

10 Trillion 241

Chapter 241: I Am Connor McDonald

“Gulp!”

Looking at Harriet’s curvy figure, Connor could not help but gulp, and his breathing became erratic.

Harriet’s figure was very alluring. Connor’s gaze was fixed on her.

When Harriet saw Connor barging in, a trace of shame and anger flashed across her pretty face. She immediately covered herself with the towel from the side and shouted, “You pervert, what are you doing here?”

Connor only reacted after hearing Harriet’s scream. He hurriedly averted his gaze and explained awkwardly, “I... I’m here to bring you wine!”

After saying this, Connor hurriedly put down the tray in his hand and turned around to leave.

After all, it was Connor’s fault for seeing the girl’s naked body.

“Stop!” Seeing that Connor was about to leave and hurriedly shouted.

“Yes?” Connor turned around and asked.

“Don’t you know to knock on the door when you bring me alcohol? You knew I would come here to change my clothes after swimming, but you deliberately didn’t knock on the door. You came to peek at me changing my clothes, right?” Harriet shouted angrily.

“I... I didn’t do it on purpose. How would I know that you would change your clothes inside?” Connor hurriedly explained.

“Harriet, what happened?”

When the waiters in Welcoming Lake heard Harriet’s scream, they hurriedly ran over to the beauty salon. The young man who had ordered Connor to bring alcohol to Harriet asked her nervously.

Although the young man had not interacted with Harriet for a long time, he knew that Harriet was not a woman that anyone could provoke. This was also why he did not personally come to deliver the alcohol to Harriet but asked Connor to do so.

“This... This loser peeked at me changing my clothes. It’s detestable. I must tell Mr. Jenkins about this. You shall wait to be fired!” Harriet pointed at Connor and shouted angrily.

“What?” When the waiter heard Harriet’s threat, he was instantly dumbfounded. He turned to look at Connor incredulously.

At this moment, all the beautiful women in Welcoming Lake surrounded him.

“This kid dared to peek at sister Harriet changing her clothes. He’s so perverted!”

“Yeah, is this kid crazy? How dare he do such a dirty thing? I don’t know how he became a waiter at Welcoming Lake!”

“Look at his poor appearance. He’s a wretched loser. I knew he wasn’t good when he came in just now! He dared to peep at our Harriet changing her clothes. He is shameless!”

The surrounding women stood up and criticized Connor.

“This Idd is dead today. Harriet is the prettiest in our group. This time, it’s up to Harriet to make Mr. McDonald happy. This kid had dared to offend Sister Harriet. He’s dead this time!”

“That’s right. Last time, there was a perverted waiter who stole Harriet’s underwear and was beaten half to death by Mr. Jenkins. This kid is even more daring. He dared to peek at Harriet changing her clothes.”

Everyone pointed at Connor with disdain.

Connor stood there helplessly, not knowing how to explain himself.

“You stinky loser, is my body something that people like you can look at? I’ll call Mr. Jenkins right now. I’ll make him teach you a lesson!” Harriet pointed at Connor’s nose and cursed. Then, she picked up her phone from the table.

“I didn’t mean to peek at you changing your clothes just now. Why do you have to pin that on me?” Connor said to Harriet expressionlessly.

“Your explanations are pointless. If you have anything to say, go and tell Mr. Jenkins!” Harriet gritted her teeth and replied in a low voice.

“So make the call!” Connor originally didn’t want to make a big deal out of this, but he saw that Harriet insisted on calling Titus, he challenged her to make the call.

“Just wait to be fired!” Harriet shouted angrily. Then, she picked up her phone and dialed Titus’s number.

“Beep, beep...” After the phone rang twice, Titus picked up the call.

“Mr. Jenkins, hurry up and come to the lake. A pervert peeked at me changing my clothes just now...” Harriet said in an aggrieved tone after Titus answered the call.

“What is it? Someone peeped at you changing? Who is so bold?” Titus was instantly annoyed when he heard this.

“He’s just a waiter!” Harriet turned her head and looked at Connor coldly as she spoke disdainfully.

“Alright, hold that kid. I’ll come over now!” Titus replied anxiously before hanging up.

Titus was not in the mood to ask about the details because he did not have the time to ask.

Normally, Titus wouldn't be so anxious if something like this happened. However, the situation today was different. He knew that Connor was at Welcoming Lake. If someone peeked at Harriet changing her clothes, it would be nothing.

However, if that person disturbed Connor's sexual desire, things would be a little troublesome.

That was why Titus was so anxious.

When Harriet heard Titus's nervousness, she thought Titus valued her very much. A satisfied smile appeared on her face.

"Harriet, what did Mr. Jenkins say?" the girl beside Harriet asked hurriedly.

"What else can he say? He said he wanted me to get someone to hold this kid here. He will personally come over and teach him a lesson!" Harriet said arrogantly.

The waiters standing at the side and watching the show all rushed toward Connor when they heard Harriet's claim.

"Do you know who I am? How dare you to come at me?" Connor's expression was very calm. After all, Welcoming Lake was Connor's territory.

How could a group of waiters bully him in his territory?

When the bodyguards heard Connor's words, they were stunned and looked at Connor in confusion.

"Aren't you just a waiter? What are you putting on airs for?" The waiter who ordered Connor to deliver the wine said to Connor disdainfully.

Connor ignored the waiter and stepped forward to ask Harriet, "You didn't tell Titus that the person who peeked at you changing is called Connor McDonald, right?"

"Connor McDonald?"

When Harriet heard this name, she could not help but be stunned. Then, she said, "You are Mr. McDonald?"

"That's right, I'm Connor McDonald!" Connor nodded..

Chapter 242: Find A Quiet Place

Hearing this, Harriet couldn't help but size up Connor.

Then, she mocked disdainfully, "You brat, you're really shameless. First, you peeked at me changing my clothes. Now, you dare to impersonate Mr. McDonald. I think you have a death wish!"

"I am not impersonating him. I am Connor McDonald!" Connor replied indifferently.

"Cut the crap. What are you guys still standing there for? Hurry up and arrest this person!" Harriet turned and shouted at the waiters.

After hearing these words, the waiters rushed toward Connor again.

"Mr. Jenkin is here!" But at this moment, someone suddenly shouted.

When everyone heard this, they all turned to look at the entrance of Welcoming Lake.

Titus brought two bodyguards in black and walked toward Connor and the others angrily.

“Mr. Jenkin is here. This kid is dead!”

“That’s right, Mr. Jenkins brought his bodyguards with him. It looks like this kid will have a miserable ending today!”

The women surrounding Connor began to discuss in low voices.

“Mr. Jenkin, you’re finally here!”

Harriet saw Titus, and she smiled smugly. Then, she swayed her hips as she ran toward Titus. She moved in a flirtatious manner.

“Harriet, which bastard peeked at you when you were changing? Is Mr. McDonald alright?” Titus asked Harriet, expressionless.

“Mr. McDonald?”

When Harriet heard this, she was stunned. Then, she asked, puzzled expression, “Mr. Jenkin, is Mr. McDonald here already?”

“Yeah, didn’t you see Mr. McDonald?”

Titus was also a little confused at this moment and quickly asked.

“I.. I didn’t see Mr. McDonald, but the pervert who peeked at me just now claimed he was Connor McDonald, but..”

Before Harriet could finish her sentence, Titus pushed her away and walked toward Connor. He said excitedly, “Mr. McDonald, are you alright?”

When everyone saw this, they gaped, and their expressions were filled with disbelief.

The girls who had mocked Connor before were also dumbfounded at this moment. They stared at Connor, and their eyes widened.

Although Connor had mentioned his identity just now, everyone thought he was lying.

However, Titus's attitude toward Connor and the words he said to Connor proved that Connor was not lying. He was the Mr. McDonald that everyone had been waiting for!

Harriet stood rooted to the ground and was dumbfounded. She looked at Connor in surprise and said tremblingly, "He... He is really... Is he really Mr. McDonald?"

Titus had yet to figure out what was going on. When he saw the waiters surrounding Connor, he shouted angrily, "Why are you all surrounding Mr. McDonald? What happened to the pervert who peeked at Harriet changing her clothes just now? Did you guys catch the man?"

"Mr. Jen... Mr. Jenkin..."

The head waiter called out in a trembling voice.

"What's wrong?" Titus asked gloomily.

"He... He was the one who peeked at sister Harriet changing her clothes just now..."

The waiter pointed at Connor and said to Titus nervously.

After Titus heard the waiter's words, he was stunned. Then, he suddenly looked up at Connor and turned to look at Harriet. He asked in a puzzled tone, "Harriet, you just said that the person who peeked at you changing clothes was Mr. McDonald?"

"Mr. Jen... Mr. Jenkin, I didn't know that this person was Mr. McDonald. I thought he was a waiter here!" Harriet's body trembled as she spoke to Titus.

“Is there something wrong with your brain? This is the owner of Immortal Lake Manor, Mr. Connor McDonald. It’s your honor for Mr. McDonald to see you change your clothes. You actually treated Mr. McDonald as a pervert. Do you have a death wish?”

Titus was abnormally furious. Today was supposed to be good, but in the end, Harriet and the others messed up. How could Titus not be furious?

Harriet was also frightened by Titus’s words, her face turning ashen. Her legs went limp, and she kneeled on the ground. She then stammered and begged, “Mr. McDo... Mr. McDonald, I’m really sorry. It’s all my fault for being blind and treating you as a pervert. Please forgive me. It’s my fault!”

“Mr. McDonald, I’m sorry. We failed to recognize such an important person!”

“Mr. McDonald, I’m sorry!”

After those women who had mocked Connor before found out his identity, they all kneeled on the ground and begged for his forgiveness.

“Mr. McDonald, I beg you, please spare me this time!” Harriet hugged Connor’s thigh and begged.

She was not a fool. She knew very well what kind of person Titus was. He was a famous existence in Porthampton.

Titus was already so terrifying. If he was Titus’s boss, wouldn’t he be even more terrifying?

Harriet had originally planned to use her face and sexy figure to attract Connor’s attention so that she could marry a rich man.

However, she never dreamed she would offend Connor the first time she met him.

Connor glanced at Harriet and said expressionlessly, "I told you earlier that I'm Connor, but you did not believe me! Besides, I didn't mean to peep at you changing clothes. I've already apologized, so why were you still persistent?"

After Harriet heard Connor's words, her expression instantly became despair.

At this moment, she was filled with regret. If she had known that the man in front of her was Mr. McDonald, she would not have dared to do such a thing even if she had nine lives!

Originally, Harriet was still planning how to show off in front of Mr.

McDonald, but she didn't expect that her first meeting with Mr. McDonald would be so awkward.

"Mr. McDonald, how do you want to deal with these people?"

Titus was also filled with anger. He had painstakingly prepared a gift for half a month, but Harriet and the others destroyed it. How could he not be angry?

"Mr. McDonald, I know I'm wrong. Please spare me this time. It's my honor to be able to see my body. If you have time, I can go with you to find a quiet place. I'll strip naked and let you look at me as much as you want..." After Harriet heard Titus's offer, she panicked and quickly pleaded with Connor.

"Strip naked and let me see as much as I want?" When Connor heard this, he couldn't help but smile ambiguously.

"Titus, chase these people out! Let them be cleaners for a month, and then make them leave after a month!" Connor pointed at the girls who had mocked him before and ordered.

He wouldn't do anything to these women. After all, they were just gold-diggers. Therefore, he planned to let these women work as cleaners at Immortal Lake Manor for a month as a punishment for them!

After hearing Connor's order, all the beautiful women felt lucky. After all, Connor's punishment was much lighter than Titus's.

"Alright!" Titus was shocked before he hurriedly nodded.

Then, he turned to look at Harriet and asked Connor softly, "Mr. McDonald, how do you plan to deal with Harriet?"

"She's coming with me!" Connor replied expressionlessly, then walked out of Welcoming Lake..

Chapter 243: Isn't This A Quiet Place?

"She's going with you?"

All the women were stunned when they heard what Connor said.

They couldn't understand what Connor meant!

Harriet kneeled and hesitated before revealing a happy smile.

She thought it must be because Connor had seen her body just now, so he wanted to bring her to a quiet place to enjoy it. This was simply a dream for Harriet!

Originally, she thought it was already a blessing in disguise that she could leave the Immortal Lake Manor unscathed today.

However, she didn't expect that she could benefit from this misfortune and get a chance to serve Connor. Harriet had already started to secretly plan what position she should use to 'serve' Connor well later.

If she could 'serve' Connor well, not only would she not be in any danger, but she might even be able to marry a wealthy man. This was great!

“Harriet, what are you still standing there for? Quickly get up and follow Mr. McDonald!” Titus shouted at the top of his voice when he saw Harriet kneeling.

“Ye... Yes!” Harriet agreed excitedly, then got up and followed Connor.

When the women saw Connor, Titus, and Harriet preparing to leave, they were all envious.

Harriet had offended Connor. Not only did Harriet, the main culprit, not get into trouble, but she also got to serve Mr. McDonald. However, they had to be cleaners at Immortal Lake Manor for a month. It was unfair.

“Looks like the good-looking ones are still the most popular!”

“That’s right. Not only does Harriet not need to be a cleaner, but she also gets Mr. McDonald’s favor. Isn’t it very unfair?”

“It’s pointless to compare to someone like that!”

The girls watched Connor, Harriet, and the others leave with envy in their eyes.

When Connor was about to leave the lake entrance, he suddenly saw Willow standing at the side with a restrained expression.

Connor had a good impression of Willow because he was beside her when she was chatting with the other women.

He also knew Willow had come today because she wanted to earn enough money for her mother’s medical expenses.

“You follow me too!” Connor pointed at Willow and said expressionlessly.

When Willow heard Connor's words, she was surprised. Then, her eyes widened as she said delicately, "Mr. McDo... Mr. McDonald, did you mean me?"

"Yes, you!" Connor nodded.

Willow stood rooted to the ground, dumbfounded. She was shocked because she didn't expect Mr. McDonald to ask her to leave with him.

After hesitating, Willow took a deep breath and walked to Connor's side.

When the ladies saw Connor taking Willow away, they became even more surprised.

It was within their expectations that Connor would take Harriet away. After all, Harriet had a voluptuous figure and a face that could start a war. Regardless of her figure or appearance, she was the cream of the crop.

They could naturally understand that Connor would take Harriet away.

But now, Connor wanted to take Willow too. This made people a little confused.

Although Willow was quite good-looking, she was only beautiful among ordinary people.

However, if she were placed among the group of beautiful women at Welcoming Lake, Willow's figure and appearance were only considered above average.

Titus had called Willow over because he had taken a fancy to Willow's pure temperament.

"Why did Mr. McDonald choose Willow? Am I not better than her?" Faye pouted and complained.

“Yeah, what’s so good about Willow? What right does she have to be chosen by Mr. McDonald?!”

“I don’t know what Mr. McDonald is thinking!”

Everyone began to discuss softly, their voices filled with envy and jealousy toward Willow and Harriet.

Two minutes later, Connor led Titus, Harriet, and Willow out of Welcoming Lake.

At this moment, Titus had a faint smile on his face. Although there was a small episode in today’s matter, no matter what, the outcome was still good. In the end, Connor still chose to take Willow and Harriet.

At this moment, Harriet was ecstatic. Being taken in by a super-rich heir like Connor was simply a blessing she had cultivated in her previous life!

However, Willow was a little nervous because she had never done that kind of thing with a man before. She did not know what would happen next.

After Connor led the three of them for a short distance, he suddenly stopped and turned to Titus, asking, “Titus, do you have a public toilet here?”

“Mr. McDonald, do you want to go to the toilet? If you want to use the toilet, I can take you to the hotel’s...” Titus hurriedly replied.

“I don’t want a hotel toilet, I want a public toilet. Do you have one here?” Connor repeated.

“Mr. McDonald, there is a public toilet on this road, but that toilet is for the employees of the manor, so it’s a little dirty. I think it’s better for people like you not to go there!”

Titus said respectfully to Connor.

“Haha, it’s fine...”

Connor couldn’t help but laugh when he heard Titus’s words. Then, he said indifferently, “The dirtier, the better!”

“Mr. McDonald, should I take you there now?” Titus was confused. After hesitating for a moment, he whispered to Connor.

“Yes!” Connor nodded.

Titus quickly led the way for him.

Harriet and Willow followed closely behind Connor. They did not know what Connor wanted to do.

A few minutes later, Connor, Titus, Harriet, and Willow arrived at the public toilet specially used by the employees of Immortal Lake Manor.

Although the four of them had yet to enter the toilet, they could smell a pungent smell and see a group of flies flying around it.

When Harriet and Willow smelled the stench from the toilet, they frowned and looked disgusted.

“Mr. McDonald, what are we doing here? Let’s go!” Harriet covered her nose and complained unhappily.

She was worried that the stench here would spread to her body. If she were to ‘serve’ Connor later, the smell of a public toilet would affect her mood!

“Leave?”

Connor turned to look at Harriet and said indifferently, "Didn't you want to find a quiet place? Isn't this a quiet place?"

Chapter 244: My Name Is Willow Tate

"Here?"

When Harriet heard Connor's words, she immediately frowned and was puzzled.

"Mr. McDonald, do you want to do that with me here?" Harriet asked Connor with a confused expression.

"Of course, I won't do that with you here, but you must go in!" Connor said calmly as he looked at Harriet.

Harriet looked at Connor in a daze. Her eyes were filled with confusion.

She didn't understand what Connor meant by what he said just now. What did he mean by she had to go in?

"Mr. McDonald, what do you want me to do?"

Harriet hesitated and asked Connor, puzzled.

"What I want you to do is very simple. You have to wash the toilets here for a month. If you don't want to do it, then I'll have Titus settle the scores with you..." Connor calmly said to Harriet.

When Harriet heard Connor's words, her eyes instantly widened. She did not expect Connor to bring her to this place so that she could clean the toilet.

Harriet had thought that she could escape from the blunder and not have to be a cleaner. However, she did not expect Connor to specially prepare a job to clean toilets for her!

Connor had always been a person who would repay kindness and hatred.

Although those girls in Welcoming Lake had offended Connor, they had only mocked him a few times. They did not have any deep hatred for Connor.

But Harriet was different. If Connor wasn't the boss of the Immortal Lake Manor, he felt that this woman would definitely blind Titus to the truth. Facing such a vicious woman, Connor naturally wouldn't be polite.

"Harriet, do you understand what Mr. McDonald said? Do you want to wash the toilet here, or do you want me to deal with you?" Titus shouted after hearing Connor's words.

Harriet subconsciously looked up at Titus. Although the toilet was very dirty, she knew that if she fell into Titus's hands, her fate would be a hundred times worse than just cleaning the toilet.

Therefore, she hurriedly shouted at Connor, "Mr. McDonald, I beg you to let me go, okay? As long as you let me go, I'll do anything you want..."

"I'm not interested in women like you. You don't have to beg me!" Connor replied expressionlessly, then turned around and walked away.

Titus hurriedly left with Connor, while Harriet stood before the toilet door. Looking at the smelly toilet, she was at a loss for what to do, and tears flowed out of her eyes!

Harriet had never been humiliated like this in her entire life.

As a beautiful woman, Harriet was always sought after by men no matter where she went. When had she ever been despised and humiliated by a man like this?

“Mr. McDonald, if you think that Harriet’s punishment is too light, I can also get someone to teach her a lesson!”

Titus was worried that what happened today would affect Connor’s mood, so he whispered to Connor.

“No need, there’s no need to be too calculative with a woman!”

Connor only wanted to give these people a warning today. He did not want to condemn them all.

“Mr. McDonald, you’re really generous!” Titus chuckled.

“In the future, you don’t have to prepare these fancy things for me. I have a fiancée, so I’m not interested in these beautiful women. I won’t mistreat my employees as long as you do your job well!” Connor looked at Titus and continued.

“Alright, alright...”

Titus repeatedly nodded at Connor’s instructions.

Although Titus said so, he still couldn’t help but glance at Willow, who was beside Connor. “Although Mr. McDonald said he doesn’t need this kind of thing, didn’t he still choose a woman from the company? How could there be a man in this world who did not cheat?”

Willow was also nervous because she didn’t know what awaited her.

“What’s your name?”

At this moment, Connor suddenly turned and asked Willow.

“Mr. McDon... McDonald, my name is Willow Tate. You... You can just call me Willow...” Willow stuttered nervously.

“Oh, oh, you don’t have to be nervous!”

Connor patted Willow’s shoulder and said lightly, “I didn’t mean anything by asking you out. I just heard that your mother is sick, so you are in need of a large sum of money to treat her illness, right?”

“Mr. McDonald...”

Willow looked up at Connor. Her beautiful eyes filled with confusion.

“How much does your mother need?” Connor interrupted Willow and asked calmly.

“I should need about 800,000 more. I have saved up 100,000 dollars!” Willow replied timidly.

“800, 000 dollars!”

Connor smiled faintly and turned to Titus. “Go prepare 800,000 dollars for Willow. After the party is over, let her leave!”

“Yes, Mr. McDonald!” Titus quickly agreed.

“Mr. McDonald, what... What do you mean?”

Willow didn’t expect Connor to be so generous. He didn’t even ask about her mother’s illness and directly gave her 800,000 dollars.

"I don't mean anything else. You don't have to worry about what I'll do to you. I think that it's very rare for you to give so much to your parents. 800,000 dollars may be a life to you, but it's just a number to me. When your mother recovers, find a proper job and don't do these things anymore, understand?" Connor looked at Willow and said.

Willow looked at Connor, and her eyes widened. She was so happy that she couldn't speak. She didn't know how to describe her feelings.

"Willow, why are you still standing there? Hurry up and thank Mr. McDonald!" Titus quickly reminded Willow when he saw that she was frozen.

"Thank you, Mr. McDonald!" Willow quickly bowed deeply to Connor.

"You're welcome!" Connor smiled faintly.

"Mr. McDonald, I know there's no such thing as a free lunch. If you have any requests, feel free to ask. As long as I, Willow Tate, can do it, I will do it..." Willow looked at Connor and offered.

"If you have any requests, feel free to ask."

When Connor heard this, he could not help but be stunned. Then, he carefully sized up Willow.

Although Willow's figure could not compare to those women's in Welcoming Lake, her unique pure temperament was still very charming. She was a very cute little girl.

If he could have a relationship with such a beauty, it would be something else.

"Yes, Mr. McDonald, you saved my mother's life. I'll do anything you want. You already have a fiancée, but I can be your mistress. I won't interfere with your private affairs!"

Willow was no longer as nervous as before. So she looked at Connor and said sincerely..

Chapter 245: Be My Guest At The Party

Hearing Willow's words, Connor could not help but be stunned. Then, he sized Willow up.

However, Connor didn't have such thoughts, so he shook his head and said, "You don't have to think so much. I didn't give you the money to do anything to you. If you feel embarrassed taking my money, then take it as me lending it to you. When you have money, you can return it to me!"

"Really?" Willow asked excitedly.

"Of course!" Connor nodded.

"Mr. McDonald, thank you so much! You're a good person!" Willow looked at Connor and squealed. Connor's actions were undoubtedly a lifesaving one.

"You don't have to thank me!"

Connor waved his hand and continued, "You are free, right?"

"Yeap..." Willow shook her head without thinking.

"Then be my guest at the party!" Connor said indifferently and walked away.

In fact, after inheriting the ten trillion, Connor felt that he had never done anything meaningful. Most of his energy was spent eating, drinking, and having fun.

Now, he could use this money to save a person's life and even change the fate of a family. He felt that this was very meaningful. At least it was more meaningful than using money to teach a woman like Mandy a lesson.

Connor walked into the hotel lobby five minutes later with Titus's lead.

The hotel lobby was already filled with people. Everyone was waiting for Mr. McDonald to appear.

Connor glanced at the people in the hall. He realized that many of these people were entrepreneurs who often appeared on the Porthampton TV channel!

Once upon a time, Connor didn't even dare to dream that he could interact with these people and even be here as their boss.

But now, Connor felt these people did not seem so unapproachable.

When Thomas and Kyle saw Connor walk in, they quickly approached Connor and said with a smile, "Mr. McDonald, you're here!"

When the crowd heard Thomas' words, they immediately paid attention to him. They all focused their gazes on Connor, and their expressions were that of incredulity.

This was because they did not expect that the super-rich kid who had inherited ten trillion in assets would dress so simply. He was no different from poor students.

Although everyone was very surprised, as experienced people who had been in society for many years, they were still more shrewd than the people Connor knew in school. The surprise on their faces only appeared for a fleeting moment, and then they stood up and greeted Connor warmly.

After all, Connor was their real boss now. If these people didn't curry favor with Connor, who else would they curry favor with?

Next, Connor exchanged a few pleasantries with them. Thomas stood behind Connor and introduced the bosses to him one by one.

Meanwhile, Willow followed behind Connor timidly. Only now, Willow completely understood how influential Connor was!

Connor didn't even need to say a word. His appearance had caused such a huge sensation, attracting all the big shots to come over and chat. This kind of influence was probably something that even Thomas, Kyle, and Titus were afraid of!

After a simple conversation, the banquet officially began.

Thomas originally planned to let Connor go on stage to say a few words before starting the banquet, but because Connor didn't like to be in the limelight, and Connor felt that even if he went up, he didn't know what to say, he refused.

The party lasted for two hours before it finally came to an end.

All the CEOs of Connor's companies had also spoken to Connor. Their purpose of coming here this time had been achieved. Therefore, after the party ended, they bid farewell to Connor, Thomas, and the others and left in a hurry.

"Mr. McDonald, it's getting late. Why don't I arrange a room for you and Miss Tate?"

Titus seemed reluctant to give up on the fact that Connor was not interested in beautiful women. He was trying to find ways to help Connor get into someone's pants.

After Willow heard this, a trace of shyness flashed in her beautiful eyes, but she did not refuse. After all, Connor had helped her so much. Even if she had to sleep with him, she would.

"There is no need for that. You should go and arrange for Willow's mother's surgery. I'll get Thomas to send me back!" Connor rejected the suggestion and walked out of the hotel.

Hearing Connor's words, Willow was a little disappointed. She secretly thought it was because Connor did not like her, so he did not want to go to the hotel with her!

Titus stood rooted to the ground in a daze. He couldn't understand how Connor could still control himself around beautiful women. This was too unbelievable.

After Mandy received the five million dollars from Connor, she enjoyed a spoiled life and the happiness that money brought her. Therefore, she never returned to school. Lily had disappeared with Mandy.

As for Brandon, after experiencing the last incident, he never appeared in Connor's life again.

The disappearance of these three people was a great thing for Connor. After all, these three people were the ones who liked to cause trouble for Connor at school.

Connor also welcomed a rare period of peace!

Usually, Connor would go to class when he had classes and then treat Dominic and Spencer to nicer meals. After all, Dominic and Spencer had helped Connor in the same way.

Connor would work part-time at Xena's bar if he didn't have classes. Of course, he wasn't working for money now. He just wanted to help Xena.

As for Yelena, she hadn't appeared for a long time. Later, Connor found out that Yelena had won third place in the PK on Twitch and had successfully taken on the female lead role in a web drama. Now, she had already joined the crew to film, so she naturally didn't have time to disturb Connor.

However, Natasha and Chloe often came to the school to look for Connor, and Connor only treated them as ordinary friends.

As for Natasha and Chloe, they knew Connor's identity. Naturally, they tried various ways to seduce Connor, but Connor remained unmoved.

All in all, Connor had a very calm time in school.

Not only did he have money to spend, but he also had beautiful women to accompany him. The most important thing was that there were no more clowns like Mandy and Brandon to provoke him.

Half a month later, it was finally summer break!

If it were before, Connor wouldn't have been particularly excited about summer vacation.

Summer vacation meant work. There was no time to rest at all. However, this summer vacation was different!

This time, Connor would attend Freya's grandfather's ninetieth birthday!

The moment he thought about how he would be able to see Freya soon, he became excited..

Chapter 246: Going to the Phillips Estate

Frey a Phillips used to stay in the Phillips Estate.

The Phillips Estate was not far from Porthampton. If they drove there, it would take at most two hours.

Although the name 'Phillips Estate' wasn't very famous, most people in Porthampton had heard of it because many powerful entrepreneurs in the city were from the Phillips Family.

After these people retired, they would also return to the Phillips Estate and spend the rest of their days there. Freya's grandfather was one of them.

Therefore, the environment in the Phillips Estate was not inferior to that of Porthampton. The buildings in the large estate was extremely brilliant. It was like a mini city of its own. There were luxury cars and mansions everywhere on the roadside!

After the school holidays, Connor bought a ticket to the Phillips Estate. Then, he packed his luggage and set off for the Phillips Estate alone.

However, before he went to the Phillips Estate, Connor changed into the clothes he bought. These clothes were obviously much better than the one he was wearing. At least Connor looked like a normal person. No one would think that he was a poor loser.

Connor didn't want the Phillips Family to know his identity. However, he was attending as Freya's fiance, even if he couldn't expose his identity, he couldn't embarrass her, right?

After getting on the bus to the Phillips Estate, Connor started admiring the scenery outside the window.

At this moment, all he could think about was how he was about to meet Freya, so his emotions were all over the place.

In the blink of an eye, two hours passed.

Connor knew that he was about to reach the Phillips Estate, so he took out his phone and dialed Freya's number.

"Connor, have you arrived at the Phillips Estate?"

Freya quickly picked up the call and asked with a smile.

"Yeah, I'll probably be there in ten minutes!" Connor replied indifferently.

"That's great. I'll pick you up now. Did you come by train or bus?"

Freya asked softly.

"Bus!"

“Alright!”

Freya replied before hanging up.

After Freya had hung up the phone, he seemed to be a little excited, lie turned his head and continued to look at the scenery outside the window.

On the other side.

In front of the bus station in front of the Phillips Estate.

A white BMW slowly stopped, and three fashionable beauties in sexy clothes walked out of the car.

When these three beauties appeared in front of the station, they instantly attracted the attention of countless people.

The girl walking in front was none other than Connor’s fiancée, Freya Phillips.

Freya was dressed very casually today. She was wearing a white spaghetti top, revealing her sexy and fair neck. She had on a short skirt that was wrapped tightly around her round buttocks. On her feet were a pair of high-heeled sandals, making her look extremely sexy and charming.

The girl behind Freya was slightly younger. She was wearing a light blue shirt, looking youthful and beautiful. She was wearing a short skirt that showed off her long and fair legs. She was exceptionally charming.

This girl was called Ailee West, the daughter of Freya’s fourth aunt.

The other sexy woman, who was about the same age as Freya, was called Qahira Zeller. She was the daughter of Freya’s eldest aunt.

Freya's grandfather had a total of four sons and four daughters, so the Phillips Family had many descendants.

Connor only knew Freya and Maya. He had never seen Ailee and Qahira.

This time, Ailee and Qahira had followed Freya to the bus station not because the three of them had a good relationship. On the contrary, Qahira had always treated Freya as her imaginary enemy.

After all, Freya was superior to Qahira in both looks and ability. In addition, Freya's grandfather had always doted on Freya, which further aroused Qahira's jealousy.

Therefore, no matter what she did, Qahira liked to compare herself with Freya.

Freya had opened a cosmetics company, and Qahira was also in the cosmetics industry. However, Qahira's company was much smaller than Freya's company!

Qahira was secretly gleeful when she found out that Freya's company was about to close down. However, she did not expect things to take a turn. Freya had found a new investor, and this new investor was the famous Empire World Corporation in Porthampton.

This deeply provoked Qahira. Later on, Qahira received news from somewhere that Freya was able to find a new investor because of her fiancé's help.

At this moment, Freya's fiancé was about to arrive. Naturally, Qahira had to follow along to see who Freya's fiancé was.

Ailee, who was a little younger, came to watch the show.

"Freya! Qahira!"

At this moment, a Mercedes-Benz slowly stopped beside Freya and the others.

Three boys and a girl open the doors and got out.

“Zander, why are you here?”

Freya could not help but frown when she saw the young man in the lead.

“My brother-in-law is here, of course I have to come take a look!”

Zander Phillips replied while gritting his teeth.

Freya looked at Zander coldly and did not say anything. She knew very well that Zander would definitely nor have any good intentions.

Ever since she was young, Freya had always had a good relationship with the Phillips Family. However, Zander was the only one who went against her in every way possible, and their relationship was extremely strained. Furthermore, Zander was the son of Freya’s fourth uncle, so Freya couldn’t really do anything to him.

“It’s so freaking hot today. I’m already sweating. If I continue to wait like this, I’ll definitely get a heatstroke!”

Qahira suddenly complained.

“I told you not to come, but you insisted on coming!”

Freya had never liked Qahira, so she was short with her.

“Where is your fiance? Why is he taking so long? The makeup on my face costs tens of thousands. If I get sunburned, can he afford to pay for it?”

Qahira pouted and shouted.

“That’s right, Freya. Ask Brother-in-Law when he’ll be arriving. If it’s going to take some time, let’s wait in the car!” Ailee had a good relationship with Qahira, so she naturally had to speak up for Qahira.

Freya didn’t want the talk to the two of them anymore. She took out her phone and was about to call Connor.

But at this moment, a white bus slowly drove in..

Chapter 247: Qahira Zeller’s Fiance

When Freya saw the bus approaching, she hurriedly put down her phone because she knew that Connor was inside the bus.

When Qahira Zeller and Ailee West saw Freya put down her phone, a hint of confusion flashed across their faces. They asked Freya with a puzzled expression, “Freya, why didn’t you call your fiance?”

“Connor should be on this bus. There’s no need to call him!”

Freya pointed at the oncoming bus and replied expressionlessly.

“Your fiance actually came here in such a broken bus?”

Qahira was shocked when she heard Freya’s words. She then asked in confusion.

“Can’t he?”

Freya naturally understood what Qahira meant, so she replied coldly.

“Of course, he can. It’s just that I didn’t expect your fiance to be so thrifty. He doesn’t even drive his own car when he goes out. Instead, he took a bus here...”

Qahira smiled playfully; her eyes filled with disdain.

“Freya, are you joking with me? Your fiance actually came by bus? Doesn’t he have his own car?” Ailee also asked.

“Yes! Connor doesn’t have a car!”

Freya had already known that they would say this, but she didn’t care anymore, so she merely remarked casually.

Zander Phillips could not help but laugh coldly when he heard that, but he did not say anything.

He had indeed come here today to see Freya make a fool of herself. However, Freya’s fiance had yet to appear. If he were to mock Freya just because of a bus, that would be a little too hasty.

Zander was very smart. He knew that there were many rich people in this world who usually kept a low profile. What if Freya’s fiance was a low-profile rich second-generation heir who did not like to drive?

If he was, wouldn’t he be slapping his own face? Therefore, Zander was not in a hurry to mock Freya. Instead, he waited in silence.

Soon, the bus arrived and stopped at the entrance of the station.

“What kind of crappy bus is this? It’s swaying and making such a loud sound.”

Qahira hurriedly took a few steps back and shouted disdainfully.

Ailee and Zander also stepped backward.

Only Freya remained standing where she was, allowing the old bus to pass by her as she quietly waited for Connor to get off.

Screech!

The sound of a sudden brake was heard, and the bus came to a halt.

“We’ve arrived at the Phillips Estate. Those who want to get off, get off quickly!”

The bus driver shouted at the top of his lungs.

The passengers did not move. After all, the people in the Phillips Family were very rich. It was impossible for them to take such an old bus home.

Only Connor stood up. Then, under everyone’s surprised gazes, he slowly got off the car.

“Connor!”

When Freya saw Connor coming down from the bus, she hurriedly waved her hand.

Meanwhile, Zander, Qahira, and Ailee turned to look at Connor.

When the three of them saw Connor, a puzzled expression flashed across their faces.

“Freya!”

Connor shouted at Freya excitedly.

After all, he had not seen Freya for half a month. Seeing Freya again, Connor was still very excited.

However, at this moment, he also noticed Qahira and Ailee standing behind Freya Phillips. He realized that there was something wrong with the way they were looking at him.

“Qahira, why doesn’t Freya’s fiance look like a rich second-generation heir?”

Ailee looked at Connor carefully and turned to Qahira.

Although Connor had changed into a new set of clothes today, and it was obviously much better than his previous set of clothes, in front of a real rich second-generation heir like Qahira, this set of clothes was nothing.

In their eyes, the typical rich second-generation heir would at least go out with luxury brands like Versace and Armani.

However, the casual clothes that Connor was wearing now did look a little shabby.

“Freya’s fiance is a poor loser. Have you ever seen a rich second-generation heir wearing such clothes?”

Qahira replied disdainfully.

“But didn’t everyone say that Freya’s fiance is very powerful? Even the CEO of the Empire World Corporation has to give him some face...”

Ailee said calmly.

“Does the Empire World Corporation’s CEO giving him face prove that he’s a rich second-generation heir?”

Qahira couldn’t help but sneer.

Ailee blinked her eyes and pouted. She muttered with a puzzled expression, “Why did Freya choose such a person as her fiance? I really don’t know what she’s thinking!”

Qahira looked at Connor, who was chatting with Freya, and she was indescribably happy. She finally found a chance to step on Freya.

“You must be tired after traveling for two hours. I’ve already reserved a hotel room for you. Why don’t I take you to the hotel now?”

Freya asked Connor with a smile.

“Alright!”

Connor nodded.

This was because many members of the Phillips Family would return to the Phillips Estate. Not only would Freya’s parents’ relatives come, but even Freya’s grandfather’s siblings would also come.

Therefore, the manor in the Phillips Estate did not have so many rooms for them to stay in. Only the elders of the Phillips Family would stay in the Phillips Family’s old residence. The younger generation were all staying in the hotel.

“Freya, why are you in such a hurry to leave? You haven’t introduced your fiance to us yet.”

At this moment, Zander suddenly shouted in a weird tone.

When Zander saw that Connor came by bus, he had already started to suspect Connor’s identity, but he did not say anything.

However, after Zander saw Connor’s outfit, he was certain that Connor was not a rich second-generation heir, so he naturally had to mock him.

Freya turned and looked at Zander coldly before saying expressionlessly, “Why should I introduce my fiancée to you?”

Of course, Freya knew what Zander wanted to do, so she replied with a slightly displeased tone.

“Freya, you must be afraid of introducing him to us.” Zander smiled playfully.

Freya glanced at Zander indifferently and ignored him. She took Connor by the hand and wanted to leave.

“Freya, don’t be in a hurry to leave! Qahira’s fiancée will pass by later. Let’s wait together!”

At this moment, Ailee suddenly shouted..

Chapter 248: I’m Still a Student

When Freya heard those words, she couldn’t help but be stunned.

It came to her realization that Qahira had insisted on coming over not to mock her, but because Qahira’s fiancée was also coming.

At this moment, a domineering Land Rover sped toward Qahira, Ailee, and the others.

After a series of emergency brakes, the Land Rover stopped steadily in front of Qahira.

Because the Land Rover was too fast, it set off thick smoke on the road. However, Qahira and Ailee didn’t seem to mind the dust. They wanted to jump into the Land Rover.

Freya and Connor stood at the side, looking at the Land Rover with complicated expressions.

Freya knew very well that Qahira was doing this on purpose.

She clearly knew that Connor would come today, so she specially asked her fiance to appear at this time. Her goal was to compare her fiance with Connor to humiliate her.

After the Land Rover stopped, a handsome man in a black suit walked out of the car.

“Hubby, why are you so late? I’ve been waiting for you for so long!”

When Qahira saw the man get out of the car, she threw herself into his arms and called out with a bitter expression.

“Baby, I’m sorry for making you wait!” the man replied dotingly.

“It’s okay, I don’t blame you. After all, the road in the countryside is a little difficult to navigate!”

Qahira chuckled.

“Hello, Brother-in-Law!”

Ailee and Zander had met Qahira’s fiance before, so they greeted him in a familiar tone.

When the man heard this, he quickly turned to look at Ailee and Zander. He smiled and said, “Zander, Ailee, you two are here too?”

“That’s right, Brother-in-Law. I came here specially to wait for you!”

Ailee replied with a smile.

“Brother-in-Law, how’s your business recently? The company you asked me to invest in last time is about to go public. I’m going to make a fortune! Do you have any other exclusive news to reveal to me this time?” Zander grinned as well.

At this moment, Ailee and Zander’s attitude toward the man was completely different from their attitude toward Connor.

When the two of them saw Connor just now, they didn’t even say a word. They kept looking at Connor with disdain.

Now, when they were facing Qahira’s fiance, they were trying to curry favor with him in every possible way, just like two pugs.

At this moment, Qahira’s expression was very smug because she had arranged everything.

She knew that Connor would be coming today, so she followed Freya to the bus station and told her fiance to wait nearby.

When Qahira saw Connor, if she felt that her fiance could beat him, she would call him over. If he couldn’t, then she didn’t plan to let her fiance show himself to avoid embarrassment.

After all, Qahira’s fiance was not some rich second-generation heir. He was just a self-made man who was working his way up in life.

But now, the contrast between the two of them was very obvious.

Compared to Qahira’s fiance, Connor did not have any advantage in terms of appearance, temperament, or dressing.

Moreover, Qahira’s fiance was the deputy general manager of an investment company in Porthampton. His annual salary was more than ten million dollars. Qahira felt that Connor should not be able to compare to him in this aspect.

In fact, before Qahira met Connor, she was still very worried that her fiance could not compare to Connor.

After all, she had heard some rumors about Connor.

It was said that Connor knew the CEO of the Empire World Corporation. Back then, it was Connor who invited the CEO of the corporation to Freya's company. The corporation even invested 200 million dollars in her company to revive it.

Qahira felt that since Connor was so influential that he could invite the CEO of the Empire World Corporation, his background must be extraordinary.

Her fiance was just a senior executive of a company. Naturally, he could not be compared to those rich second-generation heirs.

However, when Qahira saw Connor, she realized that her worries were unnecessary.

Connor was not a rich second-generation heir at all. The news that he knew the CEO of the Empire World Corporation was probably fake.

'Freya, even if you're prettier than me and have higher academic qualifications, that means nothing. My fiance is more outstanding than yours. As a woman, marrying a good husband is the most important thing!'

Qahira looked at Freya and Connor who were not far away and could not help but mutter to herself.

Qahira's fiance turned to look at Freya and Connor after chatting with Ailee and Zander for a while.

When he saw Freya, a hint of surprise flashed in his eyes.

Although he had long heard that Qahira had a very beautiful cousin, he did not expect Freya to be so beautiful. Whether it was her figure, temperament, or appearance, she was perfect. She was simply a few streets ahead of Qahira.

However, Qahira's fiancé's eyes flashed with a trace of doubt at the same time. He knew that Connor, who was standing beside Freya, was her fiancé.

How could a peerless beauty like Freya be with such an ordinary person?

Qahira's fiancé really couldn't understand that.

"Freya, this is your first time meeting Shane, right?"

At this moment, Qahira shouted at Freya with a smug expression.

Then, she held onto her fiancé, Shane Zimmerman's arm, and walked over to Connor and Freya. She introduced him to Freya softly, "Freya, this is my fiancé, Shane Zimmerman. He's now the deputy general manager of Eon Investment Company. You should have heard of Eon Investment Company, right?"

■ | 11

When Freya heard Qahira's words, she couldn't help but be stunned. Then, she raised her head and looked at Shane with a hint of surprise in her eyes.

Eon Investment was considered one of the top investment companies in Porthampton. It was really terrifying that Shane could become the deputy general manager of this company at such a young age.

"Hubby, this is my cousin, Freya Phillips. She runs a cosmetics company in Porthampton. You two can get to know each other!"

Qahira turned her head and introduced him.

“Freya, hello!”

Shane greeted Freya with a smile.

“Hello!”

Freya nodded expressionlessly, as if she was not interested in Shane.

“And this is?”

Shane turned his head to look at Connor and asked in a puzzled tone.

“This is Freya’s fiancé, Connor McDonald!”

Qahira quickly replied.

“Oh!”

Shane nodded thoughtfully, then looked at Connor and asked, “I wonder where Mr. McDonald is making a fortune now?”

“I’m still a student!”

Connor replied calmly.

“Hahaha!”

Shane couldn’t help but laugh when he heard Connor’s words. He obviously looked down on Connor.

Qahira, Ailee, and the others also laughed out loud..

Chapter 249: Everyone's Taunt

When Freya saw Shane Zimmerman and the others laughing at Connor, a hint of anger appeared on her face. She took a step forward and was about to speak but was stopped by Connor.

Connor narrowed his eyes and asked Shane, "Is the general manager of Eon Investment Company called Joshua Qualls?"

When Shane heard Connor's words, he couldn't help but be stunned for a moment. Then, he frowned and asked, "Do you know the general manager of Eon Investment?"

Qahira, Ailee, and the others were also confused. After all, in their eyes, Connor was just a poor loser. It was impossible for him to know such a person.

Freya was also dumbfounded.

"I don't..."

Connor smiled and shook his head, then continued, "I've only heard of this person's name!"

"Oh! I knew it! Someone like you wouldn't know Shane's boss!"

Qahira quickly added.

"Shane's boss?"

Connor couldn't help but reveal a playful smile. Qahira probably didn't know that Shane's real boss was standing right in front of her.

Although the general manager of Eon Investment was Joshua Qualls, the real chairman of Eon Investment was Thomas Morgan.

In other words, Connor was actually the boss of Joshua Qualls' boss!

Joshua only held 30% of the shares of the company, while Connor held 60%.

Previously, at the company banquet at the Fairy Lake Resort, Joshua had to queue for more than an hour before he could speak to Connor!

The reason why Connor mentioned Joshua's name was to make Shane restrain himself. However, looking at Shane's expression, he knew that Shane probably didn't understand what he meant.

"I wonder what major Brother McDonald is studying in school now. If it's related to finance, you can come to my company after you graduate. I'll arrange a job with a monthly salary of ten thousand dollars for you."

Shane took a step forward and pretended to be enthusiastic as he spoke to Connor.

In fact, his words were very skillful. Not only could he inadvertently humiliate Connor, but he also said it in such a way that did not allow Connor to find any faults with his words. Most importantly, he could also show off his ability. It could be said that he was killing two birds with one stone.

"Nah!"

Connor said indifferently to Shane.

"Connor, you should be appreciative. Shane won't casually introduce a job to someone. Are you sure you don't want it? After you graduate, it's basically impossible for you to find a job with a monthly salary of more than ten thousand dollars. But now, as long as Shane says the word, you can easily earn more than ten thousand a month. When you become a full-time employee, it won't be a problem for you to earn fifty or sixty thousand dollars!" Qahira shouted at Connor in a strange tone.

“After Connor graduates, he will join my company, so you don’t have to worry about his work!”

Freya shouted with a frown, then pulled Connor and wanted to leave.

At this moment, Freya’s face had darkened. After all, no matter what, Connor was her fiance. But now, these people actually humiliated Connor in front of her. They simply did not put her in their eyes.

“Since Mr. McDonald is going to help Miss Freya’s company in the future, then I won’t do anything unnecessary. After all, it’s much easier to work under your fiancée!”

Shane sneered.

“Hahaha, Brother-in-Law, you just have to say that Connor is someone who depends on his wife. You don’t have to be so tactful!”

Zander burst out laughing.

Qahira and Ailee were also laughing hysterically.

When Connor heard Shane’s words, he could not help but turn his head and glare at Shane.

At this moment, in his gleeful delight of mocking Connor, Shane did not know how miserable he would be in the future.

At this moment, he was humiliating and mocking Connor without any restraint. However, Connor only needed one phone call to change Shane’s life.

“Connor, let’s go!”

Freya grabbed Connor and was prepared to leave.

“Freya, don’t be in a hurry to leave. Shane just booked a restaurant. Let’s go over and have a meal before leaving!”

Qahira saw that Freya was about to leave with Connor and hurriedly called out.

“You guys go ahead. Connor and I will go back first!”

Freya called out without turning her head.

“Don’t. Uncle and the others have already arrived at the restaurant. Isn’t it inappropriate if you don’t bring Connor over?” Qahira shouted again.

When Freya heard this, her expression changed drastically. She had not expected Qahira to call her parents over.

On the other hand, Qahira’s expression was very smug. She naturally wouldn’t let today’s scene end like this.

She wanted to utterly humiliate Connor in front of the Phillips Family and Freya’s parents, so she had already asked them to go to the restaurant.

“Qahira, why did you call my parents out when you want to eat with your fiance?”

Freya shouted angrily at Qahira.

“Isn’t your fiance here today? What’s wrong with us having fun together?”

Qahira replied with a smile, then continued, “Let’s hurry over. If we wait any longer, Uncle and the others will get angry...”

Freya looked at Qahira's expression and was furious. She had never expected Qahira to go so far. Not only did she humiliate Connor here, but she even wanted to bring Connor to her parents and humiliate him in front of them. Wasn't she clearly trying to embarrass her parents?

"Freya, don't tell me you don't dare to go over because you think Connor is too embarrassing?"

Zander said when he saw her standing there without saying anything.

"Why won't I dare to go over?"

Freya gritted her teeth and replied softly, her expression becoming firm.

She knew that if she continued to reject her like this, it was very likely that it would affect Connor's mood, so Freya pulled Connor and said, "Connor, let's go. Someone is buying us a meal; it's a waste not to eat free food!"

H 11

Connor glanced at Freya indifferently, his face turning dark.

Back then, he had refused to come to the Phillips Estate because he was worried that something like this would happen. However, he did not expect the Phillips Family to go so far.

Connor was really unwilling to let Freya and her parents lose face just because of his identity.

However, he couldn't reveal his identity in front of Freya yet. Otherwise, Connor would show Shane that an idiot who didn't want to die shouldn't do anything stupid.

Shane and Qahira saw that Freya had agreed, so they got into the Land Rover and drove off.

Connor followed Freya into the Mercedes-Benz, while Ailee got into Zander's BMW.

The three cars drove straight to the restaurant.

"Connor, I'm sorry. Qahira's personality has been like this since she was young. If she says anything to you, don't take it to heart!"

Freya whispered to Connor as she was driving.

"I should be the one who's sorry. I'm the one who embarrassed you!"

Connor replied guiltily.

"Why would you embarrass me? You're my fiancée. As long as I feel that there's nothing wrong with you, you'll still be the best in my heart!" Freya hurriedly said.

When Connor heard Freya's words, a warm feeling surged in his heart..

Chapter 250: A Society That Only Values Money

Ten minutes later.

Connor and the others came to the restaurant that Shane had booked.

Four middle-aged people stood at the entrance of the restaurant. Two of them were Freya's parents, while the other two were Qahira's parents.

The four stood at the entrance of the restaurant, eagerly waiting for Freya, Qahira, and the others to arrive.

When Freya saw the four middle-aged people at the entrance of the restaurant, a hint of nervousness flashed across her eyes. She turned to Connor and said, "Connor, my parents and my uncle and aunt have already arrived. Let's get off the car!"

"Okay!"

Connor nodded lightly. This was the first time he was meeting Freya's parents, so he was a little nervous.

But before Connor and Freya could get out of the car, Qahira pulled Shane's arm and walked toward the four middle-aged people.

"Dad, Mom, Uncle, Auntie!"

Qahira smiled cutely and greeted the four elders.

Freya's mother, Laura Crawford, turned to look at Shane, who was beside Qahira. She smiled and asked, "Qahira, this must be your boyfriend, right?"

"That's right, Auntie. This is my boyfriend, Shane!"

Qahira quickly nodded.

"Not bad. He looks dignified and is a good match for Qahira!"

Freya's father, Sean Phillips, called out with a smile.

Meanwhile, Qahira's mother, Sandra Phillips, looked at Shane with a smile on her face.

After all, be it his figure, appearance, or clothes, Shane looked very good.

On the other hand, Qahira's family background was not very good. Although her mother was a member of the Phillips Family, her father was an office worker.

Therefore, Sandra felt that it was very good for Qahira to find such an outstanding boyfriend.

Shane politely greeted Qahira's parents and Freya's parents. The atmosphere was quite harmonious.

"Sandra, Qahira is really amazing. She actually found such an outstanding boyfriend."

Freya's mother, Laura, said to Sandra with a smile.

"Laura, what are you talking about? Qahira isn't as good as Freya! Your son-in-law is definitely better than mine!" Sandra replied.

When Sean and Laura heard this, they sighed almost at the same time.

After all, Sean had arranged such a marriage for Freya in order to prevent his company from going bankrupt.

Initially, Sean thought that he had found a good family for Freya. However, he later found out that his future son-in-law was actually a poor student who delivered food. He did not have any family background at all!

After Sean found out about Connor's background, it immediately crushed his fantasy of having a good son-in-law. When Freya's company was in trouble, Sean had originally planned to cancel the marriage and matchmake Freya and Cody Shenaur.

If that was the case, not only would he be proud, but Freya would also not have to suffer with Connor anymore.

However, for some reason, Freya refused to agree to this matter no matter what. Cody then no longer had any thoughts about Freya.

Sean had always been very puzzled by this matter.

Therefore, the two of them inevitably felt a little guilty after hearing Sandra's words.

"If my son-in-law can be one-tenth as good as Shane, I'll be satisfied!"

Laura sighed helplessly.

"Laura, look at what you're saying. You're really too humble! I heard that your son-in-law is very powerful. He even knows the CEO of the Empire World Corporation!"

Sandra hurriedly replied, then turned to Qahira and asked, "Qahira, didn't you say that Freya's fiance would be coming today? Where are they now?"

"Mom!"

Sandra had just finished speaking when Freya's voice suddenly rang out.

When everyone heard Freya's voice, they all turned to look.

Connor and Freya slowly walked over.

When Sandra saw Freya, she hurriedly walked over to her and said in an intimate manner, "Freya, you're finally here. I haven't seen you in years!"

"Hello, Aunt and Uncle!"

Freya didn't have a good impression of Sandra's family, but she still greeted them out of politeness.

“My eldest niece is really getting more and more beautiful now...”

Sandra smiled faintly, then looked at Freya and asked, “Freya, I heard that your fiance is here today. Where is he? Hurry up and ask him to say hello!”

Freya was stunned when she heard this. Then, she looked at Connor awkwardly and said, “Auntie, this is my fiance, Connor McDonald!”

Sandra turned her head to look at Connor, and she suddenly had a look of incredulity on her face.

In fact, Sandra had also noticed Connor just now, but she saw that Connor looked like a loser, so she thought that Connor was Freya’s driver.

However, she had never expected that Freya’s fiance would be this guy who looked like a loser.

Sean and Laura looked awkward.

In their opinion, Connor didn’t look that shabby now. Although the clothes he was wearing were very ordinary, the young man was still quite energetic and not as wretched as other men who were losers.

As for his family background, the two of them were already mentally prepared.

However, Shane was still present. The difference between the two was obvious.

“Freya, your fiance is quite energetic!”

Sandra looked at Freya and said with a fake smile. Then, she instantly lost interest in talking and turned around to leave. From the beginning to the end, she did not say a word to Connor.

Initially, she had wanted to compare Freya’s fiance to her daughter’s fiance. However, it seemed that there was no need for that.

After Sandra left, Freya brought Connor to her parents and gave them a brief introduction.

“Hello, Uncle and Auntie!”

Connor quickly greeted Sean and Laura.

Sean snorted coldly.

Laura didn't say a word. She turned her head and said to Sandra, “Sandra, where is our room? Let's go in and eat!”

At this moment, Sean and Laura were both thinking that they had let their daughter down. They had actually married her off to a person like Connor. It was really too unfair to Freya.

“The private room is upstairs. This time, Shane specially booked a big private room for us. Let's go in!”

Sandra hurriedly replied and enthusiastically dragged Shane into the restaurant.

“Freya, let's go!”

Laura also dragged Freya in.

In the blink of an eye, everyone had walked into the restaurant.

Only Connor was left standing alone at the door. An unprecedented sense of humiliation suddenly emerged in his heart.

Connor could clearly feel the attitude of Sean and Laura toward him, but he felt that it was normal.

After all, those who didn't know Connor's identity would feel that he wasn't worthy of Freya.

At first, Connor also figured that such a thing would happen, but when it really happened, Connor felt that he still couldn't accept it.

"I don't know when it started, but it seems that the society only values money. Without money, you don't even deserve a wife!"

Connor sighed helplessly and walked into the restaurant..
