Chapter 91: Only Good At Seduction

“Yes, Mr. McDonald!”

Kyle Hayes nodded nervously.

“Since he’s your nephew and has apologized to me, I’ll let him off for your sake!”

Connor said slowly.

“Thank you, Mr. McDonald!”

Kyle said gratefully, then turned to Ben and shouted, “What are you waiting for? Hurry up and thank Mr. McDonald!”

“Thank you, Mr. McDonald! Thank you, Mr. McDonald!”

Ben quickly shouted.

“I’m going to ask Sean to fire your girlfriend now. Do you have any objections?”

Connor narrowed his eyes and asked Ben.

“No objections, no objections!”

Ben shook his head without thinking.

“Good!”

Connor glanced at Ben indifferently, then waved his hand and said, "Alright, you can get lost now. Don't let me see you again in the future!"

When Ben heard Connor, he immediately felt relieved. He hurriedly got up and ran out of the showroom.

Yvonne hesitated for a moment, then turned around and left the showroom with Ben.

At this moment, in the showroom.

Only Natasha was left. She was stunned and looked at Connor in a daze.

At this moment, she was full of regret. She didn't know how to describe her feelings. Only now did she know how stupid she was last night!

"Why are you still here?"

Connor noticed Natasha and asked.

"Connor, can I add you on Facebook?"

Natasha hesitated and finally said something that made Connor feel conflicted.

Connor couldn't understand why Natasha would still want to add him on Facebook. What was going on in her mind?

If Natasha had not stepped up and added salt to the wound, this would not have happened.

"You really are shameless, aren't you? How did you grow to be like your cousin at such a young age?"

Before Connor could open his mouth to speak, Chloe was the first to speak. She pointed at Natasha in the face and scolded her.

After hearing that, Natasha could not help but turn to look at Chloe. She blushed and said, "I... I didn't mean anything else. I just wanted to apologize to Connor..."

"You can just apologize now. Why do you have to add Mr. McDonald on Facebook?"

Chloe stared at Natasha and shouted, then she continued, "Do you still have the guts to add Mr. McDonald on Facebook? You were the one who mocked him for not having the money to buy a villa. You were also the one who claimed that Mr. McDonald was a delivery boy. Now that Mr. McDonald is rich, you want to add him on Facebook to seduce him, right? How can you be so shameless?"

When Chloe found out that Connor had a strong influence, she spoke with extra confidence.

At the same time, the other sales ladies in the showroom also took advantage of the situation. They pointed at Natasha and chastised, "I've never seen a shameless woman like you. You are good at seducing people at such a young age, aren't you?"

"If you knew this would happen, why did you do it in the first place? When you mocked Mr. McDonald earlier, did you ever think that you would end up like this?"

"If you hadn't been adding salt to the wound, how could we have misunderstood Mr. McDonald!"

The sales ladies in the showroom seemed to be provoked as they started to scold Natasha.

Yvonne used to give them quite a tough time before. Now that they finally had an opportunity, they wanted to vent their hatred toward Yvonne on Natasha.

Natasha was still a young university student. Moreover, her family was quite affluent, and she looked quite good. No matter where she was, she was someone who was sought after by many people. She had never suffered such an insult.

So when Natasha heard what everyone said about her, she couldn't help but cry.

"I... I really want to apologize to Connor. I don't have any other intentions..."

Natasha told the crowd, then turned around and ran out of the showroom.

But at this moment, Connor suddenly reached out and grabbed Natasha.

Natasha was stunned, then she turned to look at Connor and said with some confusion, "Connor, why are you still not letting me go? I know I'm shameless, okay? I don't want to add you on Facebook anymore. Hurry up and let me go..."

"You can add me on Facebook."

Connor said slowly.

When the crowd heard that, they were instantly shocked.

Even Natasha was in a daze.

"Connor, you... What did you say?" Natasha stuttered as she asked Connor.

"I said you can add me on Facebook, but I need you to promise me one thing!"

Connor said softly.

"What is it?"

Natasha quickly asked.

“I’ll tell you what later. You can add me on Facebook now!”

Connor took out his phone from his pocket as he spoke. He opened his Facebook app and handed it to Natasha.

Natasha felt that her happiness had come too suddenly. She quickly took out her phone with trembling hands and added Connor.

“You stay here for now. I’ll tell you about it later!”

Connor said softly to Natasha after he added her on Facebook.

“Okay... Okay!”

Natasha felt like she was a special lover who had been specially chosen. She felt overwhelmed by the favor.

The sales ladies stopped mocking Natasha when they saw Connor asking Natasha to add him on Facebook. They did not dare to do so anymore.

At this moment, most people thought that Connor had asked Natasha to add him on Facebook because he liked Natasha’s looks and wanted to sleep with her.

After all, Connor was only in his early twenties and was at the age where he was full of vigor. He probably couldn’t hold back when he saw a cold and beautiful woman like Natasha.

Meanwhile, Chloe was filled with jealousy.

After all, she had set her eyes on Connor first. If Natasha really managed to seduce him, then wouldn't her plan be in vain?

'What a slut. She only knows how to seduce men!'

Chloe could not help but curse in her heart. Then, she thought about how she should deal with Natasha next.

In terms of looks, Chloe was not inferior to Natasha.

However, the two had different styles. Chloe was the sexy type, while Natasha was the cold and aloof type. No one knew which type Connor liked more!

After Connor added her on Facebook, Natasha was very excited.

After all, Connor was very interested in her at the bar last night. It was only because of Mandy and the others that everything went downhill.

Natasha already knew Connor's personality, so she would be very happy if he really asked her to sleep with him.

"Sean!"

Connor suddenly called out.

"Mr. McDonald, what are your orders?"

Sean quickly walked to Connor and asked Connor with a smile.

"Didn't 1 just buy a villa?" Connor asked.

“Yes, Mr. McDonald. I’ll go get the contract ready for you now!”

Sean quickly said after he came back to his senses.

“There’s no need to go through so much trouble. I bought this villa as a gift. Later, go and contact a woman named Freya Phillips. She has seen the villa here earlier. Tell her that someone bought this villa for her, but don’t let her know that I’m the one who gave it to her. Do you understand what I mean?” Connor said.

When everyone heard what he said, their eyes widened in shock.

No one had expected that Connor would buy that villa worth more than fifty million dollars just to give it away.

This was simply crazy!

A villa worth fifty million dollars was given away just like that!

Chapter 92: The Mansion

Connor did not look like he took this villa seriously at all. It was as if what he was giving out was not a villa but a small gift worth some ten dollars.

Natasha stared at Connor admiringly. She seemed to have made up her mind to get Connor into her hands.

After all, it was not easy to meet a super-rich kid like Connor!

At this moment, Chloe was not as shocked as the others. After all, Connor had bought a villa for Lily Schmidt before. However, she was very jealous of Freya Phillips in her heart.

She could not understand what kind of relationship Connor had with Freya. How could Connor be so generous as to give her such an expensive villa?

Meanwhile, Freya had already returned to her home.

However, she did not know that Connor had already bought the villa and gave it to her. At this moment, she was still worrying about the money to buy the villa.

“Mr. McDonald, I... I understand. I'll contact Miss Phillip in a while!”

After Sean heard Connor's instructions, he hurriedly stammered in agreement.

“Good!”

Connor nodded lightly, then he continued, “Oh right, didn't I want to buy the Mansion, too? Get that contract ready too. You can talk to Michael about the money. After the two of us sign the contract, I will ask him to transfer the money to your company's account!”

“Yes, Mr. McDonald!”

Michael didn't say anything and just nodded.

When everyone heard that Connor wanted to buy the Mansion, they were again in shock.

The Mansion was known as the most luxurious villa in Porthampton. It was worth 200 million dollars!

However, who would have thought that Connor would buy this unit worth 200 million dollars, a person who looked like a loser.

Moreover, Connor bought the 200 million dollars villa as if he was buying something at the grocery store. He didn't ask too much about the Mansion and bought it without thinking!

Everyone was utterly shocked!

After Sean heard that Connor wanted to buy the Mansion, he didn't dare to be the slightest bit negligent. He quickly got a few people to get the contract ready.

Twenty minutes later.

Connor and Sean signed the purchase contract.

Sean handed the key to Connor and then said to Connor with a smile, "Mr. McDonald, the Mansion is well-decorated, and you can move in any time. Do you want to go over and take a look now?"

"It's just a villa. What's there to see? Perhaps another day!"

Connor replied, took the key, and was about to leave.

"Connor, why don't you go and have a look? I've never seen such a luxurious mansion!"

At this moment, Natasha suddenly said to Connor.

When Connor heard that, he turned and glanced at Natasha, then said, "Alright then. Since you want to go and have a look, let's go and have a look!"

When Connor agreed to her request, Natasha's heart bloomed with joy. She seemed to be even more certain that Connor seemed interested in her.

Unknowingly, Natasha shifted and deliberately stood closer to Connor.

'Hmph! She really is a seductress!'

When Chloe saw Natasha's actions, she could not help but mutter in her heart.

She had already planned everything, but she had not expected Natasha to appear now. Wasn't Natasha doing this to disrupt her plan to seduce Connor?

"Mr. McDonald, this way, please!"

Sean didn't think too much. As long as Connor could buy this villa, he was thrilled.

After all, as long as the Mansion was sold, he would be able to get a considerable commission.

"Alright!"

Connor nodded and followed Sean out of the showroom.

Everyone hurriedly followed Connor out of the showroom.

Everyone drove to the Evergrande Real Estate's Mountain View Villas ten minutes later.

Connor had heard about the Mountain View Villas of Evergrande Real Estate long before he came to Porthampton to study.

Back then, Evergrande Real Estate was new. It was the first real estate group in Oprana to show hundred-million-dollar villas. Now, it had become the symbol of the top luxury properties in Porthampton.

Three years ago, the average price of a villa sold by Evergrande Real Estate was fifty million dollars. As property prices continued to soar, properties now worth multiple times more.

Thinking that they were about to see the mansion worth 200 million dollars, everyone became a little excited.

Although they hadn't walked into Connor's villa, which was worth 200 million dollars, just looking at the environment of the villa complex was enough to shock Natasha.

Natasha came from a well-off family, so they had bought a villa on the outskirts of Porthampton, too. However, the residential area where Natasha's family's villa was not comparable to Connor's villa.

"Mr. McDonald, the Mansion is in the middle of the villa complex!"

Sean led the way while introducing the villa complex to Connor.

"Right!"

Connor nodded.

A few minutes later, everyone arrived at the Mansion's gate.

From the outside, the Mansion looked somewhat ordinary. However, when they walked into the villa, they realized that it was indeed extraordinary.

The moment they entered the villa, the first thing that caught Connor's attention was a classical landscape garden. His eyes widened as he admired the scenery before him.

The trees were lush, and the mist was romantic. This simple and elegant building was one with a natural landscape.

The elegant pavilions added a bit of beauty to this villa.

Connor smelled the light scent of lotus flowers. He saw a pool with a few pink lotus flowers floating on it, following the scent. They emitted a very pleasing light fragrance!

“Heaven on earth indeed!” this thought suddenly crossed Connor’s mind.

Building the villa in the middle of a royal garden-like layout made this villa f*cking top-class!

‘It’s so beautiful! The air seems much fresher here.’ Natasha sighed internally.

She felt as if she had walked into a natural oxygen bar. Outside were tall buildings and skyscrapers, but there was only a small bridge and flowing water here. It was very relaxing.

Sean pointed at the pebbles in the pool and said, “Mr. McDonald, the pool under your feet isn’t just ordinary. The pebbles in it were all flown in from Italy. After being thoroughly polished and meticulously carved by a craftsman, every pebble in this pool is unique.”

As they spoke, they had already walked through the entire garden and arrived at the back of the villa. Connor saw a pool of nearly 200 square meters.

The pool was turquoise. Looking at it, one could not help but feel tempted to jump into it for a swim.

Following that, Sean led everyone to the villa entrance. He tapped the password on the door and led everyone into the villa.

A spiral-shaped glass staircase immediately came into view as soon as they entered. There was also a private elevator next to it that led to the top floor.

The villa was divided into five floors. The fourth and fifth floors were entertainment rooms like the cinema, the gym, a mini karaoke room, game rooms, and all kinds of entertainment facilities imaginable.

The second and third floors were bedrooms. Each bedroom was exquisitely decorated with different themes such as Nordic, Baroque, Gothic, and so on.

The first floor was the hall, kitchen, and study.

Although it was just a building, the interior design was extremely luxurious and classy.

“Mr. McDonald, I still have something to do. Please excuse me!”

Sean still had to report to the headquarters that he had sold the Mansion. He also needed to contact Freya Phillips to come over and sign the contract, so he thought of taking his leave first.

“Okay, go ahead!”

Connor looked at Sean and nodded.

After seeing Sean leave, Kyle and Michael left, too.

After all, the two were not very interested in these things. They were happy just to take a house tour to see what it was like inside.

Only Connor, Natasha, and Chloe were left in the villa..

Chapter 93: Natasha’s Forced Kiss

Connor turned to look at Natasha, who was looking around, and said softly, “Natasha, come in with me for a moment. I have something to tell you!”

When Natasha heard that, she blushed, but she nodded at Connor.

At this moment, Chloe’s face was flushed red with anger, and she was very unhappy.

She had finally brought Connor to the villa, and before she could do anything, she was intercepted by Natasha, this little sc*mbag?

“Mr. McDonald, what is it that you can’t say in front of me?”

Chloe asked Connor with jealousy.

“What does what I say to Mr. McDonald have anything to do with you?”

Natasha looked at Chloe and replied provocatively. Then, she followed Connor to the second floor.

When they reached the second floor of the villa, Connor casually opened a bedroom door and walked in with Natasha.

After entering the room, Connor was shocked by the scene inside.

The room was romantically decorated. With a large red round bed, coupled with the soft lighting and some whips and other items, it was not difficult to guess that this was a room specially prepared for couples.

Connor really could not understand why there was such a room in such a high-end villa.

After Natasha saw the room, her face immediately flushed red, and her breathing hastened.

She had never thought that Connor would be so impatient to sleep with her that he brought her to such a room in broad daylight.

Natasha really wanted to be the hostess of this villa, and her impression of Connor was quite positive.

However, Chloe was still downstairs, so Natasha suddenly became nervous. She quickly clenched her jaw, and determination flashed in her eyes. She had already given up a chance yesterday.

Today, she would not miss this opportunity again.

Therefore, after entering the room, Natasha gently locked the door behind her.

Then, she slowly approached Connor. With a seductive expression, she asked, "Mr. McDonald, why did you ask me to come in here?"

"Natasha, I..."

Connor was about to speak.

However, he suddenly smelled a burst of fragrance. Natasha had wrapped her arms around Connor's neck. Her beautiful face was right in front of Connor, and she kissed him.

"Mmph!"

Before Connor could react, Natasha forcefully kissed him!

Although Connor and Mandy had been together for two years, they were not very involved.

Connor did not even think about such an intimate kiss.

However, he did not expect his first kiss to be snatched away by someone like this.

Natasha's lips were very soft and sweet. It was very pleasant.

Connor, who had never kissed a girl before, hugged the soft body tightly. He did not even want to let go.

However, he felt it was a little insulting for a man to be forcefully kissed by a woman.

Therefore, after hesitating, he quickly reached out and pushed Natasha away.

Natasha was stunned for a moment. Then, she shyly asked, "Connor, what's wrong? Did I move a little too quickly? It's... It's my first time kissing someone, so I'm not too familiar... I'm sorry..."

Natasha did not lie. She was very beautiful and had a good figure, she had had many suitors since she was young.

However, she had been pampered since she was young. Coupled with Yvonne's influence, Natasha was not interested in those ordinary boys at school.

She had very high expectations of her boyfriend. Be it the body figure, appearance, or family influence, she had very strict requirements.

However, the financial resources that Connor showed he had today clearly met her requirements. That was why she had taken the initiative to kiss Connor. Connor was at a loss after hearing what she said. After hesitating, he asked, "Why did you kiss me?"

H H

Natasha was stunned. Then, she whispered, "Connor, didn't you bring me into this room to ask me to be your girlfriend and do that kind of thing with you?" "When did I say that I want you to be my girlfriend?"

When Connor heard that, he became even more speechless.

"If you don't want me to be your girlfriend, why did you add me on Facebook? Moreover, didn't we have a good chat in Dusk last night?"

A trace of doubt flashed in Natasha's eyes, then she continued, "Although we might have had a little misunderstanding yesterday, these misunderstandings have been cleared out now. I... I have a pretty good impression of you. I'm willing to be your girlfriend..."

"Ohhh girl, you misunderstood me. I didn't mean it like that!"

Connor replied helplessly. Then, he continued, "I did enjoy chatting with you yesterday. I wanted to add you on Facebook because I really wanted to continue seeing you. However, after that incident last night, I feel that we aren't compatible. You are not the type of girlfriend I want either!"

Natasha felt as if she was struck by lightning. She had always been proud and arrogant since she was young. Many boys had pursued her, but she had rejected them all.

Natasha felt that they weren't good enough for her.

But now, Natasha was finally willing to put herself out there and pursue a guy, but that guy thought they weren't compatible?

Natasha could not accept that.

"Connor, am I not beautiful enough? Is my body not sexy enough? Do you know how many boys are pursuing me? Why don't you like me?"

Natasha stared at Connor and shouted at him emotionally.

"You are very beautiful and are sexy, but you want to be with me not because you like me, but because you like my money. I will not be with a gold-digger like you!" Connor replied nonchalantly.

"Since you don't want to be with me, then why did you ask me to add you on Facebook? Why did you bring me to this room alone?"

Natasha glared at Connor and asked.

“I brought you here just to tell you not to tell others about my identity. I didn’t mean anything else!” Connor said slowly.

“So when you added me on Facebook and asked me to promise you something, you didn’t mean for me to sleep with you but to promise you that I won’t expose your identity. Is that it?”

Natasha finally came to a realization. Tears started to well up in her eyes as she whispered to Connor.

“That’s right!”

Connor nodded..

Chapter 94: Too Many Temptations

Natasha looked at Connor with a pitiful look.

“If I didn’t laugh at you with Mandy and the others last night, and if I didn’t expose your identity in front of so many people today, would you have considered being with me?” Natasha was silent before she clenched her jaw and asked.

“Maybe,” Connor replied indifferently.

As a girl, Natasha was the cream of the crop in terms of both her figure and appearance.

Moreover, she wasn’t as snobbish as Mandy Hines and May Young. Connor had felt this when they were at the nightclub last night.

However, Natasha couldn’t accept that Connor was a delivery boy because she felt that if Connor were really one, she would lose her reputation if she were to be with Connor.

Therefore, Connor felt that if yesterday's incident had not happened, he might not have rejected the idea of being with Natasha!

"That means that your impression of me is pretty good, right?"

Natasha said agitatedly.

Connor was stunned because he did not know how to answer that.

"You have a good impression of me. That means I still have a chance. I will not give up. Sooner or later, I will make you fall for me!" Natasha shouted at Connor, determined.

"What you want to do is none of my business. I only have one request, and that is not to expose my identity. If Cindy and the others find out about my identity, I will definitely not let you go!"

Connor did not want to continue this conversation with Natasha. He spoke coldly, then turned around and walked out of the room.

"Connor, I will not give up easily. Sooner or later, I will get you!"

Natasha watched and swore to herself as Connor left.

As for Connor being worried that Natasha would expose his identity, he was only overthinking.

This was because Natasha had no such intention. After all, the more people knew Connor's identity, the more girls would want to seduce him. Natasha's competitors would also increase then.

She was not stupid enough to reveal Connor's identity.

On the other side, after seeing Connor leave the room, Chloe immediately heaved a sigh of relief.

Nothing could have happened between Connor and Natasha in the room in such a short time.

Judging from the situation, he didn't seem to have slept with Natasha. Otherwise, the two would definitely have walked out hand in hand.

"Mr. McDonald, you're out!"

Chloe walked gracefully up to Connor. She then casually held Connor's arm.

Connor looked at Chloe impatiently.

Natasha had just kissed him in the room, and now there was Chloe. It seemed that being rich was not necessarily a good thing. There were too many temptations.

"Let's go!"

Connor said to Chloe.

"Okay, Mr. McDonald. It's getting late. Why don't we go have a meal to celebrate the villa you just bought?" Chloe said to Connor with a smile.

H ti

When Connor heard that, he couldn't help but be stunned. Then, he said, "Okay, I happen to be a little hungry too!"

"So, let's go now!"

Chloe's face immediately lit up with joy upon Connor's agreement. She hurriedly dragged Connor out of the villa and left Natasha alone in the villa.

When Natasha walked out of the bedroom, Connor and Chloe had already left.

Chloe drove the car with Connor to the restaurant.

Ten minutes later, when the car passed by a luxury goods store, Connor was surprised.

A large group of people surrounded the entrance of the store. In the middle of the crowd, a handsome young man in a suit was holding a bouquet of roses and kneeling on one knee before a beautiful girl. It seemed that he was confessing his love to this girl.

And this girl was none other than Mina!

The one kneeling before Mina was Hector, who had hacked Connor's account.

Connor sat in the car and stared at Hector, kneeling on one knee before Mina. He felt very uncomfortable, and even his breathing became hectic.

"Mr. McDonald, are you okay?"

Chloe noticed something wrong with Connor and asked, "Are you okay?"

"I'm fine..."

Connor shook his head gently.

He thought of Mina's attitude toward him these past few days and what Mina had said to him, and he felt a chill in his heart.

So Connor secretly swore that no matter what happened to Mina in the future, he would not be bothered anymore.

In any case, he and Mina were just ordinary housemates. Even if Mina was deceived by Hector, it would not affect him.

However, just as Chloe was about to drive past the store, Connor could not help but ask her to stop the car.

Chloe quickly stepped on the brake and turned to look at Connor. She asked with a puzzled expression, "Mr. McDonald, is there something you need?"

"Yes, I'll go and take care of it. I'll be right back!"

Connor replied in a low voice. Then, he pushed open the car door and walked toward Mina and Hector.

Chloe hesitated for a moment, then followed him.

At the entrance of the luxury goods shop.

Hector held a bouquet of ninety-nine roses and kneeled on one knee.

Mina looked at Hector with a face full of shock because she had never thought that Hector would confess to her here.

"Mina, I've liked you since the first day I met you. I swear that I'll treat you well as long as you're with me. I beg you, don't reject me. Stay with me!"

Hector said to Mina sincerely.

At this moment, Mina seemed conflicted because she didn't know if she liked Hector or not, and she didn't know if she should agree to his confession.

After all, Hector had helped her in her live stream back then, and after that, Hector had helped solve her issue with Todd Knowles.

So, Mina had a bit of a good impression of Hector, but she didn't know if what she felt was love or simply an infatuation!

"Mina, I know that you're feeling very conflicted right now. We have only known each other for a relatively short period of time. Perhaps you don't know me well enough, but I really like you. As long as you give me a chance, we could start dating and get to know each other simultaneously!"

Hector was very well-prepared this time. After seeing that Mina was beginning to hesitate, he continued emotionally.

"Hector, I..."

Mina hesitated, not knowing how to answer Hector.

"Say yes!"

"Say yes!"

At this moment, two young men suddenly walked out of the door of the luxury goods store and took the lead to shout.

The onlookers were encouraged and started to shout at the top of their lungs, making the atmosphere very lively.

Mina seemed to be influenced by that, so she was ready to agree to Hector's suggestion of dating and getting to know each other.

“Hector, ye...”

Mina hesitated and wanted to say ‘yes’.

However, before she could say the last word...

Someone rushed in front of her and snatched the bouquet from Hector’s hand..

Chapter 95: You Can’t Be With Him

At the store entrance, a not-so-tall figure rushed over and snatched the rose bouquet from Hector’s hand.

When the crowd saw this person, they were all stunned, their faces full of confusion.

At this moment, Hector, who was kneeling, seemed sullen.

Mina subconsciously glanced at the person standing before her, then she shouted in surprise, “Connor, why are you here?”

“You can’t be with him!”

Connor said to Mina expressionlessly.

“Connor, what does this have to do with you? What’s it to you if I agreed to be with Hector or not?”

After Mina came to her senses, she shouted at Connor emotionally.

“I don’t care if you want to be with other people, but you absolutely can’t be with this person. He’s a liar!”

Connor growled.

“No, bro, what do you mean by that?”

Hector slowly stood up and asked Connor provocatively.

Connor turned and glanced at Hector. He didn't say anything. Instead, he grabbed Mina's hand, wanting to leave this place.

“Connor, why are you doing this? Let me go now. I'm warning you. If you continue to be so unreasonable, I'll be furious! Moreover, we are just ordinary friends. Whether I agree to be with Hector has nothing to do with you...”

Mina struggled with all her might and shouted at Connor agitatedly.

Noticing Mina overreacting, Connor finally let go of her after hesitating.

“You can't be with this person!”

Connor looked at Mina and said.

“Bro, what's wrong with you? What's that gotta do with you? Are you here looking for trouble with me?”

Hector was about to confess his feelings, but he didn't expect to be interrupted by Connor.

Hector was distraught, but he didn't show it because Mina was still there.

“Are you crazy? What does it have to do with you?”

“That’s right. Why did you come to cause trouble? Hurry up and get lost!”

“That’s because that young man has a good temper. I would have already gone up and beat him up if it were me. He confessed his love, and you came out to cause trouble. Who do you think you are!”

The surrounding crowd criticized Connor.

“D*mn, isn’t that the delivery guy from Porthampton University? What is this poor loser doing here?”

At this moment, a student from Porthampton University recognized Connor and shouted with disdain.

“Yeah, I know him! He is the delivery boy from Porthampton University. He must have seen his goddess being asked out and felt uncomfortable, so he came out to cause trouble!”

“This is so funny. Look at yourself. This girl is so beautiful and hot. How could she like him? A toad wants to kiss a princess!”

“Is there something wrong with this guy’s brain? Even if the girl isn’t with this handsome guy, she wouldn’t be with a poor guy like him!”

“I heard that his ex-girlfriend cheated on him. Maybe there’s something wrong with his mind!”

After recognizing Connor, a few students from Porthampton University started to ridicule him.

The surrounding spectators also shouted for Connor to get lost!

For a moment, Connor seemed to have become a street rat. Everyone hated Connor very much.

“Kiddo, did you hear that?”

“I advise you to get lost quickly, or I won’t be nice to you!”

Hector stepped forward and pointed at Connor as he scolded.

“Being rude to me?”

After Connor heard that, he couldn’t help but sneer. He hadn’t been rude to Hector, yet Hector was rude to him.

Connor had initially planned to wait for Mina to leave before dealing with this Hector.

After all, in Connor’s eyes, Mina was just an innocent victim. There was no need for her to get hurt.

However, he did not expect Hector to be so eager to confess to Mina now.

If this continued, Mina would go to a hotel to sleep with him after. By then, it would be too late.

Therefore, Connor quickly took out his cell phone and was ready to call Kyle to ask him to come and deal with this matter.

“Connor, leave now. My life has nothing to do with you. Whether I want to be with Hector is not up to you to decide!”

At this moment, Mina suddenly shouted at Connor coldly.

Connor could not help but be stunned when he heard this. Then, he raised his head and glanced at Mina.

“Kiddo, if you don’t get lost now, I will not be nice anymore!”

When Hector saw that Connor did not seem to have any intention of leaving, he gritted his teeth and shouted at Connor.

“Click click click...”

Before Connor could speak, he suddenly heard the sound of high heels clicking upon the ground from behind him.

Chloe’s hip swayed as she walked right up to Connor. Then, she pointed at Hector and shouted, “Hey, how can you talk to Mr. McDonald like this?”

“Mr. McDonald, what kind of Mr. McDonald is he? Isn’t he just a broke delivery boy? A few days ago, he was cheated on by his ex-girlfriend. Moreover, he was the one who delivered food to the hotel. He just happened to see his ex-girlfriend and the rich kid in bed. Only then did he know that he was cheated on. Who at Porthampton University doesn’t know about this? How can such a person be addressed with such politeness?”

Hector asked disdainfully.

When he saw Connor at Mina’s apartment before, he had sent people to investigate Connor.

At first, Hector thought that Connor was his competitor, but he did not expect Connor to be a loser delivery guy, so he was relieved.

“Hahahaha...”

When the onlookers heard Hector’s explanation, they laughed and looked at Connor with disdain.

At this moment, Connor was no different from a green-furred turtle to the crowd.

Mina’s expression had turned ugly. She didn’t expect Hector to say such things in front of many people.

Although Mina didn't know why Connor had to stop her from being together with Hector, she felt that Connor was still her friend no matter what. There was no need to use such harsh words.

When Chloe saw Hector insulting Connor, she couldn't help but feel shocked. Then, she raised her hand and slapped Hector.

“Slap!”

It was a loud slap!

Everyone present was instantly stunned. Their eyes widened as they looked at the scene in a daze.

No one had expected that this woman, Chloe, would be so intrepid as to slap Hector in the face..

Chapter 96: None Of Your Business

After Hector was slapped in the face, he held his face and shouted at Chloe, his eyes bulging, “You... How dare you hit me?”

“So what if I hit you?”

With Connor backing her up, Chloe was filled with confidence.

After all, Connor was someone that even the notorious mafia boss of Porthampton, Kyle Hayes, was afraid of. So, she had no scruples in standing up for Connor.

“Who do you think you are? How can you just hit others like that?”

When Mina saw someone hit Hector, she instantly became upset. She took a step forward and shouted agitatedly at Chloe.

“This guy’s mouth is cheap and needs a beating. Besides, what does it have to do with you if I hit him?”

Chloe said in an unusually domineering manner.

“You...”

Mina pointed at Chloe angrily. She was so angry that she couldn’t speak. Then, she turned and asked Hector, “Hector, are you okay?”

“I’m... I’m fine!”

Hector rubbed his cheek and replied in a low voice.

Mina was still present, and Hector had to maintain his gentlemanly image so he didn’t fight with Chloe.

Hector would have shown his true colors and slapped her back if Mina wasn’t there.

After Mina heard Hector’s response, she turned to look at Connor, then, with an emotional expression, she said, “Connor, I beg you, don’t meddle in other people’s business anymore, okay? Whether I agree to be with Hector is my business. It has nothing to do with you!

“I admit that I did treat you as my best friend before, but I didn’t expect you to be such a person. Perhaps you don’t think Hector is a good person. I can understand. But no matter what, Hector is better than a toyboy. So, please don’t interfere in my life in the future. I don’t have a friend like you!”

“Better than a toyboy like me?”

Connor looked at Mina and asked, puzzled.

“Are you still going to quibble with me at a time like this? Wasn’t this woman standing up for you earlier?”

Mina turned and glanced at Chloe, then continued, “Although this woman is a little older, she is quite good-looking. You are lucky to have found a sugar mommy like her!”

The crowd looked at Connor and Chloe incredulously.

If it weren’t for what Mina said, they wouldn’t have thought that Connor was Chloe’s sugar baby.

“I can’t believe that even a loser of a delivery boy is willing to be a sugar baby. The world is full of wonders!”

“Yeah, is this beautiful woman blind? She has such a trashy sugar baby!”

“And this woman is quite pretty. What kind of dumb luck does this man have?”

The crowd started to discuss among themselves as they watched Chloe and Connor.

Meanwhile, Connor looked at Mina helplessly.

He did not expect Mina to think that he was Chloe’s sugar baby.

“Mina, you’ve misunderstood me. We don’t have that kind of relationship!”

Connor explained, then took a step forward and continued, “Mina, I think you...”

“Connor, you don’t have to explain to me. I don’t want to hear about your life, and I don’t want to care about it. I hope you won’t interfere in my life in the future!”

Mina's face was stern as she interrupted Connor's sentence. Then, she turned and said to Hector, "Hector, let's go!"

"Mina, have you agreed to be my girlfriend?"

Hector asked Mina.

n ii

Mina frowned and hesitated, then said in a low voice, "Yes, I'm willing to be your girlfriend!"

After hearing Mina's agreement, Connor felt as if he had been struck by lightning, and he was stunned.

He felt as if thousands of arrows had pierced through his heart, and his heart ached.

He knew that if he hadn't come over to stop Mina, Mina would have likely rejected Hector.

But at this moment, Mina had agreed to be Hector's boyfriend out of anger.

When Hector heard Mina's answer, he immediately looked happy. He turned and looked provocatively at Connor, then led Mina to the street.

Not long after, Hector stopped a taxi, got into the car with Mina, and left.

Seeing this, Connor felt helpless.

It wouldn't be long before Hector slept with Mina, if he guessed correctly.

Even if Connor went to stop Mina, Mina would still think that he was stirring up trouble for no reason.

As Mina and Connor were getting deeper and deeper, Mina was dead set on the idea that CEEM was Hector, and the person helping her was also Hector.

These were not things that Connor could explain clearly right now.

Moreover, Mina had no intention of listening to Connor's explanation.

Therefore, Connor could only place his hopes on Kyle. As long as Kyle could find Hector and help him get his account back, the rest would be simple.

"Mr. McDonald, are you alright?"

Seeing Connor standing there in a daze, Chloe asked with concern, "Are you okay?"

"I'm fine..."

Connor replied indifferently and didn't say anything else.

After all, the matter between him and Mina couldn't be clarified with just a few words.

"Alright, let's go!"

Connor noticed that many people were still looking at him as if he was an idiot, so he turned and told Chloe that he wanted to leave.

"Okay!"

Chloe agreed. Then, she held Connor's hand and walked toward the parking lot.

Five minutes later, Chloe drove with Connor to a restaurant.

“Mr. McDonald, this is the only three-star Michelin restaurant in Porthampton. Usually, only registered members can come here to eat. Even if you are a member, it’s hard to get a seat here. I have pulled many favors to get a reservation here!”

After getting off the car, Chloe explained to Connor with a smile.

When Connor heard this, he looked up at the restaurant’s name and found that it was New Century Restaurant, where he had met with Freya Phillips before.

“I’ve been to this restaurant before!”

Connor told Chloe.

When Chloe heard that, she was stunned. Then, she said with a smile, “Mr. McDonald, shouldn’t a rich person like you often come to this restaurant to spend money?”

“That’s true!”

Connor replied indifferently and didn’t say anything else. He followed Chloe into the restaurant.

After entering the restaurant, Connor found many people were waiting in line.

Among the people in line, Connor saw two familiar figures. They were Mina and Hector.

Obviously, after Hector had successfully confessed to Mina, to continue playing the role of a rich kid, he especially borrowed a membership card from a friend and also some money. Then, he made a reservation at New Century Restaurant.

The purpose was to make Mina believe in him through and through. After this meal, he was going to take Mina to a hotel..

Chapter 97: Why Are You Here, Mr. McDonald?

At this moment, Hector was arguing with the receptionist of the restaurant. He seemed agitated.

“Didn’t I already reserve a seat? Now you’re telling me there is no seat?”

“Shouldn’t you give me an explanation?” Hector shouted at the beautiful woman at the reception desk.

“Sir, I have already explained to you. This is the peak hour. Even if you reserved a table in advance, you would still have to queue!” the beautiful woman at the desk said to Hector impatiently.

“Since we have already reserved a seat, why do we still have to queue for it? Why do I have to reserve a table then?” Hector shouted angrily.

“Sir, if you didn’t reserve a table in advance, you might not even have the chance to queue up!” the beauty said indifferently.

Hector was instantly speechless when he heard this. After all, he had never been to such a high-end restaurant before. Naturally, he didn’t know that New Century Restaurant had such a rule.

“What’s wrong with you? We’ve already reserved a table before, but we are also queuing for it. If you don’t want to queue up, hurry up and get lost. Don’t waste our time!”

At this moment, the customers standing behind Hector shouted impatiently.

Mina looked at Hector and hesitated before saying softly, “Hector, why don’t we forget about it? Isn’t it the same no matter where we eat? We can go eat somewhere else!”

“No, this is our first meal together. I must treat you to the best!”

Hector said to Mina seriously.

When Mina heard that, a trace of emotion flashed in her eyes, and she didn't say anything more.

The reason Hector wasn't willing to go somewhere else wasn't that he wanted to treat Mina to a meal here.

He had paid a deposit of 500 dollars in advance when he made the reservation. If he didn't dine here today, the deposit would be used up. Hector didn't want to waste 500 dollars!

“So, let's queue for it!”

Mina said to Hector softly.

“We can only queue for now. Mina, I'm really sorry. I didn't know this restaurant had such a rule. If I knew, I definitely wouldn't have brought you here!”

Hector said to Mina apologetically.

“It's okay. I only have to wait a little longer. I'm not very hungry now anyway!” Mina said very kindly.

“As long as you don't mind!” Hector revealed a charming smile when he heard Mina's answer.

However, at this moment, Connor and Chloe went into the restaurant.

When Hector saw Connor, the smile on his face instantly disappeared. Then, he shouted at Connor with an unfriendly tone, “What's wrong with you? Why are you so clingy? You follow us wherever we go. What are you trying to do?”

When Mina saw Connor and Chloe enter, a strange look appeared on her face. She hesitated for two seconds and didn't take the initiative to speak to Connor.

"Who cares about following you? Does your family own this restaurant? If you can dine here, why can't we?" Chloe glared at Hector and shouted.

"How can a poor delivery boy have the money to eat here?" Hector continued to shout.

When the people in the restaurant heard this, they all turned to look at Connor.

Connor was dressed very ordinarily. He didn't look like a person who could afford to eat here. Therefore, a trace of disdain appeared in everyone's eyes.

"Who are you calling a delivery boy? Do you want to get slapped again?"

Chloe shouted very agitatedly.

"Stop arguing. What are you shouting for? Customers behind, please come over and take your number and queue up!" The receptionist shouted impatiently when she saw that Chloe was arguing with Hector.

When Chloe heard what the receptionist said, she quickly walked over to her and whispered, "I've reserved a seat in your restaurant. It's room number eight!"

"It's the rush hour now. You guys can go ahead and queue up!"

The receptionist took out a number plate and handed it to Chloe as she said expressionlessly.

Chloe was stunned when she saw the number plate.

“Don’t think about it. The people in front of you have already reserved their seats. They are waiting in line now!” The receptionist said to Chloe as if she saw the confusion in her eyes.

Chloe hesitated and handed the number plate back to the receptionist. She pouted and said, “Forget it. We are not eating here anymore!”

“If you don’t queue for it, the deposit will not be refunded!”

The receptionist reminded her softly.

“Isn’t it just 500 dollars? I’ll just let it go. I’m not like some people who can’t even bear to give up 500 dollars. Just standing here and waiting in line. If you don’t have money, don’t pretend to be a rich kid!”

It was obvious that Chloe was implying Hector.

When Hector heard this, his facial expression immediately turned ugly.

Today, Chloe was going to treat Connor to a meal. She wanted please him, but if she brought him to queue here, it wouldn’t look good on her.

Therefore, Chloe planned to treat Connor to a meal at another restaurant.

“Mr. McDonald, we would have to queue for this restaurant. Let’s go to another one!” Chloe Lawson said to Connor.

Connor hesitated before turning around to leave.

Mina and Hector were both there. Connor felt bad when he saw them, so he planned to take this opportunity to leave.

However, just as Connor was about to turn around and leave, a middle-aged man in a suit suddenly walked into the restaurant.

When the middle-aged man saw Connor, he was stunned. Then, he respectfully greeted Connor and said aloud, “Mr. McDonald, why are you here? Why didn’t you tell me you were coming to our restaurant?”

When everyone heard the middle-aged man, their eyes widened as they turned to look at Connor. They were very shocked.

The middle-aged man who walked in was none other than the manager of New Century Restaurant, Andrew Sullivan!

“Mr. McDonald, are you here at our restaurant for a meal?”

Andrew walked up to Connor with a slight bow and asked flatteringly.

“Yes, I was planning to have a meal with my friend here, but there are no more seats in your restaurant. I was thinking of going to another restaurant!”

Connor looked at Andrew and replied expressionlessly.

When everyone heard the conversation between Connor and Andrew, they were all visibly puzzled.

They really couldn’t understand why a poor loser like Connor, who looked very shabby in his clothes, would know the manager of New Century Restaurant.

Of course, the most shocked were Hector and Mina..

Chapter 98: A Verified Membership Card

“How does Connor know the manager here?”

Mina muttered, puzzled.

“Mr. McDonald, I’m sorry. The restaurant is really full today. If I knew you were coming today, I would have prepared a private room!”

Hearing what Connor said, Andrew Sullivan was so scared that he broke out in a cold sweat.

Andrew was the boss of Thomas Morgan’s New Century Restaurant, and Connor was Thomas Morgan’s boss. Andrew definitely knew where he was in the food chain.

Therefore, when he was dealing Connor, he didn’t dare to be negligent even for a bit.

“It’s okay. I’ll eat somewhere else!”

Connor waved his hand and said. After saying that, he turned to glance at Chloe and then walked away.

“Mr. McDonald, since you’re here, how can I just let you walk away like that?”

Andrew quickly stopped Connor and said nervously, “Mr. McDonald, please wait for a moment. I’ll arrange a private room for you right now!”

Connor was embarrassed to leave when Andrew was treating him so warmly. He could only stay and watch.

The customers waiting in line in New Century Restaurant were all looking at Connor in shock.

New Century Restaurant was one of the best high-end restaurants in Porthampton. Those who could afford to eat here were mostly the wealthy of Porthampton.

As New Century Restaurant’s manager, Andrew’s status naturally rose.

However, at this moment, he took the initiative to arrange a private room for Connor. How important was Connor?

Hector's face was also filled with shock when he looked at Connor.

Andrew briefly communicated with the reception desk, then turned around and ran to Connor's side. He smiled and said to Connor, "Mr. McDonald, we have arranged a VIP room. Please follow me!"

"Okay!"

Connor nodded slightly, then walked to the VIP room.

Meanwhile, Chloe followed behind Connor with excitement. She felt that she was honored to be able to have dinner with a super-rich kid like Connor. That elevated her status too.

However, when Connor and Chloe passed by Hector, Hector suddenly said, "Connor, I think you are not only a sugar baby to a wealthy woman, but also to the owner of this restaurant, right?"

When the customers in the restaurant heard Hector, they were all stunned. As they knew Connor's identity, no one dared to laugh.

Connor turned and glanced at Hector, then said indifferently, "Get this person out of here!"

"Yes, Mr. McDonald!"

Andrew nodded.

Meanwhile, Connor led Chloe into the private room.

After seeing Connor leave, Andrew shouted to the security guards at the door, "What are you waiting for? Get this guy out of here!"

After the security guards heard what their manager said, they ran toward Hector.

"What... What do you want? I'm a member of your restaurant. Is this how you treat members?"

Hector shouted nervously when he saw a few fierce security guards surrounding him.

"You're a member of our restaurant? How come I've never seen you before?"

Andrew looked at Hector and a hint of suspicion flashed across his face.

New Century Restaurant was very strict with giving out memberships. Every member had to go through a rigorous screening process. Andrew knew more or less each member. That way, he knew how to treat each member accordingly.

"This is my membership card!"

In desperation, Hector took out the membership card that he borrowed, wanting to prove his identity.

But he had no idea how stupid that action was.

"May I look at your membership card?"

Andrew asked Hector.

"Of course!"

Hector handed the membership card to Andrew.

Andrew took the membership card and handed it to the receptionist. He said softly, "Please verify this membership card!"

"Okay!"

The receptionist nodded and inserted the membership card into the computer reader.

Hector's facial expression changed when he heard Andrew's order. He had borrowed the membership card, so it was not his.

"Mina, let's go!"

Hector was afraid that his identity would be exposed, so he tugged at Mina and wanted to leave the restaurant.

"Okay!"

Mina hurriedly nodded and wanted to leave with Hector.

But at this moment, Andrew suddenly reached out to stop Hector, then said gloomily, "You can't leave now!"

"Why... Why not?"

Hector stammered.

"Because your identity hasn't been confirmed yet!"

Andrew replied calmly.

“Mr. Sullivan, this membership card belongs to Mr. Campbell of Dynamics Group!” the receptionist’s voice echoed throughout the restaurant.

Hearing that, Andrew smiled and said expressionlessly, “I have met Mr. Campbell of Dynamics Group. You are not Mr. Campbell, are you?”

Hector looked at Andrew in a daze. He opened his mouth but no words came.

Mina looked at Hector in confusion. She couldn’t understand why Hector would use someone else’s membership card since he was rich?

“Hector, what’s going on?”

Mina hesitated and asked Hector softly.

“Mina, I borrowed this membership card!”

Hector knew that he could no longer hide it, so he could only confess to Mina.

“You borrowed this card?”

Mina was instantly speechless when she heard this.

“Since you have admitted it, we can deal with this easily now!”

Andrew announced.

“Deal with this easily? What do you mean by that?” Hector asked Andrew, puzzled.

“Our restaurant has a clear rule. You will be fined if you stole or borrowed someone else’s membership card to enter the restaurant!” Andrew said expressionlessly.

“Fined?”

Hector looked at Andrew incredulously.

“Yes, a fine of 50,000 dollars!”

Andrew replied.

When Hector heard that, he immediately frowned. Even the usually calm Hector couldn’t remain calm at this moment.

This was because he couldn’t even take out 500 dollars, but now he had to pay a fine of 50,000 dollars!

This was a death sentence to him!

To create the image of a super-rich kid in Mina’s eyes, Hector had to go through a lot of trouble to borrow a New Century Restaurant membership card from a friend.

He initially thought that by taking out the membership card just now, he would be able to make things easier for himself.

But what Hector did not expect was that the membership card was linked to its owner’s name.

What made him even more devastated was that New Century Restaurant had an explicit rule that was a 50,000 dollar fine on any misappropriation or borrowing of another person’s membership card.

To pursue Mina these past few days, Hector had been taking her around and touring all the famous scenic spots in Porthampton. Although the expenditure wasn't much, it still cost 10,000 to 20,000 dollars a day.

To built his identity as a super-rich kid, he had specially rented a BMW car and an expensive suit.

Hector borrowed most of his money from his friends, so he was already heavily in debt.. Therefore, he could not afford the 50,000 dollars!

Chapter 99: Snacks In Bayside District

"You only have to pay 50,000 dollars, and you can leave!"

Andrew Sullivan said to Hector expressionlessly.

When Hector heard this, he immediately frowned and growled, "What right do you have to make me pay? If I don't pay today, will you detain me?"

"Of course, we won't hold you back, but if you don't pay this fine, the restaurant will revoke the cardholder's membership!"

Andrew narrowed his eyes and replied.

Hector was stunned when he heard this, and his expression turned ugly.

Hector borrowed this membership card from a rich kid in his class. If that rich kid knew that his membership had been revoked, he definitely would not let Hector off.

After all, New Century Restaurant's membership card was a priceless item. An ordinary person couldn't own it.

Hector looked at Andrew and hesitated for two seconds. Then, he hissed, "I left in a hurry today when I went out. I forgot to bring my credit card. Can I return this money some other day?"

“It doesn’t matter if you forgot to bring your card. You may also transfer money via cell phone. You can use Paypal or direct transfer. Or, I can get someone to follow you to the bank to withdraw money!” Andrew said calmly.

H 11

Hearing Andrew’s words, Hector’s face instantly turned ugly. He opened his mouth and didn’t know what to say. After all, he couldn’t take out so much money right now!

When Mina saw the expression on Hector’s face, she was bewildered.

After all, in Mina’s eyes, Hector was the famous CeeM of Twitch. He could spend millions just with a flick of his hand. Why couldn’t he take out even 50,000 dollars now?

Moreover, as a tycoon, Hector didn’t even have a New Century Restaurant membership card. This really didn’t fit his identity.

Mina suddenly felt that Hector was somewhat suspicious.

“Mina, do you have the money? Why don’t you help me pay for it first? After I go home and get my card, I’ll return the money to you!”

Hector suddenly turned and said to Mina.

When the customers in the restaurant heard Hector, they looked at him in disdain. After all, most people who could afford to come to a place like New Century Restaurant were wealthy people.

Therefore, when Hector wanted to borrow money from a girl, they naturally expressed their disdain for him.

However, Hector had no time to think things through. He wanted to pay the fine as soon as possible and leave with Mina.

Mina did not refuse Hector. Instead, she took out her phone from her bag and walked to Andrew. She said, "1'11 pay this fine for now!"

Andrew glanced at Mina indifferently and did not say anything. He brought her to the reception desk of the restaurant.

Mina used her cell phone to transfer the money and paid 50,000 dollars.

After paying the fine, Hector finally breathed a sigh of relief. Then, he walked out of the restaurant with Mina.

After walking out of the restaurant, Mina hesitated for a moment. She stopped and asked Hector softly, "Hector, are you hiding something from me?"

"How could I hide something from you?"

Hector pretended to be calm and replied, then he continued, "Mina, you're not suspecting me just because I borrowed 50,000 dollars from you, right? I told you just now. I only forgot to bring my card with me when I left home today. I will return the money to you!"

"I didn't mean that!"

Mina quickly replied.

"What do you mean then?"

"I just want to know if you have something on your mind. If you do, you can tell me!"

Mina felt that there was something wrong with Hector today. His style of doing things was very different from CeeM's. That was why she asked.

"Don't worry, I'm fine. Let's eat at another restaurant!"

Hector heaved a sigh of relief when he saw that Mina did not see through his identity.

"Alright then!"

Mina looked at Hector and nodded without saying anything.

Ten minutes later, Hector brought Mina to Bayside Snacks.

Mina started to doubt Hector's identity even more with his choice of place to eat.

Although eating in Bayside Snacks was not shameful to Mina, she felt that if Hector was a super-rich kid, why would he bring her to Bayside Snacks?

'Could what Connor said before be true? Is Hector a liar?'

A very bold idea suddenly flashed through Mina's mind.

However, Mina quickly shook her head and brushed that thought away. Then, she followed Hector into Bayside Snacks.

Meanwhile, after returning to her own house, Freya Phillips kicked off her high heels and walked toward the sofa barefooted.

"Freya, are you back?"

Maya ran out of the bedroom and greeted Freya with a smile.

“Maya, why are you here?” Freya looked surprised when she saw Maya.

“Oh, I was bored at school on my own, so I thought I’d come over to hang out with you!”

Maya explained, then continued, “Oh right, Freya, I heard that you went to see the villa today. How did it go?”

“The location of the villa is not bad. The surrounding facilities are convenient, and the scenery is stunning. However, it is too expensive. One unit actually costs more than fifty million dollars. Even now, I don’t have so much money!”

After hearing Maya’s question, Freya replied somewhat disappointedly.

“Fifty million dollars?”

When Maya heard the number, she could not help but exclaim in surprise. Then, her eyes widened as she said, “Are these people crazy? A villa actually costs fifty million dollars. That is daylight robbery, isn’t it?”

“The location of this villa is strategic, so it’s not a surprise that it is worth that much. But something else happened today that was very strange. Guess who I met at the showroom today?”

Freya said.

“Who?”

Maya blinked and asked.

“I met Connor!”

Freya whispered and then continued, “And he said he would buy that villa for me. Don’t you think it’s funny?”

“Hahaha...”

Maya burst into laughter when she heard that. She clutched her stomach tightly and said, “Is Connor stupid? He’s just a poor delivery boy. Even if he delivers food his entire life, it’s impossible for him to buy a villa worth fifty million dollars!”

“Haha, that’s right...”

Freya was about to speak when she suddenly realized that her phone was ringing.

She answered the phone and asked, “Hello, who’s this?”

“Are you Miss Phillips?”

The person on the other end of the phone asked politely.

“Yes, that’s me!”

“I’m the general manager of Evergrande Real Estate’s showroom, Sean

Quintin!”

When Freya heard this, she was stunned and a hint of confusion flashed in her eyes.

She could not understand why the general manager of Evergrande Real Estate would call her..

Chapter 100: Someone Bought You A Villa

“General manager of Evergrande Real Estate? Is there something you need me for?”

Freya hesitated before asking.

“Miss Phillips, did you come by to look at the properties in our showroom today?” Sean asked with a smile.

Freya only came to her senses when she heard that. It must be because she went to the showroom to see the house today. They probably wanted to ask about the property and when she could buy it.

Freya had visited all the property showrooms in Porthampton over the past few days. Naturally, she had received many such calls.

However, it was the first time Freya had received such a call from the general manager.

“I did go to your showroom to look at a villa today. The villas there are quite good, but I don’t have that much money now. I’ll call you again when I am ready to buy it!”

Freya was about to hang up after she said that.

“Miss Phillips, you have misunderstood me. I didn’t mean to ask you when you’ll buy the villa!”

Sean said hurriedly.

“You are not going to ask that? So why did you call me? Are you asking for feedback on the staff in the showroom?” Freya sounded even more confused.

“Miss Phillips, I’m calling to tell you that someone has bought the villa you like and is prepared to give it to you. When will you have time to come over and sign the contract?”

Sean said respectfully.

“Someone bought the villa that I like and wants to give it to me? Are you kidding me? That villa is worth more than fifty million dollars!”

After hearing Sean’s explanation, Freya’s jaw dropped in shock.

“Miss Phillips, I’m not kidding you. I’m telling you the truth. You only have to bring your ID card to the showroom and sign the contract!”

Sean quickly said.

Freya couldn’t help but hesitate, then she said, “Your scam is too cheap. There is nothing free in this world. How could someone give me a villa for no reason? I’m not a fool. I won’t fall for it!”

After saying this, Freya directly hung up the phone. Then, she pouted and said, “These salespeople nowadays are unreliable. I only went to their showroom this afternoon, and I’m already receiving a fraudulent call at night!”

Freya thought that the people in the showroom had leaked her data and Sean was a swindler. First, he claimed that someone wanted to give her the villa. Then, he would make excuses to make her pay all kinds of fees.

This swindling tactic was very common, and people would fall for it from time to time. It was often reported on the news.

“Who was that?”

When Maya saw Freya ending the call, she asked with a smile.

“No one, it’s just a fraudulent call!”

Freya did not take the phone call to heart and replied calmly.

“A fraudulent phone call? But I just heard that someone bought the villa and wants to give it to you.”
Maya continued.

“That’s right. That villa is worth more than fifty million dollars. How could someone buy that and give it to me?” Freya sighed softly.

“That might not be true. Didn’t Connor say that he would buy that villa and give it to you? Maybe it was Connor who bought it?” Maya said teasingly.

“Maya Phillips, can you stop joking? Connor is a poor man. How could he have the money to buy that villa?”

Freya looked at Maya helplessly.

“Oh, Freya, maybe Connor is pretending to be poor? He delivers food when he has nothing to do, but maybe in truth, his family is wealthy. So, when he heard that you wanted to buy a villa today, he bought it right away and gave it to you!”

Although Maya said that, she did not believe that Connor had the money to buy the villa and give it to Freya for nothing.

Connor was a poor loser. Almost everyone at Porthampton University knew that.

“Maya, don’t joke about Connor. Connor is just a little poor, but he’s quite good-natured!”

Freya said softly.

“He’s good-natured? The first time I met him, he fell on purpose and took advantage of me. He even asked you for an allowance of 20,000 dollars a month. The most infuriating thing is that he threw all that money away when I gave him money. Whenever I think of this, I feel like slapping him!”

Maya shouted excitedly.

“You must have said something to him that triggered him to throw the money away the last time I asked you that to him. Do you think I didn’t know what was going on?”

Freya couldn’t help but roll her eyes at Maya. The two grew up together. She knew exactly what kind of character Maya had.

When Maya heard that, she pursed her lips and quibbled, “I didn’t say anything provocative to Connor that day. Who knew he had such a bad temper...”

“Everyone has their dignity, much less a man. You’d better watch your attitude when you talk to others in the future!” Freya said.

“Connor is a toyboy. What dignity can a toyboy have? I have no respect for such guys!”

“You...”

As Freya was about to speak, her phone rang again.

Freya hesitated before answering the phone.

“Hello, Miss Phillips!” It was Sean again.

“You again? Didn’t I tell you just now? Your trick is too cheap. I won’t fall for that. You’d better find a better excuse to cheat people of their money!”

After hearing Sean’s voice, Freya said impatiently.

“Miss Phillips, I’m not trying to cheat you...”

“If you call me again, I’ll call the police. Believe me. I will!” Freya said in embarrassment.

“Miss Phillips, if you don’t believe me, you can look up this number’s ID. This is the phone number of our showroom. If I were a liar, how would I be reaching out to you with this number?”

“Moreover, we aren’t charging you a single cent now. You only have to come to our showroom to take a look. If I were a liar, would I dare to ask you to come to the showroom?” Sean explained quickly.

When Freya heard this, she quickly looked at her phone screen. Sure enough, a number ending with six sixes was displayed.

To find out more about the villa, Freya had taken the initiative to call Evergrande Real Estate earlier. It was the same number Sean was calling her with!

“Did someone really buy a villa and gave it to me?”

Freya murmured in shock.

Then, she recalled what Connor told her.

Freya had met Connor at the showroom. Connor had said that he would buy the villa and give it to her.

However, Freya had previously thought that Connor was joking with her, so she did not take him seriously.

Moreover, Freya had also joked with Connor that if Connor bought the villa and gave it to her, she would really marry him.

“Connor didn’t really buy the villa, did he? But where did he get so much money? This villa is worth more than fifty million dollars!”

When Freya confirmed Sean’s identity, several questions crossed her mind..
