

10 Trillion 499

Chapter 499: My Name Is Sabrina Ziegler!

Yara looked at Connor from head to toe and realized that all the clothes he was wearing were from internationally renowned brands.

Any one of them could cost tens of thousands!

She felt that a person like Connor did not have the money to buy such branded clothes, so she felt that these clothes were fake.

Yara raised her head and asked Connor, "How much did you spend on these clothes?"

After hearing Yara's words, Connor couldn't help but be stunned for a moment. He was a little puzzled. He didn't understand why Yara would ask him this question.

"Hey, I'm asking you a question. Didn't you hear me?"

Seeing that Connor did not respond, Yara became even more smug.

He must be feeling guilty, so he didn't dare to answer her question!

"Someone bought me these clothes. I don't know how much they cost!"

Connor replied expressionlessly.

Although Yara's behavior made him very uncomfortable, he didn't say anything because Yara was Sadie's friend.

"Who would give you branded clothes like these?"

Yara shouted in a strange tone. Then, she reached out and grabbed Connor's clothes. "Kid, do you know what brand this is? Do you know how much this shirt costs?"

"I already said that these clothes were given to me by someone else!"

Connor repeated expressionlessly.

"Hehe, since you don't know, then let me tell you. My boyfriend also has this jacket. It's Versace's latest autumn design and costs more than 80,000 dollars. Tell me, what friend would give you such an expensive shirt?"

Yara shouted in disdain.

When Sadie heard Yara's words, a hint of disappointment flashed across her eyes.

Sadie thought that Connor was a very honest boy who was very low-key in doing things, though he liked to brag. However, she never expected him to be so vain!

He came out to meet her best friend in fake branded clothes!

'I really don't know what he's thinking. Does he think that just because he wears a high-quality imitation, he can make others look up to him? A person's background is not something that can be proven by a piece of clothing!'

Sadie couldn't help but think to herself. Her good impression of Connor had obviously decreased.

"Kid, not everyone is that easy to fool. I've been exposed to more branded goods than you could ever imagine. I can tell at a glance whether the clothes you're wearing are real or fake!"

Yara pouted and shouted at Connor.

“Then, do you think the clothes I’m wearing are real or fake?”

Connor asked Yara.

“Of course, it’s fake!”

Yara replied without thinking.

When Connor heard her words, he couldn’t help but smile faintly. Chloe Lawson had bought all these clothes.

Chloe was now the vice president of Evergrande Real Estate. She was very rich. There was no way she would buy fake clothes for him.

However, Connor was not in the mood to argue with Yara about these things. After all, he was only here to accompany Sadie today.

As for whether these people thought his clothes were real or fake, Connor did not care at all.

Connor wanted to walk to Sadie’s side, but Yara stopped him and shouted with her big watery eyes, “Kid, why are you in such a hurry to leave? I haven’t finished speaking yet.”

“Do you have anything else to say?”

Connor replied calmly.

“Do you think you can pursue Sadie just because you wear fake branded clothes? Why don’t you take look at yourself? Do you know how many people in our school are pursuing her?”

Yara shouted at Connor.

“I don’t care how many people are interested in her,” Connor smiled and said.

“Someone like you who has no money or background has no right to pursue Sadie. You’d better give up. do you hear me?”

Yara said disdainfully.

“Yara, what are you talking about?”

Sadie felt that Yara’s was being much to mean, so she quickly frowned and shouted.

“Sadie, don’t stop me. When dealing with such a shameless person, you should make things clear to him. Otherwise, he will never be able to face reality!”

Yara ignored Sadie and continued to curse Connor viciously.

Connor did not seem to care about Yara at all. He said expressionlessly, “I don’t have any intention of pursuing Sadie. I’m only here today because of Aunt Candance’s request, so your worries are a little unnecessary...”

“My worries are unnecessary?”

Yara said with a puzzled expression.

“If you really have the time, you should worry about yourself. It’s not your turn to worry about Sadie and me!”

Connor said coldly to Yara.

“Connor, don’t misunderstand her. Yara didn’t mean it that way!”

Sadie looked at Connor and explained.

“Haha...”

Connor smiled coldly, then found a seat in the milk tea shop and sat down, ignoring Sadie.

In Connor’s eyes, what Yara said just now would have been acquiesced by Sadie, so Sadie was just using Yara’s mouth to express some of her thoughts to him.

Connor had no intention of pursuing Sadie, so he naturally didn’t care about these things.

When Sadie and Yara saw that Connor was silent, they felt that they had achieved their goal.

Therefore, they ignored Connor and started to chat in a low voice.

Connor subconsciously glanced at the other best friend who was not far away from him.

Whether it was her figure or her appearance, this girl was definitely better than Sadie and Yara in all aspects.

She was wearing a white spaghetti strap short skirt. Her figure was tall and sexy. Under the short skirt, her beautiful legs were exposed for all to see. She was also wearing a pair of high heels. Her breasts were so full that it seemed as though they were about to fall out. Her beautiful face had light makeup on, but even so, she was still very sexy and charming.

Her exquisite face, sexy figure, and cold temperament made her a rare sexy beauty.

The beauty seemed to have noticed that Connor was sizing her up, but her reaction shocked everyone.

The beauty did not show any disgust at all. Instead, she took the initiative to say to Connor, "Hello, my name is Sabrina Ziegler!"

"Hello!"

Connor was stunned for a moment before he hurriedly replied softly..
