Chapter 3: Seafood is poisonous

"Do you know yourself?" Qin Yu nodded in approval.

"Wang Hao, how do you talk?"

Li Xiaoli turned and angrily said: "Qin Yu is our classmate, besides, you can only afford 718."

嚯!

718 all become 'only affordable,' awesome!

In fact, Li Xiaoli didn't intend to speak to Qin Yu at all.

She just wanted to stimulate Wang Hao and let him buy a Lamborghini for herself.

Porsche beautiful is beautiful!

But you have to talk with 918, want to fool yourself with 718?

Humph!

She is not a fool who doesn't understand cars.

"Lamborghini is really good, Banhua, would you like me to see you off."

Qin Yu understands naturally, he is not a fool, and he is happily watching the excitement.

"give away?"

Wang Hao angrily shouted: "What do you take to give it, do you blow it with your mouth?"

???

I think, but people agree?

"Mr. Qin is the VIP of our Lamborghini headquarters, and the only customized version of Xia Feng Golden Dragon in the world outside is Mr. Qin's."

Qin Yu hasn't said anything yet, Zhaoyang is very sensible to justify him.

glanced at Zhaoyang with satisfaction.

This Xiao Zhao is not bad, it will come!

got the eyes of the boss applauded.

Zhaoyang called a happy one, and his face was distorted with a smile.

If the other party is humiliated in the store, it will feel blocked later when I think about it...

How does he hold his thigh?

"How is it possible that he can afford a Lamborghini?"

Wang Hao is dumbfounded, this script is wrong!

Isn't Qin Yu a poor man?

should have been slapped in the face by myself now, so embarrassed that I am embarrassed, and get rid of it!

Or what private customized version, Xia Feng Golden Dragon?

Wang Hao slipped a few taps on the phone, his expression even more embarrassed.

This will make the whole face hot, like being slapped several times in a row.

People know themselves, and the picture of Qin Yu nodding approval came to mind.

'I don't know what the body is like? '

Qin Yu didn't care about the other party's complaints at all, but was rather curious about Ban Hua's figure.

He needs to care about a child who asks for money from his family, and understand that he earns one million a month!

‘Seafood allergy, ha, I laughed to death.’

‘Brother Yu, please bring me!’

‘Okay, you can contact Baozi and make an appointment at night.’

After driving a few laps on the road, Qin Yu was also thoroughly familiar with the car's conditions.

Although it has the title of [Old Driver].

After getting familiar with the car, his handling of the vehicle has obviously increased.

This is to directly ask Qin Yu to stop at the door of the store.

Outside the store, Cheng Xiyu, who was looking for materials in the waste city, was focusing his lens on the gold version of Lamborghini.

said excitedly: "Partners, let's see what we find?"

'I changed it myself, right? '

'I also look like it, the original color hasn't appeared before. '

'Is this golden? '

'Fuck, Xia Feng's private customized version. '

"Quack, my old lady is so lucky, I can see the Xiaofeng Golden Dragon here, no, I have to take a picture."

When the barrage was swiping, Cheng Xiyu also checked the information, which would secretly excite that she was so lucky.
