### Chapter 231: Encounter with Yelena Allen

10 am.

Connor drove Freya to Cloverville.

Cloverville was located in the northeast of Porthampton. It was an old district with a history of a hundred years.

Most of the buildings were colonial style buildings. There were many tourists here, but because the location of Cloverville was not that good, its commercial development was far behind other places.

Connor parked the car in the parking lot near the old city and followed Freya into the city.

At this moment, Connor and Freya were walking side by side, looking like a couple in love.

Freya was in a good mood today, so she would chat with Connor from time to time.

In addition, Freya was dressed very exquisitely today, and her figure was also very attractive. As she walked on the streets of the old city, she instantly attracted the attention of countless people.

However, when everyone saw Connor beside Freya, they all revealed a hint of surprise in their eyes.

Connor naturally knew what these people were surprised about, but he didn't care too much. After all, he was already used to such gazes.

"The private restaurant I mentioned is just up ahead!"

After walking for a few minutes, Freya suddenly pointed at a restaurant not far away and turned to Connor.

“Let’s go in!”

Connor nodded lightly and was about to follow Freya to the restaurant.

However, before they could enter the restaurant, a beautiful figure suddenly exited the restaurant.

When Connor saw this figure, he was stunned, and the expression on his face was that of shock!

The person who walked out of the restaurant was none other than the female internet celebrity who had just broken up with Connor not long ago, Yelena Allen.

Beside Yelena, there was a woman who was obviously much older than her. At this moment, this woman was talking to Yelena about something, and she seemed very irritated.

Yelena’s outfit today was very cool and sexy. She was wearing a white low-cut spaghetti strap that was tightly wrapped around her voluptuous body, outlining a charming curve. She was wearing a short skirt. Her two slender and fair legs were visible to everyone, looking very attractive.

However, Connor was not in the mood to admire Yelena’s figure because he knew that she had never played by the rules.

If she were to see him with Freya, who knew what kind of trouble she would cause?

Therefore, after hesitating for a moment, Connor hurriedly turned around and walked to the corner before Yelena noticed him.

Freya, who was leading the way, did not notice that Connor had already left. Yelena did not seem to notice Connor either. She followed the middle-aged woman into a white car.

“Phew...”

When Connor saw the white car slowly leave, he finally heaved a sigh of relief. He secretly sighed deep down. If he had not reacted quickly enough, he would have been in trouble if Yelena had really bumped into him.

Connor didn't know this, but as soon as he walked out of the corner, Yelena, who was sitting in the car, subconsciously turned her head to look behind the car.

When Yelena saw Connor walk out from the corner, a mysterious smile appeared on her face. She then said lightly, “Connor, you were actually hiding from me, huh? Let's see how I'll deal with you later!”

“Yelena, what are you muttering about?”

The middle-aged woman beside Yelena asked with a puzzled expression.

“It... It's nothing...”

Yelena shook her head gently.

On the other side, after seeing Yelena leave in the car, Connor walked straight into the restaurant.

At this moment, Freya also realized that Connor had disappeared, so she hurriedly ran out of the restaurant.

When she saw Connor walking toward her, she let out a long sigh of relief. Then, she asked in a reproachful tone, “Connor, where did you go? I thought you got lost!”

“I'm not a child. Why would I get lost? I bumped into an old classmate just now, so I talked to him for a while!”

Connor explained softly.

“Oh, okay!”

Freya didn't think much of it and dragged Connor into the restaurant.

At this moment, Connor was very happy because he could feel that she seemed to be very concerned about him.

This kind of concern was very precious in Connor's eyes. After all, Connor had so many friends around him, but very few girls would really care about him like this.

After entering the restaurant, Connor and Freya found a corner and sat down.

Connor was being a gentleman and let Freya order. Freya was happy to do so and immediately took the menu and started ordering.

Then, Freya gave names of dishes that Connor had never heard of before.

Connor looked at Freya, who was ordering the dishes, and felt a little lucky.

He was glad that he had given the menu to Freya. Otherwise, Connor would not have known what to order if he had to order.

“Alright, that's all for now!”

Freya slowly closed the menu in her hand and turned to the waiter.

“Alright, please wait a moment!”

The waiter replied respectfully and turned to leave.

After the waiter left, it was time to wait for the dishes to be served.

This was the first time that Connor had gone out to eat with Freya alone, so he didn't know what to say to her.

As a girl, Freya naturally wouldn't take the initiative to speak.

Therefore, the atmosphere instantly became a little awkward.

"So, how's your company doing recently?"

Connor thought for a long time and finally thought of a good topic. He asked Freya softly.

When Freya heard Connor's words, she couldn't help but purse her lips into a smile. She looked exceptionally charming.

"Why are you smiling?"

Connor couldn't help but ask after seeing Freya smile.

"That's all you could come up with after having thought about it for so long?"

Freya asked Connor softly.

Connor smiled awkwardly and scratched his head helplessly. "I rarely chat with girls, so I don't know what to say to you!"

“No way. Didn’t you have a girlfriend? And I heard from Maya that you seem to have quite a few girls around you. How could you not know how to chat with girls?”

Freya asked in confusion.

“Don’t listen to Maya’s nonsense. I’ve only had one girlfriend since I was born!”

Connor replied helplessly.

“Oh!”

Freya nodded and continued, “My company’s current situation is quite good. After Mr. Morgan invested 100 million in our company last time, he also introduced a few partners to me. Based on the current situation, I estimate that in less than a year, our company will be able to turn losses into profits...”  
“That’s good!”

Connor smiled faintly. He felt that Thomas Morgan was very thorough in his work. He actually knew to introduce some partners to Freya.

In today’s society, connections were obviously more important than money.

“I haven’t thanked you properly for this. After all, if you hadn’t found Mr. Morgan, my company might have gone bankrupt by now!” Freya looked at Connor and said softly.

“What’s there to thank me for? You’re my fiancée, so it’s only right for me to help you!”

Connor replied nonchalantly.

When Freya heard Connor’s words, her face flushed red. She didn’t know how to answer him.

Ring, ring, ring!

At this moment, Connor's phone suddenly rang.

Connor took out his phone and saw that it was Thomas calling..

Chapter 232: What Is She Trying to Do?

Seeing Thomas's call, Connor hurriedly stood up and said to Freya, "I'm going to take a call!"

"Okay!"

Freya nodded lightly.

Connor picked up his phone and walked toward the restaurant's bathroom.

However, just as Connor stepped into the bathroom, a sexy and charming girl walked into the restaurant.

After the girl entered the restaurant, she scanned the situation briefly before focusing her sight on Freya.

"Connor's fiancée?"

The girl smiled faintly and then walked over to Freya in her high heels.

In the bathroom.

Connor picked up his phone.

"Hello?"

Connor asked softly after picking up the phone.

“Mr. McDonald, where are you now?”

Thomas asked with a smile.

“I’m at Cloverville. What’s the matter?”

Connor was not in the mood to talk nonsense with Thomas, so he went straight to the point.

“Mr. McDonald, the Empire World Corporation is going to hold a banquet tonight. All the CEOs from your company will be attending. Some famous bosses in Porthampton will also come. I think it’s time for you to meet the people under you since you’ve inherited the old chairman’s legacy for so long!”

Thomas said slowly.

Connor knew that the business empire established by the old chairman in the country was very large. As long as it was a well-known company in the country, he had shares, so he needed a large number of people to manage these companies.

The people Thomas was referring to should be the bosses who were usually in charge of managing the companies under Connor.

However, these CEOs did not have the opportunity to have direct contact with Connor. After all, Thomas was in charge of all the company’s affairs.

“There’s no need for me to meet them. You can be the one who meets them!”

Connor hesitated for a moment before replying indifferently.

Connor felt that even if he went to the banquet today, he would probably have to listen to those people bootlicking, so he was not interested.

“That won’t do, Mr. McDonald. When these CEOs found out that you have inherited the Empire World Corporation, they have all been looking forward to meeting you. It would be bad if they accidentally offend you in the future. Moreover, those who are coming to attend the banquet today are the backbone of our corporation. If you don’t meet them, these people might be disappointed. This is for our company...”

Thomas advised earnestly.

“Alright, alright. I’ll go, okay? Where is the banquet? When will it be held?”

Connor interrupted Thomas helplessly.

“Tonight at eight o’clock at the Fairy Lake Resort in Porthampton!”

Thomas replied with a smile.

“Alright then, I’ll go over tonight!”

Connor knew that if he didn’t agree to Thomas’s request now, Thomas would definitely not let it go, so Connor could only agree.

“Do you want me to send someone to pick you up?”

Thomas asked eagerly.

“No. I know where the resort is. I’ll get a car myself!”

Connor replied with a faint tone before hanging up the phone.

After hanging up the phone, Connor turned around and left the washroom. He walked straight to where he and Freya were.

However, when Connor returned to his seat, he was stunned.

“Ye... Yelena, why have you returned?”

Connor stammered.

At this moment, a girl happened to be sitting in Connor’s seat. This girl was none other than Yelena, who had already left the restaurant.

Yelena and Freya seemed to be chatting. However, Freya seemed to be quite happy and did not show any signs of anger.

‘Why did Yelena come back? What is she trying to do?’

Connor gritted his teeth and muttered, then directly walked toward Yelena.

“Connor, you’re back?”

Freya saw Connor walking over and quickly waved her hand.

“Yeah!”

Connor nodded at Freya and was about to question Yelena when she spoke first.

“Freya, who is this?”

Yelena pointed at Connor and asked Freya with a puzzled expression.

“Yelena, this is my fiance, Connor!”

Freya smiled as she introduced him. Then, she turned to Connor and said, “Connor, this is Miss Yelena. She’s the shareholder of this private restaurant!” “A shareholder?”

Connor was confused by the conversation between these two women. He clearly knew Yelena, but Yelena pretended not to know him. What was going on?

Connor couldn’t help but size Yelena up once again. When Freya wasn’t paying attention, Yelena winked at Connor and said with a smile, “Hello, Mr. McDonald. This private restaurant is owned by me and my friend. I had a great time chatting with Miss Freya today. I’ll give you a 50% discount for your meal with Miss Freya!”

“You...”

Connor was stunned for a moment and was about to speak.

However, Yelena turned to Freya and said, “Miss Freya, I still have something to do later, so I’ll be leaving now!”

“Alright!”

Freya nodded lightly.

Yelena gave Connor a mysterious smile, then turned around and walked out of the restaurant.

‘What is this woman trying to do?’

Connor looked at Yelena’s back and could not help but mutter softly.

“Connor, what are you still standing there for? Hurry up and sit down to eat. Otherwise, the dishes will get cold...”

Freya called out to Connor.

When Connor heard Freya’s words, he came back to his senses and hurriedly asked, “Freya, who was that?”

“I don’t know either. She just suddenly came over to chat with me and asked me if I made cosmetics. She also told me that she was a loyal user of our company’s cosmetics, so the two of us just chatted for a while...”

Freya replied calmly.

“Did she tell you anything strange?”

Connor continued to ask.

“No, the two of us have only been talking about cosmetics...”

Freya shook her head lightly before raising her head to look at Connor. She smiled and said, “Why are you so nervous? Do you know her?”

“No, no. I don’t know...”

Connor shook his head without thinking.

“Then, why are you so nervous?”

Freya asked in confusion.

“I’m just worried that the woman is a scammer!”

Connor replied indifferently.

“How is that possible? She’s a shareholder of this restaurant. How can she be a swindler?”

“It’s all good, then!”

Connor smiled awkwardly, then sat on the chair and started eating.

At this moment, he was also very puzzled because he could not understand why Yelena pretended not to know him and approached Freya. What was her goal?

Connor was initially feeling pretty good, but now he was starting to get suspicious..

Chapter 233: Actually, I’m Really Wealthy

Freya also noticed Connor’s strange behavior, but she did not say anything. Instead, she continued eating.

Buzz!

At this moment, Connor’s phone suddenly vibrated.

Connor quickly took out his phone and saw that it was a Facebook message from Yelena.

When Connor saw the Facebook message, he was stunned!

'Is this woman crazy?'

Connor could not help but curse to himself. He really could not understand what Yelena wanted to do.

When Freya saw Connor's expression, she couldn't help but ask softly, "What's wrong?"

"No... nothing!"

Connor hurriedly put away his phone, not wanting to talk to this crazy woman.

Although Freya could tell that something was wrong with Connor, she didn't ask much. She was a very smart woman. She knew that Connor didn't want to tell her at this time. Even if she asked, she wouldn't be able to get anything out of him.

"Connor, is your school going to have summer vacation soon?"

Freya hesitated for a moment before asking Connor softly.

"Yeah, it should be in half a month's time!"

Connor thought for a moment and replied.

"Then, how about you come back to my hometown with me during the summer vacation?" Freya hesitated for a moment before asking Connor.

"Go back to your hometown with you?"

Connor couldn't help but exclaim in shock. He secretly guessed that Freya was planning to bring him to meet her parents.

“That’s right. In half a month, it will be my grandfather’s 90th birthday. At that time, many relatives of the Phillips Family will go back to celebrate my grandfather’s birthday. You are my fiance, so I think you should go too...”

Freya hesitated for a moment before explaining softly.

“Doesn’t your grandfather live in Porthampton?”

Connor asked in confusion.

“Of course not. My grandfather has always been living in his hometown. He has a total of four sons and four daughters, but only my parents live in Porthampton. The other children are all scattered around the world. Usually, my father isn’t in contact with his brothers and sisters because they only come back on my grandfather’s birthday. I’ve not met them more than ten times since I was young...”

Freya said softly.

“I see!”

Connor nodded thoughtfully, then said with a smile, “I didn’t expect your family to be such a big family!”

“That’s right. This year is my grandfather’s 90th birthday. Not only will my uncles go back, but even my grandfather’s brothers and sisters will attend. This is a huge family gathering.”

Freya looked at Connor and continued.

After hearing Freya’s words, Connor’s eyes flashed with hesitation.

After all, Connor couldn’t expose his identity to Freya yet. If he followed Freya back to her hometown, he would only be a poor loser in the eyes of the Phillips Family.

Connor was already very happy that Freya would invite him despite his status.

However, he didn't want Freya to embarrass herself because of his identity, so he hesitated for a moment before saying softly, "Since this is your family's gathering, isn't it a little inappropriate for me to go?"

"You're my fiance. Sooner or later, you'll have to meet my family. Moreover, everyone in the family knows that I already have a fiance."

Freya said slowly.

"Alright then, I'll go back with you when the time comes!"

Connor saw that Freya was determined to have him go back with her. It didn't seem good to turn her down, so he could only bite the bullet and agree.

"I should be going back to my hometown the day after tomorrow. Can I get someone to pick you up then?"

Freya hurriedly said when she saw that Connor had agreed.

"There's no need to go through so much trouble. Where's your house? I can go there myself!"

Connor replied indifferently.

"That's fine too. My house is in the Phillips Estate. Have you heard of this place?" Freya asked Connor softly.

"I've heard of it. That place shouldn't be very far from Porthampton. I'll just take a car there!"

Connor nodded and said.

“Alright, it’s settled then. I’ll get you when you arrive!”

Freya looked at Connor and smiled faintly.

When Connor saw the smile on Freya’s face, he felt a mix of emotions.

According to what Freya had just said, her grandfather’s 90th birthday should be attended by many friends and family.

As for Connor, he would appear as Freya’s fiance. At that time, the Phillips Family would definitely look down on him, so Connor was worried that he would encounter problems!

If the woman sitting in front of Connor wasn’t Freya and was someone else, then Connor wouldn’t have to worry so much. If he was at the end of the road, he would reveal his identity.

As long as Connor revealed his identity, then there was nothing that could not be resolved.

However, of all people she had to be Freya. It was a little difficult to handle.

“Oh, Connor, what do you plan to do after graduation?”

Just as Connor was deep in his thoughts, Freya asked him this question.

“What do I plan to do after graduation?”

When Connor heard Freya’s words, he could not help but be stunned for a moment. A trace of confusion flashed across his eyes.

Before inheriting the old chairman’s inheritance, Connor did have some plans for his future.

He planned to find a decent job after graduation, then work hard to save money to buy a house of his own in Porthampton, and then marry Mandy Hines.

However, because of windfall of ten trillion in inheritance, Connor was not short of money now.

Mandy had also betrayed him because of money, so Connor really didn't know what he wanted to do after graduation.

"I haven't thought about what I want to do in the future..."

Connor looked at Freya and replied awkwardly.

"If you haven't thought about what you want to do, how about you come work in my company after you graduate? The two of us can run this cosmetics company together. The money we earn should be enough for the two of us to live for a lifetime!" Freya smiled at Connor.

Connor looked at the beautiful woman in front of him, and a hint of emotion appeared in his eyes. He didn't think that Freya would have already planned their future.

Connor had never thought of these things.

Therefore, Connor felt a little guilty. Freya cared so much about him, but he had been hiding his identity.

Connor felt that it was a blessing from his past life to be able to meet a woman like Freya.

In this materialistic society, it was rare to find a woman who could be so loyal to you and not complain that you were poor or incompetent.

"If I tell you now that I'm actually really wealthy, how will you react?"

Connor hesitated for a moment before asking Freya softly..

Chapter 234:I Want to Compete with You for Freya Phillips

“You’re really wealthy?”

Hearing Connor’s words, Freya could not help but be stunned for a moment. A hint of confusion flashed past her eyes.

“That’s right. If I were a wealthy second-generation heir and had so much money that I couldn’t spend it all, what would your reaction be?”

Connor repeated jokingly.

The reason why Connor said this to Freya was mainly to test what kind of reaction she would have if she knew his true identity.

“Why are you asking me such a question?”

Freya asked in confusion.

“I’m just a little curious and wanted to ask you!” Connor smiled and said.

“If you’re a wealthy second-generation heir, then it means that you’ve been lying to me, so I definitely won’t forgive you!”

Freya replied seriously.

When Connor heard Freya’s answer, he was instantly stunned.

He didn't expect Freya to be so straightforward. Usually, if a guy pretended to be a rich kid in front of a girl and was exposed, the girl would choose to break up with him.

However, if the situation was reversed and a rich second-generation heir pretended to be a poor loser, if the girl found out the truth, she would not choose to break up. Instead, she would be very surprised and continue to live with the rich second-generation heir.

However, Freya's answer was the opposite. Even though Connor was a rich second-generation heir, Freya still would not forgive him.

Connor felt that Freya's answer was too unbelievable.

"If I really were a wealthy second-generation heir, you would still choose to break up with me, right?"

Connor looked at Freya and asked.

"That's right. I don't care if you're a rich second-generation heir or not. As long as you lie to me, I won't forgive you!"

Freya said firmly to Connor.

After hearing Freya's words, Connor's face crumbled. After all, he couldn't hide it from her forever.

However, if Freya found out that he had been lying to her, things would become even more troublesome.

Therefore, Connor started to feel troubled. He started to think about how he should explain his identity to Freya in the future.

"Are you really a rich second-generation heir?"

Freya hesitated for a moment before asking Connor softly.

“Do you think I look like a rich second-generation heir?”

Connor replied with a smile.

“When you invited Thomas Morgan to our company, I did suspect your identity. After all, not everyone can find someone like him. But still, I didn’t think that you were a rich second-generation heir. If you were really a rich second-generation heir, you wouldn’t have asked me for living expenses every month!”

Freya said slowly.

Connor looked at Freya and smiled lightly, not saying anything.

At this moment, his mind was filled with thoughts of how he should explain everything to Freya in the future.

“If you don’t want to work in my company, I can give you some money and let you do something yourself!”

Freya saw that Connor did not say anything and thought that her words had hurt his pride, so she quickly changed the topic.

“It’s okay. I think it’s good to work in your company. I’ll run Freya Cosmetics with you then!”

Connor looked at Freya and said.

“Okay!”

Freya hurriedly nodded and started eating.

Meanwhile, Connor looked at Freya dotingly. Only now did Connor realize that he might have really fallen in love with Freya!

When Connor first met Freya, he thought that she was very beautiful but did not have any feelings for her. He wanted to marry her only to successfully inherit the ten-trillion-dollar inheritance.

That was why Connor restrained his desires and did not fall for other women.

However, when Connor saw Freya's attitude toward him, he felt a little irritated because he didn't know how to explain these things to Freya in the future.

In the blink of an eye, half an hour had passed.

Freya left the restaurant after eating with Connor.

Connor ate this meal in fear. First, Yelena's sudden appearance gave him a fright. Then, what Freya said to him made Connor very worried.

However, after thinking about it, Connor realized that he couldn't expose his identity to Freya yet, so there was no point in thinking about it.

There would be a way to solve this problem in the future.

After Connor and Freya left Cloverville, Connor drove Freya back to the company before leaving the company alone.

After leaving Freya's company, Connor subconsciously took out his phone to take a look. When he looked at his phone, he suddenly remembered the Facebook message Yelena had sent him.

There was only one sentence in the Facebook message!

“Connor, I’m ready to compete with you for Freya Phillips!”

Connor did not understand what Yelena meant. After hesitating for a moment, he dialed Yelena’s number.

“Ring, ring...”

The phone rang twice before Yelena picked up.

“Hello?”

Yelena’s sexy voice sounded.

“What did you mean by that message you sent me?”

Connor frowned and asked in confusion.

“What else can it mean? I meant it in the literal sense!”

Yelena said lightly.

“The literal sense? What do you mean you want to compete with me for Freya Phillips? What do you want?”

Connor said in frustration. He realized that Yelena was really strange. No matter what she did, it would make people feel confused.

“Have you forgotten who I am?”

Yelena said with a smile.

“Who are you?”

Connor was stunned for a moment and asked.

“Have you forgotten that I’m a lesbian?”

Yelena said with a smile.

“You...”

When Connor heard Yelena’s words, he suddenly realized what was going on!

Yelena had said that she wanted to compete with Connor for Freya because Yelena had fallen in love with her!

“Yelena, can you stop joking with me? Isn’t your lesbian identity fake? It’s an excuse you made up to reject your pursuers, right?”

Connor shouted helplessly into the phone.

“Who said I’m not lesbian?”

Yelena smiled faintly and continued, “Connor, let me tell you the truth. Actually, I’m bisexual. Sometimes, I like men, and sometimes, I like women. Now that I’ve fallen in love with your fiancée, what should I do?”

“If you like her, then pursue her. Freya won’t be with you anyway!”

Connor really couldn't figure out what Yelena was trying to do, so he replied impatiently and was about to hang up.

"Aren't you afraid that I'll harass your fiancée?"

Yelena did not expect Connor to act like this and quickly asked.

"Whatever!"

Connor shouted helplessly before hanging up.

He felt that Yelena was joking with him. Although Yelena had always said that she was lesbian, based on Connor's observation, other than her strange personality, she was very normal in other aspects. She did not look like a homosexual at all.

And even if Yelena was a lesbian, Freya was not, so Connor was not worried that Yelena would snatch her away.

On the other side.

When Yelena saw that Connor had hung up, a trace of anger flashed across her face. She pouted and said, "Connor, just you wait.. Even if I don't snatch Freya from you, I'll ruin the two of you!"

Chapter 235: Fairy Lake Resort

At six o'clock in the evening.

Connor took a taxi to the Fairy Lake Resort.

The Fairy Lake Resort was a very famous resort in Porthampton. It included an open-air hot spring, an amusement park, a KTV, a nightclub, and several entertainment venues.

The cost of entertainment in the Fairy Lake Resort was also very high. Just a ticket cost 2,000 dollars.

If they wanted to stay in the resort for a few days, they would have to spend at least 100,000 dollars, so this place was not a place ordinary people could come to.

When Connor first came to Porthampton to study in university, he had heard his classmates talk about this resort.

However, at that time, Connor was just a poor loser who delivered food. He never thought that he would one day become the owner of this villa.

That's right, this Fairy Lake Resort was also one of Connor's properties.

At this moment, the outside of the Fairy Lake Resort was already filled with luxury cars that were rarely seen. The cheapest of these luxury cars cost more than five million dollars, and the more expensive ones even cost more than ten million dollars.

After Connor got out of the car, he observed the situation outside the Fairy Lake Resort. Two white pillars stood at the entrance of the resort, and there was a musical fountain in front of it. Behind it was a large, lush forest. The entire resort seemed to be in a green misty sea of clouds, looking extremely spectacular.

If it was the previous Connor, he would definitely be very excited to be able to come to such a magnificent place. However, at this moment, Connor was no longer interested in these things.

"Hello, sir. Please show me your ticket!"

Just as Connor reached the gate of the resort, two security guards in black uniforms stopped him and said him expressionlessly.

"Entrance tickets?"

When Connor heard this, he was stunned for a moment and asked in a puzzled tone.

“I’m sorry, sir. You can’t enter the resort without a ticket!”

The security guard replied with a disdainful tone.

After all, Connor was dressed a little shabbily and did not look like a rich person. That was why the security guards stopped Connor from entering.

If it was a big shot, these two security guards would have long bowed down and welcomed him in.

“Haha...”

Connor looked at the two security guards and smiled. He knew that these two people looked down on him, but Connor didn’t make things difficult for them. Instead, he took out his phone and dialed Thomas Morgan’s number.

“Mr. McDonald!”

Thomas quickly picked up the call.

“I’m already at the entrance of the Fairy Lake Resort. Get someone to pick me up!”

Connor said slowly.

“Alright, I’ll send someone to pick you up now!”

Thomas quickly replied.

Connor didn’t say anything else and hung up the phone.

The two security guards at the door looked at Connor with a surprised expression. They could feel from Connor's tone that Connor's identity might not be ordinary, but no matter how they looked at him, they could not tell that Connor was a rich second-generation heir.

"Connor?"

Just as Connor was waiting for Thomas's men to come and get him, a very familiar voice came from behind him.

Connor heard someone calling his name and quickly turned his head to take a look.

Fie realized that the person who called him was Maya Phillips.

Although Connor had a good impression of Freya, he did not have a good impression of Maya. Therefore, Connor did not have any intention of talking to her!

"Connor, what are you doing here?"

Maya had friends with her, and they approached Connor as she asked with a puzzled expression.

After all, the Fairy Lake Resort was a high-end resort. Ordinary people did not have the money to spend in such a place. That was why Maya was so surprised to see Connor.

"Why are you here?"

Connor didn't answer Maya's question but asked her back instead.

"I'm here with my friends to have some fun!"

Maya replied with a pout.

“Who is this person?”

“I don’t know. Maya, why do you know such a loser?”

“Yeah, look at what he’s wearing. He looks like a poor loser. How dare you come to such a place? You’re really shameless...”

At this moment, the beautiful girls beside Maya were also sizing Connor up. However, when they saw Connor’s shabby appearance, they all lost interest in him and began to discuss in low voices.

“Connor, what are you doing here?”

Maya shouted after answering Connor’s question.

“I’m also here to have some fun!”

Connor replied indifferently.

“You’re here to have some fun too?”

After hearing Connor’s words, Maya could not help but be stunned for a moment. Then, she said in a disdainful tone, “Connor, can you stop bragging? Do you even have the money to spend in this place? You’re here to be a waiter, right?”

In Maya’s eyes, Connor, whose living expenses were provided by Freya, would not have the money to come to such a place?

“It’s none of your business whether I have the money or not.”

Connor didn't want to waste his breath on Maya, so he walked straight ahead.

"You..."

Maya's eyes flashed with anger.

"Maya, who is this person?"

"Yeah, Maya, how do you know such a person?"

Maya's friends gathered around her after Connor left and asked in confusion.

"This person is my cousin's fiance!"

Maya replied expressionlessly.

When Maya's friends heard her words, their mouths were wide open, and their faces were filled with shock.

"Maya, you're not joking with us, are you? This loser is your cousin's fiance?"

"Yeah. How could your cousin like such a person? Your cousin is famous for being fair, rich, and beautiful in Porthampton!"

"Maya, you must be lying to us, right? This person is definitely not your cousin's fiance!"

When Maya's friends heard what she said, they were all shocked as they exclaimed one after another.

Freya was famous for being fair, rich, and beautiful in Porthampton. When she was in school, many rich second-generation heirs pursued her, but she rejected them all.

Maya's friends were all children of the rich in Porthampton, so they had naturally heard of Freya.

That was why they were so shocked when they heard that Connor was Freya's fiancee..

Chapter 236: The Banquet's VIP

"Why would I lie to you?"

Maya pouted and said in a bad mood, "This Connor really is my cousin's fiancee!"

"Why would your cousin get such a person to be her fiancee? Other than his good looks, he doesn't have any other good points, alright? What is your cousin thinking?" Maya's friend quickly asked.

"Actually, Connor is just a little poor. In other aspects, he is quite good!"

For some reason, Maya, who had always looked down on Connor, actually put in a good word for him. Perhaps it was because Connor had helped Freya find an investor for her company last time that her impression of Connor had changed subtly.

However, this still did not change the fact that Maya thought that Connor was a poor loser. She just did not think that he was that annoying anymore.

"I don't see what's good about him. The Immortal Lake Manor is closed today, but he's still trying to go in. There must be something wrong with his brain!" Maya's friend said with a pout.

"That's right. There's a company banquet at the Immortal Lake Manor today. Why would he go in?"

Maya only reacted when she heard this. She quickly shouted in Connor's general direction. "Connor, Immortal Lake Manor is holding a company banquet today. Ordinary guests have been chased out, so you can't enter!"

Maya thought that Connor was going to buy tickets, so she kindly reminded him of this fact.

Although she didn't think that Connor would come here to spend money, Connor should still be able to afford a ticket that cost a few thousand yuan.

Connor turned to look at Maya and said lightly, "Just because you two can't enter doesn't mean that I can't!"

"You..."

Maya glared fiercely at Connor and was instantly speechless. She then scolded loudly, "You really don't know what's good for you!"

Maya had wanted to remind Connor out of kindness that the manor was no longer receiving guests, but she did not expect Connor to say something like that. Maya was naturally very angry.

"Maya, it seems that your cousin's fiance is not only poor, but also likes to act cool! The staff inside said that there would be a company banquet at the resort today, so all the famous CEOs in Porthampton would be there. Other than then, no one can enter at all. But this kid actually said that he could enter. This is too funny!"

A girl who was not on good terms with Maya could not help but mock her softly.

"That's right, this kid is definitely posturing! If he could really enter, it means that he's a waiter at the resort. Otherwise, he would definitely not be able to enter!" another girl added.

"There is a second possibility. Perhaps this kid is the distinguished guest that the Immortal Lake Manor is preparing to receive!" The girl beside Maya said in a strange tone.

"Hahaha..."

When the surrounding girls heard this, they immediately burst out laughing with disdain on their faces.

Obviously, they all felt that Connor was not a VIP of the Immortal Lake Manor, so they all treated this as a joke.

After Maya heard everyone's mocking laughter, she suddenly felt very uncomfortable. She felt that these people were not only mocking Connor, but also Freya and even herself.

"This damned Connor, why do I run into him everywhere I go? What a nuisance!" Maya couldn't help but curse in her heart. Then, she turned her head and shouted at her friend beside her, "Alright, stop laughing. Let's go!"

When everyone saw that Maya seemed to be a little angry, they all stopped laughing and walked towards the roadside.

Meanwhile, Connor stood at the door and waited quietly for Thomas's men to come and welcome him. His expression was very relaxed; the whole of the Immortal Lake Manor belonged to him.

"Young Master McDonald!"

Connor waited for two minutes before a middle-aged man in a black suit ran out of the manor with a flustered expression.

Connor turned his head and looked at the middle-aged man indifferently.

"Young Master McDonald, I'm really sorry. I was delayed by something just now, so I came a little late. I hope you won't hold it against me and don't lower yourself to my level!"

The middle-aged man explained to Connor respectfully.

When the two security guards at the door heard the middle-aged man's words, their eyes widened in disbelief. This was because they knew that the man who had appeared here was none other than the general manager of the Immortal Lake Resort, Titus Jenkins.

Even when the deputy mayor of Porthampton came to inspect, Titus wasn't nearly as nervous. However, when he faced a poor loser who looked a little shabby, he actually showed such a panicked expression. The security guard felt that everything was unbelievable.

Connor sized up the middle-aged man and asked indifferently. "You are the person in charge of the Immortal Lake Manor?"

"Yes, yes! My name is Titus, and I'm now the general manager of Immortal Lake Manor!" the middle-aged man replied respectfully.

"Oh, I see!" Connor nodded his head lightly and didn't say anything.

"Young Master McDonald, it's too hot outside. Let's go inside and talk!" At this moment, Titus was very respectful to Connor. When he spoke to Connor, he was half-bent over in a bow.

"Yes!"

Connor didn't argue with Titus about his tardiness. After all, he'd called Thomas Morgan only when he arrived here, so it was normal for Titus to be late.

"Young Master McDonald, this way please!" Titus called out respectfully, then led Connor into the Immortal Lake Manor.

On the other side, Maya and her friend were standing by the roadside, waiting for a taxi to arrive.

At that moment, a girl suddenly shouted at Maya. "Maya, your cousin's fiance seems to have really entered the manor!"

When Maya heard this, she quickly turned around and saw Connor and Titus walking into the manor.

When she saw this, her mouth dropped open and she couldn't help but exclaim, "Connor actually went in?"

When the others saw Connor walk into the manor, they all revealed shocked expressions, their eyes filled with surprise.

Just now, the staff of the Immortal Lake Manor had said that there was an important banquet to be held today, so they'd chased all the tourists out of the manor. Maya and the others happened to be among the ones who were chased out.

And yet, at this moment, Connor could actually enter the Immortal Lake Manor.. Could he really be the VIP of this banquet?

Chapter 237: A Gift for You

"Maya, who is your cousin's fiance? Why was he able to enter? Could he really be a distinguished guest of the Immortal Lake Manor?" Maya's friend asked softly.

"I don't know either..."

Maya shook her head in a daze. If it was before, she would never believe that a poor loser like Connor could enter the Immortal Lake Manor. However, after the last incident, Maya's opinion of Connor had changed slightly.

She felt that Connor might not be as bad as she thought. Maybe he wasn't just an ordinary poor student.

At this moment, a girl stood up and shouted, "How could such a loser be a VIP of the Immortal Lake Manor? He must have come to the Immortal Lake Manor to work. Wouldn't it be normal for a waiter to enter the manor?"

When everyone heard the girl's words, they were all stunned.

“I think Yenny’s right. Look at the clothes that kid is wearing how can he be a VIP of the Immortal Lake Manor? If he was really a VIP guest here, he would have to dress up a little before coming!”

“Yes, he must be the waiter here!” The other girls also agreed.

Maya was a little suspicious because she didn’t know what was going on. Logically, Connor couldn’t be a VIP at Immortal Lake Manor, but Maya felt that now that Freya was giving Connor 20,000 dollars of living expenses every month, Connor probably wouldn’t be working as a waiter at such a place!

“This person is definitely not a waiter here! ”

At this moment, Maya s friend suddenly shouted.

When everyone heard her words, they all focused their gazes on the girl, and their expressions were somewhat puzzled.

“How do you know that Connor isn’t a waiter here?”

Maya hesitated for a moment before asking the girl softly.

“Maya, do you know who the person who brought Connor into the Manor was?” the girl replied excitedly.

“Who is it?” Maya asked.

“That person is the general manager of Immortal Lake Manor, Titus Jenkins!”

Hearing this, everyone was stunned on the spot, and their expressions were incredulous.

If Connor really came here to work, why would the general manager of Immortal Lake Manor come out to welcome him personally?

Even a fool could understand this!

The girl looked at Maya and continued. "The person who brought Connor into the Manor just now is the general manager of the Immortal Lake Manor. Not only that, did you see how the manager spoke to Connor? He was very respectful. This means that Connor is definitely not here to work. Why would the general manager be so respectful to a waiter?"

Maya looked at the backs of Connor and Titus, and her eyes flashed with confusion.

The girls who had mocked Connor before also shut their mouths and stopped talking. They knew that what the girl said just now was very reasonable!

"Could it be that Connor is really a distinguished guest?"

"This is impossible. How could he be a VIP?"<sup>1</sup>

"Yeah, look at how poor he is. I can still believe that he is a waiter at Immortal Lake Manor, but isn't it too unbelievable for him to be a VIP?"

A few girls seemed to be a little unwilling to give up and discussed this among themselves.

"Whether Connor is a VIP here or not, I'll go in and ask!" Maya said with a frown, then directly walked towards the entrance of the Immortal Lake Manor.

Maya's friends were also very curious about Connor's identity, so they all followed Maya.

However, by the time they ran to the door, Connor and Titus had already disappeared.

Maya wanted to break into the manor, but the two security guards at the door reached out and stopped her. Then, they said expressionlessly, "Miss, I'm sorry. Our Manor is closed for business today. You can't enter!"

"Why can't we go in? Even that loser just now went in!" The girl behind Maya shouted.

The security guard couldn't help but laugh when he heard the girl's words. Then, he said indifferently, "That gentleman just now is a distinguished guest of our Manor. Are you?"

"Geh!"

Maya and the others were all dumbfounded when they heard the security guard's words. Their expressions were extremely incredulous. They had never thought that Connor was actually a VIP!

"This... How is this possible? Connor...Connor is really a VIP of the Immortal Lake Manor?" Maya stood rooted to the ground with a dazed expression and sighed in shock.

However, Maya didn't know that not only was Connor a VIP of the Immortal Lake Manor, but also the manor's owner!

On the other side, Connor walked into the Immortal Lake Manor while following Titus's lead.

After entering the Manor, Titus had been informing him of the situation inside.

At this moment, the manor was empty, so the environment was very quiet. The entire manor felt like it was being clouded in a white fog. Although the faint smell of grass and trees could not be seen or touched, the atmosphere surrounded Connor and soothed him.

Walking in the Immortal Lake Manor, Connor found that other than the huge lake, there were many magnificent buildings.

The main business projects of the manor were not only hot springs, but also a series of entertainment venues such as hotels and casinos. At the front was the Immortal Lake Hotel, and behind the hotel were the hot springs. Behind the hot springs was the Immortal Lake Manor, which was known as a man's paradise.

It was said that this Immortal Lake Manor was the most profitable outlet in the area. As long as you had money, you could enjoy all kinds of services in this manor. There was nothing that the Immortal Lake Manor couldn't provide!

After Tirus introduced the situation in the Manor, he smiled at Connor and said, "Young Master McDonald, I knew you were coming today, so I specially prepared a gift for you!"

"A gift?" Connor couldn't help but laugh when he heard Tirus's words.

Now, the entire Immortal Lake Manor belonged to him, and yet Tirus actually prepared a gift for him here?

"Yes, this is my first time meeting you. This is the greeting gift I prepared for you!" Tirus replied with a smile.

Connor hesitated for a moment before asking, "What kind of gift?"

"Young Master McDonald, you'll know in a moment. This way, please!" Tirus replied with a mysterious look on his face. Then, he directly led Connor forward.

Connor glanced at Tirus indifferently and didn't say anything. He just followed Tirus and walked forward..

Chapter 238: Beautiful Women in the Welcoming Lake

Inside the Immortal Lake Manor, Connor followed behind Tirus and walked towards the innermost part of the manor.

Along the way, Connor saw all kinds of beautiful waitresses. They were top-notch in both their figure and appearance. They were not something that the girls in the school could compare to.

Moreover, these waiters were all wearing high-cut cheongsam dresses. The cheongsams wrapped around the seductive curves of their hips, revealing pairs of slender and fair legs. Every frown and smile was filled with seductive charm.

Seeing such an ambiguous scene was very tempting for a little virgin like Connor.

Therefore, when Connor passed by these beautiful waitresses, he could not help but take a few more glances.

When Titus saw that Connor was interested in these beautiful waitresses, the smile on his face became even brighter.

And Connor also found that the more he walked in the direction of Immortal Lake Manor, the higher the quality of the service staff.

“No wonder everyone says that the Immortal Lake Manor is a man’s paradise. It seems that it’s true!” Connor could not help but think.

At this moment, Titus suddenly stopped and said to Connor with a smile, “Young Master McDonald, we’ve arrived!”

When Connor heard Titus’s words, he couldn’t help but be stunned. He looked up and found himself standing in front of a red door.

On the door was written, “Welcoming Lake.”

Connor turned his head and looked at Titus. He asked Titus with some doubt, “This is the gift you prepared for me?”

“That’s right, Young Master McDonald. The gift I prepared for you is inside. After you enter, you can do whatever you want. There’s no need to be restrained!”

After saying this, Titus winked at Connor with a knowing expression. Connor was dumbfounded by Titus’s words. He didn’t know what Titus was planning.

“In order not to disturb your elegant mood, I will leave first. If you have any instructions, you can ask the waiter inside to call me!”

Titus thought that Connor was a little embarrassed, so he tactfully prepared to leave.

“No, I...”

Connor opened his mouth and was about to speak.

Titus quickly turned around and interrupted him. “Young Master McDonald, I forgot to tell you just now. I have prepared a room for you. If you like anything later, just bring it to the room!”

After saying this, Titus hurriedly walked into the distance with a smug smile on his face.

After Connor saw Titus leave just like that, he was speechless. After hesitating for a moment, he reached out and pushed open the door, then walked into the Welcoming Lake.

However, when Connor entered the lake, he was completely stunned. The expression on his face was one of incredulity.

This was because this so-called Welcoming Lake was actually a huge hot spring pool.

However, this was not the main point. The main point was that there were actually more than twenty beauties with different figures and hairstyles in the Welcoming Lake.

These beautiful women were all wearing sexy swimsuits, which perfectly accentuated their proud figures. Connor almost couldn't take his eyes off them.

"This... Is this the gift that Titus prepared for me?"

Connor sighed with a broken expression. Only now did Connor understand why Titus had such an expression when he spoke just now. So this was what he meant!

As the general manager of the Immortal Lake Manor, Titus would receive all kinds of guests every day. Faced with the strange interest of these guests, he knew that there was one thing in this world that could satisfy the needs of all men, and that was beauty!

Therefore, in order to please Connor, Titus began to look all over the country for beautiful women with excellent personalities and looks even before he'd ever learned that the manor was going to hold this banquet. He also carried out a series of training regimens for these beautiful women to ensure that they could serve Connor well in bed.

Connor was probably the only person in Oprana who could enjoy such a grand treatment!

Moreover, in order to prevent others from disturbing Connor, Titus had deliberately chased all the tourists out of the Immortal Lake Manor. This was also the reason why Maya and the others were suddenly chased out.

Titus had spent so much time and effort in preparation for this, so when he saw that Connor was interested in the beautiful waiters in the manor, he was more certain that Connor would like the gift he'd prepared.

At the lake, more than twenty curvy and thin beauties were huddled together. Some were swimming, while others were chatting on the bench in bikinis.

Connor stood foolishly at the door, looking at the beauties in the Welcoming Lake, his breathing clearly becoming hurried.

To be honest, such a scene was indeed very tempting and exciting for a virgin like Connor. It probably wasn't just him; as long as it was a man with a healthy libido, he would probably not be able to control himself when seeing such a scene.

However, Connor knew that his relationship with Freya was currently on the rise. He would definitely not do anything to let her down at this time.

"This Titus!"

Connor shook his head helplessly and sighed softly. Then, he turned around and prepared to leave.

However, the waiter in uniform suddenly handed the wine tray in his hand to Connor and shouted at the top of his voice, "You're new, right? Help me give this glass of red wine to Miss Sara. Be quick!"

When Connor heard the waiter's words, he could not help but be stunned for a moment. Then, he opened his mouth to explain, but—

"What are you waiting for? Didn't you hear me? Be careful lest ATiss Sara deals with you later!" The waiter didn't give Connor any chance to explain himself. He simply shouted sternly and handed the wine tray to Connor.

Connor subconsciously took over the wine tray and could not help but laugh bitterly in his heart. However, he did not bother refusing, and instead, he walked toward a beautiful woman in a red bikini with the tray in hand.

"What are you doing? It took such a long time to send it over?" When the beautiful woman saw Connor walking over slowly, she shouted angrily.

"That's right. What's wrong with you, waiter? Do you still want to work?"

"Are you new here? Why aren't you wearing your work clothes? What kind of tattered clothes are you wearing?"

“Quickly put the wine down for Sara and get out. Don’t let us see you. I feel disgusted when I see a loser like you!”

The other girls around the beauty also started to curse at Connor, their expressions extremely disdainful.

After all, these women were all invited by Titus to serve the boss of the Immortal Lake Manor, so they naturally had to be arrogant. Usually, they were also bossy to the waiters here. Bullying and insulting were also very common amongst them.

Connor couldn’t help but frown when he heard the words of these so-called beauties. A trace of anger flashed across his eyes..

Chapter 239: You Don’t Know Young Master McDonald?

“What are you still standing there for? Didn’t you hear me asking you to get lost?”

One of the beauties saw Connor standing there and scolded him with a disdainful expression.

Connor held the wine tray with a furious expression on his face. He couldn’t help but wonder what kind of trash Titus had found for him!

If he really had something to do with them, he might cause some trouble in the future.

Although he was angry, Connor did not say anything; a good man would not fight with a woman. He did not want to lower himself to their level.

Therefore, after Connor put down the wine plate in his hand, he turned around tried to leave.

“Hey, why did you leave? Did Sara say you could go?”

When everyone saw that Connor was about to leave, they hurriedly shouted out. Connor did not pay any attention to these women and directly walked towards the entrance of the Welcoming Lake.

He felt that these women were just a little snobbish. He did not have any deep hatred for them, so there was no need to make things difficult for them.

After a while, Connor arrived at the entrance of the Welcoming Lake. Then, he stretched out his hand and gently pushed the door.

However, he expected the door to be locked from the outside.

Needless to say, this was definitely done by Titus.

Connor sighed helplessly. He felt that Titus was being kind, so he didn't get angry. Instead, he got a chair beside the hot spring and sat down.

Although these women didn't give Connor a good impression, their figures and looks were still very good, so it was quite pleasant to sit here and watch the beautiful women play.

Anyway, there were still two hours before the banquet started. Even if Connor went out, there was nothing to do.

It had to be said that Titus had put in a lot of effort to prepare this gift for Connor; all kinds of beautiful women were gathered here, whether it be a tall and sexy lady, or a petite and cute girl. Whether you liked big breasts or long legs, or long hair or short hair, you could find any kind of beauty here.

Connor even saw a famous second-tier celebrity in the country, and there were even some blonde foreign girl mixed in. As far as the eye could see, it was a scene of orioles and swallows. When listening to the sounds of beautiful women playing around, it was enough to make one's imagination run wild!

Such a scene was simply something that Connor did not even dare to dream of. It had to be said that the lives of rich people were so colorful!

Connor leisurely sat on the chair, admiring the hot bodies of the beauties. His heart was also very satisfied. Even if he couldn't touch them, he could at least look at them, right?

However, at this moment, the few beauties beside Connor seemed to have noticed his existence.

“Why hasn’t this kid left yet? What is he trying to do?”

“That’s right. Did he come in specially to peek at us? Look at his lecherous appearance, it’s so disgusting!”

“No way. Isn’t this kid a waiter at the Welcoming Lake? The others shouldn’t be able to enter!”

“If he’s a waiter, why isn’t he wearing his work clothes? Moreover, he was sitting here and slacking off so openly. Isn’t he afraid that President Jenkins will fire him if he saw it?”

“Maybe he’s new here and doesn’t know the rules here. If President Jenkins sees this, he’ll be punished!”

“I think this kid is a pervert. He has been staring at us. We are here to serve Young Master McDonald.”

A few girls looked in Connor’s direction and began to discuss in low voices.

After Connor heard what they were saying, a trace of helplessness flashed across his eyes.

He was the Young Master McDonald that they were talking about. Weren’t they dressed like this just for him?

“I wonder when Young Master McDonald will come. We’ve been waiting here for a few days!”

At this moment, a beautiful woman sat up from the recliner and could not help but sigh softly.

“It’s useless to think so much. Even if Young Master McDonald really comes, he might not like us. We just need to get the money we deserve!” another beauty said.

“That’s true. I heard that as long as Young Master McDonald takes a fancy to a woman, President Jenkins will reward her with five million dollars!”

The beauty replied excitedly, then continued, “Just by sleeping with Young Master McDonald, you can get five million. This is simply a good thing that fell from the sky! Not only can you have fun once, but you can also get money...” “Aren’t you too short-sighted? If she really caught Young Master McDonald’s eye, it would not be just five million dollars—she might even be able to marry into a wealthy family. At that time, she would really enjoy life!”

At this moment, a beautiful woman could not help but sigh and say in disappointment, “It’s a pity that Young Master McDonald definitely won’t take a fancy to us. Even if he does, he’ll only go for Sara and Harriet. We can only suck up to them!”

“Then we have to put on a good performance. What if Young Master McDonald really takes a fancy to me? I don’t believe that he won’t be tempted by my good figure,” another beautiful woman said as she straightened her chest and made a sexy pose.

When Connor heard this, he couldn’t help but turn to look at the beautiful woman.

“What are you looking at? Do you believe that I will blind you?” The beauty happened to see Connor’s gaze and scolded him in a very fierce tone.

H ii

When Connor heard this, he smiled awkwardly and looked away.

“Forget about you, I don’t think Harriet’s boobs will be anything in Young Master McDonald’s eyes. After all, he’s probably seen all kinds of beautiful women already,” a woman in a bikini said faintly.

“That’s true!”

When everyone heard this, their expressions immediately became disappointed.

They felt that a rich second-generation heir like Young Master McDonald should not be lacking in women at all, so if they relied solely on their looks, it probably wasn't enough to make Connor fall in love.

At this moment, a sweet-looking girl hesitated for a moment and asked softly, "Faye, who is this Young Master McDonald that you are talking about?" "Willow, don't tell me you don't even know who Young Master McDonald?" Everyone was stunned when they heard what the girl said.

"I... I'm not very sure. President Jenkins didn't tell me these things when he asked me to come here!" the little beauty replied shyly.

"Oh my god, you don't even know who Young Master McDonald is?" When the beauties in the Welcoming Lake heard this, they all revealed shocked expressions.

Connor also turned his head to look at these beauties. In fact, he was also very curious about what they would say about him..

Chapter 240: Different From Other Gold Diggers

Within the Welcoming Lake, a few hot beauties were sitting on the recliner chairs and discussing Connor's identity in low voices.

"As far as I know, this Young Master McDonald seems to be the owner of the Immortal Lake Manor!" the beautiful lady named Faye whispered to the other beauties.

When everyone heard this, they shouted in disbelief.

"Faye, is what you said true? Does Young Master McDonald really have sole ownership over such a huge manor?"

“What’s the big deal about the Immortal Lake Manor? I also heard that most of the major companies in the country are actually under Young Master McDonald. Not only that, the Empire World Corporation in Porthampton, as well as Thomas Morgan, Kyle Hayes, and the others, are also all under Young Master McDonald!” Faye continued.

A trace of shock flashed across everyone’s eyes again. After all, in their eyes, being able to become the boss of the Immortal Lake Manor was already an incredible thing.

However, they didn’t expect that Young Master McDonald was not only the boss of the Immortal Lake Manor, but also the boss of Thomas Morgan, Kyle Hayes, and people like them.

Thomas Morgan and Kyle Hayes were very famous in Porthampton City.

If even such big shots were under Young Master McDonald, then how terrifying would the man himself be? No one dared to imagine it.

Faye turned her head and asked the little beauty, “Willow, since you don’t know who Young Master McDonald is, why are you here?”

“When President Jenkins called me over, he said that I only need to stay here for a few days. As long as I can complete the mission, I can get 500,000 dollars!” The beauty called Willow said timidly to everyone.

“Then do you know what this place is for?” Faye asked speechlessly.

Willow shook her head. “I don’t know. I thought I was here to put on a swimsuit and pose!”

“Getting 500,000 dollars just by posing in a swimsuit...How can you be so optimistic?”

Faye couldn’t help but roll her eyes at Willow. Then, she said indifferently, “I’m telling you, we’re here to serve Young Master McDonald. I think he’ll be here soon. At that time, he will pick a few of us that he likes and take them away. The rest of us will get 500,000 dollars, and the ones that Young Master McDonald chooses will get five million dollars!”

“Five million!”

When Willow heard this number, she couldn't help but suck in a breath of cold air. Then, she said in a low voice, “It would be great if Young Master McDonald took a fancy to me. Then, I wouldn't have to worry about my mother's surgery fees...”

“Stop dreaming. For people like us, getting that 500,000 dollars is already a great deal,” Faye replied dismissively. Then, she lay down on the recliner in a seductive posture and said, “I wonder what Young Master McDonald looks like. If he's handsome, I'll be willing to sleep with him for a night even if he doesn't give me that five million dollars. If he's ugly, then forget it. It's my first time...”

“You little rascal, are you starting to get excited when you think of Young Master McDonald?”

“Get lost. I'm not. I think you're the one who's aroused?”

“Hahaha...”

The few beauties teased and laughed coquettishly. The scene was very erotic.

After Connor heard the conversation between these beauties, he was speechless. He didn't expect these girls to be so open-minded.

However, the beauty called Willow attracted Connor's interest because Connor felt that she seemed to be different from other gold diggers.

The reason why she came here this time was not to curry favor with him, but to raise money for her mother's surgery fees.

“Harriet is out. Let's go over to her quickly!” Faye shouted at this moment. She quickly got up and ran towards the pool.

When the other beauties heard this, they also ran over.

Connor instinctively looked up and saw a woman with a hot figure, fair skin, and exquisite looks walking out of the pool.

The woman was wearing a pink bikini swimsuit. Her figure was sexy and hot. She had an oval-shaped face without any makeup. Her skin was smooth and delicate, and her legs were slender and fair. Whether it was her figure or her appearance, this woman could be considered top-notch!

When the beauties in the Welcoming Lake saw this woman come out, they all surrounded her and took the initiative to greet her.

The beautiful woman named Harriet waved at everyone before walking into the nearby beauty salon with her slender legs.

“Kid, what are you still sitting here for? Hurry up and get to work! Believe it or not, I’ll get President Jenkins to fire you right now!”

At this moment, the waiter who ordered Connor to deliver the wine ran to Connor and shouted at him angrily.

When Connor heard the waiter’s words, he slowly raised his head and looked at the waiter.

“Bang!”

The waiter threw the tray in his hand in front of Connor and shouted, “What are you looking at? Miss Harriet asked for a glass of red wine. Hurry up and send it over to her...”

“I’m not...”

Connor opened his mouth to explain.

“What do you mean you’re not? Hurry up and send it to Miss Harriet. Otherwise, if she gets angry, no one can save you!”

The waiter interrupted Connor’s words and said quickly. Then, he turned around and ran into the distance to serve the other beauties.

Connor sat on the spot and hesitated for two seconds. In the end, he helplessly picked up the tray and walked towards Huan Huan’s room.

At this time, Connor took the initiative to send wine to Harriet, not because he was afraid of the waiter.

It was because he was curious whether Harriet was as materialistic as the other women.

Therefore, Connor felt that he could use this opportunity to interact with Harriet.

A moment later, Connor arrived at the door of Harriet’s beauty salon.

Only Harriet and Sara, the two most famous beauties, had personal beauty salons. The other girls were not qualified to have their own beauty salon.

Connor stood at the door and hesitated for a moment. In the end, he pushed the door open and walked in.

“Alih!”

But just as Connor walked into the beauty salon, he heard a scream.

Connor instinctively raised his head to look, and then he was stunned on the spot, his gaze extremely fiery.

He did not expect Harriet to be changing her clothes in the beauty salon.

Harriet's stunning figure was exposed to Connor's eyes without reservation. Her skin was smooth and delicate, her collarbones were sexy and seductive, and her pair of slender legs were fair and tender, making it almost impossible for people to take their eyes off her..
