At the same time, his live broadcast room also exploded.

“I’m going... this is a cultivator.”

“The old wolf has made a fortune. This armor is definitely not a common thing.”

, The people in the live broadcast room saw it clearly, and at this time they were discussing wildly in the comment area.

At this moment, in the high sky, Yue Feng had already flown a thousand meters away, and he was also very anxious.

I walked in a hurry just now, and I didn’t have time to unblock Su Qingyan and Liu Ruxue in the cave. I don’t know what happened to them now. If they were discovered by other patrolling soldiers, it would be troublesome.

A few minutes later, Yue Feng was outside the cave.

However, Yue Feng did not rush in, but looked around to see that there were no magic soldiers nearby, so he shouted in a low voice: “Qingyan, Liu Ruxue...”

However, the cave was silent, No one responded at all.

Oops.

Yue Feng realized that something was wrong, rushed in quickly, and when he saw the scene inside, he immediately stood on the spot.

I saw that the cave was empty, where could there be the figures of Su Qingyan and Liu Ruxue?

It’s over, could it be that after leaving just now, another team of magic soldiers came in and took two Qingyans?

Anxious in his heart, Yue Feng carefully observed the situation in the cave, and keenly found that there was not much change in the cave except for the traces of the previous fight. That is to say, after the Xiang Liu escaped, Su Qingyan and Liu Ruxue did not encounter each other. what a danger.

Perhaps, Qing Yan and the two rushed to open the acupoints and left.

Forget it, go back to Donghai City first, and then find a way to meet Brother Wen and the others.

Thinking to himself, Yue Feng didn't dare to stay for a long time, so he quickly left the cave and rushed towards Donghai City.

...

At this time, on the side of Tokai City.

To the southeast of the city, there is an antique garden.

The garden is built on a hillside, not far from the seaside. The buildings inside are scattered, carved beams and painted buildings, and the environment is beautiful. Sitting in the garden behind the garden, you can have a panoramic view of the seaside not far away.

Because many begonia trees are planted, it is called Begonia Garden.

Haitang Garden was built by Tianmen in recent years as a healing place for injured disciples. Therefore, Haitang Garden has always been quiet and peaceful.

In recent days, Haitang Garden has been very lively. Before, the Hailong Palace and Tianmen fought several times, and finally destroyed the main altar of Tianmen, and even took control of the entire Donghai City.

However, after Qin Tianjian and Hailong Hall were all destroyed, Tianmen disciples gradually regained control of Donghai City. Because there was no main altar for the time being, Haitang Garden became a temporary meeting place.

Just yesterday, Sect Master Yue Wuya brought Hai Ling'er and a distinguished guest back to Haitang Garden. In an instant, many disciples from Tianmen came to pay their respects.

At this time, the sun was setting, and the entire Begonia Garden was lit up, and the hall was filled with a lively atmosphere.

In the center of the hall, a table of sumptuous wine and dishes was arranged.

There were several people sitting on the table, Yue Wuya, Hai Linger, Wen Chou Chou and Sun Dasheng.

In the afternoon, Wen Chou Chou and the others returned to Donghai City, and when they learned that Yue Wuya was in Haitang Garden, they rushed back immediately. At that time, Yue Wuya was very excited. He was worried about Wen Chou Chou and

everyone. Seeing that they were all safe and sound, he immediately set up a banquet to celebrate.

“Uncle Wen, Uncle Great Sage.”

At this moment, Yue Wuya raised his glass with a smile: “This glass, congratulations on our reunion.”

Hearing this, Wen Chou Chou and Sun Dasheng both raised the glass with a smile.

After a glass of wine, Wen Chou Chou took a deep breath and couldn't hide his worries: “Ya'er, if you want to talk about reunion, you're still missing your father, and you don't know how he is now.

” In the main altar, Yue Feng had to take risks alone, and he had to worry about it.

“Ya'er.” As soon as he finished speaking

, Sun Dasheng also looked at Yue Wuya with a serious face: “Did your father send someone to bring news?” The

brothers said that Yue Wuya was a little confused.

In the next second, Yue Wuya reacted and shook his head: “Dad didn't ask someone to bring the news? Uncle Wen, Uncle Dasheng, what's going on? You...have you met my father?”

## The ultimate husband in Chinese chapter 5612

Hmm!

Wen Chou Chou nodded, then sighed softly, and explained in detail what happened to Yue Feng in Xia Yinzong before. At the end, Wen Chou Chou couldn't hide his worries: “Although your father is resourceful, the other party is the God King Haotian

after all. I'm really afraid that something will happen to him.

“

, said with some annoyance: “I knew Fengzi would lose the news, what was said at that time, I also stayed with him in Xia Yinzong.” The

three brothers once swore that they would live and die together, if something happened to Yue Feng. , Sun Dasheng will not be at ease for the rest of his life.

What?

Hearing these news, Yue Wuya's heart trembled, and the hand holding the wine glass couldn't stop trembling: "My father, is back?"

Yue Feng has been away for a few months, Yue Wuya is thinking about it all the time, I learned from Prince Aotian before that Yue Feng had returned to the Kyushu Continent, but Yue Wuya was very excited. At this time, he learned that his father took a risk and saved Wen Chou Chou and Xia Yin Zong people. , and some unspeakable worries.

Because Wen Chou Chou said it well, but the other party is the famous Haotian God King in the Divine Realm.

"Haha..."

However, at this moment, a loud laughter came from outside: "Don't worry, Brother Yue, when you dealt with the demons in God's Domain, they were all good at it, and this difficulty couldn't help him. ."

While talking and laughing, a man walked slowly into the hall with an extraordinary temperament.

It is Prince Aotian.

Of course, the Prince Aotian at this time was still the same as Ren Pingsheng.

This chapter is provided by . Visit for daily update.

Um?

At this moment, Wen Chou Chou and Sun Dasheng were stunned for a moment.

The aura that pervades this person's body is very strong, it can be said to be unfathomable, but he is very face-to-face. I don't remember that there is such a number one person in Kyushu mainland.

"Mr. Ao."

Yue Wuya hurriedly stood up, first greeted them, and then introduced them to Wen Chou and Chou, "Uncle Wen, Uncle Great Sage, let me introduce, this is Mr. Ao from God's Domain, and Father is a friend."

When he said this, Yue Wuya looked at Prince Aotian's eyes, unable to hide the respect.

Feng Zi's friend in God's Domain?

Hearing the introduction, Wen Chou Chou and Sun Dasheng did not dare to neglect, and stood up and saluted.

“Don’t be so polite.”

Prince Aotian smiled and waved his hand slyly: “You are Yue Feng’s sworn brothers, that is, my friends, so don’t be so polite.” After

speaking, he was unceremonious . sat down at the wine table.

Yue Wuya quickly poured the wine. Prince Aotian held a glass of wine and chatted with Wen Chou Chou who were eloquent. Anyway, Ren Pingsheng, who he took over, was from the Ziwei Continent, so he was not afraid of revealing his identity.

After chatting for a while, Prince Aotian took the opportunity to inquire about Yue Feng’s situation: “Palace Master Wen, Sect Master Sun, can you tell me about the situation at that time?”

When asked, Prince Aotian seemed concerned on the surface, but there was something in his eyes. Dimly gloomy.

You must know that the current situation is very beneficial to Prince Aotian. He has already thought about it. If something happens to Yue Feng, he will take the opportunity to control Tianmen and Wen Chou Chou for his own use.

If Yue Feng is not dead, then make a good deployment.

Wen Chou Chou didn’t know the true face of Prince Aotian, so he told the situation in detail without any hesitation at that time.

Phew...

Knowing the situation, Prince Aotian breathed a sigh of relief and said with a smile: “Don’t worry, Hall Master Wen, according to what you said, Brother Yue should be fine, even if he is caught, the God King Haotian will not dare to deal with it. How is he?”

“But we can’t take it lightly. In the past two days, we must pay close attention to the situation in the rivers and lakes.”

Having said that, Prince Aotian turned his head to look at Yue Wuya: “Once there is news of your father, we must first Notify me as soon as possible. Well, I have to retreat and cultivate, so I won’t accompany you.” After the

last word fell, Prince Aotian got up and clasped his fists, and left the hall.

I have already understood the general situation of Yue Feng, and there is no need to stay here to drink. It is necessary to arrange everything before Yue Feng returns.

## The ultimate husband in Chinese chapter 5613

Wen Chou Chou three stood and watched Prince Ao Tian leave.

call!

Seeing Prince Aotian leaving the hall, Wen Chou Chou suddenly thought of something, couldn't help taking a deep breath, and his face became solemn.

Seeing that his face was wrong, Sun Dasheng couldn't help but ask: "Brother Wen, what's wrong?"

Wen Chouchou shook his head and said uncertainly, "I don't know, I always feel that something is wrong with this Mr. Ao, do you remember? , When I met Fengzi in Xia Yinzong before, I never heard him say that he and a friend from the Divine Realm came to Kyushu together."

Wen Chou Chou was thoughtful and didn't think anything at first, but just now this Mr. Ao, who kept asking about Yue Feng's situation, suddenly made Wen Chou Chou suspicious.

This...

Sun Dasheng scratched his head and thought for a while: "It seems that Fengzi has never mentioned it."

Wen Chouchou thought for a while, and asked Yue Wuya, "Ya'er, how did you meet this Mr. Ao? ?"

Yue Wuya put down his wine glass and explained how he met Prince Aotian at that time.

"Falling down from the sky with a few crazy beasts?"

Wen Chou Chou couldn't help but mutter to himself when he learned of the situation, and he became even more suspicious of this Mr. Ao in his heart.

Thinking to himself, Wen Chou Chou said earnestly, "I'm not sure if there is anything wrong with Mr. Ao, but we can't take it lightly. In the past few days, we should monitor him closely first, and remember not to be discovered."

Well!

Hearing this, Sun Dasheng and Yue Wuya both nodded.

.....

On the other side, the Earth Circle Continent Kyoto.

Kyoto is the economic and cultural center of the Earth Continent. It has a long history of 5,000 years. It is the largest and most prosperous city on the Earth Continent.

Just north of the outskirts of Kyoto, there is an Amethyst Mountain. The mountain is rolling and rolling. From a distance, it looks like a dragon lying prone. It is a rare Feng Shui treasure.

Halfway up the mountain, there is a magnificent architectural garden, which is the residence of the famous Nalan family on the rivers and lakes.

The Nalan family has a long history. It is not only a hidden cultivating family, but also has family businesses all over the place. When Yue Feng signed up for the Donghai City Shangwu Academy, he and the then eldest lady of the Nalan family, Nalan gladly became a classmate.

And a month ago, Nalan Wushuang, who made a scene of Xia Yinzong and slandered Yue Wuya and Moyan who gave birth in private, was also the young lady of Nalan family. In terms of seniority, Nalan Wushuang wanted to call Nalan Xinran an aunt.

In the north of Amethyst Mountain, there is another mountain peak, called Luochan Peak. There is a Luochan Temple on the peak. It was a Buddhist holy place two thousand years ago

. In the sphere of influence, the monks of Luochan Temple at that time moved to other places in order to avoid their edge, and Luochan Temple was abandoned.

After a lapse of nearly a thousand years, Luochan Temple has long been dissatisfied with its former glory, but it is still well preserved and can be regarded as a famous scenic spot near Kyoto, but because within the sphere of influence of the Nalan family, almost no one dares to come here to explore.

At this time, in the overgrown Luochan Temple, a figure was sitting quietly in the hall, closing his eyes and resting.

The whole body is filled with a strong and evil aura, and his face is gloomy and cold.

It was Gogne.

After encountering Yue Feng in Huashan before, Yue Feng and Gone played psychological tactics at that time, pretending to be aided by the God King Haotian behind him, Gone was stunned and left decisively at that time.

After leaving Huashan, Gone passed by Luochan Temple. Seeing that it was already desolate and almost no one came, he simply descended and meditated to restore the power of his demon soul. You must know that in the Xia Yinzong main altar, he was first besieged by Zhou Tianxingdou, and then he fought against the Haotian God King, and Gone's strength wasted a lot.

In order to avoid being traced by the subordinates of the God King Haotian, Gone deliberately changed his appearance before recovering from the meditation.

Shasha...

Just as Gone was recovering from meditation, suddenly, he heard footsteps coming from outside the monastery. There were a lot of people listening, but the footsteps were very light, obviously the strength of the visitors was not bad.

Soon, more than a dozen figures poured into the temple, all wearing tight-fitting clothes, each with a ferocious appearance, holding a long knife in their hands, and at first glance they were not good.

Moreover, several of them were carrying bamboo baskets with various strange tools in them.

## **The ultimate husband in Chinese chapter 5614**

These people are the people of the mouse door.

Although the members of the Rat Society are all practitioners, they seldom participate in the disputes between the rivers and lakes, and they specialize in digging ancient tombs. Speaking of which, Yue Feng had some connections with the Rat Society before. Back then, when Liu Xuan was framed by the Liu family, she almost lost her life in Huangquan, but she finally managed to save her life when she met someone from the Rat Society.

After that, Yue Feng was framed in Shengzong, fell off the cliff, and happened to meet the gang of mouse meeting who rescued Liu Xuan, and Yue Feng and Liu Xuan were able to reunite.

At this time, the members of the rat group who came to Luochan Temple, the leader was called Boy Scout, who was a sub-altar of the mouse group. He was tall and had a brutal and fierce personality.

In the past few days, the boy scouts have passed through Kyoto with their subordinates, and when they heard that there is an ancient tomb under the Luochan Temple, they immediately brought their subordinates to investigate.

In the entire river and lake, everyone has to give the Nalan family a bit of a thin face, but the mouse will never act according to the rules, as long as the ancient tombs they are eyeing will never miss, no matter whose territory.

In particular, this boy scout is notoriously ruthless. On the way to Luochan Temple just now, he encountered two patrolling disciples of the Nalan family. At that time, the boy scout kept killing two disciples of the Nalan family. , Throwing the corpse in the mountains.

Swish!

At this time, Tong Jun and the others entered the temple, and saw God King Haotian at a glance.

In the next second, the boy scout said coldly, "Where's the stinky beggar from? Hurry up."

Gogne had fled all the way after the fierce battle of Xia Yinzong, and his body was dirty. At this time, in the eyes of the boy scout, And beggars no doubt. Although Boy Scouts are ruthless, they don't disdain to shoot at a beggar for fear of getting their hands dirty.

When the retreat was disturbed, Gone was very angry, his eyes slowly opened, and he said coldly: "Go away!" The

voice fell, and a strong suffocation permeated his body.

Mad!

The boy Scout was instantly angry, his eyes flashed fiercely, and he shouted: "The beggar is courting death." The

voice fell, the boy Scout raised his right hand, clenched a machete, and rose up into the air, rushing straight towards Gone.

hum!

When he was in the air, the machete in the boy's hand waved a cold light, and he saw that the air was distorted, and the momentum was amazing.

Seeing the Scout rushing in, Gone's face was extremely gloomy. At this critical moment in his cultivation, he rashly urged the power of the demon soul, which would be backlashed.

But how can a human like an ant dare to be presumptuous in front of his own dignified Demon Clan Supreme?

Annoyed, Gone coldly spit out a few words: "Ignorance ants." The moment the words fell, his right hand suddenly lifted, and he slapped it with a fluttering palm.

This palm seemed to be an understatement, but the boy Scout changed color in shock. He clearly felt that the surrounding air seemed to be stagnant, and the terrifying aura made him almost breathless.

boom!

In a panic, the boy scout wanted to retreat, but it was too late. He slapped his palm hard, and heard a roar. Before the boy scout could let out a scream, he was sent flying, and finally smashed into the gate of the temple gate. up, and then fell heavily.

The moment he landed, he saw that the boy scout was covered in blood, his pupils were dilated, and he had died of anger.

Hiss....

Seeing this scene, the other rats around the group were all shocked, and they all gasped secretly.

This beggar is too strong, right?

Just one move to kill the altar master?

Soon, Hong Wei, the deputy altar master, suppressed his shock, took a step forward, and glared at Gone: "Who are you? How dare you sign up?"

"The forcible move just now caused the power of the demon soul to be disordered. If it is not suppressed in time, the consequences will be unimaginable."

Mad, what a big shelf.

Seeing that Gone didn't answer, Hong Wei scolded secretly, and at the same time he noticed that the power of the beggar-like eccentric in front of him was disordered, and he showed a smile at that time: "So you are here to heal your wounds, since that's the case, you dare to Taking action on our altar master is really courting death."

After speaking, Hong Wei waved his hand, ready to greet his companions to swarm over.

Although this weirdo is very powerful, he was injured, and he should be able to kill him with so many people.

## **The ultimate husband in Chinese chapter 5615**

Whoosh!

However, at this moment, a slender figure flew from not far away and landed on the roof of the main hall, dressed in a long white dress, with delicate facial features, ice muscles and jade bones, like a fairy.

It was Nalan gladly.

If Yue Feng was present, he would definitely be amazed. Although it was many years later, Nalan's happy appearance was almost unchanged compared to that year. His skin was better than snow, like an eighteen-year-old girl.

At this time, Nalan happily looked at the corpse of the boy scout, then looked at Hong Wei and the others, and said coquettishly: "You mice are really bold, you dare to break into the forbidden area of my Nalan family."

Although the Luochan Temple is deserted For many years, but because it is within the sphere of influence of the Nalan family and it is a historic site, it has been listed as a restricted area by the Nalan family.

Huh...

Hong Wei and the others did not respond when they heard Jiao's drink, but held their breaths one by one, looking at Nalan Xinran's eyes.

beautiful!

How beautiful!

The white clothes fluttering, the delicate face with graceful curves, coupled with the cold and arrogant temperament, is simply too charming.

At this time, Gone, who was still sitting cross-legged in the hall, although he didn't see Nalan's happy appearance, he was stunned when he heard the pleasant drink.

Who is this woman?

At the same time, Gone was also inexplicably irritable, and the situation became more and more chaotic. If he knew this, he had chosen a hidden place before.

“Hey...”

This chapter is provided by . Visit for daily update.

Outside the hall, Hong Wei was stunned for a few seconds, then looked at Nalan Xinran with a smile that was not a smile: “With such a national beauty, you must be Miss Xinran of the Nalan family. Hearing Fang’s name, seeing it today, it really lives up to its reputation.”

“Miss Xinran, don’t make a fuss, we came here because we heard that there is a tomb under this ancient temple, so we came to investigate it, and did not mean to offend your Nalan family. If Miss Xinran is interested, we will find the tomb path later. You can go down with us to investigate, hehe...”

When he said this, Hong Wei looked calm.

He knew that Nalan Xinran was not weak, but with so many people on his side, he didn’t panic at all.

Swish!

Seeing the frivolity on his face, Nalan’s happy and delicate face could not hide the anger: “Shut up, you killed two disciples of my family just now, and you said that you didn’t mean to offend?”

“You shameless gangsters, all of you today Don’t want to leave.” The

voice fell, and Nalan happily rose up, holding a soft sword in her jade hand, like a shock, coming straight towards Hong Wei.

Half an hour ago, Nalan Xinran was walking in the back mountain and accidentally discovered the bodies of two disciples. Nalan Xinran was knowledgeable and knowledgeable, and knew the paths of various sects on the rivers and lakes. Died at the hands of the Rat Society.

At that time, Nalan Xinran immediately guessed that the mouse would definitely be eyeing LuoChan Temple, and rushed over immediately. The death of the two disciples, Nalan Xinran was already on fire. At this time, seeing Hong Wei’s open-mouthed ridicule, he couldn’t help it at all.

“Oh...”

Seeing Nalan Xinran stabbed with a sword, Hong Wei didn't panic at all, but shouted with a laugh: "Brothers, this Miss Xinran is very angry, everyone, don't be stunned, Let's play with her."

After speaking, Hong Wei pulled out his ghost-headed dagger and met Nalan Xinran.

Whoa...

At the same time, the other mice around him, waiting for others, also erupted one after another, quickly surrounding Nalan Xinyi. In the blink of an eye, the two sides were fighting fiercely.

Bang bang bang... During

the fierce battle, Hong Wei and the others were seen clenching their long knives, cooperating closely with each other, and their pace changed, as if they were a sword formation. You must know that mice will often explore ancient tombs, and they have seen a lot of mechanical formations, and naturally they have learned a lot.

However, Nalan is pleased to be erudite and talented, and has a very high level of accomplishments in the fighting technique. An ordinary sword formation naturally cannot trap her.

Chi Chi...

In less than two rounds, Nalan Xinran's swordsmanship was like a dragon, and soon several disciples of the Rat Society were stabbed by the soft sword and lost their combat effectiveness.

After stabbing several disciples of the Rat Society, Nalan happily locked his eyes on Hong Wei: "Go to hell." The last word fell, and the soft sword was like a shooting star, stabbing towards Hong Wei's heart.

## **The ultimate husband in Chinese chapter 5616**

Gudong!

Feeling the power of this sword, Hong Wei couldn't help swallowing his saliva. He couldn't dodge at the time, so he quickly activated his inner strength and deployed a protective film in front of him.

Bang...

As soon as the protective film was condensed, Nalan Xinran's sword had already stabbed fiercely, and when he heard a vibration, the protective film suddenly shattered.

After smashing the protective film, the soft sword Yu Wei did not diminish, and stabbed Hong Wei fiercely. In an instant, blood sprayed, Hong Wei staggered back a few steps, and his face instantly paled.

Mad..

At this moment, Hong Wei wiped the blood from the corner of his mouth, and looked at Nalan Xinran tightly, terrified and angry.

This woman is so ruthless, she is killing her.

He was frightened and angry, but Hong Wei didn't panic at all. At that time, he smiled and said: "Miss Xinran, we don't have any deep hatred, there is no need to put people to death like this."

Facing Hong Wei's frivolous attitude, Nalan Xinran bit her tightly. He pursed his lips, and was too lazy to talk nonsense at that time, his delicate body flashed, and he came to Hong Wei again with his soft sword clenched tightly.

Whoops... The other ratmen

around reacted and rushed up one after another, fighting with Nalan gladly.

However, the Rat Society is just an unpopular Jianghu sect. Although the number of people has an advantage, it cannot suppress Nalan Xin. On the contrary, in less than two minutes, several more members of the Rat Guild were stabbed by Nalan Xin. Lost combat effectiveness.

During this period, Hong Wei has been hovering on the edge of the battlefield, waiting for the opportunity to shoot.

At this time, a member of the Rat Society was severely injured, but Nalan Xinran also consumed a lot of internal energy. When he saw this situation, Hong Wei knew that the opportunity was coming.

This chapter is provided by . Visit for daily update.

"Step aside."

Hong Wei shouted loudly, quickly took out a dark wooden box from his body, and then shouted at the surrounding companions: "Take the red bee antidote, hurry up..."

Hearing this, the surrounding members of the rat society all rushed He took out the medicinal pill from his body and took it. At the same time, when he saw Hong Wei taking out the black wooden box, he couldn't hide the fear in his eyes.

After taking the medicine pill, the members of the Rat Society subconsciously took a few steps back.

And after Hong Wei shouted the last word, he directly opened the black wooden box, then pointed the opening at Nalan Xinran, and shouted: "Miss Xinran, I didn't want to hurt you, but you have been aggressive, it's strange I can't do it anymore."

Om... In an

instant, a buzzing sound was heard, and then, hundreds of blood-red poisonous bees swarmed out of the black wooden box and quickly flew towards Nalan Xinran. .

I saw that these poisonous bees were twice the size of ordinary bees, and their bodies were crimson red. Hundreds of them gathered together, and looked like a flame from a distance.

This poisonous bee is called Chifeng. It is a poisonous bee specially bred by rats. You must know that rats are only interested in ancient tombs. In addition to traps, there are other dangers in ancient tombs, and the environment is dark and humid. People who are not strong can easily be invaded by Yin Qi.

Therefore, the Rat Society developed this unique Chifeng, which can resist the cold air in the ancient tomb, and Chifeng contains fire poison. It can be said that using Chifeng to fight the enemy is an important means of life-saving for the disciples of the mice.

Hong Wei originally did not plan to use Chifeng to deal with Nalan Xinran. After all, this woman is so beautiful that she is even more beautiful than a fairy in the sky. It would be a pity if Xiangxiaoyu was damaged. Not so much.

Swish!

Seeing so many Chifeng flying over, Nalan's delighted and delicate face turned pale in an instant, and his heart also panicked.

Women love beauty, and Nalan Xinran is the same. It would be ugly if they were stung by these poisonous bees.

Thinking to himself, Nalan gladly didn't have time to think too much, waving his soft sword, forming a sword shadow around his body, which was impenetrable and prevented these Chifeng from getting close.

However, Nalan Xinran didn't know that this Chifeng's IQ was higher than that of ordinary bees. Seeing that there was no chance to approach it, he changed his direction and attacked Nalan Xinran's slender snow-white ankle.

Nalan Xinran had no idea that these Chifengs would have such an IQ. At that time, before he could react, he was stung by several red envelopes on his ankle.

## The ultimate husband in Chinese chapter 5617

Om!

At this moment, Nalan Xinran only felt his brain buzzing, and he clearly felt that the place where his ankle was stung, there was a burst of burning heat.

As the burning sensation became stronger and stronger, Nalan Xinran only felt dizzy and could barely stand still.

However, Nalan Xinran still gritted her teeth and tried to calm herself down.

At the same time, I was also shocked beyond words.

This... these blood-red venomous bees are so powerful?

Seeing that Nalan was pleased to be hit, Hong Wei showed a smile, stretched out his hand and sprinkled a white powder in the air, and saw those red bees getting up one by one, obediently getting into the black wooden box.

After collecting the red bees, Hong Wei was full of pride, and smiled at Nalan Xin Ran: "Miss Xin Ran, I said just now, if you really want to do it, you are not necessarily an opponent. Believe it now.

" He walked towards Nalan Xinran step by step.

"Go away, don't come near me."

Feeling the evil thoughts in Hong Wei's eyes, Nalan happily bit her lip, her pretty face flushed red, and she started drinking: "If you dare to touch me, you will die without a burial. Earth."

Nalan Xinran's eyes were full of shame and anger as she drank these.

The eldest young lady of her dignified Nalan family, the next successor of the patriarch, has fallen into the plot of these rat clubs at this time, which is simply a great shame.

"Hehe..."

Hong Wei grinned and looked at Nalan Xinran with great interest: "Miss Xinran's temper is really hot, don't be nervous, I won't treat you like that."

This chapter is provided by . Visit for daily update.

“Just, you I was stung by my Chifeng, of course I will be responsible...”

When Hong Wei said this, his tone was very sincere, but his eyes were looking up and down Nalan Xinran recklessly, like a wolf who found his prey.

At this time, Hong Wei was very clear in his heart that after trespassing in Luochan Temple was discovered today, Nalan Xinran would not spare the rat meeting lightly.

After all, this Nalan is glad to be so sexy and charming, if he gets it, it would be worth dying immediately.

Swish!

Hong Wei's words made Nalan feel ashamed and angry. At this time, seeing him getting closer and closer, he was ready to take action, but the ankle that was stung by Chifeng became more and more swollen, and the burning feeling became stronger. It's like being roasted on a fire.

Faced with this situation, Nalan Xinran almost burst into tears.

“Go away! Or die!”

Seeing that Hong Wei was about to come to Nalan Xinran, just in the nick of time, a cold shout came from the hall, and then, Gone came out with a violent face. .

Gonie and Nalan Xinran didn't know each other, so naturally they didn't help her.

In the hall just now, Gone's practice was interrupted at a critical moment. Although he killed the Boy Scout at that time, it also caused the power of the demon soul in the body to be disordered.

After Nalan happily appeared, Gone thought she could easily kill these people, but she never thought that although this woman was strong, she didn't have much experience in rivers and lakes. In the end, she actually ate on a small poisonous bee. Lost.

Speaking of which, Gogne and Nalan Xinran didn't know each other, and Gogne didn't bother to care about what happened to her and the mouse. However, Gogne also knew in his heart that after the group of mice had dealt with this woman, the next target was himself.

After all, Gogne had just killed their altar master scout before.

More importantly, at this moment, the power of the demon soul in Gone's body is getting more and more out of control.

Swish!

Seeing Gone coming out, Hong Wei was stunned for a moment, then his pupils shrank slightly: "Dead beggar, I almost forgot about you. What? Do you want to die together?"  
Hong

Wei waved his hand suddenly.

In an instant, the surrounding rat club members rushed up and surrounded Gone.

At the same time, Nalan Xinran was also taken aback, looking at Gone in his eyes, unable to hide his doubts.

Who is this person?

Because Gone was attacked by the power of the demon soul in his body, Nalan gladly couldn't perceive his strength, but when he met the terrifying eyes, he could guess that this man was not an ordinary person.

"You..."

Under the doubts, Nalan eagerly and instinctively asked Gone, but just said a word, the fire poison of the red wasp attacked in waves, the eyes were black, the delicate body fell to the ground, and he fainted. past.

## **The ultimate husband in Chinese chapter 5618**

Seeing that Nalan fainted with pleasure, a trace of greed flashed in Hong Wei's eyes.

This Nalan Xinran is the famous goddess of the Nalan family. If she can enjoy the tenderness, this life will be worth it. But before that, we must first solve this stinky beggar.

Thinking to himself, Hong Wei shouted at the surrounding rat club members: "What are you still doing? Kill him and avenge the master of the altar."

Wah la.. The

voice fell, and the surrounding rat club members pulled out their weapons one after another. , slashed towards Gone.

In the face of this situation, Gone's eyes flashed a trace of sinister: "A bunch of ignorant ants, since you are courting death, then I will fulfill you."

Om!

The moment the last word fell, I saw Gone slowly raising his right hand. In an instant, the surrounding air suddenly distorted, and then, a dark red flame condensed.

This flame was formed by the power of his demon soul.

The next second, Gone raised his hand and waved, and the flames drew a dark red trajectory, drifting towards the crowd.

“Boom!”

The speed of the flames seemed to be very slow, but they reached the crowd in the blink of an eye. In an instant, a roar was heard, and all the rats present were ignited, even Hong Wei was no exception.

“Ah...”

“Help...”

“I don’t want to die.”

In the dark red sea of fire, whether it was Hong Wei or the surrounding rat club members, they let out a shrill cry, less than a short time later. Within a dozen seconds, the screams gradually disappeared, and everyone in Hongwei was completely burned to ashes.

For a time, only a trace of burning was left in the dilapidated temple, as if the Boy Scouts, Hong Wei and others had never been there.

Gone stood at the door of the main hall, his eyes were blood red, and his face was changing.

The recuperation was interrupted just now, and he received a backlash. Just now, he forced the power of the demon soul to condense the flames. The disordered state could no longer be controlled.

Pfft ...

Finally, Gogne spewed out a mouthful of blood, passed out and lost consciousness.

“Miss, ma’am...”

Not long after the coma, there was a call from outside the temple. After a while, dozens of disciples of the Nalan family walked into the Luochan Temple quickly, all looking anxious.

These disciples are all here to find Nalan Xinran. You must know that after graduating from the Martial Arts Academy, Nalan Xinran seldom walked around the rivers and

lakes, and spent most of the time practicing in the mansion or studying academics. When he disappeared, the entire Nalan family was almost in a mess.

After all, Nalan Xinran was the heir to the patriarch.

“Here.”

“It’s the eldest...”

“Quick...”

After the disciples entered Luochan Temple, they saw Nalan Xinran who had collapsed on the ground. .

After confirming that Nalan Xinran just fainted and had no life worries, all the disciples secretly breathed a sigh of relief, and then several female disciples quickly brought Nalan Xinran back to the mansion.

It was at this time that the other disciples also discovered Gone who had passed out at the entrance of the main hall.

“There is someone here...”

“The origin of this person is unknown, and it must be related to the coma of the young lady.”

“Tie it up, go back and hand it over to the patriarch.”

Because Tong Jun and Hong Wei were all burned to ashes, and no clues were left at the scene, the disciples of the Nalan family subconsciously determined that Nalan fainted with joy , and Gone is inseparable.

Soon, everyone tied up the unconscious Gogne and took it to the Nalan family’s mansion.

late at night!

The Nalan family mansion was brightly lit, but the discussion hall was filled with depression and solemnity.

The patriarch, Nalan Hongzheng, sat on the main seat.

There were more than a dozen clan elders sitting on both sides. Behind these elders, dozens of young clan talents stood there in unison.

Next to Nalan Hongzheng, sat Nalan Xinran who had just woken up.

Just now, Nalan Xinran explained in detail what happened to him before he fell into a coma. However, when everyone heard it, they were all puzzled. After all, when Nalan Xinran was found, there were traces of fighting and burning around him. There is no sign of a rat meeting person at all.

“Xinran.”

At this time, Nalan Hong was looking at Nalan Xinran seriously: “Are you sure you really met someone from the Rat Society?”

Nalan nodded happily: “It’s not wrong, I was bitten by the poisonous bee they released at that time, and finally caused a coma.” As

soon as the voice fell, a young disciple came out and said seriously: “Xinran , when we found you, it was just you and an odd man, no one else at all.”

How is that possible?

For a time, Nalan happily frowned, how could so many people disappear suddenly?

At this time, Nalan Hongzheng waved his hand: “Bring that stranger here.”

“Yes, patriarch.” The

two family disciples responded, and then quickly walked out of the hall, and after a while, dragged Gone back When I got to the hall, I saw that Gone’s eyes were closed, and he was still in a coma.

First, the recovery from practice was interrupted, causing the power of the demon soul to be disturbed, and then he forced the power to condense the demon fire. Therefore, at this time, Gone’s situation was still very dangerous.

At this time, Nalan Hongzheng looked at Gone and said coldly, “Wake up with water.” As soon as the

voice fell, a disciple immediately brought a bucket of cold water from outside and poured it directly on Gone’s head.

Wow ...

stimulated by the cold water, Gogne suddenly woke up. After opening his eyes, he was stunned when he saw the situation in front of him. The next second, when he saw Nalan sitting there happily, Gogne quickly calmed down. down.

“Who are you?”

At this time, Nalan Hong was staring closely at Gone, and asked in a bad tone: “Why did you appear in the forbidden area of my Nalan family?” The tone was high, full of arrogance.

In Nalan Hongzheng’s eyes, the person in front of him was in a state of embarrassment, and he definitely had no status in the arena.

At this time, Nalan Hong still didn’t know that the man in front of him was the supreme being of the Demon Race who made the entire Divine Realm change the color of the conversation, and his identity was beyond his imagination.

Swish!

Nalan Hongzheng’s attitude made Gone very unhappy.

It’s a shame that the dignified Demon Clan’s Supreme Being was interrogated like a prisoner.

But thinking of his current state, Gone still endured it. He is very weak now, not to mention the battle with the God King Haotian, even in the face of a human master like Nalan Hongzheng, he is secretly confident of winning.

At this time, facing Nalan Hongzheng’s questioning, Gone thought for a while, and said slowly: “My name is Nie Zhan, I was originally a nobody, but I practiced a practice technique for the past two days. So I entered that temple.”

“I don’t know that temple, it’s your restricted area, please forgive me.”

When he said this, Gone’s face was calm and serious.

To be honest, in the past, Gogne never bothered to waste his saliva with human cultivators, but now and then, in the current situation, Gogne had to restrain his sharpness.

Phew....

Hearing this explanation, Nalan Hongzheng took a deep breath and looked at Nalan happily. In the next second, Nalan Hongzheng

thought for a while, and continued to ask: “What kind of exercise can make you go crazy? Also, did you break into the rat club in the Zen Temple before?”

, Gone was very displeased, but he still answered patiently: "I only practice some second-rate exercises, and they can't be on the table at all."

"As for those who are in the rat club, I don't know where they went. ..."

Speaking of this, Gognier looked at Nalan Xinran: "After this young lady was in a coma, I also lost consciousness because of my infatuation. I don't know what happened after that."

After answering, Gognier said He was very serious, but there was a bit of complexity in his eyes.

The identity of the Supreme Being of the Demon Race must not be exposed. In this case, it is natural to keep a low profile, the better.

This...

At this moment, Nalan Hongzheng is not asking, but frowning and thinking.

It doesn't look like this person is lying, but there are so many mice, how can they disappear if they don't see it?

The more Nalan Hongzheng thought about it, the more confused his mind became. In the end, he gave up thinking. He looked at Gone and said, "If that's the case, what are your plans next?"

"With a very polite look: "I have no relatives and no reason, and I don't know where to go. If I can, I want to beg the patriarch to let me stay here."

## **The ultimate husband in Chinese chapter 5620**

Gone is very clear now that in his current state, if he leaves the Nalan family, he will easily be found by the subordinates of the God King Haotian.

Moreover, he really had nowhere to go, so he simply took a risk and asked to stay in the Nalan family.

Wow... When

the voice fell, the entire hall was in an uproar, and the elders and young disciples present couldn't help but talk about it.

"Stay, you really don't treat yourself as an outsider."

"Do you know what this place is? Nalan family, do you think you can stay if you want to stay?"

“That is, what qualifications do you have to join the Nalan family ? ?”

Everyone’s discussion, you and I came, and did not hide the contempt for Gone. In the eyes of these people, this person is almost as dirty as a beggar, and it is ridiculous to even want to stay in the Nalan family.

call!

Looking at the reactions of the people around him, Gone’s face was indifferent, without the slightest fluctuation, but his heart was burning with anger.

These ignorant and stupid ants dare to mock and despise the deity, and when the deity recovers, all of you will be sent to hell.

At this moment, Nalan Hong was signalling everyone to be quiet, looked at Gone and said, “My Nalan family only accepts disciples of my own clan, and never accepts people from other surnames, but seeing that you really have nowhere to go, I will make an exception to accept you. “

Speaking, Nalan Hongzheng’s eyes became solemn: “However, in the first three months of your family, you can’t practice the exercises of my Nalan family. After three months, it depends on your performance. How about it?? “

Thank you patriarch.” Gone nodded.

In Gone’s mind, the Nalan family is just a temporary place to enter, and it doesn’t matter whether he learns the exercises or not.

Nalan Hong was nodding his head, no more words, and waved his hand: “Okay, it’s nothing, everyone, let’s go back.” After speaking, he called another disciple and asked him to arrange a room for Gone.

Soon, Gogne left the hall with the crowd.

“Father.”

As soon as everyone left, Nalan couldn’t help but said, “Why do you want to keep this Nie Zhan?” His father was usually prudent, but today he was so casual.

Nalan Hongzheng narrowed his eyes and said lightly, “Xinran, I know what you’re thinking, and I also know in my heart that so many people with the Rat Society suddenly disappeared, it must have something to do with this person.

” The Lan family can’t use lynching either, so I want to keep him for the convenience of investigation.”

So it was.

Hearing this, Nalan nodded with joy.

At this time, Nalan Hongzheng thought of something again and smiled slightly: “Also, this person is very courageous, knowing that our Nalan family does not believe him, but he still takes the initiative to stay here.”

Speaking of this, Nalan Hongzheng’s eyes flickered. Shining light: “This person is a bit interesting, but I want to see what the purpose of his stay in our Nalan family is.”

...

On the other side, Haitang Garden, Donghai City.

Yue Feng finally arrived outside the gate of Haitang Garden after several hours of rushing.

Phew...

For a while, Yue Feng looked at the beach not far away, and couldn’t help taking a deep breath, a long-lost intimacy reverberated in his heart.

It’s not easy to come back at last.

At this moment, the Tianmen disciples who were guarding outside the gate were stunned when they saw Yue Feng, and then they were ecstatic.

“Brother Feng..”

“Brother Feng is back...”

Since Yue Wuya took over as the suzerain, in order to avoid confusion, the members of the Tianmen Department no longer called Yue Feng the suzerain, but changed their name to Brother Feng.

Soon, the news of Yue Feng’s return spread, and the entire Haitang Garden suddenly boiled.

Hearing the news, Sun Dasheng, Wen Chouchou, Yue Wuya and others hurried to the gate to greet them, each with incomparably excited and excited faces.

“Fengzi.”

At this time, Wen Chou Chou put his arms around Yue Feng's shoulders and said with a smile: "I'm relieved to see that you're all right." When the words

fell, Yue Wuya also said with a smile: "Father, you I'm finally back."

Yue Feng smiled and nodded: "Ya'er, you've worked hard during this time." The son has grown up, and his actions have become much more stable than before, so he is naturally happy as a father.

At this time, Hai Ling'er took a step forward and shouted crisply, "Hello, Uncle Feng."
