

## 100 Million 27

### Chapter 27

#### The Legendary Campus Belle

Meanwhile, in a place where no one noticed, Xu Man's eyes were filled with shock when she received the photos and news from her classmates.

To think that Ye Feng and Xia Qiu were so close...

She had thought that Ye Feng was only rich, but now it seemed that she was too naïve.

Ordinary rich people were not qualified to be friends with superstars like Xia Qiu.

At that thought, Xu Man quickly took out her phone and dialed Lin Jie's number.

Very quickly, Lin Jie's voice came from the phone. "Man Man."

"Lin Jie, let's go for lunch together," Xu Man said in a gentle tone.

On the other end of the phone, Lin Jie was overjoyed when he saw that Xu Man had taken the initiative to ask him out. He quickly agreed, "Okay, okay, okay. Man Man, where do you want to go to eat?"

"You decide."

"Should we go to the Building of Pines and Cranes?"

"Alright." Xu Man's tone was still gentle.

Anyway, she was only looking for Lin Jie to find out about Ye Feng's information, so it did not matter where she went to eat.

"Alright, then I'll book a seat at the Building of Pines and Cranes. By the way, Man Man, where are you? I'll go pick you up."

"Alright, see you later."

After hanging up, Xu Man scoffed in disdain.

If not for Ye Feng, Lin Jie would not even be worthy of being her tool.

Acting in front of him, it was so disgusting~

...

At the same time, in the Student Union of Zhonghai University, the members were all handling affairs in their own positions.

Many of the male members would steal a glance at the president's seat from time to time.

In the president's seat, there was a girl in a light blue dress who looked very cute and adorable.

The boys were peeking at her, not because she was the president of the Student Union, but because of her beautiful face.

Fair skin, delicate facial features, and a pair of lively eyes that seemed to be able to speak...

If the total score of appearance was 100 points, then this soft and cute girl's appearance was definitely above 95 points.

The girl's name was Shen Baitian.

She was a third-year student at Zhonghai University.

At the same time, she was also recognized as the soft and cute campus belle in Zhonghai University.

There was almost no student in the school who did not know her.

Shen Baitian naturally felt the guys peeking at her, but she didn't care. She just supported her face with one hand and scrolled the mouse with the other, browsing the posts on campus.

Suddenly, a post titled 'Shocking Appearance of Ferrari Enzo Below the Boys' Dormitory' caught her attention.

She was also a sports car fan, so she knew about the Ferrari Enzo.

She didn't even have the right to own that model of car. She didn't expect it to appear in school.

'I wonder who its owner is?'

Out of curiosity, Shen Baitian opened a post.

Instantly, a black sports car appeared on the computer screen. It was domineering, cold, and stylish...

It was too handsome!

Shen Baitian couldn't help but widen her eyes. She had an indescribable love for the car in the photo.

After watching for a while, she continued to move the mouse.

There was indeed information about the owner of the car.

“Ye Feng... A freshman...” After reading it, Shen Baitian’s face was filled with confusion.

Was there such a big shot among the first-year students? Why didn’t she know about it?

After thinking for a long time, Shen Baitian still couldn’t match Ye Feng with the big bosses she knew, so she decided to stop thinking about it and continued to look at the pictures of the Ferrari Enzo.

However, in the depths of her heart, she was curious about Ye Feng.

...

On the other hand, Ye Feng had no idea what had happened in Zhonghai University.

He just followed Xia Qiu’s car all the way and finally stopped in front of Drifting Cloud Pavilion.

Drifting Cloud Pavilion was a private restaurant only known to the upper class of Zhonghai City, and only the upper class of Zhonghai City could enter.

This was also the reason why Xia Qiu had decided to have their meal here.

After all, she was too popular now. If she went to any other restaurant, she might be discovered by her fans the moment she got out of the car.

After alighting from the car, Ye Feng walked in with Xia Qiu.

Xia Qiu's private room was on the south side of the third floor. There was a lake outside the window surrounded by green willows. Lotus flowers were planted in the lake, but unfortunately, it was already past the blooming period, so only green lotus leaves could be seen.

The room was elegantly decorated. On the left side of the wall, there was a mahogany antique shelf with all kinds of porcelain bottles on it...

The two of them chatted as they waited for the dishes to be served.

As they spoke, they started talking about what happened at school.

Ye Feng was curious as to why Xia Qiu would come down personally to look for him, so he asked.

"If I make an appearance, won't the rumors be dispelled on their own?" Xia Qiu smiled and said. Then, she looked a little apologetic. "In the end, this matter was also caused by me."

"Ye Feng, I'm sorry for making you suffer."

"I'll replace wine with tea to apologize to you."

Xia Qiu raised her teacup.

Ye Feng laughed. He did not care much. "Miss Xia, you don't have to blame yourself."

Although those rumors were indeed infuriating, he had never thought of proving anything to those people. They were just a group of insignificant people, not worth wasting his time.

However, when it came to the concert...

"By the way, Miss Xia, I'm bringing a few friends to the concert tomorrow night," Ye Feng said.

Although he had his own private room and could bring anyone along, it was better to inform Xia Qiu in advance.

“No problem, you can do whatever you want.” Xia Qiu smiled and teased, “Is she your girlfriend?”

“Miss Xia, don’t joke around. I’m single. How could I have a girlfriend?” Ye Feng smiled and shook his head.
