.

Xu is the reason of physique and personality, and small anchors are more and more capable of fighting.

The cook is a bit tougher, with thick skin and very grass-tolerant!

If it were before the two boards of 'kidney power' were smashed, Brother Yu would really not be their opponent.

"Boss, I bought you a small gift." After the event, the little anchor wrapped his body in a blanket and ran out of the house.

After a while, he jumped back on the bed with two boxes in his hand.

"This is a couple bracelet, you won't blame me?" The little anchor looked at him cautiously, for fear that he would blame himself for his good ideas.

Qin Yu directly opened the box, took the male platinum bracelet inside and put it on his right wrist, "It looks good."

The bracelet is a flat bracelet with a groove in the middle and various letter patterns on the side.

Trendy and stylish, it looks beautiful!

Hearing his compliment the little anchor brought the female model to her hand.

Putting it together with his bracelet, Meimei picked up the phone "Ka Ka~"

Only the photos of the hands and bracelets are posted in Moments, and the copy only contains the word 'happy'.

The following series of likes are more about asking her who the other person is!

The little anchor refreshed the comments with a smile, only watching but not replying.

Although she didn't answer the question directly, in her opinion this is also a way of declaring sovereignty.

From today onwards, oneself will also be in charge.

In the circle of her real life, everyone will know that she belongs to her heart!

Chapter 329: Step 1 of no return

"Qin Yu, do you know what happened to Director Ma?"

As soon as he arrived at the Oriental Royal Garden, Qin Yu saw the cheerful Wen Yaxuan.

"Director Ma?" Qin Yu's mind turned around.

Only then did I think of the official Wei Nan who was given a "drug card" by himself...

"What's going on?" Qin Yu asked pretending to be curious, but in fact he already had a guess in his heart.

As expected, Director Ma was poisoned!

Condyloma acuminata, listened to the teachers who went to the school to come back to say.

The thing is covered with scales, and there are many small bumps like herpes.

It looks just like the scattered cauliflower.

In addition, he was diagnosed with superficial gastritis, and the doctor diagnosed that he had taken too much body fluids that did not belong to him.

If things go on like this, it will cause intractable superficial gastritis.

The gastric mucosa was severely traumatized, and it is difficult to recover later...

"You said, what did he drink?" Wen Yaxuan asked stupidly, blinking her eyes.

When she heard the question she asked, Lazy Cat couldn't open her eyes in shame.

Da Da Da ran into the room, but then secretly hid behind the door to eavesdrop...

The occasional whispering laughter and joking shameful grunt made her full of curiosity.

"Are you very happy?" Qin Yu looked at Wen Yaxuan, feeling that she seemed particularly excited.

Nodded, Wen Yaxuan said, "Of course I'm happy, you didn't know that the director of our school hates him most."

"Always like to take advantage of girls, and go to the line to go online..."

"It's just that everyone dared to be angry but didn't dare to say anything, tell you, mom has beaten him before!"

Seeing her eyes recounting in disgust, how Director Ma wanted to harass Shen Bing, how she was taught by her dancing shoes, Qin Yu was also heartbroken.

A beast with a garb like this should have learned its due lesson long ago.

However, just a genital wart, is it a bit too cheap for him?

In the afternoon, a new message came.

Director Ma was fired from the school because he was tested for HIV.

That is, everyone talks about AIDS!

Rumors abound in the school's intranet. Some people say that Director Ma was infected by his wife.

The two couples play quite openly, and I heard that they are senior members of XX*****.

As soon as the incident happened this time, the whole club ran to check.

Most of them have won the bids, so it can be said that the clubs have been straight away.

Now many people have red eyes and rushed directly downstairs to Director Ma's house.

"Hey, good days, why bother to be a tauren." Brother Yu sighed with emotion and smiled.

The heart said, 'You deserve to be an educator, and you have enough money to play!'

Unfortunately, not everyone can be like Brother Yu.

The plug-in can identify the authenticity, distinguish toxic and non-toxic.

Therefore, it is better to be careful if you don't have capital. It is easy to bring a few more layers of umbrellas.

Such good news that I love to hear is naturally to be shared with everyone.

When Shen Bing heard the news, his eyes also showed a slightly divided smile.

This disgusting fly finally got the retribution it deserved!

In the past few years, several girls were harmed by him.

It's a pity that people speak lightly, even if they know this, they can only secretly regret it.

It is not easy for Shen Bing to take his daughter to discuss life alone.

It is really impossible to get justice for her.

Although she is guilty, for the safety and happiness of her daughter, she would rather bear this sin!

The episode about Director Ma's dismissal and his wife's disappearance soon passed.

Shen Bing began to ask Qin Yu what plans for Lazy Cat's future.

She didn't find the wrong person, but she could see it better than anyone else.

Just as the lazy cat girl now looks like a fool with a heart hanging on him, asking her is for nothing!

Qin Yu also replied very readily: "Since she wants to join the Royal Dance Company, then go and do it."

"Then, be careful." Shen Bing hesitated to say something, still unable to say some words directly.

Besides, it is difficult to clarify the problems with words alone.

They still have to touch them on their own, and then they can understand them after they actually contact them.

Seeing how worried she was, Qin Yu nodded and said, "I will."

"Yueyue, I will enter the capital with you then."

Shen Bing was still uneasy and decided to accompany her to go there in person.

As long as you don't take the initiative to expose, I believe no one will recognize her.

After all, time has passed long enough that even the daughter has grown up.

"Okay, okay, I'm going to have a look at Shangdu too."

Li Wanxing said with some excitement, she hasn't been to Shangdu yet!

"No." Shen Bing sternly rebuked: "You are not allowed to go!"

"Why?" Wen Yaxuan was a little puzzled, followed by a burst of grievance and countless curiosity in her heart.

What is the mother hiding and why is she always acting so strange.

I have grown up, is there anything else I can't know?

"Mom, is Dad still..." Tears were rolling in Wen Yaxuan's eyes.

"He is dead, I will tell you later." Shen Bing turned his head away, a trace of embarrassment flashed in his eyes.

"Why not now?" Wen Yaxuan asked.

Seeing the face of her mother confronting each other, Qin Yu walked out with her arms around Wen Yaxuan, "Xuanxuan, don't be capricious, Teacher Shen doesn't say that she has her own reasons..."

"Give her some time, I believe she will tell you the answer." In fact, Brother Yu was playing drums in his heart.

It won't be so bloody, is it really like Wen Yaxuan's guess?

...

What the facts are, only the parties concerned.

Shen Bing remained silent on this, and it was natural for others to ask questions no more.

Things are set for the time being. After the new year, Shen Bing and Qin Yu will accompany the lazy cat to Shangdu together.

"I wish you a Happy New Year in advance, Teacher Shen." Handing the present to Shen Bing, Qin Yu smiled and said, "When I saw this pair of earrings, I thought it was especially suitable for you."

Opening the jewelry box, a pair of white gold and diamond earrings with snowflake pendants came into view.

The first thing Shen Bing looked at was the price!

The master only knows that firewood, rice, oil and salt have passed so many cold days.

Even if the immortal descended to the earth, it would become a market reality.

yuan.

This price makes Shen Bing somewhat unacceptable.

If it wasn't for the two of them, Shen Bing would definitely throw the box back to him immediately.

"It's too expensive, I can't ask for it." Shen Bing pretended to be calm and put the box on the table, but the corner of his eyes kept sweeping towards the pair of snowflakes.

The diamonds dotted on it shimmered like snow in the sun.

Whether it is the shape or the meaning of the representative, it is too in line with her image and personality.

It's impossible to say that you don't like it, but Shen Bing can't accept it for a while.

Besides, she was afraid that after accepting the gift, she would never be able to look back.

Just like the first step on the road of no return, this bottom line and persistence are shaking.

"Ms. Shen, this is just a heart, no other meaning!" Qin Yu was particularly calm and put the box in her hands again.

Seeing that she still wanted to shirk, Qin Yu looked at the kitchen and said, "Push it back and forth, Xuan Xuan should see it."

With a sudden tremor in his heart, Shen Bing hid the box behind him inexplicably.

Looking at the kitchen and listening, Yinling's smile made her breathe a sigh of relief.

Qin Yu gave Qin Yu angrily, that charming look is really rare, and it made Brother Yu look dumbfounded for a while.

Shen Bing also noticed that the atmosphere was not quite right, and unnaturally tucked the tips of his hair.

Holding the box quickly towards the bedroom, the swaying figure becomes more plump~

As the last reunion before the Chinese New Year, the dishes tonight are exceptionally rich.

The various delicacies on the dining table, the scent wafting out, even the neighbors are hooked out of gluttons.

It's just that no one will invite the other person into the house politely at this time.

They just want to enjoy the dinner and the last reunion before parting.

Although it is less than a month at most, I am in love and I want to share evenly...

It's the most true portrayal to start missing without parting!

Thus, a very interesting scene appeared on the dining table.

Qin Yu immersed himself in feasting, and the women kept filling his bowl with vegetables.

Lazy cat first, then Li Wanxing and Jiang Xiaoshan.

Finally, it was Wen Yaxuan's turn. UU looked at her mother after reading www.uukanshu.com as if trying to hide his guilty conscience.

'Should you not be grateful to Qin Yu for taking care of him so much?'

Shen Bing secretly sighed helplessly when she felt her daughter's eager look in her eyes.

Putting a piece of beef in his bowl, "Try it!"

Qin Yu looked up and stared straight at Teacher Shen.

Shen Bing only didn't notice it, and calmly picked up a small piece of rice and put it in his mouth, then picked up a green vegetable and chewed the rice carefully.

Unconsciously, layers of sweat have risen on his forehead.

Every muscle cell in the body is sending out a signal of 'tension'!!!

Chapter 330: This sofa is so soft

"Do you want something to drink?" Shen Bing got up and said, "I still have some drinks at home!"

Li Wanxing spoke up: "Mr. Shen, do you still have red wine? Why not drink some red wine today."

When she came last time, she brought two nice bottles of red wine.

"Have."

Shen Bing took out the red wine from the cabinet, "I told you to take it back last time. I don't drink."

Two bottles of Hongyan Rongzhuang's secondary wine were put on the table!

No, it should be called 'King Hou' now, and the official name has been officially changed to 'King Hou'.'

The previously most well-known Obiang and Hongyanrong have become a thing of the past.

However, after the name change.

The popularity of Bo Wang in Xia has been declining again and again, and it has been difficult to attract new customers.

On the contrary, some old customers still maintain their loyalty to the brand out of recognition of 'Obiang'.

"Bo Wang, it's not as good as the red face before."

"The appearance of the confidante represents the owner's yearning and pursuit of emotion, how beautiful!"

Hearing the lazy cat's complaints, Li Wanxing agreed: "I think so too, but it's a pity that the winery is not mine."

"The brand promoter Hou Bowang hired in Hudu was my aunt, and she gave it to me."

Li Wanxing only knows a little about red wine, and all that knowledge comes from her aunt.

King Houb is the smallest in the five major wine of Bordeaux and the first to become famous.

But after changing hands several times, its quality has not decreased but increased, which can be said to be a big legend.

Today's head, Prince Houbo pays more attention to the Xia Guo market.

Not only hired Hudu local promoters, but also gave her the power of Xia Guo.

This is said to be very rare in Bordeaux wineries, and it is also an exception!

However, King Houb is currently in a rising period and is not suitable for drastic reforms.

The strategy formulated by the winery is to steadily and steadily, to go deep into the Xia country culture, to understand the wine culture, people's cognition and feelings about wine.

Precipitate yourself into this emotion, and gradually gain popularity!

To put it bluntly, it is to rely on its own quality, word of mouth, to create a classic.

In this impetuous age, he can be so calm.

It's no wonder that King Hou has been able to reap many gains, and his reputation and audience in the local area are getting wider and wider.

Especially the phrase 'wine is to go deep into the culture, close the distance between people and express emotions. To express beautiful things, it is not necessary to emphasize the right or wrong way of quoting and to solidify it.'

'Any way to experience pleasure, tasting or drinking in one drink is correct and should be respected' remarks have been recognized by some Xia Guo consumers.

Even knowing that it is also a sales promotion strategy, but it can allow foreigners to change their inherent perceptions.

Recognition and respect for Xia Guo wine culture is also something to be proud of.

Seeing Weizhishu, changes are accumulating bit by bit.

"I'll open it." Qin Yu opened the red wine in Shen Bing's hand.

Pour it on everyone. When it was Shen Bing's turn, she reached out and refused, "I don't want it."

Wen Yaxuan hugged her and said, "It's rare to be happy today. Just have a drink."

"Teacher, drink a little, it's a celebration." Lazy cat has a gap between her fingers.

Li Wanxing and Jiang Xiaoshan are also persuading.

Unable to hold the soft and hard foam, Shen Bing agreed to have a drink.

Just a cup!

Ding.

"Cheers~"

Klang Klang, another cup of it.

A beautiful blush rose on Shen Bing's jade-like cheeks.

It is tender and translucent, as delicate as a baby~

"Yueyue, you must cheer up, to be the best dancer in Xia Country, so as not to fail your talent!"

After drinking alcohol, Shen Bing spoke more than ever.

The organization is clear, and there is nothing wrong with the realization.

It was Wen Yaxuan, who was holding Li Wanxing bluffing, trying to find her to fight for wine.

"Sooner or later, you lifted your harem." Wen Yaxuan yelled, waving her hands with blurred eyes: "I lifted it all for you, lifted it~"

Li Wanxing was also dumbfounded. It was the first time she saw Xuan Xuan like this.

I occasionally drink alcohol on weekdays, but it's just a taste.

Today, she really drank too much.

Lazy Cat didn't get any better now, half of his body was lying on Shen Bing's lap, muttering words in his mouth.

Listen carefully, only the strange sound of 'um, ah, hum'.

At this time, Li Wanxing was also a little drunk.

Compared with the past, there is a bit more tender tenderness between the eyebrows, and a bit less hot and hot!

"Sit down for me, the harem has long since been punched." She pressed Wen Yaxuan on the chair, and Li Wanxing looked at Qin Yu teasingly.

Those who drove her off the throne and beat her through the palace, wouldn't they just sit here!

Jiang Xiaoshan sips her wine leisurely, like a white-collar petty bourgeoisie who is savoring her life.

It's just that there is still a little entangled melancholy in the eyes.

The only thing that didn't change in the audience was Qin Yu.

Drinking a few glasses of red wine is basically the same as drinking cold water.

Don't ask about the taste, just ask!

Satiated with wine and food, I saw all the nonsense.

Either just lying on the table and muttering to himself, talking about philosophy.

First send Wen Yaxuan back to the room, and wait for him to return to the restaurant. Shen Bing is packing up the dishes.

His vision was slightly blurred, and Shen Bing, who heard the movement, looked at the wall clock on the wall.

The hour hand already points to 3 o'clock in the morning.

The gate of this school is closed, unless she wants to go out to say hello!

But in this way, wouldn't it be misunderstood that she let a man stay at her house until the early hours of the morning.

Thinking of those unpleasant rumors, Shen Bing frowned and said, "You are ready to sleep on the sofa."

"Good." Qin Yu agreed very readily.

Lazy cat entered the master bedroom, and Li Wanxing and Jiang Xiaoshan were in the second bedroom.

Shen Bing piled the dishes in the kitchen, and found him a quilt when he entered the house.

The room was very hot by the air conditioner. A thin quilt should be enough, "Is this all right?"

Seeing the pink floral quilt in her hand, the faint scent penetrated into her nasal cavity, which smelled particularly good.

"Okay, the house is quite warm." Qin Yu took the quilt and noticed a touch of shyness in her eyebrows.

Without saying anything, Shen Bing turned and went into the kitchen.

The held breath was released suddenly, making a long sound.

Although it's just a quilt, it's no big deal.

There are still some strange emotions in Shen Bing's heart...

I blamed the lack of quilts at home, so I needed to give him the quilt for lunch break.

Smelling the elegant fragrance on the quilt, Qin Yu secretly said: This sofa is really soft!

After a while, he fell into a deep sleep.

After waking up, Qin Yu only felt unobstructed.

'Ding, the refreshing fragrance enables the host to obtain a high level of sleep quality, and the mood is +20.'

Quietly in the room, I wiped my face with water and rinsed my mouth in the bathroom.

Drying it with a paper towel, Qin Yu started daily morning exercises along the runway of the campus.

When he comes back with breakfast, Shen Bing is applying skin care products in front of the bathroom mirror.

Hearing the door opening, Shen Bing greeted naturally: "I'm back."

"Well, I'm back." Qin Yu smiled while holding breakfast: "I bought breakfast."

"..." The atmosphere was suddenly strange.

There are two more different elements in the air between the living room and the bathroom.

A peculiar chemical reaction occurred during the collision, which made people's heart beat faster and body temperature rose sharply...

"Ah~" The lazy cat walked out of the bedroom with a yawn, breaking the boiling air.

Adorably shrugging his nose, the lazy cat whispered: "It smells good!"

Qin Yu rubbed her head amusedly, "Hurry up and wash it up. Breakfast is ready."

After a while, Jiang Xiaoshan also came out.

Shun-long black hair was draped behind his shoulders, and his bangs carried small curls.

He painted delicate and elegant makeup on his face, and his eyes were clear and bright.

There is no sign of a hangover at all!

"I'll see you later." After breakfast, Jiang Xiaoshan said that he could send him to the airport.

Qin Yu did not refuse, but nodded in response.

The lazy cat who was breaking the fritters raised his hand and said, "I want to go too."

Seeing the scene of the two living in harmony, Shen Bing felt even more complicated.

She can see it now.

What four are safe together, this is simply a catch-all ~ www.mtnovel.com~ the collective fall.

According to her observations, they should know each other's existence.

I really don't know what magic he has that can make four excellent girls get along with each other in peace.

Thinking of Wen Yaxuan among them, Shen Bing's mood is even more complicated!

Think deeper...

Last night, Qin Yu was holding the quilt, sniffing and smiling.

'Shen Bing, wake up, don't think about it!'

Some things are impossible anyway, blame only good luck.

Suddenly, Shen Bing thought of the sentence: The concubine is born, the concubine is not born, the concubine is old...
