

## 100 Million 25

### Chapter 25

#### The Scammer Who Drives a Ferrari Enzo

Ever since Sister Wang found out that Ye Feng's identity was not ordinary, she had started to pay attention to him. So, she knew that Ye Feng's diamond card for his concert was being doubted at the first moment.

Now that Xia Qiu asked, she immediately described the whole story.

Xia Qiu's face darkened when he heard this.

"How did Ye Feng respond?" she asked.

Sister Wang shook her head. "Mr. Ye didn't respond."

Xia Qiu was a little surprised.

She had also seen the comments on the forum. If she was the one being scolded, she would definitely stand up and fight back, but Ye Feng had no reaction at all?

Was he disdainful?

Or did he not know about this at all?

Thinking of this, Xia Qiu immediately took out her phone and called Ye Feng.

After the call was connected, she took the initiative to say, "Ye Feng, Chairman Tan has agreed to help me."

"Congratulations!" On the other side of the phone, Ye Feng did not think much. He just smiled and replied.

Xia Qiu was not in a hurry. She smiled. "It's all thanks to your help, Ye Feng. Thank you so much."

"This matter concerns my future development. You've really helped me a lot this time. Are you free this afternoon? I want to treat you to a meal."

"Alright." When Ye Feng heard that it was a treat from a beautiful celebrity, he agreed without much thought.

Xia Qiu heard him agree and asked, "I'll go over to find you. Are you at Zhonghai University?"

When she learned that Ye Feng was going to the male dormitory building of Zhonghai University, she immediately signaled the driver to drive directly to the male dormitory building.

After that, she chatted with Ye Feng for a while more and hung up the phone.

...

At the same time, in the Male Dormitory Block 16 of Zhonghai University.

Fatty Chu had just walked out of the dormitory's main door when the gazes of the people around him were all fixed on him.

"Look, that's Ye Feng's roommate. He's the one who spread the news of Ye Feng's fake card and cheated everyone."

“Looks like he’s a little rich. I didn’t expect his taste to be so bad. Tsk, tsk.”

“You’ve become an idiot now, haven’t you?”

“...”

Fatty Chu’s face turned ugly as he faced the crowd’s ridicule. He tried to argue.

Suddenly, a black sports car stopped outside the dormitory.

Everyone’s attention was immediately attracted by the supercar.

“Wow, this car is so cool!”

“It’s a Ferrari!”

“What Ferrari, this is a Ferrari Enzo!” A student who knew cars corrected him.

“Ferrari Enzo? Is it very powerful?”

“Of course, there are only 400 of them in the world, and the car alone costs 30 million. Even if you have the money, you might not be able to buy a Ferrari Enzo. You have to become a super VIP of the Ferrari supercar club and collect a few limited edition Ferrari models!”

“F\*ck, that awesome?!”

“Who’s that in the car?”

“...”

The crowd was in a heated discussion as they stared at the driver's seat.

Fatty Chu's attention was also attracted by Ferrari Enzo, and he subconsciously looked over.

The seagull-wing door slowly rose.

Next, Ye Feng got down from the driver's seat.

After seeing his appearance clearly, many people were shocked.

"It's Ye Feng! It's actually Ye Feng!"

"This Ferrari Enzo is his?"

"D\*mn, which b\*stard said he's a liar? I've been misled."

"..."

Everyone was not a fool. Seeing that Ye Feng had driven here in a supercar, they immediately understood that the diamond card in Ye Feng's hands was most likely real.

For a moment, no one dared to mock Ye Feng anymore.

In fact, when Ye Feng looked at them, they would even lower their heads subconsciously, not daring to look at Ye Feng.

Seeing this, Ye Feng did not know what happened. He only smiled.

He didn't bother with them, and only looked at Fatty Chu.

Fatty Chu was staring at him with a face full of shock.

After a few seconds, he came back to his senses and quickly ran over. "Brother Feng... This, this car is yours?"

"Yes." Ye Feng nodded.

"So handsome! Brother Feng, is this the rhythm of a showdown?" Although Fatty Chu didn't know the Ferrari Enzo, he could tell that the car was extraordinary. He was astonished.

When Ye Feng heard his words, he only smiled and did not reply.

After Fatty Chu came back to his senses and stood beside Ferrari Enzo with a face full of envy and amazement, he went upstairs to get his things.

As for the people surrounding him, he did not even bother to look at them.
