

GETTING \$10 TRILLION OUT OF NOWHERE

Chapter 49: Honey Trap

The showroom was at least an hour away from the suburbs anyway. Usually, it took quite some time to view properties. So the viewing might last until eleven o'clock at night.

In that case, Chloe Lawson would have a chance to ask Connor McDonald to stay the night.

As long as Connor stayed the night at the villa, Chloe only needed to seduce Connor a little to get him into bed with her.

Chloe had a sexy and charming figure and appearance, especially her legs that seemed to go on for miles – she was simply irresistible.

So Chloe thought, as long as she stripped naked and lay in Connor's arms, he definitely wouldn't be able to resist the temptation.

"Nah, I have school tomorrow. Besides, I am in no hurry to buy a house!"

Just as Chloe was plotting how she should seduce Connor at the villa later, Connor interrupted her thoughts.

Chloe was stunned by Connor's response as a strange look flashed in her eyes.

"Mr. McDonald, are you... are you sure you don't want to go and just take a look?"

Chloe implored Connor.

"I'm sure. I have something to do later!"

Connor replied indifferently, then turned around and walked away.

After all, Connor was not in a hurry to buy a house, and even if he wanted to buy a property, he didn't want to let Chloe close the deal.

As for Chloe's plans, Connor wasn't suspicious at all.

Otherwise, Connor might have agreed to go to the villa with her because of her good looks.

Seeing that Connor was about to leave, Chloe quickly reached out and grabbed his arm before saying in a cute voice, “Mr. McDonald, I’m really sorry about what happened today. I shouldn’t have said those things to you...”

“It’s okay. I didn’t take those words to heart at all!”

Connor turned to look at Chloe and said indifferently.

“I just want to apologize to you. I’m really sorry!”

Chloe apologized and bowed deeply and seductively to Connor.

Chloe noticed Connor’s expression, and her heart skipped a beat, thinking she had a chance. So she deliberately leaned forward and wanted to pretend to fall into Connor’s arms.

However, Chloe did not expect Connor to sidestep her at that very moment.

Chloe lost her balance and fell to the ground.

Connor, standing at the side, immediately exclaimed, “Are you okay?”

“I’m... I’m fine. I just slipped...”

Chloe shook her head and deliberately shook her beautiful legs. Then, she reached out to get Connor to pull her up.

Connor didn’t care to bother to reciprocate Chloe’s actions at all. After knowing that Chloe was fine, Connor turned around and left through the door.

Meanwhile, Chloe sat on the ground, dazed.

She didn’t expect Connor to be indifferent to the temptation of a beautiful woman like her.

“Is Connor even a man?”

Chloe sat on the ground and shouted agitatedly.

Lily Schmidt watched as the scene unfolded in the showroom.

When she had asked to be Connor's mistress, he had rejected her.

This made her feel insecure. She thought that she didn't deserve to be even Connor's mistress. After all, Connor was so rich. Many beautiful women must surround him. It was evident that he wouldn't like her.

However, Lily did not expect that Ms. Lawson, the sexiest and most beautiful manager in the showroom, would fall short of Connor's taste.

In addition to what Connor had done just now, this made Lily even more curious about him.

She was very curious about who Connor was. Not only was he so generous, but he was also so indifferent to beautiful women.

Meanwhile...

After Connor left the showroom, he hailed a taxi and went home.

Connor had met with Freya Phillips and then spent a long time in the showroom, so it was almost ten o'clock in the evening when he got home.

When he got home, Connor first took a relaxing shower, then he lay on the bed and started to browse on his phone.

It was already ten o'clock at night, which was the time for Mina's live stream. Connor habitually tapped on her live stream.

After entering Mina's live stream, Connor noticed that more than half of the streamers on the platform had actually added the words "Welcome, Mr. CeeM!" to the name of their live broadcast room!

It was very obvious that the 'Mr. CeeM' they were referring to was Connor because his online username was 'CeeM'!

When Connor first tuned into Mina's live stream on Twitch, he had donated a million dollars worth of gifts in one go to her. His fame instantly spread across the whole platform.

The female streamers on Twitch knew about CeeM, a patron, and they all hoped that one day, he would visit their live stream.

There was a large number of fans following Connor on Twitch.

As long as Connor appeared in any live stream channel, they would follow him into that. It was a great way to increase the popularity of the live stream.

Connor was not interested in other live streamers on Twitch, so he tuned into Mina's live stream as usual.

Mina was still sexy and charming. At the moment, she was focused on singing.

Due to Connor's generous tip the last time, many netizens on the platform knew of Mina as a live streamer. Moreover, Mina was also very beautiful. Therefore, the netizens were willing to stay in the live stream channel and listen to her sing.

When Connor entered Mina's live stream channel, a strange thing happened. No netizens were greeting Connor today.

When Connor entered Mina's live stream channel a few days ago, the netizens went crazy and kept sending a barrage of messages to greet him.

Now, the netizens did not greet him, and even Mina did not welcome him. It was as if Connor was invisible, and no one paid attention to him.

However, Connor did not overthink it. After all, it was good that no netizens were bothering him. Otherwise, every time Connor entered Mina's live stream channel, he would receive private messages from random strangers.

Some people wanted to borrow money, people who wanted to treat him to a meal, and some people wanted to be friends with him.

Some female live streamers even sent private photos to him, saying that they wanted to sleep with him. Their only request was for him to tune into their live stream channel once!

Ever since Connor had donated a million dollars worth of gifts to Mina on her live stream channel, he would come to Mina's live stream almost every night

to send gifts to her to increase his popularity. However, the amount wasn't much. It was only ten to twenty thousand dollars now.

After all, if he spent millions of dollars on Mina every day, he would look like a creep.

Today, Connor planned to buy a few gifts for Mina and then go to sleep. However, when Connor tapped on the gift option, something strange happened.

The screen suddenly turned black, and he was suddenly logged out.

"Has my account been hacked?"

Connor was stunned. He wanted to log in again, but the password was incorrect.

"It doesn't make sense. My password has always been CM666666. How could it be wrong?"

Connor couldn't help but frown and mutter to himself.

He had a habit of using the same password for everything: his initials and six sixes.

Connor was broke before, so he was never worried about things like that happening to him..
