Chapter 491: Give Me The Bank Card

Inside the bedroom.

Connor looked at the bank card in his hand with a helpless expression.

Connor was not short of money at all, and he felt a little guilty. After all, he did not contact Candace immediately after he had money, but Candace still took the initiative to find Connor.

Although 500,000 dollars was nothing to Connor now, if it was before, he would have been so excited that he could not speak if someone suddenly gave him such a large sum of money.

Connor looked at the bank card and took a deep breath, he decided to tell Candace about his inheritance.

"Aunt Candace, you should keep this money for yourself. Actually, I'm quite rich now!" Connor whispered to Candace.

"How can a student like you have money? I heard what Uncle Tony said to you just now. Other than going to school, you still have to go out and work. You'd better keep this money quickly." Candace looked at Connor and said.

"Aunt Candace, I really..." Connor tried to explain to Candace.

But then, Sadie's voice suddenly came from outside the room.

"Mom, what are you doing?"

"It's okay. I'll pack my things!" Candace replied in a low voice. Then, she gave Connor a look and said softly, "I am giving you this money. Uncle Tony doesn't know about this. You can't tell anyone, okay?"

Connor opened his mouth to speak, but Candace didn't give him a chance to speak at all. She turned around and walked out of the room.

Connor looked at the bank card in his hand helplessly. After hesitating, Connor found Candace's bag and returned the bank card.

"Connor, come out for a moment!"

At this moment, Candace called out to him again.

Connor quickly walked out of the bedroom and asked Candace with a smile, "Candace, what's up?"

"Well, Sadie said she wants to go out and buy some things for school. I can stay at home. Why don't you go out with Sadie?" Candace smiled at Connor.

Connor looked up at Sadie and nodded, "Sure!"

"Let's go. The mall is closing soon!" Sadie said arrogantly to Connor, then turned around and left the villa.

Connor hesitated, then politely greeted Candace and Tony before following Sadie out of the villa.

After Tony saw Connor and Sadie leave, he whispered to Candace, "Candace, I don't think Connor is very suitable for Sadie. Why don't we forget about it?" "How is he unsuitable?" Candace was stunned momentarily when she heard this before asking sullenly.

"Can't you tell? Connor is a lazy and useless person. You know Sadie's personality. Sadie likes boys who are capable and motivated. The two will not be together. Even if they are together, it won't end well. I advise you to give up on this idea as soon as possible!" Tony said solemnly.

“What do you mean? You’ve just met Connor, and Connor is just a student now. How can you tell that he has no ambition?” Candace frowned and said unhappily.

“Can’t I tell if he’s ambitious or not?” Tony said.

“Forget it, forget it. Whether Connor and Sadie can be together or not is between the two of them. It has nothing to do with us! If these two children can get together, they’ll naturally be happy, but if they can’t, I won’t force Sadie!” Candace said helplessly.

“It’s good that you think like this. You have to know there’s no happiness if you force yourself!” Tony said.

Candace sighed softly. She was somewhat helpless.

In fact, Candace could also see that Sadie was not interested in Connor.

Meanwhile, Sadie and Connor left the villa.

Sadie turned and looked at Connor. Then, she asked Connor with a straight face, “Did my mom give you money just now?”

Connor was stunned after hearing this. Then, he frowned and asked, “How do you know about that?”

“My mom took me to the bank today to deposit 500,000 dollars, and she didn’t want me to tell my dad. This means that this money is definitely for you. When you were in the room with my mom just now, did my mom give you the bank card?” Sadie asked coldly.

“Yes, she did!” Seeing that Sadie had already found out that Candace had given him money, he didn’t deny it and admitted it openly.

“Give me the bank card!” Sadie extended her hand to Connor and said coldly.

“Give you rhe bank card?” When Connor heard Sadie’s words, he was stunned and a little confused.

“That’s right. That’s our family’s money. Why should we give it to an outsider like you? And you’re really shameless. You accepted so much money just like that. How can you be so shameless?”

At this moment, because no one else was present, Sadie did not show mercy when she spoke to Connor.

Connor looked at Sadie without saying anything.

“Connor, actually, I had a good impression of you at first. At least you’re not as loud as other boys. However, rhe fact that you accepted my mother’s money made me very disappointed in you. I know your parents are gone, and you’ve been working to support yourself. You must be very short of money, but you can’t ask for all kinds of money, right? A man can be poor, but he can’t be spineless. Hurry up and give me the bank card!” Sadie scolded Connor earnestly.

“What do you want this bank card for?” Connor hesitated before asking Sadie.

“I won’t use the money. I’m just helping you keep it for the rime being. When you really need money, you can come to me ro get the money. I don’t want you to squander this money just because my mother gave you this bank card!” Sadie said seriously.

Connor looked at Sadie with a strange look in his eyes. Originally, Connor thought that Sadie wanted the money for her use.

However, Connor didn’t expect Sadie to be worried that he would squander the money.

This improved Sadie’s image in Connor’s heart.

"I've already returned the bank card to Candace, so you don't have to worry that I'll squander the money. What you said just now was right. A man can be poor, but he can't be spineless!" Connor looked at Sadie and said.

After Sadie heard Connor's words, she was stunned, and a trace of surprise flashed in her eyes.

"You didn't take the money my mom gave you?" Sadie said in shock.

She felt that if a person like Connor could get 500,000 dollars for no reason, he would be very happy.. How could Connor not want this money?

Chapter 492: Punching Above One's Weight

"Are you lying to me?" Sadie stared at Connor.

"Why would I lie to you? This 500,000 dollars is nothing to me!" Connor replied to Sadie with some disdain.

When Sadie heard that Connor didn't want the money, her impression of Connor finally improved.

However, when she heard Connor's words, her impression of Connor began to decrease greatly.

"Does it hurt not to brag? You said you wanted to buy a house for my mother in Royal Villas, and now you say that 500,000 dollars is nothing to you. Do you think I don't know who you are?" Sadie said disdainfully to Connor, then continued, "I've already heard from my mother that you can't even afford your tuition fees. Moreover, you have to rely on delivering food to make a living. Have you ever seen 500,000 dollars as a delivery man?" Connor looked at Sadie with a faint smile, not explaining anything.

He knew that Sadie wouldn't believe him no matter what he explained, so he might as well save his breath.

"You really don't have the money my mother gave you, right?" Seeing that Connor didn't say anything, Sadie continued to ask him.

“No, I’ve already returned the bank card to your mother. If you don’t believe me, you can go back and check on that!” Connor said lightly.

Sadie hesitated for a moment. She felt that Connor was not lying, so she looked at Connor and said, “Alright, since you don’t want the money, forget it. I’m going shopping with my friends later. You can go home!”

Sadie had no intention of bringing Connor along.

“Okay!” Connor looked at Sadie and nodded, then turned around and walked to the roadside.

Sadie looked at Connor in disbelief.

Sadie thought Connor would follow her, but she never thought Connor would agree so readily.

Sadie looked at Connor’s back and suddenly felt a little guilty because her attitude toward Connor was bad. She even had the urge to call Connor back.

However, Sadie thought of the gap between her and Connor and what Connor had said just now, so she finally suppressed this impulse.

‘Sadie, the gap between you and Connor is very big. The two of you are not from the same world at all.’ Sadie sighed in her heart and left.

Two hours later.

Sadie bought the daily necessities she needed for the start of school and then returned home.

When Candace saw Sadie come back alone, she asked Sadie in confusion, "Sadie, why didn't Connor come back with you?"

"He went home after we bought the things!" Sadie replied lightly.

"Then why didn't you bring Connor back? I was planning to invite Connor for dinner!" Candace shouted unhappily.

"Ah, Mom! Connor is from a different world. We can't be together!"

Sadie knew what Candace was thinking, but she had never said anything to save Candace's face.

However, Sadie seemed a little impatient, so she frowned and said to Candace.

"That's right, that kid is not worthy of my daughter at all. One should not punch above one's weight!" Tony snorted and continued, "I think Mr. Statton's nephew is more suitable for Sadie!"

The nephew of Mr. Statton that Tony was talking about was Sheldon Statton, Sadie's admirer in high school.

Tony was at a plateau in his career. If he wanted to take another step upward, he would need the help of an influential person.

Without the help of the benefactor, it would be difficult to move forward.

He knew that Sheldon, the nephew of the deputy mayor of Rockford, had been pursuing Sadie. Mr. Statton mentioned this to Tony a few times, but Tony never got involved.

However, when Connor came over this time, Tony realized that the gap between Connor and Sheldon was too big. He decided to get Sadie and Sheldon to be together.

Candace wanted to matchmake Connor and Sadie, while Tony wanted to matchmake Sheldon and Sadie.

When two people had different ideas, they would naturally have a huge conflict.

Therefore, the two of them started arguing as they talked.

After Sadie heard her parents' argument, she became even more annoyed. She turned around and went back to the bedroom. Then, she picked up Candace's bag and opened it.

When Sadie saw that Connor put the bank card that Candace gave him back into his bag, a strange look flashed in her eyes. She couldn't help but sigh softly. "I didn't expect Connor to reject this!"

In a building under construction in Porthampton.

Five or six burly men grabbed the two girls and dragged them into the building still under construction.

At this moment, the two girls were curled up in a corner. Their faces were very pale, and their eyes were filled with deep fear.

One of the girls was wearing a tight-fitting T-shirt. She looked very charming and had a very hot figure. Her chest was ample.

The other girl was dressed up a little more sexily. She was wearing a tube top and a short white skirt. Her slender and fair legs were exposed without reservation, making her exceptionally charming.

These two girls were none other than Connor's ex-girlfriend, Mandy Hines, and Mandy's best friend, Lily Sullivan.

"Mandy, you should know who we are, right?"

The leader, a burly man with a scar on his face, asked Mandy.

"I do, I do..." Mandy curled up in the corner and nodded gently.

"Since you do, then I will cut the crap short. When will you pay back the twenty million you owe us?" the scar-faced man asked in a low voice.

"Julio, can you give me a little more time? I will return this money to you!" At this moment, Mandy's face was filled with fear as she replied with a trembling voice.

"Haha..." When the scar-faced man heard this, he couldn't help but sneer.. Then, he said with a straight face, "Give you a little more time? Mandy, how many times have you said this to me? How much time have I given you? But where is your money?"

Chapter 493: Mandy Hines In Desperation

In an unfinished building in Porthampton.

Mandy curled up in the corner, her entire body trembling. The expression on her face was very fearful.

She looked at the burly man before her and stuttered, "Julio, give me three more days. I will return the money to you within three days!"

"I'm not in the mood to waste time with you now. Since you don't intend to pay me back, don't blame me for being rude!"

The scar-faced man looked at Mandy and shouted. Then, he turned his head and shouted at his underlings behind him, "What are you guys still standing there for? Quickly strip her clothes and take a photo of her and send it to her family. Let her family bring the money to redeem her!"

"Yes, sir!"

When everyone heard this, they immediately rushed toward Mandy and prepared to make a move on her.

“Julio, I beg you, can you give me another chance? I’ll return the money to you in three days. Don’t tell my family about this!”

Seeing that these people were ready to make a move, she hurriedly shouted nervously.

“No, I don’t trust you anymore. This has to be resolved by your family. You’ve already owed us twenty million dollars for over a month!” The scar-faced man said expressionlessly.

“But Julio, my parents are just ordinary workers. Even if you kidnapped me, my parents wouldn’t have the money to redeem me!”

Mandy kneeled on the ground and begged desperately.

“Are your parents ordinary workers?”

When Julio heard this, he was stunned for a moment. A trace of confusion flashed in his eyes. Then, he frowned and asked Mandy, “Since your parents are both ordinary workers, how did you get the money to go to Harlem’s Gold?”

Mandy looked up at Julio and said nothing.

“Mandy, let me tell you, if you dare to play tricks with me now, I won’t be nice, do you hear me?”

Julio looked at Mandy and threatened her gloomily.

Mandy took a deep breath. She still looked hesitant, but she knew that if she didn’t tell the truth now, Julio and the others would definitely not let her off.

Therefore, Mandy could only say, "Julio, my parents are indeed ordinary workers, and my family doesn't have much money. Even if I sold everything in my family, I won't be able to gather so much money. All my money was given to me by my ex-boyfriend!"

"Is your ex-boyfriend so rich to give you that much money?"

When Julio heard Mandy's explanation, a trace of shock flashed in his eyes.

"Yes, my ex-boyfriend inherited a fortune and is very rich now. I have something on him. I've already contacted him before, but I haven't been able to contact him. I believe that as long as I can find him, I can get money from him!" Mandy said seriously.

The scar-faced man looked at Mandy, puzzled.

"Julio, if you don't believe me, you can ask my best friend to see if I'm telling the truth!" Seeing that Julio didn't seem to believe her words, she quickly suggested.

"Is what she said true?" Julio turned to look at Lily and asked with a frown.

"It's true, Julio. Mandy is not lying to you. Her ex-boyfriend is indeed very rich!" Lily nodded without thinking.

Julio knew very well that if Mandy really did not have money, it would be useless even if he raped Mandy now.

After all, it was a society ruled by law now. It was impossible for him to sell Mandy. Moreover, even if he sold Mandy, he probably wouldn't be able to get back the twenty million!

Therefore, after hesitating, Julio said to Mandy, "Alright, Mandy, I'll give you three more days. If you don't return the money to me after three days, you know the consequences."

"Yes, I know. Thank you, Julio. Thank you!" Mandy shouted excitedly.

“Let’s go!” Julio snorted and left with his men.

A moment later, Julio and the others left. Mandy stood up, desperate.

Three months ago, Mandy used the photos to extort ten million from Connor. After getting the money, Mandy bought a house in Porthampton for herself and then brought Lily to the bar every day to get drunk.

However, after a while, Mandy felt that this kind of life was not what she wanted. Therefore, Mandy went to the largest casino in Porthampton, Harlem’s Gold, with Lily’s suggestion.

In the beginning, Mandy was just playing around. Sometimes she could win a little money, and sometimes she would lose a little money.

However, the winning and losing were not very big. At most, it was only a few tens of thousands of dollars.

However, as Mandy went to the casino more often, she got to know more people and the bets she made became bigger and bigger.

Moreover, Mandy’s luck was usually very good. At most, she could win a few million in one night!

This made Mandy more and more confident!

However, the good times did not last long. When Mandy won almost ten million, she began to lose money crazily.

In less than a week, she had lost all the money she had won.

After losing all the money, Mandy planned to wash her hands of the game. She did not go to Harlem’s Gold for a long time!

However, Mandy felt reluctant that she had lost all the money just like that. So she returned to Harlem's Gold.

However, this time Mandy had lost everything. Not only did she lose all the money in her hands, but she also owed a loan shark twenty million.

That was why Julio was asking her for money.

Mandy was basically penniless now, and she still owed a lot of loan sharks.

In the end, she had no choice but to go to her family to ask for money.

However, Mandy's family was very ordinary. It was impossible for them to take out so much money to pay her debt. Therefore, some time ago, Mandy called Connor, but Connor did not answer the phone.

Mandy was very desperate because she had no way out!

"Mandy, what do you plan to do next?" Lily asked Mandy softly.

The loan sharks that Mandy owed had nothing to do with Lily because she did not participate in gambling at all.

Moreover, not only did she not lose money, but when Mandy won money, she also gave Lily a lot of benefits.

So now Lily had some money in her hands, but she would definitely not use this money to pay off Mandy's debts!

Mandy hesitated for a long time before taking a deep breath. Then, she took out her phone and was going to call Connor..

Chapter 494: The Charm Of A Mature Woman

After Mandy took out her phone, she hesitated for a long time.

Mandy had promised Connor before that as long as she got the money, she would never disturb Connor again.

However, Mandy was helpless now. She knew so many people in this world.

However, the only person who could give her twenty million was probably Connor!

Actually, when Mandy thought about it now, she also felt that her previous actions were a little ridiculous.

She did not expect that Connor, whom she had despised so much before, would become her last life-saving straw.

Harlem's Gold was the largest casino in Porthampton. If Mandy couldn't return the money on time, then Mandy would end up in a very miserable state. The people of Harlem's Gold might even kill her!

Therefore, no matter how reluctant Mandy was, she could only bite the bullet and call Connor.

On the other side, Connor returned to Royal Villas alone after parting ways with Sadie. He ate something and was about to rest.

The service in Royal Villas was very good. Connor only needed to call the staff and tell them what he wanted to eat. Then, someone would send the food to him.

"Ring!"

However, just as Connor was about to lie down and rest, his phone suddenly rang.

Connor looked down at his phone and realized that the person who called him was his ex-girlfriend, Mandy.

Ever since Mandy extorted ten million dollars from him, Connor had never seen Mandy again.

Moreover, Mandy had also said that as long as Connor gave him ten million dollars, she would never disturb Connor again.

So Connor looked at the phone and hesitated, not knowing if he should answer the call.

However, in the end, Connor still picked up the phone and said coldly, "Is there something you need?"

Mandy did not expect that Connor would pick up her call.

Mandy thought that Connor would ignore her, so when she saw Connor answer her call, Mandy was very touched.

In Mandy's opinion, this behavior proved that Connor still cared about her.

"Connor, you answered my call. I'm so touched..."

Mandy's voice cracked a little as if she was ready to pour out her grievances to Connor.

"Alright, cut the crap. If you have something to say, say it!" Connor frowned and said impatiently.

IF 11

Hearing Connor's cold attitude, she couldn't help but be stunned momentarily. Then, she said in a low voice, "Well, Connor, I want to meet you now. I have something important to tell you!"

“What is it? Can t we talk over the phone?” Connor replied indifferently.

“No, this is very important. We have to talk face-to-face!” Mandy hurriedly replied.

After hesitating, Connor did not reject Mandy. Instead, he asked coldly, “Alright, where are you now? I’ll go straight to you!”

Mandy did not expect Connor to agree so readily, so she asked in surprise, “Connor, are you really going to meet me?”

“Yes!” Connor replied indifferently.

“That’s great. I’m going to the bubble tea shop next to our school now. You can come and find me here!”

Mandy paused, worried that Connor could not remember where it was, so she added, “It’s the bubble tea shop that we often went to!”

“I know. It’s the shop where you asked me for money back then!” Connor replied emotionlessly, then hung up the phone.

Meanwhile, Mandy was very excited when Connor agreed to meet her.

When Lily saw Mandy excited, a trace of surprise flashed in her eyes. She frowned and asked Mandy, “Connor agreed to meet you, right?”

“Yeah, he did. I think Connor still cares for me. Otherwise, why would he agree to meet me? Maybe Connor will help me this time...” Mandy said with anticipation.

After Lily heard Mandy's words, she did not seem too happy. After hesitating, she said, "Mandy, since you're meeting Connor, I won't go with you. After all, my relationship with Connor isn't very good. Even if we meet, I don't have anything to say!"

"Yeah, you don't have to come. I'll meet him myself!" Mandy hurriedly replied and continued, "I'll go back and change my clothes now. Go get busy!"

"Okay!" Lily nodded lightly, then turned around and left.

Mandy attached great importance to this meeting with Connor. After all, it was related to whether she could borrow the money from Connor.

Therefore, Mandy went home and changed into something sexy, ready to try to evoke Connor's initial feelings for her!

Mandy took a taxi to a bubble tea shop near Porthampton University an hour later.

Connor was already sitting in the bubble tea shop waiting for Mandy.

"Connor!" Mandy shouted excitedly when she saw Connor. Then, she walked toward Connor.

Mandy's outfit today was indeed very sexy. She wore a tight T-shirt revealing her navel, accentuating her chest, and outlining a charming curve.

She had on a pair of black hip shorts, which clung to her round and smooth buttocks. Her slender and fair legs were of moderate thickness, and she wore expensive high heels, making her attractive.

Even now, Mandy was still unwilling to sell her luxury goods.

If he hadn't had sex with Chloe, Connor would have been tempted to see Mandy dressed like this.

After all, Connor had once loved Mandy.

He admitted that Mandy was indeed very attractive at the moment. He felt that her entire being was exuding an irresistible temptation.

But now, Connor already had Chloe. Although Chloe was a few years older than Mandy, Chloe was slightly better than Mandy in terms of figure and appearance.

Most importantly, Chloe had the charm of a mature woman. This charm was not something that a student like Mandy could compare to.

“Connor, I’m sorry. I’m late...”

Mandy up to Connor and said to Connor excitedly.

“All right, cut the crap. Get to the point!” Connor said to Mandy expressionlessly..

Chapter 495: I Will Do Anything You Want!

In a bubble tea shop near Porthampton University.

It was already past seven in the evening, but the bubble tea shop was still full of customers, mostly couples.

When everyone saw that Connor’s date was Mandy, they were all surprised.

To them, a girl like Mandy was simply a goddess-level existence. She had a great figure and a beautiful face.

As for Connor, he was a loser. Other than being slightly good-looking, he didn’t have any other attractiveness.

Therefore, the bubble tea shop customers obviously could not understand why a woman like Mandy would date Connor!

After Mandy saw Connor was a little cold, she did not continue to chat with Connor. She sat directly opposite Connor and said softly, "Connor, I actually came here today to ask you for help!"

Connor looked at Mandy without saying anything.

Connor knew that Mandy must have something to trouble him to ask him out. Otherwise, Mandy would never take the initiative to contact him.

"Connor, I know I was wrong to cheat on you with Brandon back then, but I regret it very much now. I really shouldn't have done that back then, I..." Mandy's eyes began to tear up as she spoke. Mandy's acting skills were indeed very good. It was enough to surpass many celebrities in the entertainment industry.

She had met Connor for less than five minutes but had already started crying.

However, Connor was already numb to Mandy's tricks, so he said indifferently, "You regret breaking up with me because you know I'm rich, not because of anything else. So, you don't have to put on a fake act with me. If you have something to say, say it!"

After Mandy heard Connor's words, a trace of embarrassment flashed in her eyes. She wiped the tears from her face and said, "Connor, I really loved you back then!"

"If you don't tell me why you want to meet me, I'll leave!" Seeing Mandy still acting, he said nothing else and got up to leave.

"Connor, don't go!" Mandy quickly reached out and grabbed Connor, then said nervously, "Can't 1 tell you how 1 feel? Why are you in such a hurry to leave?"

"I don't want to waste a second on someone like you!" Connor looked at Mandy and said indifferently.

Mandy took a deep breath and dared not continue talking nonsense with Connor. She said, "Connor, I have encountered a huge problem. Only you can help me now..."

"What trouble?" Connor asked indifferently.

"I owe someone a sum, but I can't pay it back at all. Moreover, they might kill me if I can't pay it back!" Mandy said emotionally.

"Didn't I give you a sum of money before?" Connor replied expressionlessly.

"The money you gave me, I... I've already spent it all..." Mandy seemed to be a little embarrassed.

When Connor heard Mandy's words, he couldn't help but sneer. Then, he said nonchalantly, "A whole ten million in cash. How many months has it been? Did you spend it all? You do know how to spend money..."

"I... I actually lost them..." Mandy bit her lip and said softly.

"So you want to borrow money from me now, right?" Connor did not seem to care much about how Mandy lost the money, nor did he care why Mandy owed others money.

"Yes, Connor, I really need this money now. Can you help me on account of our history?" Mandy held Connor's hand and continued, "Connor, I know you are very rich now. This money is just a drop in the bucket for you, but it is life-saving money for me. Can you help me?"

"Mandy, what did I tell you when I gave you ten million?" Connor asked Mandy expressionlessly.

Mandy was stunned when she heard Connor's words.

"Since you took the money from me back then, from that moment on, we have nothing to do with each other. The money you mentioned might not mean anything to me, but I have no reason to help you, and I don't want to help you!" Connor replied seriously, then stood up and planned to leave.

“Connor, if you don’t help me, I’ll surely be dead. Are you going to leave me in the lurch?” Mandy widened her eyes and shouted at Connor.

After Connor heard Mandy’s words, he subconsciously stopped and turned around to look at Mandy.

“Connor, I know you are willing to come and see me today because you still care about me. Are you going to watch me die? Please take this as me begging you. Can you help me?” Seeing Connor not speaking, she continued to shout at Connor.

Connor sneered in disdain and then said indifferently, “Mandy, I came to see you today not because you’re in my heart but because I want to see how you’ll live after you take the money I gave you. I’ve said that not everything in this world can be solved with money. Also, what does your life and death have to do with me? Didn’t you ask for all of this?”

After saying this, Connor turned around and was about to leave the bubble tea shop.

‘Thud!’

However, just as Connor was about to walk out of the bubble tea shop, Mandy kneeled before Connor in front of everyone in the bubble tea shop.

Mandy had been forced to a dead end. She did not care about what others thought of her, nor did she care about her dignity. Now there was only one thought in her mind: to get the money from Connor.

When Connor saw Mandy kneel, he could not help but frown, and a trace of confusion flashed in his eyes.

He asked Mandy with a straight face, “What are you doing?”

“Connor, I beg you, please help me!

“As long as you’re willing to help me, I’ll do anything you want!” Mandy looked at Connor and begged.

When Connor heard this, he was stunned. He seemed uncomfortable..

Chapter 496: Just 20 Million

“As long as you’re willing to lend me money, I’ll do anything you want!

“If you want to keep me by your side or have me be your lover, I can even do all that!”

Mandy shouted.

When everyone heard Mandy’s words, they all revealed shocked expressions.

No one expected that such a beautiful girl like Mandy would kneel down and beg Connor to be her sugar daddy!

Connor looked at Mandy, who was kneeling in front of her and wagging her tail, and felt that all of this was too unreal.

Mandy, who had always looked down on her and thought that he was a good-for-nothing, was actually kneeling in front of Connor and begging him to support her.

Mandy probably never dreamed that she would one day kneel in front of Connor and be so submissive.

“Connor, I’m begging you. Just treat me as your sugar baby or your lover. I promise not to tell your fiancée about this, nor will I tell anyone. I beg you!”

Mandy shouted at Connor.

When everyone present heard Mandy’s words, their mouths were wide open.

They had never seen such a beautiful woman who would take the initiative to beg to be kept by someone.

“What’s so good about that man?”

“That’s right, does that girl have to do this?”

“He must be very rich. Otherwise, why would that girl beg him to keep her?”

In the milk tea shop, the customers looked at Connor and Mandy and couldn’t help but whisper.

Mandy did not care about these people’s discussions at all.

Connor looked at Mandy who was kneeling on the ground and hesitated for a moment. Then, he asked Mandy softly, “How much do you owe others?”

“It’s not a lot, just 20 million!”

Mandy thought that Connor had changed his mind, so she quickly replied excitedly.

“Only 20 million?”

When Connor heard Mandy’s words, he could not help but sneer. Then, he asked Mandy with a disdainful expression, “Then tell me, do you think you’re worth 20 million?”

When Mandy heard Connor’s words, she instantly felt angry and helpless.

Because she knew what he meant!

“Since you know that you’re not worth so much money, why should I keep you by my side?”

Connor replied disdainfully. Then, without any hesitation, he turned around and left.

Seeing that he was leaving so heartlessly, she sat on the ground with a desperate expression.

This was because Connor was Mandy’s last life-saving straw, and this life-saving straw was leaving so heartlessly.

Mandy sat on the ground in despair. For a moment, she did not know what she should do.

“Beauty, do you want someone to be your sugar daddy? Do you think I can do it?”

At this moment, a somewhat wretched, greasy middle-aged man walked up to Mandy and asked her with a smile.

When Mandy heard the middle-aged man’s words, she turned to look at him and said in a disdainful tone, “You want to be my sugar daddy, right?” “That’s right!”

The middle-aged man grinned.

“Alright, since you want me to be your sugar baby, I’ll give you this chance. As long as you give me 20 million now, I’ll let you be my sugar daddy.”

Mandy said directly.

“Uh...”

When the middle-aged man heard this, an awkward expression appeared on his face. After hesitating for a couple of seconds, he turned around and left.

On the other side, Connor returned to the villa alone after leaving Mandy there.

After returning to the villa, Connor took out his phone and made a call.

Ring! Ring!

The phone rang a few times before the other party picked up and said in fear, "Co... Connor, do... do you need something?"

"You have completed your task. You don't have to worry about the rest."

Connor said calmly.

"Then, how do you plan to deal with Mandy?"

The other party was stunned for a moment before continuing to ask.

"How 1 deal with her has nothing to do with you!"

Connor replied unhappily and then hung up the phone.

After hanging up the phone, Connor began to recall the scene when he first met Mandy.

In fact, at that time, Mandy was still a very pure and kind girl. Although she was not very good, at least she was not bad.

Mandy's bad behavior began in the second semester of her freshman year. Mandy met Lily Sullivan and the others here. The words and actions of these people changed Mandy, making her look down on him from the bottom of her heart!

“If it wasn’t because I was poor, perhaps so many things wouldn’t have happened.”

Connor could not help but sigh. Then, he slowly closed his eyes and began to rest.

In the blink of an eye, two days had passed.

In these two days, Connor spent most of his time alone in the villa, playing games and watching movies. His days were very comfortable.

These two days were also the first time that Connor experienced the feeling of being a rich heir. Although Connor was also very rich before, it was very difficult for him to have time to completely relax. There were always all kinds of things happening around him.

Within two days, no one could contact Connor or find him.

There was only one day left before school started. Connor was ready to contact Dominic Turner, Spencer and the others as well as prepare for school.

Although Connor was already very rich now and did not need to go to school, he realized that if he didn’t go to school, there was nothing he could do.

After all, Connor couldn’t take over the company’s business yet, let alone deal with the people in Rockefeller.

Therefore, Connor felt that the most important thing for him now was to hurry up and finish his studies.

Ring! Ring!

Just as Connor was about to call Dominic, his phone suddenly rang.

Connor looked down and saw that it was Candance Steadman calling, so he quickly picked up the phone and asked with a smile, "Aunt Candance, is everything okay?"

"Connor, tomorrow is Sadie's first day of school. Do you have time? If you have time, can you help her with the admission procedures and all the other stuff? Your Uncle Tony and I are busy tomorrow, so we can't accompany her!"

Candance directly stated the purpose of the call.

In fact, Candance was obviously creating opportunities for Connor and Sadie Colt, but she couldn't be straightforward.

Although Connor didn't have any other feelings for Sadie, but Candance had already taken the initiative to call him, so he naturally couldn't reject her.

He then smiled and said, "Okay, Aunt Candance, leave this matter to me. I'll go and pick up Sadie tomorrow!"

"Alright!"

Candance smiled happily when Connor agreed to her request..
