Chapter 61: Mandy The Party Pooper

“Girls from Porthampton University won’t date Connor, but it doesn’t mean that girls from other schools won’t date him!”

Brandon Guthrie suddenly said coldly.

Everyone was stunned. Then, they realized what was going on.

“Connor must have hooked up with girls from other schools. He’s here pretending to be a rich kid to pick up girls!” Charlie quickly said.

“Hehe...”

Brandon couldn’t help but sneer. He had been thinking of ways to take revenge on Connor for the past few days, but he had never found an opportunity.

Now that the opportunity had finally come, how could he let Connor go?

“Mr. Guthrie, do you want me to expose Connor now?” Charlie asked Brandon excitedly.

“Don’t worry, let’s wait a little longer. I want to wait until he’s about to succeed and expose him. Only then will it be interesting!”

Brandon smiled sinisterly.

Everyone understood what Brandon meant.

On the other side, at one of the tables.

After a short exchange with Connor, Natasha realized that Connor actually had a pretty good personality, and he didn't look too bad either.

Most importantly, Natasha felt that Connor did not have ulterior motives like the other guys. Most of the guys were always thinking about getting her into bed or having some fun with her. However, Connor did not seem to have any intention in this regard.

This also made Natasha feel that Connor was a very decent gentleman, so her impression improved.

Although Natasha would not fall in love with Connor simply because of this, at the very least, she was not averse to chatting with Connor.

When they chatted, a faint smile played on Natasha's lips.

Connor had a good impression of her, too. However, he wasn't sure if Natasha would still talk to him like this after she found out that he was a pauper.

Dominic saw that Connor and Natasha were getting along quite well, so he was very happy for them.

However, Cindy simply couldn't bring herself to be happy for them.

She did not expect Natasha to get along so well with Connor. Even after chatting for so long, she still didn't show any disgust toward him.

Cindy was a little hesitant. When they returned to the dormitory, should she tell Natasha about Connor?

Although Cindy didn't want her roommate to know that she had a loser friend like Connor, she couldn't bear seeing her best friend being deceived by a loser like Connor.

"Natasha, you haven't had a boyfriend before, right?"

Dominic suddenly asked Natasha with a smile.

Natasha was stunned for a moment.

Then, she replied softly, "Yeap, I haven't met someone to my liking, so I have been single my whole life so far..."

"You're so beautiful; there must be a lot of guys pursuing you, right?"

Dominic grinned, then he looked at Natasha and continued, "Well, Connor is my best friend. I know him very well. He is recently single. Why don't you two give each other a chance?"

"Dominic, what nonsense are you talking about? Natasha and Connor have only known each other for less than two hours. Why are you asking them to give each other a chance?"

Cindy remarked angrily.

Meanwhile, Dominic turned to look at Cindy. A hint of helplessness flashed across his face because he didn't expect her to ruin the moment.

"I think the same that Connor and I have only just met. We can start as friends..."

Natasha hesitated for a moment and said softly.

"That's true. You two have only just met today. It's better to start as friends!"

Dominic grinned and then reached out to nudge Connor. He said in a low voice, "Connor, what are you waiting for? Quickly add Natasha on Facebook. You guys can chat when you are free..."

Natasha didn't seem to mind. So, she elegantly took out her phone from her Gucci handbag and tapped on the Facebook app.

Connor couldn't help but hesitate when he saw what Natasha was doing. He then took out his phone.

Connor had a good impression of this woman, Natasha Scott. After all, she was better than Mandy Hines in many aspects.

Although she couldn't be compared to a woman like Freya Phillips, Freya didn't seem interested in Connor. There was no need for Connor to suffer. So, he took out his phone to add Natasha on Facebook.

He planned to tell Natasha that he was penniless to test her reaction after adding her on Facebook.

If she was still willing to date him, he didn't mind getting along with her.

But if she turned hostile and refused to acknowledge him, he wouldn't waste his time on such a woman.

"Ah, who did I think it was? Isn't this the King of Delivery of our university, Connor McDonald?"

Just as Connor was about to add Natasha on Facebook, a girl suddenly walked up to Connor and called out strangely.

Hearing this mocking voice, Connor was stunned, then turned to look behind him.

He realized that it was none other than his ex-girlfriend, Mandy Hines. Behind Mandy were Brandon, May, Lily, and others.

"Mandy, what are you doing here?"

When Dominic saw Mandy, he immediately knew that something was up. He quickly stepped in and spoke loudly.

“Dominic, what do you mean? You don’t own Duck. If you can come and hang out here, can’t we come to hang out, too?”

Mandy sneered and replied disdainfully.

“My family may not own Dusk, but this is our table. You are not welcome here. Please leave!”

Dominic knew that Mandy wanted to stir up trouble, so he wanted to get rid of her as soon as possible.

“Dominic, we’re all classmates. You don’t have to be so calculative!”

Brandon stood up and said with a smile.

“That’s right. You’re in such a hurry to chase us away. Are you feeling guilty?”

Lily also stood up and shouted.

Natasha, Cindy, and Tiana seemed puzzled when Mandy and the others suddenly appeared.

They didn’t know how this group of people was related to Connor..

Chapter 62: They Are Right

Translator: End Less Fantasy Translation Editor: EndlessFantasy Translation

“Guilty? Why should I feel guilty?”

Dominic Turner was stunned. Then, he frowned and retorted softly.

“Yeah, why should we feel guilty?”

Spencer echoed.

At this moment, Connor was the only one who stood rooted to the ground. He looked at Mandy Hines, May Young, and the others.

From the moment Mandy appeared, Connor had already guessed what she and the others wanted to do.

“Why should you all feel guilty? Don’t you know what you’re doing? Aren’t you all afraid that I’ll expose Connor and make you all feel embarrassed?”

Mandy looked at Dominic and sneered in disdain.

Then, she walked up to Natasha and carefully looked at her. She smiled and asked, “You aren’t a student of Porthampton University, right?”

“No...”

Natasha shook her head. She didn’t know what Mandy was trying to do.

“Hehe, that’s why!”

Mandy sneered and said, “Let me introduce myself. My name is Mandy Hines. I’m Connor’s ex-girlfriend...”

Natasha subconsciously turned to look at Connor.

Although Dominic had said that Connor was recently single, she never thought she would meet his ex-girlfriend here. So, she was a little surprised.

“What do you want?”

Natasha looked at Mandy and asked.

“I don’t want anything. I only want to tell you something about Connor. I’m worried that a great girl like you would be deceived by a subpar guy like Connor!” Mandy said sneakily.

“Mandy Hines, what nonsense are you talking about? We don’t welcome you here. Please leave now!”

Dominic became increasingly agitated. He spoke at the top of his lungs.

“Don’t welcome me? Why not? I’m not done speaking!”

Mandy sneered. Then, she glanced at Connor and said softly, “You aren’t students of Porthampton University. You might not know Connor, but I know him very well.

“Connor is famous for being poor at Porthampton University, and he is especially poor. Look at his torn shoes. He has been wearing them for almost three years and has never changed them. Moreover, Connor is the infamous King of Delivery. He has been earning a living as a delivery boy. I chose to break up with Connor because he is too poor. That’s why we broke up!”

When Natasha heard Mandy’s claims, she stood rooted in disbelief.

Although Connor was indeed dressed a little poorly to Natasha, she had never expected that he was actually poor and made a living by delivering food. If he really made a living by delivering food, how could he possibly have the money to treat everyone to a drink at Dusk?

At this moment, Tiana's eyes were widened in shock.

She had not expected Connor actually to be so poor. She was secretly glad that she did not take the initiative to seduce him. Otherwise, it was very likely that he would have deceived her.

"If you don't believe me, suit yourself. You can ask anyone at Porthampton University. They should know Connor!"

Mandy continued after seeing that Natasha hadn't said anything.

"I can be witness that Connor is a poor loser who delivers food!"

"Yes, I can be a witness too!"

At this moment, most of the students in the bar were from Porthampton University.

When they heard what Mandy said, they stood up to second Mandy's claims.

After all, Connor was known as the Delivery Boy at Porthampton University. Many students knew him.

Dominic and Spencer were speechless. They didn't know how to refute Mandy. After all, everything she said was the truth.

It was true that Connor was poor, and it was also true that he delivered food, too.

"I'm guessing you probably don't know about this. Connor didn't tell you about it either, right? And he even pretended to be a rich kid and wanted to hit on you, right?" Mandy looked at Natasha and continued.

"He didn't pretend to be a rich kid. He only wanted to treat me to a drink!"

Natasha bit her lip and replied in a low voice.

"That's right, Connor should still have the money to treat you to a drink, but this is from his lottery scratchcard a few days ago, so he now has the money to treat you to a drink!" Mandy said with a sneer.

"Yes, after Connor won the lottery scratchcard, he even treated our classmates to a meal at Brasserie Le Bernardin. He wanted to pretend to be a rich kid, but Connor is a fool to us. It was only by luck that he won the lottery, and he used it to treat everyone to a meal. He doesn't even know how to improve his lifestyle; it's a joke!" Lily commented loudly.

At this moment, May, standing at the side, hesitated before standing up and shouting, "That's right. Connor won the lottery scratchcard. He even offered me fifty thousand dollars to sleep with him. However, I rejected him. He didn't even look at himself in the mirror before asking me to sleep with him. He's a toad who wants to kiss the princess!"

Connor did not react to whatever they said. However, when he heard what May claimed, he couldn't help but look up at her.

But he didn't refute anything. Instead, he sat there with a cold expression.

It was as if he had tacitly agreed to the things that Mandy, Lily, and May had claimed.

Natasha seemed angry now. She had always been proud and arrogant, and she had never accepted any male pursuits.

Today, she had finally developed some interest in Connor but was deceived.

If this were to get to the art academy, she would very likely become the school's laughing stock.

After a moment of hesitation, she turned to look at Connor. Then, she stared at him as she asked, "Connor, are they telling the truth?"

Connor sat without saying anything. Neither did he refute anything.

"I'm asking you a question. Are the things they said true?"

Natasha looked at Connor and continued to shout.

"Connor, say something!" Dominic prompted anxiously.

Connor took a deep breath and said expressionlessly, "Yes, it's true!"

After Connor admitted to those claims, Natasha was stunned. She became distraught.

Cindy's expression had also turned very ugly because she was the one who allowed Connor to tag along. Now that Connor had admitted that he was a delivery man, it showed that her friend was a poor loser.

This was simply a huge blow to Cindy, who had always been vain.

"Alright, since you already know the truth, I won't say anything more. You guys can decide the rest for yourselves!"

Mandy looked at Connor and smiled disdainfully. She didn't say anything more and just turned around to leave. All she needed to do now was to wait for the drama..

Chapter 63: Freya Phillips' Phone Call

Natasha glared at Connor angrily.

After hesitating, Natasha bit her lip and asked softly, "Connor, why did you do this? Since you don't have money, why did you pretend to be a rich kid? Can't you just go back and deliver food?"

After hearing that, Connor couldn't help but look up at Natasha and didn't say anything.

Initially, Connor planned to tell Natasha the truth after he added her on Facebook just to see how she would react.

But now, it seemed that there was no need for that because Mandy had already probed her on Connor's behalf.

“What rotten luck!”

Natasha cursed emotionally, then picked up her bag and turned to leave.

“Natasha, don’t go. It’s not what you think...”

When Natasha was about to leave, Cindy quickly reached out to stop her.

“Cindy, we’ve been roommates for so many years. You should know me well. It’s fine to introduce me to a delivery man, but you have actually teamed up with him to lie to me. I didn’t expect you to be this kind of person!”

Natasha cursed coldly and then walked out of the bar.

“Cindy, you have indeed gone a little overboard with this. Even if you introduce an ordinary person to Natasha, she wouldn’t be so angry. But you have actually introduced a person like Connor to her. It’s really...”

Tiana added before catching up with Natasha and leaving the bar together.

Mandy Hines and the others saw Natasha and Tiana leaving the bar not far away. They smiled smugly and began to drink and celebrate.

Connor looked at Mandy’s smug expression and felt amused.

He could not understand why. He had already broken up with her. Moreover, when they were still together, he had treated her very well. However, why was she making things difficult for him now?

“Dominic, I told you earlier not to bring this person to the bar. Natasha would never be friends with a delivery boy. You didn’t listen to me. Now that things have turned out this way, are you happy now?”

Cindy was filled with burning anger right now. She had nowhere to vent it, so she could only shout at Dominic.

Dominic seemed helpless. How could he have predicted things to turn out like this?

“And you, Connor, you’re a lame delivery boy. Why are you pretending to be a rich kid to pick up girls? I don’t know what’s going on in your head!” Cindy said as she turned to Connor.

“Weren’t you the one who begged me to join you all? I didn’t say I want to join!”

Connor replied expressionlessly.

“You...”

Upon hearing what Connor said, Cindy was speechless. After all, she was the one who asked Connor to come.

“You stinking loser. You’ll be single for the rest of your life. How disgusting!”

After saying that, Cindy turned around and left, too.

After the few girls left, only Connor, Dominic, and Spencer were left at the table.

Seeing this, Spencer hurried to Connor comforted him, "Connor, don't be sad. It's just one woman. If this doesn't work, let's look for another. I'll introduce you to someone more beautiful than Natasha in a few days..."

"Yes, yes, Connor. I'm sorry. I didn't expect things to turn out like this today. If I knew, I wouldn't have asked Cindy and the others to come here..." Dominic Turner said guiltily.

"It's all Mandy, May, and the others' fault. We're all classmates. Is there a need to ruin everything like this? Even a stranger is kinder!" Spencer looked at Mandy and the others and said emotionally.

"Dominic, you don't have to introduce me to a girlfriend. I already have a fiancée!"

Connor suddenly said.

"What? Connor, you have a fiancée?"

When Dominic heard that, he exclaimed in disbelief.

"Yes!"

Connor nodded slightly.

"Really? What's your fiancée's name? Is she from Porthampton University?" Spencer asked curiously.

"My fiancée's name is Freya Phillips!"

Connor didn't want Dominic and Spencer to worry about his relationship status, so he told them about his engagement with Freya.

"Freya... Freya Phillips?" Spencer asked

Spencer seemed very shocked when he heard the name.

Dominic reacted the same too.

"You know Freya Phillips?"

Connor couldn't help but ask Dominic and Spencer after seeing their reaction.

"As far as I know, there is indeed a woman named Freya Phillips in Porthampton. However, she is Phillips Corporation's chairman's daughter. I don't know if you are talking about the same 'Freya Phillips' that I know!" Dominic said slowly and hesitantly.

"Bro, what nonsense are you talking about? If Connor's fiancée is the daughter of the chairman of Phillips Corporation, then how could he be drinking with us here? His fiancée might have the same name as Freya Phillips!" Spencer said quickly.

"That's right. Maybe it's just a coincidence!"

Dominic smiled faintly and didn't say anything else.

As the daughter of the chairman of Phillips Corporation, Freya was exceptionally beautiful. She had a sexy figure, too. In addition to her wealthy family background, she had at least hundreds of suitors.

How could such a fairy like her be Connor's fiancée?

So Dominic simply accepted that it was someone else with the same name.

"Connor, you're something! You have a fiancée and didn't even say a word. Why didn't you tell us?"

Dominic patted Connor's shoulder and said with a smile.

"Yeah, if you had told us earlier that you have a fiancée, we wouldn't have introduced you to someone!" Spencer added.

"I only found out about it a few days ago!"

Connor replied helplessly.

"Oh, I see! Oh, right, invite your fiancée to hang out with us when you have the chance!" Dominic said with a smile.

"Okay!"

Connor nodded and didn't say anything.

Mandy and the others heard the conversation between Connor and Dominic.

When Mandy and her friends found out that Connor had a fiancée, they looked disdainful.

"A loser like Connor found himself a fiancée? Which idiot wants to marry him?" May couldn't help but mutter.

"Hehe, how can you believe what he said? He must be suffering because of his pride. To show off, he is lying about this. How shameless!" Lily pouted and said.

"That's right. Connor must be bragging!" Mandy nodded and said.

"Mandy, after you broke up with Connor, he seemed to be acting crazy all the time. Moreover, he is starting to brag more. I think he is still not over you!" May said to Mandy softly.

"So what? I was blind to have been with a loser like him. Now, there is just no chance. Brandon is so much better. He's rich and considerate..."

Mandy said as she nestled in Brandon's arms, deliberately showing off.

Connor, Dominic, and Spencer chatted for a while. When they saw that it was late, they got ready to leave the bar and go home.

However, just as Connor was about to get up, his phone suddenly rang.

Connor was stunned for a moment. He quickly took out his phone and glanced at it. There was a woman's name on the screen.

It was none other than Connor's fiancée, Freya Phillips!

Chapter 64: Pick Up The Money

Ever since the last time they parted at New Century Restaurant, Connor had not contacted Freya Phillips.

Although the two of them had exchanged phone numbers, Freya had never taken the initiative to call Connor.

At this moment, Connor looked at the name 'Freya Phillips' on the phone screen, puzzled.

He couldn't understand why Freya would call him so late at night.

Dominic saw 'Freya Phillips' on Connor's phone screen, too. He couldn't help but laugh and say, "Connor, your fiancée is calling you. Why aren't you answering?"

"Yeah, answering it!"

Spencer chipped in.

Connor hesitated, then answered the call, "Hello?"

"Where are you now?"

Freya asked coldly from the other end of the phone.

"I'm at the Dusk. What's up?" Connor was stunned before replying softly.

"Then wait for me there. 1'11 go to you now..."

Freya replied indifferently. Then, she hung up without waiting for Connor to respond.

Connor seemed a little helpless, having been hung up on. He didn't know what Freya was up to.

"Connor, what did your fiancée say to you?"

Dominic asked curiously.

"Nothing. Let's go!"

Connor said indifferently and turned around to leave.

He didn't want to expose his true identity. If he told Dominic and Spencer that Freya would come to him in a while, then the two would want to stay to see his fiancée.

If Dominic and Spencer knew that it was the one and only Freya Phillips, then it would be difficult for Connor to still keep his secret.

Therefore, he planned to leave this place for now and then come back secretly.

When Dominic and Spencer noticed that something didn't seem right, they didn't ask any further questions. They followed Connor out of the bar.

A few minutes later, Connor and the other two went their separate ways at the university's gate. Then, he returned to the bar entrance alone and waited quietly for Freya to arrive.

Ten minutes later, a taxi stopped at the entrance of Dusk.

However, the person who got out of the taxi was not Freya but Maya Phillips, with whom Connor had an encounter before.

Today, Maya was wearing a short dress. Her sexy figure was even more attractive in contrast to the dress. She was irresistible from head to toe.

Her beautiful face wore light makeup. Her eyes were charming, and her sexy lips had a slick of pink lipstick. The short dress wrapped snugly over her sexy buttocks.

Her slender and fair legs were pleasantly exposed.

Maya got out of the taxi and briefly glanced at the entrance of Dusk.

When Maya saw Connor, her eyes were filled with disgust. She walked up to him as her heels clicked against the ground.

“Didn’t your sister want to see me? Why are you here?”

Connor asked Maya gently.

“Do you think I want to meet a lame delivery boy like you?”

Maya replied rudely and continued, “My sister is tied up with something at the company, so she can’t come here in person. She has asked me to give you your allowance!”

“Allowance?”

Connor was surprised.

“Didn’t you tell my sister to give you twenty thousand dollars a month? There are 120 000 dollars here! It’s your allowance for half a year...”

Maya handed a black bag to Connor as she spoke.

Connor only realized what was going on when he saw the money in the bag. When he had negotiated with Freya at New Century Restaurant, he had indeed asked her for twenty thousand dollars a month.

Connor reached out to take the bag, but Maya had deliberately let go of the bag a second earlier.

Thud.

The bag fell to the ground.

Connor couldn’t help but feel stunned when he saw the bag drop. However, he didn’t say anything. Instead, he slowly bent down to pick up the bag.

Maya looked even more disdainful when she saw Connor grovel. She couldn’t help but mock, “Connor McDonald, are you even a real man? You’re a man, yet you are asking for money from my sister. You’re a loser. Don’t you have any dignity as a human being?”

“Your sister is my fiancée. We’re going to get married soon. It’s only right for me to spend her money. What does it have to do with you?”

Connor replied indifferently. Then, he unzipped the bag in front of her and started counting seriously.

“You...”

When Maya heard that, she seemed even more upset.

“Humph! No wonder the students of your school ridiculed you. People like you are a loser. How can you keep your chin up when living off a woman? I really admire you. How can a man like you exist?”

Maya said mercilessly, her tone extremely harsh and unkind, venting her dissatisfaction toward Connor.

“A man like me?”

A strange look flashed through his eyes.

“That’s right, a man like you. You’re disgusting!” Maya said quickly.

“Hehe...”

Connor looked at Maya and sneered. Then, without thinking, he tore the black bag and threw it into the air.

Crash!

Countless banknotes fluttered in the wind. It looked extremely spectacular.

“Connor McDonald, what are you doing? Are you crazy?”

Maya shouted at Connor in horror.

“Pick up the money and give it to me!” Connor said to Maya expressionlessly.

“You threw the money yourself. Why should I help you pick them up? Do you want it or not?”

Maya obviously wouldn’t do what Connor told her to do.

“You’re not picking them up, right?”

Connor smiled faintly and then continued, “Then, go back and tell Freya that I haven’t received my allowance for this month. If I don’t see twenty thousand dollars within three days, my agreement with her will not be effective. She must become my legal wife!”

“Connor McDonald, you...”

As Maya was about to say something, Connor turned around and walked away.

Maya hesitated. She knew that her mission today was to deliver money to Connor. If he didn’t receive the money, she would have to reimburse this 120 000 dollars from her pocket.

Maya’s family was wealthy, and she was a fair, rich, and beautiful woman.

However, she was only a student now. 120 000 dollars was still a considerable amount of money for her.

“Connor McDonald, you bastard!”

Maya cursed and quickly bent down to pick up the banknotes from the ground.

However, the people in the bar seemed to have noticed the banknotes. So, they rushed out of the bar and started to grab them.

“Don’t take them! This is my money! You bandits, stop!”

Maya shouted angrily at the people who had rushed out to grab the banknotes.

However, the people were greedy for money. They didn’t care about Maya and started to fight for the money.

Even Mandy, May, Lily and others joined the crowd to grab the money.

Maya, who was arrogant before, tried to pick up the banknotes from the ground like a crazy person. She looked extremely pathetic.

Connor, who was not far away, could not help but grin as he watched the chaos from a distance away. He waved to hail a taxi and was ready to go home..

Chapter 65: Connor and Hector

Nine o’clock at night.

Connor returned to his rented apartment. He wasn’t sure if it was what happened with Natasha or what Maya said to him today that affected his good mood.

As he walked into the hallway absent-mindedly and was about to return to his room, he suddenly realized that Mina’s door was open.

Mina was sitting on the bed, chatting with a handsome boy. She looked delighted.

When Connor saw that Mina had a man in her room, he was stunned.

He knew very well that Mina had gone on a date with the hacker today.

Now, there was a stranger in her room, which meant that this man was probably the one who hacked his account.

The man in Mina’s room was in his early twenties. He looked average, but he must come from a pretty well-off family, judging from the way he dressed.

He wore a Versace shirt, Armani pants, and a Rolex watch. He looked like a playboy.

At this moment, Connor was still wearing his old clothes from before. As he had had them for too long, his clothes were yellowing, making him look shabby.

Compared to the man in Mina’s room, Connor was like a farmer’s child. Even a fool could see who was the real CeeM on Twitch.

Connor hesitated. He wanted to take out his phone and take a picture of the man’s face. Then, he would ask Kyle Hayes to investigate the hacker’s identity and get his account back.

However, just as Connor was about to take out his phone to take a picture, Mina in the room suddenly turned her head to look into the hallway.

To not let Mina find out what he was about to do, Connor had to put his phone back.

“Connor, when did you come back?”

When Mina saw him, she asked in confusion.

“I just got back...”

Connor glanced at Mina and said indifferently.

When the man in the room saw Connor, he was stunned for a moment. Then, he stood up and asked Mina with a smile, “Mina, is this your friend?”

“Yes, he is Connor, the one I told you about. He is my good friend and housemate!”

Mina replied with a smile and then walked up to Connor, whispering to him, “Connor, this is the CeeM whom I told you about before. We are just done with dinner. He was the one who sent me back...”

H H

Connor’s face darkened.

At this moment, he was 100% sure that the man standing next to Mina was the one who had hacked his account.

The man did not seem to know that Connor was the real CeeM. He smiled and extended his right hand to Connor, saying politely, “Hello!”

Connor looked at the extended hand but didn’t shake it. Instead, he turned his head and said to Mina, “I have something to do, so I’ll return to my room!”

After saying that, Connor turned around and returned to his room.

Connor naturally didn’t have a good impression of the villain who hacked his account and was going to use his account to deceive women.

He planned to wait until the man had left and then find out about him from Mina. He would then ask Kyle to use the information to find out more about that man.

With Kyle’s influence in Porthampton, it would be easy for him to find the man.

As for whether Mina would be deceived, Connor did not care anymore.

After all, he had already explained to her before, but she did not believe him, so he did not want to continue insisting on his truth.

A hint of dissatisfaction flashed in the man’s eyes after Connor ignored his handshake.

Mina seemed a little awkward, too. She explained, “Hector, I’m really sorry. That’s Connor, don’t mind him...”

Hector quickly smiled gentlemanly and said softly, "Mina, does Connor like you?"

"Does Connor like me?"

Mina was a little puzzled.

"Yeah, is it because Connor likes you and saw you bringing me home that he's so cold to me?"

Hector asked with a smile.

"How is that possible? Don't overthink. Connor and I are just housemates. Why would he like me? And even if he likes me, I..."

Mina stopped mid-sentence, but what she was trying to say was apparent.

Mina was telling Hector that she would never fall in love with Connor.

The reason Mina said that was not because Connor was a broke loser. On the contrary, Mina had a very good impression of Connor. After all, he had a great personality and was very handsome. It was just that he was a little poor. However, she was not a materialistic person.

Previously, Mina had taken the initiative to invite Connor to share an apartment with her because she had a good impression of Connor.

However, Mina felt that Connor was too narrow-minded after what happened yesterday.

Moreover, she felt that Connor's attitude toward Hector was because he was jealous of Hector's good looks and money.

Therefore, Mina's impression of him had deteriorated. Let alone have romantic feelings for him; now, the question was if she could even continue living with him.

"You what?" Hector asked Mina with a smile.

"No... nothing..."

Mina replied indifferently and then reached out to close the door.

The two did not let Connor's action dampen their moods and continued to chat happily.

Mina's good impression of Connor had changed for the worse, but her impression of Hector had improved.

Mina felt that Hector was not only handsome and rich but also very gentlemanly and easy-going compared to Connor. He was so much better than Connor in many ways.

Meanwhile, after Connor returned to his room, he immediately took out his phone and began to call Twitch's customer service to get his account back.

But after exchanging a few words, the customer service personnel hung up on him.

This was because when Connor registered his account, he did not connect the account to his phone or email.

And now, Hector had already connected CeeM's to his phone, so Connor had no way of getting it back.

The customer service personnel thought Connor was only pestering them, so he had hung up on Connor.

In the end, Connor had no choice but to give up on getting his account back.

Instead, he planned to quietly wait for the man to leave and ask Mina about him. Later, he would ask Kyle to investigate.

Time passed quickly. Soon, half an hour had passed.

Connor, lying in bed quietly waiting, began to feel drowsy.

Bang!

At this moment, a loud sound suddenly came from the hallway.

"Ah!"

Following that, Mina screamed.

When Connor heard Mina's scream, he immediately sat up straight.

"That's it. Something has happened to Mina!"

Connor panicked. He quickly put on his pants and rushed out of his room.

When a man and a woman were in the same room, it was obvious that something would happen!

Connor guessed that the man must have been unable to control his lust and wanted to bed Mina. However, he was rejected by Mina, so he could only force himself on Mina.

After hearing Mina scream, Connor rushed into the hallway.

Mina's room door was open. Connor hesitated before walking into the room.

However, after seeing the scene in the room, he was shocked..

Chapter 66:I Am CeeM

This was because Connor discovered that there were five bulky men in Mina's room other than Hector.

Connor was stunned when he saw that. Could it be that Hector planned for Mina to be assaulted by a group of men?

"What do you want? Who let you all in?"

At this moment, Mina looked very frightened. She couldn't help but take a few steps back while shouting at the men.

"You are Mina, right?"

One of the strong men walked up to her and carefully sized her up as he asked, seemingly very perverted.

"Yes, I am Mina!"

Mina looked at the man and nodded.

"Hehe, that's great!"

The man smiled wretchedly and walked toward Mina.

At this moment, Mina instinctively took two steps back and hurriedly hid behind Hector.

Hector also seemed frightened by these burly men. However, he wanted to leave a good image in Mina's mind to sleep with her.

Hector gritted his teeth and stood in front of Mina. He growled at the burly man, "Who are you? What are you trying to do? It's illegal to barge into a house like this, do you understand?"

"Who the f*ck mm 1? What does it have to do with you? As for why I am looking for Mina, 1 advise you to mind your own business and stay aside. Otherwise, 1'11 break your lackeys, do you hear me?"

The burly man threatened Hector with disdain.

"You... Get out of here now, or I'll call the police!"

Hector shouted while trembling.

Slap!

The burly man slapped Hector across his face.

Then, he glared at Hector and scolded, "Who the f*ck are you? Are you threatening me?"

Hector was sent flying by the burly man before he fell heavily to the ground. Blood flowed from his nose.

Standing at the door, Connor did not feel sorry for Hector despite seeing him being beaten up. Instead, he felt a little satisfied.

Although these burly men were not good people, Hector was not a good person either.

"Hector, are you okay?"

Mina saw Hector falling to the ground and bleeding from his nose. She hurriedly ran over and started tearing.

After Connor heard what Mina said, he finally knew this person's real name, Hector.

"Mina, I'm fine..."

Hector reached out to wipe the blood from his mouth. Then, he struggled to stand up as he shouted at the burly man, "You hit me. Do you know who I am? I will make you regret it..."

"Hehe, who are you?"

The burly man smiled at Hector in disdain.

“I am CeeM. How dare you hit me? I think you have a death wish. None of you is leaving today!”

Hector shouted and took out his phone to call for help.

However, when the burly man heard what Hector said, he was stunned. Then, he asked his lackeys behind him, “Have any of you heard of CeeM?”

“Nope!”

“Never!”

They all shook their heads.

When Hector saw everyone’s reaction, he was utterly speechless.

He was trying to scare them. In fact, he did not have any backups. After all, he was not the real CeeM.

He was just an ordinary young man.

However, Hector did not expect these people not to know CeeM. Therefore, he could not use this name to scare them!

“Bro, I remember something. Not long ago on Twitch, a rich kid often went against Mr. Knowles. That rich kid’s username is CeeM!”

At this moment, one of the lackeys suddenly recalled ‘CeeM’. He quickly approached Kenzo, the group leader, and whispered.

After hearing his lackey's words, Kenzo couldn't help but laugh playfully. Then, he walked up to Hector and said to him in a low voice, "So you are CeeM? You're the one who's always been against Mr. Knowles, right?"

"Mr. Knowles?"

Hearing what Kenzo said, Mina was instantly extremely surprised.

She realized that this group of people was Knowles of Porthampton's people.

"That's right. I'm CeeM. Scared? I advise you to get out of here quickly or else...!"

At this moment, Hector thought that Kenzo would be in awe of her after knowing his identity, so he shouted arrogantly.

"Hehe, or else...?"

Kenzo sneered, then he said expressionlessly, "A few days ago, Mr. Knowles asked us to investigate your identity and told us to teach you a good lesson. I didn't expect you to deliver yourself to us today. I'll take care of you as well!"

H ii

Hector was instantly dumbfounded.

He didn't expect the other party to not have the slightest bit of respect after knowing he was CeeM.

On the contrary, they seemed even more provoked because of his identity as CeeM.

Hector was starting to feel regretful. If he knew that CeeM had enmity with these people, he would not have dared to admit that he was CeeM even if he had nine lives!

Now that his identity had been exposed, not only did he not scare away Kenzo and his lackeys, but he had also provoked Kenzo even more.

Hector was going to die!

Meanwhile, Connor stood in the hallway and looked at Hector, who was in Mina's room. He could not help but smile playfully. In his heart, he lamented that Hector was a foolish person.

He had told his nemesis, Knowles of Porthampton, that he was CeeM. Wasn't he teasing Death?

"Beat him up!"

Kenzo suddenly shouted.

Rumble!

Four burly men surrounded Hector and kicked at Hector's head.

Mina instinctively wanted to stop these people, but unfortunately, she was powerless. She couldn't stop these men and was pushed to the floor.

Thud thud thud!

The four men took turns kicking Hector's face.

Hector did not expect to fail to lure Mina to bed and also get beaten up for hacking CeeM's Twitch account.

"Stop it! Aren't you all here for me? Don't hit my friend..."

Mina stood up and shouted at the men.

However, the four men didn't seem to hear Mina and continued to punch and kick Hector.

Hector was looking incredibly pathetic right now. He wanted to admit to Kenzo that he wasn't CeeM and that he had hacked the account.

However, Kenzo's men didn't give Hector a chance to speak as they continuously kicked his face.

They did not stop until Hector spat blood, and his face was swollen like a pig's head. He did not even have the strength to speak.

Connor stood near the sofa in the living room. He had been coldly watching Hector get beaten up, but he had no intention of helping him..

Chapter 67: Who Are You To Me?

At this moment, Mina saw Connor standing in the hallway. She hurriedly shouted, "Connor, what are you standing there for? Come over and help!" "Help?"

Connor couldn't help but smile faintly when he heard that.

"Connor, we are still friends, right? I'm begging you, okay? Hurry up and help Hector!"

Mina shouted at Hector, flustered.

At this moment, only Connor could lend a hand. Therefore, Mina placed all her hopes on him.

"How do I help you? There are so many of them. I can't beat them all!"

Connor spread his arms and said helplessly.

Mina despaired when she heard that.

After all, Hector had hacked Connor's account. To Connor, he was not a good person.

Therefore, Connor thought he could use Kenzo and the others to teach Hector a good lesson.

Moreover, Connor came here to help Mina. Right now, Mina was not in trouble, so Connor naturally did not need to rush in to help.

Connor had just called Kyle Hayes. He guessed that Kyle's men were downstairs. So, if Mina were in any danger, Connor would order Kyle's men to come up.

But now, Hector was the one who was in trouble. So, Connor wasn't so inclined to help.

"Connor, you..."

Mina looked at Connor with disdain. She seemed to be in disbelief.

Mina had never expected Connor to be this kind of person. She couldn't help but shout, "Connor, since you're not here to help, then why are you here? You're just here to watch the show, right?"

"Yes!"

Connor nodded lightly and continued, "Isn't he CeeM? Isn't he influential? I feel that he doesn't need my help with his capabilities!"

Connor was reminding Mina of what he had told her. If Hector was CeeM, he definitely had a way to resolve this.

Yet, at this moment, being in this sorry state, Hector still hadn't asked anyone for help. This meant that Hector wasn't CeeM.

However, Mina couldn't understand what Connor was implying. She felt that Connor chose only to watch because he was jealous of Hector.

"Connor McDonald, you're really too despicable. Hector has already been beaten to such a state, yet you still have the mood to make sarcastic remarks. I didn't expect you to be such a person!"

Mina looked at him and shouted in disappointment.

Connor looked at Mina indifferently and did not say anything.

"Connor, don't think that I don't know what you're thinking. Aren't you jealous when you see me with Hector because you like me? But let me tell you, even if all the men in the world die, I, Mina, will not fall in love with you. You are a piece of trash, a complete piece of trash!"

Seeing that Connor was not saying anything, Mina continued to shout.

Mina's words were like a sharp blade, stabbing fiercely into Connor's heart.

A trace of anger flashed in Connor's eyes, but he still didn't say anything nor help.

"Enough, stop!"

At this moment, Kenzo suddenly shouted.

When Kenzo's lackeys heard his order, they stopped what they were doing.

“Hector, are you okay? Say something!”

Mina quickly ran to Hector and asked him with tears in her eyes.

When Connor saw that Mina was concerned about Hector, an inexplicable emotion filled his heart.

“Mina, don’t worry, I... I’m fine!”

Hector wiped the blood off his face and replied weakly.

“You’ve been beaten up so badly, how can you be fine? I... I’ll take you to the hospital now...”

Mina helped Hector up as she spoke. Then, she walked out of the room.

“Wait!”

At this moment, Kenzo suddenly shouted coldly.

“You’ve already beaten Hector up so badly, what else do you want?”

Mina looked at Kenzo and shouted agitatedly.

“Before you leave, I want to tell you something...”

Kenzo said to Mina expressionlessly.

Mina took a deep breath and gritted her teeth before asking, “Who are you? What do you want?”

“We are the people of Mr. Knowles of Porthampton. We are here today because Mr. Knowles wants us to deliver a message to you. You must sign the contract with him within three days. If you still don’t sign the contract with him by then, we will come and look for you again. When we come for you again, things won’t be as simple as today. Do you understand what I mean?” Kenzo said to Mina expressionlessly.

Mina looked at Kenzo. A strange look flashed in her eyes, but she didn’t say anything.

“Did you hear what I said to you just now?”

Kenzo continued at the unresponsive Mina.

“I... I got it!”

Mina was thinking about taking Hecto to the hospital as soon as possible. She wasn’t in the mood to waste time talking to Kenzo.

“Alright, since you got the message, my job here is done!”

Kenzo smiled coldly and turned to look at Hector. He said coldly to Hector, “Kid, don’t let me see you in the future. Otherwise, I’ll beat you up every time I see you. Do you hear me...”

Hector gritted his teeth and looked at Kenzo. His heart was broken.

He had initially hacked Connor’s account because he wanted to use this account to deceive female streamers on Twitch and trick them into sleeping with him.

But he never would have thought that it would cause so much trouble.

“I’m f*cking talking to you. You didn’t hear me, did you?”

Kenzo shouted angrily as Hector did not respond.

“I... I heard you!”

Hector was so scared that his whole body was trembling. He hurriedly nodded.

When Kenzo saw Hector’s reaction, he smiled disdainfully. Then, he turned around and left with his people.

A moment later, Kenzo and the others were gone.

“Hector, let’s go. I’ll take you to the hospital now. I’m sorry for what happened today. It’s all my fault for implicating you...” Mina said to Hector guiltily.

“Mina, I’m fine. It’s all just minor injuries. There’s no need to go to the hospital!”

Hector hesitated for a moment and said in a low voice.

After all, he hadn’t slept with Mina yet. How could he go to the hospital now?

“No, you’ve been beaten up so badly. How can you not go to the hospital!”

Mina said as she dragged Hector out of the room.

But at that moment, Connor suddenly reached out to stop Mina and said expressionlessly, “He can go to the hospital alone. You don’t have to go with him!”

Mina heard what Connor and suddenly looked up at him.

Then she shouted at Connor angrily, “Connor McDonald, who are you to me? What does it have to do with you whether I go to the hospital with him?”

Chapter 68: Be My Girlfriend

The reason Connor wanted to stop Mina was straightforward.

If anything happened to Mina when he was still around, he could immediately call Kyle Hayes' men.

However, if Mina and Hector went to the hospital and something happened along the way, Connor wouldn't know and wouldn't be able to save her immediately.

Mina didn't know what Connor was thinking. Connor watched Hector get beaten up, but he didn't say anything. This made Mina very angry.

Mina was about to bring Hector to the hospital, but Connor stopped her. Mina even began to wonder if something was wrong with Connor.

"Connor, get lost!"

Mina shouted at him coldly.

"Mina, I think what Connor said makes sense. I can go to the hospital by myself. You can stay at home..."

At this moment, Hector was the one to suggest that Mina stay home.

When Mina heard what Hector said, she was filled with gratitude. She looked at him with stars in her eyes.

The pure and kind Mina thought Hector did not want to trouble her, so he asked her to stay home.

Connor, on the other hand, was confused. He could not understand why Hector asked Mina not to bring him to the hospital.

“No, you were beaten because of me just now. I have to send you to the hospital!”

Mina insisted.

Hector seemed a little awkward when he heard that, but he did not say anything.

Seeing that Hector did not reject her, Mina helped Hector out of the apartment.

“You can’t go to the hospital with him!”

But Connor reached out to stop Mina again.

“Connor, get out of my way. You don’t have to care about me! It’s fine if you didn’t help Hector when he was beaten up just now, but now you are stopping me from taking him to the hospital. What are you thinking?”

Mina roared impatiently. Then, she pushed Connor aside and helped Hector out of the apartment.

Connor looked on as Mina and Hector departed before sighing helplessly, but he didn’t chase after them to stop them.

Besides, Connor had already told Mina what he should say. Since Mina didn’t believe him, Connor couldn’t do anything about it.

A moment later, Mina and Hector went into the elevator.

Connor returned to his room alone, but his cell phone suddenly rang at this moment.

He quickly took out his cell phone and looked at it. It was a call from Kyle.

Earlier, Connor watched Hector get beaten up, so he forgot about Kyle and the others, who were still waiting downstairs.

“Hello?”

Connor answered the call.

“Mr. McDonald, should we go up now? What’s happening there?” Kyle asked hurriedly.

“Kyle, you don’t have to ask anyone to come here. The matter has been resolved!”

Connor replied indifferently.

“Okay, Mr. McDonald!”

Kyle had waited downstairs for two hours. In the end, Connor didn’t need him at all.

Kyle would have gone up to kill him if it had been anyone else. However, it was Connor. Not only did Kyle not dare to be angry with Connor, he even responded respectfully.

“By the way, Kyle, I need you to help me investigate two more people!”

Connor continued.

“Who are they?” Kyle asked quickly.

“One of them is from Twitch. His username is Knowles of Porthampton, and the other one is Hector Flynn!” Connor said slowly.

“Well...”

Kyle sounded like he was in a difficult position when he heard Connor’s request.

“Is there a problem?”

Connor asked softly.

“Mr. McDonald, I don’t think there’s a problem to investigate Knowles of Porthampton. After all, as long as I can find his people, I can find out about him. However, I think it’s a little difficult to investigate Hector Flynn. After all, there are many Hector Flynn...” Kyle explained slowly.

“This Hector Flynn is from Porthampton, and I’ve seen him before!” Connor said hesitantly.

“If that’s the case, then it’s much simpler. I’ll ask my men to collect the photos of all the Hector Flynn in Porthampton and show them to you, Mr. McDonald. This way, we’ll be able to find the person you’re talking about!” Kyle quickly suggested.

“Okay!”

Connor agreed and ended the call.

Meanwhile, Mina helped Hector out of the apartment building and tried to hail a taxi to send Huang Feng to the hospital.

“Hector, hang in there. My place is very close to the hospital. We should be there soon...”

Mina said gently to Hector.

“Mina, I’m fine. These are all minor injuries. We don’t have to go to the hospital?”

Hector said to Mina helplessly.

He didn't want Mina to send him to the hospital because he didn't have the money to see a doctor at all.

All his money was used to treat Mina to a meal. Moreover, Hector had rented branded clothes from a clothing store to disguise himself as a rich kid.

The rent for this set of clothes was costly. If Hector did not return it on time before midnight tonight, he would have to pay a large sum of late fees.

Hector did not even have the money to see a doctor. How could he have the money to pay the late fees?

"No, you're bleeding. I have to take you to the hospital!"

Mina replied very stubbornly.

"Mina, I don't need to go to the hospital. I have other things to do later. Why don't you go back? After I'm done with my things, I'll go to the hospital myself, okay?" Hector said to Mina gently.

"You have other things to do? What could be more important than going to the hospital to see a doctor?"

Mina was stunned for a moment before asking.

"I... I need to find someone to investigate that Knowles of Porthampton, who made things difficult for you. Since he dared to bully you like this and even sent someone to beat me up, I definitely won't let them off!"

Hector could only make up an excuse in a moment of desperation. Then, he continued, "Mina, it's fortunate that I'm here today. Otherwise, who knows what they might have done to you. I absolutely

won't allow anyone to bully you like this. I must find this Knowles of Porthampton today and teach him a good lesson!"

Upon hearing that, Mina was instantly touched.

Hector was beaten and bruised, but he was still thinking about how to help her get revenge.

Mina covered her mouth as she was indescribably touched. She wished she could take off her clothes right now and give herself to him.

"Hector, you... Why are you so good to me?"

Mina's eyes were filled with tears as she asked Hector softly.

"Didn't I tell you? I've fallen in love with you since the first time I saw you. If you agree to be my girlfriend, I think everything I've suffered today is worth it!" Hector looked at Mina lovingly and said.

"Hector, you..."

Mina was speechless because of Hector's sudden confession.

"Mina, I really like you. Can you be my girlfriend?"

Hector struck while the iron was hot..

Chapter 69: A Successful Confession

Hector had already confessed to Mina once while having dinner with her today.

After all, he had spent so much effort hacking Connor's account to get Mina to sleep with him.

Meanwhile, Mina felt that she had just met Hector today, so it would be unreserved if she agreed to be with him immediately.

Also, Mina felt that she did not know Hector very well, so she suggested that they get to know each other first.

However, Mina was moved after the incident tonight, so her heart began to waver.

“Mina, can you give me a chance? Although we haven’t known each other for long, I swear that I like you. I will only treat you well in my life!”

Hector continued after seeing that Mina was hesitating.

“Can... can I think about it?”

Mina said to Hector shyly.

“What are you still thinking about? Can’t you feel my sincerity?” Hector asked agitatedly.

“I know you treat me very well, but I still have to think about it. After all, we have only known each other for less than a day. Can you let me think about it?” Mina asked nervously.

“Alright, Mina, then you should think about it!”

Hector replied with a slightly expectant look. He knew that since Mina had said that, she had already promised him in her heart.

However, girls were a little reserved, so Hector did not continue to push Mina to make a decision.

Moreover, there was still something very important that Hector had to do. There was less than an hour left before he had to return his clothes. He was not in the mood to continue wasting time with Mina.

“Okay...”

Mina looked at him and nodded lightly.

Hector took advantage of Mina’s lack of attention and reached out to hail a taxi. He then turned around and rushed into the taxi.

“Hector, what are you doing...”

Mina had initially planned to send Hector to the hospital, but he had already gotten into the taxi in the blink of an eye.

Mina watched as the taxi slowly disappeared from her sight. She could not help but feel a surge of warmth in her heart.

Although Mina was very sad because Kenzo had beaten Hector up today, she was able to see two people’s true colors.

One was Connor, and the other was Hector.

When Mina was on a date with Hector, Mina had rejected Hector’s proposal to be together, mainly because of Connor.

But now, Mina felt that she had already seen Connor’s true colors.

What Connor did today had disappointed Mina, while Hector had touched Mina.

Mina initially had planned to ask Connor’s opinion on if she should agree to be with Hector. After all, Connor was her only friend in Porthampton, and she had a pretty solid impression of Connor.

However, after tonight's incident, Mina's good impression of Connor was utterly shattered. What replaced it was disgust.

Five minutes later, Mina returned to the apartment alone.

Meanwhile, Hector, sitting in the taxi, was also in a good mood.

Although he had been inexplicably beaten up today, he felt that if Mina had agreed to be with him, today's beating would not have been in vain.

"Young man, should I send you to the hospital?"

The taxi driver saw that Hector's head was bloodied, so he had asked with some concern.

"No. Why should I go to the hospital with such minor injuries? Take me to Henry's Clothing Rental!"

Hector wiped the blood from his face and said loudly.

"He's bleeding so badly but refuses to go to the hospital? This young man..."

The taxi driver sighed helplessly and then drove to the place that Hector had mentioned.

Hector, who was in the back seat, took out his phone. Then, he opened Porthampton University's forum online. He published a post titled, "Successfully confessed to a female streamer tonight. I am only one step away from getting her into my bed. When the time comes, I'll broadcast it live to everyone!".

After editing, Hector quickly published that post. He also attached a photo of Mina's thighs that he secretly took during dinner today.

Although it was almost 11 o'clock at night, Hector's post had already received thousands of likes and comments less than a minute after it was published.

Hector looked at the post with a lusty smile.

The next day, at nine o'clock in the morning.

Connor entered Porthampton University's classroom.

When he walked into the classroom, the students in the class were all looking at him strangely. Their faces were filled with disdain.

Connor didn't need to think to know what was going on. It must be because he had pretended to be a rich kid to deceive some girls in Dusk last night. Brandon and Mandy must have spread rumors about him. That was why the students in the class were looking at Connor weirdly.

"All, isn't this Connor? Why did you arrive so late? Don't you usually arrive very early?"

Lily Sullivan mocked him when she saw him enter the classroom.

"Does it have anything to do with you when I come to school?"

Connor replied expressionlessly.

"We're classmates. I'm just concerned about you..." Lily said sweetly.

"I don't need your concern!"

After saying that, Connor walked to the back row of the classroom.

"Connor, after we exposed you last night, you didn't get that beautiful girl from the art academy. Did you have trouble sleeping?"

May Young mocked him.

Perhaps because of yesterday's incident, May felt she had made a comeback. Therefore, she dared to take a hit at Connor.

"Does this have anything to do with you?"

Connor sized her up as he asked calmly.

"It doesn't matter. I just want to know how it feels like to be exposed for pretending to be a rich kid!" May smiled at him and said.

"I don't feel anything!"

Connor retorted and then continued to the back row.

"Don't go, Connor. Why Don't you tell everyone about what happened last night?"

"I'm curious. Just what did you tell that beautiful girl from the art academy that she was convinced that you're a rich kid!"

Seeing that Connor was about to leave, Mandy thought she had hit a sore spot, so she continued to tease him relentlessly.

Connor didn't want to argue with Mandy and the others about last night. However, now even May had dared to mock him, and on top of that, there was the incident with Hector last night. So, Connor was not in the mood to be nice.

Connor stopped in his tracks and glared at May icily.

“Connor, why are you looking at me like that? Are you unhappy after being exposed by us? Do you still want to hit me?”

May was shocked by Connor’s glare. She couldn’t help but stumble backward as she said to Connor in a low voice.

“May Young, have you forgotten who was the one who stripped naked in the hotel and begged me to have sex with her?”

Connor asked May teasingly..

Chapter 70: An Apology Or Return My Money

Tu-tump!

Hearing what Connor said, the entire classroom instantly started to buzz.

This sentence was like a ticking time bomb exploded in the classroom.

The students who were mocking Connor instantly froze, puzzled.

Even May Young herself did not expect Connor to say that aloud.

May seemed to have been struck by lightning. Her jaw fell as she looked at Connor in a daze.

After Connor finished speaking, a pin-drop silence filled the classroom.

Everyone’s eyes were widened as they looked at Connor and May in a daze. It wasn’t easy to guess what they were thinking.

After all, the students did not expect Connor to have such a juicy rumor about May Young.

May had stripped naked in a hotel room and asked to have sex with Connor?

To the students, this sounded impossible.

Let alone a beautiful girl like May, even the most ordinary-looking girl in the class, would not ask to have sex with Connor.

Moreover, May had always hated Connor. Why would she do such a thing?

May's eyes widened as she stared at Connor. She couldn't hide the embarrassment on her face.

She regretted her decision to try to sleep with Connor now.

She didn't expect him to reveal what happened in the hotel room to the class.

In fact, Connor didn't plan to expose her, even though she was a hateful woman to him.

After all, they were classmates. If he had exposed her, it would have had a massive impact on her.

But today, Connor wasn't in a good mood. In addition, May was making things difficult for him. That was why he told the whole class about the hotel incident.

"Connor, what the f*ck are you talking about?"

A tall and strong boy rushed over from the front row of the classroom. He shouted at Connor agitatedly.

Connor glanced up at the boy, Harvey McAdam. He was a committee member of the sports' club. He was tall and strong, but he was not very bright. To put it bluntly, he was more brawny than brainy.

Everyone knew that Harvey had a crush on May. He had confessed to May many times in class, but May would reject him.

Although May did not like Harvey, she had always kept him waiting and treated him as a spare.

Whenever Harvey was about to give up on her, May would give tease him with some attention and make him continue bowing to her.

Now, Connor claimed that May had taken the initiative to strip naked and beg him to have sex with her. Harvey found it humiliating to May.

“Am I making things up?”

Connor looked up at Harvey and said with a faint smile, “You can ask May if I am spewing nonsense!”

When the students in the classroom heard this, they all turned their heads to look at Ye Mei.

On the other hand, May was still in a state of confusion. She had not recovered from what had just happened, so she did not know how to explain herself.

“May Young, say something! Quickly say that what Connor said is fake. As long as you say the word, I will help you beat him up!”

Harvey shouted at May; his eyes widened.

May stood there in silence for a whole minute. Then, she burst into tears without explaining anything.

“May! May!” Seeing May crying, Mandy quickly walked to May and held her up.

Then, she turned to look at Connor and said coldly, “Connor, since you claim that May had begged you to have sex with her, do you have any proof?”

“Do you need proof for such a thing?”

Connor replied indifferently.

“Since you don’t have any proof, I think you’re making things up. As a man, how could you bully a woman like that? What kind of man are you? You must apologize to May, now!” Mandy shouted at Connor righteously.

“I can apologize, but May must return the 50,000 dollars I lent her. You can ask May now if she wants me to apologize or that she would return the money to me!”

Connor said expressionlessly.

Mandy froze and then turned to look at May, puzzled. When did May borrow 50,000 dollars from Connor?

“May, do you owe him money?”

Harvey asked May softly.

“I... I...”

Tears flowed down May’s face as she stuttered. She didn’t know how to explain this to everyone.

“Ring!”

At this moment, the bell for the start of the class suddenly rang.

“Alright, get back to your places. If there’s anything, it will be solved resolved privately! Ms. Wallace would be annoyed when she comes in and sees us gathering like this!”

Hearing the bell ring, the class president, Eunice Tanner, shouted coldly as if she wanted to help Connor out of his predicament.

Just as Eunice finished speaking, the students could hear the sounds of high heels clicking from outside the classroom.

The lecturer, Rachel Wallace, wore a sexy uniform when she appeared at the classroom entrance.

When the students in the class saw Rachel enter, they all returned to their seats.

Mandy, Harvey, and the others hesitated and didn’t dare continue talking about what happened with Connor earlier, so they went back to their seats.

In the end, no one knew whether May asked Connor to sleep with her. They didn’t know if it was true that May even wanted to sleep with Connor.

And why did May borrow 50,000 dollars from Connor? After all, 50,000 dollars was not a tiny amount for university students.

The most puzzling thing was how a broke loser like Connor had 50,000 dollars at his disposal?

Connor returned to his seat. When Dominic and Spencer saw Connor approach his seat, they seemed puzzled.

“Connor, is that true what you said earlier?”

Spencer asked Connor in a whisper.

“What do you think?”

Connor replied indifferently.

“May wouldn’t want to have sex with you, would she?”

Spencer was still in shock as he asked curiously.

“Haha...”

Connor looked at Spencer and smiled faintly. He didn’t explain much.

Connor revealed that to shut May’s mouth and to vent his dissatisfaction toward her.

Now that his goal has been achieved, Connor would not continue to deal with her.

Although Dominic and Spencer were suspicious, they didn’t dare to pester Connor about it as this was Rachel’s class, and they were not allowed to talk in class..
