

100 Million 121

Chapter 121 - 121 Coach, Do You Think I've Done It To the Standard?

121 Coach, Do You Think I've Done It To the Standard?

“Good luck, you can do it. Believe in your professionalism.”

Ye Feng saw that the yellow-haired coach was pushing so hard, so he cheered for him.

“Ah...”

The yellow-haired coach did five more on and off and could not do any more.

He hurriedly stopped what he was doing and sat up.

He felt that if he were to do one more, he would probably have a brain hemorrhage.

“Cough, cough, do you understand? When you can reach such a standard and train to my level, you'll pass.”

The coach was still trying to find someone to replace him. He was really thick-skinned.

Ye Feng nodded. "I understand, but if I want to reach the level of the coach, I'm afraid I have to increase the amount."

As he spoke, he turned to the two coaches beside him and said, "Help me add another 50 kilograms."

The two coaches thought they had heard wrong and immediately looked at each other.

"I didn't hear wrong, did I? He's going to add another 50 kilograms?"

"It's already 100 kilograms. Can he lift another 50 kilograms?"

Although the two of them were confused, they still followed Ye Feng's instructions and added another 50 kilograms to the barbell.

At that moment, everyone in the gym stopped working out and gathered around to watch the show.

The yellow-haired coach sneered, "Bro, don't force yourself if you can't do it. 150kg, are you sure you can lift it?"

"I'll try." Ye Feng smiled lightly, then slowly lay down on the training stool.

He grabbed the barbell with both hands and pushed it up.

One.

Five.

Ten...

He looked very relaxed.

The yellow-haired coach felt a burning pain on his cheek.

It was already very difficult for him to lift 100 kilograms just now, and he almost burst his blood vessels.

Yet, this kid lifted 150 kilograms with such ease.

“Coach, do you want to try?”

Ye Feng sat up and looked at the coach with a sincere expression.

The yellow-haired coach's face twitched.

This kid was definitely trying to embarrass him.

That was 150 kilograms.

He would probably die if he tried.

Ye Feng did not continue to make things difficult for him. He turned his head and smiled at the two coaches.

"Add another 50 kilograms."

Everyone present was shocked when they heard this.

It was already 150 kilograms, and he wanted more?

Was he trying to challenge the limits of humanity?

Although they were shocked, the two coaches still did as he said.

This time, Ye Feng clearly felt that he was having a hard time.

The motion of pushing also began to slow down.

One.

Three.

Five...

When the coaches saw this scene, they felt their cheeks burning.

Although they were coaches, none of them dared to say that they could bench press 200 kg.

They didn't expect that they would be defeated by a fitness noob.

At this time, Ye Feng spoke again, "Give me another 50 kilograms."

The two coaches couldn't hold it in any longer. They quickly begged, "Brother, it's already 200 kilograms. It'll be dangerous if we add more."

"That's right, Brother. You're already very awesome. There's no need to force yourself."

"Don't worry, I know what I'm doing." Ye Feng was unmoved.

The purpose of his visit today was to challenge his body's limits and to understand the specific qualities of his body.

How could he give up halfway?

The two of them had no choice but to add another 50 kilograms.

At this moment, the weight of the barbell had reached 250 kilograms, which was a terrifying number.

Everyone in the gym held their breath.

They seemed to be even more nervous than Ye Feng.

Ye Feng took a deep breath. He grabbed the barbell and pushed it up.

The weight this time had indeed reached his limit.

The process was very strenuous, and her face began to turn red.

One.

Two.

Three...

After pushing ten times, he finally stopped.

The gym immediately burst into thunderous applause.

They had never heard of such terrifying power.

Furthermore, Ye Feng was not a muscular man in the standard sense.

Especially when compared to the few burly fitness coaches, he could only be described as 'thin and weak.'

They had never thought that such a body would contain such a terrifying power.

Ye Feng stood up slowly and looked at the blonde coach. "Coach, do you think I did it to the standard?"

The yellow-haired coach's face had already turned the color of pig liver.

He had only wanted to use this opportunity to show off in front of Gu Lin.

He didn't expect that this kid wouldn't give him face.

He had a hard time lifting a hundred kilograms just now.

Yet, this kid could lift 250 kilograms.

With such a comparison, he appeared to be too useless.

Thinking of this, he quickly looked at Gu Lin.

Then, he saw her beautiful eyes sizing up Ye Feng with interest.

This made him even more unhappy. He immediately sneered at Ye Feng, "What's the use of having great strength? Endurance is actually more important. Do you dare to compete with me in running?"

Ye Feng raised his eyebrows. "How do we compete?"

The yellow-haired coach pointed at the two treadmills next to him. "It's simple. Whoever can't run first loses."

Ye Feng's lips curled up slightly. "As you wish."

The two of them then walked to the treadmills and started them up.

The yellow-haired coach adjusted the machine to a speed of 8km/h and began to jog.

But Ye Feng was not satisfied with this turtle speed, he started to increase his speed.

10km/h

15km/h

20km/h

In the end, he started to run on the treadmill.

The people in the gym were dumbfounded.

Normally, a speed of about 8km/h was the most suitable.

And with Ye Feng's speed, it was extremely energy-consuming.

It probably wouldn't be long before he couldn't run anymore.

"Little brother, slow down a bit. Otherwise, you won't be able to run for long."

“Yeah, the coach said it’s a competition to see who can run longer. If you run like this, you’ll run out of energy very quickly.”

“Little brother, don’t try to be brave. Look at how the coach runs. You should learn from him.”

Many of the athletes who had been convinced by Ye Feng tried to persuade him out of good intentions.

However, Ye Feng was unmoved. He continued to increase his speed.

He accelerated until the speed reached 50km/h.

His two feet were running as if he was flying.

The crowd could only see the afterimages of his two feet.

Chapter 122 - 122 I've Given You a Chance, But You're All Useless!

122 I've Given You a Chance, But You're All Useless!

Five minutes passed.

Ten minutes passed.

Twenty minutes...

Time passed by.

To everyone's disbelief, Ye Feng did not show any signs of stopping.

On the other hand, the male coach had already started to pant.

This was simply too terrifying.

He ran for more than 20 minutes at a speed of 40 km/h per hour.

He actually acted as if nothing had happened.

Wasn't his physical fitness a little too abnormal?

Finally, the yellow-haired coach could not hold on any longer and fell off the treadmill.

He was drenched in sweat as if he had just been fished out of the water.

He was lying on the ground, gasping for air. He didn't even have the strength to lift a finger.

On the other hand, Ye Feng was still running at his top speed.

He ran for another ten minutes before he slowly stopped.

And when he stopped, there was only a little sweat on his forehead, and it seemed that he had not reached his limit.

"Coach, are we still going to compete?"

Ye Feng slowly walked to the yellow-haired coach and squatted down beside him, revealing a harmless smile.

"Compared to... I can't compare... You've won..."

The blonde coach looked at him as if he had seen a ghost and shook his head repeatedly.

Ye Feng was a little disappointed. He turned to look at the other coaches.

“Do you guys want to compete with me? You can choose anything you want, and there will be a reward if you win.”

When the coaches heard this, they all backed away.

Are you kidding me?

That yellow-haired coach was already the strongest among them.

Even he had been beaten like a dog.

If they went up again, wouldn't they be asking to be humiliated?

Ye Feng immediately felt the loneliness of an expert.

He really wanted someone to force out all of his potential.

However, they were given a chance, but they were useless!

This made him extremely disappointed.

He put on his clothes again and prepared to leave.

Just then, Gu Lin, who had been sizing him up, suddenly walked up. "Sir, can I add you on WeChat?"

Ye Feng was stunned when he heard her words, he did not know what she meant.

All the men in the gym looked envious and jealous.

Gu Lin was the goddess in their hearts.

Many men came to the gym for her.

However, she had never been kind to anyone of the opposite s*x.

They didn't expect that she would suddenly change her mind today and take the initiative to ask for a contact number of someone of the opposite s*x.

Gu Lin hurriedly explained, "Don't misunderstand. I'm just very obsessed with fitness and want to share my thoughts with you."

Ye Feng smiled apologetically. "I'm sorry, I didn't bring my phone."

After he finished speaking, he turned around and walked out.

Just as he was about to walk out of the door, the phone in his pocket suddenly rang.

"Hello? What was it? A private gathering? When will..."

Gu Lin looked at his back view that was getting further and further away, and she was completely dumbfounded.

Didn't he say that he didn't bring his phone?

Could it be that he was deliberately avoiding her?

He wouldn't think that she had some improper thoughts about him, right?

No way?

She had always been pretty and had a good figure.

No matter where she went, she was the target of all men.

This was the first time in her life that she had taken the initiative to ask for the contact information of someone of the opposite s*x.

However, she did not expect to be rejected by the other party.

Furthermore, he had used such a perfunctory excuse.

..

After Ye Feng hung up the phone, he started to run along the mountain road.

The call just now was from the chairman of Stars Hotel, Gao Jinxi.

He said that he was invited to a private party tonight.

He had always kept a respectful distance from this kind of occasion, so he had expressed his refusal at that time.

However, Gao Jinxi had tried to persuade him with both emotion and reason.

In the end, Ye Feng had no other choice but to agree.

He had some achievements in Zhonghai City now, and it would be good for him to make more connections.

He went back to the villa and spent the whole day reading his revision materials.

It was not until the evening that Ye Feng started his car unhurriedly and headed toward the private club that Gao Jinxi had mentioned.

This private club was called the Qiushan Club.

It was a famous high-end club in Zhonghai.

All kinds of luxury cars were parked at the entrance of the club.

As for Gao Jinxi, he was already waiting at the door.

When he saw him coming, he hurriedly went up to him and opened the door for him.

“Mr. Ye, what took you so long? The banquet has already started.”

Hearing this, Ye Feng’s face darkened. “What? Are you complaining that I’m late? I’ll be going back then.”

Gao Jinxi immediately panicked. “Mr. Ye, I was wrong. Please just take it as I let out a fart.”

As he said that, he did not forget to slap his fat face twice.

Only then did Ye Feng smile again, and he got off the car.

The corridors in the club turned back and forth, and the decoration was very luxurious.

This was the first time he had come to such a place, and he was curious about everything.

When he followed Gao Jinxi into a luxurious private room, a circle of people was already seated at the huge round table.

There were about a dozen of them, all men.

This group of people had already started to drink and chat merrily.

Seeing the two of them come in, a middle-aged man sitting in the main seat immediately shouted.

“Old Gao, is this the new friend you were talking about? Isn’t he just a junior? Is it worth it for you to personally go out and welcome him?”

The others also agreed.

“That’s right, you can’t spoil these young people too much.”

“That’s right. Young people should be beaten more often. Otherwise, they won’t know the immensity of the heavens and earth.”

“As a junior, you actually dared to be late. You must drink three glasses of wine as punishment later.”

Cold sweat immediately broke out on Gao Jinxi’s forehead when he heard the crowd’s jesting.

He hurriedly introduced Ye Feng to everyone. “Let me introduce him to everyone. This is Mr. Ye Feng. My hotel is located in the Silver Brilliance Building. It is his property.”

As soon as he said this, the room instantly fell silent.

Everyone looked at Ye Feng in disbelief.

Chapter 123 - 123 Please Take My Knee

123 Please Take My Knee

Initially, when everyone saw that Ye Feng was so young, they thought that he was Gao Jinxi’s junior, thus they did not speak with much respect.

When they heard Gao Jinxi say that the other party was the new owner of the Silver Brilliance Building, they immediately panicked.

The Silver Brilliance Building was a landmark building in Zhonghai City.

Many of the top companies in Zhonghai had their headquarters there.

To be able to own a building like the Silver Brilliance Building, his strength was definitely not to be underestimated.

In fact, he was even more powerful than most of them here.

Gao Jinxi was very pleased to see everyone's reaction.

His position in this group of people was not high. At most, he could only be considered a marginal figure.

Now that this group of people valued Ye Feng so much, he also felt proud.

Seeing that these people were all a little uneasy, Gao Jinxi immediately pointed to the middle-aged man in the main seat and introduced him to Ye Feng, "Mr. Ye, this is Sun Minghui, CEO Sun. His Phoenix Entertainment is one of the top companies in Southern Guangdong Province."

Sun Minghui quickly stretched out his hands and held Ye Feng's hands tightly. "Mr. Ye, I was being disrespectful just now. I hope you won't hold it against me."

Ye Feng smiled generously. "Director Sun, you're too kind. In front of everyone, I'm indeed a junior. You can call me Xiao Ye."

Sun Minghui immediately gave him a thumbs up. "Mr. Ye is indeed worthy of being the owner of the Silver Brilliance Building. Your magnanimity makes me feel ashamed. Please take a seat."

As he said that, he hurriedly gave up the main seat.

Seeing this, Ye Feng hurriedly declined: "I am just a junior. How can I sit in the main seat?"

Sun Minghui became anxious. "Brother Ye, if you say that, it means you haven't forgiven us. Do you want us to kneel down to you?"

The others also nodded one after another, insistent on him taking the main seat.

Gao Jinxi took the opportunity to persuade him. "Mr. Ye, since everyone has said so, please take a seat."

Ye Feng was helpless. He could only sit down at the main seat.

"Little Brother Ye is so young and can own a business like the Silver Brilliance Building. Your family background shouldn't be ordinary, right?"

After three rounds of drinks, Sun Minghui, who was sitting next to Ye Feng, asked tentatively.

“Director Sun, you must be joking. My family is poor, and my parents are from the countryside. I also started from scratch,” Ye Feng immediately explained.

When everyone heard this, they were once again shocked beyond words.

They had originally thought that Ye Feng only had such an achievement because of his family’s influence.

He didn’t expect the other party to start from scratch.

How old was he?

He looked like he was in his early twenties.

He actually owned a huge business like the Silver Brilliance Building?

This was simply too outrageous.

“Brother Ye is a business genius. Please accept my knees,” As Sun Minghui said that, he hurriedly gave a toast to Ye Feng.

The others were not willing to give up this opportunity to befriend Ye Feng. They all came up to toast him.

Although Ye Feng was only dabbling in it every time, there were too many of them, and he soon got drunk.

“Director Sun, what’s the next arrangement?” Gao Jinxi had also drunk a lot. He looked at Sun Minghui with his drowsy eyes.

“My new villa has just been renovated, and there’s a hot spring inside. Why don’t I treat everyone to a hot spring?”

Although Sun Minghui’s words were directed at everyone, his eyes were only fixed on Ye Feng.

Clearly, he valued Ye Feng’s opinion the most.

Ye Feng saw that it was still early, so he nodded. “I’ll do as you say.”

Sun Minghui was overjoyed. “Okay, it’s a deal then. I promise that everyone will have a great time tonight.”

Someone immediately jeered.

“It’s just us guys. How can we have fun?”

“That’s right, don’t tell me we’re going to play with birds together?”

“Don’t be so vulgar, what do you mean by playing with birds? That’s called playing with eggs!”

“Hahaha...”

“Don’t worry, I’ll make sure you’re all satisfied.”

Sun Minghui immediately revealed a smile that all men understood.

..

An hour later.

When everyone was in the hot spring, they all cried out in comfort.

It had to be said that Sun Minghui still knew how to enjoy himself.

The entire villa covered a large area and was luxuriously decorated.

When everyone first entered, they were all shocked by his generosity.

“Director Sun, this villa of yours isn’t cheap, is it?” Ye Feng was comfortably soaking in the hot spring pool, and his drunkenness had mostly dissipated.

“Brother Ye, don’t be so formal. Just call me Brother Sun or Old Sun. Don’t call me Director Sun,” Sun Minghui hurriedly corrected him.

“Alright, I’ll call you Old Sun then. It’s more intimate that way.” Ye Feng immediately changed his words.

Only then was Sun Minghui satisfied. He answered his question, “Actually, it didn’t cost much. It only cost less than 200 million to buy and renovate the villa.”

Ye Feng could not help but sigh: “What a tycoon!”

Sun Minghui hurriedly waved his hand. "What tycoon? It's just a villa. If Brother Ye likes it, you can have it."

When the others in the hot spring heard this, they were all stunned.

He gave away a 200 million yuan villa so easily?

Was this a joke?

Seeing everyone's expression, Sun Minghui immediately became serious. "I'm serious. If Brother Ye likes it, this villa is yours."

Ye Feng quickly shook his head. "I don't want it. It's not like I don't have any."

Sun Minghui was stunned. "Where is Brother Ye staying now?"

Ye Feng wiped the sweat off his face. "Zhongtian Lake-View Villa... Mansion No. 1."

"Pfft..."

Everyone present was dumbfounded.

Zhongtian Lake-View Villa was a famous high-end villa district in Zhonghai City. How could they not have heard of it?

To think that Ye Feng was actually staying there.

Moreover, it was the best Mansion No. 1.

This made them pay more attention to Ye Feng.

“Brother Ye, so you’re the real tycoon. Compared to you, I’m just a country bumpkin.”

Sun Minghui laughed at himself.

Just when everyone was talking and laughing, an old man who looked like a butler suddenly walked in and said a few words in Sun Minghui’s ear.

Sun Minghui’s face immediately revealed an ambiguous smile. He turned his head and looked at the crowd.

“Everyone, your favorite plot is here. Please be mentally and physically prepared.”

After he finished speaking, he clapped his hands twice.

Then, a group of tall and beautiful women in cool clothes entered the room.

Chapter 124 - 124 Are You Looking Down On Us?

124 Are You Looking Down On Us?

The girls were all very young and beautiful.

Moreover, they were all dressed very lightly, their small waists and long legs making people dizzy.

All the girls stood in a row and looked at the group of old men in the hot spring pool shyly.

In comparison, Ye Feng was like a crane among chickens among this group of old men.

Not only was he young and handsome, but he also had a very attractive charm.

Therefore, it was natural for the group of girls to look at him.

Since they couldn't escape the fate of being slept with, they naturally hoped to be slept with by a young and handsome man.

Sun Minghui looked at Ye Feng eagerly. "Brother Ye, why don't you pick first?"

Even if Ye Feng was stupid, he would know what was going on.

To be honest, a group of beautiful girls with good figures were standing there for him to choose from.

It would be difficult for any normal man to resist, including Ye Feng. His heart was also itching.

However, he still couldn't get over it. He immediately shook his head. "I'll pass. You guys choose."

Sun Minghui thought that he was disdainful and hurriedly explained, "Brother Ye, these are all new people in my company. I guarantee that they're all clean. You can play with them without worry."

Ye Feng quickly waved his hands. "I didn't mean it that way, it's just that I'm not into this."

Sun Minghui immediately revealed a strange smile. "Could it be that you like men? I have a lot of handsome guys in my company, and there are all kinds of styles and types. Do you want me to find you two?"

Ye Feng almost vomited blood. He glared at him. "You're the one who likes men."

Sun Minghui had no choice but to look at the others. "Since Brother Ye is so thin-skinned, why don't we old things pick first and leave him two?"

Everyone immediately nodded in agreement.

Then, they all rushed out of the hot spring.

It had to be said that this bunch of old guys were all wily old foxes.

In terms of the ways of the world, they had definitely cultivated it to the point of perfection.

Among these girls, there were two who were extremely outstanding.

Whether it was her appearance or her figure, they were all top-grade.

However, this group of old men had a tacit understanding not to pick these two people, but to pick the other people who were slightly less beautiful.

Ye Feng naturally understood their intentions. These two were left for him.

This immediately gave him a headache.

If he rejected them again, wouldn't he be letting down their good intentions?

Should he... Why did he have to reluctantly follow them?

As expected, after the group of old men picked, only the two girls were left.

The other girls who had been picked looked at the two of them with envy.

After all, Ye Feng was the youngest and most handsome man here. Who would not want to be chosen by him?

Unfortunately, they did not have this fortune.

Sun Minghui turned to look at Ye Feng again. "Brother Ye, it seems that this is the will of the heavens. Why don't you accept them reluctantly? Just take it as helping them."

Ye Feng was confused. "Help them? How can I help?"

"They all want to enter the entertainment industry and become celebrities, but the waters run too deep in this industry, and the competition is too strong. If they don't put in something, they can forget about making it big in this lifetime."

Sun Minghui put his hand into the girl's clothes. "They'll accompany you, and you'll give them some resources. It's a fair trade, and we'll each get what we need."

Ye Feng felt that something was wrong, but he could not put his finger on it.

"Brother Ye, even if they don't sleep with you, they have to sleep with someone else. This is their fate. It's their good fortune to meet such a young and handsome man like you."

After sun Minghui finished his words, he walked upstairs with the girl in his arms.

The others also got up and returned to their respective rooms that Director Sun had arranged for everyone in advance.

Soon, only Ye Feng and the two girls were left in the hot spring pool.

The atmosphere was somewhat awkward.

“Let’s go.”

Ye Feng looked at the two of them with a questioning gaze.

“Yes.”

The two girls were a little nervous, and they agreed in a mosquito-like voice.

Ye Feng did not say anything more. He stood up and walked out of the hot spring.

The two girls were very observant and immediately wrapped the bath towel around him.

Sun Minghui had already arranged a room for him in advance.

The room was extremely spacious and luxuriously decorated.

After Ye Feng entered the room, he went to take a shower.

When he walked out of the bathroom, he saw the two girls sitting at the corners of the bed.

They were like two lambs waiting to be slaughtered.

He slowly walked up to the two of them. "Aren't you going to take a shower?"

The two girls' delicate bodies trembled slightly.

One of the girls, who had a little baby fat, mustered her courage and said, "We've already washed."

Ye Feng looked at the two of them for a long time. "Have you done this before?"

The other girl, who was slightly slimmer, hurriedly raised her head. "No, this is our first time. Really, I promise!"

She was afraid that Ye Feng would despise them and send them to those old men, so she quickly explained.

Ye Feng shook his head and sighed. "Alright, go to bed early."

After he finished speaking, he lay down on the bed.

The two girls looked at each other as if they were encouraging each other.

Then, they sprawled on Ye Feng's body and started.

Ye Feng was shocked and his eyes opened again. "You guys... What are you doing?"

The girl with a little baby fat was so scared that her face turned pale. "Did we hurt you? We'll be gentle..."

Ye Feng had a headache. "I didn't mean it that way..."

Another girl with a bony figure also hurriedly said, "You mean, you want to be direct... That one?"

As she spoke, she was about to remove the clothes on her body.

Ye Feng hurriedly grabbed her wrist. “You’ve misunderstood me. I don’t intend to touch you. I’ll sleep on the bed, you can sleep on the sofa.”

The two girls were stunned when they heard him.

After a long while. The chubby girl suddenly started sobbing.

“Mr. Ye, are you looking down on us? We’re really clean.”

Ye Feng was dumbfounded.

Chapter 125 - 125 A Small Business, Not Worth Mentioning

125 A Small Business, Not Worth Mentioning

Ever since Ye Feng became rich, he had indeed received many hints from girls.

However, this was the first time that someone had cried and begged him to do unspoken rules.

It was also because of this that he didn’t know how to respond to such a situation.

The bony girl probably saw his confusion and hurriedly explained, "Director Sun said that if we can't serve Mr. Ye well, not only will he not give us resources, but he will also ban us."

Ye Feng heard this and cursed in his heart.

This old thing, wasn't he forcing a good man to do this?

"Don't worry, I'll let him know and not let him make things difficult for you."

He had no choice but to give the two calming pills.

"But... Even if Director Sun doesn't make things difficult for us, he definitely won't give us resources. Then, sooner or later, we won't be able to escape the fate of taking the initiative to seek unspoken rules..."

"At least, we don't hate you."

"If the player is changed, we won't even have a choice." The bony girl looked very depressed and was about to cry.

Ye Feng shook his head with a smile. "Why else would I say that you guys are stupid? Can't you guys tell him that you've already done it with me?"

The two girls immediately looked at him with tears in their eyes. “You’re willing to hide it for us?”

“Why are you doing this?”

They obviously couldn’t understand what the other party was up to.

They thought that they were pretty good-looking, and any normal man should not reject them.

“Why are there so many whys? Hurry up and go to sleep.”

Ye Feng was too lazy to talk to them anymore. He fell asleep immediately.

The two beautiful women were obviously grateful. After he fell asleep, they carefully covered him with the blanket and kissed him on the face. Then, they quietly curled up on the sofa and slept.

..

The next morning, when Ye Feng woke up, he saw two girls sleeping on the sofa, hugging each other.

Their four long legs were intertwined, and with the sunlight, it was almost transparent.

He shook his head!

Without disturbing the two girls' sleep, Ye Feng walked out of the room.

Coincidentally, Sun Minghui was walking out of the room with the girl from last night in his arms.

After seeing Ye Feng, he immediately approached him enthusiastically. "Brother Ye, did you have fun last night?"

Ye Feng could only nod his head. "Very much."

Sun Minghui revealed a strange smile, "So you're quite satisfied with those two girls?"

Ye Feng nodded again. "Very satisfied, Brother, if it is convenient for you in the future, you can take care of them more."

Sun Minghui immediately put his arm around his shoulder. "Don't worry. Since they're your women, I promise I won't mistreat them. I'll sign them a gold-class manager right away, and I guarantee they'll be famous."

Ye Feng immediately smiled in satisfaction. "Then I will have to thank you, Brother."

Sun Minghui was suddenly unhappy. "Why are you being so polite with me? You don't see me as a brother."

Ye Feng could only apologize, "Alright, alright, I was wrong."

Only then was Sun Minghui satisfied. "Let's go and have breakfast first."

..

After breakfast.

Sun Minghui gathered everyone in the living room, and then his eyes locked on the two girls in Ye Feng's room.

"Du Xiaoshuang, Song Yi, stand up."

When the two girls were called out by him, their faces immediately turned pale.

They thought that the other party already knew the truth and was going to punish them.

At this time, they heard Sun Minghui slowly say, "I think you two have great potential, so I found a gold manager for you and let her be in charge of your business affairs in the future."

Hearing his words, the two girls were stunned. They couldn't even believe their ears.

They did not do anything, they just stayed in the same room as Ye Feng for a night and they got the resources that they had been dreaming of?

This was a huge surprise.

As they thought of this, they quickly turned around and looked at Ye Feng who was drinking tea at the side.

This man had given them all of this.

It could be said that he was the one who changed their fate.

The other girls were also looking at them with envy and jealousy.

This was really different from the same person.

Theirs was also an unspoken rule.

Not only did they get old and ugly geezers, but they also only got a little bit of resources in the end.

Not only were the two of them assigned to a young and handsome man, but they were also given the help of a top manager.

The company was obviously trying to promote the two of them.

Perhaps, they would become big stars very soon.

This made them go crazy with jealousy!

Sun Minghui didn't care about the resentment of these girls. He shouted outside, "Sister Wang, come in."

As soon as he finished speaking, a woman quickly walked in.

When Ye Feng saw her, he was stunned. "Sister Wang?"

The woman was Xia Qiu's manager, Sister Wang.

Sis Wang did not expect to see him here. "Mr. Ye?"

Seeing their expressions, Sun Minghui was a little surprised. "You two know each other?"

Before Ye Feng could reply, Sister Wang quickly explained.

"Of course I do. Mr. Ye is a good friend of our Xia Qiu. The last time we went to Mr. Ye's hot spring resort to shoot a movie, it was Mr. Ye who gave us the green light, right, Mr. Ye?"

After hearing her words, everyone, including Sun Minghui, looked at Ye Feng in shock.

"Brother Ye, is what she said true? Zhonghai Hot Springs Resort is also your property?"

Sun Minghui looked at Ye Feng in disbelief.

“Cough, cough. It’s just a small business, not worth mentioning.”

Ye Feng hurriedly waved his hand.

Sun Minghui and the others looked at each other with mixed feelings.

They had thought that with Ye Feng’s age, it was already very rare for him to own such a huge business like the Silver Brilliance Building.

Now it seemed that they had still greatly underestimated the other party.

This kid didn’t show off, but he was a big tycoon!

Chapter 126 - 126 You Still Have To Have Dreams

126 You Still Have To Have Dreams

However, Sun Minghui was a big shot, so he quickly recovered from the shock.

“Since Sister Wang and Brother Ye know each other, it’ll be even easier. These two girls are Brother Ye’s... friends. Sign with Sister Wang in the future. You have to take good care of them.”

Then, he introduced the two girls to Sister Wang.

When Sister Wang heard that, she immediately sized up the two girls.

She could be considered a wily old fox in the entertainment industry, so how could she not understand the situation?

There was no such thing as support in the entertainment industry for no reason.

The two girls must have made some kind of sacrifice to get the big boss' appreciation.

Thinking of this, she quickly looked at Ye Feng.

A sense of danger immediately rose in her heart.

It seemed that she had to urge Xia Qiu to take the initiative when she returned.

Otherwise, Mr. Ye would probably 'fall in love' with someone else.

She hoped that he would only have a short-lived relationship with these two girls.

After all, Xia Qiu was her money tree.

..

And it was also because of Sister Wang's thoughts that Ye Feng received Xia Qiu's call not long after he returned from Sun Minghui's place.

"I heard from Sister Wang that she just signed two new people. Are they your friends?"

Xia Qiu did not beat around the bush and went straight to the point.

"Not really friends. I just saw that they were quite pitiful, so I helped them out," Ye Feng answered honestly.

"You're really a kind person. They're not even friends, yet you're willing to spend so many resources to support two newcomers?"

Xia Qiu's words were somewhat sour.

Ye Feng frowned slightly. "It's not me who wants to promote them, it's my friend's company who wants to promote them. What does it have to do with me?"

Xia Qiu was a little agitated. "Can you guarantee that you're not related to them at all?"

Ye Feng's anger also rose. "Do I need to promise you? It's up to you to believe it or not."

"You... you big bad guy!" Xia Qiu hung up the phone in anger.

Sister Wang, who was standing beside her, was anxious. "Madam, I only asked you to chat with Mr. Ye. How can you quarrel with him?"

Xia Qiu was still sulking. "He... How can I not be angry when he doesn't have any regrets after doing such a dirty thing?"

Sister Wang's head started to hurt. "Maybe what Mr. Ye said is true. He didn't do anything last night and just wanted to help those two girls?"

Xia Qiu's face turned paler. "Do you believe that?"

Sister Wang was at a loss for words. "Even if they did something, what right do you have to criticize them? Are you his girlfriend?"

It was Xia Qiu's turn to be speechless.

She had been so focused on getting angry that she had completely forgotten her identity.

To be precise, she and Ye Feng were just ordinary friends.

Even if Ye Feng was fooling around outside, what right did she have to blame him?

More importantly, all of this was just her own speculation.

But why couldn't she control the anger in her heart?

Sister Wang quickly said, "Hurry up and call Mr. Ye to apologize and ask for his forgiveness."

Xia Qiu turned her head to the side. "I don't want to."

Sister Wang was instantly flustered. "Madam, now is not the time for you to throw a tantrum."

“If you don’t hurry up and please him, he’ll be snatched away by someone else. By then, you won’t even have a place to cry.”

“If he’s stolen then he’s stolen, who wants him! I... I hate him!” Xia Qiu said as tears flowed out of her eyes. She then got up and ran out.

Sister Wang looked at her back and sighed.

This girl, why bother?

Since she liked him, she should take the initiative.

If she didn’t hurry up, it would be too late for her to regret it.

..

Ye Feng was depressed by Xia Qiu’s sudden actions.

At this moment, his phone rang again.

He thought it was her again and immediately answered the call.

“I say, are you done? I’ve already explained to you that I’m innocent with those two girls. Why don’t you believe me?”

Following his machine gun-like words, the other side fell into silence.

After a long while, Chen Qiushan’s voice came through the receiver. “What’s wrong, Brother Ye, did you fight with your girlfriend?”

It was only then that Ye Feng realized that the caller was Chen Qiushan and he was a little embarrassed. “It’s Brother Chen, I thought... Sigh, d*mn it, I’m so annoyed.”

Chen Qiushan immediately laughed heartily. “She’s a woman, after all. She’ll be fine after some coaxing. There’s nothing that an LV can’t solve. If there is, then add Chanel and it’ll make sure she’ll be obedient.”

Ye Feng immediately joked, “Brother Chen is really experienced in this area. When Sister-in-law is angry, do you also coax her like this?”

Chen Qiushan coughed immediately. “Your sister-in-law is reasonable, understanding, and kind. How can she be so vulgar?”

At this moment, a woman's voice was heard. "That's more like it. You're tactful."

Ye Feng could not help but shake his head and smile. "I'm not joking anymore. Brother Chen, what's the matter?"

Chen Qiushan then became serious. "The auction I told you about the last time is going to be held tomorrow night. I just wanted to let you know."

Only then did Ye Feng remember this. "Okay, I will definitely attend on time tomorrow."

Chen Qiushan chatted with him for a while more before hanging up.

Ye Feng threw his phone aside, he took out the King Xiang's treasure map that he obtained from the ancient city.

He looked at it carefully for a while, but still couldn't see any clues.

He couldn't help but look forward to the auction tomorrow.

He hoped that he would be able to successfully get the treasure map tomorrow.

Although the chances of gathering all of them were slim, he still wanted to give it a try.

He still had to have dreams.

What if it came true?

Chapter 127 - 127 Destiny's Arrangement?

127 Destiny's Arrangement?

On the day of the Sotheby's auction, the auction was supposed to start at 8 pm, but Ye Feng still left two hours earlier.

He couldn't wait to get his hands on the other piece of the treasure map.

That was because he really wanted to find out what kind of secret was hidden in this legendary secret treasure of King Xiang.

Just as he was driving his Ferrari Enzo toward the Sotheby's auction house, a system notification suddenly rang in his ear.

[Lucky navigation detected – Help Xu Jingxin out of danger.]

[System navigation activated. Please drive 20 meters forward on the current road and turn right...]

Ye Feng was stunned. Xu Jingxin was in danger?

Without any hesitation, he immediately sped up.

Following the system's navigation, Ye Feng saw Xu Jingxin walking in front of him from a distance.

She was dressed very casually today.

She must have just returned from shopping, as she was still carrying many bags.

A sneaky man was following her about ten meters behind.

From the man's tracking skills, he was definitely a repeat offender.

Ye Feng immediately accelerated the car and rushed to the man, blocking his way.

Just as the man was panicking, he had already pushed the door open and gotten out of the car.

Then, he rushed forward and jumped up when he was about two meters away from the man, giving him a swift and violent flying kick.

The man's reaction was fast, and he immediately dodged to the side.

But he was still kicked in the shoulder.

Bang!

After Ye Feng's body had been modified by the system, his strength had become extraordinarily strong.

The man's shoulder made a 'kacha' sound, and his arm immediately dislocated.

The man's face twitched in pain, and large beads of sweat rolled down his forehead.

Ye Feng did not stop. He continued to kick toward his head.

This man was obviously an old hand.

Earlier, it happened too suddenly, and Ye Feng was decisive.

That was why he was caught off guard.

By now, he had already reacted and immediately dodged his attack.

However, because one of his arms was dislocated, his combat power was greatly reduced.

He was beaten up by Ye Feng to the point where he could not even retaliate.

He kept retreating.

If this continued, it wouldn't be long before he was captured alive.

At this time, Xu Jingxin had already seen Ye Feng and immediately exclaimed.

“Ye Feng? Get out of the way, you're not his match...”

As she spoke, she walked over.

Seeing this, Ye Feng hurriedly shouted, "Don't come over..."

His distraction immediately gave his opponent an opportunity.

The man immediately sent a flying kick at him, forcing him away.

Then, he glared at him with hatred and turned to run away.

How could Ye Feng let him escape so easily? He immediately chased after him.

He was about to catch the man.

At this time, a dagger appeared in the man's hand and he directly slashed backward.

"Ye Feng, be careful!" Xu Jingxin suddenly screamed and was scared out of her wits.

In fact, she did not even need to remind him, Ye Feng had already reacted.

He hurriedly stopped his body from charging forward and suddenly retreated.

Slash...

Although he dodged in time, the clothes on his chest were still cut by the dagger.

If he had been a second slower, he would have been disemboweled.

“Kid, I’ll let you know the consequences of being a busybody.”

The man turned around and left these words before quickly escaping.

Ye Feng wanted to continue chasing.

Xu Jingxin quickly pulled him back. “He has a weapon in his hand. Stop chasing him.”

As she spoke, she gave a look to the distance.

Uncle Liu, who had been protecting her in the dark, immediately nodded and chased in the direction that the man had escaped.

In fact, she had already noticed that she was being followed.

However, she had been pretending not to know anything and deliberately led the man to a remote area.

Then, she would ask Uncle Liu, who was secretly protecting her, to subdue him.

She did not expect Ye Feng to suddenly appear and disrupt her plan.

However, not only did she not blame him, but she was also very touched.

She could tell that Ye Feng did not know any martial arts, but even so, he still stood up for her.

How could she not be touched by such a scene?

“Are you alright? Are you hurt anywhere?”

Xu Jingxin was worried when she saw Ye Feng’s chest was cut open.

Ye Feng shook his head immediately. "I'm fine, luckily I managed to hide in time, otherwise I might have died young today."

Xu Jingxin covered her mouth and laughed. "You're still joking at a time like this. It looks like you're really fine. By the way, why are you here?"

Ye Feng looked in the direction that the man had escaped. "I'm going to Sotheby's auction house, and I just happened to see this man sneakily following behind you."

"I don't need to describe what happened after that. You've seen it all."

Xu Jingxin was a little surprised. "If that's the case, then we're really fated. You can appear at this time and place and help me resolve the crisis. Is this fate?"

Ye Feng hurriedly coughed twice.

What fate?

It was clearly arranged by the system, alright?

At this moment, the system's notification rang in his ears again.

[Congratulations to the host for completing the destiny navigation. The system rewards the right to the Zhonghai branch of the Taigu Shopping Center with a value of 1.5 billion.]

He was only satisfied when he heard the system's reward.

He didn't risk being cut open to meddle in this matter in vain.

Xu Jingxin suddenly thought of Ye Feng's words and immediately asked, "By the way, I heard you say that you're going to Sotheby's auction house? What are you going to do?"

"There's an auction at Sotheby's tonight. I'm going to take a look," Ye Feng answered honestly.

"Oh, really? I really haven't been to an auction before. Is it convenient for you to bring me along to experience it?" Xu Jingxin's interest was immediately aroused.

Ye Feng hesitated for a while, but he nodded in agreement.

"Sure."

“Then... Do you want to change your clothes first?”

Xu Jingxin pointed at his torn clothes.

His suit, which was originally not bad, not only had a big hole in it, but it was also stained with a lot of mud. He looked a little disheveled.

Ye Feng looked at the time.

Due to the delay, in addition to the time spent on the road, he probably didn't have time to change his clothes.

“No need, let's go.”

After that, he brought Xu Jingxin to the supercar.

He stepped on the accelerator and disappeared.

Chapter 128 - 128 It's Not My Fault That I'm Pretty

128 It's Not My Fault That I'm Pretty

When Ye Feng and Xu Jingxin arrived at Sotheby's auction house, it was already bustling with people.

After showing the invitation card that Chen Qiushan had given him, even if Ye Feng was disheveled, the security guards immediately let him through.

After all, Chen Qiushan had given him a Diamond VIP invitation card.

With this invitation card, Ye Feng could get the auction house to arrange a top-tier private room.

However, it would be too high-profile to enter a top-class private room.

Ye Feng came here today to bid for the treasure map fragment. He did not want to cause any more trouble.

Therefore, he brought Xu Jingxin to a corner and sat down.

However, Xu Jingxin's attractiveness was too strong. Although she was sitting in the corner, she still attracted many people to look back.

"Sigh, I shouldn't have brought you here," Ye Feng could not help but complain.

“You’re blaming me? It’s not my fault that I’m pretty.” Xu Jingxin felt wronged.

“Is that still my fault? I’m not your dad,” Ye Feng replied.

“You dare to take advantage of me? Are you looking for a beating?” Xu Jingxin raised her little fist and was about to hit him.

“I’m sorry, I was wrong. Haha...” Ye Feng quickly dodged.

Just as the two of them were fooling around, a handsome man suddenly walked up to them.

“Miss, have we met before?” When the man came over, he stared at Xu Jingxin with a frivolous look.

Xu Jingxin regained her composure. “Your way of hitting on people is 800 years old, isn’t it?”

The man revealed a smile that he thought was charming. “So I tried to hit on you 800 years ago. No wonder you look so familiar.”

“Hello, I’m Li Hongyi. Nice to meet you again.”

As he said that, he took the initiative to reach out his hand.

Xu Jingxin did not shake his hand, but looked at him coldly. "What's the matter? If there's nothing else, please leave. Thank you."

The smile on Li Hongyi's face did not diminish.

"I just feel that I can't bear to let such a beautiful lady like you sit here."

"I have a VIP room on the second floor. We can drink red wine while attending the auction. What do you think?"

Xu Jingxin held Ye Feng's arm on purpose. "I think this is a good place."

Li Hongyi looked at Ye Feng with disdain. "A beautiful woman like you should find a man who is worthy of you. You shouldn't just randomly find some trash to be your boyfriend. He's not worthy of you."

Xu Jingxin's pretty face darkened. "Who are you calling trash?"

Li Hongyi looked at Ye Feng with a sneer. "If you can let your girlfriend sit here, what are you if not trash? I'm willing to bet that he won't be able to bid for a single item tonight."

Ye Feng was wearing a tattered suit, and he did look a little embarrassed.

Xu Jingxin snorted coldly. "You're looking down on us."

Li Hongyi did not get angry. Instead, he looked at her provocatively. "Then do you dare to make a bet with me?"

Xu Jingxin did not back down. "What are we betting on?"

A lecherous smile appeared on Li Hongyi's face. "Let's bet on whether he can successfully bid for an item tonight. If he can't even bid once, then you'll come with me tonight."

Xu Jingxin's lips curved into a smile, and she looked straight at him. "What if he manages to take an item?"

Li Hongyi looked at Ye Feng contemptuously. "If he can get one, then I will kowtow to him in front of everyone and admit my mistake. I will also go out and run naked."

After that, he quickly added, "But the premise is that he must buy it with his own money. If you pay for it on his behalf, it's your loss."

“How is it? Do you dare to bet?”

The smile on Xu Jingxin’s face gradually bloomed. “Alright, I’ll agree on his behalf.”

Her smile was so beautiful that Li Hongyi immediately fell into a daze.

And this also strengthened his confidence in getting her.

“If that’s the case, then let’s have President Chen of Sotheby’s auction house, Chen Qiushan, be our witness.”

Afraid that Xu Jingxin would go back on her words, Li Hongyi hurriedly asked his men to find Chen Qiushan backstage.

When Chen Qiushan saw Ye Feng, his face was filled with joy and he was about to greet him.

However, Ye Feng had already understood Xu Jingxin’s plan, so he shook his head slightly at him.

Chen Qiushan immediately understood and turned to Li Hongyi. “Are you sure you want to make this bet?”

Li Hongyi nodded firmly. "This matter concerns my reputation. I hope President Chen can be our witness."

Chen Qiushan looked at him as if he was an idiot. "Okay, then I'll be your witness. If anyone dares to refuse to fulfill the bet, then don't blame me for being impolite."

"Of course!"

Li Hongyi smiled proudly and sat down next to Ye Feng.

Chen Qiushan did not say anything more. He turned around and went backstage.

The auction officially began at 8 o'clock sharp.

The first item was a Qing Dynasty enamel and the starting price was 100,000 yuan.

A battle immediately began.

In the end, it was bought by a wealthy businessman from another city for 2 million yuan.

The auction had just begun, and there was already such a fierce competition. It immediately ignited the atmosphere of the venue.

The next few items were also sold at high prices.

But Ye Feng remained calm, and he did not have any intention of making a move.

Li Hongyi looked at him with a sneer. "Kid, the things in the future are getting more and more expensive. If you don't make a move now, you won't have the chance anymore."

Ye Feng chuckled, and he ignored him.

At this moment, another item was put up on the stage.

It was a purple clay teapot from Yixing.

"The starting price is 200 thousand."

As the auctioneer's words fell...

“2 million,” someone immediately called out.

Whoosh...

The entire venue immediately became noisy.

The starting price of this Yixing clay teapot was 200,000 yuan, but it was raised to 2 million yuan.

Where did this hothead come from?

Who would bid like this?

Everyone turned around to look.

Ye Feng raised his hand with a smile.

He looked determined to win.

Chapter 129 - 129 Shrimp and Pig Heart

129 Shrimp and Pig Heart

And when he heard Ye Feng's bid of 2 million, Li Hongyi himself was also shocked.

This guy was really amazing with one brilliant feat.

He had not said a word since the auction started.

Now, the first bid was already ten times higher than the auction price.

This wasn't how things were supposed to go.

Not to mention him, even Xu Jingxin was shocked. She quickly pulled Ye Feng's sleeve and said, "Are you crazy?"

Although she knew that Ye Feng was rich, she could not afford to do that.

The price had far exceeded the value of the purple clay teapot.

Ye Feng gave her a reassuring smile. "Don't worry, I know what to do."

For some reason, when Xu Jingxin saw his smile, she inexplicably calmed down.

At this moment, Li Hongyi suddenly said, "2.1 million."

The venue was once again in an uproar.

They had thought that 2 million was the limit.

They didn't expect that someone would still bid.

And the two of them were sitting together. They were simply a pair of fools!

Li Hongyi had no choice.

Of course, he knew that this Yixing clay teapot was not worth that much money.

But he had a bet with Ye Feng.

As long as the other party managed to bid for an item tonight, he would have to kneel down in front of the other party and run around naked.

Therefore, he had to stop it.

Wasn't it just 2 million?

To him, it was a piece of cake.

"3 million."

Ye Feng continued to bid.

"3.1 million."

Li Hongyi followed.

"4 million."

"4.1 million."

“5 million.”

“5.1 million!”

Hearing the intense bidding between the two, everyone present was shocked.

A 200,000 purple clay teapot had been bid for more than 5 million.

This was too frightening.

Li Hongyi’s eyes were bloodshot. He glared at Ye Feng and said, “Come on, keep shouting, I have money.”

However, Ye Feng did not continue to bid. “Since you like this Yixing clay teapot so much, I will not take it away from you. I will give it to you.”

Xu Jingxin, who was standing at the side, could also see that Ye Feng was trying to trick him, and she could not help but laugh secretly.

This guy was really too evil.

As the auctioneer's hammer fell on the ground, the ownership of the purple clay teapot was finally determined.

Young Master Li won the bid with a price 25 times higher than the starting price.

Li Hongyi gritted his teeth in hatred, but he had no choice.

Very quickly, the next item was brought up.

It was a writing brush from the middle of the Ming Dynasty, and it was said to have been used by Tang Bohu.

The starting price was 300,000.

Ye Feng raised his hand immediately. "3 million."

"Pfft..."

Everyone in the hall almost vomited blood.

Again?

Was this guy crazy?

He actually dared to bid 3 million for a lousy brush?

With his actions, the people who had wanted to bid gave up on the idea.

After Ye Feng made his bid, he looked at Li Hongyi casually. "Do you want to continue?"

Li Hongyi sneered and immediately bid, "3.1 million."

"4 million."

"4.1 million."

"5 million."

“5.1 million.”

The two of them were at loggerheads, and the bids kept going higher and higher.

Everyone was dumbfounded.

Soon, they heard Ye Feng calmly shouting, “10 million.”

The entire venue was in an uproar.

A writing brush with a starting price of 300,000 was actually bid at 10 million?

This was simply unheard of!

Although Li Hongyi’s family owned a mine, he couldn’t hold on much longer.

He panted heavily. His eyes were red as he stared at Ye Feng.

Although he really wanted to stop here, he could still take advantage of the other party.

But when he thought about how he would have to kowtow to the other party and admit his mistake if the other party were to bid for this item, he would also have to run around naked outside.

He immediately fell into a dilemma.

At this moment, the auctioneer on the stage began to count down.

“10 million once.”

“10 million going twice.”

10 million three...

“10.1 million!”

Li Hongyi suddenly roared and looked at Ye Feng with red eyes. “Come on, aren’t you awesome? Continue shouting!”

Ye Feng shrugged, “Alright, you win.”

As the auctioneer's small hammer slammed down, Li Hongyi once again won the bid for the brush at the sky-high price of 10.1 million.

Ye Feng gave Li Hongyi a thumbs up. "Young Master Li is indeed a genius. One 'sand' and one 'brush', they have a profound meaning, it is really impressive."

"Pfft..."

Xu Jingxin laughed so hard that she almost choked.

This guy was too mean.

Not only did he cause him to lose more than 15 million yuan, but he also caused them to lose more than 15 million yuan.

He was actually making sarcastic remarks at the side.

Li Hongyi would not give up until he vomited blood.

However, she was wrong. Li Hongyi had calmed down.

Earlier, he was too focused on fighting with Ye Feng and had neglected one point.

This guy might just be bluffing.

In fact, he could not afford that much money at all.

According to his estimation, Ye Feng could only take out a few million at most.

He might as well play along and continue bidding.

When the other party called out a sky-high price, he would immediately stop.

If the other party couldn't afford to pay, not only would he lose face in public, they would also lose the bet.

He could also vent his anger!

After making up his mind, he immediately revealed a smug smile.

He was waiting for Ye Feng to continue bidding.

But for the next few items, Ye Feng did not make any moves.

It was only after the treasure map fragment was brought onto the stage that he began to lift his spirits.

“This item is called the King Xiang’s secret treasure map. Legend has it that it is the the Great Conqueror Xiang Yu’s treasure map. It is divided into six parts, and this is one of them...”

The auctioneer introduced the information on the treasure map.

The crowd below the stage had already started whispering to each other.

A lot of people looked interested.

“The fragment of King Xiang’s secret treasure map. The starting price is 500,000. Each bid must be no less than 10,000.”

As the auctioneer’s voice fell, many people at the scene began to bid.

“550 thousand.”

“600 thousand.”

“650 thousand...”

Chapter 130 - 130 Little Friend Ye, We Meet Again

130 Little Friend Ye, We Meet Again

As expected, there were many people who were interested in the treasure map.

It was impossible to collect all six pieces of the treasure map.

However, there were always people who felt that they had the aura of a protagonist and could do things that others couldn't.

As a result, the price of the treasure map fragment quickly rose to 1 million.

Ye Feng was determined to get this treasure map.

The upper limit he set for himself was 10 million.

As long as the price did not exceed this price, it was within his acceptable range.

Just as he was about to bid...

Li Hongyi, who had been secretly observing him from the side, immediately took the lead.

“2 million!”

He had already made up his mind to scam Ye Feng. Thus, he raised the price by two times.

Then, he revealed a provocative smile. “With me around, don’t even think about getting an item tonight.”

Ye Feng frowned slightly.

This b*stard wanted to fight him to the death.

If he continued to bid, he would fall right into the other party’s trap.

Even if he could get it in the end, he would probably have to spend a lot of money.

Although he really wanted the treasure map fragment, he didn't want to be a spendthrift.

Just as he was hesitating, he suddenly heard an old man's voice from the second floor.

"2.1 million."

For some unknown reason, the people who were originally eager to bid all stopped after hearing the old man's bid.

They all looked toward the second floor with an extremely respectful expression.

Even Li Hongyi's expression changed drastically.

He no longer had the frivolous look from before and was now trembling with fear.

When Ye Feng saw everyone's expressions, he could not help but feel a little strange.

Who was this bidder?

It could actually make everyone's expression change?

And he seemed to have heard this voice before, but he could not recall where he heard it from.

At this moment, the auctioneer had already started the final bid.

"2.1 million going once."

"2.1 million twice."

"2.13 million..."

Just when everyone thought the dust had settled.

Suddenly, they heard a familiar voice from the corner behind them. "2.2 million."

The voice was not loud, but it struck everyone present as if they were struck by lightning.

That highly respected big shot had already made a bid, and there were still people who dared to continue bidding?

This was simply courting death!

Everyone turned around to see who was the one who was not afraid of death.

Then, they saw Ye Feng raising his hand with an innocent expression.

He didn't have that many concerns. Since no one else was bidding, there shouldn't be a problem for him to continue bidding, right?

Xu Jingxin's pretty face also changed at this time, and she hurriedly pulled his sleeve.

"Are you crazy? Why do you still dare to bid?"

Ye Feng looked at her in confusion. "The auctioneer hasn't put down the gavel yet. Why can't I bid?"

Xu Jingxin hurriedly held her forehead. "Don't you know that it was Elder Tan who quoted the price just now?"

Ye Feng pursed his lips indifferently. "What Elder Tan and Young Tan. Since it is an auction, everyone has the right to bid. Otherwise, what is the point of the auction? Why don't we just give it to him directly?"

Xu Jingxin was completely speechless.

Even though that was the logic, it still depended on who he was reasoning with.

With a big shot at Elder Tan's level, what did it matter how reasonable he was?

Truly, the ignorant are fearless!

Li Hongyi, on the other hand, laughed gloatingly. "Brat, you even dared to rob something that Elder Tan has his eyes on. You won't even know how you died this time."

As he spoke, he looked at Xu Jingxin hurriedly. "Pretty lady, this kid has offended Elder Tan. I don't think he'll live past tomorrow. You'd better quickly cut off all ties with him."

Xu Jingxin glared at him and did not say anything more.

She had already begun to think in her heart.

Should she call someone she knew to help Ye Feng?

This guy had made a huge mess this time. If the weight of the acquaintance was not heavy enough, he might not be able to settle it.

Just as everyone was waiting for the person on the second floor to fly into a rage...

A strange scene appeared.

After Ye Feng made his bid, there was no more movement on the second floor.

The auctioneer waited for a long time and saw that no one was bidding, so he could only speak carefully.

“2.2 million going once!”

No one bid.

“2.2 million twice.”

Still, no one bid.

2.2 million thrice... Deal!"

Even when the auctioneer finally struck the gavel, no one was bidding.

The treasure map fragment that could have exceeded 10 million was bought by Ye Feng at the 'cheap price' of 2.2 million just like that.

This was something that no one had expected.

What really puzzled them was why there was no movement from Elder Tan's side.

Logically speaking, that brat had publicly disrespected him, so he should not have let him off so easily.

Just as everyone was dumbfounded...

They saw an old man in a white Tang suit walking down the stairs slowly with the help of his men.

The imposing manner in his movements made everyone present feel a sense of awe.

And when Ye Feng saw the old man, he was stunned.

This old man... He actually recognized him.

It was Tan Bohong, who lived in Villa No. 3 of the Zhongtian Lake-View Villa District.

He happened to find the wedding ring for the other party at that time, so they could be considered friends.

Later on, when Xia Qiu was filming a movie, the script did not pass the review.

It was he who gave them the green light through Tan Bohong's connections.

No wonder Ye Feng felt that this voice was very familiar.

As Tan Bohong walked down the stairs, the people nearby consciously made way for him with respectful expressions on their faces.

From this, it could be seen how high Elder Tan's prestige was in Zhonghai City.

But just when everyone thought that he was going to find trouble with Ye Feng, a kind smile suddenly appeared on his originally calm and dignified face.

"Little Friend Ye, we meet again."

As soon as he said that, the entire auction house was in an uproar.

This guy actually knew Elder Tan?

Furthermore, it was Elder Tan who took the initiative to greet him?

Wasn't this too big of a reputation?

Li Hongyi, who was standing next to Ye Feng, knelt down on the ground with a 'plop'.

His face was ashen.

If he had known that Ye Feng knew Elder Tan, he would not have dared to go against him even if he had 100 guts.

This time... He was dead!
