

## 100 Million 28

### Chapter 28

Great Young Master Jiang! You're So Mighty!

Xia Qiu was a little surprised.

Ye Feng was so outstanding, but he didn't have a girlfriend?

However, her relationship with Ye Feng was not good enough for her to speak freely, so she did not continue to ask. She just smiled and said, "When the time comes, you can bring your friends. The venue will be arranged in advance."

Ye Feng didn't say anything more. He chatted with Xia Qiu and started to enjoy his lunch.

...

And in the private room next to Ye Feng, Jiang Hao was drinking with a few scoundrels when the door of the private room was suddenly pushed open.

Then, a young man with dyed blonde hair walked in.

The yellow-haired man quickly walked to Jiang Hao's side and smiled. "Brother Hao, I have good news for you."

Jiang Hao, who was drinking in high spirits, was already a little unhappy when he saw him rushing in. He immediately said in a bad mood, "Speak."

The blonde could tell that he was unhappy. He quickly wiped the cold sweat off his forehead and said, "Xia Qiu is here to eat too."

He knew that Jiang Hao had always been interested in Xia Qiu. He had found some clues just now, which was why he had rushed in without knocking.

As he expected,

After hearing the words 'Xia' and 'Qiu', Jiang Hao's eyes lit up. "Really?"

"It's true." The blonde nodded. "I saw Xia Qiu's manager, Sister Wang, downstairs. I followed her and found her stopping at the door of the private room next door."

"Then, when the waiter was serving the dishes, I took a peek inside. Xia Qiu was eating with a young man..."

Jiang Hao's face fell when he heard this.

The expressions of the other second-generation nouveau riche also became subtle.

Jiang Hao had asked Xia Qiu out so many times, but she had refused to have dinner with him. Now...

“Who is that man?” Jiang Hao asked in a deep voice.

“I don’t know him.” The blond shook his head.

“So you’re saying that he’s not someone from our circle?”

The yellow-haired man thought for a moment and shook his head. “I don’t think so. Anyway, he looks unfamiliar. I’ve never seen him before.”

He had seen most of the rich and powerful second-generation in Zhonghai City, but Ye Feng was too unfamiliar, so he should not be in the circle of the second generations.

Hearing this, Jiang Hao could not help but squint his eyes.

Since he was just a guy with no background, he would not be polite.

Immediately, Jiang Hao waved his hand and said, "Brothers, since Xia Qiu is here, it's not good not to go and say hello. Let's go!"

As he spoke, he led the group of people to the private room next door.

...

On the other hand, Sister Wang, who was standing at the door of the private room, noticed Jiang Hao almost as soon as he walked over with his men.

Her expression changed and she tried to stop him. "Young Master Jiang..."

Before she could finish, Jiang Hao pushed her away impatiently. "Get lost!"

Then, everyone pushed the door open and entered.

The moment the door was pushed open, Jiang Hao saw Xia Qiu at the dining table.

His face was full of joy. As he strode inside, he said with a slight hint of ridicule, “Miss Xia, it’s really you. I’ve always wanted to treat you to a meal, but I didn’t have the chance. I didn’t expect to see you here today...”

As he was speaking, he suddenly noticed that the man beside Xia Qiu was looking over.

Jiang Hao also looked over subconsciously.

Then, his voice stopped abruptly.

This was because he had seen the face of the man beside Xia Qiu.

Ye Feng?

How could it be him?

Jiang Hao also froze in his tracks!

...

At the table in the private room, Xia Qiu had not noticed Jiang Hao's abnormality.

Seeing that Jiang Hao and his men were approaching menacingly, she couldn't help but clench her fingers, a hint of uneasiness in her eyes.

She hated Jiang Hao, but she was also a little afraid of him.

The Jiang family had a lot of power in Zhonghai City, and she was just a foreign artiste. A strong dragon could not beat a local snake...

Besides, the concert was about to start, and she really didn't want to cause any trouble...

At this moment, seeing Jiang Hao staring at Ye Feng, she was thinking about what to do to escape from this...

Ye Feng suddenly looked at Jiang Hao with a faint smile and said, "Young Master Jiang is so mighty!"
