Chapter 101: His Identity Can't Be Exposed

"Miss Phillips, are you still there?"

Sean asked softly.

"Yes, I am!"

Freya was stunned for a moment before hurriedly replying. Then, she asked in a puzzled tone, "Are you the general manager of Evergrande Real Estate?"

"Miss Phillips, if you don't believe me, you can come directly to our showroom to take a look. We won't charge you a single cent. We can even reimburse your travel expenses!"

Sean said softly.

"Alright, I'll go to your showroom later!"

Freya replied softly before hanging up. She turned to Maya and said, "Maya, I have something to do now. I need to go out for a bit..."

"Where are you going, Freya? Do you really believe what that scammer said? How could someone give you a villa for no reason?" Maya shouted in confusion.

"The person who called using the showroom's number just now. He even took the initiative to invite me to the showroom to take a look. If he was really a scammer, why would he ask me to go to the showroom?" Freya replied softly as she packed her bag.

"That's impossible unless Connor bought that villa. However, he's a poor delivery man who depends on you for monthly living expenses. How can he have fifty million to buy a villa? He probably won't be able to come up with 500 thousand, let alone fifty million!" Maya whispered.

“It’s pointless to talk about this now. I’ll know when I go to the showroom!”

Freya picked up her bag and left the house, her heels clicking against the floor.

“Hey, wait for me. I’ll go with you!”

Maya put down her iPad and ran out with Freya

Half an hour later, Freya drove to the showroom of Evergrande Real Estate.

“Freya, I think we should just stay in the car. What if that scammer is from the showroom and kidnaps us when we go in?”

After leaving the car, Maya voiced her fear.

“It’s okay, Maya. Evergrande Real Estate is one of the top developers in the country. They are very reputable in the country. Moreover, their company has always focused on high-end villa projects. How could such a large group have scammers?”

Freya wasn’t worried about this at the moment. She was only concerned about whether someone wanted to buy that villa for her.

“Are you sure?” Maya blinked.

“Don’t worry!”

Freya replied indifferently. She then brushed her hair and walked into the showroom elegantly.

Maya hesitated for a moment before following Freya in.

At this moment, Sean, waiting anxiously in the showroom, saw Freya enter and quickly approached her. With a smile, he said, "Miss Phillips, you're finally here. We would have gotten off work if you hadn't come over!"

Freya scanned the situation in the showroom and found that everything was normal.

Freya had seen a few of the sales ladies when she came in the afternoon.

"Are you the general manager of the showroom?"

Freya asked with a frown.

"Yes, Miss Phillips. This is my business card!"

Sean respectfully took out a business card and handed it to Freya. Then, he continued, "Miss Phillips, now that you're here, you shouldn't have to worry about someone lying to you now, right?"

Freya took Sean's name card and glanced at it briefly before saying softly, "Mr. Quintin, you said on the phone just now that someone bought the villa and wanted to give it to me. Is this true? Is your showroom doing some promotional activities?"

"Exactly! Are you guys pulling our legs?"

After Maya entered the showroom and confirmed there was no problem, she mustered up her courage and shouted at Sean.

"Miss Phillips, don't worry. We're just doing business. How could we lie to you? I've already prepared the purchase contract just now. You only need to sign the contract; that villa will be yours. You don't have to spend a single cent, and you can move in immediately!" Sean said with a smile.

“How one just get a free villa without any attachment? Are you sure what you said is true?”

Freya still couldn't believe Sean.

“I can guarantee with our company's reputation that what I said is true!”

Sean looked at Freya and nodded sincerely before continuing, “Miss Phillips, you can come over and look at the contract!”

Freya hesitated for a moment before following Sean to the reception room.

Sean took out the contract he had prepared beforehand and handed it to Freya. After Freya had read it carefully, she found that there was no problem. This was just an ordinary purchase contract, and there were no loopholes in the contents of the contract. The villa on it was also the villa that Freya had taken a fancy to.

“Mr. Quintin, what's going on?”

Freya put down the contract in her hand and asked Sean, confused.

“Miss Phillips, I've already told you very clearly on the phone. Someone bought this villa and told us he wants to give it to you. That's why I called you and asked you to come over!”

Sean said slowly.

“So, who is giving me this villa?”

Freya hurriedly asked.

“Miss Phillips, when the other party bought this villa, he specially instructed us not to expose his identity, so I can’t tell you who gave this villa to you!” Sean said lightly.

Freya looked at Sean, puzzled.

“Freya, do you think Connor bought it for you?”

Maya couldn’t help but whisper to Freya after hearing Sean’s words.

“This is impossible! How could Connor have the money to buy this villa?” Freya replied softly.

“So, who could it be?”

Freya was also very puzzled.

“Miss Phillips, if you’re okay with everything, you can sign the contract now!” Sean looked at Freya and said.

“Tell me, who gave me this villa?” Freya looked at Sean seriously and asked.

“Miss Phillips, I can’t tell you that!” Sean shook his head lightly.

“If you don’t tell me who gave me this villa, I won’t sign this contract, and I won’t accept the villa!”

After saying this, Freya returned the contract to Sean and left the reception room..

Chapter 102: Could It Really Be Connor?

Sean did not expect Freya to give up on this villa.

He quickly caught up to Freya and said helplessly, “Miss Phillips, I can’t tell you who bought this villa because I’ve already promised the client before, so I must abide by it strictly!”

“If you won’t tell me, I won’t sign this contract!” Freya said calmly.

“Don’t you want this villa anymore?” Sean quickly asked.

“Yeah, I don’t even know who gave it to me. Of course I can’t accept it. Unless you tell me who bought this villa, I won’t accept anything from anyone!”

Although Freya really wanted to buy this villa, this did not mean that she could accept other people’s things as she pleased.

This was the difference between Freya and the other girls.

If it were any other girl, they would have signed the contract without asking for anything, let alone a villa.

Moreover, it was a villa worth fifty million dollars. Even if it was sold again, it could be sold for thirty to forty million dollars. This amount of money was enough for an ordinary person to spend for a lifetime.

However, even in the face of such a huge temptation, Freya still maintained her rationality.

She knew very well that there were no free things in this world. Usually, the more expensive the item, the greater the price.

Therefore, Freya would never accept this villa without knowing who the other party was and why he gave it to her.

“Miss Phillips, I’m also completing the customer’s request now. Can you take it as a favor and sign the contract?”

Sean looked at Freya and begged.

“I’ve already made it very clear to you just now. If you don’t tell me who gave me this villa, I won’t sign it!”

Freya replied indifferently before turning to Maya and shouting, “Maya, come with me!”

“Freya, don’t rush this!”

Maya had no intention of leaving. Instead, she looked greedily at the contract on the table.

“Maya, what are you still standing there for? Hurry up, and come on!”

Freya saw Maya’s hesitant look and frowned as she berated her.

“Freya, this is a villa worth fifty million dollars. As long as you sign the contract, it will be yours. Are you going to leave just like that?” Maya shouted agitatedly at Freya.

“Nothing is free in this world. Maya, come with me!” Freya said helplessly.

“Freya, I don’t understand what you’re thinking. Even if nothing’s free, you can’t just say no to this fifty-million dollars villa!”

Maya shouted in disappointment, then looked at Sean’s seat and said with a smile, “Mr. Quintin, I’m her cousin. If she doesn’t want it, can I have it instead?”

“No, the person who bought this villa said it can only be given to Miss Freya Phillips alone!”

Sean shook his head helplessly.

“Maya, what nonsense are you talking about? Hurry up, and come on!”

When Freya heard Maya’s words, she was so angry that her face turned red. She hurriedly dragged Maya out of the showroom.

“Miss Phillips, do you not want this villa anymore?” Sean shouted after her nervously.

“Tell the person who bought this villa to contact me himself!” Freya replied indifferently before leaving the showroom.

Maya followed behind Freya helplessly, not knowing what to say.

Meanwhile, the sales ladies in the showroom were also looking at Freya strangely.

They couldn’t understand why someone would not accept a free villa worth fifty million dollars. Was there something wrong with this woman’s brain?

Sean could only sigh helplessly after Freya left.

Then, he took out his phone and dialed Connor’s number, but it showed that the other party had turned off his phone!

After Freya and Maya left the showroom.

Maya asked Freya gloomily, “Freya, why don’t you want that villa? That’s a whole fifty million!”

“Maya, you’re still too young. Nothing’s free in this world, and no one would give me a villa for no reason!”

Freya returned to the car and replied expressionlessly.

Back then, when Freya's father's company had financial problems, someone said they wanted to help Freya's father, but the price was to make Freya Connor's wife.

After this incident, Freya understood that the easier it was to obtain something, the greater the price one had to pay.

"I wonder who bought this villa to give to you, Freya. Moreover, he won't let anyone expose his identity. It's so strange!" Maya could only mutter helplessly when she saw that Freya was determined not to take this villa.

"I'm not sure."

Freya shook her head lightly. She had already filtered through all the rich kids she knew in her mind. Although many rich people pursued her, none of them were so generous.

After all, the guys pursuing Freya were just ordinary rich heirs. They weren't rich enough to buy a fifty million dollar villa and give it to someone, much less a woman!

"Freya, could it really be Connor?"

Maya's eyes widened as she exclaimed.

"How is that possible..."

Freya smiled bitterly. She did not believe that Connor could afford this villa.

"Freya, why don't you call Connor and ask him? Maybe he won the lottery, and that's why he has the money to buy this villa..." Maya advised softly.

“This villa is worth fifty million dollars, and the first lottery prize is only five million. Connor must win at least ten times that amount to afford this villa. Do you think that’s possible?” Freya replied coldly.

“Well, maybe he bought ten bets at once. Hurry up and ask him. Other than Connor, who else would buy you a villa?” Maya continued.

Freya hesitated for a moment. She could not help but recall what she had promised Connor before, so she took out her phone and dialed Connor’s number.

“Connor’s phone is switched off!”

A few seconds later, Freya turned and said to Maya.

“Freya, why don’t I ask my friend where Connor lives? We can go to his house and ask him...”

Maya took out her phone and started contacting her friends at Porthampton University.

After all, Connor was considered a celebrity at Porthampton University. It wouldn’t be difficult to find where Connor lived.

Freya saw that Maya wanted to find out where Connor lived. She hesitated for a moment but did not stop Maya.

She was very curious now.. Did Connor buy this villa for her?

Chapter 103: The Anxious Hector

Meanwhile, inside Bayside Snacks.

Hector brought Mina to Bayside Snacks and ordered two signature duck leg rice servings.

While eating, Mina was thinking about Hector.

After all, what happened today made Mina feel that Hector wasn't a rich heir at all. Instead, Connor was more like a rich heir.

However, Mina didn't say much. After all, Hector said he forgot his bank card today, so he couldn't spare fifty thousand dollars.

Although this excuse was a little lame, it was not out of ordinary.

Mina slowly put down the chopsticks in her hand and looked at Hector.

"Mina, are you full?" Hector asked with a smile.

"Yeap, I'm full. Send me home!"

Mina nodded lightly.

When Hector heard this, he could not help but be stunned for a moment. Then, he said softly, "Mina, it's still early. I bought two movie tickets. Why don't we go watch a movie together?"

"I'm a little tired after shopping all day. You should send me home to rest!" Mina whispered.

Hector looked at Mina and hesitated momentarily before continuing, "Mina, since you're tired, why don't you go home today?"

"If I don't go home, where should I go?"

Mina blinked and asked with a puzzled expression.

“We can get a room at a nearby hotel. I can stay with you for a while!” Hector said innocently.

When Mina heard what Hector said, she froze, a hint of embarrassment flashing in her eyes.

She never expected Hector to bring her to a hotel!

If Mina and Hector had been together for some time, Mina might not have found it strange. After all, it was normal for couples to want to get a room after a long time.

But now, Mina and Hector had only known each other for less than three days, and Mina had only agreed to go out with Hector today.

The two hadn't even held hands before, yet Hector wanted to bring Mina to a room. Wasn't this a little too rushed?

Hector also knew he was rushing things a little when he asked to get a room with Mina.

However, he had no choice. If he continued to waste time with Mina, his identity might be exposed.

Moreover, in Hector's eyes, dating Mina was not only a waste of money but also a waste of energy. It was not easy to pretend to be a rich kid.

To maintain his identity as a rich heir, Hector had to tip tens of thousands of dollars in Mina's live broadcast room daily. Renting a suit and a BMW for a day would cost thousands of dollars, and there was also the cost of dating!

Hector had already owed others hundreds of thousands of dollars in less than three days.

Moreover, Hector had borrowed this money from the loan sharks. If Hector did not return the money immediately, the loan sharks might come looking for him anytime.

Hector's plan was simple. He wanted to get a room with Mina and sleep with her. He wanted to take a few nude photos of Mina and use them to blackmail her for money.

This way, not only would Hector be able to sleep with Mina for free, but he would also be able to get a large sum of money from her to clear his current debt.

"Hector, I don't think our relationship has reached that stage yet, right? Although I agreed to go out with you today, it doesn't mean that I'm willing to have anything with you. I agreed to be with you just to allow you to continue being with me!"

At this moment, Mina's cold voice interrupted all of Hector's fantasies.

Mina looked at Hector, her face filled with disappointment.

She originally wanted to give Hector a chance but never thought that Hector would be such a desperate person.

"Mina, have you misunderstood me?"

Hector smiled at Mina, then hurriedly explained, "I said that I wanted to take you to a hotel room, not to have sex with you. I just feel your place is too far away from here. Moreover, you said you are tired now, so I thought I might as well book a room for you in the hotel to rest well. I promise that I won't do anything to you!"

"You promise you won't do anything to me?"

After Mina heard what Hector said, she couldn't help but laugh. Then, she lightly said, "Hector, who do you think I am? I'm not one of those innocent girls in school. Do you think I'll believe your nonsense? I know exactly what you want to do!"

"Mina, what are you trying to say?"

After Hector heard Mina's words, he raised his voice agitatedly.

"I'm not trying to say anything. I just want to tell you I'm not that kind of woman. Even if I agree to be with you, I won't sleep with you so casually. I say you should give up on this idea!" Mina said coldly.

"Mina, aren't you going a little overboard? I feared you would be too tired, so I wanted to take you to a hotel. But I didn't expect you to think of me like this. I'm disappointed. Am I such a person in your eyes?"

Hector saw that Mina had seen through his trick and immediately began to make up another story, raising his voice at Mina agitatedly.

When the customers in Bayside Snacks heard Hector, they turned to look at the two of them.

At this moment, Mina's eyes flashed with a trace of guilt. She secretly guessed that she had wronged Hector.

Perhaps Hector was not as bad as she thought. He simply wanted her to rest?

"Mina, we have only officially gotten together today. No matter how anxious I am, I can't possibly get into your pants on the first date, right? Even a fool would know that such a thing shouldn't be done! Do you think I would do such a thing?"

Hector said agitatedly, his eyes widened.

"Hector...Why are you so worked up?"

After Mina saw Hector's furious appearance, she secretly regretted saying that to Hector.

After Hector saw Mina's guilty expression, he struck while the iron was hot and said, "Mina, if you're afraid that I'll do something to you in the hotel, then I'll send you home now, okay?"

After saying that, Hector turned around and walked out of the restaurant.

“Hector!”

Mina saw that Hector had really left and hurriedly called out, then she chased after him.

After Hector left Bayside Snacks, he opened the car door and shouted at Mina expressionlessly, “Get in the car. I’ll send you home now!”

“Hector, I’m sorry. I shouldn’t have said that to you just now. I have misunderstood you!” Mina said apologetically to Hector.

After Hector heard that, he frowned and said affectionately, “Mina, I really like you, that’s why I’m with you. I’m not the kind of person who like to rush things. I know you’re prejudiced against me now, but time will prove my sincerity!”

After Mina heard Hector’s affectionate confession, she felt touched and blamed herself.

She felt that it must be because too many things had happened today that made her doubt Hector’s identity. Therefore, when she heard Hector wanted to bring her to a hotel, she instinctively resisted.

“Mina, let me send you home now!”

Hector whispered to Mina.

“Yes!”

Mina nodded, then gracefully walked into the car.

Seeing Mina nodding, Hector immediately smiled wretchedly.

He thought, 'Not going to the hotel with me, are you? When we return to the place, I can still do you!'

Chapter 104: Spiked Drink

After getting into the car, Mina was too embarrassed to look Hector in the eye.

What Mina said earlier was too hurtful.

"Hector, I'm sorry. I misunderstood you!"

Mina bit her sexy red lip and whispered to Hector.

"It's okay. I didn't take those words to heart. Besides, your thinking that way shows that you're a good girl. I can understand!" Hector replied indifferently.

After Mina heard Hector's magnanimous words, her good impression of him instantly increased.

"Mina, are you thirsty? Here, drink some water!"

At this moment, Hector suddenly took a bottle of mineral water from the car and handed it to Mina.

Mina didn't think too much about it and instinctively took it, then took a small sip.

When Hector saw Mina drink the bottle of mineral water, the corners of his mouth couldn't help but curl up slightly, revealing a proud smile. 'Mina, oh Mina, luckily, I was prepared beforehand. Otherwise, you would have escaped today!'

When Mina saw the smile on Hector's face, she couldn't help but feel stunned for a moment before saying, "Hector, what are you smiling at?"

“What? No... Nothing!” Hector replied in a panic.

Mina felt that something was off about Hector. She quickly looked up at the road outside the car and realized this was not the way home.

“Hector, where exactly are you taking me...”

Before Mina could finish her sentence, she suddenly felt dizzy.

At this moment, Mina realized that Hector might have spiked the water!

After all, Mina hadn't eaten anything strange on the way here. She had only taken a sip of the mineral water Hector had given her and immediately started to feel dizzy.

This meant that there was something wrong with the water. Thinking about Hector's smug smile, Mina was 100% sure that Hector had drugged her. “Hector, you drugged me!”

Mina took a deep breath and shouted at Hector.

After Hector heard this, he turned to look at Mina and smiled playfully, ignoring her.

At this moment, Hector had completely exposed his true nature. He did not really like Mina at all. He only approached Mina to trick her into sleeping with him and extort her ruthlessly.

Mina was extremely regretful now. She regretted not listening to Connor and staying away from Hector.

“Mina, you didn't think I was going to send you home, did you? I was lying to you just now. I guessed you might refuse to get a room with me, so I spiked the water...”

Hector turned to look at Mina, who was about to faint, and laughed pervertedly.

“Hector, I didn’t expect you to be such a person. Why... Why are you doing this?”

Mina shouted at Hector.

“Why would I do that?”

Hector sneered and said indifferently, “I’ve spent so much money on you and given you so many gifts in your live stream. Don’t you know that?”

“Do you think I was giving you gifts because I like you? Don’t you female streamers know that very well? They’ll sleep with whoever gives them the most gifts. Why are you still pretending to be innocent?”

H H

When Mina heard what Hector said, she was so angry that she couldn’t say anything.

“I don’t like you at all. I’m willing to spend money on you just to get you into bed. Don’t worry, I don’t have any other intentions!”

Hector continued after seeing Mina remain silent.

Mina gritted her teeth and quietly took out her phone, wanting to call Connor for help.

But what she did not expect was that Connor’s phone was switched off.

Mina had no choice but to call the police. However, at this moment, Hector suddenly noticed what she was doing. He snatched the phone away and threw it out of the car window.

When Mina saw Hector throw her phone out of the car, her eyes were filled with despair, and she fainted.

Hector turned to look at Mina with a lewd smile on his face. Then, he drove to the hotel he had booked earlier.

Twenty minutes later, Hector parked the car in front of a hotel.

Then, he helped the unconscious Mina from the passenger seat and into the hotel.

When the hotel staff saw Hector helping Mina, a trace of doubt flashed in their eyes, but they did not ask much.

As Hector's friend owned this hotel, Hector had already discussed it with the hotel staff in advance and even gave the front desk 2,000 dollars as a bribe.

Hector brought Mina to the room he had booked beforehand and threw Mina onto the bed.

At this moment, Mina was already delirious and was completely out.

Hector looked at Mina's ample chest and two long, fair legs. A hint of greed flashed in his eyes, and he couldn't help but lick his lips. He then muttered to himself, "I finally got you into bed. Let's see how you're going to escape this time!"

After saying this, Hector quickly took out his phone and took a few photos of Mina.

After taking the photos, Hector randomly picked a photo of Mina without her face and posted it on Porthampton University's forum. He also edited a post titled 'Beautiful streamer has taken the bait, ready to do it at any time!'

This post had only been posted for less than thirty seconds but had already received tens of thousands of replies and reposts.

“Mr. CeeM is awesome!”

“Mr. CeeM is really a perverted talent!”

“Mr. CeeM, can you live stream the entire thing? I want to see what this beautiful streamer looks like!”

Most comments below the post praised Hector, and some hoped that Hector could live stream the entire thing.

After Hector saw these comments, he smiled satisfactorily.

Obviously, Hector enjoyed the attention he was getting on the internet.

After posting, Hector threw his phone aside and walked toward Mina.

“It is unexpected that I, Hector, will be able to get my hands on such a top-grade woman one day. Haha...”

Hector licked his lips pervertedly, then grabbed Mina’s clothes.

After a while, Hector took off Mina’s tank top, revealing her sexy lace bra.

Hector couldn’t help but gulp and was ready to strip Mina..

Chapter 105: How Are You Awake?

Buzz buzz!

However, at this moment, Hector's phone suddenly vibrated.

He was about to pick up his phone to decline the call.

However, when he saw the name 'Taylor', he was stunned.

After hesitating for two seconds, he did not decline the call. Instead, he reached out and tapped on the screen to answer the call.

"Taylor, what's up?"

Hector asked flatteringly.

"Don't f*cking play dumb with me. Let me ask you, when do you plan to pay me back?" the other party said very impolitely.

"Taylor, can you give me another two days? I'll return the money to you in two days!" Hector hurriedly replied.

"Hector, do you think I'm a fool? How many days have I given you? Are you not going to return the hundred thousand you borrowed from me?" Taylor said angrily.

"Taylor, what are you saying? Even if I had the guts, I wouldn't dare not return your money! Didn't I just 'catch' a female streamer? I'm going to have money soon. Can you give me two more days?" Hector begged softly.

"Alright, two days! I'll give you two more days. If you don't pay me back in two days, just wait for me to look for you at your university!" Taylor hesitated for a moment and said coldly.

"Okay, Taylor. I'll bring the money to you in two days!"

At this moment, Hector felt that he had already won over Mina, so there was no problem for him to return the money!

“You better keep your word!” Taylor said coldly and hung up.

“F*ck, after I get the money, I’ll see if you still dare to talk to me like this, you b*stard!”

After Hector heard the call end, he couldn’t help but curse in a low voice. Then, he turned to look at Mina and was ready to continue taking off Mina’s clothes.

In the hotel room.

Mina’s face was red as she lay on the bed with her eyes closed as if she didn’t know what had happened.

Hector looked at Mina’s perfect figure, his face full of excitement.

Long and fair legs, a charming and alluring face...

It was as if every part of Mina’s body was so tempting.

Hector took a deep breath, then his hands trembled as he was about to continue taking off Mina’s clothes.

But just as he was about to reach out, Mina suddenly opened her eyes and kicked Hector between his legs.

Thud!

Still, in a daze, Hector did not expect Mina to wake up suddenly and was kicked to the ground.

Mina had learned taekwondo when she was young, so the lethality of this kick was quite high.

At this moment, Mina was still wearing high heels. The sharp heel directly hit the middle of Hector's crotch. That feeling was especially harsh!

After Mina kicked Hector to the ground, she quickly reached out to pick up the clothes on the bed.

"F*ck, why are you f*cking awake?"

Hector kneeled on the ground and clutched his crotch tightly, screaming in pain.

He felt his entire body numb, and a cold sweat broke out on his forehead from the pain.

Mina quickly put on her clothes and ran out of the room with a flustered expression.

By the time Hector recovered, he found that Mina had already run out of the room!

"Sh*t!" Hector cried in his heart and hurriedly chased after her.

"Someone! Help!"

After Mina ran out of the room, she immediately shouted for help.

However, the hotel was located in a remote area, with only a few people around. Hence, no one came out to answer Mina's call.

Hector knew that he had to get Mina today, no matter what. If Mina ran away, he would not be able to pay back the loan sharks he owed and might even be thrown into jail.

"Help me stop that woman!"

When Hector saw that Mina was almost at the hotel entrance, he shouted at the front desk.

As the front desk staff had taken Hector's bribe, after hesitating for a moment, he reached out to stop Mina.

"What are you doing? This person wants to rape me. Hurry up and help me call the police..."

Mina looked at the hotel receptionist, who stopped her and shouted.

"Don't listen to her nonsense. She's my girlfriend. We just had a little conflict just now!"

Hector shouted after hearing Mina's words.

The hotel receptionist sized up Mina and said softly, "Why call the police when it's just a couple's squabble? Hurry up and go back!"

Mina finally understood after hearing what the receptionist said.

This receptionist was obviously in cahoots with Hector. Otherwise, he would never have stopped him.

Mina pushed the receptionist away and rushed to the street. She shouted, "Help! Help! Someone wants to rap..."

But before Mina could finish, Hector rushed out of the hotel and covered Mina's mouth.

Then, he smiled and explained to the people on the street, "I'm sorry, everyone. I had a conflict with my girlfriend just now. She's throwing a tantrum with me here..."

"Mngh..."

After Mina heard Hector's words, she tried to struggle out of his grip.

However, Hector could not say a word because she had covered her mouth tightly.

"Everyone, stop crowding around. Go on your way now! The two are a couple. They were fine when they came but suddenly had a conflict."

When the receptionist saw more and more onlookers at the door, he stepped forward and explained on Hector's behalf.

After all, today's incident was related to him. If something happened to Hector, he would be involved.

When everyone heard what the receptionist said, they nodded thoughtfully as if they understood.

If Hector were the only one who claimed this, it would naturally not be credible. However, this was still very credible if the receptionist also said this.

Hence, the passersby treated Mina and Hector as a couple who were quarreling. No one took Mina's cry for help seriously and dispersed.

After Hector saw that the passersby had dispersed, he sighed in relief. Then, he dragged Mina into the hotel.

Mina struggled with all her might, but the effects of the drug had yet to wear off, so she simply did not have the strength to break free from Hector's grip.

At the same time, in a car on the street.

Connor and Chloe had just left New Century Restaurant after dinner.

Chloe was about to drive Connor home and see if something could happen between them.

However, when they were less than 500 meters away from the restaurant, Connor was at the hotel entrance and saw Hector dragging Mina into the hotel..

Chapter 106: Kill Him For Me!

“Stop the car!”

When Connor saw this scene, he quickly shouted at Chloe.

“Mr. McDonald, what’s wrong?”

Chloe was stunned for a moment, then she stepped on the brakes and looked at Connor, puzzled.

Connor did not explain anything to her. Instead, he pushed open the car door and ran toward the hotel.

Mina and Hector were at the hotel’s entrance, and Connor knew that Hector had approached Mina to trick her into getting a room.

However, he never expected Hector to move so quickly. He had just confessed today and brought Mina to a hotel room.

Moreover, Connor could feel from Mina’s expression that Mina probably didn’t voluntarily come to get a room with Hector.

“Mr. McDonald, where are you going?”

Chloe saw Connor get out of the car and quickly shouted.

“Save someone!” Connor replied expressionlessly.

At this moment, Chloe also saw Mina and Hector at the hotel entrance.

She hurriedly grabbed Connor and said agitatedly, “Mr. McDonald, are you crazy? Have you forgotten how the two of them treated you before? If you go over now, people will say you’re meddling in other people’s business. Why do you have to go up and ask for trouble?”

Connor was stunned when he heard that. He couldn’t help but recall what Mina had said to him before.

However, after hesitating for two seconds, Connor felt he could not just watch Mina get tricked.

Therefore, he rushed across the road and ran into the hotel.

“Mr. McDonald, why are you doing this?” Chloe shouted helplessly.

When Connor entered the hotel, he found that Hector had already dragged Mina to the elevator door and was about to enter the elevator.

Seeing this scene, Connor could not care less and directly rushed over.

A loud thud sounded!

Connor directly punched Hector’s face, causing him to daze. He staggered back a few steps before supporting himself against the wall to stabilize his body.

“Conn... Connor?”

Mina stared at Connor, who descended from the sky, her face full of surprise.

“Am I late?”

Connor turned to look at Mina and asked calmly.

When Mina heard this, her eyes instantly became moist, and tears flowed.

At this moment, she was very regretful. She regretted not listening to Connor's words back then. Even if she had only listened to a word of advice, today's incident would not have happened.

Moreover, she had said so many outrageous things to Connor, and now Connor stood up to help her. Mina felt that she had gone too far back then.

"You little brat, I advise you to mind your business!"

Hector's eyes widened as he shouted at Connor.

"I don't care, you scum!"

Connor growled and rushed toward Hector.

Hector and Connor started fighting.

Connor was much stronger than Hector because he delivered food all year round. He pressed Hector to the ground and punched him in the face.

Hector's head was like a bowling ball, which kept hitting the ground, making muffled sounds.

At this moment, Connor vented all the anger he had suppressed in his heart.

However, just as Mina felt that Connor had the upper hand and that she could escape from danger, a group of people rushed in from the hotel entrance again!

When Mina saw the leader, she was instantly dumbfounded!

The group leader was Mr. Knowles of Porthampton, a Twitch streamer.

Todd was passing by just now and noticed someone fighting in the hotel.

Therefore, he wanted to come in and watch the show but didn't expect the person fighting to be Connor, so he hurriedly rushed in.

"Connor, stop fighting. Let's run!"

Mina tugged at Connor's clothes and said nervously.

When Connor heard this, he couldn't help but look at Mina and lightly said, "Run? What for?"

"Todd is here with his men. They must be the reinforcements Hector called over. Let's run!" Mina said anxiously.

"Todd?"

When Connor heard this name, he could not help but be stunned momentarily.

"Yes, because Hector helped me, Todd took the initiative to apologize. They must be in cahoots. Let's run!" Mina said as she dragged Connor out of the hotel.

After all, Mina still thought Hector was leaning against the railing and listening to the maple. Hector also found Todd, which was why Todd took the initiative to apologize to her.

At this moment, Todd rushed in with his men. It must have been Hector who called him over.

However, Mina did not know that Todd did not know Hector at all. Connor did all of this!

Mina pulled Connor with a panicked expression and wanted to run outside, but she found that Connor did not move. He stood in place and had no intention of leaving.

“Connor, what are you waiting for? Hurry up and run!” Mina shouted excitedly.

“There’s no need to run!”

Connor replied indifferently.

“They are in cahoots with Hector. You...”

Before Mina could finish her sentence, Todd walked directly to Connor, half-bowing, and said extremely respectfully, “Mr. McDonald, is there anything I can help you with?”

“Kill him for me!” Connor pointed at Hector and said calmly.

Hearing Connor’s instructions, Todd did not even think about it. He led his men and walked toward Hector.

When Hector saw so many people walking toward him, a trace of despair flashed across his eyes.

She was again dumbfounded after Mina heard the conversation between Connor and Todd. Her eyes revealed deep shock.

“Did... did Connor summon these people?” Mina said while trembling.

After Todd and the others heard Connor's order, they did not hesitate at all and directly rushed toward Hector.

"You guys..."

Seeing so many people rushing over, Hector instinctively opened his mouth to speak.

However, Todd did not give Hector a chance at all. He kicked Hector in the face.

Then, a few people surrounded Hector and punched and kicked him.

Hector's originally handsome face was now a bloody mess after being kicked by Todd and the others. It was very miserable.

Mina stood beside Connor in a daze, her expression extremely confused. She really couldn't understand what was going on!

In Mina's eyes, Todd had been harassing her then, wanting her to join his live-streaming guild. Later, because Hector found someone to solve this matter, Todd took the initiative to apologize to her.

Moreover, from how Todd apologized to her that day, she could feel that Todd respected Hector.

However, Todd did not seem to know Hector at all. Instead, he was fighting him.

However, he was extremely respectful toward the ordinary-looking Connor!

"Could the person who helped me back then not be Hector but Connor?"

At this moment, a bold idea suddenly appeared in Mina's mind, and she couldn't help but turn to look at Connor beside her..

Chapter 107: Minars Questioning

At this moment, Connor looked very calm, giving people a feeling of serenity, as if everything was under his control.

“Could the person who helped me back then be Connor?”

Mina couldn't help but recall what Connor had said to her before.

However, she was not sure if her guesses were true.

As she felt that Connor was a pauper. He couldn't have so much money to give her gifts on Twitch!

“I beg you, stop hitting me. Let me go. I know I was wrong!”

At that moment, Hector, beaten up by the crowd, begged Todd and the others with a pained expression.

Todd was also worried that he would lose his life if he continued fighting, so he turned to look at Connor's position and wanted to ask for his opinion.

“Do you still want to be beaten up by them?”

Connor took a step forward and asked Hector.

“No, I can't! I don't want to!”

Hector shook his head in fear

“If you don't want to be beaten, it's easy. As long as you tell me all the bad things you've done during this period, I won't beat you up!” Connor said calmly.

“Bad things I’ve done? What bad things have I done?” Hector shouted in confusion.

“Looks like you still want to be beaten up!”

Connor shook his head in disappointment, then turned to Todd and said, “Continue!”

“Yes, Mr. McDonald!” Todd nodded and walked toward Hector.

Hector was so frightened when he saw Todd walking over that his face turned green. He kneeled on the ground and begged, “No... I’ll tell you everything, alright?”

“Spill!” Connor replied expressionlessly.

Hector took a deep breath, looked at Connor, and asked, “Where do you want me to start?”

“Nonsense, of course, well start with you deliberately getting close to Mina!” Connor berated expressionlessly.

Hector was stunned momentarily, then looked up at Mina and slowly said, “Mina, I’ve been lying to you from the beginning. I’m not a rich kid, I’m not a tycoon, I’m just a student at Porthampton University!”

Mina was extremely shocked.

Even though Hector had done such a thing to her today, Mina had never doubted Hector’s identity.

From the beginning, Hector had used the account ‘CeeM* to add him on Whatsapp.

She felt that Hector drugged her just to get her as soon as possible.

“You... If you are not CeeM, how did you log into that account?”

Mina looked at Hector with a puzzled expression.

“Because I’m a hacker, and I majored in computer science at university. When I was in school, I had been watching your live stream. I really liked you, but then that CeeM appeared. I felt his account was very useful, so I tried it. I wanted to see if I could steal his account and then impersonate him to contact you!

Hector paused momentarily before continuing, “But I didn’t expect that the account, CeeM, wasn’t even bound to my phone, nor did it have any anti-theft measures. It wasn’t difficult for me to steal such an account, so I stole CeeM’s account and contacted you through it!”

After Mina heard Hector’s words, her mouth instantly dropped open, her face filled with disbelief.

She had never expected things to turn out like this.

And what Mina didn’t expect was that what Connor said to her back then was true. Hector wasn’t CeeM at all!

“You pretended to be CeeM just to trick me into sleeping with you, right?” Mina bit her lip and asked Hector softly.

” Yes, i think you female streamers are all out to sell yourselves. As long as a rich man contacts you, you will take the initiative to book a room with him.

“But I didn’t expect you to be so different from those female streamers. Not only did you refuse to get a room with me, but I also confessed to you so many times before you reluctantly agreed to be with me today!” Hector said in a low voice.

“Since you are not CeeM, but Todd took the initiative to apologize to me, so it wasn’t you who helped me, right?” Mina’s eyes widened as she asked Hector nervously.

"I don't even know Todd. How can I help you solve this? I was just hurrying to leave, so I made an excuse. I don't know who solved the issue with Todd!" Hector replied helplessly.

After Mina heard this, she looked up at Todd.

"Miss Mina, I took the initiative to apologize to you because Kyle Hayes called me. That's why I took the initiative to apologize to you. Don't you know him?" Todd looked at Mina and said.

"Kyle? Kyle Hayes?"

Mina's eyes flashed with confusion.

"You don't know Kyle? If you don't know Kyle, why would he help you?" Todd asked in confusion.

Mina stood rooted to the ground, stunned for a moment, then turned to look at Connor and said in a low voice, "Connor, did you help me with Todd?"

Mina felt that she did not have many friends in Porthampton. Besides, only Connor and Hector knew about the conflict between her and Todd.

Since Hector had already laid his cards on the table and said that he did not know Todd, there was only one candidate left. Moreover, with Todd's attitude toward Connor, Mina felt that Connor was very likely involved in this. But now, there was another influential person!

Connor looked at Mina hesitantly. He was hesitating about whether he should tell Mina the truth or not.

"Connor, did you help me with Todd? Say something!" Mina saw Connor was stunned and did not speak, so she quickly stepped forward and asked Connor.

Connor looked at Mina and hesitated momentarily before saying softly, "I didn't help you with Todd!"

Previously, Connor had confessed to Mina that he was CeeM, but Mina did not believe him. Connor did that because he was worried that Mina would be deceived, so he confessed his identity to Mina.

But now, Connor felt that Mina was no longer in danger, so Connor wanted to continue hiding his identity. He did not want Mina to know that he was a rich kid.

He felt that their relationship would change once Mina found out about his identity.

“Connor, why would Todd listen to you if you didn’t help me with this?” Mina asked Connor.

Chapter 108: Repaying With The Body

“I followed Mr. McDonald’s orders because...”

When Connor interrupted him, Todd was about to speak, “Todd listened to me because of that Kyle he mentioned just now!”

“Yes, yes, it’s because of Kyle!”

Todd felt nothing was wrong with what Connor said, so he quickly nodded.

After all, Todd was so respectful of Connor because of Kyle.

“Impossible. It isn’t because of Kyle. When you saw Hector and I interact, you told me Hector was a fake. You even said you were CeeM!”

Mina looked at Connor and shook her head, then shouted emotionally, “Connor, don’t lie to me anymore. You’re CeeM, right? You were the one who tipped me on Twitch, right?”

“I’m not a pervert. Where do I get so much money to give you gifts?”

He seemed a little helpless after realizing Mina didn't believe his words.

"But how did you know Hector wasn't CeeM? How are you going to explain this to me?" Mina retorted.

"Uhm..."

Connor couldn't help but be stunned for a moment. Then, he quickly said, "Mina, there's something that I've been hiding from you because it concerns a very important person..."

"What is it?" Mina quickly asked.

"Actually, I know CeeM. CeeM is Kyle Hayes. That's why when Hector said he was CeeM, I was sure he was a fake!" Connor casually found an excuse to brush Mina off.

"What... How is that possible?"

Mina stared at Connor, her eyes a little wild.

Mina had never thought that Connor would say that CeeM was Kyle.

"I'm telling the truth!"

Connor looked at Mina seriously.

"I think Mr. McDonald's statement is quite believable!" Todd nodded and agreed, "Otherwise, Kyle wouldn't have come to me for no reason and asked me to apologize to you!"

Mina stood there and hesitated. Then, she took a step forward, stared into Connor's eyes, and said, "Since you already knew the identity of CeeM, why didn't you tell me earlier?"

"Because Kyle Hayes is a big shot in Porthampton. It would affect his reputation if people knew he was watching Twitch and even tipped female streamers. That's why he deliberately hid his identity!" Connor quickly explained.

Mina looked at Connor, a disappointed expression suddenly appearing on her face.

Originally, she thought Connor did all of these things, but she never thought these things had anything to do with Connor or Hector. It was done by someone Mina didn't know at all.

"Well, I've already told you everything. Can I leave now?"

At this moment, Hector, lying on the ground, shouted at Connor and the others with a swollen face.

Connor turned to look at Hector and then said indifferently, "You might not be able to leave today!"

"What... What do you mean?"

Hector stared at Connor; his eyes widened, his face full of fear.

Connor did not answer his question. Instead, he took out his phone and wanted to call the police.

After all, Hector's actions today had already constituted attempted rape. How could Connor let Hector off so easily?

However, when Connor took out his phone, he realized that his phone was out of battery. He turned to Todd and said, "Call the police station now and ask them to arrest this person!"

"Yes, Mr. McDonald!"

Todd looked at Connor and nodded. Then, he took out his phone and called the police.

Ten minutes later, the police arrived at the hotel and took Hector away.

Mina was the victim of this case, so she naturally had to follow the police to the police station to record her statement.

Connor was worried that Mina would be scared to go to the police station alone, so he followed Mina to the police station.

As for Todd, Chloe, and the others were not particularly familiar with Mina, so they did not go to the police station. Instead, they went home.

At midnight.

After Connor and Mina finished their statements at the police station, it was a little late. In addition, Mina had experienced so many things today, so it was inevitable that she would feel a little hurt.

Therefore, they did not go home. Instead, they found a random hotel near the police station and booked two rooms.

They planned to have a good night's rest in the hotel before going back.

After checking in, Connor went to his room and prepared to sleep.

However, before Connor could lie down, he heard a knock on the door.

“Who is it?” Connor called out softly.

“Connor, can I come in?” Mina asked softly.

“Yes!”

After Connor heard Mina’s voice, he nodded in agreement, got off the bed, and opened the door.

Mina followed Connor into the room.

“Connor, thank you so much for today’s matter. If you had not appeared in time, I might have already been...”

Mina sat beside Connor and whispered to him.

“What are you thanking me for? Aren’t we all friends? Moreover, no matter who saw this today, they wouldn’t stand by and watch. You don’t have to care too much about this matter today. After all, scumbags like Hector are very rare!” Connor replied with a smile.

“I have to thank you...”

Before Mina could finish her sentence, a strange look flashed across her beautiful eyes, and her face flushed red.

“What’s wrong with you?”

Connor saw that something was wrong with Mina and quickly asked her.

“Connor, I feel so hot. I... I feel a little uncomfortable...”

After Mina said this, she reached out to tug at her clothes.

“Mina, what’s wrong?”

Connor stretched out his hand to stop Mina and asked in a puzzled tone.

Mina didn’t pay attention to Connor at all. She reached out and hugged Connor’s neck, throwing herself into his arms.

Then, he turned over and rode on Connor’s body, pulling at Connor’s clothes wildly.

When Connor saw how crazy Mina was acting, he was instantly dumbfounded because he had no idea what Mina was doing!

‘Mina can’t be thinking of repaying me with her body, right? She said she wanted to thank me just now but doesn’t have to thank me like this,’ Connor could not help but mutter in his heart..

Chapter 109: Connor, Help Me

In the hotel room.

Mina directly lay on Connor’s body, enthusiastically tugging at his clothes.

At this moment, Connor was at a loss. Including Mina, this was the second time he had been molested by a girl.

However, Mina was more direct than Natasha. Natasha had only kissed him back then.

But now, Mina was trying to strip him of his clothes and rape him!

“Mina, what are you doing?”

Mina was very beautiful, both in her figure and appearance, and considered the best of the best. Any normal man would find it difficult to resist her.

But suddenly being pinned down by Mina, Connor couldn't quite wrap his mind around it for a moment.

Connor felt that this was an insult to a man. Even if he wanted to do that, he should be the one on top!

But now, he was under Mina. This was simply a threat to his man's ego!

H H

Mina didn't seem to hear Connor. Instead, she used her slender legs to tightly clamp Connor down, her hands moving around on Connor's body.

"Something's wrong!"

Connor saw Mina's blushing face and her unfocused eyes. Coupled with Mina's strange behavior, Connor felt that this wasn't as simple as he thought.

Even if Mina really wanted to repay him, there was no need to use such a method to repay him, right?

"Connor, help me, quick now... Please, hurry up..."

Mina's breathing quickened as she begged Connor.

At this moment, Mina's eyes were blurred, and her beautiful face was flushed red. It was extremely alluring, tempting people to give her attention.

"Could Mina be drugged by Hector?"

A thought suddenly flashed through Connor's mind.

"Connor, I beg you, hurry up..."

Mina seemed to have lost her mind at this moment, and she repeated that to Connor.

Seeing Mina's seductive appearance, Connor really had the urge to pin her down on the bed and ravage her.

After all, Mina was extremely hot, and she was currently sitting on Connor's lap.

Connor could feel the softness of Mina's delicate body. Coupled with Mina's alluring appearance, any normal man would be tempted.

However, Connor thought about it again. If he really took advantage of the situation and did it with Mina, then what was the difference between his current behavior and Hector's?

Thus, Connor pushed Mina away from him.

When Mina saw Connor push her away, she couldn't help but be stunned momentarily. Then, she took off her halter top, revealing her sexy body.

When Connor saw this, he couldn't help but gulp. He then shouted at Mina, "Mina, what are you doing? Hurry up and put your clothes back on..."

"Don't you like the way I look now?" Mina bit her lip and said seductively. Then, she reached out to take off her dress.

Connor quickly reached out to stop Mina, then whispered, "Mina, can you calm down? Do you know what you're doing right now?"

"I... I can't calm down. I'm not feeling well. I don't want to think about anything now. I just want to have sex with you..."

Mina called out to Connor with a seductive expression, then reached out to touch Connor's abdomen.

Mina could feel the masculine aura on Connor's body. Her chest kept rising and falling, and her breathing became faster and faster.

H H

After Connor saw Mina in this state, he immediately reached out and pressed Mina onto the bed. Then, he wrapped Mina's body with a blanket.

"Connor, what are you doing? Hurry up and let go of me... I beg you, help me..."

When Mina realized that she was wrapped in the blanket, she started to struggle desperately. However, no matter how much she struggled, Connor wrapped the blanket around Mina tightly and did not let her out.

Connor was worried that if he really let Mina out and had sex with her, then this would be troublesome.

After struggling for about twenty minutes, Mina fell asleep under the blanket.

It was unknown whether it was because she was tired or the effects of the medicine had worn off.

"It's finally stopped!"

After Connor saw Mina fall asleep, he let out a long sigh and turned around to lie down beside her.

“I didn’t expect this drug to be so powerful. It can make a cold woman like Mina go crazy. It’s unbelievable!”

Connor lay on the bed and could not help but sigh.

Just now, in order to subdue Mina, Connor had also expended a large amount of physical strength, so not long after lying down, Connor fell into a deep sleep.

Meanwhile...

After Freya and Maya found Connor’s rented apartment, they drove straight to Connor’s apartment. They wanted to find Connor and ask him about the villa.

However, the two waited for a full three hours. When the sky turned dark, Connor still did not return.

“Freya, why don’t we stop waiting? Look at this lousy place where Connor lives. There’s not even a security guard. If he had the money to buy a villa, why would he still be living here?”

At this moment, Maya had also lost her patience and said to Freya with disdain.

After Freya heard Maya’s words, she couldn’t help but hesitate. Then, she took out her phone and dialed Connor’s number. However, Connor’s phone was still switched off.

“What is this Connor doing? Why is his phone switched off?”

Freya called out helplessly, then turned to Maya and said, “Alright, it’s already so late. I don’t think he’ll be back. Let’s go!”

“We should have left a long time ago. How could a poor guy like Connor afford a villa? We shouldn’t have come here today!” Maya replied with a pout before leaving the neighborhood with Freya.

The next day, at eight o’clock in the morning.

Connor woke up in a daze and rubbed the sleep from his eyes.

However, when Connor opened his eyes, he was stunned and very surprised.

Mina was sleeping next to him, her clothes disheveled, and hugging him tightly.

Her slender legs tightly wrapped around Connor’s body, and hot air blew from her beautiful red lips at his face.

Their posture was very compromising.

Connor took a deep breath and found that Mina was still asleep, so he prepared to pull himself out of her embrace.

But at this moment, Mina suddenly opened her eyes and stared at Connor.

“So, you’re awake?” Connor said awkwardly to Mina.

“All! Stinky hooligan!”

Mina found herself lying on the same bed as Connor, her clothes disheveled and immediately screamed.

“Mina, listen. This is not what you think!” Connor tried to explain..

Chapter 110: The Gentle Side Of A Cold Woman

“Connor, I didn’t expect you to be such a person! You did such a thing to me!” Mina looked at Connor and shouted. Then, she picked up her clothes and was about to leave the room.

Connor looked at Mina as she left. Connor started panicking!

“You were the one who wanted to do something to me last night, and now you’re complaining?”

At this moment, Mina picked up her clothes and ran out of the room, feeling very used.

She had finally escaped Hector’s clutches, and now she had fallen into Connor’s hands. She had never thought that Connor was the same kind of person as Hector.

“Mina, can you hear me out?” After Connor chased out of the room, he shouted after Mina.

“It’s happened. What else do you want to tell me?”

Mina stopped in her tracks. She couldn’t help but tear up.

“I didn’t do anything to you last night. If I did something to you, why is the only clothing article off your body your shirt and nothing else?” Connor looked at Mina and said.

After Mina heard that, she couldn’t help but be stunned momentarily. Then, she lowered her head to look at her dress and found that her dress was indeed intact.

“So... Then why were we sleeping on the same bed? Didn’t you book two rooms when we came to the hotel?” Mina stuttered.

“Excuse me, have you forgotten what happened last night?” Connor said with a broken expression.

"I... I don't think I remember!"

Mina suddenly felt dizzy. She only remembered that she and Connor had checked into a hotel room last night but couldn't remember anything else.

"Looks like you don't remember!" Connor sighed helplessly, then pointed to the room he came out of and said, "Take a good look. This is my room. You came to my room last night. That's your room!"

After hearing this, Mina quickly looked at Connor's room and found he wasn't lying. She had gone into Connor's room.

If Connor wanted to do something to him, he should be the one who went into her room!

"So... What happened last night? Why are we sleeping together?" Mina asked Connor in confusion.

"Can you come into the room first?"

Connor felt that there were too many people in the hotel corridor. He couldn't tell them what happened last night in front of so many people.

Mina hesitated for a moment before following Connor into the room.

After entering the room, Connor closed the door.

Mina sat on the bed and said softly, "Can you tell me now?"

Connor organized his words and then told Mina everything that happened last night.

After Mina heard Connor explain, her face turned as red as a tomato. She stuttered, "Connor, you... Is that true, what you said?"

"Why would I lie to you?" Connor replied helplessly and continued, "Last night, Hector drugged you, so you were delirious and wanted me to help you'. But I didn't do anything to you. I just wrapped you up in the blanket. Later, because I was too tired, I fell asleep. Then, this happened this morning! "

Mina sat on the bed in a daze, her expression extremely awkward.

Connor had helped her last night, but she misunderstood him. Mina felt very embarrassed.

"Connor, I'm sorry. I shouldn't have thought of you like this! " Mina said guiltily.

"It's okay. You can slowly recall what happened last night. I think you should be able to remember!" Connor said lightly.

"The only thing I can remember is coming to the hotel with you. I really can't remember anything else!" Mina said, blushing.

"Forget it if you can't remember!"

Connor smiled at Mina and continued, "It's getting late. I have to return to school for class later, so I'll take my leave now!"

"Sure!" Mina quickly nodded.

Connor turned around and walked out of the room.

After Connor left, Mina lay on the bed, her face as red as an apple, extremely shy.

“Mina, oh Mina, how could you do such a thing? You ran into a boy’s room and wanted to do that to him. It’s so embarrassing...”

Mina picked up the pillow on the bed and hit it hard, wanting to vent her emotions.

Who would have thought that the usually cold Mina would have such a feminine side?

However, after Mina vented her emotions, she seemed to have suddenly thought of something. She stopped what she was doing and muttered, “That’s not right, you slinky Connor. I took the initiative last night, but you only wrapped me in the blanket and didn’t do anything to me. Are you still a man? Am I not good-looking enough?”

“Uh...”

Connor, who had just returned to his room, happened to hear Mina’s words. His expression was extremely awkward.

“Mina, I was a little interested in you last night, but I was afraid that if I did something to you, you would call the police and say that I raped you. That’s why I wrapped you in the blanket!” Connor looked at Mina on the bed and explained in a low voice.

Mina heard this and turned her head around. When she saw Connor behind her, she blushed again.

“When... When did you come in? Why did you come back?” Mina exclaimed.

“I forgot my phone. I just came back to get my phone!” After Connor said this, he quickly picked up his phone on the bedside table and said to Mina, “Well, you can continue. I’m really leaving this time!”

“You...”

Mina stared at Connor, not knowing what to say.

“Connor, wait for me. I’ll go out with you!”

Mina hesitated for a moment. She felt there was nothing she could do here, so she might as well leave with Connor.

“Alright then...”

Connor, who had just walked to the door, stopped when he heard this.

Mina tidied up her clothes and followed Connor out of the hotel.

It was unknown whether it was because of what happened last night or what Mina had said just now, but the atmosphere became a little awkward when they walked..
