

## GETTING \$10 TRILLION OUT OF NOWHERE

### Chapter 48: Chloe Lawson's Invitation

“Sigh...”

Lily Schmidt took a deep breath and quickly made up her mind.

She whispered to Connor, “Mr. McDonald, you really intend to give this villa to me, right?”

“Yes!”

Connor nodded indifferently.

Lily saw Connor nodding and didn't think much about it. She picked up the contract from the table and quickly signed it with her name.

When everyone saw that Lily had signed the contract, they seemed envious.

After all, to them, it was as if Lily had won the lottery.

At this moment, Chloe was even more regretful. If it weren't for her snobbery, the person signing the contract would have been her.

As Connor bought the villa in a lump sum, there weren't so many complicated procedures. After a while, Lily was done with the procedures with the showroom staff.

Lily had officially become the owner of the villa!

Everyone in the showroom was looking at Lily with such envy right now.

Everyone was fantasizing about how great it would have been if today's incident had happened to them!

After seeing Lily finish the transaction procedures, Connor turned around and walked out of the showroom.

For even a second, he did not look at Chloe, who was standing at the side, trying to attract his attention.

Lily saw that Connor was about to leave, so she quickly ran after him. Then, she said shyly, "Mr. McDonald, thank you for giving me a villa..."

"You're welcome!"

Connor replied calmly.

"Well, this is my cell phone number. If you need anything, you can call me anytime!"

Lily hesitated before taking out a note from her clothes and handing it over to Connor. She looked timid.

"What do you mean if I need anything?" Connor asked.

Connor was confused by what Lily said.

"Uhm... You... You have given me such an expensive villa. Isn't it because you want to..."

Lily's face turned red, and she couldn't finish the rest of her sentence.

"What do you mean?" Connor asked

Connor was still confused.

"Aren't you planning to keep me as your mistress?" Lily finally mustered up the courage to speak her thoughts.

"Keep you as my mistress?"

Connor was stunned and didn't know what to say.

He looked at Lily standing before him and was speechless.

He only did it because he never thought that giving the villa to Lily would make her think that he wanted her as his mistress.

However, Connor did not have such intentions!

"Mr. McDonald, don't worry. I have been with anyone, even when I have started university. I have never had a boyfriend. This is my first!"

Lily noticed that Connor did not speak and thought that Connor was wary of her purity, so she quickly added to reassure him.

Connor scanned Lily from head to toe. He had to admit that Lily was quite interesting. She had a curvy figure and a youthful and beautiful face.

She was a masterpiece.

With a bit of makeup, she could look better than a few actresses.

Connor from before would have immediately taken such a beauty to a room without saying a word more.

However, Connor had met Freya Phillips. Although Freya was only his fiancée in name, Connor still didn't want to sleep with other women.

At the very least, as long as Freya didn't do anything mean to Connor, he wouldn't wrong Freya either.

"I think you may have misunderstood me!"

Connor hesitated before gently replying to Lily.

"I misunderstood you?"

A hint of doubt flashed in Lily's eyes.

"I don't have any ulterior motive giving you this villa. I just felt sorry for you when you were bullied. It reminded me of myself before."

"This villa is nothing to me, so I gave it to you as a gift!"

Connor looked at Lily and explained slowly.

Chloe, who was walking over, heard what Connor said. She couldn't help but inhale sharply. Her face was full of shock.

After all, this was the first time she met someone and treated an eight-million-dollar villa as a meeting gift.

After all, this was eight million dollars, not eight hundred dollars!

However, she did not know that this eight-million-dollar villa was nothing to Connor.

“Mr. McDonald, do you really not want me to be your mistress?”

Lily looked at Connor, puzzled.

“No!”

Connor shook his head affirmatively.

“If that’s the case, I can’t accept this villa!” Lily hesitated and said through gritted teeth.

“Why not?”

Connor asked her, taken aback.

“This villa is so expensive. I can’t accept it if you were to give it to me for no reason...” Lily said softly.

“Didn’t I tell you just now? This villa is nothing to me. You don’t have to worry about what I will do to you!”

At this time, Connor felt helpless, too. He didn’t expect Lily to be so straightforward. She wouldn’t accept the villa if she were not his mistress.

It was the first time Connor met a beautiful woman who wanted to be his lover!

When Connor was poor, all the girls would treat him coldly, including Mandy Hines.

But now, everything had changed!

Maybe this was the power of money!

“But...”

“Lily, why are you so insensible? Mr. McDonald has given you a villa, so you should just accept it. Why are you spewing nonsense?”

At this moment, Chloe suddenly walked out of the showroom and loudly advised Lily.

“Ms. Lawson, I can’t accept such a valuable thing!”

If Connor wanted to be Lily’s sugar daddy and had given her a villa, Lily would be able to accept it feeling relieved. After all, she would have then exchanged her body for this villa!

But now that Connor didn’t want anything and gave her this villa for free; she simply could not come to terms with that.

“Lily, if I remember correctly, your father is still in the hospital, right? And isn’t your family so poor that they can’t foot the medical bill? Now, as long as you sell the villa, you will have the money to pay for your father’s surgery!” Chloe looked at Lily and continued.

Lily could not help but hesitate when she heard Chloe’s explanation. Then, she raised her head to look at Connor.

“Don’t worry. Since I said that I would give the villa to you, I won’t take it back. Now that this villa is yours, you can do whatever you want with it!”

Connor said to Lily softly.

Hearing what Connor said, Lily was filled with joy. She bowed to him and said loudly, “Mr. McDonald, thank you so much. I really don’t know how to thank you...”

“You don’t have to!”

Connor replied indifferently, then turned around and left the showroom.

Lily was in a daze. She watched Connor leave with a grateful look in her eyes.

Chloe sashayed in her high heels hurriedly after Connor. “Mr. McDonald, wait...”

“Is there anything else?”

After leaving the showroom, Connor turned to look at Chloe and asked calmly.

Connor didn't have a good impression of Chloe, so he didn't really want to talk to her.

"Mr. McDonald, didn't you just say that the properties here are not good enough for you?" she asked.

"Well, we have a high-end villa area in the suburbs. If you are interested, I can take you there to have a look, and also..."

Chloe deliberately moved closer to Connor and said to him flirtatiously.

"It's getting a little late. Let's talk about it next time!"

Connor rejected Chloe's advances without hesitating.

"Mr. McDonald, we still have time. Let's go there and take a look. After all, a villa looks different at night!"

Chloe winked coquettishly at Connor.

Connor hesitated when he saw Chloe's flirtatious look..
