### Chapter 191: The Beautiful Yelena

On the other side, after seeing Connor walk out of the factory, Wyatt also hurriedly ran out, then said in a very respectful tone, “Young Master McDonald, do you want me to drive you back?”

“No need. I want to be alone!” Connor replied indifferently.

“Oh...Alright then!”

Wyatt nodded lightly and walked away tactfully. He did not continue to follow Connor.

Connor walked alone on the street, looking at the neon lights flashing in the skyscrapers. His heart felt inexplicably empty.

Perhaps it was because he had completely revealed his identity to Mandy today, so the big stone that had been weighing on his heart had finally been lifted.

After taking revenge on Mandy and Brandon, Connor did not feel a trace of happiness at all, but rather helplessness; he was well aware the only reason he could step on Mandy and Brandon was that he had inexplicably inherited that inheritance, not because of his own efforts.

“Hah...”

Connor heaved a heavy sigh of relief and then walked towards his home.

“Beep beep beep!”

However, at this moment, a car horn suddenly sounded behind him. Connor instinctively froze for a moment, then turned around and saw a Maserati parked beside him.

The car window slowly rolled down, and a beautiful woman stuck her head out and waved at Connor, then shouted, "Get in the car and follow me home!"

Connor looked at the girl's pretty face, and a trace of doubt flashed in his eyes. He frowned and asked, "Do you know me?"

"Nope!" the beauty replied.

"Then why are you asking me to go home with you?" Connor's expression became even more puzzled when he heard the beautiful woman's words.

The beauty hesitated for a moment before speaking to Connor. "I drank some wine at the bar just now, you see. I'm worried that I'll be stopped by the traffic police later, so please drive me home. I'll give you money..."

"O-Oh!"

Connor nodded lightly, then said with some difficulty, "Well, you should call a designated driver. I'm preparing to go home now!"

"It's so late already, so where can I find a designated driver? Besides, my house is only a few kilometers away from here. I'll give you 500 dollars, okay?"

The beautiful woman did look slightly tipsy. Under the illumination of the street lights, she looked particularly charming.

Connor stood there and hesitated for two seconds. He felt that if he let her drive back like this, he would feel bad if something really did happen, so he walked towards the Maserati.

When the beauty saw that Connor was about to get into the car, she quickly opened the door and got out.

After getting out of the car, Connor could clearly see her true appearance.

She had thick makeup on her face and wore revealing clothes—a low-cut T-shirt and very short jean shorts. Other than her alluring clothes, her extremely sexy appearance also gave her a great boost, making her look like a femme fatale. Her every frown and smile exuded charisma and sexiness, but also gave people a feeling of innocent charm.

The beautiful woman seemed to have drunk wine, and her face was flushed red. She looked very attractive.

“What are you waiting for? Hurry up and get in the car!” she shouted at Connor.

“Alright...”

After Connor heard this, he hurriedly replied, then directly opened the door and got into the car.

The beautiful woman returned to the front passenger seat. Her fair legs were slightly closed as she said to Connor with a charming expression, “Drive straight ahead, then turn right and drive for another kilometer!”

Connor didn’t say anything because his attention was completely attracted by the beauty’s peerless appearance.

Seeing that Connor did not answer her, the girl pouted and shouted, “Little man, why do you keep staring at me? Don’t tell me you’re thinking of taking advantage of me?”

“No... That’s not it...” Connor replied awkwardly, then started the car and drove forward.

“What’s your name? Have I seen you somewhere? Why do I feel that you look a little familiar?” The beauty turned her head and looked at Connor with a puzzled expression.

“My name is Connor McDonald!” Connor replied indifferently.

“I’ve never heard of this name!” The beauty shook her head gently.

Connor hesitated for a moment and asked the beautiful woman, “Then what’s your name?”

“Yelena Allen!”

When Connor heard this name, his eyes widened. He looked at her in disbelief and said, “Are you that Yelena Allen from Porthampton University?”

“Yeah? Do you know me?” Yelena asked lightly.

“It really is you!” Connor couldn’t help but exclaim when he heard the beauty’s answer. The expression on his face was even more shocked.

Yelena pouted and said, “I didn’t expect to be so famous for some random person to know who I am!”

When Connor first came to Porthampton University to study, he had heard others talk about Yelena. It was said that she was the number one campus belle of Porthampton University. Moreover, she was an internet celebrity with more than five million fans on Tiktok.

“I’m a junior at Porthampton University. I’ve heard about you before and that that you’re an internet celebrity!” Connor said to Yelena with a smile.

“What internet celebrity? That’s just what my fans call me,” Yelena said to him.

“Uh....”

Connor subconsciously looked at Yelena and her slender legs. He could not help but sigh in his heart. "Isn't this too wasteful?"

"So you better not have any ideas about me, understand?"

Yelena whispered to Connor.

"How could an internet celebrity like yourself mingle with an ordinary person like me? Besides, I don't have any feelings for you. It's just that your legs are quite good-looking!" Connor said expressionlessly.

"Then do you want to touch them?" Yelena asked Connor with an ambiguous expression.

"Uh..."

When Connor heard this, he was stunned again.

"Come on, say something. Do you want to?" Yelena asked in a seductive tone as she leaned towards Connor's seat.

"Yes!"

Connor nodded honestly.

"Then work hard; when you have money in the future, you can play with a beauty like me however you want!" Yelena said casually.

Connor's expression was one of helplessness. He'd thought that Yelena would let him touch her legs!

After a while, Connor sent Yelena back to the neighborhood where she lived. Then, Yelena tried to give him 500 dollars as promised, but Connor didn't ask for money. Instead, he chose to add her on Facebook.

Yelena hesitated for a while and didn't refuse his request, but reminded him not to have any ideas about her.

After adding each other on Facebook, Connor took a taxi home.

After a whole night, Connor went back home and fell asleep..

Chapter 192: I Didn't Think You Were This Kind Of Person

The next day, at eight o'clock in the morning, Connor got up and washed up briefly before going to school to prepare for class.

When Connor walked into the classroom, he found that all the students in the classroom were looking at him strangely. However, he didn't care too much because these students had always looked down on him, so they were always looking at him with a strange gaze.

After entering the classroom, Connor subconsciously looked at Brandon and Mandy.

Brandon didn't come to class, but Mandy was still there. However, at this moment, she was lying on the table while May, Lily, and some other people were sitting beside her and talking about something.

Connor walked to his seat with a puzzled expression and found that Dominic and Spencer were also looking at him with a strange gaze. "No, why are you looking at me like that?"

Connor asked Dominic and Spencer in confusion.

At this moment, Dominic said, "The news about you and Mandy has spread!"

"About me and Mandy?" Connor asked in confusion.

“Well, you should take a look for yourself!” Dominic interjected helplessly. Then, he took out a large stack of photos from under the table and handed them to Connor.

Connor hesitated for a moment before taking them. When he saw the contents of the photo, he was instantly dumbfounded, an expression of utter shock on his face.

These photos were none other than photos of Connor and Mandy sleeping on a bed. Although the important parts were blurred out, the posture of the two people was very ambiguous. It was obvious what they were doing.

“Where did you get these photos?”

Connor gritted his teeth and whispered to Dominic.

“When I came to school for class this morning, I found that the school bulletin board was filled with photos of you and Mandy. Moreover, these photos are also in every classroom in our school. Spencer and I tried to collect them all this morning, but we only managed to collect a few. The rest should have been taken away by someone...” Dominic said to Connor with a helpless expression.

“Who the hell did this?”

Connor couldn't help but curse in a low voice.

Now Connor finally understood why Mandy was crying on the table and why the students in the class were looking at him like that. It was all because of these photos!

However, Connor had never even kissed Mandy on the mouth, so how on earth could he have slept with her?

These photos weren't real at all. It was obvious that someone wanted to use these photos to mess with Connor.

“Connor, you’re now very infamous in our school. Basically, all the classrooms have photos of the two of you!” Spencer said.

“That’s right, Con. Didn’t you tell me before that you never slept with Mandy? Then where did these photos come from?” Dominic also asked Connor in confusion.

“These photos are all fake! Can’t you see?”

Connor gritted his teeth and said in a low voice.

“Fake?”

When Spencer, Dominic and the others heard this, they were stunned. They all wore a look of puzzlement on their faces.

“How could I take such photos with Mandy? These photos were all photoshopped by someone else!” Connor shouted, feeling like he was about to collapse.

“Photoshopped? Connor, did you offend someone?” Spencer asked.

“I don’t know what’s going on either!” Connor said helplessly.

“Buzz!”

At this moment, Connor’s phone suddenly vibrated. He quickly took out his phone and saw that it was a Facebook message from Yelena.

“Little man, I didn’t expect you to be so powerful that you can cause such a huge commotion!”

After Yelena sent this message, she also sent a smirking emoji to Connor.

“Who the hell did this?”

Connor threw his phone on the table and said with an annoyed expression.

“You’d better think about whether you’ve offended someone recently!” Dominic said to Connor with some sympathy.

At this moment, Lily suddenly stood up and shouted, “Connor, I didn’t expect you to be this kind of person. You’re really too despicable!”

Connor was stunned for a moment and turned to ask Lily, “I’m despicable? How am I despicable?”

“Don’t you know how despicable you are? Mandy was really blind back then to be with someone like you!” Lily shouted.

“No, can’t you make yourself clear? What exactly happened to me? Why are you calling me despicable?” Connor asked with a gloomy face.

“You’re still playing dumb with me at a time like this? Weren’t you the one who spread these photos?” Lily said with her big watery eyes.

“Is there something wrong with your brain? Why would I post such photos? Stop bothering me!”

Connor really couldn’t figure out what Lily was thinking. Who would be so stupid as to spread their own nude photos? What good would this possibly do to him?

Even if Connor wanted to be famous, he wouldn’t use such a method to become famous, right?

“It’s because you wanted to get back together with Mandy, but she ignored you. You then used the photos to threaten her, but she would rather die than kowtow to you, so you spread these photos to the school and let everyone know that you slept with Mandy! This way, no one would dare to be with

Mandy anymore, and Brandon will be so angry at these photos that he'll leave the school. Why are you still putting on an act?!"

Lily pointed at Connor and shouted.

After Connor heard Lily's words, he was suddenly a little dumbfounded. He did not know how to answer her.

"Connor, I didn't expect you to be this kind of person. You're really too despicable!"

"Yeah, as the saying goes, a happy reunion means a happy parting. Since the two of you have already broken up, why are you still pestering each other? Wouldn't you ruin Mandy's reputation by doing this?"

"I think this loser is a psychopath. Otherwise, why would he do such a thing?"

The students in the classroom started scolding Connor.

"These photos were photoshopped. Are you all crazy?" Connor shouted in despair.

"Do you have any evidence to prove that these photos were photoshopped?"

Lily looked at Connor and asked.

Connor hesitated for a moment before walking directly to Mandy and shouting at her, "Mandy, tell them, did the two of us sleep together? Are these photos fake?"

Mandy lay on the table and continued to sob without saying a word.

"Say something! We didn't even sleep together..." Connor shouted at Mandy helplessly.

“Connor, I didn’t expect you to be such a person. What are you trying to do? You want to ruin my reputation before you’re satisfied?”

Mandy suddenly raised her head and shouted at Connor. After that, she ran out of the classroom without looking back. After Connor saw Mandy run away, he was stunned on the spot again.

When Lily saw Mandy run away, she shouted at Connor. “Connor, even Mandy has run away because of you. What else do you have to say? You must be the one who did this!”

The students in the classroom also glared angrily..

Chapter 193: There’s No Clearing His Name

“Buzz!”

At this moment, Connor’s phone rang again. When he picked up his phone and sawt the screen, he realized that it was Freya calling him.

Connor looked at Freya’s name flashing on the screen, and a hint of nervousness flashed across his face. Usually, she would never call him; if she was, it meant that something big had happened.

“It’s over. Did Freya receive those photos too?”

Connor muttered helplessly. His relationship with Freya had only eased a little after much difficulty. If she saw these photos now, there would be no clearing his name, not even if he jumped into a river.

Connor took a deep breath, then picked up his phone and ran out of the classroom, after which he answered the call.

“Hello, Connor!” Freya’s sweet voice rang out.

“Yes... Why did you call me?”

Connor asked nervously.

“What’s wrong? Can’t I call you if I have nothing to do?”

Freya replied jokingly.

When Connor heard Freya’s words, he couldn’t help but be stunned for a moment. A strange look flashed across his eyes. He felt that if Freya had seen those photos, she wouldn’t have spoken to him in such a tone.

“No, I’m so happy that you called me!” he quickly replied.

“Alright, I won’t talk to you anymore. Didn’t we agree to get our marriage certificate today? Where are you now? I’ll go and pick you up!” Freya said slowly.

When Connor heard this, he heaved a sigh of relief. It was fine as long as Freya did not see those photos.

“I’m at school now!” Connor said in a low voice.

“Are you free this afternoon? If you don’t have time, I can go and look for you in the afternoon!”

“I have time now. Come over quickly!”

“Alright, wait for me then. I’ll be there in ten minutes!” she replied softly.

“Alright!”

Connor nodded, then hung up the phone and turned around to return to the classroom.

“Connor, you still have the face to come back? People like you shouldn’t stay in the Porthampton University....”

When Lily saw Connor return to the classroom, she shouted excitedly at Connor.

Connor turned to look at Lily and did not say anything because he felt that he had no way to explain it to her now. Right now, he would go get his marriage certificate with Freya, then ask Kyle to investigate who did this.

Although Connor had offended many people recently, he felt that this matter was a little strange. He couldn’t figure out who was the idiot that would put a naked photo of him and Mandy up in the classrooms. What was the meaning of their doing this?

“Clack clack clack!”

At this moment, the sound of high heels could be heard from outside the classroom.

Rachel Wallace walked into the classroom.

When Connor saw Rachel, he suddenly remembered what happened in the bar.

In Connor’s eyes, she was just an ordinary Ms. Wallace. Other than her figure and appearance being a little sexier than the average teacher, there was nothing special about her.

However, after what happened last night, Connor’s impression of her had changed drastically. He knew that her identity was definitely not as simple as it seemed on the surface.

When the students in the classroom saw Rachel enter, they instantly fell silent.

Today, Rachel was dressed very nicely; she was wearing a short black dress that perfectly accentuated her beautiful curves. Her oval-shaped face was smooth and delicate, like a ripe apple that would lure people into taking a bite out of it. Her charming fox-like eyes exuded an intoxicating charm. Looking at

the sexy and seductive counselor in front of them, the students in the class could not take their eyes off her.

At this time, Rachel walked up to the podium and shouted, "Connor, come out with me!"

After Connor heard this, he couldn't help but be stunned for a moment. He secretly felt that something was wrong, but he still got up and followed Rachel out of the classroom.

After leaving the classroom, Rachel went to a place with no one around and asked Connor softly, "Connor, what happened between you and Mandy in those photos? Everyone in the school is talking about this now, you know?"

"Ms. Wallace, those photos are all fake. They were photoshopped by someone else. I broke up with Mandy a long time ago..." Connor said to Rachel with a helpless expression.

"Are those photos fake?"

When Rachel heard this, she could not help but be stunned for a moment. Then, she continued, "Alright, regardless of whether these photos are real or not, this incident will have a very bad impact on the school. You'd better behave yourself for the time being and stop causing trouble for me. I'm worried that the principal will come for you after finding out about this!"

"Yes, I know!" Connor nodded casually. He was not worried about the principal; after all, both Jesse and Dylan knew who he was. Even if Connor had really spread these photos, they would not dare to do anything to him.

Rachel looked at Connor and said, "Alright, then you can go back to class!"

"Ms. Wallace, can I take leave now?" Connor asked softly.

Rachel was stunned for a moment and asked, "Leave? Why do you want to take leave?"

“I need to go deal with some private matters...”

Connor did not know how to explain to Rachel that he was going to register his marriage with Freya, so he could only find an excuse to deal with it.

H H

Rachel hesitated for a moment before saying indifferently, “Alright, I’ll give you half a day off. It’s inevitable that you’ll be a little depressed after such a thing happens. Be careful when you take photos in the future!”

After saying that, Rachel turned around and walked towards the classroom.

Connor stood rooted to the ground and was stunned for a moment. Then, he shouted at the top of his voice, “Ms. Wallace, I already said that those photos were photoshopped!”

“Only a ghost would believe you!”

Rachel stuck out her tongue at Connor and replied very playfully.

H H

Connor was speechless as he looked at his back.

“Buzz!”

At this moment, Connor’s phone vibrated again. It was a message from Freya telling him that she was already at the school gate.

When Connor thought about how he would be able to register his marriage with Freya soon, his mood instantly improved. He hurriedly strode towards the school gate.

After a while, Connor made it to the school gate. After arriving, he saw Freya standing gracefully in front of a white BMW.

Today, Freya was wearing a white halter dress, exposing her snow-white neck. Against the white dress, she was as beautiful as a swan. She was wearing a pair of red high heels, making her look sexy and dignified, giving off a very pleasing feeling.

Compared to Rachel, Freya was a little less sexy and flirtatious, but was more elegant and dignified.

“Freya!”

Connor waved at Freya.

Freya smiled when she heard him call for her. She then said softly, “I happened to be free today, so I thought I’d go with you to get my certificate. You’ve brought your household register and everything, right?”

Connor was stunned for a moment when he heard this, then awkwardly replied, “I still have my household register at home. Why don’t you accompany me back?”

“That works too!”

Freya nodded lightly and turned to enter the car.

However, at that moment, a gentle breeze blew past, and a piece of paper flew to Freya’s feet.

Freya instinctively lowered her head to take a look. However, when she saw the contents of the paper, she was instantly stunned.

Connor was also stunned because the piece of paper was a photo of him and Mandy.

“It can’t be such a coincidence, right?”

Connor said helplessly as a bitter smile crossed his face..

Chapter 194: I Can Help You Find the Mastermind

At the entrance of Porthampton University.

Freya slowly bent down to pick up the photo on the ground. When she saw the contents of the photo, a look of shock flashed across her face. She then turned to look at Connor.

“Freya, I can explain. This photo was photoshopped by someone else. It’s not real at all...”

Connor had never imagined that things would be so coincidental. He had quite literally just met up with Freya, and somehow she’d already seen those photos.

When Freya called Connor in the morning, he hadn’t realized anything about the photos at all. Now that Connor and Mandy’s photos were all over the school, he should not have asked Freya to come over.

“Connor, you’ve really disappointed me. I didn’t expect you to be this kind of person!”

Freya’s big, watery eyes widened as she shouted at Connor.

Initially, after Freya experienced the company’s financing, she had already begun to slowly accept Connor’s existence. Although she did not have much love for Connor, she felt that she could first register her marriage with him, then the two of them would try to get to know each other slowly and see if they could live together.

After all, her parents were also in an arranged marriage. The two of them did not have any feelings for each other initially. Their feelings were slowly nurtured together after marriage.

Freya naively thought that as long as she got along well with Connor, she might be in a relationship as loving as her parents in the future.

However, Freya had never expected Connor to do such a thing.

“Freya, these photos are all fake. They were photoshopped to frame me!” Connor cried.

“Someone photoshopped it to frame you?” When Freya heard Connor’s words, she could not help but sneer. “Oh Connor, who do you think you are? Are you a superstar or a millionaire? You’re just a poor student from Porthampton University. Who would photoshop something just to frame you?”

H ii

Connor looked at Freya and was stunned for a moment. For a moment, he was speechless because he did not know how to answer Freya’s question.

In Freya’s eyes, Connor was just a poor student. There was no way someone would photoshop these photos just to frame him.

“A few days ago, Xiao Man said that she saw you go to a hotel with another woman. I thought it was just a misunderstanding, but now it seems that all of that was true. Connor, you really disappoint me.”

Freya saw that Connor did not say anything and thought that he had tacitly agreed to this matter. After she said her piece, she turned around and walked towards the BMW.

“Freya, can you listen to my explanation?”

Connor saw that Freya was about to leave and hurriedly stepped forward to grab her.

Freya turned her head and replied coldly, “Now that there’s conclusive evidence, what else do you have to explain?”

Then, with a disappointed expression, she said, “Connor, I thought that even though you were just a little poor, you still had a good personality in all aspects. I even thought that since you knew someone like Thomas Morgan, it meant that you were capable. I believed that you won’t be poor for your entire life, so I was willing to marry you, but I didn’t expect...”

“Didn’t expect...?” Connor asked.

“I didn’t expect you to be so poor and have such a bad character. You actually spread photos of yourself sleeping with another woman all over the school. I really can’t accept such a thing.”

Freya gritted her teeth, then shook off Connor’s hand and turned around to walk into the distance.

Connor stood rooted to the ground in a daze. Looking at Freya’s departing figure, a look of despair appeared on his face. He had no idea how to explain this matter to her.

A moment later, Freya entered the BMW and disappeared from Connor’s sight.

As she drove the car, her emotions slowly went out of control. Tears kept flowing from her eyes. After all, she had already made preparations to marry Connor today. This meant that she had begun to slowly accept him.

However, who would have thought that she would encounter such a thing?

Ever since she was young, Freya had never been in a relationship because she had a very serious obsession with keeping herself pure. Therefore, after knowing that she was going to marry Connor, Freya had always been strict with herself and had never done anything to let Connor down.

But now, Connor was secretly fooling around with another woman behind her back, and on top of that, everyone in the school knew about it. She could not accept such a thing at all!

Connor stood alone at the entrance of the Porthampton University with a helpless expression on his face.

At this moment, his mind was blank. He didn't know who he had offended, nor did he understand the purpose of the other party's actions. Moreover, Connor couldn't find any clues about this matter.

"Sigh, we were about to get our marriage certificate, but I didn't expect to encounter such a thing!"

Connor sighed helplessly, the expression on his face broken.

At this moment, a voice came from behind him.

"Little man, I didn't expect your girlfriend to be so pretty."

After hearing this voice, Connor turned his head to take a look and found that it was the beautiful Internet celebrity, Yelena, that he met last night. She was walking towards him.

"Since you have such a beautiful girlfriend, why did you still fool around? Looks like men really are still animals with lower bodies. Good thing I don't like men..."

Yelena quietly walked up to Connor and continued to taunt him.

"Are you here to make a fool of me?" he asked helplessly.

"I'm not that bored. I just happened to pass by!" Yelena replied indifferently and then continued, "You're really something to spread such photos. What on earth were you thinking?"

"Those photos are all fake. They were all photoshopped by someone to frame me. Moreover, I was with that girl for three years, yet I never even kissed her on the lips!" Connor shouted at Yelena helplessly.

"Together for three years, but you never even kissed her on the lips?"

After Yelena heard Connor's words, she could not help but be stunned for a moment. Then, she began to laugh loudly, and the expression on her face was one of mirth.

“What are you laughing at?”

Connor shouted at Yelena in frustration.

“Little man, aren’t you too naive? You were together for three years and never kissed...Wow, I really don’t know what to say about you!”

Yelena smiled. Connor looked at her indifferently. He was not in the mood to talk nonsense with her. He turned around and was about to walk into Porthampton University when she suddenly called out to him.

“Little man, if these photos were really photoshopped to frame you, I have a way to help you find the mastermind!”

After Connor heard Yelena’s words, he was stunned and asked with an excited expression, “Is what you said true?”

“Of course it’s true!”

Yelena nodded gently..

Chapter 195: Why Is It Her?

Connor quickly ran to Yelena’s side and asked softly, “How will you help me find the mastermind?”

Yelena hesitated for a moment after hearing Connor’s words, then continued, “I can tell you how to find them, but you have to promise me one thing!”

“What is it? Hurry up and tell me!” Connor said anxiously.

“I haven’t thought of it yet, but I can’t help you for free. So, promise me one thing now. When I think of something to ask of you in the future, I’ll let you know,” Yelena said with a smile.

“Alright, alright, stop dawdling. Hurry up and tell me how to find that person!” Connor shouted anxiously.

Yelena glared at him. “Who do you think you’re talking to? Watch your attitude when you talk to me. I’m your savior now, I’m telling you...”

“Are you going to tell me or not?”

Connor was not in the mood to waste time with Yelena. He just wanted to find the mastermind behind this matter as soon as possible.

“Forget it. Seeing that you’re so pitiful, I’ll tell you how to find that person!”

Yelena picked up a photo from the ground and looked at Connor. “Finding the mastermind is actually a simple matter; you just need to take this photo to the print shop near the school and ask about it. Because there are so many photos, there’s no way these were all printed privately, so the mastermind must’ve printed them in batches at a shop. Not only that, these photos are so exciting, so they’ll definitely have left a deep impression on the person in charge of printing them. They should be able to tell you who printed these photos. On top of that, most print shops now have surveillance cameras, so you can easily see who was behind this from the footage.”

“That’s right. Why didn’t I think of such a method?” Connor looked at Yelena in front of him, excited.

“You ordinary people have never experienced something like this before. Back when I was at the height of my popularity on Tiktok, some competitors photoshopped some photos of me and posted them everywhere with the aim of slandering me. I used this method to find out who it was, so I’m very experienced in dealing with these things. After all, there’s a lot of trouble when you’re famous!” Yelena replied with a smile.

“Thank you, I know what to do!” Connor said in a low voice. At this moment, Connor’s heart was filled with gratitude. After all, if he hadn’t gotten acquainted with Yelena yesterday, he really wouldn’t have thought of this method.

“Alright, I’ve already told you the method. As for whether you can find that printing shop, that’ll be up to you!”

Yelena waved at Connor, then turned around and walked into the school. After seeing her leave, Connor took out his phone and dialed Kyle’s number. He felt that getting Kyle to do this would be the most efficient.

Kyle’s power was basically all over Porthampton, and these photos must have been printed by someone Connor knew. The people Connor knew were also in Porthampton, so it shouldn’t be difficult to find this person.

Five minutes later, Kyle drove a Land Rover and slowly stopped in front of Connor.

Connor pulled open the car door and got inside.

Kyle turned his head and asked Connor with a smile, “Young Master McDonald, do you have any orders?”

Connor couldn’t help but be stunned when he heard this. He felt a bit uneasy; after all, he felt that he had troubled Kyle too many times recently. Connor also felt that after getting his inheritance, the troubles around him had begun to increase.

“I’m sorry for calling you out last night and today...” Connor whispered to Kyle.

Kyle forced a smile and replied, “Young Master McDonald, you’re being a little too polite. After all, the entire company is yours. I’m your employee; apart from helping you take care of the company’s matters, it’s also my duty to solve some of your private matters, so you don’t have to be polite with me!”

H H

Connor turned his head and looked at Kyle. He couldn’t think of any way to thank him. Kyle was of a high status, after all, nor did he lack money.

“Young Master McDonald, why did you call me out in such a hurry?” Kyle asked after some hesitation.

Connor took out the photo and handed it to him. Then, he said quietly, “I need you to help me investigate which print shop printed these photos and who printed them!”

H ii

Kyle glanced at the photo and instantly understood what Connor meant. Then, he said quietly, “Alright, I know what to do!”

Connor squinted his eyes and asked, “How long do you need to investigate?”

“If I’m fast, it’ll take two to three hours. If not, it’ll take a day!” Kyle replied lightly.

“Alright, then quickly get your people to investigate. I’m going back to school for class. Call me when there are results!”

After Connor said this, he pushed open the car door and got out.

Kyle didn’t say anything else and drove away.

After separating from Kyle, Connor originally planned to return to the classroom to continue his lessons.

However, when he thought about the way the students in the classroom looked at him, he felt a little annoyed, so he turned around and walked towards his house.

When he got home, he locked himself in his room and played with his phone for a while.

After waiting for almost two hours, Kyle finally called him.

“How was it? Did you find that person?”

After Connor picked up the phone, he shouted excitedly.

Kyle had always been very meticulous, and he replied, “Yes, Young Master McDonald. We’ve found the printing shop. I’m now pulling out the surveillance footage!”

“Send it to me now!” Connor hurriedly shouted.

“Alright!” Kyle replied softly and then hung up.

Not long after, McDonald received a video from Kyle.

However, when he clicked on the video and saw the content, he was instantly stunned on the spot, his eyes filled with shock.

“Why is it her?”

Connor muttered softly, his face full of disbelief, because he really couldn’t understand why the person in question was doing this.

“Phew...”

Connor took a deep breath and walked out of the room with his phone.

No matter what, he had to clarify this matter today. Otherwise, Freya might continue to misunderstand..

Chapter 196: Catch the Pervert!

“Connor?”

Connor had just walked out of the room when he saw Mina walking out of the elevator with a package.

“What a coincidence! Did you just come back from outside?” Connor looked up at Mina and asked.

Today, Mina was dressed very seductively. She was wearing a body-hugging T-shirt that was tight around her chest as if her breasts were about to spill over. She wore a short black skirt that revealed her slender and fair legs, looking very attractive. On her delicate little feet was a pair of pink high-heeled sandals, making her look sexy and a little playful.

In Connor’s impression, Mina seemed to like wearing a miniskirt very much. Basically, other than wearing pajamas at home, she would wear miniskirts or hip shorts most of the time.

But thinking about it, the most perfect part of Mina’s body was her slender white legs. Her long legs, which were like chopsticks could be said to be the most beautiful legs that Connor had ever seen. It would be a waste if she didn’t show them off.

“That’s right!” Mina nodded.

“Well, I still have something to do, so I won’t chat with you anymore!”

Connor was not in the mood to admire Mina’s beautiful legs. After replying, he hurriedly walked toward the elevator.

“Are you alright? Why do you look so anxious?”

Mina saw something wrong with Connor’s behavior, so she quickly walked up to him and asked.

Connor was surprised and then whispered, “I’m fine. I have something to deal with!”

“Oh, oh!”

Mina nodded lightly. After a moment of hesitation, she bit her lip and said, "Connor, I saw photos of you and another girl downstairs in our neighborhood today. Are those photos real?"

When Connor heard Mina's words, he was instantly dumbfounded.

He did not expect them to be so crazy. They did not even spare his place. Were they not just trying to push him into a dead end?

"Where are those photos?" Connor gritted his teeth and suppressed the anger in his heart.

"I saw it at the housing estate, but I've already torn down those photos and thrown them into the trash can. I don't know if there are any other photos. What's going on?" Mina asked softly.

"Those photos were photoshopped by someone else. The girl in the photos is my ex-girlfriend, but we broke up a long time ago. Moreover, we didn't even sleep together..." Connor explained helplessly.

"I see!" Mina nodded.

"Alright, I have to cut our conversation short. I've already found the person who photoshopped these photos. I'll go deal with this now!"

After Connor said this, he walked into the elevator.

Mina stood in place and looked at Connor. After hesitating, she said to herself, "I knew these photos weren't real. How could Connor be such a person?"

After saying this, Mina took the parcel and returned to her room.

\*\*\*

Ten minutes later.

Connor got to the classroom of Porthampton University. However, after entering the classroom, Connor remembered that he had no classes in the afternoon, so he went to the female dormitory.

However, when Connor arrived at the female dormitory, he suddenly realized a serious problem. How should he get in?

After all, this was the girls' dormitory. Boys were not allowed to enter.

"Forget it, I can't care so much!" Connor gritted his teeth and rushed into the female dormitory.

Connor already knew who the mastermind behind these photos was, but he did not know the other person's phone number, so he could only rush into the female dormitory to find this person.

After entering the female dormitory, Connor found that the female dormitory was the same as the male dormitory. It was also dirty and messy but smelled better than the male dormitory. There was a pungent perfume smell everywhere.

Intimate clothing was also everywhere.

Connor was not in the mood to look at these at all. He ran to the fourth floor.

"All!"

However, when Connor walked to the third floor, a sexy girl wearing a low-cut nightgown walked out of the dormitory. When she saw Connor, she immediately screamed.

Connor looked at the girl's hot figure and was stunned. Then, he opened his mouth to explain.

However, the girl did not give Connor a chance to speak. She shouted at the top of her lungs, "Help! A pervert broke into our dormitory! Hurry up and send someone!"

“Rumble!”

After the girl shouted this, three or four girls rushed out of the dormitory and looked at Connor angrily.

“Isn’t this kid the guy in the photos in the classroom today?”

“Yeah, that seems like it!”

A hint of surprise flashed across the girls’ faces when they saw Connor.

“This kid doesn’t look like a good person. Not only did he harm his girlfriend, but he also dared to come into the female dormitory. Girls, quickly catch him and bring him to the Academic Affairs Office!”

A girl as fat as a cow shouted at the top of her lungs and rushed toward Connor.

When Connor saw the girl rush toward him, he was shocked and ran upstairs without thinking.

However, Connor never expected the girl behind him, who was as fat as a cow, to have speed like a cheetah’s.

In a short while, she caught up to Connor. Then, she jumped on Connor like a mountain coming down on him, directly pushing him to the ground.

“Kid, you want to run with your small body? Don’t you know that I’m the sprinting champion of our school?”

The fat girl sat on Connor’s back and shouted at him angrily.

“Hey, I know I was wrong. Can you get off me? I can’t breathe...” Connor was obviously out of breath as he spoke intermittently.

“Cut the crap. What are you doing in our female dormitory? If you don’t clarify today, I’ll send you directly to the Academic Affairs Office!”

The fat girl widened her eyes and shouted at Connor angrily.

“Yes, you must explain this to us. Otherwise, we will send you to the Academic Affairs Office!”

“He doesn’t look like a good person. You can’t let him off!”

The girls roared at Connor angrily..

Chapter 197: As Long As You Are Obedient

Connor raised his head and looked at himself. He didn’t know how to feel about the fat girl who weighed at least 200 pounds sitting on him.

Originally, those nude photos that were photoshopped and spread everywhere were already enough to give him a headache.

However, Connor would never have thought he would be pinned to the ground by a 200-pound fat girl while looking for the person who framed him.

If Connor were really sent to the Academic Affairs Office, he would really lose face this time.

First, erotic photos were everywhere. Now, he had run to the girls’ dormitory and was caught by a group of girls. It would be strange if the students in the school did not treat him as a pervert.

“Tell me, what are you doing in the female dormitory?”

Seeing that Connor did not speak, the fat girl shouted at Connor.

Connor looked at the fat girl and hesitated before saying in a low voice, "I came to the female dormitory to look for someone..."

"Looking for someone?"

The fat girl was puzzled. Then, she frowned and asked, "Who are you looking for?"

"I'm here to look for my girlfriend..."

Connor explained in a low voice and then continued, "Hey, I'm really not a bad person. I came to the female dormitory to look for my girlfriend. I had a conflict with my girlfriend, and she didn't answer my calls! I'm worried she's in danger, so I came to your dormitory..."

The fat girl looked at Connor, a trace of hesitation flashed in her eyes, and she asked in a low voice, "Are you lying to me?"

"If I lied to you, I would be a puppy. It's 100% true!"

To escape the fat girl's weight, Connor said without thinking.

"Florence, he doesn't seem comfortable. Why don't you let him go..."

"Yeah, Florence. Finding a girlfriend shouldn't be easy for a loser like him. Just let him go!"

"True. I feel that this fellow is not a bad person. If he really wanted to come in and do bad things, he would not have come at this time..."

After hearing Connor's words, the other girls began to discuss in low voices.

The fat girl sitting on Connor hesitated and said in a low voice, "Since you came to the female dormitory to find your girlfriend, I'll let you off today. Go find her!"

After saying this, the fat girl stood up and let go of Connor.

"Thank you, thank you!"

When the fat girl got up, he quickly thanked her, then ran upstairs without thinking.

After a while, Connor arrived at the fourth floor of the female dormitory and found Room 404.

"Bang!"

Connor directly pushed open the dormitory door and walked into the dormitory.

"Who's there?"

Originally sitting on the bed and preparing to change her clothes, Lily turned around instinctively when she heard the door open.

However, when Lily saw Connor, she was instantly stunned.

"All..."

Then, Lily's scream was heard.

Lily had just taken off her clothes and was about to shower.

Although she heard the door open, she thought her other roommates must have returned, so she didn't use anything to cover her body.

After Connor came in, he looked at Lily's curvaceous body.

Although Connor had never had a good impression of Lily, he had to admit that Lily had a very good figure. She was filled with a youthful aura. The only fly in the ointment was that Lily's face was a little worse than May's and Mandy's.

"Con... Connor, why are you here? Get out!"

Lily subconsciously reached out to pick up the clothes on the bed to cover her body as she asked Connor angrily.

"Put on your clothes. I have something to say to you!" Connor replied coldly, then turned around and walked out of the dormitory.

A minute later, Connor felt that Lily should have already put on her clothes, so he pushed the door open and walked in.

"Connor, what are you doing in the female dormitory?"

Lily had already changed into a spaghetti strap nightgown and stood at the door, shouting at Connor.

"Don't you know why I'm here?" Connor didn't answer her question but coldly asked.

"What... What are you trying to do? I'm warning you, this is the female dormitory. If you dare to do anything to me, I'll... I..."

Before Lily could finish speaking, Connor grabbed Lily's arm and said expressionlessly, "Lily, do you know that it's illegal to spread other people's nude photos without permission? If I call the police now, they will take you away immediately. I can even sue you for violating my privacy and reputation!"

That was right. Connor, the mastermind, saw in the surveillance video was Lily!

At this moment, Connor finally understood why Lily had always been against him in school. It turned out that Lily did this. It was just that she was the one who complained first and spilled the dirt on Connor.

“What... What nonsense are you spouting? When did I spread your nudes? Don’t slander me here!” Lily stammered as she shouted at Connor.

“I’m slandering you?”

Connor sneered, took out his phone, and found the video that Kyle had sent him.

“Take a look at this!” Connor tossed the phone to Lily and shouted at her coldly.

When Lily saw the video on her phone, she was stunned.

“Connor, where... Where did you get this video from?” Lily stuttered as she asked Connor.

“This video was given to me by the printing shop owner. If you think this video proves nothing, I can bring you to the printing shop and let the owner identify you. So now that there are witnesses and evidence, I only have to call the police, and they will take you away immediately,” Connor said lightly.

“Thud!”

When Lily heard Connor’s words, her legs weakened, and she sat on the floor. She was exasperated.

She had never thought Connor would be so resourceful that he could even find out which print shop she had printed these photos in.

“Are you going to tell me the truth now or go to the police station?”

When Connor saw Lily slumped on the floor, he was sure Lily must have done all this. Otherwise, she wouldn't be so afraid.

“Connor, I beg you, don't send me to the police station. I beg you!”

After Lily reacted, she immediately begged Connor desperately.

“Sure, you don't have to if you don't want to. As long as you listen to me obediently, you'll answer whatever I ask you. Otherwise, I don't mind sending you to prison for a few years!” Connor said lightly.

Lily hesitated. Then, she bit her lip and nodded gently..

Chapter 198: A Self-Directed Play

Lily could only choose to compromise.

After all, Connor now had evidence that she had printed these photos. As long as Connor handed the evidence to the police, the consequences would be unimaginable.

“Why did you spread photos of Mandy and me in school? What's your purpose in doing this?” Connor asked Lily expressionlessly.

H j 11

Lily opened her mouth and was about to speak.

“I advise you not to lie to me. Otherwise, I'll call the police and get them to arrest you. At that time, it won't be up to you to tell the truth!”

To prevent Lily from lying and deceiving him, Connor warned Lily.

H 11

Lily looked at Connor and hesitated. Then, she gritted her teeth and said, "Connor, I didn't want to spread these photos. Someone paid me to do this!" "Someone paid you to do this?"

Connor could not help but be stunned, and a hint of doubt immediately flashed across his face.

"Yes, someone told me that as long as I print out these photos and send them to every corner of the school, she would give me 50,000 dollars after it was done!" Lily lowered her head and whispered.

"Who asked you to do this?"

Connor couldn't figure out who was so bored to spend 50,000 dollars to frame him.

H H

Lily looked at Connor without saying anything.

"If you don't expose the mastermind, it means you tacitly admit that you're the one who did this. I'll call the police and have them take you away immediately. You will go to jail, and the school will also expel you. I know your family background is not bad, and you might not care about your degree, but if such a scandal happens, your parents will be very angry..." Connor looked at Lily and said indifferently.

When Lily heard this, panic flashed in her eyes. She quickly begged, "Connor, don't call the police. I'll tell you, okay?"

"Speak!" Connor frowned and scolded.

"It was Mandy!" Lily bit her red lip. Her voice was as soft as a mosquito.

“What... What did you say?”

After Connor heard Lily’s admission, he was instantly stunned.

“Mandy asked me to do this!” Lily repeated in a low voice.

“You’re still lying to me, aren’t you? How could Mandy do this? She is also a victim of this matter!” Connor exclaimed. He felt Lily was insulting his intelligence now, so Connor took out his phone as he spoke. He wanted to call the police and ask the police to take Lily away to clarify this matter.

“Connor, don’t call the police. It was really Mandy!”

Lily panicked when she saw that Connor wanted to call the police. She quickly stepped forward and grabbed Connor’s arm.

“Impossible. If Mandy wanted to harm me, she could have used other girls’ photos! Why would she use her photo?”

Connor did not believe that Mandy was the one who did it.

“It has all come to this. Is there a need for me to lie to you?”

Lily spoke agitatedly and continued, “Last night, after she returned to the dormitory, she kept hiding under the blanket and crying. I asked her what was wrong, but she refused to say anything. Then, she suddenly stopped crying and got out of bed to ask if I knew how to Photoshop photos. I said I did, and then she asked me to edit a photo of you in bed. I was quite puzzled. I didn’t know why Mandy would photoshop such a photo, but I finally agreed because she offered me 50,000 dollars!”

“And then?” Connor asked Lily.

“Then she told me that if I could paste this photo all over the school, she would give me 50,000 dollars...”

Lily paused, then looked at Connor and said, “So, I found a printing shop and printed a thousand copies of this photo. Then, I found a few part-time students to paste these photos in school...”

After listening to Lily’s explanation, Connor felt that all of this was unbelievable because he couldn’t understand why Mandy would do this. However, from Lily’s current tone, Connor could feel that Lily wouldn’t lie to him.

“Connor, what I said is true. If you don’t believe me, you can call Mandy now. I can confront her face to face. Mandy asked me to do all these things!”

Seeing that Connor said nothing, so she quickly continued to explain.

“So Mandy was the one who asked you to say those things that you framed me at school today, right?” Connor narrowed his eyes and asked Lily.

“Yes, yes, yes!” Lily quickly nodded.

“Do you know why she did this?” Connor asked in a low voice.

“I... I don’t know...” Lily shook her head.

“Phew...”

Connor took a deep breath, then pointed at Lily and said, “Now write down everything you just said on paper, then sign your name and give it to me!” “Connor, what?” Lily asked Connor in confusion.

“I cannot call the police this time, but if I find out that what you said to me today was a lie in the future, I will hand over that video and all the things you wrote to the police and let the police deal with it. Do you understand?” Connor said to Lily in a serious tone.

“Und... Understood!”

Lily nodded shakily, then hurriedly took out a piece of paper and a pen to write down everything she had just said.

Five minutes later, Connor left the female dormitory alone.

Connor felt conflicted. He originally thought that after Mandy knew his true identity, she would not come to provoke him again. In the future, when she saw him, she would probably avoid him.

But he didn't expect that Mandy, this stupid woman, would do such a thing the next day.

All of this was Mandy's self-directed act!

Connor couldn't figure out what Mandy's purpose was. After all, letting the entire school see the photo of her in bed with Connor wouldn't do her any good.

Although what she did would indeed ruin Connor's reputation, as a girl, her influence should be even worse!

“Phew!”

Connor thought for a long time but could not figure this out, so he took out his phone and dialed Mandy's number.

He wanted to resolve this matter completely.. Otherwise, Freya would continue to misunderstand him!

Chapter 199: The Crazy Mandy

“Ring, ring, ring...”

The phone rang twice before Mandy picked up the phone and shouted, "Connor, how are you still calling me now?"

When Connor heard this, he could not help but sneer. He secretly sighed that Mandy was good at acting!

He might have been tricked if it wasn't for the fact that he already knew the whole story.

"Mandy, your acting skills are pretty good. Are you still putting on an act now?" Connor asked coldly into the phone with a straight face.

"Acting?" Mandy was stunned. Then, she pretended to be puzzled and asked, "What acting? Connor, what are you talking about?"

"Alright, stop pretending. Lily has already told me everything. You asked her to photoshop the photos, and you also asked her to paste them all over the school. Is there any point in pretending like this?" Connor asked coldly.

After Mandy heard that, she suddenly fell silent. After a long time, she continued, "I didn't expect you to be so resourceful. I thought that with your intelligence, you would need at least a month to guess that I did it!"

"Cut the crap. Why are you doing this?" Connor asked angrily.

"Why?"

Mandy smiled faintly and continued, "I heard there's a Michelin three-star restaurant in Porthampton. Brandon originally planned to take me to try it, but now that I have broken up with him, I don't have the chance to eat at that restaurant!"

"Why don't you treat me to a meal at that restaurant now? Aren't you quite rich? This meal shouldn't be a problem for you, right?"

After Connor heard Mandy's words, he was very speechless. What kind of situation was this? Mandy was planning to go to a Michelin restaurant with him.

"Mandy, I'm not in the mood to talk nonsense with you now. You'd better tell me quickly. Why did you do this? Otherwise, I'll call the police now and let the police deal with this!" Connor threatened.

"All, are you going to call the police?"

Mandy smiled disdainfully and continued, "Do you think I'm like that fool, Lily? Even if you call the police, I won't tell you why I did this. Anyway, I have nothing now. Brandon left me, and you don't want me. If you want to call the police, then call the police, but when I come out, I won't let you off..."

"You..."

Connor felt a wave of disgust as he held the phone. Mandy, this woman, was too crazy.

If a woman went crazy, no matter how capable you were, you couldn't do anything to her because a woman like Mandy had completely given up all her dignity.

Connor was still worried that if Mandy was angered, then Mandy might do something crazy.

"I'll be waiting for you at the Michelin restaurant on Jackson Avenue. I'll leave immediately if I don't see you in an hour!" Mandy hung up the phone after saying this.

Connor stood there and hesitated. Ultimately, he chose to give in and walked out of Porthampton University.

Originally, Connor thought that if he told Mandy his true identity, Mandy would not provoke him again.

However, he never expected Mandy would be so crazy. After knowing Connor's identity, not only did she not restrain herself, she became even more crazy.

“Looks like Thomas was right. It’s not a good thing for others to know my identity!” Connor sighed softly, then reached out to flag down a taxi and rushed toward the Michelin restaurant that Mandy mentioned.

\*\*\*

2 PM.

The taxi stopped in front of the Michelin restaurant. Connor paid the fare and got out of the car. Then, he observed the decoration of the restaurant.

This restaurant was a typical Italian-style restaurant. The decoration was pleasant, and the environment was quite good. There were also outdoor seats for guests who liked the romantic ambience.

However, Connor was not in the mood to appreciate these things. He only wanted to find out why Mandy did this as soon as possible, so he hurriedly walked into the restaurant.

“Bang!”

However, as Connor pushed open the restaurant door, a beautiful woman dressed sexily walked out.

As Connor was in a hurry, he didn’t notice the woman coming out from inside. They bumped into each other.

The coffee in the woman’s hand instantly spilled on her body, staining her clothes.

“All!”

The beautiful woman screamed instinctively and then looked up at Connor before her.

When the woman saw Connor, a trace of disgust flashed in her eyes. Then, she shouted at the top, "You stinky loser, don't you have eyes? Didn't you see someone come out? You walked into me!"

Connor couldn't help but look at the woman when he heard this. The woman's appearance was a little charming. She had curly black hair and was wearing a blue shirt. She was wearing a red skirt that wrapped her hips. She looked abnormally sexy and coquettish. Even when her pretty face was angry, it was still very sexy and charming.

"Stupid loser, I'm talking to you! You didn't hear me, did you?"

The woman saw that Connor did not speak and continued to shout.

"Ms. Shenaur, what's going on?"

The security guard at the restaurant's entrance saw a possible situation and quickly ran over.

"What's wrong with your restaurant? How could you let such a loser eat in your restaurant? Does someone like him have the money to dine here?"

The woman turned her head and shouted at the security guard.

The security guard also turned to look at Connor. A hint of disdain flashed across his face as he said coldly to Connor, "Young man, our restaurant is a Michelin three-star restaurant. A meal costs at least a thousand dollars. If you don't have money, apologize to Ms. Shenaur quickly and leave!"

H ii

Connor stood in place and hesitated. He was not in the mood to waste time with them. He just wanted to clarify the matter with Mandy as soon as possible, so he hesitated and said to the woman, "I'm sorry. I was in a hurry, so I didn't see you come out!"

After saying this, Connor turned around and was about to walk into the dining room.

“Stop right there!”

However, the woman was unwilling to let him go. It seemed that she had no intention of letting Connor leave at all.

“Yes?”

Connor turned to look at the woman and asked in a somewhat irritated tone.

“What do you mean ‘yes’? You spilled my coffee and dirtied my clothes. Are you going to leave after simply saying sorry?” The beautiful woman shouted at Connor agitatedly.

“How much are the clothes? I’ll compensate you, okay?” Connor tried his best to control the anger in his heart and asked.

“Compensate? Can you even afford it?” The woman looked at Connor and sneered.

“How can you be so arrogant? Hurry up and tell me how much this dress costs. I’ll give you the money, and it’ll be over...”

Connor was not in the mood to waste time on her. He just wanted to go in and find Mandy as soon as possible.

“Hah, how dare you talk to me like that? What kind of attitude is this!”

When the woman heard Connor’s tone, she became even more embarrassed and angry. She shouted at Connor at the top of her voice.

“Whoosh!”

At this moment, Connor threw a stack of cash from his pocket at the woman's face.

The woman was instantly dumbfounded..

Chapter 200:I Want You To Get Back Together With Me

"Hurry up and take the money and get lost. Don't let me see you again!" Connor gritted his teeth and said to the woman.

The customers in the restaurant were also dumbfounded. No one had expected this seeming loser to be so rich. He threw out a large stack of cash without even flinching.

Connor had withdrawn the money from the bank in case of emergency, but he did not expect it to be used on this woman.

"You... How dare you hit me?"

The beautiful woman's eyes widened as she shouted at Connor angrily.

"Didn't you want money? I've given you the money now. Please don't bother me anymore!" Connor replied indifferently.

"Just wait. I'll make you regret your actions today!" The woman shouted at Connor and bent down to pick up the money on the ground.

When Connor saw this, he could not help but sneer. He sighed internally that sometimes money could solve a lot of problems.

After seeing the woman no longer pestering him, Connor entered the Michelin restaurant.

The beautiful woman quickly picked up the cash on the ground and took out her phone to make a call.

“Babe, I was bullied by a loser. Come over and help him teach him a lesson...” The woman shouted into her phone.

“Darling, don’t be afraid. I’ll come over now! I want to see which dumb guy dares to bully my woman. I want to make him regret coming to this world!”

A man’s voice came from the other end of the phone.

“Okay, I’m at a Michelin restaurant. Come over quickly! Okay!”

After saying that, the woman did not forget to kiss her phone twice before hanging up. She turned to look at the restaurant entrance and muttered gloomily, “You stinky loser, how dare you slap me in the face with money? Just you wait...”

Meanwhile, after Connor entered the Michelin restaurant, he realized that the interior was indeed very luxurious. The gorgeous crystal lamps cast a faint light, making the restaurant elegant and quiet. Soft classical music filled the entire restaurant like an invisible smoke spreading.

Both the decoration style and the atmosphere in the restaurant felt very high-end. Moreover, the people who could dine at such a place were all dressed elegantly.

Compared to these people, Connor seemed very out of place.

Therefore, when Connor appeared in the restaurant, everyone looked at him disdainfully.

They probably couldn’t understand why a loser like Connor would come to such a restaurant to eat.

Connor looked around the restaurant and finally found Mandy in a corner.

Mandy was dressed very sexy today. Not only did she have thick makeup on her face, but her clothes were also very revealing. She looked extremely attractive. She wore a low-cut halter top and very short jeans that could barely cover her buttocks.

He had to admit that Mandy was a very attractive woman.

But now that Connor saw Mandy, he no longer felt a trace of interest. Instead, he felt a little disgusted.

When Mandy saw Connor coming over, she quickly got up and waved at Connor. Then, she whispered, "Connor, over here!"

Connor looked at Mandy coldly and sat opposite her.

"I didn't know what you liked to eat, so I just ordered some!" Mandy said to Connor with a smile after seeing him sit down.

Connor looked down at the dishes on the table. Although Connor had never been here to eat, he could tell that the dishes ordered by Mandy was not cheap.

Moreover, Mandy had already dug into most of the dishes. It was obvious that Mandy treated Connor as a meal ticket!

"Just say what you want. What are you trying to do by spreading those photos in school?"

Connor didn't care about the money for Mandy's meal, so he didn't want to argue with her so much. He questioned Mandy directly.

"Connor, don't you know why I did this?" Mandy looked at Connor affectionately and asked.

"No, I don't..."

Connor lightly shook his head.

“I’m doing all these to get back with you!” Mandy said, flustered.

“Get back with me? Is there something wrong with your brain? You sent out our nude photos to win me back?” Connor asked Mandy, unnerved.

“Yes, I’m sick! However, to be with you, I’m willing to do anything. Even if I must give up my body, I would!” Mandy said shamelessly.

Connor almost vomited when he heard Mandy’s words.

“Mandy, don’t you feel disgusted by what you’re saying now? Don’t you just want my money? Do you think I don’t know?” Connor hissed at Mandy.

“I don’t care what you think. Anyway, the photos have already spread. Everyone knows that you’ve slept with me. If that’s the case, you won’t be able to be with other women anymore, so you can only be with me. If you won’t be with me, I’ll tell everyone I even got an abortion for you. And that you forced me to go to the hospital. If that happens, you’ll be seen as a scumbag by all the students in the school. When that happens, your reputation will be ruined...” Mandy whispered to Connor.

“Did you abort my baby?”

Connor was stunned and snapped, “When did you get an abortion for me?”

“I didn’t get an abortion for you, but I can fabricate evidence. When the time comes, you’ll see if they believe you or me,” Mandy replied with a sneer.

“Mandy, are you crazy?” Connor whispered angrily.

“That’s right, I’m crazy. I’m willing to do anything to be with you!”

Mandy smiled and nodded, then continued, “Connor, there’s only one path in front of you now, and that’s to get back together and marry me. Otherwise, I’ll continue to spread the news about us in

school. You can leave Porthampton, but I'll follow you wherever you go. I, Mandy Hines, will follow you for the rest of my life."

Connor looked at Mandy helplessly.

He knew that Mandy had gone completely crazy.

"Mandy, I advise you to stop it now. Otherwise, I'll make you regret it for the rest of your life!" Connor looked at Mandy and threatened her in a low voice.

"Why? Are you going to lull me?" Hearing Connor's threat, Mandy was not afraid. Instead, she smiled disdainfully.

When Connor saw Mandy's reaction, he was immediately embarrassed.

He couldn't understand why Mandy suddenly seemed to have changed into a different person. Could there be a mastermind behind Mandy's back?

Otherwise, with Mandy's low IQ she would not have thought of these!
