

100 Million 26

Chapter 26

Xia Qiu Came In Person, What Ordinary Person?

As Ye Feng left, the people who were initially embarrassed, shocked, or envious felt much more relaxed.

Everyone heaved a sigh of relief and looked at Fatty Chu who was beside him.

Their eyes were filled with envy, jealousy, and regret.

...

And as the news spread, soon, everyone in the entire Male Dormitory Building Block 16 knew that Ye Feng had a Ferrari Enzo.

Those who had doubted Ye Feng's strength earlier immediately shut up.

Many people even came to the boys' dormitory just to catch a glimpse of the King of Ferraris.

Thus, when Ye Feng came down with the items, he saw a huge crowd of people surrounding him.

When they saw Ye Feng, many of them changed their attitude and their faces were filled with warmth.

“Brother Feng,”

“Hello, Brother Feng!”

“Brother Feng is here, quickly make way for Brother Feng.”

“...”

Ye Feng did not say anything, he just smiled. He could not be bothered with them.

After placing the items on the Ferrari Enzo, he waved at Fatty Chu and prepared to leave.

Fatty Chu was also tactful and immediately retreated to the side. At the same time, he smiled and said, “Brother Feng, if there’s a chance, can you let me experience it in your luxury car?”

Ye Feng did not care about this. He said casually, “Sure, but I have an appointment today, I can only do it another day.”

When Fatty Chu and the others heard this, just as Ye Feng said he was meeting someone, a Mercedes-Benz RV drove over and stopped beside the Ferrari Enzo.

After that, a few capable bodyguards got out of the car and surrounded them. At the same time, they opened the door of the back seat.

Immediately after, a woman as beautiful as if she had just walked out of a painting came out of the car.

The moment they saw her, Fatty Chu and the others instantly opened their eyes wide.

“Heavens! It’s Xia Qiu!”

“It’s really Goddess Xia Qiu!”

“Xia Qiu actually came to our university. I finally get to see the goddess in person.”

“Eh? The goddess is walking toward Ye Feng.”

“Could it be that Ye Feng and the goddess know each other?”

“...”

Under everyone’s gaze, Xia Qiu came to Ye Feng’s side. A beautiful smile appeared on her face, “Ye Feng.”

“Miss Xia.” Ye Feng nodded and greeted Xia Qiu.

When everyone saw this, they were even more excited.

Initially, there was still a small portion of people who still suspected that Ye Feng’s diamond card for Xia Qiu’s concert was fake, but now...

Xia Qiu had even come here, so who dared to question him?

Instantly, when many people looked at Ye Feng again, their gazes changed again.

Ye Feng also noticed this, but he did not say anything.

Although he was curious as to why Xia Qiu would personally get out of the car to look for him, it was not the time to talk nonsense.

Seeing more and more people rushing over, Ye Feng quickly said, "Miss Xia, let's leave this place first."

"Alright!" Xia Qiu also understood the current situation and knew that it was not wise to stay any longer. She quickly got into the car under the protection of her bodyguards.

Soon, the Mercedes RV drove out of Zhonghai University.

Ye Feng followed behind in his Ferrari Enzo.

...

However, even though they had left, Zhonghai University did not calm down.

[Hey, did you guys hear? Goddess Xia Qiu actually came to our school to look for a freshman named Ye Feng.]

[I'm so envious of Ye Feng, he actually knows my goddess.]

[Who is Ye Feng? He actually has the ability to make the goddess come to him personally.]

[Who was the one who said that his diamond card for Xia Qiu's concert was fake? MD, if you have the guts, come out now and see if I don't give you a BUFF!]

[He even said that Ye Feng is an ordinary person. How is he an ordinary person? How can an ordinary person know Goddess Xia Qiu?]

[The goddess smiled so gently at Ye Feng, could it be...]

[Don't talk nonsense. My goddess will never be with Ye Feng. No matter how rich Ye Feng is, he is not worthy of my goddess.]

[...]

For a time, the entire Zhonghai University was talking about the relationship between Ye Feng and Xia Qiu.

At the same time, some people started to guess Ye Feng's true identity.

Some people said that Ye Feng was the illegitimate son of a big shot.

Some people said that Ye Feng was actually the son of a super-rich man.

Some even said that Ye Feng had a very deep background...

These rumors were spread like wildfire, but there was still a small portion of people who believed them, and they were all extremely envious of Ye Feng.

At the 16th dormitory building, Fatty Chu had also become a popular person because of his good relationship with Ye Feng.

“Brother Chu, since you’re so close to Brother Feng, can you reveal to us who Brother Feng is?”

“Brother Chu, were you going to the cafeteria for lunch just now? How about this little brother invite you to eat outside?”

“Brother Chu, as long as you can help me get an autograph from Goddess Xia Qiu, you’ll be my real brother from now on.”

“...”
