

Chapter 15

Ideal Boyfriend, A Bold Idea

“It’s fine!”

Ye Feng waved his hand, expressing his understanding.

After all, the Black Gold Card was so important, and he didn’t mind Tan Yun being more cautious. He just asked, “Can I pay now?”

“Of course!” Tan Yun quickly nodded and went to handle it for Ye Feng.

Even though she knew that Ye Feng would spend a lot of money, she was still shocked when she saw the price of 7.65 million yuan on the screen.

“Mr. Ye, you have a Black Gold Card. You can get a 60% discount on all goods you buy in World City.”

“The price after the discount is 5.049 million yuan. I can make the decision to round it down to 90,000 yuan. You can just give me 5.04 million yuan.”

Ye Feng was slightly surprised.

He didn't expect the Black Gold Card's preferential treatment to be so great.

He had saved more than 2 million yuan!

Although he was not short of money, he was still very happy to be able to spend less.

“Alright, thank you!”

Ye Feng smiled at Tan Yun and passed the bank card to her.

Not far away, Lin Jie and Xu Man were shocked when they heard those words.

Lin Jie did not expect Ye Feng's Black Gold Card to be real.

One must know that in the entire Zhonghai City, excluding Ye Feng, there were only two people who had a Black Gold Card.

Both of them had extraordinary positions in Zhonghai City.

What did Ye Feng do to become the third person to have a Black Gold Card?

This didn't make sense!

Xu Man did not know much about the Black Gold Card. Her focus was more on the price.

Ye Feng had only been in the shop for less than half an hour and he had already spent more than 5 million.

This was too extravagant!

Under the gaze of the two, Tan Yun took the bank card from Ye Feng.

The bill was settled in a few seconds.

Tan Yun smiled and returned the bank card to Ye Feng.

Ye Feng took it with a calm face, as if he had just used 500 yuan instead of 5 million yuan.

Lin Jie and Xu Man were even more shocked.

“How could he be so rich...”

Lin Jie’s heart was very complicated.

To think that he had looked down on Ye Feng previously...

His face hurt!

Xu Man's eyes were fixed on Ye Feng.

Young, handsome, and rich...

He was simply an ideal boyfriend (model)!

If she could get Ye Feng's favor, she would not have to worry about food and clothing for the rest of her life.

Suddenly, Xu Man had a bold idea.

Ye Feng noticed Lin Jie and Xu Man's gazes.

Xu Man, in particular, made him feel strange.

But he did not think too much about it. After keeping the bank card, Ye Feng prepared to leave World City.

Tan Yun suddenly asked, “Mr. Ye, can I have your contact information?”

She was too curious about Ye Feng.

He was so rich, but he was dressed so ordinarily.

Of course, what made her more concerned was the relationship between Ye Feng and Tan Bohong.

She was Tan Bohong’s distant relative, and she knew that he would never give him a Black Gold Card if it was an ordinary person...

If she could build a good relationship with Ye Feng, she might be able to go further in the business world.

Hearing this, Ye Feng was slightly confused.

“You’re a VIP of World City,” Tan Yun quickly explained. “If you have any questions in the future, you can contact me directly...”

Seeing Tan Yun explaining so quickly, Ye Feng was even more confused.

Although he didn’t know what Tan Yun’s purpose was, he didn’t reject her since it didn’t do him any harm.

After exchanging contact information with Tan Yun, Ye Feng saw that it was already past 5 o’clock and he might be late if he went back to the villa, so he decided to change his clothes here.

After greeting Tan Yun, Ye Feng chose a more casual dress and went to the fitting room.

A few minutes later, Ye Feng came out of the fitting room.

At that moment, Tan Yun, Xu Man, Lin Jie, and the rest all focused their attention on him.

As the saying goes, clothes make the man.

Previously, Ye Feng could only be considered as good-looking, but after changing into this set of clothes, his entire aura had improved.

At this moment, he was like a beam of light in the darkness, causing people to be unable to help but focus their eyes on him.

Tan Yun, Xu Man, and the other girls were all stunned by Ye Feng, and they looked at him with infatuated eyes.

Lin Jie, on the other hand, felt a little ashamed of himself.

In the past, he had always targeted Ye Feng. Other than looking down on Ye Feng, it was also because Ye Feng was more handsome than him.

But now, Ye Feng was not only more handsome than him, but also richer...

This was really too much of a blow!

Some passersby were also attracted by Ye Feng.

“Look, so handsome!”

“He’s so handsome. Is he a celebrity?”

“I want to get to know that handsome young man.”

“ ... ”

The women were all attracted by Ye Feng’s good looks.

Some of the braver ones even went up to ask for Ye Feng’s WeChat.

Ye Feng politely rejected.

Although there were a few girls who were quite good-looking, he had become more picky after meeting Xia Qiu. Girls with looks of 60 to 70 were not worth his time.

Then, he walked to Tan Yun. After saying goodbye to her, he took his things and left.

Tan Yun and the secretary quickly sent Ye Feng to the door with respect.

Behind them were Xu Man and Lin Jie.

Xu Man had wanted to find an opportunity to strike up a conversation with Ye Feng, but Lin Jie kept following her, so she could only wait for the future.

Sighing, Xu Man was about to leave when she realized that there were a lot of people surrounding the parking lot.
