

Found 100 Million In My Rented Apartment - Chapter 3

Chapter 3

Oscar Owes Me An Oscar

Ye Feng did not need to think to know that the Mercedes-Benz RV behind him was his target.

He immediately started riding forward.

As soon as he arrived next to the Mercedes-Benz RV, the green light turned on.

The car continued moving forward.

The Mercedes-Benz RV's driver was also about to start the car when he suddenly saw a blue bicycle rushing over.

What was going on?

Scamming?

While the driver was still in a daze, the bicycle suddenly tilted toward the car.

Next, Ye Feng crashed into the car's bumper.

Did he really encounter a scammer?

The driver's eyes twitched.

He had wanted to call the police directly, but thinking of the identity of the person in the car, he decided to get out of the car first and negotiate with the other party. If the money they asked for was not much, then he would just treat it as spending money to avoid trouble.

When he got off the car, Ye Feng also stood up from the ground.

When he saw the chauffeur walking over, he hurriedly said with a panicked expression, "Uncle, I'm sorry, I'm sorry. I just learned how to ride a bike not long ago. I didn't mean to hit your car..."

So he wasn't a scammer!

The driver heaved a sigh of relief and was about to tell Ye Feng to leave.

Ye Feng suddenly exclaimed.

"Ah! It's you... You're Xia Xia's driver?"

Xia Xia was the nickname that the fans used for Xia Qiu.

When he said this, he deliberately acted very exaggeratedly, just like a brainless fan of Xia Qiu.

Seeing this, the driver had a headache.

He didn't usually show his face in public, so how did this kid recognize him?

Just as he was about to explain that he was not Xia Qiu's driver, the door opened.

A woman in her late twenties with a face score of 80 walked down the stairs.

She was Xia Qiu's manager. Her surname was Wang and people called her Sister Wang.

Sister Wang walked to the driver and asked, "What's going on?"

She only saw someone hit the car and thought it was an accident, so she quickly came down to check.

"Sister Wang, it's like this..."

The driver quickly explained the situation to Sister Wang.

Sister Wang couldn't help but frown when she heard that.

It was too much of a coincidence that he had accidentally hit the car and recognized Xia Qiu's driver!

She couldn't help but suspect that this young man who didn't even look twenty years old was here for Xia Qiu.

Could he be paparazzi?

Was he waiting for them here?

No, today's schedule was not made public, so he couldn't have known that they would pass through this road.

Moreover, she had not seen this young man on the road before.

What was going on?

Sister Wang couldn't understand, so she just said, "What is your purpose?"

"Purpose?" Ye Feng was stunned. He thought he had exposed himself.

However, when he saw Sister Wang's uncertain look, he knew that she was just trying to get information out of him. He quickly shook his head.

"Sister, I don't have any ulterior motives. If you really want to know, can you let me see Xia Xia?"

"Are you really Xia Xia's fan?" Sister Wang was still suspicious of Ye Feng's identity.

Ye Feng looked at Sister Wang innocently, "That's right. Xia Xia is my goddess. I really like her. Can you let me see her?"

"No!" Sister Wang shook her head.

No matter how harmless Ye Feng looked, to be safe, she would not let strangers get close to Xia Qiu.

Since the driver didn't hit anyone, she didn't want to stay here and waste time, so she immediately wanted to find a reason to send Ye Feng away.

Suddenly, a light purple figure came out of the car.

It was Xia Qiu!

Her looks were at least 93 points, and her figure was at least 93 points!

Her face was pure, but her figure was quite mature. She was even more attractive than in the photos and videos!

Sister Wang noticed that she had gotten out of the car and her expression changed.

“Xia Xia, why did you come down personally? I’m almost done here. You can continue to rest.”

As she spoke, Sister Wang stared at Ye Feng with a guarded expression.

Ye Feng was speechless.

Did he really look like a bad person?

Hearing this, Xia Qiu only smiled faintly. “Sister Wang, I’ve heard everything you said just now.”

After she finished speaking, she looked at Ye Feng, her beautiful eyes were filled with curiosity.

When Sister Wang saw this, she didn’t say anything more. She just moved closer to Xia Qiu. In case something happened, she could protect Xia Qiu in time.

“Did you recognize my car a long time ago, so you deliberately came to stop me?” Xia Qiu asked after a few seconds.

Her voice was very calm, and she was not angry because of this. Instead, there was a trace of concern.

Seeing that Xia Qiu did not put on any airs, Ye Feng’s impression of her improved.

He knew that his poor acting skills would not be able to fool Xia Qiu, so he admitted it openly.

“I didn’t expect you to see through me, Xia Xia!”

“I thought the license plate looked familiar before, but I wasn’t sure it was you. But when I saw the driver, I was sure.”

‘Xia Xia, I really like you a lot. Can I have your autograph?’

“Of course you can!” Xia Qiu smiled.

He then took out a pen and paper.

After she finished writing, she passed the paper to Ye Feng and said in a child-teaching tone, “But~ Little brother, don’t do this again in the future. It’s very dangerous, do you understand?”

Ye Feng quickly nodded.

After he put away the signature, he glanced at the fuel truck.

The tank truck had only driven about 50 to 60 meters away, so it was still very dangerous.

Thus, he pestered Xia Qiu and chatted with her.
