### Chapter 241 - 241 A New Destiny Navigation System

#### 241 A New Destiny Navigation System

The next morning, Ye Feng packed his things and walked out of his room.

Ye Baoguo and his wife already knew that he was going back today, so they got up early and prepared several bags of local specialties for him.

Ye Feng could not help but smile bitterly. "Grandpa, Grandma, you've given me so much food, I can't eat it."

"If you can't finish it, you can share it with your classmates and friends." Ma Xianglan didn't seem to mind at all. Instead, she was still stuffing things into his bag.

Ye Feng was helpless. He could only let them be.

When he was done packing, he took out the Longguo Bank private bank card from his pocket.

"Grandpa, Grandma, I've made a bank card for you. There's some money in it. You can buy whatever you want. Don't be reluctant."

Ma Xianglan immediately declined, "Your grandfather and I have money. You can keep it for yourself."

Ye Baoguo took it from him. "If you don't want it, I'll take it. He's so rich now, isn't it only right for him to show his respect to his grandparents?"

Ye Feng nodded immediately. "Grandpa is right, my money is your money, and you can spend as much as you want. Don't save money for me."

Ye Baoguo glared at him unhappily.

"I said you're fat and you're still panting? How much money is in the bank card? And spend as much as we want? Your tone isn't small."

Ye Feng chuckled, "I didn't save much, only 10 million. If it's not enough, I can save more."

Pa da!

The bank card immediately fell to the ground.

Ye Baoguo's eyes widened. "How much? 10 million?"

He had thought that it would be good enough if there were tens of thousands of yuan in the card.

He didn't expect that this kid had saved up 10 million.

Ma Xianglan picked up the card and was about to pass it to Ye Feng. "Isn't this too much? Where can we spend it? You should just use it to do business."

Ye Baoguo reached out again and snatched it. "What business? Do you think it's that easy to do business? What if he goes bankrupt? At least it's safer for us to keep the money."

Saying so, he turned around and looked at Ye Feng.

"If you lose money in your business, remember to come back and ask me for it. With this money, at least you can rise again."

Ye Feng's heart was in turmoil. "I understand, Grandpa."

After saying that, he hurriedly picked up his things and walked out.

He was afraid that if he stayed any longer, he would not be able to control his tears.

Ye Baoguo and Ma Xianglan walked him out of the neighborhood.

When the neighbors heard that he was leaving, they all came out to see him off.

In these two days, Ye Feng's reputation rose.

Many people came to their community to ask about buying a house.

For a time, the most dilapidated community in Fan City had become a hot cake that everyone was fighting for.

The original price was more than 1,000 yuan per square meter.

The price had actually been raised to 6 or 7,000.

Moreover, the price was still rising.

It could be said that these neighbors had all benefited from Ye Feng.

Thus, their respect toward Ye Feng had reached an unprecedented level.

Now, what they were most afraid of was that Ye Feng would suddenly move out or ask Ye Baoguo and his wife to move out.

If that happened, their dreams of getting rich would be shattered.

And Ye Feng had indeed planned to buy a house for his grandparents in the most high-end community in Fan City.

However, the two elders had lived in this dilapidated neighborhood for their entire lives and had developed a deep relationship with each other. They were unwilling to move out, so he could only respect their wishes in the end.

However, although he agreed to the two elders' request, Ye Feng still made some insurance – he asked Tian Fugui to find two bodyguards to protect them secretly.

After all, many people knew that he had made a fortune.

Who knew if anyone had any ill intentions toward the two elders after seeing the money?

It was always better to be safe than sorry to arrange for some people to protect the two elders in secret.

..

Thinking of this, Ye Feng turned his gaze to the front.

At that time, the group that came to send him off was very spectacular.

As a result, many passersby stopped in their tracks out of curiosity and asked around to see what had happened.

It wasn't until Ye Feng's sportscar disappeared at the end of the road that everyone turned back.

Ye Baoguo and Ma Xianglan were already in tears.

"Old man, don't cry. Xiao Feng will come back for the New Year."

"I know, but I just can't control my tears."

"Sigh, I can understand. Although you don't say it, you actually have the deepest feelings for Xiao Feng."

“No, I just can’t bear to part with that sportscar. I haven’t had enough of it!”

“...”

“Honey, I have something to discuss with you.”

“What is it?”

“Didn’t Xiao Feng just leave us some money?”

“Yeah, what’s wrong?”

“Why don’t we buy a sportscar?”

“Did a donkey kick your head? You’re going to die soon, why would you buy a sportscar?”

“Let me explain. That sports car is really cool to drive...”

“Get lost!”

..

Ye Feng drove the Lykan supercar and sped along the highway.

The excitement brought by the extreme speed gradually diluted the sadness of parting.

Think about it carefully.

Ever since he had this sportscar, he had never really raced a car.

Previously, in the city, there was no way to fully unleash the performance of this car.

This time, it was the chauffeur that Lin Junjun had hired who drove them back to Fan City.

This was the first time he had felt its powerful performance without restraint.

Along the way, he left the cars behind him.

This kind of excitement was beyond words.

Just as Ye Feng was feeling the rush of adrenaline...

The long-awaited system notification suddenly rang in his ears.

[New opportunity navigation detected. System navigation activated.]

[Host, please drive 500 meters along the current road and turn right at the intersection ahead...]

Hearing the system's notification, Ye Feng was stunned.

It had been a while since he had heard the system prompt.

Now that he heard it, it really did sound a little friendly.

Without any hesitation, Ye Feng immediately followed the system's navigation.

After getting off the highway, he drove for about ten minutes.

From afar, he could see a huge lake in front of him.

The lake was called Celestial Water Lake.

It was one of the most famous tourist attractions in Fan City.

However, the locals of Fan City rarely came here.

That was because the cost of living here was too high.

Most of them were foreigners.

In addition, because of the Mid-Autumn Festival, there were many tourists from other places.

Ye Feng drove his Lykan supercar and passed through the crowd.

Soon, he arrived at the scenic spot's management office.

Just as he was wondering why the system had brought him here...

Suddenly, he heard a familiar voice.

“F\*ck, if you say one more word of nonsense, do you believe that I won’t smash this place of yours?”

Chapter 242 - 242 Meeting An Old Friend By Chance

242 Meeting An Old Friend By Chance

When Ye Feng heard that voice, he was first stunned.

He thought he had heard wrong.

He hurriedly pushed the door open and got out of the car, walking forward.

Very soon, Ye Feng saw a man in his thirties arguing with the manager of the Celestial Water Lake’s management office.

The man was very handsome, and his every movement was very imposing.

He was wearing a white casual outfit and a pair of sunglasses.

In his arms was a woman with a graceful figure.

Ye Feng recognized it at a glance.

This man was not just anyone.

It was the same Young Master Zhao that he had met at Old Master Xu's birthday banquet.

At that time, he had heard that he was the son of Zhao Yuesheng, the richest man in Southern Guangdong Province.

His background was terrifying.

Ye Feng had sold him a hundred-year-old wild ginseng.

It could also be considered as an opportunity.

Later on, at Ye Feng's gathering with his childhood friends, the two of them even met once.

However, they never contacted each other again.

He didn't expect to meet him here today.

The person in charge was a little annoyed when he heard Zhao Fulin's words.

"Why are you acting tough in front of me? I've already explained to you that the villa has already been rented. Why can't you understand human language?"

"It's not that I'm not cooperating with you on purpose, understand? It's true!"

Zhao Fulin was furious. "How could you say that? I dare you to f\*cking say that again!"

The person in charge laughed. "What's wrong? You want to hit me? Come, if you have the guts, try touching me. I promise you that you won't be able to walk out of Fan City, do you believe me?"

Zhao Fulin was infuriated by him and was about to beat him up.

"Fulin, forget it. Let's go." The graceful woman pulled him back.

Zhao Fulin didn't move. "Today is your birthday. I promised to give you an unforgettable birthday. I won't break my promise."

As he said that, he continued to rush forward.

Seeing this, Ye Feng hurriedly said, "Brother Zhao, wait a moment."

Zhao Fulin's body froze and he turned around.

He was instantly stunned.

"Brother Ye? What are you doing here?"

Ye Feng smiled and walked up.

"My home is in Fan City. I was just about to ask you, why are you here?"

Zhao Fulin walked over and patted his shoulder.

“Isn’t this too much of a coincidence? Manli and I heard that the Celestial Water Lake in Fan City is very beautiful, so we drove all the way here. I didn’t expect your family to be in Fan City.”

Ye Feng turned around and looked at the woman with the graceful figure.

Zhao Fulin immediately reacted and introduced, “Let me introduce you, this is my girlfriend, Huang Manli.”

Ye Feng immediately took the initiative to reach out his hand. “Hello, Sister-in-law, my name is Ye Feng.”

Huang Manli reached out to shake his hand. “Ye Feng, please help me to persuade your Brother Zhao. His temper is back.”

Ye Feng looked at Zhao Fulin with a funny expression. “Brother Zhao, what is going on?”

Zhao Fulin got angry when he talked about this.

“It’s Manli’s birthday today. I wanted to rent a villa on the island and give her a romantic birthday.”

Then, he turned around and glared at the person in charge. “But he told me that the villa has been rented out.”

Ye Feng could not help but scratch his head. "Since they have already rented it out, this is not easy."

Zhao Fulin was a little angry. "The problem is that that person came later than me. I had already paid the rent and was about to land on the island. They suddenly told me that they rented it out. Isn't he bullying me because I'm a foreigner?"

After hearing his explanation, Ye Feng immediately turned to look at the person in charge.

"This is where you guys are wrong, right? There's always a first come, first served basis for everything. Since you've already rented the villa to my friend, why did you suddenly go back on your word?"

The person in charge could tell from Ye Feng's accent that he was a local.

He even drove a cool sportscar.

One could tell that he was not an ordinary person.

He didn't have the arrogance he had when he was facing Zhao Fulin.

"Sir, please don't make things difficult for me. I'm just following my boss' orders. My boss said that the man is his friend and asked me to rent the villa to him first. I have no choice."

Ye Feng's face darkened. "Since you can't make the decision, call your boss out and I'll ask him personally."

The person in charge looked troubled. "Our boss is very busy. He won't care about such a small matter."

Ye Feng sneered, "Since he doesn't care about such a small matter, then he's forcing me to make it big?"

The person in charge could tell that his aura was out of the ordinary, and he was shocked by his tone. "No, no, no, I'll call the boss now."

When Zhao Fulin threatened him, he didn't take it seriously.

After all, it didn't matter how rich a foreigner was.

In a place like Fan City, he was unfamiliar with the people and the place, so he couldn't cause any waves.

But for a local like Ye Feng, he had to be careful.

Especially those who could afford sportscars.

This was rare in Fan City.

He probably had a powerful background.

As he was thinking about this, the person in charge of Celestial Water Lake's scenic spot management immediately took out his phone and went to the side to make a call.

Zhao Fulin was still angry. "If this was Southern Guangdong Province, I would have razed this place to the ground."

Ye Feng could not help but shake his head and smile bitterly.

This Young Master Zhao had probably never suffered from such vexing anger before.

After all, he was the son of the richest man in Southern Guangdong Province.

No matter where he went, there would always be someone to help him settle everything.

How could he have encountered such a thing?

Just as the two of them were chatting, they saw a middle-aged man walking over with the person in charge of Celestial Water Lake.

The middle-aged man had an unremarkable appearance.

Especially that pair of large front teeth, they were like groundhogs.

He did not look too good.

He was still cursing and swearing.

Especially when he saw how young Ye Feng was, his expression became even more disdainful.

“You, why are you looking for me?”

Chapter 243 - 243 Giving Him a Taste of His Own Medicine

243 Giving Him a Taste of His Own Medicine

In the face of the middle-aged man’s questioning, Ye Feng calmly pointed at Zhao Fulin.

“My friend has rented a villa here. He has already paid the rent, but you guys suddenly went back on your word. Shouldn’t you give me an explanation?”

The middle-aged man was a little displeased.

“You just want an explanation, don’t you? Then I’ll tell you clearly. That villa has been rented by my friend. If you guys want to rent it, come back tomorrow.”

Zhao Fulin was a little angry. “Today is my girlfriend’s birthday and you want me to come tomorrow? If your father dies today, can he be saved tomorrow?”

The middle-aged man immediately pointed at his nose and said, “You better watch your mouth. If you want to rent it, just wait. If you don’t want to rent it, then get lost!”

How could Zhao Fulin endure this?

He was about to make a move when Ye Feng hurriedly stopped him and turned to look at the middle-aged man.

“Friend, the most important thing in doing business is to keep your word. It’s not very good for you to go back on your word, is it?”

The middle-aged man sneered.

“This is how I do business. What can you do about it? If you can’t die, I’ll throw you all into the lake to feed the fish if you waste any more time with me.”

As soon as he finished speaking, six to seven burly security guards rushed out from behind.

After they rushed out, these people were still staring at Ye Feng and the other two like tigers watching their prey.

“Fulin, a strong dragon can’t suppress a snake in its own territory. Let’s go.” Huang Manli pulled Zhao Fulin’s arm.

Zhao Fulin wasn’t a simple-minded person.

The other side had the advantage in numbers. If they continued to fight, they would definitely suffer.

Although Ye Feng was a local, he was still young.

He probably couldn’t settle this matter.

When he thought of this, he immediately retreated.

“Brother Ye...”

Just as Zhao Fulin was about to speak, he was interrupted by Ye Feng.

“I’ll make a call first.”

Ye Feng smiled at him, then took out his phone and called Tian Fugui.

The phone rang twice before it was quickly connected.

“Hello, Mr. Ye, what’s the matter?”

Tian Fugui’s respectful voice came through the phone.

“Celestial Water Lake? You’re talking about Bao Daya, right? He used to be one of my underlings. Later, because he slept with his friend’s wife... He was too bad a person... He was chased away by me. Why? Did this kid offend Mr. Ye? Then I’m going to cut him into eight pieces!”

“It’s not that serious. It’s something that happened to a friend of mine...”

Ye Feng immediately explained the situation.

When Tian Fugui heard this, he was instantly furious. “This b\*stard, a dog can’t change its habit! Mr. Ye, please pass the phone to him. I’ll talk to him.”

Ye Feng immediately passed the phone to Bao Daya. “Your old acquaintance, Old Tian, would like to have a chat with you.”

Bao Daya’s expression was disdainful. “I don’t know any Old Tian. If he wants to talk to me, ask him to come to me personally. Do you understand?”

Ye Feng turned on the speaker at this time.

Then, he heard Tian Fugui’s angry voice from the phone.

“Bao Daya, are you f\*cking looking to die?”

Bao Daya heard his voice and shivered. “Pres... President Tian? Why are you here?”

At the same time, he looked at Ye Feng in disbelief.

He did not expect this kid to know Tian Fugui.

This, he really misjudged!

“Bao Daya, I don’t want to waste my breath on you. Give that villa to Mr. Ye now, immediately, now! I’ll deal with you later.”

Tian Fugui’s voice was filled with killing intent, making one shiver.

Bao Daya hurriedly wiped his sweat. “President Tian, it’s not that I don’t want to, but I don’t dare to. I can’t afford to offend the guest who has already moved in!”

Tian Fugui’s voice was cold. “Who is that person?”

“He is Zhou Xiaoming’s second son!” Bao Daya answered immediately.

When Ye Feng heard the name ‘Zhou Xiaoming’, he was a little surprised.

This Zhou Xiaoming was a well-known rich man in Fan City.

Although his assets were not as good as Tian Fugui's, they were not that far off.

Bao Daya said the name of 'Zhou Xiaoming' and immediately let out a sigh of relief.

He felt that with Tian Fugui's shrewdness...

He definitely wouldn't offend such a powerful rich man for the sake of a young man.

However, Tian Fugui's answer was beyond his expectations.

"Not to mention Zhou Xiaoming's son, even if he's the son of the jade emperor, you have to clear out the villa for me today!"

His voice was filled with unquestionable determination.

Bao Daya was stunned.

Who was this young man in front of him?

He was actually able to make Tian Fugui not hesitate to form a grudge with Zhou Xiaoming to please him.

Could it be that he had offended an important figure that he could not afford to offend?

Thinking of this, Bao Daya immediately shuddered.

At this time, Tian Fugui spoke again, "Apologize to Mr. Ye immediately and try to get his forgiveness. If he doesn't forgive you, then let your family prepare to collect your corpse!"

After that, he hung up the phone.

Bao Daya heard this and looked at Ye Feng in a daze. He could not come back to his senses for a long time.

Ye Feng was a little impatient. "Can you return my phone to me?"

Bao Daya finally reacted and hurriedly handed over the phone with both hands.

“Mr. Ye... I was blind just now and offended you. I really deserve to die, please forgive me!”

Ye Feng took the phone from him. “Since you said that you deserve to die, do you think an apology is enough?”

Bao Daya looked at him in fear and trepidation. “Mr. Ye, I know I was wrong. As long as you spare my life, I’ll do anything you want.”

“Anything?”

“Yes.”

“Then you can jump into the lake yourself.”

“Ah?”

Bao Daya was stunned when he heard that.

Ye Feng stared at him coldly.

“You were the one who said you were going to throw me and my friend into the lake to feed the fish, right? Then I’ll give you a taste of your own medicine. Is there a problem?”

“But...”

Bao Daya was still a little hesitant.

Ye Feng immediately looked at the group of security guards. “Since Boss Bao can’t do anything to himself, can you help him?”

The security guards looked at each other.

Even Boss Bao was so afraid of this young man.

How would they dare to disobey the orders of the other party?

They immediately swarmed forward.

They lifted Bao Daya.

They walked toward Celestial Water Lake.

Chapter 244 - 244 He's Not Worthy of Knowing Me

244 He's Not Worthy of Knowing Me

Plop!

Bao Daya was thrown into the Celestial Water Lake and started to struggle crazily.

“Help me... I don't know how to swim... A life is going to be lost...”

The workers of Celestial Water Lake all looked at Ye Feng's expression, They did not know if they should save him or not.

But Ye Feng did not move. He did not give any indication.

Seeing this, the staff could only watch as Bao Daya struggled desperately, but they did not dare to act rashly.

Many tourists in the scenic area of Celestial Water Lake heard the commotion and were quickly attracted over, pointing at Ye Feng and the others.

“What happened? Why is that person in the water? Why didn’t anyone go down to save him?”

“That man seems to be the boss of the Celestial Water Lake scenic area. He was just thrown down by the young man.”

“Oh my god, this is murder. Why isn’t anyone doing anything?”

“I advise you not to meddle in other people’s business. Since he dared to throw him into the water publicly, he must have a strong background. Don’t get yourself into trouble.”

“D\*mn, he even threw the boss of the Celestial Water Lake into the water. This young man must have a powerful background!”

“If we don’t save him, he’s really going to die!”

Just as everyone was in a heated discussion...

Zhao Fulin was also sizing up Ye Feng.

To be honest, he did not have much contact with Ye Feng, so he did not know much about him.

But today, he finally witnessed this young man's methods.

Not only did he make the boss of Celestial Water Lake lower his head and admit his mistake with just a phone call, moreover, he even had people throw him into the water and sat by the side as the other party pleaded, but he did not do anything.

Whether it was his connections or his decisiveness, he far exceeded his peers.

Especially now.

Bao Daya was struggling in the water for help. He could drown at any moment, but he was still calm.

There was no emotional fluctuation.

Just this shrewdness was enough to make him admire him.

This also gave him an idea.

This young man could only be a friend, not an enemy!

Otherwise, he would not be able to eat or sleep in peace with such an enemy.

On the side, Huang Manli's eyes were also filled with amazement.

She had thought that Zhao Fulin was already one of the best in the younger generation.

She didn't expect that this young man, who was much younger than him, would be so arrogant.

The calmness, decisiveness, and ruthlessness that he displayed were even more than that.

This was the spirit that a successful person should have.

She could even foresee it.

This young man was bound to achieve great things in the future.

If only she had met him earlier...

Of course, it was unnecessary to think about this now.

Luckily, Zhao Fulin wasn't bad.

Even though he was able to have his current achievements because of the strong foundation of the family, he was still quite hardworking.

Compared to most of the rich second-generation, he was already much stronger.

Bao Daya's cries for help gradually weakened.

Ye Feng waved his hand lightly.

The staff of Celestial Water Lake immediately started the lifeboat and went to retrieve Bao Daya.

After that, they had to take emergency measures.

This allowed him to escape danger.

"Now, can you arrange a villa for my friend?"

Ye Feng had a friendly smile on his face, and he lowered his head and looked at him.

“Yes, yes, yes. I’ll make the arrangements for you.”

When Bao Daya saw him, it was as if he had seen the devil.

He hurriedly dragged his weak body to arrange the villa.

In a short while, they saw a rich kid and a few girls being driven out by security.

“Bao Daya, just you wait. When I get back, I’ll ask my dad to raze your place to the ground.”

The rich kid was still cursing.

When he passed by Ye Feng, he even glared at him.

He probably knew that the reason why he was chased out was all because of this person in front of him.

After he returned home.

He must make his father avenge him!

At this time, Bao Daya ran over and looked at Ye Feng with a fawning expression. "Mr. Ye, the house has been arranged."

Ye Feng turned to look at Zhao Fulin. "Brother Zhao, it's all done. You can move in now."

Zhao Fulin patted his shoulder and said, "Thank you, Brother Ye. I owe you one more."

Ye Feng smiled. "You're treating me as an outsider by saying that. I treat you as my brother, but you treat me as your younger cousin?"

Zhao Fulin laughed. "Alright, then I won't be polite with you. We'll be brothers from different mothers. Come, let's go in and have a drink."

Ye Feng was about to agree, but at this moment, he suddenly received a call.

He took out his phone and took a look.

The caller ID showed that it was Shen Baitian.

He immediately answered the call.

“Ye Feng, Mo Cong has entered.”

Shen Baitian’s voice carried a hint of excitement.

“Where did he go?”

Ye Feng could not react for a moment.

“Of course, he’s in prison. It’s all because of you.”

“Don’t spout nonsense. What does this have to do with me?”

“Do you dare to say that you didn’t mail that phone to the police?”

“1...”

Ye Feng was speechless.

Before he returned to Fan City, he had indeed sent Mo Cong's phone to the officials anonymously.

The reason why he did so wasn't because he was afraid of Mo Chaosheng.

It was mainly to avoid trouble.

If it was a report in real name, it was inevitable that he would have to go to the Public Security Bureau to make a statement and give a testimony.

He didn't have that kind of free time.

"I guess that old man, Mo Chaosheng, is quite angry this time?"

When Ye Feng thought of Mo Chaosheng's current expression, he wanted to laugh.

"That's for sure. Just based on those heartless things that Mo Cong did, he should be sentenced to at least 20 years in prison. Mo Chaosheng must hate you to the core right now. You must be careful."

“Don’t worry, he won’t be able to do anything for long. When I go back this time, I’ll take care of him as well. Let’s try to reunite him and his son in prison.”

After Ye Feng finished speaking, he hung up the phone.

At this time, Zhao Fulin suddenly asked, “Brother Ye, the Mo Chaosheng you mentioned just now, is he the Mo Chaosheng from Southern Guangdong Province?”

Ye Feng turned around and looked at him. “That’s right, Brother Zhao. Do you know him?”

Zhao Fulin had a strange smile on his face.

“He’s not worthy of knowing me, but I’m still very familiar with his master.”

Ye Feng’s interest was piqued.

“His master? Who is that?”

Chapter 245 - 245 Is This the Friendship Between Men?

245 Is This the Friendship Between Men?

“Niu Dun. Have you heard of this name before?”

Zhao Fulin suddenly mentioned a name.

“Niu Dun? I’ve never heard of it. ”

Ye Feng immediately shook his head.

“It’s normal that you’ve never heard of him. Niu Dun is usually very low-key. Unless you’re in the business world of Southern Guangdong Province to a certain level, it’s hard to hear his name.”

As Zhao Fulin spoke, he pulled Ye Feng to sit on a chair at the side.

Bao Daya had a good eye and immediately asked someone to bring two pots of good tea and two bottles of beer.

“Is this Niu Dun very powerful?”

Ye Feng’s curiosity was piqued when he saw Zhao Fulin’s serious expression when he mentioned this person.

“This man built the Fuli Corporation from scratch and turned it into a super-large multinational corporation in less than 20 years. Don’t you think he’s amazing?” the man asked.

Zhao Fulin’s expression became serious when he talked about Niu Dun.

“How is it compared to your family?” Ye Feng immediately asked.

Zhao Fulin’s father was the richest man in the Southern Guangdong Province.

Thinking about it, no matter how strong that Niu Dun was, he shouldn’t be able to beat the Zhao family, right?

“I don’t know,”

Zhao Fulin gave him an unexpected answer.

“What do you mean you don’t know?”

Ye Feng was slightly surprised.

“If we’re talking about personal wealth, of course my father has more. But if we compare the strength of the two groups, they’re probably about the same,” Zhao Fulin immediately explained.

“In this case, this Mo Chaosheng’s backer is really quite powerful.”

After hearing his explanation, Ye Feng was shocked.

“Brother Ye, what kind of enmity do you have with Mo Chaosheng? If it’s not for some deep hatred, I advise you not to provoke them.”

Zhao Fulin looked at him worriedly.

“I didn’t want to provoke them, they provoked me first.”

Ye Feng smiled bitterly as he briefly explained the grudge between him and Mo Cong.

Zhao Fulin fell into deep thought.

“What is Mo Chaosheng doing in Zhonghai? He even instructed his son to pursue Grandpa Shen’s granddaughter? Isn’t this a little too abnormal?”

“Previously, I heard from a girl who was r\*ped by Mo Cong that she accidentally overheard Mo Cong talking about the King Xiang’s secret treasure map while he was chatting with someone,” Ye Feng immediately replied.

“King Xiang’s secret treasure map?”

Zhao Fulin slapped his thigh and said, “I know. It must be Niu Dun who asked him to look for the map.”

Ye Feng was stunned when he heard this. “Niu Dun is also collecting King Xiang’s secret treasure map?”

Zhao Fulin nodded.

“It’s no secret in the circle that Niu Dun has King Xiang’s secret treasure map. Many people are laughing at him in private. After all, no one has managed to collect the King Xiang’s secret treasure map in the first few thousand years. He’s too whimsical.”

Ye Feng drank a mouthful of beer. “Then I understand now. So Mo Chaosheng’s scheme for the King Xiang’s secret treasure map was under Niu Dun’s orders.”

Zhao Fulin looked at him worriedly.

“Brother Ye, this Niu Dun is a powerful character. If you can avoid offending him, try not to. Is there really no possibility of reconciliation between you and Mo Chaosheng?”

Ye Feng shook his head. “If it was before, there might be a possibility. But now, his son has been sent to prison by me. Only one of us can live.”

Zhao Fulin tapped his finger on the table.

“Since we can’t reconcile, we must kill him in one blow. This Mo Chaosheng has done a lot of immoral things in Southern Guangdong Province. I can help you collect some evidence of his crimes.”

Hearing this, Ye Feng did not show much joy. Instead, he shook his head and refused.

“I appreciate Brother Zhao’s good intentions, but this is a matter between me and Mo Chaosheng. I don’t want to drag you in. If Niu Dun knew that you helped me, he would definitely vent his anger on you.”

Zhao Fulin was very touched by his words.

If it were someone else, they would have immediately nodded in agreement.

After all, with the help of the Zhao family, it would be much easier to get rid of Mo Chaosheng.

If Ye Feng really did that, then he would take it as returning the favor from the wild ginseng last time and this time.

In the future, the two of them would no longer owe each other anything.

But Ye Feng did not do so. He was worried about his safety instead.

This made him even more certain of this friend.

“You just said that you treat me as your own brother, so why are you treating me like an outsider now? I treat you as my younger brother, but you treat me as your cousin?”

“Hahaha...”

The two of them laughed at the same time.

The wine glasses clattered together and were emptied in one go.

Huang Manli looked at the two’s heroic appearance.

She couldn't help but feel a little shaken.

Was this the friendship between men?

While talking and laughing, others turned into ashes!

"Brother Ye, do you want to come to the villa with us?"

Zhao Fulin put down his glass and stood up.

"No, I don't want to be a third wheel. I still have to go back to Zhonghai."

Ye Feng also stood up.

"You're right. You're indeed a little in the way here."

Zhao Fulin didn't force him to stay.

“Brother, I still have to advise you. You must exercise restraint. After all, there’s no land that’s broken from plowing, only cows that die from exhaustion.”

“Go to h\*ll!”

The two of them laughed and scolded each other.

Ye Feng turned around and got into the car.

He sped away.

At the same time, a system notification sounded in his ear again.

[Congratulations to the host for completing the destiny navigation! Reward: ownership of Dong’an Securities Co. Ltd. Value: 3 billion!]

..

Zhonghai City.

“Boss, Dong’an Securities rejected our acquisition plan again.”

A middle-aged man in a suit was reporting to Mo Chaosheng respectfully.

“F\*ck, b\*stards, a bunch of b\*stards!”

Mo Chaosheng kicked the coffee table in front of him.

The tea set on the coffee table was scattered all over the floor.

Ever since he came to Zhonghai, he had been through a lot.

Not only did he not make any progress in the task assigned by Mr. Niu...

Even his son was arrested for r\*pe.

He might even face more than 20 years in prison.

Now, even the acquisition of Dong’an Securities was repeatedly obstructed.

Zhonghai was a lousy place and was destined to be his nemesis.

He couldn't stay here for long!

"Boss, what do we do now?"

The middle-aged man knew that his boss was in a bad mood, so he didn't even dare to breathe.

"I'll personally go to Dong'an Securities tomorrow. If they don't know what's good for them..."

When Mo Chaosheng said till here, his face revealed a very hot expression.

He had always been unscrupulous in his work in Southern Guangdong Province.

After coming to Zhonghai, he wanted to restrain himself and complete Mr. Niu's task as soon as possible.

But now, it seemed that he was too soft-hearted.

From now on, he was going to start a massacre.

Anyone who tried to stop him, must all die!

Especially that Ye Feng.

He now hated this person to the bone.

After he had finished his work, he would definitely tear this person into pieces!

Chapter 246 - 246 It Does Seem a Little Ordinary?

246 It Does Seem a Little Ordinary?

At the same time, on the other side.

As soon as Ye Feng returned to the Zhongtian Lake-View Villa in Zhonghai and parked his car in the basement, he received a call from the Legal Department of Dong'an Securities, asking him when it was convenient for him to go and complete the handover.

After a morning of driving, Ye Feng was too lazy to make another trip, so he agreed to go there tomorrow.

Then, he hung up the phone and took a nap.

When he was taking a nap, Ye Feng naturally thought of Xu Man.

This person worked at Dong'an Securities. Before this, he had made use of his job to provide some convenience for her.

He didn't expect that he would become her boss.

On the day of Ye Baoguo's birthday, Xu Man couldn't make it back due to work.

However, she still sent a big red packet to Ye Feng on WeChat, and sent her apologies and blessings.

As there were too many people who sent their well wishes, Ye Feng did not have time to reply and did not receive the red packet.

Thinking of this, Ye Feng dialed Xu Man's number.

The phone rang twice before it was connected.

“Xiao Feng, have you returned to Zhonghai?” Xu Man’s exhausted voice came from the other side.

“I just got back. You were the first one I called.”

“Wow, I’m really flattered! I can’t believe I’m the first one to receive a call from the legendary Mr. Ye.”

“Sister Man, don’t make fun of me. What legendary Mr. Ye?”

“Although I didn’t return to Fan City, I have heard of your glorious return to our hometown.”

“Even you know about it?”

“Of course. My parents have been calling me every day for the past two days. They’ve been talking about how successful you are and even told me to seize the time to get closer to you.”

“I think you should listen to Uncle and Auntie on this. If you don’t hug my thigh now, it’ll be too late in the future.”

“Go to h\*ll. Tell me, why did you call me?”

“Can’t I call you for no reason?”

“Do you think I don’t know you? You wouldn’t have called me if you had nothing to ask me for help with.”

“I’m innocent, am I that kind of person? I just miss you, and my longing for you is like a torrential river...”

“Are you going to tell me or not? I’m hanging up if you don’t?”

“I’m serious. I have something to do at Dong’an Securities tomorrow. We can have a meal together.”

“Conveniently? It sounds like a perfunctory answer.”

“It’s fine if you don’t want to eat. I’ll find someone else.”

“Don’t, I’m just joking. I should be the one treating you. I’m quite guilty that I couldn’t make it back to Grandpa Ye’s birthday party because of company matters.”

“I’ve already explained it to Grandpa. He expressed his understanding.”

“That’s what he says, but this meal still has to be on me.”

“Alright, it’s a deal then.”

“Alright, see you tomorrow.”

“See you tomorrow,”

After hanging up the phone, Ye Feng felt extremely uncomfortable as his body was sticky.

He immediately threw his phone down and walked straight to the bathroom, taking off his clothes as he walked.

However...

When he pushed open the bathroom door, he was stunned.

At this moment, a woman was lying in his bathtub.

She seemed to be enjoying it.

She was humming a little tune.

There was a glass of red wine on the edge of the bathtub.

At the same time, she raised her long, jade-white leg high.

She stroked it as if she was appreciating a rare treasure.

This woman was none other than Shen Baitian.

“How did you get in?” Ye Feng immediately exclaimed.

“Ah...”

When Shen Baitian heard the man’s voice, she was so frightened that she screamed.

She turned around and saw that it was Ye Feng.

She heaved a sigh of relief.

“You... How did you get in?” Shen Baitian stammered.

At the same time, she tried her best to bury her delicate body in the foam.

“Be clear, this is my house. How did you get in?”

Hearing her question, Ye Feng almost spat out a mouthful of blood.

“You... The key you gave me last time, have you forgotten?”

Shen Baitian also knew that she was in the wrong, and her imposing manner immediately weakened a little.

“I gave you the key to do a live broadcast, not to let you enter my house!”

Ye Feng was so angry that he almost fainted.

“The bathtub in my house is too small. It’s not comfortable to bathe in it. So I borrowed your bathtub to take a bath. I didn’t know you would come back so soon...”

Shen Baitian’s voice became softer and softer as she spoke.

In the end, she simply lowered her head and didn’t speak.

She was like a child who had made a mistake.

“So you’re saying that I’m in the wrong? I can’t go back to my own home?”

Ye Feng glared at her unhappily.

“I know I was wrong. I won’t do it again.”

Shen Baitian quickly revealed a pitiful expression.

“There’s a next time? Come out quickly, I’m a clean freak. This bathtub can’t be used anymore. I’ll have to get someone to replace it,” Ye Feng urged with a look of disdain.

“Do you have to go this far? I haven’t even complained about your bathtub being dirty, and you’re complaining about me?”

Shen Baitian was a little indignant.

Ye Feng was so angry that he could not speak. “You... Come out right now.”

As he spoke, he reached out to pull her out of the bathtub.

“Ah... Are you a hooligan? I’m not wearing any clothes!”

Shen Baitian immediately turned pale with fright.

“I...”

Ye Feng was completely helpless.

“You go out first, I’ll be right out.”

Shen Baitian’s pretty face had already turned red to the tip of her ears.

In addition, there were water droplets on her cheeks.

It made her look particularly moving.

“Hurry up!” Ye Feng urged again. He turned around and walked out.

Just as he turned around, he subconsciously glanced at the bathtub.

He seemed to have seen something vaguely.

But it also seemed like he didn't see anything.

He couldn't help but mutter, “Isn't it too small?”

Shen baitian didn't react in the beginning, until the sound of the door closing.

Only then did she understand what the other party was talking about.

“Ye Feng, you big hooligan!”

After saying that, she subconsciously touched it.

Was it really that small?

It was clearly already C.

However, compared to Lin Junjun and the others...

It seemed like...

It was indeed a little ordinary.

Chapter 247 - 247 I Can't Lose In Terms of Momentum

247 I Can't Lose In Terms of Momentum

A few minutes later, Shen Baitian walked out of the bathroom and saw Ye Feng sitting on the sofa.

Moreover, his entire body exuded a cold aura that kept people away.

She was thinking of saying a few good words to make the other party happy.

Ye Feng had already reached out his hand to her coldly. "Give it to me."

"What?" Shen Baitian did not react in time.

"The key." Ye Feng looked very angry.

"I know I'm wrong, but you don't have to..." Shen baitian still wanted to say a few more words.

"Cut the crap. You've betrayed my trust. Hand over the key to my house."

Ye Feng interrupted her ruthlessly.

"Alright, alright, I'll return it to you."

Shen Baitian took her bag from the sofa, took out a key, and slammed it on the coffee table.

She was laughing in her heart.

She had expected this day to come.

Therefore, she had secretly made a few more.

You want to shut me out?

Don't even think about it!

Your bathtub is mine.

Your kitchen is mine.

Your bed too...

Um, forget it.

"This is more like it."

Ye Feng kept the key proudly and was about to scold her again.

Suddenly, he noticed that Shen Baitian was wearing a white men's shirt.

The shirt looked very loose on her.

The hem of her clothes covered her thighs.

Her two slender, fair, and long legs dazzled everyone.

“You... Whose clothes are you wearing?”

“I only remembered that I forgot to bring a change of clothes when I was in the middle of the bathing, so... I found one in your closet...”

Shen Baitian lowered her head and fiddled with her fingers pitifully.

Ye Feng trembled with anger. “Who allowed you to wear my clothes? You... Why don't you take it off for me?”

Shen Baitian pursed her lips in dissatisfaction. "What a miser. Isn't it just a piece of clothing? I'll give you ten of them some other day."

"Are you going to take it off?"

"How can I take it off now?"

"You're not taking it off? I'll help you undress!" Ye Feng said as he stood up immediately.

"Ah! Stinky hooligan..." Shen baitian cried out in alarm and turned to escape.

But Ye Feng pulled her back and pressed her down on the sofa.

"Ye Feng, I really know that I was wrong. I won't do it again. Please let me go this time..."

Shen Baitian struggled and begged for mercy.

Ye Feng was unmoved. He immediately wanted to unbutton her shirt.

Shen Baitian saw that begging for mercy was useless.

She immediately changed her strategy.

“Alright, I’ll take it off myself, okay?”

After she finished speaking, she pushed Ye Feng’s hand away.

Then, she started to unbutton her shirt.

Ye Feng was just trying to scare her so that she would not dare to touch his own things in the future.

Seeing that she was serious, he immediately panicked.

“You... Stop!”

Shen Baitian saw that this move had worked.

She became more and more proud.

“You’re the one who asked me to take it off. Didn’t you want to see my body? Why do you have to find so many excuses? I’ll take it off now and let you look as much as you want.”

As she spoke, she undid the first button.

Ye Feng quickly jumped up from the sofa.

“Who wants to see you? You don’t have a chest or a butt. I might as well look at myself in the mirror.”

Shen Baitian saw his embarrassment and felt very proud.

“How do you know I don’t have a chest if you don’t see it? It means that you still saw it. Why do you have to pretend to be a gentleman? Aren’t you tired?”

As she spoke, she deliberately walked in front of him and continued to unbutton.

Ye Feng shifted his gaze away again.

Shen Baitian continued to follow him.

Ye Feng usually showed a confident look in front of her.

He had a maturity that did not match his age.

It was rare to see him so shy.

This immediately triggered her mischievous thoughts.

Ye Feng also saw through Shen Baitian's intention.

He immediately made up his mind.

He sat down on the sofa and crossed his legs.

"Strip."

This time, it was Shen Baitian's turn to be dumbfounded.

He immediately stopped.

She was just bluffing.

If he really wanted her to take off her clothes in front of a man, she couldn't do it even if she was beaten to death.

Ye Feng's lips curled up slightly. "Just take it off. What are you waiting for?"

Shen Baitian's eyes immediately welled up with tears.

"You're shameless!"

After she finished speaking, she picked up her things and ran out.

Ye Feng walked into the washroom with a victorious smile.

He realized that she had not taken her clothes.

They were all piled up on the sink.

And the bathroom was a mess.

Traces of shampoo and shower gel could be seen everywhere.

He couldn't help but shake his head.

Now that the 'culprit' had escaped, he could only deal with it himself.

After looking around, he couldn't find the rag.

Ye Feng took out two pink stockings from Shen Baitian's pile of clothes.

He wiped off the shampoo and shower gel on the dressing table.

This way, it looked much neater.

At this moment.

Suddenly, he heard Shen Baitian's exclamation from behind him. "You... What are you doing?"

Ye Feng turned around and looked at her. "Why are you back?"

Shen Baitian trembled as she pointed at him, then at the stockings in his hands.

"Ye Feng, you big hooligan!"

After she finished speaking, she covered her face and ran away again.

Ye Feng could not understand.

She should be back to get her clothes, right?

If she wanted to take the clothes, then so be it. Why did she scold him?

He was helping her clean up the mess.

How was he a hooligan?

However, when he looked at the silk stockings in his hand with a puzzled expression...

He was suddenly enlightened.

At this moment, on the two stockings, it was stained with a lot of white liquid.

At a glance, it looked like...

In addition, his upper body was naked.

He was 'hiding' in the bathroom again...

Anyone who saw it would think that it was a bad thing.

Great, now even if he jumped into the Yellow River, he would not be able to clear his name.

Chapter 248 - 248 Is It So Difficult To Be An Honest Person?

248 Is It So Difficult To Be An Honest Person?

The next morning.

When Ye Feng arrived at the Silver Brilliance Building at the agreed time with Xu Man, Xu Man was already waiting for him downstairs.

“I’m really flattered that Great Manager Xu is personally welcoming me!”

Ye Feng drove the Ferrari Enzo today and once again attracted countless eyes.

This gave him a huge headache.

Should he consider buying a more civilian car?

Otherwise, he would be the center of attention wherever he went, just like a monkey in a zoo.

“Didn’t you say so? Let me seize the time to hug your thigh tightly, or else I won’t have the chance in the future,” Xu Man teased.

“Only men need to hug thighs. Women...”

Ye Feng wanted to say something but stopped.

“Where should a woman be hugging?”

Xu Man’s mesmerizing almond-shaped eyes were fixed on him.

She was wearing a gray professional OL suit.

However, the charm that she exuded from her bones could not be resisted by any man.

“Ahem, nothing. Let’s go in quickly.”

Ye Feng quickly avoided her gaze and entered the building first.

Xu Man’s lips curled into a faint smile.

She was five years older than Ye Feng.

She had always treated him as a younger brother.

This was the little boy next door who would blush when he spoke to her in the past.

Now, he actually dared to tease her?

Hehe, interesting.

Xu Man and Ye Feng walked into the elevator and Xu Man asked curiously, "What are you doing in our company today? Didn't we just pay our company's rent a while ago?"

"I'm planning to buy your company. I'll be your boss from now on. Come, call me boss first."

Ye Feng smiled lightly.

"Pfft, hahaha..."

Xu Man laughed out loud when she heard that.

"What are you laughing at?"

Ye Feng could clearly hear the mockery in her laughter.

“You’re buying our company? Stop dreaming. During this period, many companies have proposed to us to acquire, including some international consortiums, but they were all rejected by our boss. Don’t even think about it.”

Xu Man clearly did not take his words seriously.

“Didn’t Pony Ma say that he wanted to buy your company too? Why didn’t the acquisition succeed in the end?”

“We were almost done with the discussion, but our boss rejected it in the end.”

“Why? Is the price too low?”

Ye Feng was a little curious.

“It’s not because of the price. The price they offered far exceeds the current valuation of Dong’an Securities.”

“Then why did you reject it?”

“Because our boss sees Dong’an Securities as his own son. Would you sell your own son to someone else?”

“Uh...”

Ye Feng was speechless.

He really wanted to say that her boss had already sold his own son to him.

However, Xu Man did not believe him.

The elevator reached Dong’an Securities.

Ye Feng was about to walk out.

“Wait a moment.”

Xu Man suddenly stopped him.

Then, she stood on her tiptoes and helped him adjust his collar.

“You’re already an adult, yet you still don’t know how to clean up properly.”

She was mumbling like a virtuous wife.

Just then, the elevator door opened.

The people waiting for the elevator outside were all stunned when they saw the intimate action between the two.

Xu Man retracted her hand awkwardly and brought Ye Feng out of the elevator.

“Tell me, what’s the matter for you to look for me today? Don’t tell me you want me to help you with the trading again?”

Xu Man brought Ye Feng to the rest area and made him a cup of coffee before asking again.

“I’ve already said that I’m here to acquire your company.”

Ye Feng took the cup of coffee with a helpless expression.

“You’re teasing me. Forget it, I’m too lazy to ask.”

Seeing that he wasn’t telling the ‘truth’, Xu Man was a little angry.

Ye Feng wanted to cry but had no tears.

He was telling the truth.

Why did Xu Man not believe him?

Was it so difficult to be an honest person?

Just then, his phone suddenly rang.

After the call was connected.

He heard a man’s deep voice from the other side.

“Mr. Ye, I’m Guo Huailiang, the president of Dong’an Securities. Have you arrived?”

“I’m at your company right now.”

“Alright, I’ll come over now.”

After Ye Feng hung up the phone.

“Who called you?” Xu Man asked curiously.

Ye Feng told her the truth. “Your boss said that he will be here soon and will take me to complete the handover procedures.”

Xu Man was completely speechless. “What’s wrong with you today? Did you drink too much last night and still haven’t sobered up?”

Ye Feng shook his head and smiled bitterly.

Being misunderstood was the fate of a genius.

Xu Man could not be blamed for her disbelief.

He could only blame his life for cheating.

There was no need to explain his cheating life.

At this moment, he saw a group of people walking over in a hurry.

The leader of the group was the president of Dong'an Securities, Guo Huailiang.

Behind him was a group of Dong'an Securities executives.

"President Guo."

Xu Man quickly stood up when she saw Guo Huailiang.

In her heart, she was still puzzled.

Why was President Guo here?

Guo Huailiang nodded at her, he then walked toward Ye Feng quickly.

“Mr. Ye, I’m really sorry to have kept you waiting.”

Ye Feng shook hands with him. “You’re too kind, I just arrived.”

“Then can we go through the handover procedures now?” asked Guo Huailiang cautiously.

Ye Feng nodded. “Sure.”

Guo Huailiang was about to lead the way.

Xu Man hurriedly pulled him back. “President Guo, did you just say that you wanted to hand over the work to him? What do you want to hand over?”

Guo Huailiang looked at Ye Feng hesitantly. “Didn’t Mr. Ye tell you?”

Xu Man was confused. “Tell me what?”

Guo Huailiang cleared his throat and swept his gaze across all the staff members of Dong'an Securities.

"I hereby solemnly announce that Mr. Ye Feng has acquired all the shares of Dong'an Securities. From now on, he is the big boss of Dong'an Securities."

The moment he said that...

All the staff of Dong'an Securities present, everyone was in an uproar!

Chapter 249 - 249 Isn't This a Question That Leads To Death?

249 Isn't This a Question That Leads To Death?

Dong'an Securities was going to change?

When they heard the announcement from Guo Huailiang, the president of Dong'an Securities, they were stunned.

All the staff of Dong'an Securities were shocked.

This news had come too suddenly.

They had not heard anything before this.

“Oh my god, Ye Feng is our boss? I’m not dreaming, right?”

“That’s right, although many consortiums have offered to buy us, I didn’t expect that it would be Ye Feng in the end?”

“Who is Ye Feng? You guys seem to be very familiar with him?” An employee who was obviously new asked curiously.

“Ye Feng is Manager Xu Man’s rumored boyfriend.”

“What rumored boyfriend? That’s her boyfriend, okay? Manager Xu has admitted it herself.”

“D\*mn, doesn’t that mean that Manager Xu is our boss’ wife?”

“That’s why they say that a woman with a good education and a good job is not as good as being married. It’s better to find a good man than to struggle for ten years.”

“The problem is, she hasn’t married Ye Feng yet. So, we still have a chance?”

“Stop dreaming. Why don’t you take a look at yourself in the mirror? Whether it’s appearance, temperament, or ability, which part of you can compare to Manager Xu?”

“Although I’m not good at figure, appearance, or temperament, I... I’m more sl\*ttty than her. What if Mr. Ye gets tired of bland food and likes my taste?”

“Blargh...”

On the other side, Xu Man was still in disbelief when she heard the crowd’s discussion.

Just now, Ye Feng told her that he was here to acquire Dong’an Securities.

She had always thought that Ye Feng was joking.

After all, she was a middle-rank in the company and had never heard of anything.

Why was it suddenly acquired?

Moreover, it was purchased by Ye Feng.

Wasn't this too absurd?

Just as she was doubting her life, Ye Feng suddenly turned around and looked at her. "You come too?"

Xu Man was taken aback. "Is it appropriate for me to go?"

Only the members of the Board of Directors, as well as senior executives above the vice president could participate in such a share transfer.

And she was just a small manager.

Logically speaking, she was not qualified to participate.

"I'm your boss now. If I say you're suitable, then you're suitable."

After Ye Feng finished speaking, he held her hand and walked toward the meeting room without any hesitation.

Upon seeing this scene, all the senior executives and employees of Dong'an Securities were secretly shocked.

Ye Feng's actions were undoubtedly telling them that Xu Man was his woman.

The department managers who were previously scheming against Xu Man had completely given up.

With such a strong backing, how would they still dare to scheme against Xu Man?

To fight with her, wasn't that like an old man hanging himself, tired of living?

However, Xu Man would probably be promoted soon.

She wouldn't have any competition with them anymore.

Because she had someone above them! And he was a very tough person!

..

The handover process went smoothly.

In less than 20 minutes, he was done.

Guo Huailiang kept the contract and looked at Ye Feng with a smile. "Mr. Ye, please say a few words to everyone."

Ye Feng could only stand up and look around. "Then I'll say a few simple words. First, I won't be directly involved in the management of the company, everyone will still do their own jobs and everything will continue as before."

The company's executives were relieved to hear this.

They were afraid that Ye Feng would change the management of the company as soon as he came.

Now, Ye Feng's words could be said to have given them a calming pill.

"But..."

At this time, Ye Feng suddenly made a turn.

Everyone's hearts were in their throats again.

"I'm on good terms with Manager Xu Man, so I'd like to promote her to the vice president of the company. Does anyone have any objections?"

Ye Feng had a faint smile on his face as he looked at everyone's expressions.

When the crowd heard his words, they really didn't know how to respond.

They had seen many cases of people abusing their power for personal gain.

However, they had never seen someone abuse his power for personal gain so openly.

Even if other bosses wanted to play favorites, they would find some grand reasons.

However, the new boss did not even try to hide the fact that she was promoted to vice president because of his good relationship with Xu Man.

And he even asked them for their opinions?

Wasn't this a question that would lead to death?

Did they dare to have any objections?

“I have no objections. Manager Xu Man’s ability is obvious to all. It’s a waste of her talent to be a manager.”

“That’s right. Mr. Ye’s decision is very wise. I agree with it with both hands.”

“Manager Xu is indeed a rare talent. With her ability, she should have been promoted to vice president long ago.”

“It’s common to have a horse that can travel a thousand miles, but not often a Bo Le. Although Manager Xu is very capable, Mr. Ye’s vision is even more unique. I’m impressed!”

Their words were half true and half false.

Xu Man’s ability to work was indeed very strong.

If not for her lack of experience, she would have been promoted to vice president long ago.

Therefore, they had no objection to this.

But to praise Ye Feng’s discerning eyes, it was clearly a little against their heart.

They had already heard about the rumors between Ye Feng and Xu Man.

This was clearly abusing his power for personal gain!

It had nothing to do with discerning eyes.

On the other hand, Xu Man's mind went blank when she heard the news.

Although she had always dreamed of getting the position of vice president...

She didn't expect it to be in such a way.

The others would obviously be talking behind her back.

She didn't know if she should be happy or distressed.

At this time, Ye Feng walked over and placed his hand on her shoulder.

“Sister Man, you have to help me keep an eye on the company in the future. After all, it’s our family’s business. We can’t let others fool us.”

Xu Man did not expect him to be so intimate with her in front of so many people. She blushed immediately.

“There are so many people here. Can’t you be more serious?”

Ye Feng had a mocking smile on his face.

“So you’re saying that I can be indecent when no one is around?”

“You...”

Xu Man was instantly defeated by this guy.

Her face was so red that it was almost bleeding.

The company executives present all looked up at the ceiling and pretended not to see it.

How dare he show off his affection in a high-level meeting?

But they could only endure it!

Chapter 250 - 250 It's a Small World

250 It's a Small World

At this moment.

A female assistant knocked on the door of the meeting room at Dong'an Securities and walked in.

"President Guo, there's a Mr. Mo here. He said he has an appointment with you."

Hearing this, Guo Huailiang immediately pointed at Ye Feng. "Mr. Ye is the boss of the company now. You can report the company's matters to Mr. Ye."

Ye Feng waved his hand immediately. "I've already said that I'm not directly involved in the management of the company. You can handle it."

Guo Huailiang didn't decline any further. He turned to the female assistant and said, "I won't see him. Tell him that Dong'an Securities has changed hands and he shouldn't come back."

“Yes,” the assistant replied and turned to leave.

Ye Feng looked at Guo Huailiang curiously. “Is this person also here to acquire Dong’an Securities?”

Guo Huailiang nodded. “Mr. Mo is from Southern Guangdong Province. He’s sent people to contact me a few times before, but I rejected them all. I didn’t expect that he would personally come this time.”

Ye Feng heard that this person was from Southern Guangdong Province, and his surname was Mo...

He was immediately curious.

“What’s his name?”

“Mo Chaosheng,”

“Who is it?”

“Mo Chaosheng, Mr. Ye, have you heard of this name?”

Guo Huailiang was curious when he saw the change in his expression.

Ye Feng revealed a strange smile on his face.

This was really...

It was a small world.

..

On the other side, Mo Chaosheng and his subordinates were waiting in the lounge of Dong'an Securities.

For Dong'an Securities, Mo Chaosheng had sent people over a few times.

But in the end, they all returned without any success.

He had no choice. This time, he had to come personally.

Moreover, he had decided to purchase Dong'an Securities at a price that was one billion higher than its valuation. He believed that no one would be able to resist this temptation.

Just as Mo Chaosheng was feeling smug...

The assistant from Dong'an Securities came back and said to him respectfully, "Mr. Mo, our boss invites you in."

Mo Chaosheng couldn't wait and followed.

It was too urgent.

He didn't notice that the assistant had said 'boss' instead of 'Boss Guo'.

When Mo Chaosheng entered the meeting room under the guidance of his assistant, the meeting room was filled with people.

At the head of the table, a man was sitting in the boss' chair with his back facing him.

When Mo Chaosheng saw this, he instantly felt slightly displeased.

According to the order of the seats, that should be Guo Huailiang, the president of Dong'an Securities.

This President Guo was too arrogant.

Not only did he not take the initiative to stand up to welcome them, but he also had his back to the guests.

Preposterous!

However, Mo Chaosheng had a favor to ask of him, so he could only bury this resentment in his heart.

“Hello, President Guo. I’m Mo Chaosheng. I’m here to discuss the acquisition of Dong’an Securities...”

He was only halfway through his sentence when the boss’ chair suddenly turned around.

Then, a face that he had never even dreamed of appeared before his eyes.

Ye Feng?

Mo Chaosheng rubbed his eyes in disbelief.

That was right.

It was Ye Feng!

“You... What are you doing here?” Mo Chaosheng immediately exclaimed.

“I’m the boss of Dong’an Securities. Why can’t I be here?”

Ye Feng had a faint smile on his face.

“What? You’re the boss of Dong’an Securities? What about Guo Huailiang?”

Mo Chaosheng was even more shocked when he heard this.

At this time, Guo Huailiang, who was sitting below Ye Feng, smiled at him.

“I’m Guo Huailiang. Mr. Ye Feng has indeed acquired Dong’an Securities and is now the new boss of Dong’an Securities. I’m sorry, you’re a step too late.”

Mo Chaosheng’s mind went blank.

The excuse that he had prepared earlier was completely useless.

Who would have thought that Dong'an Securities would suddenly change its boss?

And it was his nemesis, Ye Feng.

This made him feel as if he had been struck by lightning!

Ye Feng crossed his legs and looked at Mo Chaosheng. "Didn't you want to talk about the acquisition? How much do you plan to pay to buy Dong'an Securities?"

Mo Chaosheng's eyes lit up.

Hearing the other party's words, there seemed to be a chance?

"As far as I know, Dong'an Securities is worth 3 billion. I'm willing to pay 4 billion to buy all the shares of Dong'an Securities!"

As soon as he said that, the entire conference room exploded.

Mo Chaosheng's offer was simply outrageously high.

If they still had Dong'an Securities, they would agree without hesitation.

Unfortunately, Ye Feng was the boss of Dong'an Securities now.

Everyone could not help but admire Ye Feng's business talent.

Did he already know that Mo Chaosheng would offer a sky-high price? That's why he bought Dong'an Securities first?

Just like that, he earned 1 billion.

The speed of making money was terrifying!

Speaking of which, they were all in the finance industry.

However, in terms of ability to earn money, they could not even compare to a 20-year-old college student.

..

However, they had misjudged Ye Feng.

When Ye Feng heard Mo Chaosheng's bid, he didn't show any emotion. "4 billion? That's too little."

When they heard this, the higher-ups of Dong'an Securities rolled their eyes.

You bought Dong'an Securities for 3 billion.

Now, he had already offered 4 billion.

You still think it's too little?

It was really a case of a snake swallowing an elephant when its heart was not content.

When Mo Chaosheng heard Ye Feng's words, he gritted his teeth. "Then how much do you want?"

Ye Feng slowly extended a finger. "10 billion!"

"Pfft..."

Everyone present almost vomited blood.

You really dare to state your price?

Although he asked for a sky-high price, he would pay it back on the spot.

But you, asking for 10 billion, is too outrageous.

10 billion was enough to buy three Dong'an Securities.

Mo Chaosheng glared at Ye Feng angrily, "Who asks for such a price? You're clearly toying with me."

Ye Feng was surprised. "You can even see through this? It seems like you're not stupid."

"You..."

Mo Chaosheng hated Ye Feng to the core.

He was the one who sent his son to prison.

Right now, he wanted to eat his flesh and sleep on his skin.

However, he was here to discuss serious business today.

Therefore, after taking a deep breath, Mo Chaosheng turned around and looked at the other senior executives of Dong'an Securities.

“Which one of you still has shares in Dong'an Securities? I'm willing to buy it at twice the price.”

When the upper echelons heard this, their hearts ached so much that they couldn't breathe.

They wanted to sell it.

But the problem was, they had already sold all their shares to Ye Feng.

Not a single cent of the shares was left.

Guo Huailiang couldn't help but shake his head and sigh.

“Mr. Mo, I'm really sorry. Mr. Ye now owns 100% of the shares of Dong'an Securities.”

Upon hearing this, Mo Chaosheng was dumbstruck.

100% of the shares?

In this way...

Dong'an Securities was completely Ye Feng's?
