

100 Million 24

Chapter 24

Goddess Xu's Platform, Xia Qiu's Gratefulness

"Really?"

"Junior Xu, did you get the wrong person?"

"The post said that his family background is very ordinary."

"..."

The crowd's first reaction was disbelief when they heard Xu Man's words.

"I'm sure I didn't get the wrong person," Xu Man said firmly.

Although she did not understand why Ye Feng could have a Black Gold Card from World City despite his ordinary family background, she knew that she was not wrong.

It was rare to see Xu Man so insistent, so the crowd believed her words a little.

However, there were still people who felt that Xu Man was only speaking up for Ye Feng because he was handsome.

Xu Man did not explain further. She took out her phone, opened the school forum, and browsed through the exposure posts.

Seeing that almost all the posts were scolding Ye Feng, she was secretly happy.

When everyone was scolding Ye Feng, and she stood firmly on his side, he would definitely be very touched, right?

Even if he was not touched, he would definitely have a deep impression of her.

With that in mind, Xu Man quickly spoke up for Ye Feng, saying that Ye Feng had a Black Gold Card for World City, and that there was no need for him to use a fake concert card to cheat people.

Xu Man was pretty and capable, and she was quite well-known in Zhonghai University.

Therefore, the moment the message was sent out, it immediately attracted a lot of people's attention.

[No way? Goddess Xu is actually speaking up for Ye Feng.]

[Could it be that the goddess's account has been hacked?]

[Can you guys focus on the main point?]

[Black Gold Card? Ye Feng has the Black Gold Card for World City?]

[That's impossible, the Black Gold Card from World City is a thousand times more valuable than the diamond card from Xia Qiu's concert. How could an ordinary person like Ye Feng obtain it?]

[It can't be another fake card, right?]

[Hahaha, I think it's possible.]

[Goddess, are you stupid? Even if you want to help Ye Feng, you should have made up a more practical reason.]

[...]

With the effort of the bystanders, Xu Man's comment was soon pushed to the front page of the post.

Even more people saw her comments. Many were shocked by the Black Gold Card's weight, but even more people still thought that Xu Man was talking nonsense.

...

Zhongtian Lake-View Villa No. 1.

Ye Feng did not know what had happened in school. After rearranging his new home, he sat down and rested for a while, then returned to school.

When he was building his new home, he realized that he had forgotten to pack some small items.

He immediately drove his Ferrari Enzo back to Zhonghai University.

...

At the same time, in a private room in the Shanghai Club in Zhonghai City.

Tan Bohong was reading a stack of documents.

Xia Qiu sat opposite Tan Bohong with her usual expression, but her hands on her legs were tightly clenched together, revealing her nervousness.

Sister Wang, who was standing behind her, was already sweating.

Tan Bohong was looking at information related to the movie that Xia Qiu was going to act in.

This stack of information was related to whether Xia Qiu could successfully enter the film industry. She could not help but be nervous.

The atmosphere in the private room was a little heavy.

Fortunately, it didn't last long.

Tan Bohong put down the documents and looked at Xia Qiu with a gentle smile on his face.

Seeing this, Xia Qiu and Sister Wang were relieved.

Tan Bohong didn't leave immediately after reading the script, which meant that they could still talk.

"Chairman Tan, this script..." Xia Qiu spoke, testing Tan Bohong's attitude.

Tan Bohong smiled. "Miss Xia, you have good taste. This script is not bad."

Hearing this, Xia Qiu's smile became even brighter. "What do you mean, Chairman Tan?"

"Although the script is alright, it's a little worse than I expected..."

The smile on Xia Qiu's face froze.

Could it be that Tan Bohong was not planning to help?

Just as she was worried, Tan Bohong continued, "However, since Miss Xia is Mr. Xiao Ye's friend, I'll help you this time."

Hearing this, Xia Qiu and Sister Wang were finally relieved.

"Thank you, Chairman Tan!" The two of them quickly thanked him.

While thanking him, Xia Qiu recalled Tan Bohong's words and Ye Feng's figure appeared in her mind.

After a strange look flashed in her eyes, she quickly retracted her thoughts.

Tan Bohong smiled gently and was very satisfied with their attitudes.

After that, the three of them began to talk about the cooperation.

By the time everything was settled and the contract was signed, it was already past 11 o'clock.

Xia Qiu wanted to treat Tan Bohong to a meal, but Tan Bohong refused.

Then, he walked out of the private room.

Xia Qiu and Sister Wang quickly stood up to send him off.

After watching Tan Bohong's convoy leave, Xia Qiu quickly went into her Mercedes-Benz RV.

“To Zhonghai University!”

After she spoke to the driver, she turned to look at Sister Wang.

When Sister Wang heard this, she seemed to have realized Xia Qiu’s meaning and was a little surprised.

However, while she was surprised, her expression was a little conflicted.

Xia Qiu saw that she wanted to say something but stopped, so she asked, “Sister Wang, do you have something to tell me?”

Sister Wang hesitated for a moment before finally nodding. “There is indeed something about Mr. Ye...”
