

100 Million 251

Chapter 251 - 251 Taking Drastic Measures

251 Taking Drastic Measures

“Ye Feng, I think we need to have a good talk.”

However, Mo Chaosheng was after all someone who had seen many storms and waves. He quickly calmed down and turned to look at Ye Feng.

“How do you want to negotiate?”

Ye Feng took the glass of water from Xu Man and took a sip.

“As an adult, you shouldn’t act on impulse. No matter how many grudges we had before, we should put it aside and focus on business, don’t you think?”

Mo Chaosheng tried to calm himself down.

“I think so too. So, I’m talking business with you, right?”

Ye Feng crossed his legs and looked at him quietly.

“Okay, then let’s talk business. I’m sincerely interested in acquiring Dong’an Securities and am willing to raise the purchase price to 5 billion. I hope you can consider it.”

Mo Chaosheng looked at him expectantly.

The upper echelons of Dong’an Securities were filled with regret.

The acquisition price of 5 billion yuan had far exceeded the valuation of Dong’an Securities.

If they had sold it a day later, they would have made an extra 2 billion.

Just the thought of it made their hearts ache.

When Ye Feng heard his bid, he revealed a mocking smile. “I have already said it, 10 billion, no bargaining.”

Mo Chaosheng’s expression gradually turned cold.

“Ye Feng, do you really want to be my enemy?”

“Even if I say I don’t want to, will you let me go? At this point, it was either you die or I die. In Zhonghai, as long as I, Ye Fan, am here, you, Mo Chaosheng, can forget about having a place to stand.”

Ye Feng was too lazy to put on an act with him. He directly said some ruthless words.

“You forced me to do this!”

Mo Chaosheng clenched his fists tightly.

“Bring it on!”

Ye Feng smiled. He beckoned him with his finger.

Mo Chaosheng suppressed the anger in his heart and turned to look at the higher-ups of Dong’an Securities.

“Everyone, I’m planning to acquire a securities company and I’m currently lacking management. Who would like to join?”

When the upper echelons of Dong'an Securities heard this, they immediately looked at each other.

This Mo Chaosheng, did he get stimulated and his mental state is a little abnormal?

He actually came to the Dong'an Securities senior management meeting to poach them?

At that moment, everyone looked at him as if he was an idiot.

Mo Chaosheng didn't mind this and continued to speak.

"I can guarantee that your salary is more than twice that of Dong'an Securities, and you also have the original shares. Isn't it better than what you have at Dong'an Securities?"

As soon as he said that, the meeting room immediately boiled over.

The senior executives of Dong'an Securities began to whisper among themselves.

"Really? The salary is more than twice that of Dong'an Securities? And we even have the original shares? I'm not dreaming, right?"

“If everything he said can be fulfilled, I’m really a little tempted.”

“I’m just afraid that he won’t be able to fulfill his promise. Mo Chaosheng is from Southern Guangdong Province and has no foundation in Zhonghai. What if the company closes down after two days?”

“Yeah, if he gives us an empty promise, we won’t even have a place to cry.”

Mo Chaosheng had already anticipated their worry and immediately spoke again.

“I know that I, Mo Chaosheng, am not strong enough to convince you. But what if I tell you that I’m actually backed by Fuli Corporation?”

After he finished speaking, the higher-ups started discussing again.

“Fuli Corporation? Mo Chaosheng is from Fuli Corporation?”

“Fuli Corporation is a super-large multinational company. If they really want to enter Zhonghai, they might succeed!”

“If it’s the Fuli Corporation, I think this is a godsend opportunity. I should consider it carefully.”

“What’s there to consider? Now, it’s because the Fuli Corporation hasn’t established itself in Zhonghai yet, so we have the opportunity to join. When they’ve truly stabilized themselves, will we still have a chance?”

“That’s reasonable!”

Mo Chaosheng saw that everyone was eager to make a move so he spoke again.

“I’ve already given you the opportunity. It’s up to you to grab it. Those who want to join my company, please stand on my side.”

The higher-ups of Dong’an Securities exchanged glances.

Someone immediately stood up and walked over.

With someone taking the lead, there were immediately others who followed suit.

Hulalala...

In a short while, half of the senior executives of Dong’an Securities had left.

All of them stood against Ye Feng.

The remaining half of the people looked at Guo Huailiang.

Obviously, these people were Guo Huailiang's confidants.

Now, they were just waiting for him to make a statement.

As long as Guo Huailiang was willing to join Mo Chaosheng...

They would definitely leave without any hesitation.

Guo Huailiang sat there calmly without saying a word.

It was as if it had nothing to do with him.

Mo Chaosheng saw this and immediately opened his mouth to bewitch him.

“President Guo, you don’t have any shares in Dong’an Securities anymore. What are you hesitating about? As long as you’re willing to come to my company, you can continue to be the president, and I can give you 10% of the shares.”

Hearing this, everyone was shocked.

From the conditions that Mo Chaosheng offered, one could see how much he valued Guo Huailiang.

If they were to choose...

They would definitely abandon Ye Feng and Dong’an Securities without any hesitation.

After all, Guo Huailiang no longer had any shares in Dong’an Securities.

In addition, every emperor had his own courtiers.

Maybe one day, Ye Feng would be suspicious of him and replace him with his trusted aide.

Since that was the case, he might as well jump ship directly.

Not only could he continue to be the president, but he could also get 10% of the shares.

Even a fool would know what to choose.

Moreover, as soon as Guo Huailiang left, his group of trusted aides would inevitably leave with him.

If the higher-ups all left.

Dong'an Securities would probably collapse immediately, and Ye Feng would only have an empty shell in his hands.

Mo Chaosheng's method of taking drastic measures was truly vicious.

At that moment, everyone's eyes were focused on Guo Huailiang.

They were waiting for him to make the final decision.

At this time, Guo Huailiang slowly stood up and bowed to Ye Feng.

"Mr. Ye, I'm sorry!"

Chapter 252 - 252 You Shouldn't Be Able To Hold On For Long

252 You Shouldn't Be Able To Hold On For Long

After hearing Guo Huailiang's words, Ye Feng still had a calm expression, and he did not show his emotions on his face.

Mo Chaosheng, on the other hand, was overjoyed.

If he could even poach Guo Huailiang, then Ye Feng would truly become a commander with nothing.

He had spent more than 3 billion to buy a shell company.

Ye Feng would not only suffer a great loss, but he would also become the laughingstock of Zhonghai.

Just as he was feeling pleased with himself...

"I'm sorry, Mr. Ye." Guo Huailiang continued. "It's my fault for not recognizing people and promoting these ingrates."

“I can’t absolve myself from the blame. I’m willing to resign from my position as the president and become an ordinary employee of Dong’an Securities.”

As soon as he said that, the entire conference room fell silent.

Everyone looked at Guo Huailiang in disbelief.

Mo Chaosheng offered such generous conditions and he actually rejected it without any hesitation?

He actually rejected him?

This was truly puzzling.

Mo Chaosheng also looked at him with a dumbfounded look. “President Guo, are you really not going to consider it again? If you think that 10% is too little, we can still talk about it.”

Guo Huailiang glared at him. “Mo Chaosheng, not everyone can be bought by money. As long as I, Guo Huailiang, am still alive, I swear to live and die with Dong’an Securities!”

His words were powerful and resonating.

Everyone's expression changed, especially those higher-ups who had defected. They all lowered their heads in shame.

Mo Chaosheng gritted his teeth in hatred.

He turned around and looked at Ye Feng.

He was playing with his phone.

This immediately made him burst out laughing.

"Guo Huailiang, you've been showing your loyalty here, but in your boss' eyes, his phone is more important. Don't you feel bitterly disappointed?"

When everyone saw Ye Feng's actions, they were also a little angry.

Guo Huailiang had rejected such a great temptation.

He was dead set on him.

And you treated him like this?

His sincerity had really been fed to the dogs.

Guo Huailiang didn't have any complaints. "I, Guo Huailiang, only ask for a clear conscience when I do things. I don't care if others appreciate it or not."

At this time, Ye Feng suddenly raised his head.

"Well said, President Guo! The most important thing in life is to have a clear conscience. However, not everyone can do that."

As he said that, he raised his head and glanced at Mo Chaosheng and the group of higher-ups who had just defected.

Some of those people hurriedly avoided his gaze and looked up at the ceiling.

Some were fearless and didn't feel ashamed at all.

Mo Chaosheng looked at him with a sneer.

“What bullsh*t clear conscience, I only know that every man for himself, the heavens will destroy him. Half of your company’s senior management is gone. Let’s see how long you can last. Hahaha...”

Ye Feng looked at his arrogant face, and he slowly revealed a smile.

“I don’t know how much longer I can hold on, but I know that you probably can’t hold on much longer.”

Then, he passed the phone to Xu Man.

“Play this video and let everyone enjoy it.”

Xu Man took the phone in confusion and connected it to the projector.

Mo Chaosheng sneered, “I’m not in the mood to watch a movie with you. Let’s go!”

With that, he turned around to leave.

At this moment, he suddenly heard a man’s pleading voice from the video.

“Boss Mo, please spare me! My child has just started kindergarten, and I still have a family to take care of. I can’t die...”

This voice was extremely mournful.

It made one’s blood run cold.

Everyone turned to look at the projection on the wall of Dong’an Securities’ conference room.

This video was obviously taken in secret.

The angle was a little awkward.

Moreover, the image was still shaking.

However, one could still clearly see that the person in the image was Mo Chaosheng.

Behind him stood a few fierce-looking men in black.

A middle-aged man with glasses was kneeling in front of him.

The middle-aged man was covered in wounds and looked very miserable.

When Mo Chaosheng saw this scene, his expression changed drastically.

He immediately rushed over to snatch the phone.

Ye Feng's eyes were sharp and his hands were fast. He caught him. "Mr. Mo, it's such a wonderful blockbuster. Isn't it a pity not to watch it?"

The video was sent by Zhao Fulin.

It was said to be one of the evidences of Mo Chaosheng's crime.

Zhao Fulin had sent a few pieces of evidence like this.

Every single one of them was enough to kill Mo Chaosheng.

Mo Chaosheng's face was pale and he looked like he was begging. "Mr. Ye, please let me go. I'll agree to whatever conditions you have."

Hearing this, everyone was shocked.

This Mo Chaosheng was still very arrogant just now, as if he wanted to fight Ye Feng to the death.

Why did he suddenly become so scared after seeing this video?

Could there be some unspeakable content in the video?

This immediately piqued everyone's curiosity.

Ye Feng looked at Mo Chaosheng. The corner of his mouth curled up into a smile.

“To be honest, I'm also very curious about the content of this video. Why don't we watch it first, and then I'll consider whether I should let you off?”

Mo Chaosheng wanted to continue resisting.

But Ye Feng's strength was much greater than his.

There was no way to break free.

The video was still playing.

The middle-aged man in glasses was still begging.

However, Mo Chaosheng in the video was unmoved.

“Old Liu, it’s not that I’m not giving you a chance, but you embezzled more than 50 million from the company. How can I give you a chance?”

The middle-aged man with glasses hurriedly explained, “Mr. Mo, I swear to god! That money was used to clean up the mess for Young Master Mo Cong. I really didn’t take a single cent!”

Mo Chaosheng’s eyes were filled with killing intent. “Old Liu, you can eat whatever you want but you can’t say whatever you want. You said you were cleaning up my son’s mess, but do you have any evidence?”

The middle-aged man quickly nodded. “Yes. Young Master Mo Cong r*ped those girls, and every time he did, he asked me to embezzle public funds to clean up his mess. But I’m afraid that the account can’t be matched in the end, so I have the proof of transfer in my hand...”

Before the man in glasses could finish his words...

Mo Chaosheng's face turned uglier and uglier.

Suddenly, he took out a gun from the pocket of one of his subordinates.

Bang!

A gunshot was heard.

A bloody hole appeared on the man's forehead.

His head hit the ground.

There was no sound.

"Ah..."

Everyone in the conference room of Dong'an Securities was shocked.

Did he kill someone?

He actually killed someone?

Mo Chaosheng actually killed someone!

Chapter 253 - 253 This Young Man Really Knows How To Play!

253 This Young Man Really Knows How To Play!

In the conference room of Dong'an Securities, everyone was scared silly by Mo Chaosheng's ruthless methods.

Even though they were all experienced businessmen, to be honest, they had never seen such a killing scene before.

And most importantly, the murderer was in the same room as them.

At the thought of this, everyone immediately dispersed backward and maintained a certain distance from Mo Chaosheng.

At this moment, Mo Chaosheng's face was already deathly pale.

Bean-sized beads of sweat rolled down his forehead.

His body was still trembling.

“Ye... Mr. Ye, where did you get this video?”

Ye Feng immediately smiled. “There are so many people who hate you. Who am I?”

Mo Chaosheng was like a defeated rooster. He lowered his head and said dejectedly, “Mr. Ye, I lost. I beg you to let me go. I’ll agree to any condition.”

Ye Feng looked at his dejected look and could not help but shake his head. “Actually, I still like your wild and unruly look before. Can you recover a little?”

Mo Chaosheng gritted his teeth. “State your conditions. What will it take for you to delete this video?”

Ye Feng pondered for a moment. “You just said that your backer is Fuli Corporation, so you must have been sent by Niu Dun, right?”

Mo Chaosheng immediately revealed a look of fear.

Niu Dun was a very low-profile person.

Moreover, his name was not on the list of the Fuli Corporation's top executives.

Niu Dun was only in charge of controlling from behind the scenes.

If one did not have a certain level of influence in the business world of Southern Guangdong Province, it would be difficult to know his name.

How did Ye Feng know?

"What Niu Dun? I don't know."

Mo Chaosheng immediately pretended to be confused.

Ye Feng saw that this guy was still trying to fool him even at this point.

He really won't shed tears until he sees the coffin.

“Since you’re not willing to tell the truth, it seems that I can only hand this video over to the official.”

As he spoke, he took out his phone.

Mo Chaosheng saw this and pleaded, “Mr. Ye, I’m sorry. I’ll say it, I’ll say it. I came to Zhonghai under Mr. Niu’s orders.”

“Why did he send you to Zhonghai?” Ye Feng continued to ask.

In fact, he had already known Mo Chaosheng’s purpose of coming to Zhonghai from Zhao Fulin.

But in order to verify whether Mo Chaosheng was telling the truth, he asked the obvious.

“He... He asked me to help him get one of Shen Guanlin’s collections.”

Mo Chaosheng’s face turned ashen after he finished speaking.

He knew the consequences of betraying Mr. Niu.

But he had no other choice.

If he betrayed Mr. Niu, he might die in the future.

But if he didn't answer honestly, he would die now.

Ye Feng was very satisfied with his answer, and he continued to ask, "It's the treasure map of the King Xiang's secret treasure, right?"

Mo Chaosheng was stunned, "You... You actually know King Xiang's secret treasure map?"

King Xiang's secret treasure map was not a secret.

But few people paid attention to it.

If it wasn't a veteran collector, it was probably very hard to hear.

And Ye Feng actually knew about it?

This made Mo Chaosheng doubt his life.

This young man seemed to know everything.

Not only did he know about King Xiang's secret treasure map, but he also knew about Niu Dun.

He could even get his hands on some of the videos of the illegal things he had done in private.

What else did Ye Feng not know?

Mo Chaosheng felt that he had no secrets in front of Ye Feng.

This feeling was too terrifying!

Ye Feng did not answer him. He continued to ask, "How many pieces of King Xiang's secret treasure map does Niu Dun have?"

Mo Chaosheng immediately hesitated.

This really involved Mr. Niu's secret.

Once the secret was leaked, he would die without a doubt.

Ye Feng's fingers started to stroke the phone lightly.

Although he didn't say anything...

He seemed to have said something.

Mo Chaosheng understood the threat within. The line of defense in his heart completely collapsed.

"Three!"

When Ye Feng heard this answer, his heart started to beat rapidly.

He had heard from the experts at the Sotheby's Auction House that there were only six fragments of King Xiang's secret treasure map.

First, he found a piece of it among the ruins of the ancient city.

Then, he bought another piece from the auction house.

After that, he got another piece from Shen Guanlin.

Right now, he already had three King Xiang's secret treasure map fragments.

If he added Niu Dun's three pieces...

Wouldn't that be a complete collection?

King Xiang's secret treasure, a mystery of the ages.

Could it be that he was going to open it?

However, this was clearly a little unrealistic.

Would Niu Dun be willing to share the 3 pieces of King Xiang's secret treasure map with him?

Even if Niu Dun was willing to take it out and work with him to excavate King Xiang's secret treasure.

Who could guarantee that he would not stab him in the back?

This was asking a tiger for its skin!

Mo Chaosheng saw his expression constantly changing, as if he was trying to come up with some bad move.

He couldn't help but shiver.

"Mr. Ye, I've told you everything I know. Can you delete the video now?"

Ye Feng nodded and smiled, "Of course, I mean what I say."

Then, he deleted the video from his phone in front of him.

Then, he even cleared the trash can.

Mo Chaosheng personally witnessed his operation.

Until he saw that the evidence that could determine his life and death was completely destroyed...

The stone in his heart finally fell to the ground.

“I’ve lost today, but don’t be too proud. If you offend Mr. Niu, you’ll die without a burial place.”

After seeing that the evidence was destroyed, Mo Chaosheng’s face revealed a ruthless expression.

“Thank you for your reminder, Mr. Mo, but you should think about yourself first. You betrayed Niu Dun today, will he let you go?”

Ye Feng looked at him with a smile.

“Then let’s see who will die first!”

Mo Chaosheng glared at him fiercely, turned around, and left.

At this moment, Xu Man walked over.

“You’re letting him go just like that? He’s a murderer!”

Although she could understand that Ye Feng only made a deal with Mo Chaosheng in order to obtain useful information...

However, she still felt a little uncomfortable letting a murderer off the hook so easily.

Ye Feng gave her a knowing smile. "Don't worry, I still have a few videos with me. It's enough for him to die ten times over."

Everyone's hair stood on end.

F*ck!

This young man really knew how to play!

Mo Chaosheng was too miserable...

Chapter 254 - 254 Why Are You So Confident Even Though You're So Ordinary?

254 Why Are You So Confident Even Though You're So Ordinary?

At the same time, in the conference room of Dong'an Securities.

Those higher-ups who had just betrayed Ye Feng...

That was awkward.

After knowing that Mo Chaosheng was a murderer, they naturally didn't dare to follow him.

They had no choice but to beg Ye Feng again.

"Mr. Ye, we know we were wrong. Please give us another chance."

"Yeah, we were all blinded by greed just now. Please don't take it to heart."

"Mr. Ye, as long as you can forgive me, I will work hard to repay your kindness."

"Mr. Ye, I have my parents and children at home. I can't lose this job. Please have mercy."

Ye Feng nodded his head lightly when he heard everyone's pleas.

“I understand you guys. People strive for higher things. If it were me, I would have made the same choice as you.”

When everyone heard this, they were instantly delighted.

It seemed like Ye Feng had forgiven them.

A young man was a young man.

His ears were soft.

He forgave them just by saying a few good words.

Wasn't this too easy to fool?

But at this moment, they suddenly heard Ye Feng's words.

“I understand you, but I won't forgive you. Repaying evil with good, how could that be good? I've forgiven the betrayer, but how unfair is that to those who are loyal?”

The crowd immediately became anxious and wanted to continue pleading.

Ye Feng's face darkened. "I'll give you one last bit of dignity. Go and write your resignations. Don't force me to fall out with you guys. It won't look good for anyone."

Those people then looked at Guo Huailiang in a hurry.

They hoped that this old leader could help them plead for mercy.

"I'll listen to Mr. Ye."

Guo Huailiang only blurted out a few words and did not say anything more.

Those people knew that there was no turning back.

All of them walked out with long faces.

As for those who stayed with Guo Huailiang, they were all secretly relieved.

Fortunately, they didn't betray him.

Otherwise, he would have become a member of the army of unemployed.

At their age...

It wouldn't be easy to find a high-paying job like Dong'an Securities.

After Ye Feng finished dealing with these matters, he turned around and looked at Guo Huailiang.

"President Guo, I'll be counting on you for Dong'an Securities in the future. Don't worry, I, Ye Feng, will not mistreat anyone who is loyal to me."

"Don't worry, Mr. Ye. I founded Dong'an Securities myself. I'll manage it like my own son," Guo Huailiang said.

Ye Feng patted his shoulder in relief. "Then you guys go ahead, I'll be leaving first."

"It's almost noon. Let's have lunch together," Guo Huailiang said as he stood up.

Ye Feng revealed a strange smile on his face.

He then nodded at Xu Man.

Guo Huailiang immediately understood. "Then next time, next time."

Xu Man also noticed Ye Feng's small action.

Her face immediately turned red.

Seriously, this guy, couldn't he be more serious in public?

This would only cause more misunderstandings among her colleagues.

Did they really think that Xu Man had relied on her looks to get to where she was?

Even though... She could not rule out such a factor.

But she relied more on her own strength.

Thinking of this, Xu Man immediately reached her hand under Ye Feng's armpit and pinched him hard.

"Hiss..."

Ye Feng immediately gritted his teeth in pain.

He no longer had the domineering and sharp aura he had when he fought with Mo Chaosheng.

He was more like an ordinary college student.

Guo Huailiang and the others were secretly surprised.

One was a newborn calf.

The other was a decisive old fox in the business world.

Which one was the real him?

Or both?

Or perhaps neither?

What an enigmatic man!

..

Ye Feng held Xu Man's hand and walked out of the meeting room.

Guo Huailiang and the others followed behind the two of them respectfully.

The staff members who saw this scene were all secretly shocked.

Moreover, they had just seen a few company executives walk out of the meeting room as if they had lost their parents.

They were probably cleaned up by the new boss.

This was even more shocking to them.

It seemed that this young new boss was not a kind person.

The moment he came to the company, he kicked out half of the executives.

This kind of ruthlessness and decisiveness was truly amazing.

At the same time, many people began to rub their hands in anticipation.

With so many senior executives kicked out, they would definitely promote a group of people from below.

This was a once-in-a-thousand-years opportunity.

As long as they were willing to give up their bike, they would immediately switch to a BMW!

..

Ye Feng and Xu Man went to a Western restaurant near the company.

She must have been a frequent customer of this restaurant.

When the waiter saw her, she immediately greeted her warmly, "Big Sister Xu, you're here? I've already reserved a seat for you."

As she spoke, she looked at Ye Feng in surprise.

This Miss Xu came alone most of the time.

At most, she would only bring one or two female companions.

She had never brought a boy to eat with her.

She couldn't help but feel curious.

Xu Man was slightly embarrassed but she did not explain.

She brought Ye Feng to a seat by the window.

"I really didn't expect you to actually acquire our Dong'an Securities."

After Xu Man finished ordering, she looked at Ye Feng curiously.

She still couldn't believe it.

Ye Feng had really become her boss.

"I told you long ago, but you didn't believe me."

Ye Feng pouted.

"Why did you suddenly buy Dong'an Securities You wouldn't... do it for me, right?"

Xu Man's face reddened, and she looked a little embarrassed.

"You're thinking too much. This is a complete coincidence."

Ye Feng ruthlessly destroyed her wishful thinking.

“Then, was it a coincidence that you suddenly promoted me to vice president? Tell me, what are you planning?”

Xu Man’s beautiful eyes were fixed on him.

“Alright, then I’ll be honest. I bought Dong’an Securities to get close to you. Promoting you to the vice president is also a logical way to help you. Without you, I can’t even live a day. I beg you, be my girlfriend.”

Ye Feng showed a pleading expression, and he looked at her with his eyes.

Xu Man shyly replied.

“D*mn you, I knew you didn’t have good intentions. You did it so suddenly, I wasn’t mentally prepared at all...”

Ye Feng immediately rolled his eyes.

Why are you so confident even though you’re so ordinary?

Can’t you hear that I’m just teasing you...

Chapter 255 - 255 The Winner Is Immediately Decided

255 The Winner Is Immediately Decided

As for Xu Man, she obviously didn't take Ye Feng's words seriously, and soon, she started chatting with Ye Feng again.

However, just as Ye Feng and Xu Man were chatting happily, they suddenly heard a woman's voice behind them. "Xu Man?"

Xu Man looked up.

She saw a woman with heavy makeup looking at her in surprise.

This woman was actually quite pretty, but her dressing was too gorgeous. It made people feel a little uncomfortable.

The weather in Zhonghai in October was not cold, but she was wearing a mink coat, which did not make her look noble. On the contrary, she felt like a nouveau riche.

Beside her, she was holding onto a fat middle-aged man.

The middle-aged man was also wearing a mink coat and a pair of black sunglasses.

The gold chain on his neck was as thick as a little finger. It was so dazzling that one couldn't open their eyes.

These two people were simply a perfect match!

Xu Man frowned when she saw the woman.

However, the self-restraint she had developed over the years in the workplace still made her smile immediately.

"Yuan Xiaomei? Long time no see."

When the woman heard her call her by that name, she was a little unhappy. "My name is Yuan Lisha now. You can just call me Li Sha."

Xu Man smiled awkwardly but politely. "Oh, I see. Lisha, are you here to eat too?"

Yuan Lisha immediately denied it, "Of course not. Why would I come to such a low-level place to eat? I was just passing by and saw you, so I came in to say hello."

As she said that, she deliberately showed the Cartier on her wrist.

The man beside her had his eyes fixed on Xu Man ever since he entered the room.

“Lisha, is this your friend? Aren’t you going to introduce us?”

Yuan Lisha was suddenly a little vigilant, but she was obviously very afraid of this man and did not dare to disobey the man.

“This is my college roommate, Xu Man. I heard that she went to a securities company after graduation. I think she should be a manager now, right?”

The man’s eyes lit up. “Hello, Miss Xu. I’m Jin Sanshui, Lisha’s godfather.”

As he spoke, he took the initiative to put on a smile that he thought was kind and extended his hand to Xu Man.

However, Xu Man did not extend her hand. Instead, she turned to look at Yuan Lisha. “Your godfather? Lisha, don’t you work now?”

She naturally knew what ‘godfather’ meant.

According to the meaning of this word, this college roommate was obviously a kept woman.

Yuan Lisha was not ashamed of it. Instead, she was proud of it. "Work? Can a job afford a Cartier watch? Can it afford an LV bag? Can it afford a Hermes perfume?"

Xu Man shook her head helplessly when she heard her twisted logic. "You're very professional. Why don't you earn your own living?"

Hearing her 'lesson,' Yuan Lisha was instantly a little angry.

"You're self-reliant. How are you doing now? Have you become a manager? Is your monthly salary over 10,000 yuan? Did you buy a house? Did you buy a car?"

Xu Man was rendered speechless by her barrage of questions.

She had good intentions. She felt that women should rely on their own abilities and not on men's charity.

After all, not only would she be demeaning herself, but she wouldn't be able to do it for long.

She didn't expect that her good intentions would be disparaged by the other party.

Right at this time, Ye Feng suddenly stood up.

"Vice President Xu, it was my grandfather's birthday a few days ago. You gave him a red packet of 100,000 yuan. I haven't thanked you yet."

Xu Man was stunned for a moment before she smiled bitterly.

Apparently, Ye Feng wanted to help her get back her face in front of Yuan Lisha after hearing her rude words, and this made her feel quite touched.

After hearing Ye Feng's words, Yuan Lisha was stunned.

Vice President Xu?

A red packet worth 100,000 yuan?

This was a lot of information.

“You... You’re already a vice president?” Yuan Lisha confirmed again in disbelief.

“That’s right,” Ye Feng answered for Xu Man again. “Our Vice President Xu has just been promoted to the position of Vice President by our wise boss because of her excellent work performance.”

Xu Man rolled her eyes when she heard that.

This guy actually didn’t forget to boast.

That was really enough.

Yuan Lisha’s face was filled with jealousy.

In school, Xu Man’s professional results were not as good as hers.

But now, she had already become a business elite.

And she... could only rely on a man’s charity.

Comparing the two, the difference was obvious.

“Hehe, so what if you’re the vice president? Isn’t she still working for others? You don’t even dare to go to a Michelin restaurant.”

Yuan Lisha knew that she would not be able to match up to Xu Man in terms of career achievements.

Therefore, she deliberately made a fuss about her spending power.

Xu Man was a vice president. How much did she earn a month?

20,000?

30,000?

Or 50,000?

Thinking of this, Yuan Lisha immediately held Jin Sanshui’s arm affectionately and said, “Godfather, there’s a very good Michelin restaurant nearby. Let’s go eat now, okay?”

Jin Sanshui nodded his head very cooperatively. “I’ll listen to you. As long as you like it, Godfather will do as you wish.”

Then, he turned to Xu Man. "Miss Xu, would you like to come with us?"

Xu Man shook her head and was about to reject.

At this time, Ye Feng who was at the side suddenly said in a coquettish tone, "Sister Man, what's Michelin? Is it good? I want to eat Michelin too. Let's go eat together, okay?"

Xu Man was helpless.

What was this guy doing?

Yuan Lisha glanced at Ye Feng, her eyes filled with disdain.

So he was just a pretty boy?

When she saw Ye Feng's extraordinary temperament, she thought he was a rich second-generation.

She didn't expect him to live off a woman.

And Ye Feng did not even know what Michelin was.

If she really brought him to a Michelin restaurant...

He would definitely make a fool of himself.

At that time, it would be Xu Man who would lose face.

..

At the thought of this, Yuan Lisha immediately held Xu Man's hand affectionately and said, "Xiao Man, we haven't seen each other in such a long time. I have a lot to talk to you about. Why don't you come with us?"

Xu Man gave a bitter smile and glared at Ye Feng.

This guy must be up to something bad again.

"Then... Alright."

She could only nod.

Yuan Lisha's face immediately revealed a smug smile.

I'll see how you embarrass yourself later!

Chapter 256 - 256 Showing Off Loneliness

256 Showing Off Loneliness

Although Ye Feng and the others were only five hundred meters away from the nearest Michelin restaurant – a five-minute walk – Yuan Lisha still pulled Xu Man along and got into Jin Sanshui's Mercedes-Benz CLS.

After getting in the car, she still asked Jin Sanshui, "Godfather, how much did you spend on this car?"

Jin Sanshui sat in the driver's seat and answered very cooperatively, "It's not expensive. It's only about 800,000 yuan."

Yuan Lisha glanced at Xu Man. "That's really not expensive. Your family's Audi S7 costs more than a million."

Jin Sanshui waved his hand heroically. "A million or so is nothing to me. It's not worth mentioning."

Yuan Lisha immediately revealed an expression of admiration. "Godfather is so handsome!"

Ye Feng and Xu Man had the urge to vomit.

Looking at Jin Sanshui's bald head, he thought to himself, 'This has nothing to do with being 'handsome' at all, right?'

It was simply a deformed aesthetic!

In the blink of an eye, the four of them arrived at the two-star Michelin restaurant called Vesna.

When the four of them walked into the restaurant, a waiter immediately came to welcome them and led them to a four-seater table.

"Hello, where can I order the dishes?"

The waiter handed over a menu.

Jin Sanshui took it and wanted to show Xu Man that he could spend money like it was nothing.

However, when he opened the menu...

He was immediately dumbfounded.

It was filled with strings of letters.

With his elementary school education level, he could not understand it at all.

“This... That...”

Jin Sanshui’s face turned red in an instant, and he was embarrassed.

Yuan Lisha, who was at the side, saw his expression and was suddenly a little curious. “Godfather, why don’t you order?”

Jin Sanshui awkwardly handed over the menu. “You order.”

He thought that Yuan Lisha was a college student after all, so she should be able to read the foreign words on it.

However, when Yuan Lisha received the menu...

She was immediately dumbfounded.

The menu was not in English.

She couldn't read a single word.

Yuan Lisha's face immediately turned red from embarrassment.

"Miss, is there a problem?" the waiter asked in a low voice.

Yuan Lisha scratched her head. "That... Do you have a Chinese menu?"

The waiter immediately shook his head. "We're a French restaurant. All the menus are in French."

Yuan Lisha was completely dumbfounded.

They arrived at a two-star Michelin restaurant.

She didn't know how to order.

This was too embarrassing!

At this moment, Xu Man suddenly said, "Can I have a look?"

Yuan Lisha glanced at her and said, "It's all in French. Do you know it?"

Xu Man revealed a faint smile. "I have quite a few French clients, so I learned a few days of French."

As she spoke, she took the menu from her.

After opening it and looking through it, she turned back and said to the waiter, "Bœuf bourguignon, Bouillabaisse, Navarin d'agneau..."

Jin Sanshui and Yuan Lisha were listening to her.

The waiter kept nodding and taking down her orders.

In the end, he even gave Xu Man a thumbs up. “Miss, your French is really good. Did you study in France?”

Xu Man shook her head. “No, I just found a private tutor for a while.”

The waiter couldn't help but exclaim, “You've only learned it for a short time and you can speak it so well. You're really a language genius!”

With that, he turned around and left.

Jin Sanshui and Yuan Lisha wished they could find a hole to hide in.

They had originally wanted to come to the Michelin restaurant to show off their wealth.

They didn't expect that not only did they fail to show off wealth, but they also showed off their own ignorance.

Was this showing off for the sake of loneliness?

Ye Feng looked at their expressions and could not help but laugh.

Yuan Lisha glared at him and said, "What's so funny? All she did was speak French. What's the big deal? Isn't it still the life of working for others?"

Ye Feng immediately retorted, "So what if she works? What's there to be ashamed of if you earn a living with your own abilities? Instead, you're selling your looks and kneeling and licking men..."

Yuan Lisha's soft spot was hit. She immediately slammed the table and stood up. "Who did you say is selling her looks? Who kneeled and licked a man? You better explain yourself clearly."

Ye Feng looked at her calmly. "I didn't say it was you. Why are you so anxious?"

Jin Sanshui, who was at the side, hurriedly said, "Lisha, don't argue with him. Just do it for Miss Xu's sake."

Yuan Lisha glared at Ye Feng, sitting down with hatred.

"It doesn't matter if you say it's me. That's right, I rely on my looks, so what? Aren't you also living off a woman? What right do you have to criticize me?"

Ye Feng immediately turned to Xu Man. “Sister Man, she said that I’m living off you. You have to take responsibility.”

Xu Man glared at him.

This guy wasn’t serious at all.

At this moment, the waiter served the dishes.

Jin Sanshui felt that it was necessary for him to regain some face in front of Xu Man.

He immediately started showing off.

“I’m telling you, Western food is the most particular about etiquette. For example, this napkin, you must cover it up to your collar...”

As he spoke, he stuffed the white napkin into his collar.

Yuan Lisha hurriedly praised, “Godfather, you’re so knowledgeable. You really have the aura of a noble.”

Jin Sanshui became more and more proud.

Xu Man, who was standing beside them, immediately held her forehead.

These two people were really amazing.

Ye Feng looked at Jin Sanshui with a smile. "Who did you learn the etiquette of Western food from?"

Jin Sanshui looked at him in disdain. "Don't tell me you haven't even watched 'The Godfather'? That's what Malone Brando did inside."

Ye Feng smiled and shook his head.

He folded the napkin and laid it on his thigh.

Then, he began to eat slowly.

He was originally handsome.

And he had an excellent temperament.

At this moment, he was skillfully waving his knife and fork.

A mesmerizing aura was immediately revealed.

Watching him eat was like a form of enjoyment.

This d*mn aristocratic temperament...

Chapter 257 - 257 Don't Hit the Face!

257 Don't Hit the Face!

Yuan Lisha looked at Ye Feng in a daze.

Ye Feng's noble temperament that came from his bones also made her a little obsessed.

She could not help but feel jealous of Xu Man. How did she manage to hook up with such a handsome man?

In fact, if not for her godfather, Jin Sanshui, she would have asked Ye Feng, "Are you willing to let big sister take care of you?"

Xu Man also looked at Ye Feng in surprise.

She was very clear.

Such a noble temperament that was emitted from the inside out had to be nurtured for a long time.

The clients that she came into contact with had a noble temperament.

They were all from well-off families and had received elite education since they were young.

And Ye Feng's family was poor.

It was impossible to have such conditions.

Then how did Ye Feng undergo such a drastic change in such a short period of time?

This really made her puzzled.

Jin Sanshui, who was at the side, noticed the way the two girls looked at Ye Feng.

He immediately felt a little jealous.

However, Ye Feng was more handsome, younger, and had a better temperament than him.

By comparison, it seemed that other than being rich, he had nothing that could compare to the other party.

Hence, after the four of them finished their meal.

He immediately rushed to pay the bill.

And he was very clear.

If he used a bank card or credit card, he would not be able to show his financial strength at all.

So, he opened the Fortune app.

He also deliberately revealed the balance.

[Account balance: 6,245,332.53 yuan.]

Yuan Lisha immediately exclaimed exaggeratedly, “Godfather, you even have more than 6 million in your Fortune app? Aren’t you a little too rich?”

The other diners in the restaurant all turned around to look.

They all looked at Jin Sanshui in shock.

There were more than 6 million in the Fortune app?

This person was really rich.

Feeling everyone’s attention on him, Jin Sanshui’s vanity immediately exploded. “It’s just 6 million, just some pocket money.”

Yuan Lisha continued to flatter him, “6 million yuan is just pocket money? The world of the rich is really different.”

As she spoke, she did not forget to glance at Xu Man smugly.

Xu Man immediately smiled.

“A truly rich man wouldn’t just leave his money lying in his bank account. Only a nouveau riche who got rich by luck and doesn’t know how to use his money for investment and financial management would keep it all in his account.”

Jin Sanshui’s face immediately twitched as she hit his sore spot.

He was indeed a nouveau riche who had made a fortune by luck.

His ancestors had left him a courtyard.

It was suddenly demolished two years ago.

He received more than 20 million yuan in demolition money.

He had tried to invest in it.

However, after being tricked a few times, he didn't dare to try again.

After two years, excluding the money he had squandered and been cheated of, he was only left with 6 million.

"That... I'll go to the toilet first," Jin Sanshui said and gave Yuan Lisha a look.

Yuan Lisha immediately followed him to the bathroom.

Ye Feng smiled and said, "Sister Man, he treated us to a meal and you still say that he's a nouveau riche. You're not giving him any face."

Xu Man pouted helplessly. "I'm just telling the truth. A truly rich person will spend every single cent of his money on investment. Who would keep their money in their bank account?"

Ye Feng touched his nose and smiled bitterly, "Actually... I have quite a bit of money in my bank account."

Xu Man nodded. "That's right, because you're also a nouveau riche."

"Hiss..."

At the same time, in the washroom.

Jin Sanshui flicked the few strands of hair left on his head in front of the mirror.

“Lisha, I’ve taken a fancy to that Miss Xu.”

Yuan Lisha panicked when she heard that. “Godfather, don’t you want me anymore?”

Jin Sanshui turned around and patted her on the butt. “I want the fish and the bear paw! I want both of you.”

Only then did Yuan Lisha relax. She then pouted and said, “Godfather, you’re really too greedy. You’re actually eating the food in the bowl and looking at the food in the pot.”

Jin Sanshui rubbed her butt twice. “Be good, help Godfather think of a way. How can we get that Miss Xu’s heart?”

Yuan Lisha immediately pouted. “How would I know?”

Jin Sanshui continued to persuade her, "Aren't you and her roommates in university? You should know what she likes."

Yuan Lisha was still a little reluctant. "Although we are roommates, our relationship isn't that good. I don't know her very well."

Jin Sanshui saw that she was still beating around the bush, so he had to change his strategy.

"Haven't you been pestering me to buy you that BMW Mini? As long as you can help me settle her, I'll buy it for you immediately."

Yuan Lisha's eyes brightened. "Is that true?"

Jin Sanshui was a little displeased. "Since when did Godfather go back on his words?"

Yuan Lisha was overjoyed. "I knew it. Godfather, you're the best to me. Thank you, Godfather..."

Jin Sanshui hurriedly interrupted her, "Don't thank me yet. Help me think of a way to deal with her first. If you can't, then don't even think about the BMW Mini."

Yuan Lisha rolled her eyes and spoke again.

“Godfather, women love perfume, bags, and clothes. Why don’t you bring her to Taigu Shopping Center’s Zhonghai branch to buy some luxury goods and show off your strength? I believe she will fall for you very soon.”

Jin Sanshui immediately nodded!

“That’s reasonable. Let’s do that.”

When the two of them walked out of the washroom, they saw Xu Man and Ye Feng chatting happily.

Jin Sanshui glanced at Ye Feng with ill intentions.

Kid, I’ll let you be proud for a while.

Wait a moment.

Your woman is about to come into my arms.

Kekeke...

Chapter 258 - 258 Old, Ugly, and Stingy

258 Old, Ugly, and Stingy

“Go to Taigu Shopping Center’s Zhonghai branch?”

A few minutes later, when Xu Man heard Jin Sanshui and Yuan Lisha’s suggestion, she immediately wanted to reject them.

She was so busy with work. Where would she find the time to go shopping with them?

Moreover, she also knew that the other party’s shopping was fake. He was probably just showing off his wealth.

Xu Man was already sick of the two’s pretense.

She just wanted to leave as soon as possible.

However, at this moment, Ye Feng suddenly said, “Yes, the weather has been a little cold recently. It’s time to buy some clothes for the next season.”

He even winked at Xu Man as he spoke.

Xu Man had no idea what this guy was up to, but he was her boss now.

Since he had already said so, what else could she say?

Moreover, she had indeed been busy with work and had not gone shopping in a long time. She could use this opportunity to relax.

At the thought of this, Xu Man nodded. "Alright."

Jin Sanshui was overjoyed when he heard this.

As long as Xu Man agreed to go shopping, he would find another opportunity to show off his financial strength.

He didn't believe that she wouldn't be attracted by his strength.

The four of them then left the restaurant and headed straight for the Zhonghai branch of the Taigu Shopping Center.

..

“What are you trying to do?”

After entering the Zhonghai branch of Taigu Shopping Center...

Xu Man purposely fell behind. She got closer to Ye Feng and asked in a low voice.

“I’m helping him.”

Ye Feng had a faint smile on his face.

“Are you really that kind? I don’t believe it!”

Xu Man immediately rolled her eyes.

“I’m actually a very kind person, and I’m especially willing to give others a chance. He just wants to show off his wealth, so why don’t we give him this opportunity?”

After Ye Feng finished speaking, he immediately caught up with Jin Sanshui.

“Uncle Sanshui, there’s a Hermès store in front. Let’s go in and have a look?”

Jin Sanshui’s face immediately twitched when he heard this name.

Who the h*ll is your uncle?

Before he could say anything...

He was immediately brought into the Hermès store by Ye Feng.

“Take out the most expensive bags in your shop.”

The moment Ye Feng walked into the store, he immediately shouted at the top of his voice.

The shop assistant immediately recognized him.

After all, when Ye Feng first came to the Taigu Shopping Center, he had spent tens of millions of yuan.

It broke the shopping mall’s spending record.

And it even alerted the mall's boss, Guan Junsheng.

They only found out later that this young man was the new boss of Taigu Shopping Center.

When she saw him walking in with three people, she was about to go up and greet him.

However, she heard Ye Feng's words.

She didn't dare to be negligent.

She hurriedly took out an exquisite handbag from the counter.

"This is the Birkin30 Ostrich Skin Platinum bag that just arrived in our shop. It is made of..."

Ye Feng did not wait for her to finish her introduction and immediately interrupted, "Just tell me, how much is it?"

"The price of this bag is 219,999 yuan. If you want to buy it, we can give you a little discount..." the shop assistant quickly replied.

Ye Feng interrupted again, “Who are you looking down on? Is my Uncle Sanshui the kind of person who needs a discount? I’ll have three of this style.”

“Pfft...”

Jin Sanshui almost spat out a mouthful of blood.

A bag that cost more than 200,000 yuan.

You want to buy three at once?

That was more than 600,000 yuan!

His current account balance was only about 6 million.

How could he afford to squander like this?

Thinking of this, he quickly pulled Ye Feng back. “Why... You want to buy three?”

Ye Feng looked at him with a confused expression. "That's right, Sister Man, Miss Yuan, and me. Isn't that three? Don't tell me you want one too? That's four."

Jin Sanshui stopped him again. "You're a man. Why do you want to buy a lady's bag?"

Ye Feng rolled his eyes. "Why can't men use women's bags? I like this style."

Jin Sanshui was defeated by his shamelessness. "If you like it, you can buy it yourself. I didn't say I would pay for you. I only invited Miss Xu. You were the one who pestered me to come."

Ye Feng was speechless. "Alright, then I don't want it. Then can you buy one for Sister Man and Miss Yuan each?"

Yuan Lisha's face was filled with anticipation when she heard this.

However, Jin Sanshui immediately poured a bucket of cold water on her. "Lisha, don't buy any more. There are so many bags at home."

Yuan Lisha immediately became anxious. "Godfather, I really like this bag."

Jin Sanshui was a little displeased. "We bought so many bags at home, but I've never seen you carry them. You still want to buy them? Can you eat it?"

Yuan Lisha did not dare to say anything more when she saw his expression.

Ye Feng hurriedly held back his laughter. "Since you don't want to buy one for Miss Yuan, then can you buy one for my Sister Man?"

Jin Sanshui glanced at Xu Man awkwardly.

"Actually... I think this bag is too ugly. It's not worth 200,000 yuan. I think... This is not bad."

As he said that, he pointed to a bag with a price tag of '5,799' on the counter.

Xu Man did not say anything.

Ye Feng was not happy. "Uncle Sanshui, this is your fault. This is your first gift to my Sister Man, and you're giving her a bag of this grade? This doesn't match your status."

Jin Sanshui's face turned red.

There was hatred in his heart.

This guy was clearly taking him as a sucker.

However, for a woman...

If he spent 200,000 yuan on a bag.

It was really not worth it!

He definitely couldn't be rash and fall into his trap.

His entire fortune was only about 6 million.

He had to save his money.

Therefore, after thinking up to this point, Jin Sanshui simply pretended not to hear it.

He turned his head and looked elsewhere.

The other customers who were shopping in the store all looked at him with disdain.

“Isn’t that old man too stingy? You obviously want to pursue her, but you’re so stingy, aren’t you?”

“That’s right. He’s so old and ugly, yet he still has the nerve to pursue a young and beautiful girl. He’s really shameless.”

“It’s fine if a man is old and ugly, but he should at least be generous. Otherwise, why would a ghost like you?”

“If I were him, I would just find a hole and hide in it. How dare he come out and embarrass himself?”

“...”

Chapter 259 - 259 Why Is It So Difficult To Show Off Your Wealth?

259 Why Is It So Difficult To Show Off Your Wealth?

Jin Sanshui heard everyone’s discussion.

He suddenly felt a little ashamed.

He just wanted to leave this place immediately.

But Ye Feng did not plan to let him go.

He immediately went to another section for accessories and pointed to a metal bracelet on the counter. "This bracelet is not bad. Can you take it out and have a look?"

The saleswoman immediately took out the bangle. "You have good taste. This is the star product of our store. The 18k rose gold diamond-studded Kelly bracelet is fashionable and stylish. It's the best choice for a girlfriend..."

Ye Feng took the bracelet and put it on Xu Man's wrist. "Does it look good?"

Xu Man's face was filled with joy as she looked at the exquisite bracelet. "It looks good."

Ye Feng immediately turned around and looked at Jin Sanshui, "Uncle Sanshui, let's not buy a bag. Can we buy a bracelet?"

Jin Sanshui let out a sigh of relief.

As long as he didn't buy the 200,000 yuan bag, it would be fine.

It was just a broken bracelet.

At most, it would be 20,000 yuan.

He could still afford this bit of money.

He immediately walked over and waved at the sales lady. "I'll buy this bracelet."

The saleswoman immediately greeted him with a smile. "Sir, this bracelet is priced at 203,888 yuan. Would you like to pay in cash or by card?"

Jin Sanshui, who was about to take out his mobile phone to pay the bill, almost fell to the ground when he heard this.

"How... How much? 200,000? 200,000 yuan for a broken bracelet? Why don't you guys just rob someone?"

His voice was a little loud.

Even the customers passing by the door were attracted to come in to watch the show.

The sales lady looked at him pitifully. "Sir, this is a direct-sale store of a brand. The price is set nationwide. If you have any questions, you can call our customer service."

Jin Sanshui was so depressed that he almost vomited blood.

He just wanted to show off.

Why was it so difficult?

The prices of the items here were outrageous.

If he continued to buy like this...

He was afraid that by the time he walked out of the store in the Zhonghai branch, he would already be bankrupt.

Ye Feng revealed an expression of anticipation. "What's wrong, Uncle Sanshui? The bill!"

How could Jin Sanshui not see that this kid was deliberately making a fool of him?

Now that he heard these words, he really wanted to strangle Ye Feng.

“Miss Xu hasn’t even told me to buy it. Why are you always meddling in this? Who do you think you are?”

He was trying to find a way out.

Knowing Xu Man’s personality, she would never ask him to buy such an expensive gift.

Who would have thought that just as he finished speaking...

“I really like this bangle. Why don’t you buy it for me?” Xu Man suddenly said.

After she finished speaking, she stared straight at Jin Sanshui.

Although Jin Sanshui had been showing off his wealth in front of her, which made her very disgusted, she didn’t intend to lower herself to the same level as the other party.

But now, after hearing him speak rudely to Ye Feng...

This immediately triggered Xu Man's anger.

Didn't you want to show off your wealth?

Alright, I'll give you a chance.

Hearing her words, Jin Sanshui was completely dumbfounded.

He had never expected this.

Xu Man, who had always ignored him, actually took the initiative to ask him for a gift.

Furthermore, it was a gift worth more than 200,000 yuan.

This time, Jin Sanshui was really in a difficult position.

Ye Feng saw his expression and immediately sneered, "What's wrong, Uncle Sanshui? Could it be that you're not even willing to fork out 200,000? If you don't have the strength, why are you acting tough?"

Yuan Lisha, who was at the side, heard him speaking rudely to Jin Sanshui and was immediately angry.

“You’re just living off a woman. What right do you have to say that about my godfather? If you have the ability, why don’t you buy one for me?”

Ye Feng smiled lightly.

He immediately turned around and looked at the sales lady.

“I’ll buy this bracelet. Also, wrap up that bag for me. Also, the latest clothes, perfume, wristwatches, scarves, belts... Pack all of them up!”

The moment he said that...

It was not just Xu man, Jin Sanshui, and Yuan Lisha.

The other customers in the store were also shocked.

This guy couldn’t be joking, right?

How much would all these things cost?

At the very least, it should be at least a million, right?

The sales lady was also a little confused.

She didn't know if he was serious or just joking.

Ye Feng had no choice but to urge her, "What are you waiting for? Are you afraid that I can't afford it?"

The shop assistant finally came back to her senses.

Other people might not know Ye Feng's identity, but how could she not know?

He was the big boss of Taigu Shopping Center. How could he not afford such a small amount of money?

Are you kidding me?

At the thought of this, she quickly responded and went to find all the latest products in the store.

After some calculations, she came up with the final price.

“You spent a total of 2,123,000 yuan this time.”

When they heard the sales lady’s words, the store immediately boiled over.

“Wow, 2 million? Do you have to be so rich?”

“A spending of over 2 million. This has probably broken the spending record of the Taigu Shopping Center, right?”

“You’re thinking too much. I heard that the records of the Taigu Shopping Center’s purchases are more than 10 million yuan for each visit.”

“What? More than 10 million? Someone actually spent more than 10 million here? What kind of nouveau riche is he?”

“Some time ago, a god-level nouveau riche spent more than 10 million here, and even the vice president of the mall was shocked. However, this is not the most exaggerated part.”

“This isn’t an exaggeration?”

“The most ridiculous thing is that the god of tycoons is the new boss of Taigu Shopping Center. He’s only in his early 20s.”

“I’ll go! The new boss of Taigu Shopping Center? Only in his early 20s? Isn’t this too exaggerated? I don’t believe it!”

“A friend of mine told me this himself. He’s a staff member at the Zhonghai branch of Taigu Shopping Center. He saw it with his own eyes!”

“If it’s true, it’s too scary. Compared to that god-like rich man, this young man only spent 2 million yuan. It’s really nothing.”

As for Jin Sanshui and Yuan Lisha, they were also shocked speechless.

They had always thought that Ye Feng was just a pretty boy who lived off a woman.

Who would have thought that he could spend more than 2 million yuan in one go?

More than 2 million!

That was a third of Jin Sanshui's family property.

Just to please a woman?

Yuan Lisha really wanted to go up and hug his thigh.

Tycoon, please provide for me!

Chapter 260 - 260 Does Being Handsome Mean You Can Brush Your Face?

260 Does Being Handsome Mean You Can Brush Your Face?

Jin Sanshui heard everyone's praise for Ye Feng.

Especially when he saw that even Yuan Lisha had started to turn to Ye Feng.

He instantly felt that he had lost a lot of face.

"He hasn't paid the bill yet, why are you all following him?" he immediately mocked.

Then, he glanced at Ye Feng disdainfully. "If you have the ability, pay the bill? What's wrong? Don't tell me you don't have that much money? If you don't have money, why are you acting so cool?"

Ye Feng ignored him and looked at the sales lady. "2 million is the price for others. Look at my face. How much discount can I get?"

When the surrounding people heard this, they all curled their lips.

Why did he sound like he was asking for a beating?

What did he mean by how much discount this face could give?

Just because he's handsome, he can brush his face?

Just as everyone was silently criticizing him...

The saleswoman replied respectfully, "If it's someone else, we don't have a discount. But since you're the one buying it, I can make the decision to give you a 50% discount."

"Pfft..."

When everyone heard this, they almost spat out a mouthful of blood.

“What? I didn’t hear wrong, did I? You can actually use your face?”

“And you can get a 50% discount? This is Hermès, Hermès!”

“Yeah, I often come to their store to buy things, but I’ve never seen them give me a discount. Now they’re giving him a 50% discount?”

“On what basis? Just because he’s handsome? Can you do whatever you want just because you’re handsome?”

“With my looks, even if I don’t get a 50% discount, I should at least get a 20% discount, right?”

Not only these customers...

Even Jin Sanshui and Yuan Lisha were a little dumbfounded.

This was the first time they had heard that a famous store like Hermès would offer discounts.

Moreover, the discount was so big.

What was going on?

What was this guy's background?

The two of them looked at Ye Feng in a daze.

They were bewildered!

At this moment, Xu Man was also a little surprised.

Could it be that Ye Feng knew this sales lady?

But even if they knew each other, he couldn't have gotten such a huge discount, right?

And she saw the attitude of the saleswoman toward Ye Feng.

They didn't seem to be friends.

It was more like... The employee facing her boss.

What was going on?

Just as everyone was filled with suspicion...

Suddenly, someone started protesting in anger.

“Hermès is too much. Why did you give him such a big discount? You’re abusing your power for personal gain.”

“That’s right. We’ve come to your store to buy so many things, but we’ve never seen you give us a discount. Why did you give him such a big discount?”

“Call your manager out. He has to give us an explanation today.”

“That’s right. If you don’t give us a satisfactory answer today, we’ll never come to your shop again.”

“And I’m going to post your scandal online for everyone to judge. What right do you have to treat your customers differently?”

She saw that everyone was furious.

The saleswoman was frightened.

She stood there, at a loss.

And when Jin Sanshui saw that Ye Feng's actions had caused public anger, he was very happy.

I'll let you show off again.

Why did you stop acting?

Continue acting!

Just then, he suddenly saw a man in a black suit walk out from behind.

"Hello, everyone. I'm the manager of the Hermès brand branch in Taigu Shopping Center's Zhonghai branch. You can ask me any questions you have."

When everyone heard his self-introduction, they immediately found a channel to vent their anger.

“So you’re the manager here. Then explain to us why your employees are giving this person a 50% discount?”

“That’s right. You have to give us an explanation today. Why are you treating us differently?”

“We feel like we’ve been insulted. If you don’t give us a reasonable explanation today, we’ll expose your actions online and make everyone boycott your store and your brand.”

“Let’s boycott this together!”

The manager quietly listened to everyone’s comments.

He kept smiling.

After everyone had finished speaking, he slowly said, “Because Mr. Ye is the boss of the Zhonghai branch of the Taigu Shopping Center. Are you satisfied with this explanation?”

“Uh...”

The crowd instantly fell silent.

They then looked at Ye Feng in a daze.

“He’s the boss of Taigu Shopping Center? Isn’t he too young?”

“This is the man who spent more than 10 million and broke the record of Taigu Shopping Center?”

“If it’s the boss of Taigu Shopping Center, then giving him a 50% discount seems reasonable!”

“Don’t even talk about a 50% discount. With their identity and location, it’s not a problem to give it to them for free.”

“Looks like we’ve misjudged them.”

The customers who were still excited just now immediately stopped.

What replaced it was shock toward Ye Feng.

The young man looked more like an ordinary college student.

Who would have thought that he was the boss of the Zhonghai branch of Taigu Shopping Center?

Not only was he young, but he was also so handsome!

He was the perfect Prince Charming in every woman's eyes.

Many female customers at the scene immediately looked at Ye Feng with admiration.

As for Jin Sanshui, he was so scared that his face turned pale.

The boss of the Zhonghai branch of Taigu Shopping Center?

His net worth should be at least a few billion, right?

This was too scary!

He was just a small relocated household.

Moreover, in the past few years, he had already spent more than half of the demolition money.

Now, his entire net worth was only 6 to 7 million.

Compared to a big shot of this level, he was nothing.

If the other party wanted to kill him...

He only needed to move his fingers slightly.

Then, he thought about how he had mocked and ridiculed him just now...

Jin Sanshui was scared out of his wits.

“Ye... Boss Ye, I was blind just now! Please don’t take it to heart!”

At the same time, he pulled Yuan Lisha and asked, “What are you doing? Hurry up and apologize to Mr. Ye!”

Yuan Lisha's mind went blank.

Upon hearing this, she was even more confused. "Why should I apologize to him?"

Jin Sansuhi exploded.

He swung his hand and slapped her.

"You just f*cking called Mr. Ye a gigolo who lives off a woman, have you forgotten so quickly? If you want to die, don't drag me down with you!"

Yuan Lisha covered her red and swollen cheek and finally reacted.

She hurriedly bowed and apologized to Ye Feng.

"Mr. Ye... I'm sorry, I was wrong. I'm the pretty boy... No, I'm a sl*t, I'm shameless, I'm not human..."
