

10 Trillion 141

Chapter 141: A Cold Beautiful Woman

“Hello, Ms. Wallace. What’s up?” Connor hurriedly picked up the phone.

“Connor, hurry up and report to the bar if you’re done with school. My friend has a bad temper. If you’re late, she’ll be angry!” Rachel softly reminded Connor.

“Oh, right! I almost forgot about this!”

Connor suddenly remembered that he was going to work part-time in Rachel’s friend’s bar.

“Hurry up and go over. See ya!” Rachel replied lightly before hanging up.

“You guys go watch the movie. I have something to do!”

After Connor put away his phone, he whispered to Dominic and the others.

“Connor, what do you mean? Natasha and I have been waiting for you for so long, and now you’re saying you’re not going?” Cindy said unhappily when she heard what Connor said.

“Yeah, Connor, Natasha has been waiting for you for so long. Why can’t you do it another day?” Dominic also advised helplessly.

“I promised Ms. Wallace I would work part-time at her friend’s bar. Now that they’re about to open for business, it’s not good not to go!” Connor seemed to feel a little embarrassed and replied in a low voice.

“What part-time job? How much can that earn?” Cindy pouted and muttered.

“Since Connor has something to do, let him do it...”

Dominic knew this part-time job was very important to Connor, so he hesitated and spoke for Connor.

“If there’s a chance in the future, I’ll treat you guys to a movie!” Connor replied indifferently, then walked into the distance.

Natasha looked at Connor as he left, a hint of confusion flashed in her beautiful eyes.

She couldn’t understand why a rich heir like Connor would work part-time at a bar.

After Connor parted ways with Dominic and the others, he walked to the roadside and hailed a taxi.

The taxi slowly stopped, and Connor opened the door and got inside.

“Mister, I want to go...”

“Are you comfortable?” Connor was about to tell the driver where he was going when he suddenly heard a woman’s voice behind him.

Connor was stunned for a moment. He quickly turned around to look and then froze.

When he got into the car just now, Connor had been watching the situation on Dominic’s side, so he did not see the situation inside the car. Naturally, he did not notice that there was another person in the car!

At this moment, Connor was sitting on the lap of a beautiful woman!

Connor looked at the woman awkwardly. At this moment, he could even smell the fragrance coming from the woman's collar.

The beautiful woman whom Connor was sitting on also seemed helpless.

When Connor got into the car, the woman had been sleeping the whole time, so she didn't know someone had gotten into the car. She only woke up when Connor sat on her.

"Why aren't you getting up? Do you want to continue taking advantage of me?"

Even though Connor was sitting on her, the woman did not shout. Instead, she spoke very calmly.

"I'm sorry. I was in a hurry and didn't see you in the car!"

Connor awkwardly explained to the beauty, then slowly got up and moved to the seat beside the beauty.

The beauty looked up at Connor. A trace of disdain flashed in her beautiful eyes. She did not say anything and closed her eyes to continue resting.

Connor turned his head and sized up the woman. The woman had light makeup and looked around thirty years old. She was wearing a low-cut spaghetti top today. Her black hair was beautiful, and her figure was very hot. Her legs were wrapped in black stockings, and she wore a navy blue short skirt. She was dressed extremely coquettishly.

However, this woman's aura was cold, making people feel she was unapproachable.

"Young man, where do you want to go?"

The taxi driver started the car and turned to ask Connor.

“Mister, to Dusk, please!” Connor replied softly.

“Hah, what a coincidence. This woman is also going to Dusk!”

When the taxi driver realized Connor and the beautiful woman in the car were going to the same place, he smiled happily.

Connor turned to look at the woman beside him, feeling a little puzzled.

It was only six o’clock in the afternoon. It was a little too early if the woman was going to a bar to hang out.

Most bars were not open for business yet, and this woman did not look like she was going to a bar to have fun.

‘Could she work at Dusk?’ Connor wondered.

When the woman heard Connor was going to Dusk, she turned and looked at Connor indifferently without saying anything.

Originally, Connor had planned to use this opportunity to talk to the beauty.

However, when he saw the cold look on the beautiful woman’s face, he did otherwise. Instead, he took out his phone and gamed.

Twenty minutes later.

The car slowly stopped at the entrance of Dusk.

After Connor and the woman paid the fare, they got off the car together.

“Do you also work at Dusk?” Connor hesitated for a moment before asking the woman softly.

The beautiful woman glanced at Connor indifferently and did not have the intention to pay attention to Connor at all. She turned her head and walked into Dusk.

Connor smiled helplessly after she ignored him. He followed her into the bar.

After entering the bar, Connor briefly scanned the environment inside the bar and found that the environment inside was still the same. There was not much change.

Although Dusk had just opened, it was famous in Porthampton because of its reach.

No customers were inside because it was still early and the bar had not officially opened. Only a few waiters were cleaning.

“I’m sorry, sir. Our bar hasn’t opened yet!”

At this moment, a girl said to Connor.

“I’m not here for a drink. I’m here to work part-time!” Connor quickly replied.

“A part-time job?”

The girl hurriedly put down the tools in her hand and walked to Connor. She smiled and said, “Hello, I’m the manager of this bar, Lucy Green. You can call me Lucy!”

“Hello, Lucy. My name is Connor!” Connor said very politely.

"I know your name is Connor. Rachel got you here, right? Let me bring you to meet the owner of our bar!" Lucy said slowly.

"Sure!" Connor nodded.

Lucy turned around and walked toward the second floor of the bar. Connor followed behind Lucy.

Although Lucy looked average, her figure was very attractive. She had big breasts and a big butt. When she walked, her hips swayed and was very alluring..

Chapter 142: Forced Marriage

A few minutes later...

Lucy brought Connor to an office and knocked on the door.

"Who is it?" A woman's voice came from the office.

"Ms. Hunt, the boy that Rachel introduced to work part-time is already in the shop." Lucy replied softly.

"Let him in!"

"Alright!" Lucy answered, then turned to Connor and said, "Go on in. Ms. Hunt is waiting for you!"

"Thank you, Lucy!" Connor quickly said.

"What a gentleman you are..." Lucy gave Connor a flirtatious smile, then left with her hips swaying.

After Connor saw Lucy leave, he pushed open the door and walked straight into the office.

When he walked into the office, he was stunned.

The beautiful woman sitting in the office was none other than the woman Connor met in the taxi just now.

When the woman saw Connor enter, she was momentarily surprised as well. Then, her eyes widened, and she asked, "Are you the student that Rachel introduced?"

"Yes!" Connor hurriedly nodded.

"What's your name?" The woman asked coldly.

"My name is Connor..." Connor replied.

"Connor?"

The beauty squinted and sized up Connor, then said softly, "Since Rachel introduced you, Rachel should have told you about my situation and your salary, right?"

"Rachel told me everything!" Connor nodded.

"Great. Find Lucy later and ask her to get you a work uniform. Then you can get to work. My bar just opened not long ago and is currently lacking manpower. You can work for some time. When I have recruited enough people, you no longer have to come!"

The woman looked at Connor expressionlessly. Her voice was emotionless as she spoke to Connor coldly.

"Alright, I got it!" Connor nodded helplessly.

"Since you already know, what are you still standing there for? Hurry up and get to work!"

The woman didn't seem to have a good impression of Connor and ordered him to leave.

"Ms. Hunt, I still don't know your name!" Connor asked the woman with a smile.

"Xena Hunt!" the woman replied coldly, then continued, "If there's nothing else, you can leave!"

"Yes!" Connor agreed, then turned around and walked out of the office.

After seeing Connor leave, Xena sighed.

Her attitude toward Connor was so bad, but not because Connor took advantage of her in the taxi.

It was because she had been troubled by something for the past few days.

"Ring ring ring..."

At this moment, Xena's phone on the table suddenly vibrated.

Xena looked at her phone. When she saw the caller ID, her expression darkened.

After hesitating for a while, she picked up her phone and answered the call.

"Xena, are you busy now?" A woman's voice came from the other end of the phone.

"Mom, if you have something to say, just say it! You don't have to call me every two or three days!" Xena said helplessly.

“Xena, the day after tomorrow is your engagement party with Uncle Shenaur’s youngest son. You mustn’t miss it, okay?” her mom said slowly.

“Mom, how many times have I told you? I won’t marry that bastard. Can you stop forcing me?” Xena shouted angrily.

Connor, who had just walked out of the office, happened to hear that. He couldn’t help but sigh. ‘No wonder Xena has such a bad temper. Her parents are urging her to get married!’

Meanwhile, in the office.

Xena held her phone and listened to her mother. Her face was filled with despair.

Xena was born into a merchant family. Her parents were very famous businessmen in Porthampton. Her family background was very good. In addition, Xena was also very beautiful. She could be considered a standard white, rich, and beautiful woman.

However, Xena had had a strange habit since she was young. She was a very serious germaphobe. She could not accept living with a man.

Therefore, even though she was already twenty-eight, she had never been in a relationship, nor did she have any thoughts of falling in love.

Not long ago, Xena’s parents found a blind date for her. The blind date was good-looking and had a good family background. However, Xena was not interested in this man. On the contrary, she felt that this man was a little dirty.

However, her parents liked this man very much. Without Xena’s consent, they had arranged a marriage with him.

Xena was worried sick about this. She had never lived with a man since she was young, and she didn't know how to get along with a man she didn't like. Moreover, she had to marry this man and have children with him. It was scary just thinking about it.

"Xena, Uncle Shenaur's son is handsome and has a good job. Why don't you like him? Moreover, you're not young anymore. If you continue wasting time like this, how long more will you wait? Just listen to Mom's advice and quickly get engaged to him. I can save a lot of trouble!" Xena's mother said gently.

"Mom, just give up. I will never marry someone I don't want to marry!" Xena gritted her teeth and growled.

"Tell me then, who do you want to marry?" her mother asked angrily.

"I... I don't know yet!"

"Xena, can you stop arguing with me? I've already discussed it with your father. If you don't get engaged to Uncle Shenaur's son, we'll take back your bar. I'll see how you can still mess around outside then!"

After saying that, her mother hung up the phone.

Xena listened to the busy tone on the other end of the phone, and her face was full of despair. Owning a bar had always been her dream, but she could not run this bar with her funds. Most of the funds for her bar were given by her parents.

But now, her parents were threatening her with taking away the bar, she felt like she was about to break down.

If she agreed to marry that man, it would be completely forced. However, if she didn't agree, her parents would confiscate Dusk.

Xena sat in her office chair, deeply troubled. She didn't know what to do now.

“Ring ring ring...”

At this moment, Xena’s phone rang again..

Chapter 143: Lucy’s Temptation

Xena picked up her phone and saw it was Rachel, so she quickly answered the call.

“Xena, is my student at the bar?” Rachel asked with a smile.

“He’s already here. I’ve arranged all the work for him. Don’t worry, I’ll take good care of the person you introduced!” Xena replied softly.

“That’s good. Connor is actually quite pitiful. His parents died when he was in primary school. He has been working part-time to study in school, so you must take good care of him, okay?” Rachel slowly said.

“Is Connor so pitiful?” Xena recalled her attitude toward Connor and suddenly felt a little guilty.

After all, her attitude toward Connor wasn’t so bad because he had taken advantage of her in the taxi.

Xena was in a bad mood because her parents were urging her to get married. That was why she vented her anger on Connor.

“Yeah, Connor was even misunderstood as a thief today!” Rachel replied softly.

“Oh, dear...” Xena replied absentmindedly.

“Xena, why do you sound like you’re in a bad mood? Did something happen?” Rachel noticed Xena’s strange behavior and asked with concern.

“It’s the blind date the other day. My parents have been urging me to get engaged to him. I really don’t know what they’re thinking!” Xena replied weakly with her head down.

“I can’t help you with this. You’d better think of a way yourself!” Rachel knew a thing or two about Xena being forced to marry, but as an outsider, she couldn’t interfere in other people’s family affairs.

“Sigh, if only I had a boyfriend now. I could tell my parents that I don’t want to marry that bastard!” Xena pouted.

“But you think men are dirty! How will you get a boyfriend?” Rachel smiled faintly.

“Sigh...” Xena sighed helplessly. She didn’t know what to do now.

On the other side.

After Connor left the office, he followed Lucy to the changing room of the bar.

During the short time, Connor found that Lucy was not only coquettish, but her behavior was also very unrestrained. She often touched Connor’s arm, and from time to time, she would use words to tease Connor.

If it was the previous Connor, he might not have any resistance against a woman like Lucy.

Although Lucy looked very ordinary, she was extremely hot. To a virgin like Connor, she was still very attractive.

But now, Connor had seen a large number of beautiful women. Be it Freya, Chloe, or Natasha, any one of them was better than Lucy. Therefore, Connor naturally had no interest in Lucy now.

After changing into his work uniform, Connor followed Lucy to the front desk of the bar. He briefly introduced the staff in the bar and then began to work.

As Connor had also worked part-time in the bar before, he was familiar with the work in the bar and could do it with ease.

Xena, who had just finished the call with Rachel, walked out of the office and saw Connor working hard.

Xena nodded in satisfaction and walked toward Connor, wanting to praise him.

However, Xena had only taken two steps when she suddenly stopped. A strange look flashed in her originally dim and beautiful eyes.

Xena thought of what her mother had told her before, and then she thought of what Rachel had told her about Connor's background.

A bold idea suddenly appeared in Xena's mind.

"If that's the case, does that mean I don't have to get engaged to that b*stard?"

Xena stood before the handrail on the second floor, posing in a sexy and seductive position, staring at Connor who was working hard.

"Connor seems to be cleaner than other men..." A moment later, Xena took a deep breath and confirmed her plan.

"Click clack, click clack..." Xena walked downstairs.

When Connor heard the footsteps, he subconsciously looked behind him.

"Hello, Ms. Hunt!" Connor greeted Xena politely when he saw her.

“You don’t have to be so polite with me. Just call me Xena!” Xena looked at Connor and said.

After Connor heard Xena’s words, his expression suddenly became slightly confused. ‘A woman’s heart is like a needle at the bottom of the sea! She was so cold to me just now, and now she wants me to call her by her name?’ “Connor, are you okay with the working environment here?” Xena looked at Connor from head to toe and asked him thoughtfully.

“Sure!” Connor hurriedly nodded.

“You’ll get used to it. I heard from Rachel that you’ve been working part-time, right?” Xena looked at Connor and asked.

“That’s right. My parents passed away when I was in primary school. I have to work to support myself!” Connor said slowly.

“I didn’t expect you to be so strong!” Xena looked at Connor with a faint smile and continued, “I’ve already told Rachel just now that your original salary was twenty dollars per hour. I’ll give you an increase of fifty dollars now. You must work hard here!”

Connor looked at Xena with a hint of confusion.

He couldn’t understand why Xena was suddenly so nice to him. Not only did she talk to him more warmly, but she also wanted to raise his salary.

“Connor, Ms. Hunt said he wants to give you a raise. What are you waiting for? Hurry up and thank Ms. Hunt!” Lucy walked to Connor and said to him with a smile.

“Thank you, Xena!” Connor said to Xena.

Connor wasn’t very interested in the salary raise. He didn’t lack this bit of money at all. What interested him was why Xena’s attitude toward him had changed so much.

When Xena saw Lucy coming over, she didn't want to continue chatting with Connor. Instead, she turned her head and shouted at the others, "Everyone, get ready. The business is about to start!"

"Okay, Ms. Hunt!" the other waiters quickly answered.

Xena glanced at Connor indifferently, then walked upstairs in her high heels.

After seeing Xena leave, Lucy turned her head and asked Connor softly, "Lil Connie, what's your relationship with Ms. Hunt?"

"Nothing... there's no relationship. We just met today..." Connor replied in a low voice.

"That's impossible. You must have some kind of relationship with Ms. Hunt. Otherwise, why would Ms. Hunt give only you a raise?"

Lucy held Connor's arm as she spoke, then rubbed her soft body against Connor's arm and said sweetly, "Tell me the truth. What's your relationship with Ms. Hunt?"

Connor looked at Lucy's snow-white collar, and his face instantly blushed.

"Say something. What are you looking at!"

When Lucy saw Connor's shy look, she hurriedly exerted more strength and hugged Connor's arm harder.

"Lucy, I have nothing to do with Ms. Hunt. Let's go back to work!"

Connor was afraid that if Lucy continued to hug him like this, he might be unable to hold it in and give into her.

Therefore, Connor hurriedly pushed Lucy away and turned around to walk away.

Lucy looked at Connor, and a trace of passion flashed in her eyes. Then, she licked her lips and said, "Lil Connie, you're still pretending to be innocent. I'll make you willingly bed me in two days.. I don't believe I can't control a virgin like you..."

Chapter 144: Meeting Freya By Chance

At eight o'clock in the evening, the number of customers in the bar gradually increased.

Young men and women dressed in bright clothes danced on the dance floor with loud music, releasing a cloud of youthful hormones.

Although it was still early for people who liked nightlife, this was the beginning of their exciting life.

As the bar had just opened, the waiters were all newly recruited, so the efficiency of these people was not as high as Connor's.

The three might not have done as much as Connor alone.

"Connor, help me send these bottles of wine to Room 8.1 need to go to the bathroom!" A charming waitress winked at Connor and said sweetly.

Like Connor, this waitress was also here to work part-time.

"Jenny, I've helped you so many times. How do you plan to thank me?" Connor took the beer from the waitress and said with a smile.

"Come on, I know you're the best to me. When I get my salary, I'll treat you to a meal, okay?" the waitress said with a charming smile.

"That's more like it..."

“Alright, I’m not going to talk to you anymore. I’m going to the bathroom!”

The waitress patted Connor’s shoulder and walked toward the bathroom.

Connor carried the alcohol to the door of Room 8 and knocked on the door gently.

“Who is it?” A man’s voice soon came from the private room.

“It’s the waiter. Your wine, sir!” Connor replied loudly.

“Come in!” When Connor heard this, he hurriedly pushed open the door and walked in.

“What’s wrong with your bar? I ordered a few bottles of wine awhile ago. Why are they only here now? Is your bar still open for business?” At this moment, a handsome young man shouted at Connor impatiently.

“Sir, I’m sorry. Our bar has just opened for business, so we lack manpower. I hope you can forgive us!” Connor hurriedly explained.

He had already encountered this kind of thing several times, so he did not take it too seriously this time.

“What lousy bar? I’m never coming back!” The young man saw that Connor’s attitude was quite sincere, so he didn’t continue to make things difficult for Connor. Instead, he muttered in a low voice.

“Mr. Shenaur Jr., calm down. Hasn’t the wine been served now? There’s no need to lower yourself to his level...”

A beautiful woman beside the young man quickly persuaded him with a smile.

Connor walked to the booth and wanted to put down the alcohol in his hand.

However, at this moment, a beautiful woman sitting on the sofa and playing with her phone suddenly looked up at Connor and exclaimed surprisedly, "Connor? Why are you here?"

When Connor heard this, he quickly looked up and saw Freya on the sofa with a surprised expression.

Connor looked at Freya before him with a hint of shock.

He had not expected to bump into Freya in the bar.

Freya was dressed very sexy today. She was wearing a white dress with spaghetti straps. The fabric was very saggy, and the side was slit like a dress, revealing her slender and fair legs. She wore a pair of white high-heeled sandals and looked sexy with a hint of dignity. She looked like a goddess.

Freya's expression was the same as Connor's. She was also shocked.

Freya didn't like to hang out in bars, but recently, her cosmetics company had some financial problems.

Mr. Shenaur Jr., talking to Connor just now, wanted to invest in Freya's company. That was why Freya followed them to Dusk and discussed the contract.

However, she did not expect to meet Connor here.

Moreover, Connor was a waiter here.

Now, Freya would give Connor 20,000 dollars as living expenses every month. As long as Connor didn't spend too much, this money would be enough for a month's living expenses. Freya couldn't understand why Connor still worked here as a waiter.

"Freya, do you know him?" Mr. Shenaur Jr. turned his head and asked Freya with a smile.

“Yes... I guess you can say so!” Freya did not want these people to know that Connor was her fiance, so she replied awkwardly.

“Freya, how do you know such a person?”

“Yeah, how do you know the waiters in the bar?”

After hearing Freya’s words, everyone asked in confusion.

After all, the Phillips Family that Freya belonged to was considered a prestigious family in Porthampton.

Freya had been a goddess-like existence since she was young. To others, Freya was an even more unreachable existence. How could she know a nobody at the bottom of society like Connor?

When Connor heard what these people said, he could not help but blush. Not to mention Freya, even Connor felt a little embarrassed.

“Connor, what are you waiting for? Why aren’t you putting down the drinks?”

To prevent Connor from being humiliated by these people, Freya hurriedly said to Connor.

Connor put down the bottles in his hand, then turned around and walked out of the private room.

“Freya, it’s not that I want to criticize you, but as the eldest daughter of the Phillips family, I think you should have less contact with these losers in the future. After all, they’re nobodies at the bottom of society. They won’t be of any help to your career and will even bring you some unnecessary trouble. The most important thing to make friends is still to look at a person’s ability and character!”

After Connor left, a slightly older young man said to Freya with a smile that was not a smile.

“Yeah, I think what you said makes sense, Cody. We should get to know more people like Shenaur Jr.. He’s young, rich, and talented!” A girl quickly flattered him.

After hearing the girl’s flattery, Cody revealed a very satisfied smile.

Freya hesitated momentarily before saying softly, “Mr. Shenaur Jr., I’m going to the washroom!”

“Alright!” Mr. Shenaur Jr. looked at Freya and nodded gently.

Freya walked out of the room. Seeing that Connor had not gone far, she hurriedly shouted, “Connor, wait a moment!”

When Connor heard Freya’s call, he turned to look at her and asked softly, “Is there something you need?”

Freya walked up to Connor and carefully sized him up. She asked, puzzled, “Why are you working as a waiter here?”

After Connor heard Freya’s question, he was somewhat unhappy. Moreover, with Freya’s attitude toward him just now, Connor was even more unhappy.

“Didn’t we agree before that we wouldn’t interfere in each other’s private affairs? It shouldn’t have anything to do with you whether I’m a waiter or not, right?”

Freya looked at Connor and laughed coldly. Then, she remembered that Maya had said she saw Connor in a room with another girl. She said expressionlessly, “You must have used the living expenses I gave you to trick other girls into bed, right? Now that you’ve spent all your money, that’s why you came here to work, right?”

When Connor heard this, he couldn’t help but be stunned momentarily. Then, he frowned and asked, “You came out just to tell me this?”

“Of course not!” Freya shook her head and said softly, “A few days ago, someone bought a villa for me at Evergrande Real Estate.. Was that you?”

Chapter 145: Cody’s Proposal

Connor looked at Freya and had the urge to nod and admit it.

However, the inheritance contract clearly stated that Connor could not reveal his identity to Freya. Otherwise, he would lose the right to inherit the inheritance.

Connor hid his identity from others because he did not want his life disturbed.

However, he had no choice but to hide his identity from Freya.

Seeing that Connor was silent and couldn’t help but sneer. Then, she said in a playful tone, “Alright, say nothing. I already know the answer just by looking at you. How can a person like you afford a villa? Moreover, it’s a villa worth fifty million dollars. I’m indeed overthinking!”

“That’s right, I really can’t afford a villa!”

Connor looked at Freya and nodded before continuing, “Is there anything else? If not, I have to get back to work!”

Freya hesitated momentarily before looking at Connor and saying, “I don’t want others to know about our relationship. So if someone asks how you know me later, just say we met at a bar. Do you understand?”

“Understood!” Connor nodded.

“Also, since I’ve already promised to marry you, I won’t go back on my word. Let’s get our marriage certificate tomorrow!”

Freya knew that her marriage to Connor was an unavoidable fact.

Furthermore, the person who requested Freya to marry Connor had already helped her father's company overcome the difficulties. Therefore, Freya did not want to delay any longer. She might as well get her marriage certificate with Connor.

"You want to get the marriage certificate so soon?" Connor's eyes flashed with excitement when he heard Freya's words.

"Don't think too much about it. We're just getting a marriage certificate. You're still you in the future, and I'm still me. We have nothing to do with each other!" Freya was afraid that Connor would misunderstand, so she hurriedly explained to him.

"Oh, I see!" Connor nodded in disappointment when he saw Freya's attitude.

However, he felt that it was a good thing for him to be able to register his marriage with Freya.

After all, as long as he got the certificate, Connor could rightfully inherit the ten trillion dollar inheritance and no longer need to hide his identity in front of Freya.

"Alright, that's all I wanted to tell you. Go and do your work!" Freya looked at Connor and said indifferently.

"So when are we going to register our marriage tomorrow?" Connor asked.

"Wait for my call. I'll tell you!" Freya replied softly before turning around and walking toward the private room.

After Connor saw Freya leave, he helplessly turned around and returned to the bar's front desk.

Although Freya had already agreed to register her marriage with Connor, he was not happy at all for some reason.

He felt that his relationship with Freya seemed to have come to an end, Connor was in a very low mood and did not work as hard as before.

In the blink of an eye, two hours had passed.

During these two hours, Connor had been absent-minded. He was thinking about Freya's cold attitude toward him in the private room and what she had said to him just now.

"Please make way! Make way!"

At this moment, a man in a bar uniform walked in with a large bouquet of roses.

When everyone saw the roses in the man's arms, they all were curious.

"Wayne, where did you get these roses?"

Lucy asked puzzledly when she saw the rose in the man's hand.

"This is the rose that the guest in Room 8 wanted. It seems that there is a guest in the room who wants to propose to a woman!" the man replied with a smile.

"Room 8?"

When Connor heard the man's words, he was momentarily stunned. Then, he remembered that Freya was in Room 8.

When Connor entered the private room, he realized only two girls were in Room 8. One of the girls seemed to have a boyfriend, and Mr. Shenaur Jr. was looking at Freya strangely. Could Mr. Shenaur Jr. want to confess to Freya?

Although Connor knew that even if someone wanted to confess to Freya, it had nothing to do with him, he still couldn't suppress the curiosity in his heart. He quickly approached the staff member and whispered, "Wayne, give me the roses. I'll deliver them..."

"That won't do. The customer inside promised to give me a tip of 200 dollars!" the man called Wayne quickly refused.

Connor didn't even think about it. He took two bills from his pocket and pushed them into Wayne's hand. Then, he grabbed the roses and walked toward Room 8.

After Wayne took the money from Connor, he suddenly became a little puzzled. He scratched his head and said, "Why is he so agitated when she is being confessed to?"

After Connor snatched the roses from Wayne, he strode toward Room 8.

"Creak!" Connor reached out and pushed open the door of Room 8.

Mr. Shenaur Jr., sitting on the sofa, saw Connor come in with roses and scolded him with great dissatisfaction, "Are you a f*cking turtle? You're so slow to buy flowers!"

After saying this, Cody snatched the rose from Connor's hand and slowly walked up to Freya.

When Connor saw this, he was even more certain that Mr. Shenaur Jr. was going to confess to Freya.

Freya did not notice Connor, who had just entered. Instead, she focused her attention on Mr. Shenaur Jr. and asked with a puzzled expression, "Cody, what are you doing?"

"Plop!" Cody did not even think about it and kneeled before Freya.

When Connor saw Cody kneeling on the ground, he was instantly dumbfounded. This was because Cody, this idiot, was kneeling on the ground with both knees!

The young man beside Cody also noticed something was wrong and quickly reminded him, “Cody, proposals are usually done on one knee...”

“Wouldn’t it be more sincere to kneel?” Cody replied at the top of his voice.

“Well, Cody, you usually only kneel when you visit a grave!” the young man said helplessly.

“F*ck, I don’t need you to f*cking remind me!” Cody cursed angrily, then adjusted his kneeling position. He looked at Freya and said, “Freya, I’ve liked you for a long time. Can you be my girlfriend?”

Freya looked at Cody, dumbfounded. She was helpless because she did not expect Cody to propose to her.

“Freya, I really like you. Can you be with me?”

Seeing that Freya was silent, Cody hurriedly struck while the iron was hot.

“Say yes!”

“Say yes!”

The guests in the private room followed suit and cheered.

Connor looked at Freya, and his expression instantly turned solemn.

He was worried that if Freya agreed to Cody, wouldn’t he become a cuckold?

Although he and Freya were just husband and wife in name, Connor did not want to be a cuckold!

Chapter 146: Come Home With Me Tonight

“Mr. Shenaur Jr., this is a little too sudden!” Freya replied speechlessly.

"I know that we've only known each other for less than a week, but I've already fallen in love with you from the first time I saw you. I can't sleep every night. My mind will be filled with your face whenever I close my eyes. Let me be your strong arm, protect you, embrace you..."

It was unknown where Mr. Shenaur Jr. had heard such non-mainstream words of love, but it gave everyone goosebumps.

Hearing Mr. Shenaur Jr.'s words, Connor was speechless.

He felt that Mr. Shenaur Jr.'s words were like advertisements for sanitary pads. He wanted to protect her, but now he just needed to prevent her from leaking.

"Mr. Shenaur Jr., I'm sorry, but I can't say yes!"

Freya looked at Mr. Shenaur Jr. and shook her head gently.

"Why not? I'm sincere with you. Why can't you say yes?" Mr. Shenaur Jr. asked agitatedly.

"Because I don't think we know each other well enough!" Freya said softly.

"I know you very well. I know what you like. What your hobbies are. I know all of these!" Mr. Shenaur Jr. said to Freya.

"Since you know me so well, do you know I already have a fiancée? Besides, I'm going to register our marriage with him tomorrow!" Freya had no choice but to use Connor as a shield.

When Connor heard Freya's words, he couldn't help but frown. However, he still felt a little smug.

No matter what, Freya did not agree to Mr. Shenaur Jr.'s pursuit. She even told him that she had a fiancée.

“You... You already have a fiance?” When Mr. Shenaur Jr. heard that, he was stunned. He was extremely shocked.

“Yes, I already have a fiance, so I can’t be with you!” Freya nodded lightly.

H ii

Mr. Shenaur Jr. looked at Freya and was speechless. Then, he said, “Even if you have a fiance, it’s fine. You can break off the engagement with him and get together with me!”

“Mr. Shenaur Jr., I have a good relationship with my fiance. I won’t break up with him. Thank you for liking me, but I don’t have any feelings for you!” Freya replied mercilessly. Then, she picked up her phone to look at the time and said softly, “Mr. Shenaur Jr., it’s getting late. I’ll take my leave first!”

After saying that, Freya picked up her bag and left the private room.

“Freya, I advise you not to be so ruthless. You will regret it if you do this.” When Mr. Shenaur Jr. saw Freya was about to leave, he quickly stood up and shouted at Freya.

After Freya heard this, she turned to glance at Mr. Shenaur Jr. and walked out of the room without saying anything.

When Freya reached the door, she suddenly noticed Connor standing at the side. She looked at him coldly and left the room without saying anything.

“F*ck, why does this Freya have a fiance? Didn’t you say that Freya has always been single?”

When Freya left the private room, Cody shouted at the man beside him.

“I don’t know either. Freya’s friends all said that she was single. Who knew she would suddenly have a fiance!” the man beside him replied helplessly.

“Investigate, investigate thoroughly. Find out who Freya’s fiance is before tomorrow morning. I want him to break up with Freya!” Cody shouted, his eyes bulging.

When Connor heard Mr. Shenaur Jr.’s words, he could not help but sneer and leave the private room.

They might not know that the fiance Freya mentioned was standing right before them.

Seeing that Freya had rejected Cody and would register their marriage with him the next day, Connor’s mood improved. He continued to shuttle between the private rooms to serve tea and wine.

In the blink of an eye, three hours had passed.

1AM.

The customers in the bar left one after another. The waiters began to clean up and then prepared to leave.

Connor was originally working part-time, so he didn’t have to stay here to clean.

Connor changed out of his work uniform and turned to Lucy. “Lucy, if there’s nothing else, I’ll go back first.”

“Don’t be in a hurry to leave. Why don’t you accompany me for supper later?” Lucy said flirtatiously to Connor.

“Uh... Next time, perhaps. I have something to do later!” Connor gave an excuse and then walked out of the bar.

However, just as Connor was about to leave the bar, a sexy voice spoke behind him.

“Connor, wait a moment!”

Connor turned to look behind him and realized that Xena called him. With a puzzled expression, he asked, “Xena, what’s the matter?”

“Come home with me tonight!” Xena whispered to Connor.

The waiters cleaning the bar widened their eyes in shock when they heard Xena’s words.

Xena wanted to bring Connor home?

“Xena, what... What do you mean?” Connor was also confused after hearing Xena’s words.

He didn’t understand why Xena would bring him home in the middle of the night. Was she plotting something against him?

“Well, don’t think too much. I bought a humidifier today. It’s too heavy for me to carry back, so come home with me first and help me carry them upstairs. Then, you can take a taxi back,” Xena whispered to Connor.

When everyone heard Xena’s explanation, their expressions began to relax. So Xena wanted Connor to go home with her to help carry things!

Connor was confused. Normally, large appliances like a humidifier would be delivered to the door, and someone would be responsible for installing them. But now, Xena asked him to carry it for her. Connor felt that something was wrong.

“Don’t just stand there. Hurry up and follow me!”

After saying that, Xena walked out of the bar.

Although Connor had his doubts, he didn't reject Xena.

After all, Xena was his boss, and she was also a beautiful woman. Even if she took advantage of him, Connor would be very happy.

Five minutes later, Connor followed Xena to the open-air parking lot outside the bar.

Xena took out her car key and pressed it. A red BMW Mini lit up.

"Get in the car!" Xena said to Connor, then turned around and walked into the car.

Connor hesitated before sitting in the front passenger seat.

After sitting down, Connor briefly looked at the decorations in the car and found that most were very feminine cartoon decorations.

"I didn't expect a strong woman like Xena to have a young girl's heart!"

Connor could not help but sigh in his heart.

The car was filled with a refreshing fragrance, exactly like the smell on Xena's body.

Xena frowned when she saw Connor sitting in the passenger seat, but she said nothing and slowly started the car.

Xena was a neat freak. She couldn't accept being alone with a guy, let alone sitting in the passenger seat.

Even if it was a woman, only close friends like Rachel could sit here.. Therefore, Connor was the first man to sit in the front passenger seat of Xena's car!

Chapter 147: Xena Acting Abnormal

Along the way, Connor tried to find a topic to chat with Xena.

However, Xena didn't seem to care about Connor. She looked absent-minded, as if she was thinking about something.

Xena had been thinking about her plan for the day. She was very conflicted and didn't know if she should do this.

Half an hour later, Xena parked the car in front of a villa.

Although Xena's villa couldn't be compared to Connor's, it was considered luxurious to ordinary people.

"So, time to get out of the car. We've arrived at my house!"

Xena seemed to have made up her mind. She spoke to Connor with a determined expression.

"Right!" Connor nodded gently, then pushed open the car door and got out.

"Xena, where is your humidifier? I'll help you move it up..." Connor said to Xena after getting out of the car.

"Connor, you haven't lived in a villa like this before, right?" Xena didn't answer Connor's question. Instead, she changed the topic and said something strange.

"..." Connor couldn't help but laugh when he heard what Xena said. He thought to himself that he had already bought three villas that were several times more luxurious than this, let alone ordinary townhouses.

“You definitely haven’t...” Xena pouted and said.

“I have indeed never stayed in one before...” Although Connor didn’t know why Xena would ask him such a question, he still replied politely.

“Come in with me!” Xena walked toward the villa.

“Uhm, Xena, didn’t you ask me to help you move the humidifier? Where’s the humidifier?” Connor asked Xena, puzzled.

“I just received a message from the courier company saying that the humidifier hasn’t been delivered yet!” Xena replied softly.

H H

Connor couldn’t help but frown when he heard Xena’s explanation. He looked helpless.

So this woman brought him here in the middle of the night just to show off her villa?

“Xena, since the humidifier hasn’t been delivered yet, I’ll go back first. When the humidifier arrives, I’ll come over and help you move it!”

Connor turned around and wanted to leave. He felt that there was something wrong with how Xena was behaving.

“Connor, wait a moment!” Xena saw that Connor was about to leave and hurriedly called out.

“What’s up?” Connor frowned and asked.

"I... My computer is broken. Can you help me fix it?" Xena bit her red lip and said to him nervously.

"Xena, I don't know how to fix a computer. Why don't I come over tomorrow and help you bring the computer to be repaired?" Connor wasn't lying. He didn't know how to fix a computer.

"Well, just go in and help me take a look. You guys know more about computers than we girls do. If you can't fix it, I'll get someone to help!" Xena said as she dragged Connor into the villa.

Connor had no choice but to follow Xena into the villa.

After entering the villa, Connor briefly observed the decoration of Xena's house. The overall feeling was luxurious, but it didn't feel like home. It didn't look like a place where a girl lived at all. Most of the furniture was in cold colors, giving people an indescribable strange feeling.

'This woman's house too sterile.' Connor could not help but mutter in his heart.

"My computer is on the table. Go and take a look!" Xena kicked off her high heels and walked into the living room barefooted. Then, she pointed at the computer on the table and spoke.

"Right..." Connor nodded and walked toward the computer.

When Connor sat on the sofa, Xena instinctively wanted to stop him.

But Xena hesitated momentarily and swallowed the words she wanted to say. Then, she said expressionlessly, "Connor, stay here and fix the computer. I'm going to take a shower first. Don't touch anything in my house, okay?" "Alright..." Connor nodded and turned on the computer to study it seriously.

Xena glanced at Connor indifferently, then turned around and entered the bathroom.

A few minutes later, the sound of running water came from the bathroom.

Connor ran his laptop briefly and threw Xena's computer on the sofa. He looked at the bathroom in confusion.

Although Connor knew little about computers, he wasn't an idiot. He had just played with Xena's computer briefly. It was very smooth, be it normal usage or surfing the internet. There were no problems at all. He didn't know what he should fix.

Moreover, the more Connor thought about it, the more he felt that something was wrong.

Previously, Xena had asked Connor to help her with a humidifier, but now she claimed the humidifier had not been delivered yet. Then, she asked Connor to come in and fix the computer, but there was nothing wrong with Xena's computer!

"What is this woman trying to do? Could she know my identity and want to kidnap and blackmail me?"

A terrifying thought flashed through Connor's mind.

If it were the previous Connor, he wouldn't have such scruples. After all, he was a pauper. Even if kidnapped, he wouldn't have much money to give them.

However, it was different now. Connor was worth trillions. If he were really kidnapped, he would be in big trouble.

Thinking of this, Connor couldn't help but inhale sharply. Then, he got up and prepared to leave this gloomy villa.

However, the bathroom door suddenly opened as Connor was about to leave.

"Connor, where are you going?" Xena, who had just showered, walked out of the bathroom. She wiped her hair and asked Connor softly.

At this moment, Xena had already taken off the work outfit she wore during the day and changed into a lacy nightgown with spaghetti straps. Her slender and fair legs were exposed to the air. Although she wasn't wearing stockings, Xena's calves still looked smooth. Her feminine face looked extremely attractive because she had just taken a shower.

Connor was stunned when he saw Xena's hot body.

"Xena, I've already fixed your computer. I have something to do, so I'll leave first!"

Connor took a deep breath to wake himself up. He knew he could not be seduced by beauty now.

"It's already so late. What else do you have to do?" Xena walked to Connor barefooted and asked seductively.

"Xe... Xena, what are you doing?"

At this moment, Connor was very close to Xena. Connor could feel the heat from Xena's body and the fragrance coming from her.

Xena couldn't help but laugh when she saw Connor like this. She turned around and walked to the TV cabinet, bending over to open the drawer.

Just as Connor was confused, Xena took a large stack of cash from the drawer and placed it on the table.

"Connor, sleep with me; this money will be yours!" Xena ordered Connor like a queen..

Chapter 148: I Want A Child

"Have... Have sex with you?"

Connor was stunned when he heard that. His eyes were filled with shock.

Connor thought Xena brought him here because she knew his identity and wanted to kidnap him.

However, he never expected that Xena would try to trick him into sleeping with her.

'This woman is indeed plotting against me!' Connor sighed in his heart and then scanned Xena from head to toe.

Xena was wearing a sexy nightgown with spaghetti straps. Her breasts were full, and her slender waist exuded an alluring aura as she swayed. Her slender legs were smooth and delicate, and taking one's eyes off her was almost impossible.

Any normal man would probably not reject such a beautiful woman's request to sleep with him.

However, Connor's expression was very conflicted because he didn't know what Xena wanted to do.

"What are you waiting for? Hurry up and take off your clothes!" Xena said as she walked over to take off Connor's clothes.

Seeing Xena's action, Connor quickly stopped her. He then said to Xena helplessly, "Xena, I... I'm not so casual about it. If you want to do that, you'd better find someone else..."

"Why? Am I not beautiful enough?" Xena didn't expect Connor to reject her. She shouted at Connor with dissatisfaction.

"Xena, you're very beautiful and sexy, but I'm not good enough for you. Besides, I don't even know why you're doing this!" Connor said.

"Why do you want to sleep with me?"

After Xena heard Connor's questioning, she couldn't help but be stunned. Then, she pointed at the stack of cash on the table and said, "Connor, there are 200,000 dollars here. As long as you sleep with me,

these 200,000 dollars are yours. If you can make me pregnant, I'll give you another 200,000 dollars. Now do you understand why you want to sleep with me?"

"You want to sleep with me just to get pregnant?" Connor seemed to understand what Xena meant.

"Yes, I want a child!" Xena nodded lightly.

Having a child with Connor was Xena's plan.

Xena was getting older, and her parents had been forcing her to marry and arranging blind dates for her.

However, Xena had been obsessed with cleanliness since she was young. She could not accept living with a man and had never met a man she liked.

Today, Xena's parents had already given her an ultimatum. They would take back Xena's bar if she didn't get engaged to that bastard.

Dusk had been Xena's dream for so many years. She was unwilling to let her bar be taken back just like that, so she thought of this method to kill two birds with one stone.

As long as she could have a child with Connor, no one would be willing to marry her, and her parents would not be able to continue forcing her.

Xena had already decided to be single for the rest of her life. Being able to have a child would fulfill her wish to be a mother.

"You want to have a child with me?" Connor looked at Xena and asked helplessly.

During this period, Connor encountered too many strange things. First, he had suddenly inherited ten trillion dollars of inheritance, and then he suddenly had a fiancée.

Now that he worked part-time at the bar, his boss wanted to sleep with him to have his child. What was going on?

“Connor, Rachel told me about your situation before. When you were in primary school, your parents had already passed away. If you sleep with me now and successfully get me pregnant, you can get 400,000 dollars. If you think 400,000 dollars is too little, I can give you another 100,000 dollars...” Xena said to Connor expressionlessly.

“No, Xena, why are you doing this?” Connor asked Xena, puzzled.

“This is none of your business. I’ll give you money, and you can sleep with me!” Xena pouted and said.

“That won’t do. I’m not like the other men. You have to explain to me about this. Then, I’ll see if you need my help. If you really need my help, I might agree to it on account of your beautiful looks and hot figure. Otherwise, I’ll not sleep with you!” Connor was very curious about why Xena would make such a request. After all, Xena was so beautiful and had a hot figure.

She could find someone better than Connor if she wanted to find a man to sleep with.

Xena hesitated when she was faced with Connor’s firm attitude. Then, she told Connor what she was thinking.

After Connor knew the reason for the matter, he was extremely shocked.

He didn’t expect Xena to come up with such a weird idea to avoid being forced to get married.

Connor had heard Xena talking to her mother on the phone, so he knew that Xena wasn’t lying.

“Xena, if you want to find someone to have a child with, you can find someone better than me. Why did you choose me? We aren’t familiar with each other either...” Connor hesitated for a moment and asked Xena softly.

“Because you are poor...” Xena replied calmly.

“Huh...”

Connor froze after hearing Xena’s words. He seemed very awkward.

He didn’t expect Xena to choose him for such a simple reason.

Xena had chosen Connor not because he was poor.

First of all, Xena had a good impression of Connor. Besides, Connor was quite handsome and had a rugged face. His physical fitness should be good too.

And the most important thing was that Connor looked honest and was very short of money.

Xena felt that people like Connor could be settled with money.

However, if it were any other man, he might develop feelings for her after tonight and use the child to threaten her; it would simply be endless trouble.

Therefore, poor Connor was the best candidate for Xena’s plan.

Connor could get the money he needed from Xena, and Xena could cut off all ties with Connor after they had a child. That way, he wouldn’t have to worry about anything.

“Well, Xena, technology is so advanced now. You don’t have to have children with men, right?” Connor whispered to Xena.

“You’re talking about test-tube babies, right?” Xena replied expressionlessly.

“Yes, that’s what I meant!” Connor nodded.

“I’ve also thought about this before, but this kind of thing is not as simple as you think. If i want to have a test-tube baby, 1 must undergo many procedures. Moreover, there’s a very important reason: time does not allow me to do this because 1 will be engaged to someone else in two days.”

Xena looked at Connor and paused before continuing, “And I feel it’s a little strange not to know the child’s father. I can’t accept that myself!”

“I see.” Connor looked at Xena and nodded.

“Alright, stop beating around the bush. Quickly take off your clothes and go to bed with me!” Xena said as she took off her pajamas.

After taking off her pajamas, Xena’s delicate body was completely exposed to Connor. He was instantly dumbfounded..

Chapter 149: Failing At A Critical Moment

“Xena, i don’t think I can help you. You should find someone else!”

Seeing that Xena really wanted to sleep with him, he instinctively felt a little scared and said that helplessly.

“Why? Is it because I am offering you too little money?” Xena looked at Connor, puzzled.

“It is not about money!” Connor replied.

Although Xena was very beautiful and had a very attractive figure, Connor didn’t want to have sex with Xena for no reason. Moreover, he was expected to make her pregnant, so Connor turned around and wanted to leave.

“Since it’s not about money, why don’t you want to do it? Connor, you can’t do it, right?”

Xena couldn't understand why Connor would refuse to sleep with her.

Logically speaking, Connor was so poor, and she had offered him so much money. Moreover, Xena was also quite good-looking. A poor loser like Connor had no reason to reject her!

'You can't do it, right?' Connor was shocked when he heard that.

As a man, that was the worst line to hear, especially from a beautiful woman.

"What do you mean I can't? I am a very healthy person!" Connor shouted at Xena.

"Since you're healthy, why won't you sleep with me? Is it because I'm not beautiful enough? Are you even straight?" Xena sat on the sofa and crossed her legs in an alluring pose. She spoke to Connor provocatively.

Hearing Xena's words, Connor hesitated before walking toward Xena.

"Today, I'll show you that I'm a man!" Connor roared and picked Xena up. He then turned around and walked toward the bedroom.

Ever since Connor inherited the ten trillion dollars, the temptations around him gradually increased.

Be it a sexy older woman like Chloe or a pure student like Natasha and May.

As long as Connor asked, these women would immediately get a room and obediently give themselves to him.

However, Connor never did that because he felt he had to find a woman who truly loved him for the first time, not a gold-digger.

If Connor had sex with these women, what was the difference between him and them?

Furthermore, because of Freya, Connor had an additional layer of scruples.

Although Freya was unwilling to admit that Connor was her fiance, Connor had always wanted to pursue Freya because he felt that since he had promised to marry Freya, he had to be responsible for this woman!

However, what Xena said completely infuriated Connor.

Why did men have money?

Wasn't it just to live as they pleased?

Furthermore, Xena was a rare beauty. Connor felt he was not disadvantaged enough to have sex with such a woman. Connor was just suppressing the desire earlier.

However, what Xena said to Connor just now had completely ignited his anger.

Xena didn't know Connor's identity, so even if she had sex with him, Connor wouldn't have to take responsibility. Moreover, he could get 400,000 dollars in cash. This was a great job for Connor.

That was why Connor suddenly changed his mind.

Connor did it to prove himself, while Xena did it for her problems. They were simply taking what they needed.

After they were done, they did not disturb each other. Connor felt that he was not at a disadvantage.

When Xena realized Connor had picked her up, a hint of nervousness flashed in her beautiful eyes. However, her gaze quickly became determined because she knew that only by sleeping with Connor could she solve all her problems!

A moment later, Connor carried Xena into the bedroom, threw her onto the bed, and then reached out to remove his clothes.

Xena lay on the bed. Her heart was beating fast, and her face was so red that it looked like it could drip blood.

She had never had any intimate contact with the opposite sex since she was young, but now she was going to do that with a man. She was naturally very nervous.

Connor looked at Xena's blushing face and hesitated for a moment. Then, he said softly, "It's not too late for you to change your mind now.."

Xena seemed nervous but stopped halfway and said softly, "Hurry up, I won't regret it!"

After hearing that, Connor didn't waste any more time. He lowered his head and kissed Xena's lips.

Seeing that Connor was about to kiss her, she quickly turned away and said, "What are you doing? You can't kiss me..."

"Xena, why can't I kiss you when we're doing this?" Connor was speechless when he heard Xena's words.

He ignored Xena's resistance and kissed her on the lips.

Xena panicked. She struggled with all her might, dodging left and right.

But after struggling for a while, Connor finally found an opportunity to kiss Xena's delicate lips.

Xena's eyes widened as she looked at Connor angrily.

This was Xena's first kiss and also Connor's.

They were stunned almost at the same time.

Connor hesitated, then hugged Xena tightly and kissed her.

A moment later, Connor's breathing became heavy. He reached for Xena's back, trying to undo her bra.

After Xena felt what Connor was doing, she couldn't help but tremble.

However, she still gritted her teeth and didn't stop Connor.

Xena was willing to do anything to stop her parents from forcing her to get married.

However, this was the first time Connor had removed a woman's underwear, so the process was inevitably awkward.

After a long time, Connor still hadn't unhooked Xena's bra. Due to his excitement, cold sweats began to appear on his forehead.

'F*ck, how can you screw up at such a critical time!' Connor could not help but curse in his heart.

"Connor, what's wrong?" Xena asked Connor when she saw him sweating profusely.

"I'm fine..." Connor's voice trembled slightly. He didn't plan to tell Xena he didn't know how to unhook her bra because it would be too embarrassing..

Chapter 150: I Have a Fiancee

“Why are you sweating?” Xena asked while panting heavily.

Connor didn’t say anything. He looked at Xena anxiously and was stunned.

Connor realized that Xena’s bra had no hooks!

Before inheriting the ten trillion dollars, Connor had often fantasized about sleeping with a beautiful woman.

However, a beautiful woman was before him at this moment, but Connor couldn’t take off her underwear. Connor was very anxious, but the more anxious he was, the harder it was for him to find the hook!

‘Is the hook in front?’ Connor looked at Xena’s breasts and hesitated. Then, he started to look for buttons.

However, after searching for a long time, Connor still did not find the hook. At this moment, Connor was about to go crazy.

“Connor, are you incapable of this?” Xena suddenly asked Connor.

“How am I incapable of this?” Connor replied in a low voice and then continued to focus on finding the button.

“You definitely can’t. We haven’t even done anything yet, and you’re already sweating. Do you have some mental block?” Xena said with a puzzled expression.

“No, I don’t!” Connor helplessly growled.

“Then why are you sweating so much?”

“Maybe the room is too hot...”

Connor casually found an excuse.

“Why don’t we take a break?” Xena said softly.

“No. Can I ask you something?”

Connor felt he couldn’t waste any more time, so he asked Xena how to unbutton her bra.

“What is it?” Xena was baffled.

“How do you undo your bra?” Connor asked Xena helplessly.

Xena couldn’t help but laugh when she heard the question. She said, “So you’ve been busy for so long because you don’t know how to undo my bra!”

“How do you undo your bra?” Connor was about to collapse in shame.

“The hook is on the side!” Xena didn’t seem to be as nervous as before. She smiled and said.

“D*mn, why is the hook on the side of the bra?” Connor said as he reached out to touch the side of Xena’s bra.

“Connor, are you still a virgin?” Xena asked slowly.

“I... Of course I’m not...” Connor was afraid that Xena would laugh at him, so he quickly shook his head.

“Then, why can’t you even undo my bra?” Xena looked at Connor and asked.

H H

Connor was not in the mood to talk to Xena. He finally touched the button and tried to undo it.

“Ring, ring, ring...”

But at this moment, Connor’s phone suddenly rang.

Connor and Xena were surprised when they heard the ringtone.

However, after Connor recovered his senses, he ignored it and continued taking off his clothes.

“Connor, your phone is ringing...” Xena hesitated for a moment and whispered to Connor.

“Ignore it!” Connor replied expressionlessly.

“It’s so late, and someone is calling you. It should be something urgent. You should pick it up. We still have the whole night,” Xena whispered to Connor.

“Sigh...” Connor took a deep breath and silently cursed the person who called him. Then, he took out his phone from his clothes.

However, when Connor saw the name on the caller ID, he was stunned. The person who called him was none other than his fiancée, Freya Phillips.

“It’s so late. What do you need me for?” Connor answered the phone and asked coldly.

“Connor, come to my office tomorrow at 8 AM to look for me. Remember to bring your ID card and household register,” Freya said in a tired voice.

“Your office?”

“I’ll send you the address later. Don’t be late!” Freya knew what Connor wanted to ask, so she interrupted him.

“Alright, I got it!” Connor nodded.

“See you tomorrow!” Freya replied indifferently before hanging up.

After Connor heard the busy tone on the other end of the phone, he slowly put down the phone and turned to look at Xena.

At this moment, he suddenly felt a little guilty. Although he and Freya were only husband and wife in name, Freya had never done anything to let him down. But now, he was fooling around with a woman behind her back!

If he looked at it from another angle, would Connor accept Freya lying in bed with a man?

Connor definitely couldn’t accept it. Even if someone confessed to Freya, Connor would still feel very uncomfortable, let alone lie on the same bed with a man.

At this moment, a deep sense of guilt filled Connor’s heart.

“Who called you?” Xena noticed something was wrong with Connor, so she couldn’t help but ask him softly.

“Xena, I might not be able to sleep with you anymore!” Connor said as he picked up the clothes on the bed and put them on.

“Why? Didn’t we already agree earlier?”

After Xena heard that, she hurriedly sat up and asked Connor curiously.

“Actually, I already have a fiancée, and I will register our marriage tomorrow. I feel I’m letting her down by doing this, so I can’t help you anymore, Xena!” Connor put on his clothes and explained softly.

“You have a fiancée?” Xena looked on in surprise, her face full of disbelief.

She thought a poor loser like Connor probably would not have a girlfriend!

However, she never expected that Connor had a fiancée!

“Yes, I already have a fiancée. I’m sorry, Xena!” Connor said softly.

H H

Xena looked at Connor and hesitated. Then, she said softly, “I’m the one who should be sorry. I didn’t know that you already had a fiancée. If I had known, I would never have let you sleep with me..”

“Xena I was a little carried away just now. I shouldn’t have done that.

“But since you don’t want your parents to rush you into marriage, you should find someone you really like and be with him. Wouldn’t that solve the problem? There is no need to get pregnant and have a child!” Connor said to Xena with a straight face.

“Sigh, when have I not thought about what you said? But I can’t help it. I’ve never been able to find a boy I really like..”

Xena sighed and continued, “Alright, you can go home if there’s nothing else. Maybe this is my fate. Anyway, I’ll get married sooner or later. The guy my mother introduced to me this time looks okay, so I’ll just accept my fate..”

Although Xena said so, Connor could tell she was not willing to marry just like that.

“Xena, if you have a boyfriend now, will your parents not urge you to get married?” Connor was stunned and asked Xena softly.

“Something like that, but it depends on whether they like my boyfriend. If they like him, they won’t rush me to get married...”

Xena paused, then slowly said, “If they don’t like him, but I insist on marrying him. I don’t think my parents will say anything either...”

“I see!” Connor nodded thoughtfully.

“My parents are forcing me to get married because they think I am a little old and want to get me married as soon as possible. They are afraid that I would not be able to get married when I get older...” Xena said slowly.

“Xena, you’re still young. How can you not get married later? I have a way to stop your parents from urging you to get married!” Connor looked at Xena and said.

“What is it?” Xena asked excitedly.

“Can’t I just pretend to be your boyfriend? When that time comes, you can insist on being with me. Even if they think I’m poor, they won’t force you to marry someone else. Then, when you find the person you like, you can say that you broke up with me!” Connor said to Xena with a smile.

“That’s right. Why didn’t I think of this?” Xena looked at Connor and said.

Previously, she had been thinking about how not to get married, but she had never thought she could find a man to pretend to be her boyfriend and temporarily fool her parents.

By then, no matter how unhappy Xena's parents were, they wouldn't force Xena to marry someone else.

"Connor, your idea is great. When you're free, I'll bring you to meet my parents and say you're my boyfriend!" Xena shouted at Connor happily.

"Alright!" Connor lightly nodded.

"Thank you so much. Take this money!" Xena was very excited when Connor agreed to pretend to be her boyfriend. She quickly picked up the cash on the table and handed it to Connor.

"Xena, I took advantage of you so much just now. Take this as my repayment to you, so take this money back!" Connor replied indifferently.

Although 200,000 dollars was nothing to Connor, it was a huge sum to Xena. Therefore, Connor had no intention of accepting it.

Hearing that, Xena recalled what she had done with Connor on the bed and blushed.

"Alright, Xena, if there's nothing else, I'll leave first!" Connor smiled at Xena, then turned around and walked out of the villa.

Xena stood rooted to the ground, looking at Connor as he left. A trace of doubt flashed in her eyes.

Xena realized that Connor didn't look like a poor loser at all.. Otherwise, why would Connor not be interested in her money at all?
