Chapter 17: I believe in your ghost

Qin Yu ignored no one, picked up the wine bottle and found the vacuum.

It's almost the same when I look at other bottles, it's just after 9 o'clock.

"tasty?"

He was asking Cheng Xiyu, and after a while she blushed again.

This time it is a pot of alcohol, and it has nothing to do with Brother Yu.

Cheng Xiyu said honestly: "It's delicious."

Qin Yu waved to the outside, and Xiaojie stood in front of him 2 seconds later.

He has been standing outside without leaving, is there a local tyrant who is still not guarding?

"One more set." Still paying the bill neatly.

Xiaojie has a strange expression and understands the thoughts of the rich.

He is not worthy!

"Brother Yu, who will make arrangements for this time?"

Let him see, Brother Yu is reluctant to show off.

I don't know if it's the same as before, using Gao Shao's name?

"Doctor, count you this time."

Sure enough, Qin Yu pointed to Gao Bo who finally let go.

"Don't, Brother Yu..."

Dr. retracted the hand holding the young lady's waist, "Brother Yu, it's too embarrassing!"

Qin Yu actually thinks so too.

He was so excited by Tang Hegang's performance that he thought that Gao Bo was also interested.

"What are you two talking about?"

"Say you looked like a second fool just now!"

Tang He's face changed, and he smiled bitterly.

"I was catching the ducks on the shelves, so I think of it as secondary 2."

At that time, my brain was hot, and it felt refreshing to raise my fists and shout.

After sitting down, the air conditioner blows.

The whole person calmed down, and a strong sense of shame emerged spontaneously.

More than just two, it is simply a social death.

"Remove those bells and whistles and serve the wine directly!"

If there is Qin Yu, Xiaojie immediately went down to make arrangements.

Huanhuan was dumbfounded.

'Big brother, why don't you play the cards according to the routine? '

She still waited for Yu Ge to drive away Qiqi, so as to occupy her position and repeat the old tricks of Yu Ge!

is so good that Brother Yu knows how good his figure is.

In fact, Brother Yu already knew this well and knew it all.

The gap between 79 points and 90 points is like a world of difference.

Who knows that with a big wave of their hand, all the rituals are avoided.

68,888's great dragon has another set...

'Brother, are you buying cabbage? '

Huanhuan complained in her heart, but her eyes glowed brightly.

The laser light above her head was not bright, and she stared directly at Qin Yu.

Kiki, who was sitting next to him, squeezed half of her body into his arms.

"Brother Yu, you are so generous."

Kiki's voice groaned, and she stretched out her hand to touch his chest.

What they didn't know was that for Qin Yu, the money was about the same as buying cabbage.

The card is accounted for 5 million, and another set will add up to less than 140,000.

Is that a problem for Yu brother?

Just when Qiqi's hand pressed against Qin Yu's chest, she wanted to perform magic.

The quiet live broadcast Cheng Xiyu suddenly grabbed her hand.

"Kiki, your nails are so beautiful. Where did you make them? They look so good!"

Huanhuan, who was blocked, turned to sit beside Zhang Qiqi.

In the other's wary gaze, he took her other hand.

"Kiki's fingers are beautiful, slender and slender, and her skin is so white..."

Zhang Qiqi understood that she was targeted by two people.

But, she will not sit still.

You must know that her vision is very high. She has only talked about three boyfriends since she was in school.

Her goal is clear: young, rich and handsome diamond bachelor.

If it weren't for the two photos Xiaojie sent, she would never have come.

The two photos are:

Screenshot of the official interface of the Golden Dragon and Lamborghini in the parking lot.

Globally limited, Xiaofeng Ninety-Five Supreme Golden Dragon supercar, valued at 8.88 million.

In fact, if Cheng Xiyu hadn't had it, it would suddenly disrupt the situation.

Zhang Qiqi will definitely overwhelm the crowd tonight, no one can beat.

It's a pity that Brother Yu's goal was not her from the beginning.

The fight between the three women, Qin Yu watched with gusto.

Gao Bo and Tang He joined together next to him, "This is about to get done."

"How is it possible, I didn't see Brother Yu sitting still like a mountain."

"Do you think Brother Yu can settle it?"

"Look at it! Brother Yu's level is much higher than you think."

"Then I have to take a good look and study."

"you?"

Gao Bo looked up and down, and said: "Forget it! To reach the level of Brother Yu, there is a prerequisite."

"What?" Tang He looked down and felt that he was not bad!

The new look he made today makes him look like a fashionable man.

"You have money." The buns instantly turned into frosted eggplants.

sloppy, sloppy.

"How did you say Brother Yu sent it?"

"It must be the uncle and aunt who kept it secret! The showdown will only happen when he is admitted to college."

Baozi was full of envy: "I also passed the exam, so why didn't no one have a showdown with me?"

"I have a showdown."

Gao Bo said with a serious expression: "Actually I am the reincarnation of Qin Shihuang, and there are countless treasures..."

"Go." The bun uses the **** to send an international greeting gift.

"Tang Shao, senior and young, don't always talk by yourself, don't take us!" The little girls were unhappy.

Although Brother Yu is the protagonist tonight.

But those who can mix with the rich must also be rich.

Depending on their age, a proper golden bachelor.

If you can be a girlfriend, don't you have everything?

The two of them looked at each other and smiled, and then they sat back to their positions and hugged each other and laughed.

Today, Brother Yu laid his blood, our brother is crazy...

"Brother Yu." Xiaojie brought someone to deliver the wine.

The snacks and fruit plates on the table are all changed regardless of whether they have been moved.

is the beer on the cart outside, which makes him a little embarrassed.

"Take it away!" Qin Yu said, and he knew it.

"Take them all."

Xiaojie stayed this time and squatted at the table to serve.

"Brother Yu, shall I open a bottle first?"

"Fully open."

Do it again, Xiaojie is still confused.

Brother, are you still here?

bowed his head and smiled bitterly, I don't deserve to understand the world of local tyrants!

"Full for everyone. UU reading www.uukanshu.com"

After that, I looked at Cheng Xiyu: "You, the last cup."

"why?"

Cheng Xiyu thinks that she has a good amount of alcohol?

Besides, this wine is not on the top at all, it's quite delicious.

"Alcohol... Hormones... Hotel, do whatever you want, understand?"

I didn't call her to drink, nor to glutton her body...

This seems to be unconvincing.

Ok!

gluttonous is a bit greedy.

is mainly purely wanting to understand the specific structure of 95+ Miss Sister.

But deliberately getting people drunk, then take the opportunity to do something?

Lost, it's too disgusting!

Qin Yu prefers that it happens naturally, and can't eat hot tofu in a hurry.

In-depth communication without emotion is boring, empty, and boring.

He is a funny boy.

Cheng Xiyu held the wine glass and looked directly at Qin Yu's eyes.

is like trying to see through his truest thoughts.

Qin Yu looked at her calmly, without the slightest panic.

That's how you look at me, I look at you...

Qiqi and Huanhuan, who were still tit-for-tat just now, were stupid.

They suddenly realized that they seemed to have made the wrong threat from the beginning.

Cheng Xiyu, whom Brother yu personally called, is the biggest threat among all the women present.

It is a pity that the two of them seem to have discovered it too late.

looked at each other and finally ended with Cheng Xiyu surrendering first, shyly looking away.

Cheng Xiyu smiled and said, "I believe in your ghost."

"Look at you, always think of people badly, there are still good people in this world."

Qin Yu is a little helpless, can't you trust more between people?
