

Chapter 16

Ferrari Enzo!

“What happened?”

Xu Man was curious.

Lin Jie was also curious.

Looking at each other, the two of them walked toward the crowd in tacit understanding.

As they approached, the crowd’s discussion also reached the two people’s ears.

“What an overbearing car!”

“That’s so cool,”

“This car shouldn’t be cheap, right?”

“Of course. How can a Ferrari be cheap? And this is a Ferrari Enzo.”

“Is a Ferrari Enzo very expensive?”

“Of course, the Ferrari Enzo is the King of Ferraris. All the other series of cars are like little brothers in front of it.”

“Whose car is this?”

“...”

Just as everyone was discussing, Ye Feng pushed his way through the crowd.

“Little brother, this car is very expensive. I advise you not to go. If you accidentally scratch the car, you can only work for the rest of your life to pay off your debts.”

An elder brother saw this and kindly reminded Ye Feng.

Although everyone present wanted to take a photo with the Ferrari Enzo and show off, the price of the car made them not dare to go forward.

“I’m fine!” Ye Feng chuckled when he heard this.

After that, he took out his car key and pressed it on Ferrari Enzo.

Immediately, the seagull-wing door of the car rose.

When everyone saw this scene, they were all shocked.

“What? This car is actually this little brother’s?”

“I’m so jealous! He already has a top-class supercar at such a young age.”

“It doesn’t matter if you have a supercar or not. What’s important is that he’s so handsome. Can I add him on WeChat?”

“ ... ”

Ye Feng did not care about everyone’s reaction. He started the car.

A low rumble came from the Ferrari Enzo.

Everyone quickly made way for him.

The Ferrari Enzo drove off into the distance and quickly disappeared from everyone’s sight.

Xu Man retracted her gaze as well.

Although she did not know what the Ferrari Enzo was, she could tell that Ye Feng's car was not cheap from the logo of the Ferrari.

Ye Feng was richer than she had imagined.

She had to capture this rich man!

Xu Man was quite confident in her own figure and appearance.

As long as she took the initiative, Ye Feng would definitely not reject her...

Lin Jie did not notice Xu Man's strange behavior and said, "Man Man, let's go. I'll take you to the Building of Pines and Cranes for a meal."

The Building of Pines and Cranes was one of the best restaurants in Zhonghai City.

Xu Man had always wanted to go but he could not bear to spend money. However, now that he was provoked by Ye Feng, he did not want to appear stingy in front of the beauty.

If it was before, Xu Man would have been overjoyed to hear that.

But at this moment, she shook her head. “No need.”

“Why, Man Man...”

“Lin Jie, can you bring me to your dormitory to take a look?” Before Lin Jie could finish, Xu Man interrupted him.

“Ah?” Lin Jie was surprised.

“Isn’t there a saying that if you want to understand someone, you should first understand their living environment?” Xu Man said shyly.

Hearing that, Lin Jie was a little overwhelmed.

He had mentioned that he would bring Xu Man to his dormitory to take a look, but she had never agreed. Why was it that today...

Xu Man saw Lin Jie's hesitation and frowned. "What's wrong? Lin Jie, don't you want me to get to know you better?"

"No, no..."

Lin Jie saw that Xu Man was about to get angry and quickly shook his head.

"Then let's go back to school."

"Alright!" Lin Jie quickly nodded and reached out to hold Xu Man's hand.

Xu Man quickly dodged.

Seeing that Lin Jie seemed to be a little angry, she quickly put on a wronged expression and said, "Lin Jie, before I get to know you, I don't want us to progress too fast... You can understand me, right?"

"Alright, I respect your choice." Although Lin Jie was a little depressed, he was afraid of scaring Xu Man away, so he nodded.

Then, he walked toward his car.

Where he could not see, the gentleness on Xu Man's face had been replaced by disdain.

Lin Jie was really an idiot.

She only went to Lin Jie's dormitory to get to know more about Ye Feng, but Lin Jie actually believed her random excuse. He was too easy to fool.

Lin Jie seemed to have sensed something and turned to look at Xu Man.

Xu Man's face was still gentle.

Could it be his illusion?

Lin Jie scratched his head. He kept feeling that something was wrong, but he could not put his finger on it.

...

The Grand Phoenix Hotel was located in the city center and had thirty floors. Whether it was the hotel service or the facilities, it was the best among the five-star hotels in Zhonghai City.

Countless celebrities who came to Zhonghai City would choose to stay here.

Xia Qiu was staying in the luxurious presidential suite on the top floor of the Grand Phoenix Hotel.

At that moment, she was giving her manager, Sister Wang, a reminder.

“Sister Wang, when you go down to fetch Ye Feng later, you must be easy-going. Don’t scare him.”

“Judging from his clothes, he must be from an ordinary family. You have to be careful when you speak. Don’t hurt his pride.”

“Also...”

Although Sister Wang did not like Ye Feng, she knew that Ye Feng had saved their lives, so she remembered them all.

When it was almost time, she bade Xia Qiu farewell and went downstairs.

It was already 5:55 when they arrived downstairs.

Sister Wang waited for two to three minutes, but Ye Feng was still nowhere to be seen.

“He’s really not on time.”

Sister Wang could not help but feel a little resentful toward Ye Feng. She immediately took out her phone and called Ye Feng.
