Chapter 211: Yelena The Temptation

No one expected that Connor, who looked extremely weak before, to be like this.

It was as if he had changed into a different person. He had become incomparably brave and started fighting at the slightest disagreement!

In fact, Fabian was quite unlucky. If it were the usual Connor, he would never do such an impulsive thing. Even if he were bullied, Connor would stand up for himself.

However, Connor was not in a good mood today. Moreover, Fabian had just mentioned Connor's family. Connor was naturally very angry, so he suddenly went berserk.

Originally, he had planned to call Thomas over to deal with Fabian, but Connor did not expect Cindy to be here.

Since Cindy was here, Connor naturally couldn't expose his identity. Since he couldn't expose his identity, he could only use the simplest and crudest method to resolve today's matter.

"Connor, are you crazy?"

After Yelena reacted, she hurriedly shouted at Connor.

She never thought Connor would be so impulsive as to hit Fabian in the head with a beer bottle!

"Flehe, Connor, you're done for today. You even dared to hit Mr. Luther," Cindy shouted after she reacted.

"How dare you hit me? I think you have a death wish!"

Fabian wiped the blood on his forehead and shouted at the top of his voice.

Connor looked at Fabian in disdain, and without saying anything, he went up and kicked Fabian's stomach.

Fabian, who had just stood up, fell to the ground again after being kicked by Connor.

Connor then ran over and used his knee to support Fabian's neck. Then he picked up the beer bottle on the ground and smashed it onto Fabian's head.

'Crash!'

The beer bottle exploded on Fabian's head again.

After smashing the beer bottle, Connor still had no intention of stopping. He continued to slap Fabian's face ruthlessly.

With every slap, Fabian's head shook like a rattle-drum. Blood fell to the ground as he shook. The scene was extremely bloody.

"Didn't you want to kill my entire family? Come on!" Connor shouted at Fabian with bloodshot eyes.

"I... I was wrong, please let me go..."

Connor had beaten Fabian with blood all over his head. While dodging Connor's slap, he begged.

From his current expression, he was obviously afraid of Connor.

"Connor, stop hitting him. Let him go!"

When Yelena reacted, she quickly reached out and pulled Connor off Fabian.

After being pulled away by Yelena, Connor's anger was still boiling, and he wanted to rush toward Fabian.

However, Fabian stood up and ran away.

Connor was really angry today. The main reason was that Connor had been too misunderstood recently, and Fabian had mentioned his family.

Although Connor was usually very low-key, it didn't mean that others could bully him!

What was the point of being a rich kid if even Fabian, this trash, could step on his face?

"Little brat, how dare you hit me? Just you wait. If I don't kill you, I must be dumb!"

Fabian's face was covered in blood, but he didn't forget to speak harshly to Connor.

"If you're not convinced, let's continue!"

Connor narrowed his eyes and looked at Fabian in the distance.

"You crazy? Continue? Just you wait. I'll get someone to kill you right now!" Fabian replied with a ferocious look on his face and then got straight into the Ferrari.

The whole thing took less than ten seconds before Fabian disappeared.

A Ferrari's speed was indeed a little shocking.

After the crowd saw Fabian leave, they were dumbfounded and looked at Connor in disbelief.

No one had expected that today would turn out like this!

“Is Connor crazy? Did he actually hit Fabian? What exactly does he want?” Cindy looked at Connor and muttered with a shocked expression.

At this moment, the people present were also a little dazed, but they no longer suspected the relationship between Connor and Yelena.

They felt that Connor dared to attack Fabian today because Yelena was Connor’s girlfriend. Otherwise, why would Connor do such a thing?

However, most people were looking at Connor with sympathy because they felt that things would not end well for Connor if he dared to beat Fabian up like this.

“Connor, are you alright?”

Yelena ran to Connor’s side and asked worriedly.

“I’m fine...” Connor replied indifferently.

“It’s good that you’re fine. We should leave quickly. Otherwise, you’ll be in trouble when Fabian calls someone over!” Yelena looked at Connor and urged him softly.

When Connor heard this, he couldn’t help but turn to look at Cindy in the crowd. Then, he whispered, “Alright, let’s go!”

Connor would have called Thomas and Kyle over if Cindy weren’t here today.

However, with Cindy here, Connor didn’t want to expose his identity, so he could only leave with Yelena.

After a while, Connor entered Yelena's car and disappeared from everyone's sight.

"Connor is Yelena's boyfriend? How could Yelena like someone like Connor?"

Cindy watched as Connor and Yelena got into the car, and her expression became even more incredulous.

One was a TikTok influencer with five million fans, while the other was a poor loser who made a living by delivering food. Cindy really couldn't connect the two of them!

"Could that poor loser have turned the tables on the rich and beautiful?" Cindy hesitated before she muttered.

On the other side, Connor and Yelena drove away from Aurora Bar.

As Yelena drank, Connor took the initiative to sit in the driver's seat and helped Yelena start the car.

Yelena was sitting in the passenger seat, looking at Connor.

After a long time, she smiled and said, "Connor, I didn't expect you to be so manly just now. You beat up a rich heir like Fabian for me..."

When Connor heard this, he couldn't help but turn to look at Yelena with an awkward smile on his face.

Connor didn't beat Fabian up for her, but because of what Fabian said to him.

"I'm touched by you today. Connor, why don't you stop pretending to be my boyfriend and be my boyfriend? I'm rich, and I don't mind you being poor. Just take it as me supporting you!" Yelena said to Connor with a faint smile.

“You supporting me?”

When Connor heard this, he was stunned.

Yelena sat on the passenger seat and licked her lips. She said to Connor seductively, “Well? I heard you aren’t rich. Do you want me to support you?”

After Connor heard Yelena’s words, he couldn’t help but size her up.

Under Yelena’s short dress, her fair and slender legs were extremely alluring..

Chapter 212: Let’s Make a Bet

“Aren’t you gay?”

Connor looked at Yelena’s beautiful legs and could not help but gulp.

However, he quickly shook his head to calm himself down. He was worried that he would do something to Yelena if he could not control himself.

“Are you really stupid, or are you pretending to be stupid? Even Fabian knows I’m pretending to be gay to reject those suitors,” Yelena replied indifferently.

“Oh!” Connor nodded lightly and didn’t say anything.

“Have you thought about what I told you just now? Do you want me to support you?” Yelena licked her sexy red lips and asked seductively.

“No!” Connor refused.

“Why?” After Yelena heard Connor’s words, a trace of confusion flashed in her eyes. Then, she looked at Connor and asked, “Is it because I’m not beautiful and hot enough? Or are you worried that I won’t give you enough money?”

“None of them...” Connor lightly shook his head.

“So why did you reject me? So many rich heirs are pursuing me at Porthampton University, and I’ve already rejected them. Now that I’m taking the initiative to ask you to be my guy, you’re rejecting me? Are you gay?” Yelena asked as she sized up Connor.

“I’m not gay!” Connor replied.

“So, why?” Yelena continued to ask.

“Because I already have a fiancée, and my fiancée is even more beautiful than you!” Connor said indifferently.

“You have a fiancée? And even prettier than me?” Yelena could not help but exclaim when she heard what Connor said. She looked at Connor incredulously.

“That’s right!” Connor lightly nodded.

“Impossible. How can you have a fiancée? And she’s prettier than me? Are you lying to me?” Yelena coldly looked at Connor and said.

Connor was speechless when he heard this.

Did he deserve to be single for the rest of his life in her eyes?

‘Ring, ring, ring!’

Yelena's phone suddenly rang.

"Hello, Lucy. What's up?" Yelena was stunned, then she answered the phone and asked softly.

"Yelena, I heard that your boyfriend beat up Fabian. Is this true?" The girl on the other end of the phone asked anxiously.

When Yelena heard this, she couldn't help but turn her head to look at Connor, then said softly, "Yeah, why?"

"Is your boyfriend crazy? Hitting Fabian? I heard Fabian has found many thugs to take revenge on your boyfriend. You'd better think of something quickly! If Fabian finds your boyfriend, he will end up in a very miserable state!"

"Got... got it!" Yelena was stunned for a moment before she replied softly.

"By the way, I thought you don't like men? Why do you suddenly have a boyfriend?" The girl asked in confusion.

"I'll explain this to you later. I'll think of a way now!"

Yelena was not in the mood to talk about these things. After saying this, she hung up the phone and sighed softly.

Yelena had been flirting with Connor earlier, so she had forgotten about Fabian. If it weren't for the call from her crush, she would have forgotten about it.

After hanging up the phone, Yelena's expression became serious.

She knew very well what kind of rich heir Fabian was.

Connor was just a poor student. He was not a match for Fabian at all. So Yelena picked up her phone and wanted to call the people she knew in her circle to see if she could find someone to use their connections to calm Fabian down.

After all, Connor offended Fabian because of her today. Yelena naturally couldn't leave Connor alone.

"What's wrong?" Connor turned and asked Yelena.

"What else could it be? Fabian is going to take revenge on you. You're dead!" Yelena frowned and replied in a low voice. Then, she dialed a phone number.

"Yelena, what's up?"

A middle-aged man's voice came from the other end of the phone.

"Liam, my friend had a conflict with someone today. Can you help me resolve it?" Yelena asked with a smile.

"You called me for help. How could I reject you? Who did your friend have a conflict with? I'll help you fix the situation..." Liam asked with a smile.

"Do you know Fabian?" Yelena asked hesitantly.

After Liam heard the name 'Fabian', he suddenly fell silent. After a long time, he continued, "Yelena, the person who beat up Mr. Luther at Aurora Bar today is your friend?"

"Yeap..." Yelena nodded gently.

"Yelena, it's not that I don't want to help you, but I'm just a gangster. Fabian is a famous heir in Porthampton. I can't afford to offend such a person!" Liam said helplessly.

“Alright then!” Yelena replied disappointedly after hearing Liam’s words. Then, she hung up the phone and began to call others.

After a few phone calls, Yelena was in complete despair.

After hearing Fabian’s name, all her friends rejected Yelena’s request for help.

“Sigh...”

Yelena turned off her phone in despair and turned to Connor. “Tell me, what were you thinking? I only asked you to pretend to be my boyfriend. Who asked you to hit Fabian? Now that things have turned out this way, let’s see how you will get away with this!”

“Don’t worry, Fabian will be delivering food in a few days!” Connor replied indifferently.

“What... If you ask Fabian to deliver food, do you think he would? Who do you think you are?”

Yelena thought Connor was joking, her eyes widened as she shouted.

“Why don’t we make a bet?” Connor asked Yelena with a smile.

“A bet?” Yelena was stunned and then said helplessly, “Connor, do you understand what’s happening? Yet, you’re still in the mood to bet with me when Fabian has already started to look for you in Porthampton. Once he finds you, you will die brutally!”

“So, do you want to bet with me?”

Connor didn’t take Fabian’s matter to heart at all because, to Connor, Fabian was just an insignificant person.

“What do you want to bet on?” Yelena asked weakly as she flipped through her phone’s contact list to help Connor find reinforcements.

“Let’s bet whether Fabian will deliver food within three days!” Connor said lightly.

“Alright, if Fabian doesn’t deliver food within three days, what will you owe me?” Yelena replied softly.

“What do you want?” Connor asked.

“What do I want?”

After hearing this, Yelena immediately put down her phone and looked at Connor with a charming smile..

Chapter 213: One Million Dollars Earned

After Connor saw Yelena’s expression, he couldn’t help but gulp. Then, he embarrassedly said, “Why are you looking at me like that?”

“Nothing. Didn’t you say you wanted to bet with me just now?”

Yelena lifted her beautiful legs and sat beside Connor, replying seductively.

“Have you thought about what you want to bet?”

Connor looked at Yelena and asked.

“If Fabian doesn’t deliver food within three days, 1 win. You have to agree to be my boyfriend.” Yelena licked her sexy red lips and said with a smile.

“Be your boyfriend?” Connor was instantly speechless when he heard this.

Logically speaking, a beautiful woman like Yelena probably wouldn't have any issues getting any man she wanted. Connor could not understand why Yelena kept wanting him to be her boyfriend!

'Does Yelena know my identity?' Connor wondered.

However, he quickly denied this idea. After all, the panic on Yelena's face when she found out that Fabian was about to attack him was not faked.

If Yelena knew his identity, she shouldn't be worried about this.

"Well? What do you think?" Yelena asked Connor with a smile.

"Didn't I just tell you I have a fiancée?" Connor replied indifferently.

"It doesn't matter. You can break up with her first and then be my boyfriend..." Yelena said matter-of-factly.

"No, I just don't understand. There are so many rich heirs pursuing you. Why do you have to be with me?" Connor was very puzzled as he asked Yelena.

"There's no reason. I just want to be with you." Yelena pouted and said.

Connor was instantly speechless when he heard this.

"Are you scared to put the bet down?" Yelena looked at Connor teasingly.

Connor looked at Yelena and hesitated. Then, he nodded and said, "Why would I be scared?"

Connor felt he could not bear to lose, so he agreed.

“Alright, although you will lose this time, we must make things clear in advance. If you win, what do you want me to do?”

Seeing that Connor agreed, she smiled proudly and asked Connor.

“Today, you helped me find the person who framed me. You have asked me to promise you one thing. If I win this time, I’ll write off what I owe you.”

Connor felt that Yelena could do anything, so he wanted to take back what he had promised Yelena before!

“No problem!” Yelena immediately nodded.

Connor turned to look at Yelena, his expression very calm.

He knew he could ask Fabian to deliver the food with just a word, so he would never lose.

Yelena had the same thought. Fabian was part of the Luther Family, and the Luther Family’s fixed assets in Porthampton were close to 100 million.

Even if the Luther Family were really bankrupt, Fabian would not be able to deliver food. Therefore, she felt that it was impossible for her to lose.

Meanwhile...

At the entrance of Harlem’s Gold.

Mandy and Lily walked out of the casino. Mandy looked very proud, and the corners of her mouth were filled with a bright smile.

After Mandy received five million from Connor, she had always wanted to find a place to spend it.

After all, she suddenly became a millionaire from being ordinary. Naturally, she wanted to experience the life of a rich person.

Therefore, Lily showed Mandy to the most famous casino in Porthampton, Harlem's Gold.

Harlem's Gold wasn't just a casino. It was also an entertainment and leisure center combining restaurants, theaters, hotels, and many other establishments.

It was not an exaggeration to say that Harlem's Gold was a place for the rich to squander money. Money was spent like water inside. The entrance ticket alone cost 20,000 dollars, but 20,000 dollars was nothing to Mandy now.

When she first entered the casino, Mandy was still a little nervous. She only exchanged 100,000 dollars in chips and found the Blackjack station she had played with Brandon at other casinos.

After Mandy entered the gambling den, she had been playing very cautiously. Each round was neither big nor small, costing exactly 1,000 dollars.

After all, she didn't come here to make money but to experience the atmosphere of this casino. She also took a few selfies and posted them on her Facebook account to show off so everyone would know that she, Mandy Hines, had been to Harlem's Gold.

But Mandy did not expect that her luck today was abundant.

In less than half an hour, the 100,000 dollars in her hand had become 300,000 dollars, attracting the attention of countless people.

Mandy also seemed to enjoy the feeling of being the center of attention. She began to become bolder and bet more and more.

Meanwhile, Lily sat beside Mandy and looked at her with envy.

Mandy had earned more than a million dollars in less than two hours!

One had to know that a million dollars was a lifetime income for an ordinary person!

But at this time, Mandy won easily in less than two hours.

If it were her before, it would be something that she would not even dare to dream of.

“Lily, this place you brought me here is so fun! I won a million dollars today. If it was before, I don’t think I could earn so much money in my life!”

Mandy turned and said to Lily excitedly.

“Yeah, Mandy, your luck is through the roof!” Lily said enviously.

“I don’t think it’s a matter of luck. It’s mainly because I have money now, so I’m bolder. As long as I’m bolder, I can naturally win money.”

Mandy shared her experience of winning money with Lily.

“Makes sense!”

Lily nodded gently and continued, “But Mandy, I think it’s better for us not to come to such places. Moreover, you’ve already earned more than a million dollars today. It should be enough for you to spend a long time!”

“Ah, why are you so timid? I’ve been very lucky. I think this should be a chance given to me by the heavens, so I’ll come back tomorrow!” Mandy looked at Lily and said.

“But what if you lose?” Lily asked.

“Don’t worry, I won’t lose. I’ll use the one million I won today as a bargaining chip. If I lose everything, then I won’t gamble anymore. If I win, then it’ll be a net profit! I’m going to win five million and then stop!” Mandy said with a smile.

“That’s right. You won’t lose anything even if you lose this one million dollars. You’re really smart!” Lily quickly said after she reacted.

“Hehe, that’s right! If I’m not smart, how can I get five million from that fool?”

Mandy replied proudly, then reached out to flag down a taxi and rushed to school..

Chapter 214: Come to My Place!

On the other side, Connor drove Yelena to the entrance of the neighborhood.

“I’m off!” After getting off the car, Connor whispered to Yelena.

“Don’t you wanna come over to mine for a bit?”

Seeing that Connor was about to leave, Yelena hurriedly asked.

“Next time. I’m a little tired today and want to go back and rest early!” Connor said as he prepared to walk out of the neighborhood.

“If you want to rest, you can rest at my house. If you think it’s too late, you can stay at mine tonight!”

Yelena reached out and pulled Connor back, speaking to him softly.

Connor was instantly stunned.

If another girl said she wanted Connor to stay at hers, Connor might not think too much, but Yelena was different.

When they were in the car, Yelena said that she wanted to 'support' Connor and even took the initiative to seduce him.

Now, she was even more straightforward and said that she wanted Connor to stay in his house!

Wasn't she coming on a little too strong?

Connor really couldn't understand what kind of luck he had recently to be taken in by a TikTok influencer like Yelena!

Yelena noticed the hesitation in Connor's eyes and said with a smile, "Connor, what are you waiting for? Hurry up and follow me upstairs!"

"We're alone. It's not appropriate for us to stay together, right?" Connor said.

"What's inappropriate about it? Are you afraid that I'll kill you?" Yelena smiled teasingly.

"Didn't you say you wanted me to be your boyfriend?" Connor replied, embarrassed.

After Yelena heard this, she was stunned for a moment before she burst into laughter.

"What are you laughing at?" Connor asked Yelena, puzzled.

“Haha, you’re funny... Do you really think I’ve fallen for you? Who am I, Yelena? Some so many men like me. Why should I chase after a poor loser like you who doesn’t have money or looks!” Yelena laughed as she pointed at Connor.

“Since you don’t like me, why do you want me to stay over? I’d better go back!”

Connor was a little angry at Yelena’s words, so he turned around and walked toward the compound without thinking.

“Are you angry?” Yelena saw Connor’s expression and hurriedly asked.

“No, I’m just a little tired and want to go back early!” Connor said without turning back.

“Connor, I only asked you to spend the night at mine because I was worried that you would meet Fabian and his people on the way. Don’t forget that Fabian is looking for you all over Porthampton.”

“He won’t dare to do anything to me!” Connor replied indifferently.

“Are you crazy? People like Fabian are vengeful. Are you sure he won’t dare to touch you? No matter what, you offended Fabian because of me. I don’t want to see anything happen to you, so you’d better not leave. Just stay at my house for a night!”

When Yelena saw that Connor was going to leave, she couldn’t help but raise her voice a little.

When Connor heard Yelena’s words, a trace of hesitation flashed across his face. He suddenly felt that what Yelena said just now was quite reasonable.

Fabian had been beaten up by him just now, and he knew Connor had left with Yelena. If Fabian found someone to intercept him on the way, Connor would be in danger. It was getting late, and Connor did not want to trouble Kyle and the others to protect him.

So now that Connor and Yelena were staying at home for a night, it could reduce unnecessary trouble.

“Alright then. Since you don’t mind, I’ll stay at yours tonight!” Connor gave in reluctantly.

“Tsk!”

After Yelena heard that, she couldn’t help but snort. Then, she rolled her eyes and said, “Do you know how many people dream of spending the night at mine? I rejected them all. But here I am, inviting you to stay at mine for the night yet you make it look like I’m forcing you. Who do you think you are?”

Connor smiled awkwardly when he heard that. Then, he followed Yelena into the compound.

Ten minutes later, Connor arrived at Yelena’s house.

Yelena’s place was not particularly big. It was a standard two-bedroom apartment.

Although the house wasn’t big, it was very homey and clean.

“Are you renting this apartment or do you own it?” Connor sat on the sofa and asked Yelena.

“I bought this place. There are two rooms inside. You can sleep in the other room tonight!” Yelena replied indifferently.

“Alright!” Connor nodded gently and prepared to get up to take a look at the guest room.

However, at this moment, Yelena suddenly reached out and unbuttoned her shirt as if she was about to take off her clothes.

“What... What are you doing?”

Connor was shocked by Yelena’s action and stammered.

“Taking off my clothes! What else?!” Yelena replied indifferently and took off her shirt.

Connor subconsciously closed his eyes.

When Yelena saw Connor’s reaction, she couldn’t help but laugh. Then, she said, “Connor, why are so funny? Hurry up and open your eyes. I’m wearing clothes underneath!”

When Connor heard this, he was stunned for a moment. Then, he slowly opened his eyes. He realized that Yelena was not lying to him.

At this moment, Yelena was still wearing a white body-hugging tank top that wrapped around her voluptuous body. She looked especially alluring.

“Phew!”

Connor couldn’t help but take a deep breath to calm his restlessness.

However, Yelena was too tempting. Her body seemed filled with magic, constantly attracting Connor’s attention.

“Well? I’m pretty hot, right? Am I not hotter than your fiancée?”

Seeing Connor like this, the smile on Yelena’s face became even more charming as she asked Connor gently.

“Not as good as my fiancée!” Connor shook his head without thinking.

“Tsk!” Yelena couldn’t help but roll her eyes at Connor, then softly said, “Entertain yourself with the TV for a bit. I’m going to take a shower!”

After saying this, Yelena walked into the bathroom without looking back, not giving Connor a chance to speak.

Shower?

Connor was stunned. Then, he remembered that Xena had used the same trick before.

First, she tricked him into going home with her and then said she would take a shower. After showering, she would probably change into sexy clothes to seduce him.

In fact, it was not that Connor was too vigilant. The main thing was that Yelena was acting strange.

Furthermore, Connor didn’t want to do anything to let Freya down, which was why he was so suspicious.

The most important thing was that what Yelena did today was the same as what Xena did back then. It was the same trick!

“These women know how to play. I’d better leave!”

Connor sat on the sofa and hesitated before getting up and leaving. He felt that if he stayed here, something would happen later.

However, just as Connor was about to get up and leave, the bathroom door suddenly opened.

When Connor saw Yelena walking out of the bathroom, his eyes instantly widened, and he was very surprised.

Connor did not expect Yelena to finish showering so quickly and was already in a new set of clothes!

Yelena was wearing a black lace nightdress. Her hair was wet, and her body was hot. The night dress wrapped around Yelena's curvaceous figure, exposing her beautiful legs to Connor's eyes.

Looking at the sexy and seductive Yelena before him, Connor could not take his eyes off her.

After a long time, Connor finally recovered and couldn't help but sigh internally. 'What is this Yelena doing? Is she really seducing me?'

Connor couldn't understand.. If Yelena wasn't seducing him, why would she wear such sexy pajamas around him?

Chapter 215: What Do You Want?

Meanwhile...

Porthampton Academy of Art, in the female dormitory.

Natasha was wearing a sexy spaghetti strap dress as she removed her makeup in front of the mirror.

"Natasha!"

Suddenly, Cindy ran in from outside and shouted at Natasha.

Natasha looked at Cindy's anxious expression and couldn't help but turn around to take a look. Then, she asked in confusion, "Cindy, what's wrong with you?"

"Natasha, guess who I ran into at Aurora Bar today?" Cindy rushed up to Natasha and panted.

"Who?" Natasha asked.

"I met that loser Connor at Aurora Bar. Now I finally understand why Connor rejected you when you confessed to him!" Cindy said loudly.

When Natasha confessed to Connor at Phillips' Signature, Connor rejected her outright. To prevent Cindy from finding out Connor's identity, Natasha made up an excuse that she wanted to use Connor as a shield.

"Connor?"

Natasha's interest was piqued when she heard the name. She looked at Cindy and asked, "Why did Connor reject me?"

"Connor rejected you because he already has a girlfriend. Moreover, Connor's girlfriend is the popular influencer Yelena from Porthampton University!"

"Who?" After Natasha heard what Cindy said, her heartbeat accelerated.

She never thought Connor would be snatched away by someone else after not looking for him for a few days. Moreover, the woman who snatched Connor away was an influencer!

"It's that Yelena who's recently been very popular on TikTok!"

Cindy replied before continuing, "I didn't expect Connor to be so popular that he could even hook up with Yelena. If I hadn't seen Connor offend Fabian for Yelena today, I wouldn't have believed they were together!"

"It's over..."

Natasha looked at Cindy beside her and called out with a despairing expression.

"What do you mean?" Cindy asked in confusion.

“No... It’s nothing...” Natasha gritted her teeth and replied. At this moment, her intestines were about to turn green with regret.

If she had known that someone else would take Connor, she would not have been indifferent these few days.

“Are you saying that Connor is finished? Connor was finished this time. He dared to offend someone like Fabian. Fabian would not let him off for sure!” Cindy said slowly.

Natasha turned her head and looked at Cindy, speechless. In Cindy’s eyes, Connor might not be able to offend Fabian, but Natasha was very clear about Connor’s identity. Not to mention Fabian, even the Luther Family backing him might not be a match for Connor.

Only one thing was on her mind now: how she should snatch Connor back from Yelena!

If another girl had snatched Connor away, Natasha might not have collapsed like this. However, she was helpless because this girl turned out to be Yelena, the influencer!

Natasha’s figure and appearance were probably inferior to Yelena’s, so she didn’t know what to do.

In Yelena’s house.

When Connor saw Yelena walk out of the bathroom, he was instantly stunned. He was very nervous.

Back at Xena’s house, it was the same situation. Xena first tricked Connor into returning to hers, then said she would shower. After that, she started to seduce Connor.

Last time, Connor almost had sex with Xena. Fortunately, Freya called him, and he managed to control himself.

It didn't matter if it was Xena or Yelena; these women were too tempting. To a little virgin like Connor, they were simply like sirens!

However, a voice in Connor's heart was telling him that he absolutely could not do anything to let Freya down!

Connor had fallen for Xena's tricks because he felt his relationship with Freya was superficial. Even if he slept with Xena, it had nothing to do with Freya.

However, the situation was different now. Freya had already made it very clear to Connor. She could slowly try to accept Connor. If she married Connor, she would not like other men.

Furthermore, the inheritance contract clearly stated that Connor had to sincerely make Freya fall in love with him within the stipulated time!

Connor had fallen in love with Freya from the moment he saw her. He felt it was impossible between him and Freya because of Freya's cold attitude.

But now that Connor had seen hope in Freya, he naturally had to put all his feelings on Freya.

Although rich people liked to flirt with women everywhere, Connor was still a traditional boy.

When Yelena saw that Connor was about to leave, she hurriedly asked, "Connor, what are you doing?"

"Well, I suddenly remembered that I still have something to do. I think I should leave now?" Connor replied nervously.

"You have something to do?" Yelena couldn't help but laugh. Then, she sat on the sofa and smiled. "Connor, are you afraid that I will do something to you, so you are in a hurry to go back?"

When Connor heard that, he could not help but be stunned. Then, he said bluntly, "You're already dressed like this, and you still have the cheek to say that you don't have any feelings for me?"

Yelena couldn't help but look up at Connor. A strange look flashed in her beautiful eyes.

"I already told you that I have a fiancée. Why won't you let me go? I won't have anything to do with you!" Connor looked at Yelena and said righteously. Then, he turned around and was about to leave.

"Wait!" Yelena saw that Connor was really going to leave and hurriedly called out.

"What now?"

The more Connor looked at Yelena, the more danger he sensed. There was only one thought in his mind: to leave this place as soon as possible.

"Connor, are you really going to leave me here alone?"

Yelena stared at Connor with her big, charming eyes.

"Yelena, what are you trying to do?"

When Connor saw Yelena acting like that, his guard came down.

"I am not trying to do anything. Come and sit over here. It's not like I'll kill you..."

As Yelena spoke, she stroked her sexy and fair legs under the lace nightdress.

When Connor heard this, he seemed to become somewhat hesitant.

Especially when he saw Yelena's beautiful legs, even his breathing became heavy.

That was because Yelena's beautiful legs were too alluring. They were not only of moderate thickness but also smooth and tender, making them look especially sexy and charming..

Chapter 216: Misunderstanding Yelena Allen

"I have something to do. Goodbye."

Connor gritted his teeth and replied in a low voice.

"Connor, why are you acting this way? I'm asking you to take advantage of me, but you refuse to do so. Hurry up and come over. I want to talk with you!" Yelena said with a smile.

"What do you want to talk about? Can't we talk right where we're standing?" "Connor, I have such a good figure. Don't you want to come over and feel it?" Yelena slightly parted her beautiful legs and continued to seduce Connor. To be able to have sex with a beautiful internet celebrity was perhaps the dream of most men, and it was naturally the same for Connor.

But at this moment, Connor looked at the beautiful Yelena in front of him and felt a little uneasy.

Connor was not a gentleman, and he also wanted to have a relationship with such a beautiful woman.

However, at this moment, there was a voice in Connor's mind that kept reminding him to stay calm. There was no free lunch in this world, let alone a beautiful woman who would deliver herself to his door. This must be a trap!

The misunderstanding between Connor and Freya Phillips had yet to be resolved. If he really had sex with Yelena and fell into her trap, then Yelena might very well become the second Mandy Hines!

Connor took a deep breath and calmed his restless emotions. Then, he looked at Yelena expressionlessly and asked, "Why are you doing this?"

"Why?"

When Yelena heard this, she couldn't help but be stunned for a moment. Then, she widened her foxlike eyes and said, "I don't have any ulterior motives. I just want you to come over and chat with me."

"Do you already know my identity? You want to seduce me and use this to threaten me, right?"

Connor took a step forward and shouted at Yelena.

If Yelena didn't know his identity, then Connor really couldn't understand why a beauty like Yelena would take the initiative to give herself to him.

After all, in her eyes, Connor was just a poor kid who had no money or status. If it was just because Connor had helped Yelena beat Fabien Luther up, it would obviously be unreasonable.

Therefore, Connor felt that Yelena knew his real identity, which was why she was doing this.

Mandy's matter had taught Connor a lesson. He would never make the same mistake a second time.

"Your identity?"

When Yelena heard this, she could not help but be stunned for a moment.

Then, she asked in a puzzled tone, "Who are you?"

"You don't have to care about my identity. What exactly do you want to do? If you don't tell me upfront, I'll leave now!"

Connor shouted.

Yelena looked at Connor with disdain and laughed, "You're no fun. Forget it, I won't joke with you anymore!"

After saying this, Yelena yawned and turned around to walk toward her bedroom.

"Joke with me? What do you mean?"

Connor was a little confused by Yelena's words and quickly asked.

"Actually, I've never thought of having sex with you. When I saw how innocent you looked, I wanted to play a joke on you. Otherwise, why do you think I would tease you? I'm so good-looking, with big breasts and a curvy waist. Why should I sleep with a delivery man like you?"

Yelena replied indifferently.

"If you didn't want to sleep with me, then why did you seduce me and bring me to your house?"

Connor was stunned for a moment and asked.

"Didn't I already explain it to you? I brought you to my house because I wanted you to stay at my house for a night. I was worried that Fabien would find you and beat you until you were paralyzed."

Yelena said lightly as she smoothed her nightgown.

"Then, why are you dressed so sexily?"

Connor quickly asked the second question in his heart.

"What's wrong with wearing a nightgown after taking a shower? Besides, I'm not dressed like this for you. Why are you so narcissistic?"

Yelena could not help but roll her eyes at Connor.

“There are only the two of us here. If you’re not wearing it for me, are you wearing it for ghosts?”

Connor shouted righteously.

“Sigh...”

Yelena shook her head gently and said helplessly, “I’m going to start a live broadcast later. Can’t I dress like this for my fans?”

“You want to broadcast it live?”

Connor was stunned when he heard this.

“That’s right. I just signed a contract with Twitch a few days ago. Otherwise, where would I get so much money to buy a car and a house?”

Yelena replied softly, then strode into her bedroom.

Connor hesitated for a moment before following Yelena in.

Yelena’s bedroom was also decorated very warmly. Most of it was pink, including the curtains, carpets, and bed covers.

There was also a computer beside the bed, and it had a complete set of equipment like a ring light, microphone, and other things.

Previously, Connor had seen Mina’s live broadcast equipment. It was similar to Yelena’s current one.

“Did I really misunderstand Yelena? She didn’t dress like this for me but for the live broadcast?”

At this moment, Connor’s heart began to waver.

If Yelena really didn’t know his identity, then she really had no reason to seduce Connor.

Yelena stood in front of the camera and briefly adjusted the equipment. After confirming that there was no problem, she turned on the computer.

Then, she turned and said to Connor, “When I’m broadcasting later, don’t speak. Don’t appear in the stream either. Otherwise, the netizens will misunderstand.”

“Oh!”

Connor lightly nodded.

When Yelena saw Connor nod in agreement, she started the Twitch livestream. Yelena then appeared on the computer screen.

When the live broadcast room was opened, a large number of netizens instantly entered. These netizens also started to send comments to greet Yelena.

“Good evening, everyone. I’m a little late for the broadcast tonight. I hope everyone won’t criticize me!”

Yelena also began to interact with the netizens in the live broadcast room.

“It doesn’t matter. It doesn’t matter that you’re late. After all, the goddess is beautiful!”

“Yes, yes, yes. Even if the beauty is late, we are willing to wait!”

“Goddess Yelena, your pajamas today are so sexy!”

The bootlickers in the live broadcast room began to spam stream with comments.

Connor stood at the side with an awkward expression. He finally realized that Yelena wasn't dressed like this to seduce him.

She was dressed like this for the live broadcast.

He was the one who was thinking too much.

Connor looked at Yelena, who was chatting with her fans, and instantly felt like he was alone.

Because today's matter was really too embarrassing.. Yelena was so beautiful; why should she take the initiative to seduce a poor loser like him!

Chapter 217: Meeting an Acquaintance in the Livestream Room

In the blink of an eye, two hours had passed.

Connor had been sitting on the sofa in the bedroom, quietly watching Yelena's livestream.

Yelena's livestream was very popular, even more popular than Mina's. She also received a lot of tips.

After all, Yelena had more than five million fans on the Twitch platform. Naturally, she would be able to bring in a lot of traffic on the Twitch live broadcast platform.

“Goddess Yelena, the platform's PK competition is about to begin. Aren't we going to watch the show?”

At this moment, a comment suddenly popped up.

Yelena was stunned for a moment after seeing the comment, then she said softly, "Alright then, I'll bring you guys to the PK competition later. You guys must work hard and help me get first place! I'll use this time to prepare. I'll see you later! Bye bye..."

After saying that, Yelena directly ended the livestream.

In fact, Yelena had no interest in this PK competition at all. She just wanted to find an excuse to end the livestream.

"I'm so tired. I can finally rest!"

After ending the livestream, Yelena stretched her back.

"They can't hear you now?"

Connor was stunned for a moment and asked Yelena softly.

"I've already ended my stream, so they can't hear me. However, I'm going to participate in the PK competition later, so I'll have to start streaming again!"

Yelena explained calmly. Then, she clicked her mouse twice and entered the page of the PK competition.

After a while, Yelena opened a streamer's live broadcast room.

However, when Connor saw the streamer that Yelena had clicked on, he was stunned. His expression was one of disbelief.

Because Connor never thought that he would actually see her here!

The female streamer who appeared on the computer screen was none other than Connor's roommate, Mina.

Connor didn't think that Mina would also participate in the Twitch streaming platform's PK competition.

As Connor had been busy recently, he had not seen Mina for a long time. Naturally, he had not been to Mina's live broadcast room to watch her live broadcast.

Mina was dressed very seductively today. She was wearing a white spaghetti-strap short skirt and had an oval-shaped face without any makeup. It was smooth and delicate, making people want to take a bite out of her.

Mina seemed to be in a good mood today, with a faint smile on her face.

"Do you know this female streamer?"

Yelena couldn't help but ask curiously when she saw how excited Connor was.

"Yeah, sort of. I've watched her live broadcast before!"

Connor hesitated for a moment and replied.

"This female streamer is called Mina. She was not a well-known streamer! However, because of the sudden appearance of a tycoon called CeeM in her live broadcast room, Mina made it big. At her peak, her popularity was even higher than mine. It's just that recently, CeeM hasn't been showing himself, so her popularity has dropped a lot!"

Yelena softly explained to Connor.

"Oh, I see!"

Connor nodded lightly and didn't say anything else.

"I know a little secret about Mina. Do you want to hear it?"

Yelena asked Connor mysteriously.

"What secret?"

Connor was stunned.

"If you want to hear it, come sit on my lap..."

Yelena didn't forget to tease Connor and gently patted her slender and fair legs.

In fact, Yelena did not really want to do anything with Connor. After all, she was a very conservative girl. She just liked to see Connor being all shy.

"Yelena, can you stop joking with me? What secret do you want to tell me?"

Connor naturally wouldn't fall for it now, so he replied helplessly.

"Hehe..."

Seeing Connor like this, Yelena smiled cheekily and said lightly, "I heard from my friend that the rich guy in Mina's stream wanted to rape Mina, but Mina found out and reported him to the police. He was sent to the police station. He hasn't been released yet, so the popularity of Mina's stream plummeted!"

"Who... Who did you hear this from?"

Connor exclaimed.

The person who was sent to the police station by Mina was Hector Flynn. Hector was simply pretending to be CeeM, and Connor was the real CeeM!

“This matter has long been circulating in the circle, and Mina herself didn’t deny it. Why are you so agitated?”

Yelena pouted and replied softly.

“Nonsense!”

Connor clearly felt like he was being falsely accused of committing rape, so he became even more agitated.

“How am I spouting nonsense? This matter has already spread throughout the circle! Since the rich man had given Mina so many bits, even if she didn’t want to sleep with him, she didn’t have to call the police, right? What if he takes revenge on her after his release?” Yelena said indifferently.

Connor turned to look at Yelena and opened his mouth but didn’t say anything.

He wanted to explain on Mina’s behalf, but when he thought about how Yelena didn’t know that he was the real CeeM, even if he explained, Yelena probably wouldn’t believe him.

However, Yelena’s words reminded Connor that it had been a long time since he went to Mina’s livestream to buy bits. It was easy for people to misunderstand.

“What is this PK competition?”

Connor hesitated for a moment before asking Yelena softly.

“The PK competition is something that Twitch recently organized. During a live broadcast, a streamer can challenge a streamer from another live broadcast room. Two female streamers will PK together.

Within a specified time, the streamer who receives the most bits will win. The winner will be able to enter the next round until they get first place!”

Yelena explained softly.

“Isn’t this a way of getting lots of money? They are stimulating the netizens to give the female streamers bits.” Connor had heard Mina mention these things before.

“Yeah, that’s more or less what it means!”

Yelena nodded and continued, “Although it’s said to be a way to get lots of money from the netizens, as long as you enter the top three in the PK, you will be able to get one million cash as reward. However, if you are eliminated in the first round, the bits that the streamer receive this month will be taken by the streaming platform. Moreover, this PK competition is mandatory for all streamers. Even if you can’t get a million cash as reward, everyone doesn’t want to work for nothing this month!”

“I didn’t expect the live broadcast platform to be so evil.”

Connor could not help but sigh.

“Of course, there are many unspoken rules in the live streaming industry. Don’t think that the platform only earns money from the netizens,” Yelena said indignantly,

“Haha...”

Connor looked at Yelena and smiled without saying anything..

Chapter 218: Who Are You Calling a Loser?

While Connor was chatting with Yelena, Mina was also chatting with another female streamer in the live broadcast room.

Mina’s opponent was a girl with a seductive appearance and a hot figure. Her name was Queenie.

Queenie was wearing a sexy Southern Airlines flight attendant uniform and had thick makeup on her face. She gave off the vibe of a bar hostess. Her every frown and smile revealed a hint of lust.

“Hello, Mina!”

Queenie took the initiative to greet Mina.

“Hello!”

Mina had always been cold and aloof, so she replied placidly.

When Queenie saw Mina’s cold expression, she felt a little unhappy and sighed. ‘Isn’t she just a b*tch who became famous by sleeping with a rich man? Why is she being all pretentious? Now that the rich man has been taken away by the police, why is she still so arrogant?’

Although Queenie was thinking that deep down, she still smiled and said, “Mina, you’re so beautiful tonight. No wonder so many rich people give you bits.”

Mina was not a fool. She could naturally understand the meaning behind Queenie’s words, so she could not help but mock coldly, “You’re pretty good too. I heard that you’re almost 30 years old. You actually take care of yourself so well. You look like you’re only twenty years old...”

“You...”

Queenie’s expression changed when she heard Mina’s words. She opened her mouth and wanted to retaliate.

However, she suddenly remembered that this was a live broadcast room, so she couldn’t use too many vulgarities. As such, Queenie endured it.

■Just you wait. Watch how I deal with you later, you shameless b*tch!" Queenie could not help but curse to herself.

"PK begins!"

At this moment, a few large words suddenly flashed across the live broadcast room.

Immediately after, a 30-minute countdown appeared.

When the countdown appeared, the PK between Mina and Queenie officially began.

When the PK officially began, Mina's opponent, Queenie, seemed to have changed into a different person in an instant. She exclaimed sweetly at the camera, "My dear viewers, 1'11 dance for you first. If you think it's good, give me more bits! Queenie thanks you all in advance!"

After saying this, Nancy stood up and started shaking her butt in front of the camera.

Although Queenie's dancing was very average, her figure was very good. Especially as Queenie was wearing a flight attendant uniform, it added a special charm to her, making people's hearts surge.

Moreover, when Queenie was dancing, she would shake her round butt from time to time and make some seductive movements, which dumbfounded the netizens.

"I'm a Virgin gave [Queenie] 50 bits!"

"Eighteen Times Tonight gave [Queenie] 100 bits!"

"Past Gone with the Wind gave [Queenie] 200 bits!"

When the netizens in the live broadcast room saw Queenie twerking so hard, they all started to send small gifts known as bits.

However, these bits were not very expensive. They were at most ten or twenty dollars.

On Mina's side.

Mina had been sitting since the start of the PK. She did not take the initiative to ask for any bits from the audience, but her popularity was still very high, and she had a lot of bits.

"Primary School Representative gave [Mina] 350 bits!"

"Go Up the Mountain to Kill the Tiger gave [Mina] 500 bits!"

"I'm Not a Cute Girl gave [Mina] 650 bits!"

Similar comments flew across Mina's screen from time to time.

Although Mina didn't receive a lot of bits, most of them were worth more than 100 dollars, so Mina's reward progress bar quickly surpassed Queenie's reward progress bar.

When Connor saw the names of these netizens, he couldn't help but smile.

When Connor went to Mina's live broadcast room, these people often greeted Connor. Connor still had some impression of them.

Queenie subconsciously glanced at the screen and realized that after she had been twerking for so long, the progress bar for the bits was less than 5%.

Mina had been sitting on the same spot, not saying anything. She had actually received bits of several thousand dollars!

“Gosh, I danced so much that I’m sweating, but I’ve only received such a small amount! Forget it. I’m not going to dance...”

Queenie pouted and sat back down on the chair to rest.

“Why isn’t the streamer dancing anymore?”

“Yeah, continue dancing. We’ll give you bits!”

When the netizens saw that Queenie had stopped dancing, they began to send comments.

“Why should I dance? I’m only getting a few hundred bits. How’s that enough? No more dancing...”

Queenie pouted and replied.

“Streamer, continue dancing. I’ll give you bits!”

“Yeah, let’s do it together. I’ll use my salary this month to buy you bits!”

The netizens continued to shout.

“Hmph, what’s the use of your small number of bits? They are all worth only a few dollars. Look at her. She’s getting so many bits. How can you losers compare with them? I’d better not dance. You guys should go find other streamers to watch!”

Queenie seemed to be a little angry at this moment as she snorted coldly.

“How can a streamer like you say that? Who are you calling a loser?”

“Yeah, who are you calling a loser?”

“Trash streamer, we’re not watching anymore. Let’s go to the other side and give bits!”

“Right, everyone, let’s go to the other side!”

Queenie’s words instantly aroused public anger. In an instant, all the viewers went to Mina’s live broadcast room.

This also led to Mina’s livestream becoming even more popular.

Queenie, on the other hand, had an indifferent expression on her face, as if she did not feel the slightest bit of regret for the viewers’ departure.

“Is there something wrong with this woman’s brain? It’s good enough that someone gave her bits. Why did she have to complain that the number is low?”

Connor muttered in confusion.

“She doesn’t care about these losers at all. Anyway, she knows that she can’t lose today, so she naturally won’t spoil them!” Yelena said lightly.

“She didn’t even get a hundred dollars’ worth of bits, and Mina has nearly ten thousand dollars’ worth of bits. How could she not lose?”

Connor was stunned for a moment and asked.

“You’ll know later!”

Yelena replied indifferently.

Connor was stunned for a moment, then continued to stare at the screen.

In the blink of an eye, twenty minutes had passed.

Mina received bits of nearly 20,000 dollars, while Queenie's bits were still around 100 dollars.

However, Queenie wasn't in a hurry at all. She sat on the spot and played with her phone. Compared to the previous Queenie who tried her best to get bits, it was as if she was a completely different person.

"Dear viewers and friends, thank you very much for your support. Whether you can give me bits or not, I'm very grateful that you can come to my live broadcast room. However, it's not easy for everyone to earn money, so it's best if you stop giving!"

Mina saw that her reward progress bar was nearly defeating Queenie's progress bar, so she felt that she would definitely win today, so there was no need for the netizens in the live broadcast room to continue spending money.

"The host is really beautiful and kind-hearted."

"That's right, I'm really touched. She's much better than that stupid woman!"

"No, even if I have to eat dirt this month, I have to give you bits!"

After the viewers in the live broadcast room heard Mina's words, not only did they not have any intention of stopping, but they also became even more excited and began to send more and more bits!

"A bunch of idiots!"

Queenie couldn't help but curse deep down when she saw the comments in Mina's livestream..

Chapter 219: The Tycoon Behind Queenie

“Five minutes left!”

At this moment, a few large words appeared on the top of the live broadcast room again.

The countdown had officially begun!

“Who told you to call us losers? Are you dumbfounded now?”

“That’s right, such a low-quality streamer deserves to be ignored!”

“Let’s see if you still dare to scold the audience. Goddess Mina is much stronger than you!”

The viewers in the live broadcast room felt that Mina would definitely win today, so they began to send comments to mock Queenie.

When Queenie saw these comments, she still had a look of disdain on her face. She pursed her lips and said, “Do you really think that Mina can defeat me? You think she can beat me with just you losers? Don’t joke with me here. You’d better hurry back to work and start earning your salary!”

Since the matter had already reached this point, Queenie’s tone became even harsher.

“You’re about to lose, yet you’re still so arrogant!”

“Yeah, what are you pretending for? Someone’s going to cry later!”

When the netizens heard Queenie’s words, they immediately got riled up and began to curse.

However, after a few curses, they suddenly realized that Mina’s reward progress bar had disappeared!

In less than two seconds, Mina’s reward progress bar was crushed by Queenie’s!

“What’s going on?”

“Is there a problem with the system?”

“Why did Mina’s progress bar become shorter?”

When the viewers in the live broadcast room saw the progress bar representing Mina disappear, they were all dumbfounded and had a puzzled expression on their faces.

They all started to send comments in the live broadcast room, and Mina herself was puzzled.

“This should be a problem with the system, right?”

“There must be a problem with the system. No one has given Queenie bits. How could her popularity suddenly increase so much?”

“Queenie is really despicable. She didn’t receive bits and actually used such a method to win the competition. She’s simply shameless!”

The netizens began to curse at her.

After all, the words Queenie had said to them before were really too unpleasant. Now, no one wanted Queenie to win today’s match.

Mina looked at her computer screen with a confused expression because she couldn’t understand what was going on.

Although the netizens were saying that there was a problem with the system, Mina felt that such a big platform like Twitch wouldn’t make such a mistake!

“What’s going on?”

Connor turned his head and asked Yelena.

“What else can it be? It must be the rich people that Queenie called over who have started giving her bits!”

Yelena replied casually.

“Someone gave Queenie bits?”

When Connor heard this, he couldn’t help but be stunned. Then, he turned to look at the computer screen.

“Call Me Big Brother Ocean gave [Queenie] 500,000 bits!”

“Beverly Hill’s Number One Young Master gave [Queenie] 100,000 bits!”

“I’m Not a Rich Second-Generation Heir gave [Queenie] 50,000 bits!”

Because of the delay on the internet, the gift notifications popped up belatedly one by one.

When the netizens in the live broadcast room saw these comments, they were all dumbfounded.

One had to know that 5 bits were worth 1 dollar!

Call Me Big Brother Ocean from Queenie’s live stream just now had tipped 500,000 bits in one go. That was equivalent to 100,000 dollars!

That was why Queenie’s reward progress bar had directly crushed Mina’s progress bar!

Moreover, Call Me Big Brother Ocean did not seem to have any intention of stopping at all. He continued to send bits to Queenie.

“Call Me Big Brother Ocean gave [Queenie] 50,000 bits!”

“Call Me Big Brother Ocean gave [Queenie] 100,000 bits!”

Similar comments kept appearing in Queenie’s live broadcast room.

The viewers in Mina’s live stream were all dumbfounded.

After all, the other party had offered 100,000 dollars in one go. Each of them would only have a few hundred dollars at most. They were no match for the other party’s nouveau riche.

“Even if I have to eat dirt this month, I will help Goddess Mina win!”

“That’s right, brothers, hurry up and buy bits. F*ck Queenie to death!”

“Everyone, hurry up and top up. We have more people, so we can definitely help Goddess Mina win the competition!”

The viewers in Mina’s livestream seemed to be a little unconvinced and began to send some small bits, but the effect was still not very obvious.

“Everyone, stop sending me bits. It’s not easy for you to earn money. I’ll just admit defeat in today’s competition!”

Actually, Mina didn’t really want to win. After all, this was just a way for the live streaming platform to make money.

Therefore, when she saw the other party's tycoon starting to show his strength, she began to appeal to those netizens to stop sending gifts.

Two minutes passed.

Queenie's rewards had already exceeded 500,000, and Mina's rewards had reached 100,000 with the support of the netizens.

"I didn't expect Mina to receive bits of 100,000 dollars today. She's really amazing..."

Yelena looked at the computer screen and sighed softly.

"You seemed to have known from the start that Mina was going to lose. How did you know?"

Connor hesitated for a moment, then turned to Yelena and asked.

"Queenie is considered a second-tier streamer in Twitch. Although she doesn't have many fans, all the streamers on this platform know her. Because her boyfriend is a rich second-generation heir, that's the guy called Brother Ocean. So, at the last moment, her boyfriend would definitely appear and help her win the competition!" Yelena said slowly.

"Haha..."

Connor couldn't help but laugh when he heard this. Then, he said indifferently, "Since that person is her boyfriend, why doesn't he just give her the money? Why did he come to the platform to buy bits? In the end, wouldn't the platform take a commission?"

"What do you know?"

Yelena rolled her eyes at Connor and continued to explain, "If Queenie can enter the top three in this PK competition, then all the gifts she has received during this period of time will be returned 100%. Moreover, she will also receive a reward of one million dollars. In other words, as long as you have

enough money, you can give as much as you want. As long as you enter the top three, not only will you not lose money, but you will also earn money!”

“F*ck, what a trick!”

Connor seemed to be speechless.

“That’s right. There are many tricks in our live streaming industry!”

Yelena replied indifferently.

“So, if they return 100% of the money for the bits, how will the platform make money?” Connor was stunned for a moment before asking.

“Are you stupid?”

Yelena rolled her eyes at Connor, then pouted and said, “Only the top three streamers can get 100% of the bits. Most of the remaining streamers’ bits will be taken by the platform as commission. Moreover, some of the streamers’ bits will be confiscated by the platform, so the platform will rely on these streamers to earn money!”

“I see!”

Connor nodded lightly and didn’t say anything.

If Yelena hadn’t explained these things to him today, Connor really wouldn’t have known that there were so many tricks in the live broadcast industry.

Just as Connor was talking to Yelena, there were less than three minutes left in the match between Mina and Queenie.

Mina felt that even if she lost today, it was not a big deal. Wasn't it just losing a month's worth of bits?

Last time, Connor had given her several million dollars in her live broadcast room. She did not lack money at all now, so she began to persuade the viewers in the live broadcast room not to send bits anymore.

"Mina, it seems like you're going to lose. Why don't you ask that tycoon of yours to come and give bits?"

Queenie asked Mina with a smug expression when she saw that she was about to win.

Mina was stunned when she heard Queenie's words.

"Haha, you guys might not know this. Mina sent the rich man from her live streaming room to the police station..."

"This woman is really too vicious. She took money from CeeM and not only did she not sleep with him, but she also called the police and said that he wanted to rape her. I've never seen a streamer like her!"

"Yeah, she usually looks cold and aloof, but she's actually a b*tch. Don't you find it disgusting looking at such a person?"

The rich tycoons who had sent Queenie bits went to Mina's live broadcast room and started to send comments to mock Mina.

"Who do you think you are now that CeeM is gone? You actually want to beat my wife? How shameless! I'll give everyone a locked gift!"

After Brother Ocean sent the comment, he sent a locked gift worth 8,888 dollars.

A locked gift required a password, and the password for the gift was 'B*tch Mina'!

Any netizen who sent these two words could share the gift money.

In an instant, Mina's live broadcast room was covered by the words 'B*tch Mina'..

Chapter 220: CeeM Is Back

When Mina saw the words 'B*tch Mina' all over her screen, her expression turned ugly.

She had already planned to give up on this competition, but she did not expect them to use such vicious means to attack her.

Mina couldn't help but tear up.

The viewers who supported Mina had no way to help her. After all, Brother Ocean was too rich. They were no match for him.

"If only CeeM is here!"

"That's right. If CeeM were here, this group of people wouldn't dare to be so arrogant!"

The viewers in the live broadcast room began to continuously spam the word 'CeeM'.

In an instant, the word 'CeeM' covered the words 'B*tch Mina'.

Connor looked at the computer screen expressionlessly with a hint of anger in his eyes.

"CeeM!"

"CeeM!"

“CeeM!”

The netizens started to spammer in Mina’s live broadcast room, and the word ‘CeeM’ kept appearing on the screen.

Those who supported Mina knew that at this moment, only CeeM could help Mina.

“Why the f*ck are you guys still spamming ‘CeeM’? CeeM has already been sent to the police station by this b*tch. Brothers, I’ll send another locked gift. Drown them bootlickers!”

After Brother Ocean sent the comment, he sent a 18,880-dollar locked gift.

The locked gift’s password was still ‘B*tch Mina’.

For a moment, the words ‘B*itch Mina’ and ‘CeeM’ were locked in a fierce battle.

It was unknown whether Mina was touched by the viewers or angered by the people who were scolding her, but tears kept falling from her eyes. She looked very pitiful.

Connor took a deep breath, then turned to Yelena and said, “I need to use the bathroom. Where is it?”

“On the right side of the corridor!”

Yelena was currently staring at the computer screen, so she did not notice that Connor’s expression was a little off.

Connor originally didn’t want to care about Mina’s matter. After all, he could feel that Mina herself didn’t really want to win this match.

However, the other party had gone too far. It was fine if they won the match using tricks, but they were using CeeM to insult Mina. Moreover, it was all fake, so Connor had no choice but to make a move.

However, because Yelena was sitting next to Connor, he definitely couldn't give Mina bits in front of Yelena, so he could only find an excuse to go to the bathroom.

On the other side, Mina seemed to be unable to endure the other party's humiliation.

Moreover, there was only less than a minute left before the end of the PK. She felt that she was definitely going to lose today, so Mina decided to close the live broadcast room.

However, just as Mina was about to close the livestream, a comment popped up.

"Welcome [Emperor] to Mina's livestream!"

When Mina saw this comment, a hint of shock flashed in her eyes. It had been a long time since she had seen this name.

When the netizens in the live broadcast room saw CeeM, they instantly became excited!

"CeeM is here!"

"CeeM is here. The other side is dead!"

"CeeM didn't go to jail at all. Those people are clearly talking nonsense!"

"CeeM, hurry up and smash the other side!"

"CeeM, hurry up and make your move!"

The netizens began to spam comments. Connor instantly felt as if he was being treated as an emperor.

Mina looked at the word 'CeeM' in a daze. She thought that CeeM would never appear in her stream again, but she didn't expect that he would actually return!

Queenie and the others were also dumbfounded. They thought that Mina had already thrown him into prison.

But if CeeM had really been locked up, how did he enter the livestream?

"I'm sorry for making everyone wait!"

After entering the live broadcast room, Connor slowly typed these words.

For a moment, the viewers in Mina's livestream was stunned. They did not know how to answer this greeting and could only spam the word 'CeeM'!

"CeeM rewarded [Mina] with 1,000,000 bits!"

In an instant, 1,000,000 bits appeared on the screen, and the effect was extremely shocking.

This was the highest number given so far!

"CeeM rewarded [Mina] with 1,000,000 bits!"

Before the audience in the live broadcast room could react, Connor gave another 1,000,000 bits!

In the blink of an eye, 400,000 dollars had been given to Mina!

Now, Mina's reward progress bar had already surpassed Queenie's. Both of them had nearly 500,000 dollars in rewards.

Mina looked at the computer screen in disbelief. She did not know how to describe her feelings.

“CeeM, you don’t need to send bits. I don’t care if I lose!”

Mina hurriedly shouted.

“It’s fine. This little money is nothing to me!”

Connor replied.

The viewers in the live broadcast room were also very excited at this time. Some people were praising Connor, while others began to mock Queenie and the others.

“Hubby, they’re actually mocking me. Hurry up and give me bits!”

Queenie couldn’t sit still anymore and shouted agitatedly.

After hearing this, Brother Ocean gritted his teeth and continued to send gifts.

After all, they had already thrown in 400,000 dollars. If they were to lose now, all the money would go down the drain.

Brother Ocean was naturally unwilling to give up, so he quickly took advantage of the last moment to send bits worth 100,000 dollars.

However, when he had just given the bits, he was stunned.

“CeeM rewarded [Mina] with 10,000,000 bits!”

Seeing the bits exploding on the screen, all the viewers were shocked!

“10,000,000 bits?”

Brother Ocean stared at the computer screen with his eyes wide open, not knowing how to describe his feelings.

10,000,000 bits was worth 2 million dollars!

Brother Ocean had only prepared 500,000 dollars today. 500,000 dollars was nothing compared to 2 million dollars!

For a moment, Mina’s reward progress bar once again crushed Queenie’s progress bar. The people who had given Queenie bits before were also dumbfounded!

Yelena thought that the match had already ended and that it was impossible for Mina to win against Queenie.

However, when she saw CeeM appear in Mina’s livestream and giving so many gifts, she was stunned.

“Uh... Wasn’t CeeM sent to the police station? How can he still give bits?”

Yelena stared at her charming big eyes and sighed with an incredulous expression on her face..
