

100 Million 1021

Chapter 1021 How Much Do You Want To Spend To Buy Your Life?

1021 How Much Do You Want To Spend To Buy Your Life?

Crazy Leopard grinned hideously at Liu Tianci. "Since your cousin has chosen to break a leg, the rest is yours."

As he spoke, he took a machete from a subordinate and slowly walked forward.

"No, no, no. Don't..."

Liu Tianci immediately retreated in fear.

At this moment, two of Crazy Leopard's subordinates walked out and held him down.

"Cousin, save me..."

Liu Tianci couldn't break free from the two men and hurriedly asked his cousin Tang Huarong for help.

Tang Huarong couldn't even protect himself now, so how could he care about him? He hurriedly turned his head to the side.

Liu Tianci was furious. "Tang Huarong, f*ck your ancestors! If anything happens to me, my dad will definitely not let you off!"

Crazy Leopard walked over unsteadily. "Alright, stop shouting. If you want to blame someone, blame yourself for not having eyes. You actually bumped into Mr. Ye. Don't worry, it'll be over soon."

As he spoke, he grabbed Liu Tianci's ankle and slowly raised the machete.

"Wait a minute!" Liu Tianci shouted with a sobbing tone, "I... I have money. I can spend money to save my life..."

Crazy Leopard stopped and turned to look at Ye Feng.

Ye Feng walked over slowly and looked down at Liu Tianci. "How much do you want to spend to buy your life?"

Liu Tianci looked at him with trepidation. "I... I'll pay 1... 1 million..."

Ye Feng could not help but laugh. "Are you treating me like a country bumpkin who has never seen money before?"

“Since your life is only worth 1 million, I’ll buy it. I’ll transfer 1 million to your family after this.”

After saying that, he turned his head to Crazy Leopard.

Crazy Leopard understood and raised his machete again.

“Stop! I... I’ll spend 5 million... 5 million...”

Tianci Liu, who was 1.8 meters tall, was so scared that he started crying. He was a spoiled rich kid who had never experienced such a scene.

However, Ye Feng was still expressionless. He was clearly not moved.

Crazy Leopard continued to swing his machete.

“Ah... 10 million, I’ll pay 10 million...” Liu Tianci hurriedly shouted. His crotch was already wet, and a stench was coming out.

Crazy Leopard’s machete stopped at the base of his thigh. If he was a second slower, he would have slashed.

Everyone present was silent out of fear as they watched this scene.

Although some people expressed sympathy, most people felt that he deserved it.

Mr. Ye had already let him off before. He was the one who courted death and insisted on finding trouble again. Who could he blame?

Ye Feng pinched his nose as he stared at Liu Tianci. "Let me name the price, If you think it's suitable, just nod."

"For such a precious young master like you, it shouldn't be too much to ask you for 10 million yuan for one hand, right?"

Liu Tianci was stunned. 10 million for one hand? Wasn't this too expensive?

But he could tell that Ye Feng was not joking. If he did not agree, the other party would not hesitate to chop off one of his hands.

"Not too much, not too much." He hurriedly nodded in agreement.

"20 million for one leg. That's not too much, right?" Ye Feng continued to ask.

“No, no, no. It’s not too much.” Liu Tianci nodded again.

“Then your head... Is it too much to ask you for 50 million?” Ye Feng continued to ask.

“Ah?” Liu Tianci hesitated for a moment.

The two hands added up to 20 million, the two legs added up to 40 million, and if the head was included, it would be over 100 million.

Although their family was considered rich compared to ordinary people, it was still quite difficult to take out hundreds of millions of yuan in one go.

Ye Feng saw his hesitation and sneered: “Since you think that your head is not worth 50 million, then just chop it off...”

“Don’t... It’s worth it. It’s worth 50 million...” Liu Tianci shouted hurriedly. Although money was important, his life was more important.

Ye Feng immediately gave Crazy Leopard a look. “Chop off one of his hands.”

Pfft...

Crazy Leopard did not hesitate this time. He immediately raised his knife and chopped off Liu Tianci's right hand.

"Ah..." Liu Tianci screamed and almost fainted.

He didn't understand why the other party would still make a move when he had already agreed to pay.

Everyone was shocked by this bloody scene, and many timid people screamed.

Cheng Fei'er couldn't help but frown. She slowly turned her head away, not wanting to look anymore.

Xiao Changqing's eyes were filled with admiration. Those who could achieve great things had to be decisive in killing and could not have any soft-heartedness.

Although Mr. Ye was young, he was not inferior to him in this aspect.

The younger generation was truly formidable!

“I let you off previously. Before I left, I told you that if you bump into me again, it won’t be so easy. You’re the one who ignored me...”

Ye Feng squatted beside Liu Tianci and said coldly: “I broke your hand because I wanted to tell you that you can’t do whatever you want just because you have money.”

“There are many things that you can’t buy with money, such as medicine for regret.”

Beads of sweat rolled down Liu Tianci’s forehead. He looked at Ye Feng with fear in his eyes.

He was indeed regretting it. The other party had let him off back then. He should have just obediently scam. Why didn’t he give up? Why did he find someone to take revenge?

Now, not only did he not succeed in his revenge, he even lost a hand.

Ye Feng took out his phone from his pocket. “Call your family and transfer the rest of the money over.”

“You have ten minutes. If the money isn’t here yet, I’ll chop off your hand.”

Liu Tianci did not dare to delay. He hurriedly dialed his father’s number with his remaining left hand.

“Tianci, did you have fun at Gambling City? Where did your cousin take you to play...”

When the call connected, the other party was still nagging.

Liu Tianci interrupted with a heavy sobbing tone, “Dad, I... I’ve caused trouble. The other party wants you to quickly transfer 100 million yuan over. Otherwise, they’ll chop off my head and limbs. One of my hands has already been chopped off...”

His words were too shocking. The other party was silent for a long time before the phone suddenly hung up.

Immediately after, he received a video call. The other party probably thought that his son was joking.

Liu Tianci did not dare to act on his own. He quickly turned to look at Ye Feng.

“Answer it.” Ye Feng did not stop him.

Liu Tianci was relieved and hurriedly picked up the video call.

..

When the middle-aged man saw his son's bloody face and broken hand in the video, he was immediately shocked.

"Tianci, this... What's going on? You... Who did you offend? Aren't they too ruthless?"

"Hurry up and call the Office..."

"Dad, you... Stop talking nonsense. If you don't want to see your son's head chopped off, you... Hurry up and transfer the money." Liu Tianci was shocked when he heard his father's words.

His father was really smart. Did he think that this was the mainland?

Since the other party dared to chop off his hands and feet on the street, he was naturally not afraid that he would inform the officials.

The middle-aged man calmed down a little. "Where's your cousin? Didn't he come to save you?"

Liu Tianci pointed the video at Tang Huarong. "Cousin is here too. He... He can't even protect himself."

Chapter 1022 Do You Think I'm Joking?

1022 Do You Think I'm Joking?

Tang Huarong was lying on the ground with a face full of dust and tears. "Uncle, please save us..."

The middle-aged man was completely flustered. He knew that his nephew was very popular in Gambling City, so he let his son run over alone.

Now that even his nephew had become like this. The other party must be very powerful.

“Tianci, don’t be anxious. Can you hand the phone over? I... I’ll tell him personally.” The middle-aged man hurriedly comforted his son.

Liu Tianci looked at Ye Feng again. “My dad... wants to talk to you... on the phone...”

Ye Feng took the phone and looked at the middle-aged man in the video. “What do you have to say, say it.”

The middle-aged man did not expect the leader of the ‘kidnappers’ to be so young. He immediately put on a posture as if he was lecturing a child. “Young man, you’re so young. Why do you have to do such a thing? Do you know that you are destroying your own future? You also have parents...”

Ye Feng could not be bothered to listen to his nonsense. “It seems that you do not care about your son’s life. Since that’s the case, then cut the crap.”

Then he ordered Crazy Leopard: “Make a move.”

Without saying a word, Crazy Leopard walked over with a bloody machete. He grabbed Liu Tianci's hair and slowly raised the machete.

"Dad... Save me, Dad..." Liu Tianci was so scared that he screamed.

"Stop... Stop!" The middle-aged man in the video cried out in panic.

Ye Feng raised his hand. Crazy Leopard's movements slowly stopped, but he did not let go of Liu Tianci. He was ready to slash down at any moment.

The middle-aged man was already so shocked that his face was pale. "You... How much do you want?"

Ye Feng was expressionless: "100 million..."

Tang Huarong interjected, "No, Uncle, and my leg. It's 120 million."

The middle-aged man frowned. "I can't take out so much money in a short time. Can you send my son to the hospital first? When I have enough, I'll call you together."

Ye Feng lowered his head and glanced at his watch. "I will only give you five minutes. If you don't pay in five minutes, you can only go to hell to see your son."

“Five minutes? Five minutes? How is that possible?”

The middle-aged man panicked and wanted to say something else.

But Ye Feng did not give him a chance. He hung up the video call and sent his account number to Liu Tianci on WeChat, then threw his phone at Liu Tianci.

Then, he turned to look at Crazy Leopard. “Five minutes. If the money hasn’t been transferred, we’ll take action immediately.”

“Yes.”

Crazy Leopard immediately accepted the order and looked at Liu Tianci with a sinister smile.

Liu Tianci was already scared out of his wits. He prayed in his heart that the money had to be transferred over. Otherwise, he would really be dead.

Time passed minute by minute, but every second felt like a year to him.

“Time’s up.”

Five minutes later, Crazy Leopard looked at the time. The money had not been transferred yet.

He did not waste any more words and slowly raised the machete in his hand.

Everyone's hearts were in their throats. Some people could not bear to see this cruel scene and silently closed their eyes.

As for Liu Tianci, he was so scared that his body was twitching and trembling.

His head was about to fall to the ground.

At this time, Ye Feng's phone suddenly received a message notification. 100 million was transferred to his account.

"Stop!"

Swoosh!

Lunatic Leopard's machete stopped in time, less than a finger away from Liu Tianci's neck.

Liu Tianci was already scared out of his wits. His eyes were lifeless as he slid to the ground like a pile of mud.

At the same time, his phone rang again.

Ye Feng picked up his phone and accepted the video call.

“Is my son alright?” the middle-aged man asked anxiously.

Ye Feng aimed the video at Liu Tianci and took two pictures. “He’s not dead yet. He almost died. You only transferred 100 million. Does that mean you don’t plan to save your nephew?”

The middle-aged man heaved a sigh of relief when he saw that his son was fine. “I can only gather this much money in such a short time. You see... Can you make an exception? I’ve already given you 100 million yuan. Just let them go.”

To put it bluntly, he was willing to spend money on his son. As for his nephew... He was a little reluctant to spend 20 million.

Ye Feng sneered. “Do you think I’m joking?”

Then, he turned to look at Tang Huarong. “Your uncle is not willing to give you this money. Can you take out 20 million?”

Tang Huarong was immediately scared out of his wits. “I... I can’t take it out...”

This time, he did not wait for Ye Feng’s orders, Crazy Leopard immediately walked over and slashed down with his machete.

Pfft...

Kacha...

Because he used too much force, although Tang Huarong’s thigh was cut off, the machete in his hand also broke into two.

“Ah...” Tang Huarong screamed, his head tilted to one side, and he fainted.

The middle-aged man in the video was stunned.

He was still hoping that he would be lucky. He thought that since he had already given 100 million, and the other party would not be so calculative over 20 million.

However, he never expected that the ruthlessness of this young man in front of him far exceeded his imagination.

Not only him, but everyone present was already frightened out of their wits.

When they looked at Ye Feng again, it was as if he was looking at a demon.

However, they could also tell from this matter that this Mr. Ye was really a man of his word. There was no room for negotiation.

If anyone dared to question him in the future, they would have to think twice.

Chapter 1023 Kindness Is a Good Thing, But It Should Be Reserved For Good People.

1023 Kindness Is a Good Thing, But It Should Be Reserved For Good People.

“Send them to the hospital. If they die, I’ll ask you,” Ye Feng turned around and said to Crazy Leopard.

“Yes, Mr. Ye, don’t worry. I’ll definitely handle it properly.” Crazy Leopard hurriedly nodded in agreement.

This seemingly harmless Mr. Ye was the real ruthless person.

Even when he spoke to the other party now, he felt a sense of trepidation.

Ye Feng did not bother with him anymore. He walked to Xiao Changqing. "I made you come all the way here, thank you for your hard work. I will treat you to a meal another day."

Xiao Changqing laughed. "I should be the one treating you. I hope Mr. Ye will give me face."

Last time when the Han family was attacked, he knew that Ye Feng was a ruthless person.

However, when he rushed over, the matter was basically over, so he did not have a deep feeling.

But today, he saw Ye Feng's methods with his own eyes. He was ruthless enough! How cold-blooded!

Even he felt a chill run down his spine.

Especially when he thought of his good-for-nothing sons, none of them could compare to him.

They didn't even have the right to carry someone else's shoes, let alone be mentioned in the same breath.

The Hong family's situation was similar to theirs. Only Hong Jiajun was not bad, but he was only good at gambling.

As for his methods, he was far inferior to Ye Feng.

He had a hunch that Gambling City would be Mr. Ye's world in the future.

It seemed that he had to think of a way to rope in the other party. Even if he did not think for himself, he had to think for his descendants.

After thinking about this, when he faced Ye Feng again, he was even more respectful.

When everyone saw this scene, they were even more certain of Mr. Ye's identity. It seemed that he was really the third generation!

Ye Feng could not be bothered with what these people were thinking. After dealing with the matters here, he did not stay any longer and left quickly with Cheng Fei'er.

Xiao Changqing naturally would not stay in this place for too long. He would leave as soon as Ye Feng left.

Crazy Leopard ordered people to send the two of them to the hospital while cleaning up the scene.

He also asked his subordinates to check the mobile phones of the onlookers at the scene one by one to ensure that they did not secretly take videos of the scene.

If such a thing were to spread online, it would definitely cause a huge uproar.

Fortunately, these onlookers did not want to get into trouble. Although they had witnessed the entire process, no one dared to take a video.

..

Ye Feng and Cheng Fei'er had already walked far away, but she was still staring at him.

"Why do you keep looking at me like that?" Ye Feng could not help but ask.

"Didn't you say that you were benevolent before? How dare you say that you're benevolent when you're dismembering people's arms and legs at the drop of a hat?" Cheng Fei'er still did not like Ye Feng's way of doing things.

"I have Bodhisattva Low-Browed, and I also have Angry Vajra. I have already shown mercy to them, but they don't cherish it. What can I do?" Ye Feng pursed his lips.

“But your methods are too... cruel. You could just teach them a lesson. Why did you have to make it so bloody? They’re bad people, but I think you’re even worse than them...” Cheng Fei’er obviously did not agree with his words.

Ye Feng stopped in his tracks, his expression turned cold. “Then have you ever thought about what would have happened to me if they did not meet me today, or if I was just a powerless commoner?”

Cheng Fei’er was shocked by his expression and didn’t know how to answer.

In fact, she knew very well that Tang Huarong and Liu Tianci had brought two to three hundred people to cause trouble.

If it was not for Ye Feng’s influence in Gambling City, he would definitely be in a miserable state today. He might even lose his life here.

Ye Feng stared at her coldly. “Kindness is a good thing, but it should be reserved for good people. Giving mercy to bad people indiscriminately is the greatest injustice to good people.”

“My way of survival is to treat good people ten times better. But when it comes to evil people, I will be ten times more evil.”

After saying that, he ignored Cheng Fei’er and walked straight ahead.

Cheng Fei'er was stunned for a long time before she came back to her senses and stared blankly at his back.

Although she was reprimanded by the other party, she had to admit that his words were indeed enlightening.

Because of her identity, she had to follow the rules of the Security Team. Even if they were to catch an extremely ferocious thug, they had to follow the procedure and must not vent their personal anger.

As time passed, she had to consider whether she was in compliance with the rules before doing anything.

But Ye Feng was the exact opposite. He never asked about these things when he did things. He did what he thought was right, and he did not care about the rules.

His words just now were like a great bell, shaking her heart.

That was right. If you treated good people well, why did you need to be so reasonable when dealing with bad people?

F*ck the rules! F*ck the process!

At this moment, she had a carefree feeling as if the clouds had been lifted and the sun had appeared. Her mood brightened up as she quickly chased after Ye Feng.

“Are you angry?” She chased after Ye Feng and secretly observed his expression.

“Didn’t you say that I’m a bad person? Then why are you still following me?” Ye Feng still had a straight face and did not smile.

“I said something wrong just now. I apologize to you. Don’t be angry.” Cheng Fei’er giggled as she tugged at his clothes.

“Don’t be cheeky with me. We have different paths and can’t work together. After we’re done interrogating Ah Can, you go your way and I’ll go mine. We won’t disturb each other.” Ye Feng shook off her hand. He was still unmoved.

“Sigh, I didn’t expect this! Mr. Ye, whom even the head of the Xiao family respects, is actually so petty. He actually wants to haggle over every ounce with a little girl like me.” Cheng Fei’er followed beside him and started to sound sarcastic.

Ye Feng was instantly amused by her words. “Are you still a little girl? I think it’s more like a female devil, right?”

Cheng Fei’er saw him smile and immediately clapped her hands happily. “You’re finally smiling. You’re not angry anymore, right?”

Ye Feng's face turned serious again. "Hmph, do I need to be angry with a little girl like you?"

Although he said so, Cheng Fei'er could see that he was no longer as distant as before and immediately heaved a sigh of relief.

"There seems to be a park over there. Shall we go in and take a look?" She followed him for a while and suddenly pointed to a park in front of them.

"No," Ye Feng rejected immediately.

"Let's go, let's go..."

Cheng Fei'er acted coquettishly as she pulled Ye towards the park.

After entering the park, Cheng Fei'er immediately regretted it.

There were a lot of people in the park, but most of them were couples. Some were snuggling up to each other, some were walking hand in hand, and there were even some kissing in public...

It was a little awkward for the two of them to walk here.

The two of them were neither husband and wife nor a couple. They were not even colleagues.

“Ahem, let’s go.” Cheng Fei’er’s pretty face turned slightly red, and she turned to leave.

“Don’t. I think this place is quite good.”

Ye Feng did not want to. He pulled her sleeve into the park and found a bench to sit on.

Cheng Fei’er hurriedly moved to the side, keeping a distance from him, but she was still a little uneasy.

Ye Feng saw her expression, and a smile flashed across his eyes.

“Look at that pair. They’re obviously not a couple.” He pointed at a couple kissing passionately in the corner of the park.

Chapter 1024 We Are Very Pure

1024 We Are Very Pure

“Nonsense. Aren’t couples supposed to be so intimate?” Cheng Fei’er saw that the two of them were biting each other very intensely and wanted to rub each other into their bodies. This made her face burn even more.

“Look carefully. When that man kissed that woman, he kept looking around, which proves that he has a guilty conscience. Moreover, the two of them deliberately chose a relatively hidden place to hide from others...”

Ye Feng analyzed carefully. Cheng Fei'er felt that it did make sense. This couple did look like they were having an affair.

“Look at that pair. That man looks like a Sea King.”

“Why?”

“Because he was texting someone else when he was dating that woman.”

“What does that mean? He might be replying to a friend or colleague.”

“No, when he replies, the corners of his mouth will curl up slightly. There's a hint of pleasure in his wretched manner. He must be chatting with another woman...”

“That seems to make sense.”

“Look at that pair again. That woman is obviously fishing for rich men...”

Ye Feng analyzed every couple in the park as if there was no one else around, and he was able to make sense of them.

While Cheng Fei'er admired his meticulous observation, she was also a little puzzled. "Why do you say that the people here don't look like good people?"

"They're either here to have an affair, they're two-timing, or they have ulterior motives. Are there no pure couples?"

Ye Feng shrugged. "Yes, we are very pure. Pure as can be, the kind of purity that can be considered brothers."

Cheng Fei'er couldn't help but roll her eyes. "Who wants to be your brother?"

Ye Feng's lips curled up. "If you don't want to be my brother, then what do you want to be? Lovers?"

"But I already have a girlfriend. The third and fourth place also have girlfriends. You can only be ranked eighth."

"You... Go to h*ll."

Cheng Fei'er was embarrassed and angry when she heard him speak more and more inappropriately.

She felt that she must have gone crazy. She actually followed a man to comment on other couples in the park. How bored was she?

He even wanted her to be his brother? Did he think she was Zhang Fei? Three sworn brothers in the Peach Garden?

The more she thought about it, the angrier she got. She immediately got up and walked out.

Ye Feng smiled. This woman was really not easy to tease. She was angry just like that?

At this moment, they heard the roar of a car.

The sound was very soft at first, but in an instant, it resounded throughout the entire park like a clap of thunder.

Ye Feng turned around and saw three cars lined up in a row, rushing into the park.

At this moment, Cheng Fei'er was walking to the entrance.

The red Lamborghini at the front almost crashed into her.

However, she reacted quickly and took two steps back.

The supercar almost brushed past her body.

She was still in a state of shock when an Alfa MPV arrived behind her.

As she had just dodged the car in front of her, she had yet to gain a firm foothold. She could not dodge this car in time and could only watch as the commercial vehicle collided with her.

At this critical moment, her arm was suddenly grabbed by a strong hand. Then, her body left the spot.

Because the pulling force was too strong, her body felt like it was flying into the air.

Then, she directly crashed into the other party's arms.

"Oh..."

Because she had hit him too hard, she felt that two of her more prominent parts were about to explode. She immediately cried out in pain.

She raised her head and saw that it was indeed Ye Feng who saved her in time.

Almost at the same time that she was pulled away, the two MPVs behind her whizzed past.

However, what made people angry was that the three cars did not stop in time. Instead, they rampaged through the park.

The others did not have the reaction speed of Ye Feng and the others. Several couples were sent flying, and they lay on the ground and wailed.

As the Lamborghini in the front was a convertible-top car, a blond foreigner could be seen driving. He kept making excited noises.

Ye Feng's anger rose again. When the sports car drove over again, a silver needle suddenly popped out from his hand.

Screech—

The supercar immediately lost control and crashed into a tree nearby. The airbags popped out.

“Oh sh*t!”

As the foreigner cursed, he climbed out of the car and pulled out the silver needle from his neck. “What the f*ck!”

The two MPVs behind also stopped. A man wearing gold-rimmed glasses jumped out of the car first, followed by seven or eight bodyguards.

“Mr. Wilson, are you okay?”

The golden-rimmed glasses man quickly rushed up to check on the foreigner’s injuries.

The foreigner shook his head and handed the silver needle to him. He said a few words and looked very angry.

The man took the silver needle and looked at it. He immediately looked over angrily. “Who threw this needle? Stand out.”

There were also a few people standing near Ye Feng. Although they were very angry at these people’s actions, they could tell that they were not to be trifled with. They lowered their heads.

The man immediately sneered. "You dare to do it but don't dare to admit it, right? Then I'll capture all of you and interrogate you one by one. I don't believe that I won't be able to get anything out of you."

When everyone heard this, their expressions changed drastically.

A woman who was almost hit by a car earlier suddenly pointed at Ye Feng. "I saw him throwing it."

Chapter 1025 Tell Me, If This Isn't a Slave, What Is It?

1025 Tell Me, If This Isn't a Slave, What Is It?

The golden-framed glasses man immediately glared at Ye Feng. "You threw the needle?"

Ye Feng did not deny it. He nodded and admitted: "Yes."

When the man heard that, he was instantly furious. "Little b*stard, how dare you harm Mr. Wilson? Do you want to die?"

Ye Feng stared at him coldly. "I was only stopping him from hurting others, but a needle was used to harm him? Then why did he hurt so many people?"

The man glanced at the people in the park who were screaming in pain and could not help but snort. "So what?"

“If you’re injured, we’ll pay for your hospitalization. If you’re dead, we’ll pay for your burial. But you harmed Mr. Wilson and caused an accident. You little b*stard, you’re dead.”

He pointed at Ye Feng angrily, and his finger was about to poke his face.

At this moment, a hand suddenly reached out and grabbed his finger.

With a crack, the finger immediately bent.

“Ah...”

The man screamed and looked up. He saw an extremely handsome face in front of him.

The one who attacked was Cheng Fei’er. She stared coldly at the man. “I’ve never seen a Chinese person as spineless as you. Helping foreigners bully their own people? What the h*ll is this?”

With that, she released his finger and kicked him to the ground.

Ye Feng could not help but give her a thumbs-up. “Amazing.”

A smug smile flashed across Cheng Fei'er's pretty face. "Mercy is a good thing, but it should be reserved for good people. For bad people like this, you have to be worse than them."

Ye Feng was amused by her words. "Not bad, you're learning very quickly. It's all thanks to you having a good teacher."

Cheng Fei'er was a little proud when she heard the first half of the sentence, but when she heard the second half, she immediately rolled her eyes.

The two of them joked around as if no one was around, but the surrounding people were already scared silly.

This group of people dared to be so arrogant. One look and one could tell that they were not good people. These two actually dared to attack them? This was a huge mess.

The foreigner also noticed the situation here and immediately walked over.

"Chen, are you alright?" He helped the man with the gold-framed glasses up, then turned around and glared at Ye Feng and the other two.

"Mr. Wilson, this silver needle was thrown by this kid..." The man in gold-rimmed glasses immediately told the foreigner what had happened.

After Wilson heard this, he looked at Ye Feng coldly. "D*mn Chinese pig, you dare to plot against me? *** you!"

This foreigner was very tall, about 1.9 meters tall. At this moment, he was like an angry lion, which was still very intimidating.

If it were anyone else, they would definitely be afraid.

But in Ye Feng's eyes, it was like a dog barking. "Are you f*cking blind?"

"So many people were knocked down by you. Can't you see? If I didn't stop you, how many people would you have bumped into?"

When Wilson heard this, he immediately laughed out loud. "I did it on purpose."

"I'm in a bad mood today, so I can take it out on you lowly Chinese pigs. Is there a problem?"

When Cheng Fei'er heard his reason, she was so angry that she laughed. "You're in a bad mood and you're using someone else's life to vent your anger? Do you still have any humanity?"

Wilson sneered. "You Chinese are our slaves. Do you need to discuss with your slaves when your master is venting their anger on them? Hahaha..."

The Chinese people present were all angered by his words, but they did not dare to say anything.

Ye Feng stared at him and laughed coldly. "Are you still living a hundred years ago? Are you still dreaming of foreigners?"

Wilson spread his hands. "Is there any difference between now and before? Do you believe that if I wave my hand, they will kneel and lick me like a group of dogs?"

Ye Feng sneered. "Try me."

Wilson walked back to the sports car without saying a word. He came back with a black cloth bag, unzipped it, and took out a handful of cash.

"Whoever calls me Master, this money is his."

As soon as he finished speaking, a few people immediately rushed forward and shouted.

"Hello, Master..."

“Master is mighty...”

“Master is domineering...”

They looked like a bunch of pugs.

“You guys...” Cheng Fei'er was instantly angered by this scene.

This group of people was too soft-hearted. For such a small amount of money, they actually did not even care about their dignity.

Ye Feng raised his hand to stop her, looking at those people coldly.

It was no wonder that they looked down on them, because these people looked down on themselves.

Wilson threw the money at the group of people. They knelt on the ground and picked it up like wild dogs fighting for food.

“Whoever kneels down and kowtows to me, this money will be theirs.”

Wilson then took out a bunch of cash from his bag and shouted at the crowd.

Immediately, a few more people rushed forward and actually knelt down and kowtowed.

“Hahaha... Tell me, if this isn’t a slave, then what is it?”

Wilson had a smug expression on his face as he looked at the two of them.

Ye Feng and Cheng Fei’er’s expressions were a little ugly. It was indeed a slap to their faces to be destroyed by their own compatriots.

Wilson threw out the money in his hand again. He stood up and walked to Ye Feng. “As long as you kneel down and call me Master, all the money in this bag is yours.”

The bag was filled with rice gold, and there were at least a hundred thousand in it. It was enough to make many people put down their dignity.

But Ye Feng sneered disdainfully. “Not every Chinese is a coward. You should save this money to buy your own coffin.”

Wilson stared at him. “What if I have to make you kneel?”

Ye Feng looked at him without backing down. "Try me."

Wilson sneered and threw the cloth bag to the bespectacled man behind him. "Since you don't know how to appreciate favors, you don't even have the right to be my dog."

"See that car? The limited edition Lamborghini was priced at more than 10 million yuan. Because you ambushed me, it was ruined! Let's talk about compensation now."

The golden-framed glasses man beside him also jumped out. "Not only will you have to pay for the car, but Mr. Wilson is also injured. I'm afraid he won't be able to work for a while, and he's also been shocked. The compensation for the loss of work, mental damage, and the compensation for the car will add up to at least... 100 million!"

Looking at how he was jumping up and down, he was even more anxious than his master.

This should be the saying that the emperor was not anxious, but the eunuch was anxious, right?

Chapter 1026 Has Anyone Ever Said That You Deserve a Beating?

A soft-boned person was most afraid of seeing a hard-boned person. This would make him seem very despicable.

Therefore, he would either destroy you spiritually and make you lower than him. He could either destroy you physically to protect his little bit of dignity.

This was the reflection of the golden-rimmed glasses man's heart at this moment.

Thus, he had to make Ye Feng yield to prove that he was not that weak.

100 million yuan in compensation was enough to scare many people into peeing their pants.

Ye Feng immediately sneered. "He was injured and frightened, and he wants compensation of 100 million? Then how much should he pay for all the people he hit?"

The bespectacled man glanced at them disdainfully. "Are they even worthy of being compared to Mr. Wilson?"

"Even if you Chinese people have a hundred lives, you can't compare to the noble Mr. Wilson. Do you understand?"

Cheng Fei'er glared at him angrily. "Aren't you Chinese too? How could he say such words? Are you still Chinese?"

The bespectacled man shook his finger. "No, no, no, I'm a citizen of Maple Leaf now. Don't compare me to you lowly creatures."

Cheng Fei'er was so angry that she laughed. "So you're a banana man. No wonder."

"But even if you get your Maple Leaf nationality, do you think you can turn white? In their eyes, you're just a dog."

The bespectacled man did not feel ashamed. Instead, he felt proud. "Even being a dog of a foreigner is better than being a lowly Chinese person like you."

Cheng Fei'er could not defeat him. He was shameless and invincible.

Since he already had the awareness of being a dog, it was useless to say anything more.

"How is it?" the bespectacled man said smugly. "You have nothing to say, right? I know you guys are envious of me. Not everyone is qualified to be Master Wilson's dog."

Ye Feng had a mocking smile. "Has anyone ever said that you are asking for a beating?"

The bespectacled man looked at him disdainfully. "You want to hit me? Try it if you have the guts. Come on, hit me, idiot. Come on..."

As he spoke, he arrogantly moved his face closer. He was probably sure that the other party would not dare to make a move.

But Ye Feng did not let him be. He directly slapped him.

Pa!

The strength of his slap was very strong. The bespectacled man spun twice on the spot and fell to the ground. His glasses flew away.

Everyone in the park was stunned and their eyes widened.

Clearly, they did not expect Ye Feng to really attack.

Although they were also very angry at this bespectacled man's actions, the fact that he dared to be so arrogant clearly meant that he had a powerful background.

Moreover, he had brought so many bodyguards behind him. It was very intimidating.

Under such circumstances, this young man actually dared to make a move.

Although they felt relieved, they couldn't help but worry for him.

Young people were still too impulsive.

The bespectacled man's head buzzed for a long time before he regained his senses. He immediately roared at Ye Feng: "Little b*stard, you actually dared to attack me? I'll kill you!"

Because of his anger, his voice became sharp. He immediately got up and prepared to fight Ye Feng to the death.

However, Wilson grabbed him. "Chen, don't be rash."

The bespectacled man looked at him aggrievedly. "Mr. Wilson, he hit me. How dare he hit me in front of you?"

"You have to look at the owner before you hit the dog. He's not hitting my face. He's hitting you."

Wilson patted him on the shoulder. "Chen, don't worry. I'll give you a satisfactory explanation."

As he spoke, he looked at Ye Feng coldly. "I originally wanted you to compensate me, but since you dared to hit my people, then don't even think about leaving here alive."

“I’ll chop off whichever hand you used to hit Chen.”

Ye Feng slowly raised his right hand. “I used this one to hit him just now...”

At this point, he suddenly raised his left hand and slapped Wilson’s face.

Pa!

This slap was even more vicious than the one he had given to the bespectacled man. Wilson, who was nearly 1.9 meters tall, took a few steps back from the slap. Half of his face was already swollen.

“This is the one that’s attacking you now. I wonder which one you want to chop off?” Ye Feng raised his left hand again and smiled at Wilson.

The entire park was extremely quiet, and everyone’s hearts were in their throats.

If Ye Feng hitting the bespectacled man just now had shocked them, now, even this foreigner was being beaten up. That was even more shocking.

After all, Gambling City had been under the control of outsiders for more than a hundred years. People instinctively felt inferior to foreigners.

Youngsters were better off, but some older people felt like they couldn't straighten their backs in front of foreigners.

They didn't even dare to speak loudly, let alone beat up the foreigners. It was simply a treasonous act.

Especially the foreigner in front of them. He looked like he had a big background.

In their eyes, Ye Feng's actions were no different from courting death.

Wilson did not expect Ye Feng to attack him. He covered his face and was stunned for a long time before he reacted. "You dare to hit me? Lowly Chinese, how dare you hit me?"

His ancestor was one of the aristocrats who ruled Gambling City. Although it had declined, he still had a deep disdain for the Chinese and felt that he was superior.

In addition, the Chinese people were very respectful when they saw him, which made him feel even more superior.

But today, he was actually beaten up by a Chinese man who was as lowly as a dog in his eyes. This made a ball of anger burn in his chest.

Ye Feng sneered: "I just want to tell you that this is China's territory, China is the master."

"You still want to put on airs as a master here? Then I'll help you straighten out your position."

"Ah..." Wilson roared angrily and immediately ordered the bodyguards behind him, "Kill him! I want him dead! I want him dead!"

Following his order, the group of bodyguards immediately surrounded Ye Feng.

The rest of the Chinese in the park quickly ran away.

They looked at Ye Feng with pity, helplessness, and gloating...

Wilson's bodyguards were all well-trained elites, they worked well together, and they surrounded Ye Feng and the others in an instant.

One of the men with sideburns stared at Ye Feng with an unfriendly gaze. "Kid, I advise you to surrender obediently, otherwise, you will suffer."

Ye Feng glanced at that man. "Why not be a Chinese citizen? Why would you be a dog for a white pig?"

The man's face twitched a few times. Although it was very light, Ye Feng still noticed it.

"If you still think of yourselves as Chinese, don't you feel heartbroken when you heard what that white pig and that banana man said just now?" Ye Feng continued to fan the flames.

"We take people's money and help them eliminate disasters. This is the basic professional ethics. As for whether the employer is a human or a dog, it has nothing to do with us," the man said with a gloomy expression.

However, there was a hint of resentment in his words. He was obviously very dissatisfied with Wilson and the bespectacled man publicly insulting the Chinese.

Ye Feng smiled playfully. "Which security company are you from?"

The man hesitated for a moment, but he eventually said the company's name. "Dingyuan Security."

Chapter 1027 Compared To This Man, He Was Even Worse Than a Dog!

1027 Compared To This Man, He Was Even Worse Than a Dog!

Ye Feng immediately took out his phone and called Liu Fanghai. "Do you know the boss of Dingyuan Security?"

"Yes, I do." Liu Fanghai was stunned for a moment. "Their boss is called Wang Quan."

“What’s wrong? Did Dingyuan Security offend you? Do you want me to bring someone over?”

“No need. Send me their boss’s phone number. I’ll handle it myself.”

“Alright.”

After Liu Fanghai hung up the phone, he immediately sent Boss Wang’s number over.

Ye Feng immediately called.

At this moment, the bespectacled man jumped out again. “Little b*stard, stop playing tricks. If I don’t let you crawl out of here today, I’ll be the son of a b*tch.”

Ye Feng asked back: “Who raised you?”

“Son of a b*tch,” the man answered subconsciously.

Ye Feng was enlightened. “Oh, I see, no wonder you’re so cheap.”

“Pfft...”

Cheng Fei'er, who was beside him, laughed out loud.

The bodyguards around them could not help but laugh, but they did not laugh out of professionalism.

The man knew that he had been tricked and immediately flew into a rage out of humiliation. He immediately shouted at the bodyguards, “What are you all standing there for? Hurry up and attack!”

“We didn't spend so much money to invite you here to watch a show.”

The group of bodyguards did not listen. They looked at Ye Feng in shock.

From what he said just now, did he mean to call their boss? Could it be that this young man knew their boss?

If that were really the case, then they were in no hurry to make a move. They would wait and see what the wind direction was.

At this time, Ye Feng's phone was finally picked up. An unhappy voice came from the other end: “Who is it? Why are you calling so late at night?”

Ye Feng could not help but smile. It seemed like this Boss Wang had a bad temper. "Boss Wang, right? Hello, I am Ye Feng."

"I don't care who you are. I'm very busy now... Ye... Ye Feng? Boss Ye?" The other party was very impatient at first, but he immediately reacted and immediately became surprised. He confirmed again. "Is it Boss Ye from Golden Soup Security?"

"It's me," Ye Feng replied indifferently.

"Ye... Boss Ye, what can I do for you?" Wang Quan's voice was trembling. He was clearly afraid of Ye Feng.

It was probably because Ye Feng's bad reputation of destroying the Han family had already spread throughout the upper class of Gambling City.

Ye Feng did not care much about this. He said calmly: "It's like this, I had a conflict with someone in the park, and the other party brought quite a number of people. I heard that they are from Dingyuan Security..."

He briefly explained what had just happened.

After Wang Quan heard this, he paid extra attention. "Mr. Ye, don't worry. We, Dingyuan Security, will never dare to be your enemy."

“Hand the phone to the person in charge of the bodyguard group now. I’ll talk to him.”

Ye Feng immediately passed the phone to the man with sideburns. “Your boss.”

The man hurriedly took the phone and answered respectfully, “Boss, this is Xiao Hou.”

Then, he heard the boss’s roar from the other side. “B*stard, do you know who the man opposite you is? You actually dare to lead people to surround and attack him?”

“If you don’t want to live, don’t drag me down.”

Xiao Hou was instantly dumbfounded. “We’re also taking orders from Mr. Wilson. Didn’t you tell us before? Mr. Wilson is our important customer. You asked us to serve him well...”

Before he could finish, Boss Wang shouted again, “What bullsh*t Wilson? Compared to this master, he’s even worse than a dog!”

Xiao Hou quickly glanced at Ye Feng. He was completely stunned.

Wilson was already their company's top client, but in the boss's words, he was far less important than this young man. This made him feel a little confused.

"Boss, what kind of person is this gentleman?" He hurriedly lowered his voice and asked the boss.

"Have you heard about the Han family?"

"I heard that it was destroyed by Golden Soup Security."

"This Mr. Ye in front of you is the new boss of Golden Broth Security."

"Ah?"

"Don't 'Ah' anymore. You didn't do anything to Mr. Ye, did you?" Wang Quan couldn't be bothered to continue talking nonsense with him and hurriedly asked.

"No... Not yet." Xiao Hou was shocked. He didn't expect that this seemingly harmless young man was actually the 'real murderer' who caused the Han family's tragedy!

"That's good. You'll listen to Mr. Ye's arrangements now, understand?" Wang Quan warned again.

“Then, Mr. Wilson...”

“What bullsh*t Wilson? If he dares to offend Mr. Ye, that white pig won’t live long. Just do as I say. Don’t ask about anything else.”

“Yes, sir!”

Xiao Hou carefully returned the phone to Ye Feng.

After Ye Feng received it, he exchanged a few words with Boss Wang before hanging up.

Xiao Hou waited for him to hang up the phone before he walked up to him and bowed. “The eight members of Dingyuan Security are under Mr. Ye’s command.”

Although the others didn’t know what exactly had happened, they hurriedly followed suit and bowed when they saw Xiao Hou in such a state.

When everyone saw this scene, they were all dumbfounded.

Had they switched sides?

Chapter 1028 You Can Do Whatever You Want, I Have No Objections.

1028 You Can Do Whatever You Want, I Have No Objections.

With Xiao Hou's order, all the Dingyuan Security guards stood behind Ye Feng, glaring at Wilson and the bespectacled man.

Wilson looked at the bespectacled man in confusion. "What's going on?"

The bespectacled man was also confused. He looked at Xiao Hou and the others in a daze. "What do you mean? Are you going to defect?"

Xiao Hou looked at him coldly. "We have received orders from our superiors. From now on, everyone in Dingyuan Security will listen to Mr. Ye's orders."

The crowd in the park was stunned by this turn of events.

"What's going on? Why did these people suddenly switch sides?"

"I don't know who that young man called, but they suddenly changed sides."

"Doesn't the security company always pay attention to contracts? Why would they suddenly stand against their employer just because of a phone call?"

“Unless this young man is more powerful than that foreigner and even the security company is afraid of him.”

“Dingyuan Security is the second largest security company in Gambling City. Who else can make them afraid?”

“There are many hidden talents in Gambling City. Who knows which big family’s young master he is from?”

“In that case, this young man’s background is also terrifying!”

Everyone looked at Ye Feng in shock. They were guessing his identity.

To be able to make the second largest security company in Gambling City switch sides and help him, what kind of identity did he have?

When Wilson heard Xiao Hou’s words, he immediately became anxious. “You can’t do this. I paid you to do this. How can you break the contract? I want to call your boss.”

As he spoke, he dialed Wang Quan’s number.

The other party was probably waiting for his call. It was picked up after the first ring.

“Hey, Mr. Wang, what’s wrong with your subordinates? Why are they on my enemy’s side?” Wilson questioned angrily as soon as he came up.

“Mr. Wilson, I’m really sorry. My people can’t protect you anymore.” Wang Quan’s voice was slow and unhurried.

“B*stard, you’re breaking the contract. You’re ruining Dingyuan Security’s reputation. Who would dare to hire your people in the future?” Wilson was getting angrier.

This Wang Quan had always been respectful when he spoke to him before, but now he was actually treating him so perfunctorily.

Wang Quan sneered. “If I continue to protect you, it won’t just be a matter of losing my reputation. I’m afraid I’ll even lose my life.”

“On account of our cooperation, I’ll kindly remind you that you can’t afford to offend this young man in front of you.”

“Hurry up and apologize to them. Pay up, or chop off your hands. Otherwise, the consequences will be very serious.”

After saying this, he hung up the phone.

“B*stard, b*stard...” Wilson roared at the phone. He was in a fit of anger and did not take Wang Quan’s reminder to heart.

“Don’t think that I can’t do anything to you just because you bribed the people from Dingyuan Security. With my status, I have plenty of ways to make you disappear from Gambling City.” He looked at Ye Feng coldly again, his gaze was filled with threat.

At this moment, Xiao Hou suddenly walked to Ye Feng’s side and introduced softly. “Mr. Ye, this Wilson is an expert in Nangong Casino, he is highly valued by the casino...”

He explained Wilson’s basic situation.

After Ye Feng heard this, he smiled nonchalantly. “Who owns this Nangong Casino?”

“The Hong family,” Xiao Hou replied immediately, he looked at Ye Feng nervously.

Even though he knew that the other party was the big boss of Golden Broth Security, the Hong family was the number one family in Gambling City. Their overall strength was much stronger than Golden Broth Security.

If the Hong family came out to protect Wilson, Ye Feng would not be able to do anything to them.

But after Ye Feng heard it, he only smiled lightly. He immediately took out his phone and called Hong Xiaotian.

“Hello, Mr. Ye, how’s the interrogation going?” Hong Xiaotian’s bright voice immediately sounded. He was obviously asking about Ah Can.

“I’m not calling Mr. Hong for this matter. I’m calling for another matter,” Ye Feng said in a neither servile nor overbearing manner.

“Haha, Mr. Ye, you’re too polite. We’re considered friends now. If you have anything to say, just say it. I’ll definitely help if I can,” Hong Xiaotian immediately replied.

“It’s like this. A white-skinned pig is blind and bumped into my hand. I’m going to cut him open. I heard that he’s from your Hong family, so I came to greet you.”

He said it very casually, and he did not use a negotiating tone. Instead, he said it as a greeting.

Xiao Hou, who was standing at the side, was shocked. The person opposite him was the Hong family’s head, Hong Xiaotian. This Mr. Ye actually did not take him seriously?

Based on his understanding of Hong Xiaotian, this person was very protective of his own people. No matter what mistakes his own family made, he would protect them to death.

There was once a rich man from the mainland who flirted with a waitress in his casino.

Hong Xiaotian immediately ordered his men to beat up the gambler and throw him out of the casino.

He had offended a rich man for a mere waitress. Now, for an important expert, how could he compromise so easily?

Moreover, Ye Feng used such a tone to talk to him. He was probably going to fall out with him soon?

However, to his surprise, Hong Xiaotian did not fly into a rage. Instead, he asked calmly, "May I ask who this white pig you're talking about is?"

Ye Feng glanced at Wilson who was still furious. "I think his name is Wilson."

Hong Xiaotian didn't answer immediately. After a few seconds, he continued, "Since he's the one who doesn't have eyes, you can do whatever you want to him. I have no objections."

Xiao Hou was so shocked that his eyeballs almost fell out.

Mr. Hong, who had always been known to be protective of his own people, actually said something like 'do whatever you want'?

This was simply unprecedented.

He immediately reevaluated Ye Feng, it seemed that this Mr. Ye's power was much greater than he had imagined.

No wonder the boss made them obey him unconditionally. They couldn't afford to offend this young man in front of them!

At this moment, Wilson was still glaring at Ye Feng. He did not know that his fate had reached a dead end.

Chapter 1029 It's Not That I Don't Want to Help You, But I Can't

1029 It's Not That I Don't Want to Help You, But I Can't

After hanging up Hong Xiaotian's call, Ye Feng waved at Xiao Hou. "Bring him here."

Xiao Hou and the others immediately rushed over like wolves and tigers.

When Wilson saw this, he immediately roared, "You dare to touch me? I'm a distinguished guest of the Hong family. Do you believe that I won't let you guys survive in Gambling City..."

Xiao Hou and the rest were unmoved. They dragged him to Ye Feng.

They also brought the bespectacled man over.

“Let go of me, you bunch of stupid Chinese pigs. Do you know who I am? If you dare to offend me, you’re dead meat...” Wilson was still struggling.

“Be f*cking honest.” Xiao Hou kicked the crook of his leg, causing him to kneel on the ground.

They had had enough of this white-skinned pig’s disdain for them Chinese bodyguards, so they took the opportunity to take revenge.

Wilson couldn’t struggle free at all and hurriedly shouted, “Let go of me! I want to call my boss!”

Xiao Hou immediately looked at Ye Feng.

Ye Feng nodded. “Let him call.”

Xiao Hou asked his two subordinates to release him.

After Wilson escaped, he glared coldly at Ye Feng and Xiao Hou. “You bunch of b*stards, I will not let any of you off.”

With that, he took out his phone and called Hong Xiaotian.

The bespectacled man became arrogant again. He grinned at Ye Feng. "You still don't know Mr. Wilson's identity, right?"

"I'll scare you if I tell you. Mr. Wilson is an expert in the Hong family's casino. Do you know the Hong family? You guys are dead meat, haha..."

Ye Feng did not have a good impression of this kind of lackey. He directly kicked his face.

Bang!

This kick was like kicking a broken bag, and the bespectacled man was sent flying more than two meters.

He had already fallen heavily to the ground, and a few teeth were still flying in the air.

After landing on the ground, he did not make a sound and actually fainted.

Xiao Hou and the bodyguards widened their eyes again. They looked at Ye Feng in disbelief.

Once an expert made a move, one would know if there was one.

Ye Feng's kick seemed to be light and did not have any strength, but they did not expect it to be so powerful.

This had already reached the realm of lifting heavy things as if they were light.

At the very least, none of the people present could reach this realm.

Although they were shocked by Ye Feng's strength, they were only shocked. After all, as long as one's family was rich enough, they could do whatever they wanted in Gambling City.

However, when he displayed his extraordinary martial strength, they sincerely admired him.

Instantly, everyone's gaze towards Ye Feng changed. It was like a group of fans looking at their idol.

Wilson only glanced at the bespectacled man who was kicked away and did not care much.

He was just a lackey from China. In his eyes, he was not even worth a real dog.

At this moment, the call was finally connected.

“Mr. Hong, I’m in some trouble now. Please send someone over quickly...” Wilson said impatiently.

However, before he could finish, Hong Xiaotian interrupted him. “Wilson, you’ve created your own trouble. I can’t help you this time.”

Wilson was stunned. “Mr. Hong, what do you mean? I’ve made great contributions to your Hong family’s casino. Are you trying to burn the bridge after crossing it?”

Hong Xiaotian sounded a little tired. “Don’t you understand me? It’s not that I don’t want to help you, but I can’t.”

“What do you mean you can’t help? Is there anything you, Mr. Hong, can’t do in Gambling City?” Wilson didn’t believe him. He was obviously stalling him.

“You still don’t know who you’ve offended. You deserve to die! Let’s put it this way. Now that we’re in Gambling City, I have to listen to Mr. Ye. Do you understand?” Hong Xiaotian’s voice turned cold.

“Impossible, how is this possible? The Hong family is the biggest family in Gambling City.” His words were like a thunderbolt to Wilson.

Even Hong Xiaotian had to be respectful? How was this possible?

“In the past, it might be the number one family. As for whether it will be in the future or not, that depends on Mr. Ye.”

“On account of the fact that you’ve served our Hong family for many years, I’ll give you a piece of advice. Hurry up and apologize to Mr. Ye and strive for his forgiveness.”

“Other than this path, the others are all dead ends.”

Hong Xiaotian hung up after he finished speaking.

Wilson was stunned on the spot, unable to come back to his senses for a long time.

How similar was Hong Xiaotian’s advice to Wang Quan’s? All in all, it meant one thing – quickly beg for mercy!

Could it be that Mr. Ye had already controlled the entire Gambling City?

“How is it? Are you done with the call?” At this time, Ye Feng’s voice suddenly entered his ears.

Wilson shuddered and looked at him in panic. "Ye... Mr. Ye, I... I..."

He still couldn't let go of his arrogance as a white-skinned monkey. It was worse than killing him to lower his head and apologize to a lowly yellow-skinned monkey.

"No need. I understand, but I won't accept your apology." Ye Feng raised his hand to interrupt him, his gaze was extremely cold. "How dare you treat us Chinese as pigs and dogs, then I will treat you as pigs and dogs too."

"There is a way to treat pigs and dogs."

Under Wilson's fearful gaze, Ye Feng whispered into Xiao Hou's ear.

No one knew what he said, but Xiao Hou's face revealed a trace of fear and hesitation.

Ye Feng's lips curled into a harmless smile. He patted his shoulder. "Go."

Xiao Hou retracted his shocked gaze and nodded heavily. Then, he ordered his subordinates, "Go and find a rope."

The subordinate immediately ran away. After a while, he found a piece of hemp rope as thick as a thumb and returned.

Xiao Hou put his hands on the ground and tested the firmness of the rope. He nodded in satisfaction and walked toward Wilson with a smirk.

“You... What are you doing? I warn you... Don’t be reckless... I...”

“I’m a citizen of Maple Leaf Country. If you dare to do anything... I...”

Wilson was like a tiger that had its teeth pulled out. He couldn’t even threaten others properly.

Xiao Hou didn’t waste any time and tied his hands with a rope.

The onlookers were all confused. They did not know what he was going to do.

But soon, a scene that shocked them appeared.

Xiao Hou led Wilson to the back of the sports car and tied the other end of the rope to it. Then, he sat in the driver’s seat and started the car.

Boom...

The sports car let out a deafening roar, causing everyone's hearts to tremble.

This... Wasn't that too ruthless?

Boom...

"Ah..."

A shrill scream accompanied by the roar of the sports car resounded throughout the entire park.

The people in the park looked at the scene in front of them in horror, their bodies trembling non-stop.

Xiao Hou drove the Lamborghini in circles in the park, while Wilson, who was tied up behind, was still running after the sports car at first.

But soon, he could not catch up with the sports car's speed. He fell to the ground and was dragged forward.

After running less than half a circle, his body was already dragging a long trail of blood on the ground, looking extremely tragic.

Chapter 1030 Have You Never Seen Such a Kind Person Like Me?

1030 Have You Never Seen Such a Kind Person Like Me?

“Ah... Mr. Ye, please spare my life... I was wrong... Please spare me...” Wilson’s voice was extremely shrill, like a ghost in a horror movie. It made everyone’s hair stand on end.

Everyone started to secretly size up Ye Feng.

They really didn’t expect that this big boy, who looked gentle and had a sunny smile, would be even more ruthless than an executioner when he got angry.

Ye Feng turned a deaf ear to Wilson’s screams. He just watched everything indifferently as if he was watching a boring cartoon.

As for Cheng Fei’er, because of Ye Feng’s ‘guidance’, she was not as resistant to such situations as before.

This foreigner had been so arrogant before, and he had injured so many people, but he still acted as if it was only natural. It indeed made her very angry.

Seeing his miserable state, she even felt a little happy in her heart.

If the leaders of the Security Team knew about this, they would probably criticize her again.

The bespectacled man who was knocked out by Ye Feng just now woke up and was about to get up.

However, when he saw Wilson's miserable state, he tilted his head and closed his eyes again.

They didn't know if he had fainted from fear or if he was pretending to be dead.

In short, he now knew that they had provoked someone they could not afford to offend. It was better to faint than to wake up.

"Ahhh..."

Wilson's scream continued for more than half a minute before it stopped.

Only then did Ye Feng raise his hand to stop Xiao Hou.

By the time he dragged Wilson over again, his chest was already a bloody mess. In some places, one could even see the ghastly white bones.

The people in the park watched this scene with trepidation. They would probably have nightmares for a few days when they went back.

“Wake him up.” Ye Feng’s expression was still calm, like he was not looking at a living person, but at a dead dog.

Xiao Hou immediately dragged Wilson to the fountain in the middle of the park and shook his head.

“Ah pu...” Wilson was immediately awakened by the cold water.

Xiao Hou picked him up again and threw him heavily on the ground.

Wilson tried to get up from the ground with a painful expression, but it was futile after several attempts. Blood kept flowing out of his body and gathered into a pool of blood.

Ye Feng stared at him coldly. “Now you know what it feels like to be treated like a pig or a dog?”

Wilson hurriedly nodded and replied weakly, “Yes... I know... I beg Mr. Ye... to spare my... dog’s life...”

Ye Feng squatted in front of him. “I can spare your dog life. How much do you think your dog life is worth?”

Wilson slowly extended a finger. "10 million."

Ye Feng sneered: "You are the master of Hong family's casino, and your life is only worth 10 million? Isn't that too cheap?"

Wilson hurriedly changed his words. "50 million..."

Ye Feng was still unmoved. "You are the noble master, and even a hundred lives of us Chinese people are not as precious as yours, yet you are only worth 50 million?"

Wilson's lips trembled a few times before he finally gritted his teeth. "100 million."

Ye Feng's expression darkened. "It seems that your desire to live is not that strong. Xiao Hou, continue."

Xiao Hou didn't say anything and continued to pick him up.

"Don't... Don't..." Wilson finally burst out with a strong desire to live. "200 million, this... this is all I have, so..."

"All my savings... It's really gone..."

Only then was Ye Feng satisfied. He patted his face. "You white pigs are indeed money-grubbers. Unless you are about to die, you are not willing to give up all your money, right? Then what are you waiting for? Hurry up and transfer the money."

Wilson didn't dare to delay. He hurriedly took out his phone to contact his relatives and friends and asked them to raise funds.

It took about half an hour for the ransom to arrive.

From this, it could be seen that this was indeed all of his assets.

Ye Feng looked at the bank notification with satisfaction. "Don't worry, this 200 million is not wasted. Aren't you from Maple Leaf? Then I'll give you a free ticket."

"Throw him into the sea and let him swim back on his own," he instructed Xiao Hou.

Xiao Hou was so shocked that he was tongue-tied. This fellow was so heavily injured that he would most likely die if he was thrown into the sea.

Ye Feng saw his shock and patted his shoulder. "You have to believe, this master's life is more valuable than ours, his vitality is definitely stronger than ours."

“Can a mere Pacific Ocean stop this master?”

Xiao Hou immediately smiled bitterly. This Mr. Ye was too ruthless. He had finished extracting the bones and absorbing the marrow, not even leaving a residue behind.

But he only dared to think about it, he did not dare to disobey Ye Feng’s orders.

He immediately asked his subordinates to drag Wilson into the business car.

“Don’t... Spare me... Spare me...”

Wilson knew that he would definitely die if he was thrown into the sea, so he immediately used all his strength to struggle.

He was not even a match for these bodyguards when he was in good health, let alone now that he was seriously injured. He was immediately dragged away by a few people.

His wails could still be heard from afar.

“If you want to jump ship, you can go to Golden Soup Security to look for Liu Fanghai. Just say that I said it,” Ye Feng shouted at Xiao Hou’s back.

He felt that this person was a talent and it would be a waste for him to stay in Dingyuan Security.

The other bodyguards looked at Xiao Hou enviously. They felt that Ye Feng had a much better future than their boss.

Xiao Hou only turned around and smiled at him before getting into the car and leaving.

Ye Feng slowly retracted his gaze. He realized that everyone was looking at him as if he was a ghost.

“Have you never seen such a kind person like me?”

A bright smile appeared on his face again, but it made everyone shudder at the same time.
