

10 Trillion 431

Chapter 431: An Existence You Need to Look Up To

Porthampton Airport, VIP lounge.

Two beautiful women dragged their Gucci suitcases into the lounge.

One of them was wearing a tight black skirt. Her sexy figure looked especially attractive under the skirt. Her legs were slender and fair. She wore black stockings and a pair of high heels. Her beautiful face matched her sexy and enchanting figure, giving off an indescribable tempting aura.

The other beauty was dressed more conservatively. She wore a white blouse and a pair of charming sunglasses. Her black hair was casually draped over her shoulders. She was tall and had a quiet temperament. She wore no makeup, but she gave off an extremely pleasing feeling.

When these two appeared in the lounge, they instantly attracted the attention of many.

Even the flight attendants rushing to work at the airport couldn't help but take a few more glances at the two.

"Freya, have you really thought it through?"

Priscilla found a random seat and sat down before turning to ask Freya.

"Yes, I've already thought it through. I can't face Connor now, so I might as well go out and relax. I believe that time can cure all of this!" Freya replied calmly.

After Priscilla heard Freya's words, she couldn't help but sigh and shake her head helplessly. However, she didn't say anything.

She knew that no matter what she said, Freya would not change her mind.

Meanwhile, after Connor arrived at Porthampton's airport in a taxi, he ran straight to Freya's lounge.

On the way here, Priscilla had already sent Connor a text to tell him about Freya's flight and which lounge she would be waiting in.

This was Connor's first time coming to Porthampton's airport. So after looking around, he finally found Freya's lounge.

Connor wanted to walk into the lounge, but before he could reach the door, the security guard outside the lounge reached out and stopped. Then, he smiled at Connor and said, "Sir, I'm sorry. This is our airport's VIP lounge. If you want to enter, please show me your ticket!"

"My ticket?"

When Connor heard this, he was surprised. Then, he said helplessly, "I'm here to look for someone. I don't have a plane ticket!"

"Sir, I'm sorry. That's the rule. If you don't have a ticket, you can't go in. However, if you want to find someone, call your friend now and ask him to come out!"

The security guard at the lounge's door said to Connor with a smile.

"I'm not in the mood to waste time with you now. Let me in quickly!"

Connor was not in the mood to explain things to this security guard. He gritted his teeth and said warningly.

"Sir, I'm really sorry. That's the rule, so I can't let you in!" Seeing Connor's attitude, the airport security guard felt that Connor might be here to cause trouble, so he replied expressionlessly.

“If you don’t let me in now, believe me, I’ll buy the airport now and get rid of you.” Connor glared at the security guard and warned.

When the security guard heard Connor’s threat, a trace of disdain flashed in his eyes. Then, he sized up Connor and said in a disdainful tone, “Hah, who do you think you are? If you can buy this airport, I can buy the entire Porthampton. Do you believe it?”

“You...”

Connor looked at the security guard before him, and a trace of hesitation flashed in his eyes. Then, he took out his phone and dialed Thomas’s number.

“Ring, ring, ring...”

The phone rang twice before Thomas picked it up and asked, “Mr. McDonald, what’s up?”

“I want to enter the VIP lounge of the airport now. 1’11 give you five minutes!” Connor gritted his teeth and replied.

“Okay, Mr. McDonald, I’ll arrange it for you now!” Thomas replied lightly and then hung up the phone.

After the security guard saw Connor hang up the phone, he looked at Connor disdainfully because he felt that Connor might be a psychopath causing trouble here!

“Just you wait. When I’m done with my business, I’ll fire you!” Connor looked anxiously at the lounge and gritted his teeth as he told the security guard in a low voice.

“Hah, what are you pretending for? I don’t believe that you’re capable of this!” The security guard glanced at Connor indifferently and said, disgusted.

However, the security guard didn’t know that the airport manager was rushing toward Connor.

In the lounge.

Freya and Priscilla chatted as they waited to board the plane.

“Hey, pretty, where are you headed?”

A magnetic voice interrupted the conversation between Freya and Priscilla.

Freya was stunned when she heard the voice. She then looked up at the man standing in front of her.

The man was dressed in a well-ironed suit and looked very handsome. The smile on his face was also very gentle. At a glance, one could tell that he was a rich kid.

When Freya saw this man, a hint of disdain flashed in her eyes. She said indifferently, “What does it have to do with you where I go?”

When the man heard Freya’s words, a strange look flashed in his eyes. He had never been treated in such a tone by a girl before.

“Miss, I don’t have any ill intentions. I just...”

Although the man was very unhappy, he did not show it and continued speaking to Freya gentlemanly.

“You just what? You think I’m beautiful and want to pursue me, right?”

Freya narrowed her beautiful eyes and said disdainfully, “Do you know who my fiance is?”

“Who?”

The man was stunned and asked with a puzzled expression.

“Her fiance is an existence that you need to look up to for the rest of your life, so I advise you to get lost quickly. Don’t ask for trouble here!” Priscilla told the man expressionlessly.

When the man heard Priscilla’s words, he couldn’t help but sneer. Then, he shouted at Priscilla disdainfully, “Do you know who I am? Do you know how much money I can earn in a year? What is her fiance? Do you think I need to look up to him for the rest of my life? Aren’t you a little too confident?”

“I don’t care who you are. I would suggest you stay away from us. Otherwise, I’ll call security now!”

Priscilla was not in the mood to pay attention to this man. She sounded impatient.

“I’m a platinum member of this airport. I want to see who has the guts to chase me out of here today!” the man shouted at Priscilla.

However, at this moment, Connor had already followed the airport manager into the VIP lounge.

Connor also heard the conversation between the man, Freya, and Priscilla. Connor subconsciously looked at the man and felt that he looked familiar, but he couldn’t remember where he had seen this man before..

Chapter 432: Let Time Heal

“What happened?” Connor walked over to Freya and Priscilla and asked softly.

When Freya saw Connor, she was surprised.

Freya had never expected Connor to appear here!

However, Priscilla knew why he was there. She walked up to Connor and whispered, “Connor, this man was harassing Freya just now...”

When Connor heard this, he immediately turned to look at the man.

The man was dumbfounded because he knew Connor. His father happened to be the vice president of Thomas' company.

Back at the Immortal Lake Manor, the man had followed his father to attend the party and even met Connor.

The man looked at Connor, trembling.

He did not know how to describe his feelings. He had never thought that Freya's fiancée would be Connor.

"Mr. McDonald, I... I..."

The man hesitated and stammered as if he wanted to explain something.

"Do you know me?" Connor asked the man expressionlessly.

"Yes... I do!" the man swallowed hard and nodded with a terrified expression.

"Since you know me, why are you still standing here? Hurry up and apologize to my fiancée and get lost!"

After knowing the man knew him, Connor didn't plan to waste his breath on him. After all, Freya was about to board the plane, so he had to cherish his time.

"Alright... Alright!"

The man hurriedly nodded at Connor, then walked up to Freya and said with a flustered expression, "Mrs. McDonald, I... I didn't know you were Mr. McDonald's fiancée. I'm so sorry. Please forgive me!"

Freya glanced at the man indifferently and did not say anything.

The man subconsciously looked at Connor.

Connor was not in the mood to deal with this guy at all. He waved his hand at him, indicating that he could get lost.

The man was instantly relieved and quickly turned around to leave the lounge.

After Connor saw the man leave, he walked up to Freya and said softly, "Freya, are you planning to go abroad?"

Freya sized up Connor before asking, "How did you know?"

Connor looked at Priscilla awkwardly and didn't say anything.

"Priscilla told you, right?" Freya continued.

Connor did not admit or deny it.

"That's right, I want to leave for some time. What are you doing here today? Do you want me to stay?" Freya looked at Connor and asked.

Connor hesitated when he heard Freya's words. Then, he said in a low voice, "If you would stay if I asked you to stay, then I will ask you to stay. However, if you really want to go out and relax, then I'll respect your decision!"

When Freya heard Connor's words, she was a little surprised. She had never expected Connor to agree to her going abroad.

She thought that Connor would come over to ask her to stay and not let her leave!

"Do you really think so?" Freya asked Connor in disbelief.

"Of course!"

Connor looked at Freya and nodded lightly.

"Aren't you worried that you won't be able to inherit the inheritance?" Freya asked curiously.

Connor was silent for two seconds after hearing Freya's words. Then, he said, "Of course, I'm worried that I won't be able to inherit this inheritance, but it's not because I want to get this money. It's because if I don't inherit this inheritance, it will fall into the hands of others. Moreover, compared to the inheritance, I think you're the most important. Since you've decided to leave for some time, I'll respect your choice!"

"Connor, don't lie to me. Do you really think so?" Freya was in even more disbelief when she heard that.

"Of course, I think so. I didn't come here today to keep you but to send you off!" Connor said calmly as he looked at Freya.

Freya looked at Connor in disbelief. She had never expected Connor to make such a decision.

She initially thought that after Connor knew she was leaving, he would try his best to keep her, but at this moment, Connor was willing to let go.

"If you ever want to return, call me immediately. I'll come and pick you up! Connor continued after seeing that Freya did not speak.

Freya was silent for a long time. Finally, she looked up at Connor and said, “Connor, I’m going to leave for two years. I want to take advantage of this period to study at Harvard University. I’ll come back in two years. In these two years, you can consider whether you want to be with me to inherit the inheritance or because you really like me. If you want to inherit the inheritance, I’ll help you get it, but I won’t be your real wife. But if you want to be with me, I will be your real wife. Do you understand what I mean?”

Freya knew that she had fallen in love with Connor. She wanted to go abroad now, not to relax, but to give Connor time to consider their relationship.

Freya’s intention was very clear. It didn’t matter if Connor loved her; she was willing to help him. However, she hoped Connor could calm down and think about their relationship.

Although Freya loved Connor, she didn’t want her man to marry her for any other reason. What she wanted was the purest love.

“I understand what you mean. I’ll carefully consider this problem while you’re away. When you come back, I will give you an answer!” Connor looked at Freya and nodded lightly.

Freya looked at Connor and hesitated. Then, she took a deep breath and turned to Priscilla. “Priscilla, let’s go!”

“Yes!” Priscilla nodded, picked up her suitcase, and walked toward the boarding gate.

Connor stood in a daze, looking at Freya in the distance. He was very confused. He did not know what he should do now.

Connor really wanted Freya to stay, but he knew that no matter what he did, Freya would not stay.

Therefore, it was better to let her go and let time heal!

Chapter 433: The Drunken Mina

Not long after, Freya and Priscilla completely disappeared from Connor’s sight.

When he saw Freya leave, Connor felt something was missing from his heart. His entire being was empty.

Connor finally realized that he had already fallen in love with Freya.

Connor stood with a blank expression, staring at the spot where Freya had disappeared from sight.

He really wanted to chase after Freya and make her stay, but he knew that Freya would never forgive him if he did that now.

Therefore, Connor could only stand there foolishly.

After an unknown period, the manager who had brought Connor into the lounge walked up and whispered to him, "Connor, do you still plan to stay here? He's already gone..."

After Connor heard the manager's words, he slowly turned to look at the manager. Then, he sighed softly and turned around to leave the lounge.

The manager looked at Connor with a confused gaze because he had no idea what had happened.

After Connor left the airport, he walked alone on the streets. His mind was filled with images of himself and Freya from the moment they met until now.

After an unknown period, the sky gradually darkened, and Connor instinctively returned to his rented place.

Just as Connor was about to enter the room, he suddenly heard high heels hitting the floor behind him.

Connor subconsciously turned around and saw Mina walking toward him. "Connor, what are you doing?" Mina walked to Connor and asked with a smile. "Nothing much..." Connor lightly replied, then

looked Mina up and down, asking softly, "Don't you live stream anymore? Why do I feel like you've been going out a lot recently?"

"What else can I do if I don't live streams? "It's just that some friends have come to my hometown recently, and I have a friend who is about to celebrate his birthday. They'd asked me to rent a villa in Porthampton for a birthday party, so I've been looking at places these few days..." Mina looked at Connor and explained with a smile.

"How has it been looking recently?" Connor was stunned for a moment and asked softly.

"It's nothing much. Either the location is too far away, or the price is too high. I've been looking for a few days but haven't found a suitable one..." Mina replied with a pout.

After Connor heard Mina's words, he smiled helplessly.

He remembered that he had a nice villa, and it was not far from their rented place. Connor had only stayed there a few times after buying it.

"Uhm, wait for me!" Connor called out to Mina, then walked into his room.

Mina stood rooted to the spot, somewhat puzzled.

After Connor entered the room, he quickly found the key to his villa and returned to the hall. He whispered to Mina, "I have a villa that has always been empty. The place isn't bad and is not far from the city. If you want a birthday party, you can hold it there..."

When Mina heard Connor's words, she was surprised, her face filled with disbelief.

She couldn't help but look at Connor from head to toe. Then, she asked Connor with a puzzled expression, "Really?"

"Of course it's true! Why would I lie to you?" Connor replied indifferently.

“Where did you get the key to the villa?” Mina felt Connor didn’t have the money to buy a villa, so she was curious about where Connor got the key.

“I bought it!” Connor answered without thinking.

Mina looked at Connor and was stunned for a moment. Then, she couldn’t help but laugh and said disdainfully, “Quit joking. How can you have the money to buy a villa? Is it your friend’s house?”

“Hah, if you say so!” Connor didn’t want to explain too much, so he could only helplessly reply.

“How much is the rent? I’ll go to this villa tomorrow to take a look. If it is suitable, I’ll book it. I’ll pay you the rent then!” Mina looked at Connor and said.

“Forget about the rent. My friend doesn’t need the money...” Connor replied indifferently, then looked up at Mina and asked softly, “By the way, do you have any alcohol in your room?”

“Alcohol?” Mina was stunned.

“Yes, I’m not in a good mood today. I want to drink some. Do you have any in your room?” Connor nodded and repeated.

“I haven’t bought any alcohol recently, but if you want to drink, I can order a few bottles and some food now. I’ll drink with you as a thank you for lending me this villa!” Mina smiled at Connor.

Connor stood there and hesitated before saying softly, “Sure!”

Freya’s departure had made Connor’s mood very bad. He could only rely on alcohol to numb himself.

When Mina heard Connor wanted to drink, she took out her phone and ordered food and beer.

Connor sat quietly on the sofa in the living room, watching TV while waiting for the delivery man to bring the beer.

Although Connor did not explain what happened, Mina could still feel that Connor seemed very disappointed today. Connor, who had always taken the initiative to talk to Mina, was surprisingly quiet today. He had been watching TV with full concentration—even the advertisements.

Mina knew that something must have happened to Connor today, but she didn't take the initiative to ask him anything.

The two waited for nearly twenty minutes before the delivery man finally delivered Mina's order.

Mina took out all the kebabs and beer and placed them on the table.

Connor didn't say anything else. He picked up the beer and drank it by himself.

At this moment, there was only one thought in Connor's mind: to use alcohol to numb his disappointment.

After Mina saw Connor drinking it, she hesitated before picking up a bottle of beer and opening it to drink with Connor.

Just like that, they did not speak and just drank their beer.

Mina knew that if she asked Connor what had happened, he would not tell her, so she was prepared to wait until Connor was a bit drunk before asking him what had happened.

However, Mina might have underestimated Connor's alcohol tolerance. Half an hour later, she had drunk about five or six bottles of beer with Connor. Her face began to flush red, and her head began to feel heavy.

Connor, on the other hand, seemed as if nothing had happened. He continued to drink his beer quietly.

“Conn... Connor, why...Why are you drinking today? Did... Did someone break your heart?” As she stammered at Connor, Mina, who was drunk, seemed unable to control her emotions.

“Did you drink too much? If you drank too much, go and rest!” Connor raised his head and looked at the blushing Mina.

“I... I didn't drink too much...” Mina waved her hand at Connor, then walked

over to Connor..

Chapter 434:I Like You

Seeing Mina's dazed look, Connor felt something was not quite right.

After all, Connor was still sober. He could tell at a glance whether Mina was drunk or not.

As expected, Mina was really drunk, and she was ready to go crazy.

Mina staggered two steps before jumping into Connor's embrace. She then sat on Connor's thigh, tightly hugging Connor's neck.

Connor looked at Mina, undeniably awkward.

As Connor wanted to get drunk today, he didn't expect Mina to get drunk first before he even got drunk.

Moreover, Connor had never drunk with Mina before. He also didn't know that after Mina was drunk, she was a crazy drunk.

At this moment, Mina was like a fool. One moment, she touched Connor's ear, and the next moment, she reached out to touch Connor's face. Her eyes were filled with seduction.

Connor was speechless when he saw Mina like this.

He wouldn't have drunk with her if he had known that Mina's drinking habits were so bad.

"Connor, do you know why I came to Porthampton?" Mina suddenly asked Connor.

"I don't..." Connor lightly shook his head.

"My family's situation is quite good. It's considered a prominent family back home, and my parents are quite rich. However, life over there is really depressing. Perhaps because of the big family, everyone in my family is wearing a mask. On the surface, they look harmonious, but behind, they are scheming against each other. Moreover, those things they do are disgusting, so I can't stand it. I came to Porthampton alone and started living alone!" Mina drunkenly said to Connor.

After Connor heard Mina's story, a trace of shock flashed in his eyes.

Although he had known Mina for a long time, this was the first time Connor heard Mina take the initiative to talk about her family. Moreover, Connor did not expect Mina to come from a well-to-do family.

"Connor, what happened to you? Why are you drinking?"

Mina wrapped her arms around Connor's neck and asked him coquettishly.

What Connor couldn't stand the most was that when Mina was talking, she would rub her buttocks against his thighs from time to time, just like those women in the club, making Connor feel a little uncomfortable.

"I'm just in a bad mood, so I want to get drunk!" Connor hesitated before speaking to Mina.

"So why are you in a bad mood?" Mina asked as she looked at Connor.

"..." Connor was speechless when he heard Mina's question. He took a deep breath and didn't say anything.

He didn't want to tell Mina about his situation because she was just an ordinary. Even if she knew about his situation, it would be useless. Besides, Mina couldn't solve anything.

He was only looking for Mina as a companion to drink to vent his inner emotions.

"You don't want to tell me, do you?" Seeing that Connor didn't say anything, he frowned, then continued, "Even if you don't tell me, I know what's happening. You must have confessed to someone and were rejected, right?"

"I guess so!" Connor hesitated, took a deep breath, and nodded.

After Mina heard Connor's answer, she didn't comfort him but started to laugh.

Connor looked at Mina in his arms, speechless because he didn't know what Mina was laughing about.

"Ah, just a rejection? What's there to be sad about?!" Mina patted Connor's shoulder and said with a smile.

"..." Connor looked at Mina's blushing face, he felt somewhat embarrassed. He had never seen Mina so alluring before.

"Connor, you can confess to me. If you confess to me, I definitely won't reject you!" Mina suddenly looked at Connor and said.

When Connor heard Mina's words, he was completely stunned and in disbelief as Connor never dreamed that Mina would say such words.

"Mina, what do you mean by that?" Connor asked Mina puzzled.

“Connor, don’t play dumb with me. I like you. Can’t you tell?” Mina finally spoke her mind with the help of the alcohol.

When Connor heard Mina’s confession, he was instantly dumbfounded. He didn’t know that Mina liked him. He didn’t know when Mina had fallen in love with him.

At this moment, Mina suddenly flipped over and pinned Connor onto the sofa.

Mina looked at Connor with a flushed face. She raised her head slightly and took the initiative to kiss Connor’s lips.

When Mina’s lips touched Connor’s, he instinctively wanted to dodge.

However, Mina wrapped her arms around Connor’s neck and successfully landed the kiss..

Chapter 435: A Call From Cindy

However, just as Connor was about to ‘mount his horse’, Mina suddenly reached out and pushed him.

Mina pushed Connor away, and he instinctively froze for a moment because he didn’t know why Mina pushed him away.

Connor looked at Mina, who was seductive, and a hint of confusion flashed in his eyes. He then whispered to Mina, “What’s wrong?”

Mina didn’t answer Connor’s question. Instead, she got up and ran toward the bathroom.

Not long after, the sound of retching came from the bathroom.

It was obvious that Mina had drunk too much just now, so she was starting to feel nauseous.

Connor sat on the sofa and recalled what had happened just now. He has calmed down a little.

Just now, Mina had taken the initiative, and Connor had almost lost control of himself. However, he did not want to do anything that would let Freya down.

“What was I doing just now?”

Connor raised his hand and slapped himself hard. Then, he got up and was about to leave.

But just as Connor was about to return to his room, he suddenly remembered that Mina was still in the bathroom.

Connor hesitated. He felt leaving Mina alone in the bathroom would be bad.

Moreover, Mina was drunk now. If she fell asleep inside, she would fall sick.

Therefore, Connor finally walked into the bathroom.

After entering the bathroom, Connor found that Mina had fallen asleep by the toilet bowl.

Connor sighed helplessly and walked to Mina.

But he didn't wake Mina up because he didn't know what crazy things Mina would do after waking up.

So Connor carried Mina and walked into her bedroom. He removed Mina's shoes and gently placed her on the bed, preparing to leave.

“Connor, I... I really like you...If it weren't for you back then, I might have been... I've ruined it.

But just as Connor was about to leave the bedroom, Mina suddenly muttered to herself.

After Connor heard Mina's words, he couldn't help but look back at her.

At this moment, Mina's face was flushed red, and she would occasionally let out a soft snort. It was tempting.

Actually, if Connor had not fallen in love with Freya, he felt that being able to be with a girl like Mina was not a bad thing.

However, Connor had already fallen in love with Freya. There was no place in his heart for any other girl.

"Phew..." Connor took a deep breath and then walked out of the room.

A moment later, Connor returned to his room and lay on the bed, looking at the mottled ceiling and feeling myriad emotions in his heart.

In fact, sometimes Connor did not know if he was lucky. If he was lucky, Connor felt that even if he inherited such a large inheritance, his life seemed not as easy as before when he had no money. Although he had no money back then, at least Connor lived very simply!

However, Connor's luck was not something ordinary people could compare to. Who dared to say that Connor's luck was terrible when he inexplicably inherited such a large inheritance?

Therefore, Connor was also very puzzled.

With such doubts, Connor closed his eyes and gradually entered dreamland.

The next day, at 8 AM.

Connor opened his eyes and walked into the bathroom to wash up.

After washing up, Connor returned to his room and sat alone in a daze on the bed.

There was still a week before school started. Freya had left, and Connor had finished dealing with Yannick.

Connor suddenly realized that there was nothing else he could do.

Connor hesitated momentarily, then took out his phone and was about to call Dominic and Spencer.

They hadn't seen each other for nearly two months. Connor was going to ask the two of them to hang out.

"Ring, ring, ring!" However, just as Connor took out his phone, it suddenly rang.

Connor glanced at his phone and realized that it was an unfamiliar number. A trace of doubt flashed in Connor's eyes. Then, he softly pressed the answer button and asked, "Who is it?"

"Connor, it's me!" A girl's voice suddenly replied.

"Who are you?" Connor asked speechlessly.

"Cindy, can't you recognize my voice?" Cindy asked, disappointed.

When Connor heard that it was Cindy, he was dumbfounded.

He didn't know why Cindy had called him or how she had gotten his number.

Connor didn't have much interaction with Cindy. They had only met a few times. In addition, Connor didn't have a good impression of Cindy, so he couldn't understand why Cindy would suddenly call him!

"What's up?" Connor hesitated and asked, puzzled.

"Why else would I look for you? Do you have time now? I have something to tell you!" Cindy said, irritated.

"I'm not free!" Connor didn't want to bother with Cindy because he had never had a good impression of her.

Moreover, as Dominic's friend, it seemed inappropriate for Connor to meet Cindy alone.

"All, you still dare to reject me when I asked you out? Connor, do you really think you're a rich heir?"

Cindy didn't expect Connor to reject her. After hearing Connor's rejection, she spoke angrily.

"If there's nothing else, I will hang up!" Connor didn't want to waste time on her.

"Why would I call you for nothing? Am I that bored? Come to the Old Captain's Bar at eight tonight. I have something very important to tell you..." Cindy said impatiently.

"What do you want? Can't we talk over the phone?" Connor asked speechlessly.

"Of course not over the phone. You must come to the Old Captain's Bar at eight tonight. If you don't, I'll tell Dominic and the others about you pretending to be a rich heir in the showroom." Cindy ended the call after saying this.

When Connor saw that the call had ended, a hint of helplessness flashed in his eyes. He had no idea what Cindy wanted.

However, Connor was worried that Cindy would reveal what happened in the showroom that day. Once Dominic and the others knew about it, it would be difficult for him to explain it.

Therefore, it was better to avoid trouble. In addition, Connor had nothing to do today, so after thinking for a while, he decided to go over at eight to see what Cindy wanted..

Chapter 436: Scarlett Moore's Plan

8 PM.

Connor saw that it was about time, so he changed his clothes and was about to set off for the Old Captain's Bar.

However, just as Connor was about to leave the house, Mina followed him out of the room.

At this moment, Mina was completely awake and dressed up very beautifully.

After seeing Mina, Connor couldn't help but recall what happened last night, as well as what Mina said to him. Connor suddenly felt that he didn't know how to face Mina.

However, what Connor didn't expect was that Mina was acting as if nothing had happened last night.

"Connor, are you going out?"

Mina asked Connor with a smile.

Connor was stunned for a moment after hearing Mina's words, and then quickly replied, "Yeah, are you going out too?"

"Yeah, didn't you give me the key to a villa yesterday? I'll go over and take a look now..."

Mina replied lightly, and then a blush flashed across her face. She asked Connor softly, "Connor, did you send me back to my bedroom last night?"

"Uh..."

Connor looked at Mina, and he looked anxious. He didn't expect that Mina didn't even know how she went back to her bedroom last night.

"I did..."

Connor replied after thinking for a moment.

"Then, did I do anything to you? Or did I say something to you?"

Mina hesitated for a moment before looking at Connor and asking.

"Don't you remember what happened last night?"

Connor looked at Mina in disbelief.

Mina's eyes flashed with a trace of embarrassment, then she pursed her lips and said softly, "I've never been a good drinker. Once I drink, I go crazy easily. Also, I don't even know what I would do when I'm drunk. However, I remember that you didn't seem to be in a good mood last night. You said that you wanted to drink with me, but I don't remember what happened after that..."

"Oh!"

When Connor heard Mina's words, he nodded thoughtfully.

"Connor, did I do something to you last night?"

Mina saw that Connor's expression seemed off and quickly asked him.

"You didn't do anything to me last night, nor did you say anything to me. After drinking, you fell asleep. Then, I sent you back to your bedroom and went back to my room!"

Connor thought for a moment. Since Mina had already forgotten what happened last night, then there was no need for him to tell Mina what the two of them had done.

After all, if Mina knew, the situation would definitely be very awkward. Moreover, Connor had no intention of being with Mina now, so as long as the matter was not revealed, Connor could still get along with Mina as per usual.

Therefore, Connor felt that it was best to pretend that this matter had never happened.

"Did I really not do anything?"

Mina blinked her big charming eyes and asked Connor with a serious expression.

"Don't worry. You didn't tell me anything last night, nor did you do anything. You just drank some wine and fell asleep..."

Connor looked at Mina helplessly.

"That's good..."

When Mina heard Connor's words, she finally heaved a sigh of relief, then heavily patted her well-endowed chest.

"It's dark out. Is it safe for you to go out alone?"

Connor didn't want to continue talking about this topic, so he changed the subject.

"It's fine. I'm just going to your friend's villa to take a look. If it's suitable, I'll use your friend's villa so that I don't have to go looking for a place..." Mina replied with a smile.

"It's getting late. Come home as soon as possible!"

Connor said softly.

"Okay!"

Mina nodded and turned to leave.

Connor looked at Mina's back and hesitated for a couple of seconds before following her out of the room.

On the other side.

After Scarlett Moore got off work, she hurriedly returned home.

Meanwhile, Scarlett's cousin, Cindy Stone, was sitting on the sofa and watching TV. Her posture was very seductive.

"Cindy, you and Mr. McDonald have already agreed to meet at the Old Captain's Bar, right?"

After returning home, Scarlett took off her high heels and asked Cindy excitedly.

"Mr. McDonald? He's just a poor loser. I've already made an appointment with that poor loser to meet at the Old Captain's Bar at eight o'clock tonight. Don't worry. Connor will definitely be there by then..." Cindy replied with a pout.

“8 PM?”

When Scarlett heard the time, she could not help but be stunned. She hurriedly took out her phone. Then, she shouted, “Cindy, why didn’t you tell me the time earlier? It’s almost eight o’clock now, Mr. McDonald... No, what if Connor has already left?”

“Don’t worry. Connor won’t leave. So what if the two of us are a few minutes late? Connor still has to wait for us obediently!”

Cindy didn’t know about Connor’s identity, so she didn’t really care.

When Scarlett heard Cindy’s words, a hint of helplessness flashed across her eyes. She was not in the mood to argue with Cindy about these things. She turned around and ran toward her bedroom.

After entering the bedroom, Scarlett opened the wardrobe and took out a few sets of clothes.

These clothes were all prepared by Scarlett for Connor, and she quickly changed into them.

At this moment, Scarlett was wearing a black short skirt that was wrapped around her hips. The short skirt accentuated her graceful figure to the fullest. Her long and straight legs were wrapped in a pair of black stockings. There was no excess fat. The blue diamond necklace fell on her exquisite and sexy collarbone, causing everything around her to pale in comparison. Her aura was natural, and she looked extremely pleasing to the eye.

Not only was Scarlett beautiful, but her figure was also extremely seductive. It could be said that her bones were naturally seductive. Even a casual movement of hers carried a seductive temperament that made people fall in love with her.

Scarlett felt that as long as Connor was a man, he would not be able to reject her. Moreover, she had prepared a secret weapon.

Thinking of this, Scarlett opened her bag and took out a bottle of pills.

This bottle of pills was specially brought back by Scarlett's friend from abroad. Just one pill could make people lose their minds.

Scarlett's goal today was very simple. She had to have sex with Connor.

Moreover, these few days were her critical period. Perhaps she could even get pregnant with one shot!

At that time, Scarlett would be able to get married to a wealthy man and enjoy the utmost comfort in life..

Chapter 437: Let's Talk Inside the Bar

At the thought of this, a charming smile appeared on Scarlett's face.

"Mr. McDonald, let's see how you're going to escape from me this time!"

Scarlett looked at the pill in her hand and could not help but mutter softly.

"Scarlett, what are you doing? Are we going or not?"

At this moment, Cindy suddenly ran into Scarlett's bedroom.

When Scarlett saw Cindy come in, she hurriedly hid the pill in her hand and turned to Cindy. "Let's go..."

When Cindy saw Scarlett dressed like this, she could not help but be stunned for a moment.

She frowned and asked with a puzzled expression, "Cousin, aren't we just going to meet Connor? Did you have to dress up so beautifully?"

"Of course, I have to dress up a little more beautifully. Otherwise, why would Connor be fooled?"

Scarlett quickly explained.

“Scarlett, you’re so good to Tanya. If she knows that you’ve sacrificed so much for her, she will definitely be moved to tears!”

Cindy thought that Scarlett was doing all this for her best friend, so she said excitedly.

“Tanya is my best friend. I won’t watch her be defiled by Connor!”

Scarlett replied helplessly.

“Connor is really despicable. I must teach him a good lesson today!”

As Cindy spoke, she grabbed Scarlett’s arm and dragged her out of the room.

8:30 PM.

Scarlett and Cindy finally arrived at the Old Captain’s Bar in the new district of Porthampton.

After getting out of the car, Scarlett saw Connor, who was standing anxiously at the entrance of the bar. She suddenly became nervous.

After all, Connor was her boss. It was really inappropriate to make her boss wait for so long.

Scarlett hurriedly dragged Cindy and ran toward Connor.

“Mr. McDonald, I’m really sorry for being late...”

Scarlett said to Connor nervously.

“It’s alright...”

Connor could not help but be stunned when he saw Scarlett. He did not know why she would appear here.

“Scarlett, why are you apologizing to someone like Connor? Anyway, he has nothing else to do. He wouldn’t die if he waited for a few minutes!”

Cindy pouted and exclaimed. Then, she looked at Connor from head to toe and asked him with a disdainful expression, “Connor, weren’t you planning to buy all the villas in the showroom? Did you buy them?”

Obviously, Cindy was planning to use this matter to mock Connor.

When Connor heard Cindy’s words, he looked at her coldly and said softly, “Didn’t you say that you want to see me about something? What is it?”

“Why would I want to see you?”

Cindy replied with a disdainful expression before continuing, “It’s my cousin who is looking for you...”

“Your cousin is looking for me?”

Connor could not help but turn his head to look at Scarlett. He was a little puzzled.

Scarlett didn’t want Cindy to know Connor’s identity. After all, she hadn’t gotten him yet.

Moreover, if Cindy found out that she had been using her, Cindy would definitely make a scene.

Therefore, Scarlett winked at Cindy and said softly, "Cindy, you wanted to play with your friends, right? Why don't you go back first?"

Cindy naturally understood what Scarlett meant by that. She hurriedly smiled and said, "Alright, I'm leaving now. I've booked a private room for the two of you. If you have anything to talk about, you can go straight to the private room!"

After saying this, Cindy left happily.

She was prepared to watch the show later!

Connor stood at the entrance of the Old Captain's Bar. After seeing Cindy leave, he became even more puzzled.

After all, Connor did not have much contact with Scarlett. At most, Connor had physical contact with her once in the elevator.

Connor really could not understand why Scarlett had called him out today.

'Does this woman want to blackmail me because I took advantage of her last time?'

Connor looked at Scarlett, who was dressed scantily, and a trace of confusion flashed across his eyes.

Especially under Scarlett's short skirt, those two beautiful legs wrapped in black silk were very tempting. She was simply tempting Connor to commit a crime!

"Mr. McDonald, Cindy doesn't know your identity yet, so she's a little rude. Please don't stoop to her level. She's just a child..." Scarlett hesitated for a moment and said softly to Connor.

"It's okay. I won't hold it against her. But why did you ask me out today?"

Connor sized Scarlett up and asked her in confusion.

When Scarlett heard Connor's words, she did not answer immediately. Instead, she smiled and said, "Mr. McDonald, why don't we talk inside?"

Connor turned and looked at the Old Captain Bar behind him. He felt that since he was already here today, he might as well go in and see what she wanted to do.

Therefore, Connor walked into the bar. When Scarlett saw him enter, a trace of joy flashed across her pretty face. Then, she followed him in.

The Old Captain's Bar was a famous bar in Porthampton. It was about the same size as Xena Hart's bar, and business was booming.

Although it was not yet nine o'clock, the bar was already crowded.

After Connor and Scarlett had entered the bar, they did not go to the private room immediately. Instead, they found a random seat and sat down.

Connor looked at Scarlett and asked softly, "Now can you tell me why you're looking for me?"

"Mr. McDonald, don't be anxious..."

Scarlett replied sweetly. Then, she blinked her foxlike eyes and asked Connor softly, "Mr. McDonald, what would you like to drink?"

"Anything is fine..."

Connor replied indifferently. He felt very helpless. He did not know what Scarlett was trying to keep in suspense.

Scarlett smiled faintly when she heard Connor's words. Then, she stood up and walked toward the bar counter.

In fact, in normal bars, there would be waiters coming over to serve drinks. There was no need for her to go over and order.

However, in order to make it more convenient for her to drug him, Scarlett specially went to the bar counter.

Connor naturally didn't think of this.

After Scarlett left, he looked at the handsome men and beautiful women on the dance floor, engrossed in the music..

Chapter 438: Ambiguity in the Air

After a while, Scarlett returned to Connor's side with two glasses of whiskey.

"Mr. McDonald, I didn't know what you liked to drink, so I ordered a glass of whiskey for you!"

Scarlett said as she handed the whiskey she had drugged to Connor.

Connor glanced at the whiskey but didn't take it.

Instead, he looked at Scarlett and asked, "You should be able to tell me now why you called me out, right?"

When Scarlett saw that he had no intention of drinking, her face immediately revealed a nervous expression. She asked Connor softly, "Mr. McDonald, would you like to try this glass of whiskey? I heard that it's very delicious..." "Why did you call me out?"

Connor asked Scarlett impatiently.

When Scarlett saw Connor's impatient look, she could not help but be stunned for a moment. Then, she said pitifully, "Actually, I just feel that I've offended you in the company previously, so I wanted to apologize to you in person..." "You called me out because of this?"

Connor frowned and asked in confusion.

"That's right. Otherwise, what else could it be? I knew that if I called you out, you definitely wouldn't come. That's why I had no choice but to ask Cindy to call you out..."

Scarlett was like an actress at this moment. She pretended to look pitiful as she looked at Connor.

Connor naturally could not tell that Scarlett was lying, so he said in a low voice, "I have long forgotten about that matter. You don't have to take it to heart..."

"Really?"

When Scarlett heard Connor's words, a trace of excitement flashed across her eyes.

"Of course, it's true!"

Connor nodded helplessly.

"Mr. McDonald, you've forgiven me, right?"

Scarlett looked at Connor and continued to ask.

"Yes, I've already forgiven you!"

Connor looked at Scarlett and nodded again.

“Then, Mr. McDonald, this glass of wine is my toast to you. Take it as my apology to you. If you really forgive me, how about drinking this glass of whiskey?”

Scarlett was quite a scheming woman. She seized the opportunity and hurriedly raised her wine glass.

Connor hesitated for a moment before raising his glass as well.

He did not want to waste any more time with Scarlett, so he picked up the glass and clinked it with hers before drinking the whiskey.

Scarlett’s eyes flashed with pride when she saw Connor finish his whiskey.

Scarlett’s glass of whiskey was quite good. Although Connor had worked in a bar before, this was his first time drinking whiskey.

After drinking, Connor felt that there was nothing else to talk about, so he stood up and said to Scarlett, “If there’s nothing else, I’ll be leaving now!”

Scarlett did not expect Connor to be in such a hurry to leave. Although the drug was very effective, it would take at least half an hour for it to take effect.

If Connor left now, all of Scarlett’s previous plans would be in vain.

Therefore, Scarlett hurriedly reached out to hold Connor’s arm and said coquettishly, “Mr. McDonald, it’s not easy for the two of us to meet. Why not we go dance?”

“Dance?”

When Connor heard Scarlett's words, he was stunned again. Then, he said with a helpless expression, "I don't know how to dance..."

"It's okay. I'll teach you if you don't know how to dance!" Scarlett replied with a smile, then dragged Connor to the dance floor.

Connor wanted to reject Scarlett, but she was very strong and directly dragged him to the edge of the dance floor.

"Well, I really don't know how to dance. How about this? I'll watch you dance from the side and leave when you're done."

Connor said to Scarlett helplessly.

"Then, Mr. McDonald, you can't sneak away!" Scarlett hesitated for a moment and whispered to Connor.

"Don't worry, I won't leave!"

Connor replied helplessly.

After hesitating for a moment, Scarlett walked onto the dance floor.

The reason why Scarlett chose to drag Connor to dance was to wait for the drug to take effect.

Connor did not know what Scarlett was planning at all. He also did not know why she had called him out this time.

However, it was still early. Connor had nothing to do tonight, so he casually found a seat beside the dance floor and sat down. Then, he watched Scarlett walk onto the dance floor alone.

At this moment, the dance floor was already packed with people. When Scarlett appeared, she instantly attracted the attention of countless men.

After all, Scarlett was dressed very sexily today. The short skirt that wrapped her hips perfectly accentuated her seductive figure. Coupled with her seductive fox face, she was definitely very popular in a place like a bar.

However, Scarlett did not care about the people on the dance floor. After all, her main target today was Connor.

Therefore, even though she had arrived at the dance floor, Scarlett's gaze was still fixed on Connor. She was worried that Connor would suddenly leave.

In the middle of the dance floor, dazzling lights shone on the bodies of men and women. Strong drumbeats, noisy crowds, and countless men and women who were on the dance floor dancing to the music. The scene was extremely high.

Although Scarlett didn't frequent nightclubs, she quickly began to twist her body to the music under the heated up atmosphere.

Under the dim light, the bartender swayed his body gently and elegantly mixed glasses of fine wine. On the dance floor, lonely hearts that were in urgent need of comfort were wantonly venting their emptiness.

At this moment, Scarlett was gradually getting into the mood. Following the crowd on the dance floor, she began to dance wildly. Her movements became bigger and bigger, and her eyes began to become blurry. Her entire body emitted waves of alluring aura, as if she could capture a man's heart at any time.

The bar was filled with an ambiguous atmosphere, and Scarlett was doing her best to twist her hot body, constantly attracting Connor's attention.

At this moment, Scarlett had already let down all the guard in her heart. She wanted to go crazy once, for Connor.

Scarlett had not only drugged Connor's wine, but she had also drugged her own. This way, she could ensure that her plan tonight would go smoothly.

In order to have sex with Connor, she was going all out!

Chapter 439: Connor Who Had Lost Control!

At the bar counter.

Connor narrowed his eyes and looked at Scarlett. His expression was filled with desire.

In the beginning, Connor felt that he was still conscious. However, he didn't know when it started, but he suddenly felt dizzy. He also started to recall what happened between him and Mina last night.

That's right, Connor was already completely under the control of the knockout powder.

On the dance floor, Scarlett, who was twisting her body crazily, naturally noticed the change in Connor's expression!

"Hehe, Mr. McDonald has taken the bait!"

This thought flashed through Scarlett's mind. A trace of inexplicable excitement appeared on her face, so her body twisted even more seductively.

Scarlett kept twisting her delicate body. Her beautiful face was full of charm. Her exquisite chin was slightly raised, and her lips were trembling slightly. Her beautiful eyes kept on shooting electricity at Connor!

Seeing such a beautiful woman take the initiative, as long as it was a normal man, there would probably be no one who could resist.

Connor was also a man. Moreover, because of the effects of the drug, the restlessness in Connor's heart had been completely ignited by Scarlett.

He could now clearly see the expression on Scarlett's face. Her charming eyes and seductive red lips seemed to be sending a message to Connor, that was, hurry up and do me!

If it was the usual Connor, he would definitely be able to control the restlessness in his heart. However, at this moment, for some reason, Connor felt that every cell in his body was restless, and his entire body was filled with endless hot blood.

"Huff..."

Connor took a deep breath and then changed to a position closer to Scarlett.

When Scarlett saw that Connor had changed his position, she got even more excited. This was because she knew that Connor had already lost control. She could see Connor's emotions from his eyes.

Scarlett couldn't help but smile. Then, a sly look flashed across her face. She deliberately leaned her body forward slightly to show Connor her fullness.

When Connor saw Scarlett like this, he finally could not control his emotions anymore. He directly walked toward her.

Scarlett knew that her plan today had finally succeeded.

After a while, Connor walked behind Scarlett and followed her footsteps as he twisted his body.

Scarlett did not have any intention of dodging at all. After all, all of this was what she wanted. Therefore, she also began to dance along with Connor.

A moment later, Scarlett realized that Connor did not seem to want to do anything to her. She could not help but turn around to look at Connor. She realized that Connor seemed to be trying his best to control his desire!

A strange look flashed across Scarlett's beautiful eyes. She never expected Connor's self-control to be so strong. If it were any other man, he would probably have lost control long ago.

'I can't do this... I can't betray Freya!'

At this moment, a voice echoed in Connor's mind.

Connor bit his tongue hard, trying to keep himself awake. Then, he turned around and walked off the dance floor.

However, at this moment, Scarlett suddenly reached out and grabbed Connor. Then, she placed Connor's hand on her slender waist!

When Connor's hand touched Scarlett, it was as if his entire body had been electrocuted. He felt great from his skull to his feet.

In the next second, Scarlett hugged Connor's neck tightly!

Then, the music on the dance floor began to stir.

All the surrounding lights were turned off, leaving only a spotlight that kept sweeping across the dance floor.

Scarlett hugged Connor tightly and gently stood on her tiptoes. Her seductive red lips were just right on Connor's lips.

On the other side.

After Cindy Stone parted ways with Connor and Scarlett, she began to stroll around the streets alone.

From time to time, Cindy would take out her phone and take a look. It seemed that she was waiting for Scarlett to expose Connor's true colors so that she could go back and watch the show!

However, Cindy did not know that Scarlett's plan today was not as simple as exposing Connor's true colors!

Scarlett was planning to do what she wanted with Connor.

Cindy strolled along the street for a few minutes, but she didn't find it interesting. So, she found a random KFC and ordered a set meal.

"Since Scarlett is sacrificing so much for Tanya, if Tanya doesn't see Connor's true colors with her own eyes, wouldn't that be a shame?"

Cindy sat in the KFC and couldn't help but whisper to herself. Then, she pretended to be smart and said, "Scarlett is really stupid. Do I still need to record a video of Connor? Can't I just get Tanya to come over and take a look..."

Thinking of this, Cindy took out her phone and dialed Scarlett's best friend Tanya Lewis's number.

However, the innocent Cindy didn't know that Connor and Tanya didn't know each other at all. The two of them hadn't even met before.

Scarlett was just looking for an excuse to get close to Connor. She had no intention of helping her best friend expose Connor's true colors.

If Scarlett knew that Cindy was making this call, she would probably be so angry that she would vomit blood on the spot!

However, Scarlett was still lingering with Connor on the dance floor and had no idea what Cindy was doing outside.

Ring! Ring!

The phone rang twice before the other party picked up.

“Cindy, why are you calling me? What’s the matter?”

Tanya and Cindy had met a few times, and their relationship was not bad.

“Tanya, can you come to the Old Captain’s Bar now? I have something to tell you...”

Cindy said gently.

“Cindy, what’s wrong?”

Tanya felt that Cindy’s tone sounded a bit off.

“Tanya, don’t ask so many questions. Just hurry over...”

Of course, Cindy wouldn’t reveal her true motive. After all, she didn’t know if Scarlett had succeeded or not.

“Cindy, are you really alright?”

Tanya seemed to be a little worried and continued to ask.

“I’m fine! Hurry up and come over. Otherwise, you’ll miss it...” Cindy shouted helplessly.

“Al... Alright, then...”

Tanya could feel the urgency in Cindy's tone, so she could only helplessly agree..

Chapter 440: Let's Go to the Private Room

Seeing that Tanya had agreed, she hung up the phone with satisfaction.

But after a while, Cindy took out her phone and made a call.

Cindy felt that if she only called Tanya over today, it would be too easy on Connor.

Therefore, she was prepared to call one of Scarlett's admirers and ask him to come over and teach Connor a lesson.

The phone rang twice before it was picked up by a man.

"Quinlan, I'm Scarlett's cousin, Cindy Stone. Do you still remember me?"

Cindy said coquettishly.

"Oh, Cindy. What's the matter?"

When Quinlan found out Cindy's identity, he replied with a smile.

"Um, Quinlan, are you free now? Can you come to the Old Captain's Bar? I have something to tell you..."

Cindy said softly after a moment of hesitation.

"What is it? Can't we talk over the phone?"

Quinlan's tone was filled with confusion.

“Quinlan, this matter has something to do with Scarlett. Moreover, if I tell you now, you definitely won’t believe me, so you’d better come over quickly!” Cindy explained slowly.

After hearing Cindy’s words, Quinlan was silent for a while before he asked softly, “Cindy, are you sure this has something to do with Scarlett?”

“Quinlan, why would I lie to you about something like this? Just come over quickly!”

Cindy replied helplessly.

“Alright, then!”

Quinlan agreed helplessly and then hung up.

After the call ended, Cindy’s expression was unusually smug.

Scarlett’s admirer was a rich heir. His family was very rich, and he was very well-connected in society. He knew many people in the underworld.

If Quinlan saw Connor and Scarlett together, Quinlan would definitely not let Connor off easily. At that time, Connor would definitely not have a good ending!

“Connor, oh, Connor, I want to see how you’ll escape this calamity today!”

Cindy looked at the scenery outside KFC and couldn’t help but sneer.

At the same time, on the dance floor of the Old Captain’s Bar.

Perhaps it was because the lights were too dim, Connor and Scarlett were hugging each other in an extremely suggestive position, just like most of the young men and women on the dance floor.

Just as Scarlett was kissing Connor, his right hand seemed to be out of control as well, directly reaching toward her waist.

Scarlett did not try to stop him at all. She nestled her small head on Connor's body, and her black hair naturally fell on Connor's shoulder.

On the other side.

Cindy took a taxi back to the entrance of the Old Captain's Bar. She couldn't wait to go in and watch the show.

However, Tanya and Quinlan weren't there yet, so Cindy didn't go in.

"Why aren't they here yet?"

Cindy took out her phone and looked at it, muttering anxiously.

However, at this moment, a black Mazda stopped beside Cindy, and a sexy beauty in high heels stepped out of the car.

When Cindy saw the girl, she hurriedly waved and shouted, "Tanya, I'm here!"

"Cindy, it's already so late. Why did you ask me to come here?"

Tanya walked to Cindy and asked her with a puzzled expression.

"I called you over because I have a good show for you to watch. Wait a little longer. I'm still waiting for someone else..."

Cindy replied with a smile.

“Someone else? Who is it?”

Tanya couldn't help but be stunned when she heard Cindy's words.

“The guy who is pursuing Scarlett, Quinlan Jefferson!”

Cindy said lightly.

“Why did you ask him to come? What do you want to do?” When Tanya heard Cindy's words, she seemed to be even more confused.

Just as Cindy was about to speak, a white Mercedes-Benz stopped beside her.

A fat man with a greasy face got out of the car and asked Cindy, “Cindy, why did you ask me to come here?”

“Quinlan, Tanya, let's go. You're in for a good show tonight!”

Cindy smiled mysteriously and didn't explain anything. She walked straight into the bar.

When Quinlan and Tanya saw Cindy like this, they became even more confused.

Neither of them knew what Cindy was up to!

However, since the two of them were already here, they definitely wouldn't leave just like that. In the end, they followed Cindy into the bar..
