

GETTING \$10 TRILLION OUT OF NOWHERE

Chapter 45: I Will Buy That Villa

Although Chloe Lawson was not happy about the situation, she didn't dare to go against Yannick Carter's order. She could only bring Connor to the showroom's sand table model.

Yannick knew that Connor definitely couldn't afford the villa here, so he didn't stay too long and immediately left the showroom.

At this moment, Lily Schmidt stood rooted to the spot, nervous as her eyes were filled with helplessness.

She knew she had offended Chloe by bringing Connor here today. Once Connor left, Chloe would fire her for sure.

So right now, Lily was at a loss. She could only lower her head and fidget with the hem of her clothes.

Chloe led Connor to the sand table model and pointed at a villa in the corner, snappily saying, "This is the last villa we have. It covers an area of 400 square feet and comes with a garden. The price of one square meter is 20,000 dollars. Including the handling fees, taxes, and other fees, the total cost is eight million dollars!"

"Eight million dollars?"

Connor could not help but feel stunned when he heard the number.

"That's right. This villa is located in an obscure corner, so it is cheaper. As for the other villas, one square foot would cost at least 40,000 dollars or more."

Chloe replied indifferently. Then, she sized Connor up and continued, "However, I guess you can't afford even the cheapest villa, right?"

Hearing this, Connor glanced at Chloe but said nothing.

"Alright, drop the act. After all, how can a loser like you have the money to buy a villa?"

“I don’t want you to waste your time either. Move along now. I won’t hold what happened before against you!”

After Yannick left, Chloe started sounding sarcastic again.

At this moment, Connor and Chloe were standing very close to each other so that Connor could smell the faint perfume on Chloe.

Putting aside Chloe’s personality, she had quite a great figure. She could be considered a beauty among beauties.

Especially her pair of full breasts under the white blouse.

“How sure are you that I can’t afford this villa?”

Connor raised his head and glanced at Chloe. His tone was cold as he spoke.

“Whether you can afford it, you should know that yourself.

“Let’s not mention eight million dollars. I would consider you impressive if you can even come up with eighty thousand dollars today!”

Chloe rolled her eyes and said to Connor disdainfully.

“Hah!”

After Connor heard what Chloe said, he sneered and didn’t say anything more. He turned around and was about to leave.

“Poor loser! I knew you couldn’t afford it. What a waste of time!”

Seeing that Connor was about to leave, Chloe couldn’t help but mutter disdainfully.

Connor wasn’t in the mood to continue paying attention to Chloe. Instead, he turned around and walked out of the showroom.

It wasn’t that Connor couldn’t afford this villa. Connor only felt that the location of this villa wasn’t great.

After all, he had inherited ten trillion dollars in inheritance. If he really wanted to buy a house, he would definitely have to buy the best villa in the best location.

On the surface, everyone there thought Connor did not have the money and was not worthy of this villa.

Little did they know, this villa was not worthy of Connor's current status.

"Lily Schmidt, what are you still standing there for? You can leave now!"

Chloe saw Connor leaving and rolled her eyes at Lily.

"Ms. Lawson, is... Is it time to get off work?"

Lily was surprised when she heard what Chloe said. She bit her lip and asked in a low voice.

"Get off work?"

Chloe sneered and then said sarcastically, "That's right, you can get off work now. And it's permanent. You don't have to come back anymore!"

Lily led Connor into the showroom, which had caused Chloe to be scolded by Yannick.

Chloe was very upset by that, so she was going to vent her anger on Lily.

When Lily finally realized what Chloe had said, she was stunned and looked aggrieved.

"Ms. Lawson, I..."

Lily opened her mouth, wanting to explain.

"Ms. Lawson, 1,1,1... !! Can't you understand human language or something? I said you've been fired. Get lost now!"

Chloe shouted coldly.

Lily stood where she was and hesitated, tears welling up in her eyes.

Lily's family situation was not good to begin with. A few years ago, Lily's father fell seriously ill, which had run the family's finances dry.

Lily's university tuition fees were paid by her mother's hard-earned money.

As Lily attended university, she worked part-time too. One reason was that she had to pay her tuition fees, and the other was to support the family expenses.

Therefore, this job was critical to Lily.

When he heard what happened behind him, Connor turned to look at Lily.

When he found Lily crying, he couldn't help but ask softly, "What happened? Are you okay?"

"No... nothing..."

Lily reached out to wipe the tears from the corner of her eyes and turned around to leave with Connor.

Connor hesitated before stopping in his track. He turned around to look at Chloe, asking softly, "Why did you fire her?"

"I'm the manager of this showroom. I can fire whoever I want. What does that have to do with you?" Chloe replied with disdain.

"Mr. McDonald, just stop. Let's go!"

Lily reached out and tugged at Connor as she said softly.

Connor glanced at Lily sympathetically. He had no intention of leaving at all.

Instead, he walked up to Chloe and said grudgingly, "Lily didn't do anything wrong today. Why did you fire her?"

"Who do you think you are? Why did I fire her? Do I owe you an explanation for that?"

Chloe spat, disgusted.

“You don’t need to explain to me, but you should give Lily an explanation. Otherwise, I will go to the person-in-charge of your showroom right now!” Connor glared at Chloe and threatened.

“You want an explanation, right?”

Chloe sneered and continued, “Then, I will give you one. I fired her because she was not good at her job. She does not have foresight. She brought everyone and anyone into our showroom. This will affect the image of our showroom.

“You have to understand that the properties we sell here are all worth tens of millions. If our customers see a loser like you come in to look at the properties, wouldn’t that make us a joke? Why do you think I should let this kind of employee stay?”

“You think she doesn’t have foresight?”

Connor asked softly.

“That’s right. She even brought a loser like you into the showroom. Does that not show that she lacks foresight and...”

“I’ll buy the villa you showed me earlier!”

Before Chloe could finish her sentence, Connor interrupted her.

“What... What did you say?”

Chloe’s eyes widened as she asked Connor in shock.

“I said, I will buy the villa you showed me earlier!”

Connor repeated calmly..
