Chapter 511: Not Qualified

Sadie felt it was unbelievable that Connor could walk out of the Golden Bell Nightclub unscathed.

She felt Connor didn't let Wilson go because he saved Kyle. There must be something fishy going on.

So she was going to find Wilson and ask about what happened tonight.

Sadie was not afraid of Wilson because of her relationship with Tony. She felt that Wilson would not dare to do anything to her. Connor didn't care and didn't stop Sadie.

As he had already explained everything to Wilson, even if Sadie asked, Wilson would not expose his identity.

"Sadie, are you crazy?"

However, just as Sadie was about to return to the Golden Bell Nightclub, Sabrina reached out and stopped her. She then shouted, "Sadie, it's not like you don't know what kind of person Wilson is. If you go in now, aren't you just walking into your grave?"

"Even if I have to die, I must get to the bottom. I don't believe that Connor knows someone like Kyle!" Sadie replied stubbornly.

"But if Connor didn't know Kyle, why would Wilson let him go?" Sabrina said nervously and continued, "No matter what, Connor has already come out. Even if you go in and ask now, what will you get out of it? Now that none of us have been harmed, isn't this the best outcome?"

Sadie was stunned when she heard Sabrina's explanation.

She felt that Sabrina was reasonable. The current situation was indeed the best outcome for them. Now, she was curious to ask about this, but she suspected it was not as simple as Connor claimed. To put it simply, Sadie felt that Connor was bragging. Connor couldn't know a big shot like Kyle.

Connor could walk out of the office unscathed today, probably because he kneeled in the office and begged for mercy. That was why Wilson let Connor go-

Sadie wanted to expose Connor's lie, so she wanted to go back to the nightclub and ask Wilson about it.

However, after thinking about it, Sadie realized that even if Connor was bragging now, Connor stood up and saved Levin and the others when they were scared silly in the office.

Whether Connor knew Kyle or not, everything Connor did was to protect them, so Sadie gave up on finding Wilson to ask about it.

Even if Connor was bragging, there was no need for her to expose Connor.

Sadie looked at Connor and hesitated. Then, she said coldly, "Connor, don't do such dangerous things in the future. Do you know how worried we were just now?"

Connor smiled faintly and did not say anything.

In fact, Connor had seen through Sadie's thoughts but didn't say anything because he didn't care about a girl like Sadie anymore.

"Alright, let's not hang around here anymore. It's getting late. Let's go back quickly. Otherwise, my mom will call me again!" Sabrina said to Connor and Sadie.

"Alright, I'll send you two home!" Connor nodded in agreement. Then, he reached out to hail a taxi and got in with Sadie and Sabrina. Connor sent her home first as the Golden Bell Nightclub was closer to Sabrina's house.

However, Connor did not expect that although Sabrina seemed very low-key, the residential area where Sabrina lived was one of the best luxury villas in Porthampton.

Although it couldn't be compared to Connor's Royal No. 1, it was still a place for the rich.

After sending Sabrina off, Connor and Sadie took a taxi to Sadie's house.

"I didn't expect Sabrina's family to be so rich!" Connor broke the ice.

Sadie turned, looked at Connor, and then said with disdain, "Are you telling me you've taken a fancy to Sabrina?" "No..." Connor shook his head.

"No?"

When Sadie heard this, she couldn't help but sneer. Then, she said disdainfully, "Since you don't like Sabrina, why do you care so much about where she lives?"

Connor was speechless. He didn't know how to answer Sadie's question.

The two of them did not say a word in the car, and the atmosphere was a little awkward, so he took the initiative to find a topic to discuss.

However, Connor did not expect Sadie to think he was asking about Sabrina.

"If you have thoughts about her, I advise you to give up as soon as possible!" Sadie said coldly to Connor. "Why?" Connor looked at Sadie and asked.

"Because you're not worthy of Sabrina!" Sadie didn't care about Connor's feelings and said straightforwardly. "I'm not worthy of Sabrina?" Connor couldn't help but laugh and lightly shook his head, not knowing what to say.

“What? Are you still not convinced?” Sadie frowned and continued, “

me tell you, family, her mother is very rich. She's the boss of a listed company!”

“Sabrina is from a single-parent family?” Connor was stunned for a moment and said to Sadie in surprise. “I think so. I’ve known Sabrina for so long but never seen her father!” Sadie replied. “I see!” Connor nodded and didn’t say anything.

“And Sabrina is also very arrogant. When I was in high school, more people were pursuing Sabrina t

me, but she never been in a relationship. Even when some very amazing guys pursued Sabrina, she was not tempted. I asked her why. Do you know what she said?” Sadie asked Connor.

“How did you answer?” Connor asked curiously. “She said that those boys have no right to pursue her!” Connor was shocked to hear this.

“If guys that were so amazing didn’t even have the right to pursue her in Sabrina’s eyes, she defiantly wait

for you to give up now and stop wasting time with her!” Sadie felt Connor was frightened by what she said, so she spoke to Connor coldly..

Chapter 512: The Days When School Begins

Sadie thought that Connor was after Sabrina, so she told Connor about Sabrina’s background.

However, Sadie never expected that Connor would still be indifferent after hearing what she said as if he didn’t care about anything.

“Did you hear what I just said?”

After Sadie saw Connor’s nonchalance, she couldn’t hold back her anger and spoke to Connor agitatedly.

Connor turned, looked at Sadie, and said calmly, "I think you might have misunderstood me!"

"Misunderstood you? How did I misunderstand you?" Sadie asked Connor.

"I don't have any feelings for Sabrina at all. I treat her as an ordinary friend. Also, I don't have any feelings for you, so don't overthink!"

Connor felt that he needed to make things clear to Sadie. After all, if Sadie continued to misunderstand him, it would not be good.

Sadie looked at Connor and frowned, "You really don't have any feelings for Sabrina?"

"No..." Connor shook his head.

"At least you know your league!" Sadie sneered.

"I know my league?" Connor couldn't help but laugh when he heard this. Then, he said indifferently, "Perhaps you have no idea yet, but it's not that I'm not worthy of Sabrina, but that Sabrina is not worthy of me!"

"How can Sabrina not be worthy of you? Are you kidding me? Who do you think you are? A rich heir or super handsome?" Sadie sneered at Connor.

"You might not understand what I mean now, but sooner or later, you will understand what I mean!" Connor explained.

Sadie seemed to want to argue with Connor, but she found that the taxi had already stopped at the entrance of her villa.

"You should go now!" Connor turned to look at Sadie and said calmly.

“Egomaniac!” Sadie glared at Connor and didn’t say anything more to him. She pushed open the door and got out of the car.

A moment later, Connor watched Sadie walk into the villa.

The taxi driver also turned to look at Connor and asked him softly, “Young man, where are you going next?”

“To Royal Villas!” Connor replied indifferently.

The taxi driver was shocked.

After all, Royal Villas was very famous in Porthampton. The taxi driver himself was from Porthampton. He knew those who could live in Royal Villas were influential in Porthampton!

The taxi driver heard their conversation when Connor was discussing Sabrina with Sadie.

The taxi driver also felt Connor looked ordinary and did not seem worthy of a girl like Sadie.

However, after discovering Connor lived in Royal Villas, he instantly changed his mind!

The taxi driver knew very well that since Connor could live in Royal Villas, he was not worthy of ordinary girls. Connor was indeed qualified to say this.

Soon, the taxi stopped at the entrance of Royal Villas.

Connor didn’t say much to the taxi driver. After paying the fare, he exited the car and walked into the neighborhood.

Connor walked into the villa alone. Looking at the luxurious decoration in the villa, Connor felt that everything was so unfamiliar.

“Phew...”

Connor took a deep breath, walked into the bathroom, and took a wonderful shower.

After taking a shower, Connor lay on the bed to rest.

Perhaps it was because he had been tortured by the time with Sadie and the others for a day, Connor already felt very tired, so he lay on the bed and fell asleep shortly after.

The next day, at 8 AM.

Connor slowly opened his eyes, then picked up his phone to look. He found that there were several missed calls, and all of them were from Dominic and Spencer.

“Oh no, I forgot that today is the first day of school!”

Connor suddenly remembered that today was the first day of school. After exclaiming, he hurriedly got up and ran into the bathroom to wash his face. Then, he changed his clothes and rushed out of the villa.

Half an hour later, Connor arrived at Porthampton University and found his classroom.

When Connor walked into the classroom, he found it was already filled with students, but Rachel had not arrived yet.

After seeing Rachel was not around, Connor heaved a sigh of relief.

The consequences would be unimaginable if Rachel found out that Connor was late. Connor would rather not offend Rachel than anyone else.

Connor walked into the classroom. When the students in the classroom saw Connor, they all were surprised. It was obvious that these students' attitudes toward Connor had changed greatly!

Connor subconsciously glanced at Mandy's seat and realized that Mandy wasn't in class, but May and Lily were already there.

Connor knew that Mandy was probably still trying to find a way to gather the twenty million dollars. She was not in the mood to come to school at all.

"Connor, not bad. You're late on the first day of school. Aren't you afraid that Ms. Wallace will give you trouble?"

Dominic walked to Connor and hugged his neck as he said to him with a smile.

"I forgot about the start of school!" Connor replied with a smile, then followed Dominic back to his seat.

After returning to their seats, Dominic and Spencer began discussing what they had done during the summer vacation.

Connor had been quietly listening to them.

"Connor, what did you do this summer?" Spencer asked Connor with a smile.

"What else could he have done? He must have been working, right, Connor?" Dominic answered on behalf of Connor.

"Yes, I've been working part-time this summer, and I've earned some money. After class, I'll treat you two to something nice!"

Connor couldn't be bothered to explain anything to Dominic and Spencer, so he replied with a smile.

“Sure, I heard that there’s a new hotpot restaurant at the entrance of our school. It’s quite good. Why don’t the three of us go there and have a meal?” Dominic grinned and said.

“Sure!” Connor agreed very generously.

‘Click clack, click clack!’

Just as Connor finished speaking, the sound of high heels hitting the ground came from outside the classroom. The entire classroom instantly fell silent..

Chapter 513:1 Have Something To Tell You

‘Click clack, click clack!’

As the sound of high heels hitting the ground rang out, the students instantly fell silent. A moment later, the sexy and enchanting Rachel entered the classroom in a cool outfit.

When Rachel appeared in the classroom, the eyes of almost all the male students widened. Their faces were unusually hot, and some male students even started having nosebleeds.

It couldn’t be helped. Rachel’s outfit today was really sexy.

She was wearing a black tight-fitting short skirt. Her tall and sexy figure seemed to be even more obvious under the short skirt. She was the epitome of temptation. Under the short skirt, her beautiful legs were in stockings. She wore high heels, and her chest was so full that it almost spilled over her top.

Her delicate and flirtatious face had light makeup and a deep gaze. Every frown and smile revealed endless charm, emitting extreme temptation, but it made people feel charmed, not confused.

No matter how old a man was, a woman like Rachel was tempting.

As Rachel had a charm that one couldn’t resist. This kind of charm was one that, let alone a college student like Connor, even a seasoned lover would be unable to resist.

“Ms. Wallace seems to have become prettier!”

Dominic looked at Rachel, who walked into the classroom and could not help but sigh softly.

“Not only is she beautiful, she’s even more beautiful than an old woman. If only I could find such a girlfriend!” Glasses wiped the drool from the corner of his mouth as Spencer spoke.

After Connor saw them acting like pigs, he smiled helplessly. He didn’t know what to say.

“Today is the first day of school. As junior-year students, you should know the school’s practice. There will be no classes on the first day of school. We need to check the students’ attendance, so I won’t waste more time with you. Let’s start the roll call. After the roll call, we will be dismissed!” Rachel cleared her throat and said to the students in the classroom with her seductive voice.

“Yes, ma’am!” When the students heard Rachel’s words, they all responded excitedly.

Rachel expressionlessly took out the roll call book and then began to take attendance one by one.

“Connor McDonald!”

The first name Rachel called was none other than Connor’s.

After Connor heard Rachel calling his name, he was stunned momentarily. Then, he hurriedly stood up and shouted, “Present!” Rachel glanced at Connor indifferently before gently waving her hand at Connor.

Connor hurriedly sat down and then looked at Rachel. He seemed somewhat puzzled.

When Rachel looked at him, he could feel that her expression seemed slightly off, but Connor couldn’t tell what was wrong. He even suspected that he was overthinking.

On the other hand, Rachel continued to call out names. Soon, it was Mandy's name.

“Ms. Wallace, Mandy... Mandy is sick, so she isn't here today!” Lily trembled as she stood up and whispered to Rachel. Rachel glanced up at Lily, saying indifferently, “Get Mandy to call me and explain herself!”

“Alright!” Lily replied helplessly and then returned to her seat.

Five minutes later, Rachel finally finished taking attendance. After she announced that class was over, she walked out of the classroom.

The students knew this was the only class they had to attend on the first day of school. After this class, they could leave.

Therefore, the students packed up their things and prepared to leave. Connor, Dominic, and Spencer were also prepared to dine at the hotpot restaurant outside the school.

“Connor, can you come out for a moment? I have something to tell you...”

However, just as Connor and his friends were about to leave, Lily suddenly walked to him nervously and spoke to him. Connor turned to look at Lily and said softly, “Alright, let's go outside and talk!”

After saying this, Connor walked out of the classroom, and Lily followed closely behind Connor.

When Dominic and Spencer saw this, they were puzzled and confused.

The two people who looked down on Connor the most in the class were probably Lily and May.

Previously, Lily and May had humiliated Connor many times. However, when Lily faced Connor now, it was as if she had changed into a different person. It was as if she was very afraid of Connor.

“Is there something going on between Lily and Connor?” Spencer wondered aloud with a frown.

“I don’t know, but I feel Connor has been acting strange for some time. Moreover, Mandy didn’t come to class today, and Brandon dropped out. I think these things should have something to do with Connor!” Dominic analyzed in a low voice.

“What does this have to do with Connor? Does Connor have the ability to make Brandon drop out of school?” Spencer pouted and said.

“I’m not sure either, but I feel something is wrong!” Dominic said lightly.

Spencer looked up at Dominic and opened his mouth but did not say anything because he, too, felt something was wrong.

Meanwhile, they went straight to an empty corner after Lily and Connor left the classroom.

“What’s up?” Connor asked Lily softly.

“Connor, did Mandy try to borrow money from you?” Lily hesitated and asked Connor in a low voice.

“Yes, but I didn’t lend any to her!” Connor replied.

“Why didn’t you lend it to her? She’s already at her wit’s end. What else do you want her to do? eyoureally |

nt togeester il by those people in the casino? Do you know that Mandy already has suicidal thoughts?” Lily shouted at Connor excitedly.

“I’ll handle her matters. You don’t have to worry about it!” After hearing that Mandy would commit suicide, Connor was still very calm. “I don’t have to worry about it?”

Lily was stunned, then shouted at Connor, "If this has nothing to do with me, then I definitely wouldn't care. However, you werpsheonesintio "\ threathedine back then and asked me to bring Mandy to the casino. If you hadn't forced me to bring her to the casino, she wouldn't have owed so much money to others, and today's incident wouldn't have happened!"

..." Connor looked at Lily without saying anything.

"You caused all of this. If Mandy really committed suicide, then I

your accomplice, money should be nothing to you!" Lily said to Connor anxiously.

"I told you, you don't have to worry about this!" Connor replied to Lily coldly, then turned around and walked away..

Chapter 514: Confessing To Rachel Wallace

"Connor!" Seeing that Connor was about to leave, and hurriedly shouted.

Connor did not even look at Lily and walked straight ahead.

After Mandy took ten million from Connor, Connor threatened Lily and asked her to bring Mandy to Harlem's Gold. Connor knew Mandy very well. Once Mandy entered the casino, she would fall into it and could not extricate herself! Therefore, Mandy was now in debt to loan sharks. This was also something that Connor had expected.

Of course, Connor did not expect Mandy to owe so much money in one go!

As for how to solve this next, it was very simple, so Connor was not in a hurry to deal with Mandy's matter.

After parting ways with Lily, Connor returned to the classroom and found Dominic and Spencer waiting for him. "Connor, what did Lily want?" Dominic asked Connor curiously.

“Nothing much. She just told me about Mandy!” Connor replied indifferently.

“About Mandy?”

They were stunned and puzzled when Dominic and Spencer heard Connor's words.

“Yeah, Mandy seems to have owed someone money during the summer vacation. Lily came to borrow money from me!”

Connor raised his head and glanced at Dominic before continuing, “But you all know my financial situation. I can't take out that much money at all, so I rejected it...”

“Mandy owes someone money? What did she do? Why would she owe someone money?” When Dominic heard Connor's answer, his expression was one of disbelief.

Although Mandy was usually very vain in class, Dominic felt that Mandy was not the kind of person who would borrow money from others. On the contrary, Mandy was very beautiful. There must be many people who were willing to spend money on Mandy.

“I heard from Lily that Mandy seemed to have lost money because of gambling!” Connor explained expressionlessly, then continued, “Forget it. It's been a long time since Mandy broke up with me. Her problem has nothing to do with me. Let's go now. Otherwise, there might be no seats later!”

“Alright!” Dominic and Spencer didn't doubt Connor's explanation. After all, they also felt that Lily didn't look for Connor because of them.

Connor's explanation was also very reasonable!

The three packed their things and left the classroom.

Not long after, Connor, Dominic, and Spencer arrived at the newly opened hotpot restaurant at the school gate.

Perhaps it was because today was the first day of school, the business of the hotpot restaurant was very good. It was full. When Connor, Spencer, and Dominic arrived at the hotpot restaurant, they realized there were no more seats!

“There are no more seats. I told you we should have come earlier!” Dominic looked at the bustling crowd in the hotpot restaurant and said helplessly.

“Why don’t we eat at another restaurant? There are so many hotpot restaurants in Northampton, so we don’t have to eat here!” Connor hesitated for a moment before softly suggesting.

In fact, Connor wanted to treat Dominic and Spencer to a big meal, but they had no choice but to come to the hot pot restaurant at the school gate to save money for Connor.

Connor could not find a reason to reject these two people, so he reluctantly agreed.

The hotpot restaurant was already full. Connor could take this opportunity to bring Dominic and Spencer to a better restaurant for dinner. After all, the cost of a meal was nothing to Connor.

“But this hotpot restaurant has just opened, and the drinks are free!” Dominic whispered to Connor.

Dominic knew Connor's financial situation very well. He didn’t want Connor to spend too much money to treat them to a meal. After all, Connor’s money was his.

“It's okay. I earned some money this summer. A few hundred dollars mean nothing!” Connor replied with a smile and then took the lead to walk out of the hotpot restaurant.

After Dominic and Spencer saw that Connor didn’t seem to care, they didn’t say anything more and followed Connor out of the hotpot restaurant.

“Connor, where were you working during the summer vacation? Is it still at the same bar?” Dominic had just heard that Connor had earned quite a sum from his summer job, so he asked curiously.

"No, I went to the showroom to sell houses during the summer vacation. The basic salary there is relatively high, and I can get a commission from selling the houses, so I earned more than 20,000 dollars this summer vacation," Connor said to Dominic with a smile.

"More than 20,000 dollars?" When Dominic and Spencer heard this amount, they both were in disbelief. The two did not expect Connor to be able to earn so much money in just two months. "Is selling houses so profitable now? I'll sell houses after I graduate!" Dominic said excitedly to Connor.

"Actually, it's not that easy to earn money. I'm just lucky. I happened to meet some people. So I got a lot of commission" Connor said helplessly.

Connor said it casually because he worried Dominic and Spencer would take his words seriously and enter real estate. Wouldn't that harm them?

"I see. I guess I won't. I'm not that lucky!" Dominic frowned and replied to Connor as if he had already dispelled the idea of selling the house.

"Look, why are there so many people over there!" Spencer suddenly pointed at a restaurant beside the school and shouted puzzledly.

When Connor and Dominic heard this, they turned to look at the restaurant. The entrance was full of people, as if something had happened inside.

"Let's go over and take a look. Is there a fight?" Dominic had always liked to gossip. He naturally wouldn't miss a good opportunity, so he took the lead and ran toward the restaurant.

Connor and Spencer had no choice but to follow.

When Connor, Dominic, and Spencer ran to the restaurant entrance, Dominic grabbed a classmate he knew and asked, puzzled, "Harris, what's going on?"

“I don’t know either. Someone is confessing to our school’s goddess, Ms. Wallace!” Harris replied in a low voice.

When Connor, Dominic, and Spencer heard Harris’ words, they were surprised!

Chapter 515: What A Waste Of Resources!

Be it her figure or appearance, Rachel was the best of the best.

Even compared to Victoria’s Secret supermodels, she was not inferior!

Many people pursued Rachel at the university.

Connor, Dominic, and the others had seen this situation several times before.

However, there was no exception. No matter how outstanding a boy was, Rachel would reject him mercilessly in the end.

It was not strange for someone to confess to Rachel, but it was the first time such a huge commotion had occurred.

“So it’s just someone confessing to Ms. Wallace? What’s there to make a fuss about? Let’s go eat quickly!” Spencer knew that Rachel would reject him after seeing someone confess to her.

He was not very interested in this confession because he had seen such a scene many times. He dragged Connor and Dominic away.

“This confession is different from the usual ones...”

But at this moment, Dominic’s friend, Harris, spoke.

“How is it different?” Dominic asked Harris excitedly.

“This time, the person confessing to Ms. Wallace is not a man, but a woman!” Harris said mysteriously.

“A woman?” Upon hearing Harris’s words, Dominic and Spencer gaped, their faces filled with shock.

No one expected the person who confessed to Rachel this time would be a woman.

“Harris, are you kidding me? The person who confessed to Ms. Wallace is a woman?” Dominic asked Harris in disbelief.

“Of course it’s true. I just received the news that a beautiful woman is confessing to Ms. Wallace in the restaurant. They are all here to see what this woman looked like!” Harris pointed at the people outside the restaurant and said with certainty.

“F*ck, I didn’t expect Ms. Wallace to have such a great charm. Not only did she catch all the men, but she also got the women too!” Dominic sighed emotionally, then turned to Connor and Spencer and said, “What are you two still standing there for? Hurry up and follow me to see what kind of woman dares to confess to Ms. Wallace...”

“Bro, there are so many people outside. Let’s not go in!” Spencer said helplessly to Dominic.

“Why not? Aren’t the two of you curious?” Dominic replied with a gossipy look on his face. Then, he pulled Connor and wanted to squeeze into the dining area.

Connor had no choice but to follow Dominic into the restaurant.

As the restaurant was already full, Dominic, Connor, and Spencer spent a lot of effort to squeeze into the restaurant.

After squeezing into the restaurant, everyone finally saw Rachel and the woman who confessed to her.

When Connor and the others saw the woman who confessed to Rachel, they were all dumbfounded.

The woman confessing to Rachel was indeed very beautiful. Even compared to a sexy woman like Rachel, she was not inferior.

The woman had a head full of brown wavy curls, wearing a tight T-shirt that accentuated her beautiful curves. Her chest was full, giving her an alluring feeling. Her slender waist was seductive. She wore a red miniskirt and was tall and sexy. Under the miniskirt, beautiful legs were unreservedly exposed. On her feet was a pair of high heels. Her entire being looked so seductive.

Looking at the sexy and seductive beauty, the men in the restaurant could not take their eyes off her.

A woman like this could make one's imagination run wild just by looking at her. She was the kind of woman any man would want to take to bed as soon as one saw her.

However, this woman was confessing to Rachel, which meant that this woman was gay!

One had to know that there were tens of millions of male bachelors in Oprana!

Such a beautiful woman being gay was a waste of resources.

"Harris, are you sure this woman is confessing to Ms. Wallace?" Connor turned to look at Harris and asked helplessly.

"It seems so!" Harris seemed to be a little puzzled as he replied helplessly.

"That's impossible. How can such a beautiful woman be gay?" Dominic couldn't help but frown and mutter.

But at this moment, the woman finally spoke. "Rachel, do you know how hard it has been for me to find you during this period?"

The woman's words instantly made the entire restaurant restless.

Her words could prove that she was indeed confessing to Rachel.

"Madison, I've told you many times. I don't like you and can't be with you!"

Rachel sounded very helpless as she rejected the woman before her.

Connor heard this and observed that the woman who confessed to Rachel was called Madison.

Moreover, looking at her age, Madison should be about the same age as Rachel and older than Connor and the others.

"Rachel, why can't you be with me?" Madison's beautiful eyes were completely wet. She looked at Rachel without moving.

Her delicate and pitiful appearance, charming face, snow-white skin, and slender and fair legs were unforgettable.

At this moment, countless men had fallen in love with Madison. No man could resist the charm of a beautiful woman like Madison.

She also could make any man go crazy over her!

However, who would have thought that such a beautiful woman was gay? Moreover, she was confessing to the goddess of Porthampton University, Rachel Wallace!

If these two women were together, who knew how many guys at Porthampton University would have sleepless nights!

Madison was a native of Porthampton. Last month, she met Rachel in Dusk and fell in love with her.

During the last summer vacation, she fiercely pursued Rachel, but Rachel had never agreed to be with Madison.

This was also why Rachel was a bit absent-minded today. It was because she had been a little distracted by Madison recently.

Connor narrowed his eyes as he looked at Rachel. He was also filled with interest.

After all, Rachel had always been a queen-like woman and had even teased him before.

But at this time, Connor noticed that cold sweat had already begun to appear on Rachel's forehead.

Knowing Rachel for three years, Connor had never seen Rachel so nervous!

Chapter 516: I Like Someone

Although Madison was a lesbian, she was still quite famous in Porthampton.

Madison's family was considered a big family in Porthampton.

Furthermore, Madison's Phillips Family seemed to be related to Freya Phillips's Family by blood.

However, Madison's family was more famous in Porthampton, while Freya's family was more famous in the Phillips Estate.

Between the two families, it was probably Madison's family that had more financial prowess.

Secondly, Madison was beautiful and had a hot figure. She was the kind of existence that people would never forget after taking a look at her. Therefore, she had many pursuers around her.

However, because of her sexual orientation, Madison had never been in a relationship.

Logically speaking, when the rich guys of Porthampton found out that Madison was a lesbian, they would have given up on her.

However, it was not the case because men had a desire to conquer.

If they could conquer a lesbian like Madison and make her lie in their bed willingly, it would definitely be more exciting than conquering an ordinary woman.

Rachel seemed to have never met such a suitor. If it was an ordinary man, she would have left long ago.

However, when facing Madison, she could not be so cold.

At this moment, Rachel's extremely sexy face was filled with helplessness, not knowing what to do.

She never thought that Madison would follow her all the way to the school. Moreover, all the students in the school were watching. Rachel felt embarrassed.

"Rachel, I know that you might not be able to accept me now, but you can try to spend some time with me. I promise that you will definitely fall in love with me, and I will treat you better than any man!"

Madison didn't seem to give up in the face of Rachel's rejection. Instead, she chased after her relentlessly.

Madison's beautiful eyes stared at Rachel, waiting for her answer.

Rachel looked at Madison and smiled bitterly. Then, she gently rubbed her temples with a helpless expression on her face.

Originally, Rachel planned to make things clear to Madison today so that she would not pester her in the future.

However, she did not expect Madison to confess to her again. Moreover, it had caused such a huge commotion. She did not know how to end it now.

“Phew!”

Rachel took a deep breath and tried her best to adjust her emotions. Then, she said indifferently, “Madison, I’ve already told you many times. It’s impossible for us to be together!”

“Why?”

Madison shouted.

“Because I’m a normal woman. I like men. I won’t be with a woman. Do you understand what I mean?”

Rachel’s words were very direct. Previously, she had always been worried about Madison’s feelings, so she had never spoken ill of her.

But this time, she felt that she could no longer remain calm.

She hoped that Madison would give up the idea of being with her after this.

“I know you like men, but there’s a possibility that things might change!”

But what Rachel never expected was that Madison still had no intention of giving up.

“You...”

Rachel looked at Madison and was instantly speechless. For a moment, she didn't know what to say.

"Rachel, I know you like men, but you don't have a boyfriend now. You can try dating me."

Madison looked at Rachel with a pitiful expression which made anyone who saw her want to coddle her.

If the person standing in front of Madison wasn't Rachel but a normal man, someone would agree without hesitation if he were asked to die, let alone agree to be with Madison.

"I'm really different from you. I can't do this!"

Rachel frowned and replied.

"Anyway, you don't have a boyfriend now, nor do you have a man you like. Why can't you be with me?"

Madison shouted with her big watery eyes.

Connor, who was standing not far away, was watching the commotion with relish. This was the first time seeing the cold and elegant Rachel with such an embarrassed look.

Connor knew so many women, and each of them was an existence that would stir up hundreds and thousands of hearts. However, there were only three women that left the deepest impression on Connor!

The first one was Rachel, whom he had known for the longest time. From the first time Connor saw her, he felt that she was more than meets the eye. She had an indescribable charm. Even Connor, who had inherited the inheritance, was still very afraid of her.

The second was Connor's favorite, Freya Phillips.

The third was the beautiful internet celebrity Yelena Allen, who had always given him a headache.

Connor felt that Yelena was special because he could never guess what was going on in her mind. The things that she did had always made Connor feel confused.

“Who told you that I don’t have a man I like?”

Rachel made up an excuse in order to make Madison give up.

“You already have a man you like?”

Madison’s expression changed when she heard Rachel’s words. She asked nervously, “Who is the man you like?”

“This doesn’t have anything to do with you!”

Rachel said coldly.

Madison’s eyes flashed with a trace of doubt. She took two steps forward and stared at Rachel with her bright eyes for two seconds. Then, she said softly, “Rachel, you must be lying to me. I had someone investigate you. You don’t have a boyfriend, nor do you have anyone you like. Many people have confessed to you, but you rejected them all!”

“I really have someone i like. Don’t bother me anymore!”

Rachel replied helplessly before turning around to leave.

However, Madison directly reached out and grabbed Rachel. She widened her bright eyes and shouted, “Rachel, if you want me to stop harassing you, that’s fine, but you have to tell me who the person you like is! If you can say his name today, I’ll leave immediately. But if you can’t, then you have to promise to be with me!”

It was obvious that the current Madison was planning to force herself on Rachel.

When Rachel heard Madison's words, she was exasperated.

After all, she really didn't have anyone she liked right now. She was just lying to Madison.

"Rachel, say something. Don't you already have someone you like? Tell me now who the person you like is!"

Madison asked Rachel.

Rachel frowned. She swept her gaze over the people who were watching the show. Finally, her gaze landed on Connor.. She bit her lips and said in a low voice, "The person i like is him!"

Chapter 517: He Doesn't Have the Right to Be With You

In order to get rid of Madison, Rachel actually said something that stunned everyone present.

Rachel said that the person she liked was Connor!

This sentence was like a stone that caused a thousand ripples, and the entire place was in shock.

Everyone could not help but turn to look at Connor, shock on their faces.

No one would have thought that the famous goddess lecturer of the Porthampton University would actually like a poor student! "Why would Miss Wallace like this guy?"

"Yeah, | heard that Connor is a poor loser. Why would a goddess like her like a loser?"

"Oh my God, even television dramas aren't as unpredictable. A poor loser getting the goddess?"

For a moment, everyone looked at Connor and began to discuss in low voices, as if no one believed that Rachel would really like Connor.

However, Rachel had already admitted it personally just now. They felt that it was impossible for her to joke about such a matter.

Doubtful gazes were gathered on Connor. What Rachel said just now was even more explosive than Madison's confession to her, especially since many students present knew Connor and Rachel.

One of them was a poor loser who relied on delivering food to make a living, while the other was an aloof goddess who was out of reach in the hearts of countless people.

Moreover, the two of them were teacher and student. It was really unbelievable that Rachel actually liked Connor.

When Connor heard Rachel's words, he was completely stunned. He stood on the spot with a dull gaze, and he was very shocked.

However, when Connor saw Rachel's gaze, he understood that she was obviously looking for someone in the crowd to help her put on a show.

To put it bluntly, Rachel was using Connor as a shield! At this moment, Rachel even winked at Connor, as if she wanted him to help her out. "Connor, when did you get together with Miss Wallace?"

"Yeah, why are you two together? That's why she looks at you differently. It turns out that the two of you have been together for a long time!"

"Connor, you're a role model for our generation. You actually managed to woo our class counselor. Although we're not much older than Miss Wallace, it's amazing that you managed to woo such a goddess!"

When Dominic Turner and Spencer heard that Rachel liked Connor, they shouted excitedly.

“I'm not with Miss Wallace. She's using me as a shield!”

Connor lowered his voice and explained to the two of them with a helpless expression.

“What does a shield mean?”

Dominic asked with a puzzled expression.

i

Connor opened his mouth and was about to speak when he suddenly heard a crisp sound of footsteps.

Madison, who was wearing a short skirt, had a sexy figure and a charming appearance, and she was already walking toward Connor.

Madison was a tall woman. She was wearing a pair of 10-centimeter-tall high heels. She was nearly 1.8 meters tall, a head taller than Connor, who was 1.75 meters tall.

Therefore, in terms of aura, Connor had already lost.

Connor looked up at Madison as if he was a little guilty. He could not help but sigh deep down. This woman's figure was really top-notch!

Madison looked at Connor with a very fierce gaze, and Connor was also looking at Madison's slender and fair legs and her chest that was about to burst out!

A moment later, Madison's eyes flashed with disdain. Then, she ignored Connor and returned to Rachel. She said softly to Rachel, “Rachel, you can't lie to me. There's no way you would like someone like him.”

“Why can't | like someone like him? Do you know him?” Rachel replied in a low voice.

“This boy is very ordinary in terms of height, appearance, and dressing. How could you like such a person? You just randomly found someone and said that you like him so that 1 would give up!”

Madison was a very smart woman. She saw through Rachel's intentions immediately.

Connor, who was standing in the distance, was very unhappy when he heard this because he felt that Madison's words were simply a humiliation to him.

“| don't think you can decide what kind of man | like.”

Rachel coldly replied to Madison and then continued, “Connor indeed looks very ordinary, but | like him. Not only do | like him, but 1 also want to pursue him!”

“What...”

Madison was so angry by Rachel's words that she didn't know what to say.

She immediately shouted, “Rachel, 1 really like you. | know that you might not be able to ace ALP novobut!1 hppythist gancsn give me a chance. The two of us can slowly get to know each other. | believe that sooner or later, you will like me!”

“Accept Madison!”

“Yeah, Madison really likes you. I've never seen her so crazy before!”

“What are you thinking about? Hurry up and accept her!”

The girls who came with Madison shouted at Rachel.

Rachel frowned, and she was somewhat helpless.

Connor saw how excited Madison was, and he could feel that she really liked Rachel.

If it wasn't for the gender, Connor felt that Rachel might consider Madison, but unfortunately, Madison was a woman!

"Madison, I already have a man that I like. Moreover, the love I want something that can give me. You can't give me a complete family either."

Rachel whispered to Madison.

Madison looked at Rachel and was stunned for a moment. Then, she pointed at Connor and said,

"With big watery eyes; can such a poor loser give you love? He might not even be able to support himself. This kind of person is not qualified to be with you!"

Everyone looked at Connor and started discussing in a low voice. There was disdain in their eyes. Connor was also unhappy. After all, today's matter had nothing to do with him.

But in the end, he had become a live target and was being pointed at. No matter how good Connor's temper was, he could not stand such humiliation!

Dominic and Spencer looked at Connor sympathetically. Now they finally knew what being a shield meant. "Miss, what does it have to do with you whether I have the right to be with Miss Wallace or not?"

Connor walked up to Madison and said coldly..

Chapter 518: Hug Me!

Initially, Madison's confession to Rachel had nothing to do with Connor.

But because of Rachel's words, Connor was directly implicated.

At the beginning, Connor did not feel much about it. After all, he was only helping Rachel.

However, as Madison was humiliating Connor again and again, he finally couldn't take it anymore.

He walked directly to Madison and said with a cold expression, "Whether I'm with Miss Wallace or not is between the two of us. It has nothing to do with you!"

"Who do you think you are? Do you have the right to interrupt me when I'm talking to Rachel?"

From the beginning to the end, Madison felt that Connor was just a shield that Rachel had randomly found, so she did not put Connor in her eyes at all. She was also being really harsh to him.

"Connor is the person I like. Of course, he has the right to speak!"

When Rachel saw Connor taking the initiative to help her, she was naturally very happy.

But Rachel also knew that just based on their words alone, it was not enough to prove that she really liked Connor.

If there was no way to prove that she liked Connor, then Madison would definitely not let her go today.

Therefore, Rachel made a very bold decision. She turned and whispered to Connor, "Connor, hug me!"

That's right, Rachel planned to use this method to attack Madison, so that Madison would retreat.

"Hug... Hug you?"

When Connor heard Rachel's words, he was instantly stunned. He was extremely shocked.

Just now, Connor was humiliated by Madison a few times, so he took the initiative to stand up. However, he didn't have any other thoughts at all.

But Connor never thought that Rachel would actually take the initiative to ask him to hug her!

Wasn't this request a little too much?

"This... This isn't appropriate, right? ATiss Wallace..."

Connor looked at Rachel and said helplessly.

She had a charming face, a sexy figure, and a cold temperament!

No man would be able to refuse such a perfect woman.

However, this woman was Rachel, so Connor really didn't dare to make a move!

"Cut the crap. If I ask you to hug me, then hug me!"

In order to get rid of Madison, Rachel had completely thrown caution to the wind.

She grabbed Connor's right hand and placed it on her slender waist.

Connor hugged Rachel instinctively. At this moment, he could clearly smell the faint fragrance on her body. It was the same as the smell in her bedroom.

Rachel originally planned to kiss Connor to prove that she really liked him.

However, she felt that with so many students watching, if she really kissed Connor, it would definitely cause an uproar. That was why she chose to let Connor hug her!

At this moment, Connor was hugging Rachel from behind. His head was next to hers, and he could clearly smell the fragrance of her hair. His right hand was placed on her flat abdomen, feeling her slender and soft waist.

Seeing this scene, Dominic and Spencer were instantly dumbfounded.

Previously, the two of them pitied Connor for being humiliated by Madison, but now, they were very envious of Connor.

Connor and Rachel were about the same height, so Connor's body could just touch her perky buttocks.

This was still the first time Connor had such intimate contact with Rachel. This kind of contact would make one's desires go rampant.

"Let go of her!"

Madison saw Connor hugging Rachel and shouted at him.

"Madison, can you stop being unreasonable here!"

Rachel frowned and continued, "I let Connor hug me because I want you to know that the person I like is him. Otherwise, I would never let him hug me. So please don't harass me anymore."

"Impossible! This isn't true. I don't believe that you would like such a person!"

Madison shouted with her big watery eyes.

“The two of us are already hugging. Don’t tell me you still don’t believe that I like Connor?”

Rachel replied helplessly, then continued, “You just don’t understand Connor. He’s very outstanding. It’s not weird for me to like him!”

n ii

Madison looked at Connor and hesitated for two seconds. Then, she walked up to Connor in her high heels and shouted, “Let go of her!”

“I won’t let go!”

Connor replied indifferently.

“I have something to say to you in private!”

Madison took a deep breath and dragged Connor, wanting him to go with her.

“Is there anything you can’t say here?”

Of course, Connor would not really leave with Madison, so he directly refused.

“Are you a man or not? If you’re a man, don’t dawdle. Hurry up and come with me!”

Madison looked at Connor and shouted.

Connor was stunned for a moment when he heard this. Then, he turned and glanced at Rachel.

“Go on!”

Rachel said indifferently.

“Alright!”

Connor nodded, then released Rachel and was about to leave with Madison.

At this moment, everyone was also dumbfounded because they simply could not understand what was going on. Originally, it was just Madison and Rachel’s story. How did it end up with Madison wanting to talk to Connor?

“Come with me!”

Madison said with a cold expression, then turned around and walked into the private room of the restaurant.

Connor felt that Madison was just a woman and probably wouldn’t dare to do anything to him.

Therefore, Connor hesitated for a moment before walking into the private room.

When Rachel saw Madison and Connor enter the private room, she finally heaved a sigh of relief. Then, she turned around and walked out of the restaurant without thinking. She just wanted to leave this place as soon as possible.

On the other side, after Connor entered the private room, Madison closed the door.

“What do you want to tell me?”

Connor looked at Madison and asked.

“Sit down!”

Madison pointed at the chair behind Connor.

Connor looked at Madison and didn't say anything. He then sat on the chair.

When Madison saw that Connor had really sat down, a smug look flashed across her eyes. Then, she reached out and grabbed Connor's collar. Then, she took a step forward and pressed her legs on Connor's thighs, making him unable to move.

Only then did Connor react. Madison actually planned to make a move on him. “What exactly do you want?”

Connor asked Madison helplessly.

“You actually dare to snatch Rachel from me? I'm going to teach you a lesson today!”

Madison's entire body was pressed against Connor's body as she shouted fiercely at him..

Chapter 519: You're Actually For Real

Although Madison looked weak on the surface, she was actually an expert in boxing.

When she was in university, she won the title of Porthampton's kickboxing champion for two consecutive years. She felt that it was not a problem for her to deal with an ordinary person like Connor.

There were so many people in the restaurant just now, and many friends were present. If Madison fought with Connor in front of everyone, it would have a great impact on her reputation.

That was why Madison had deliberately brought Connor into the private room. She was prepared to teach Connor a lesson and make him give up pursuing Rachel.

“What are you doing?”

Connor looked at Madison who was pressing on him and asked helplessly. “Your name is Connor, right?”

Madison asked Connor fiercely.

“Yeah, why?”

Connor was completely dumbfounded at this moment as he nodded gently.

“Let me warn you. From today onward, you better stay away from Rachel. You are not allowed to get close to Rachel. Otherwise, I will...”

Madison raised her small fist and threatened Connor. “I’m Rachel’s student. | don’t think I can avoid meeting her!” Connor helplessly replied.

“| don’t care what your relationship with Rachel is, but a stinky man like you isn’t worthy of her. So, you have to leave her immediately. It’s best if you leave Porthampton.”

Madison shouted. “Rachel likes me. That’s her business. What’s the use of threatening me?”

Connor did not intend to fight with Madison. After all, the other party was just a girl. Connor felt that if he really fought, he would not be in the right.

“| don’t care. Let me ask you, can you do what | asked?”

Madison asked domineeringly.

“If | can’t do it, what are you going to do?”

Connor asked Madison playfully.

“What am I going to do?”

When Madison heard Connor’s words, she couldn’t help but sneer. Then, she raised her fist and punched Connor’s face. “F*ck, you’re actually serious!”

Seeing that Madison was really going to attack him, he quickly cried out in surprise. Then, he instinctively reached out to push Madison’s slender and soft waist, wanting to stand up from the chair.

However, Madison didn’t give Connor the chance. She sat on Connor’s body, making Connor unable to move.

Although Madison had practiced kickboxing and judo, so she had no problem dealing with an ordinary person, but Connor delivered takeout all year round and was not weak. Madison could not control him at all.

Connor suddenly stood up, then carried her and placed her on the table in the private room.

“I don’t want to fight you!”

Connor placed her on the table and turned to leave.

However, Connor did not expect Madison to not give up. She used her high heels to kick his stomach.

Connor had no choice but to press her on the table, making her unable to move.

At this moment, the two of them were in a very suggestive position. Connor’s entire body was pressed against Madison!

Madison's face was filled with shame and anger because she had never had such intimate contact with a boy since she was young.

After all, whenever she saw a man, she would feel disgusted. At this time, Connor was actually directly pressing down on her. Madison kept struggling. Her hands kept hitting Connor as if she wanted to push him away from her.

When Connor saw Madison's intense reaction, he didn't think that it was because she had never been in contact with a man. On the contrary, Connor didn't dare to let go of her.

He knew that if he let go of her, she would definitely take revenge on him! Madison tried hard to push Connor away, but he was like a magnet, sticking tightly to her body.

Moreover, Madison was wearing a spaghetti strap short skirt today. In the crazy struggle just now, the spaghetti strap was removed, revealing her sexy collarbone and fair fullness. Their bodies were also tightly pressed together.

Since Madison had been struggling, she would definitely have a lot of contact with him. Connor realized that his body was reacting to the friction between them.

Although Madison had never had a boyfriend, she knew what was going on when she felt his reaction.

Therefore, Madison became angry and shouted excitedly, "You pervert, let go of me!"

Connor smelled the fragrance on Madison's body. Coupled with the fact that the position they were in was a little suggestive, he did not intend to let go of Madison, but instead pressed on her even harder.

"Ugh..." After Madison was completely suppressed by Connor, she could not help but snort softly.

And this voice was like a fuse to Connor, directly igniting the gunpowder in his heart!

After all, the woman lying under him was the best of the best. No man could withstand such a test.

Connor's breathing also began to become rapid. His hands cut! for his buttocks of Madison's slender and fair thighs!

"What are you doing, you pervert? Get up!"

When Madison felt Connor's hand movement, she got even more agitated. She tried hard to push him away.

At this moment, Madison was regretting her actions. She regretted bringing him here!

Connor couldn't control the desire in his heart and directly kissed Madison's lips.

"Ugh..."

When Connor kissed her, she was dumbfounded. She quickly turned her head to the side and began to struggle desperately.

His right hand moved directly toward Madison's full body, while his left hand began to tug at her skirt. At this time, they were in an even more suggestive position.

Madison's eyes flashed with despair. She never thought that her body would be so tempting to Connor. "Hurry up and let go of me..."

Madison looked at Connor and was about to speak, but she didn't expect that move to give him a chance. Connor kissed her on the lips!

Madison felt as if her body had been electrocuted.. An unprecedented feeling swept through her heart!

Chapter 520: I'm Not a Lesbian

This was Madison's first kiss.

She had never kissed anyone in her life, let alone a man!

The moment Connor's lips touched Madison's lips, she felt her mind go blank!

Never in her wildest dreams did she imagine that her first kiss, which she had kept for more than twenty years, would be snatched away by a stranger just like that!

She didn't even have the chance to experience what it felt like to kiss before she bit Connor's lips! "All"

Connor screamed and instantly came to his senses. He hurriedly took two steps back and looked at the disheveled Madison in front of him.

"What am I doing!" Connor shook his head and sighed helplessly.

Perhaps it was because he had sex with Chloe Lawson not long ago, so he always had a desire in his heart, and it was this desire that caused him to lose control of his body just now.

"Alih..."

When Connor let go of her, she squatted on the ground and cried loudly.

She had never been treated like this before. Moreover, she was pressed onto the table by a man and forced to kiss him! "Miss Phillips, I'm really sorry for what happened just now. | lost control..."

Connor hurriedly said to Madison.

"Get lost, you're a stinky hooligan. A person like you doesn't deserve to be with Rachel. Get lost!"

Madison cried as she pointed at Connor.

“I'm sorry. It was my fault just now. However, Miss Phillips, you're really attractive...”

Connor hurriedly picked up a tissue and handed it to her, apologizing sincerely.

“Get lost!”

Madison reached out and knocked away the tissue that Connor handed over.

Connor stood there and hesitated for a couple of seconds. He couldn't help but sigh and then turned around to leave. “Stop right there!”

But Madison suddenly shouted again.

Connor was stunned for a moment, then turned to look at her.

“What is your relationship with Rachel?”

Madison wiped the tears from the corner of her eyes and asked Connor.

“Miss Phillips, actually, Miss Wallace doesn't like me at all. I'm just a poor loser. I don't have money or the looks. Miss Wallace is so good-looking and is the goddess of our school. Why would she like me? The reason why she said that today was just to reject you!”

Seeing that Madison was in such a state, he naturally couldn't bear to continue lying to her, so he could only tell her the truth. Madison looked at Connor and was stunned for a moment. Then, she asked in an excited tone, “Is what you said true?”

“Of course, it's true. I don't have to lie to you!”

Connor replied indifferently.

When Madison heard Connor's words, her mood instantly improved. She pursed her lips and said to Connor, "I knew it. How could Rachel fall in love with a boy like you..."

Connor looked at her with a hint of helplessness in his eyes, but he thought of what he had done to Madison just now, so he didn't refute her.

"Miss Phillips, it was indeed my fault just now..." Connor looked at Madison as if he wanted to explain.

"You don't have to explain anything to me. I know what you men are like, but I hope that no third person will find out what happened just now. Do you understand what I mean?"

Madison's mood had obviously eased a lot as she whispered to Connor. "Yes!" Connor hurriedly replied.

After all, Connor wasn't a fool. If what happened just now was exposed, it wouldn't do him any good. He definitely didn't want others to know about this. "Then, you can leave!"

Madison didn't seem to want to pursue this any further. She waved her hand at Connor, indicating that he could leave now.

When Connor reached the door, he suddenly stopped and turned to look at Madison, who was standing in the private room with a flirtatious look. He asked with a puzzled tone, "Miss Phillips, there's actually something I can't figure out..."

"What is it?" Madison replied softly.

"A girl like you is not only very beautiful, but also very rich. You must have a lot of suitors around you. Why don't you like boys but like women instead?"

Connor really couldn't understand why a girl like Madison would like women. If it was a girl who couldn't find a boyfriend, Connor might be able to accept it.

But Madison didn't seem like the kind of girl who couldn't find a boyfriend! "What's so good about men?"

Madison looked at Connor and smiled, then continued, "Actually, I'm not a lesbian. I just hate men. And then, my father abandoned my mother. I've been living by my grandfather's side. My surname wasn't Phillips, but because my father ran away with another woman, I took on the same surname as my mother!"

"So, this was triggered by your father?" Connor frowned and asked.

"Maybe!"

Madison sighed helplessly, then looked at Connor and continued, "After my father left my mother, my mother had been instilling in me the idea that men are always wrong. I have been very resistant to men since I was young. I don't like men either. No matter how outstanding my pursuers are, I won't fall for them because I know that they're just trying to trick me into sleeping with them. You men are all animals that think with your lower body. You'll abandon us women..."

When Connor heard Madison's words, he wanted to defend himself.

However, when he thought of what he had done to Madison just now, he felt that it was better to let it go. He did not seem to have the right to say this.

"Although I've always hated men, I don't like women very much either. Until I met Rachel some time ago. I seem to like Rachel, but I'm not sure if I really love her. I just want to be with her!"

Madison looked at Connor and continued.

"Actually, Miss Phillips, I think you should see a psychiatrist. After all, you don't know if you simply hate men or if you're really lesbian!"

Connor said in a low voice.

“A psychiatrist?”

Madison couldn't help but sneer when she heard this. Then, she shook her head gently and said,
“Everyone in the hospital knows who I am. If I really go to see a psychiatrist, won't everyone know that I'm a lesbian?”

“Everyone knows that you confessed to Rachel so openly today.” Connor replied helplessly. “That's different. I don't care if outsiders know, but it's fine as long as my grandfather and mother don't know!”

Madison replied indifferently, then stood up and walked out of the private room..
