

## 100 Million 371

### Chapter 371 Awesome

Everyone, including Niu Sidun, was shocked when they saw Chen Qiushan and the others enter the Emperor Palace one by one.

With Niu Sidun's power and the support of so many big shots in Zhonghai's business world...

There were actually so many people who chose to stand behind Ye Feng.

This... This was illogical!

In an instant.

The original situation of the disparity in the lineup.

It gradually returned to balance.

Lin Qianqian, Kong Ping, and Gao Jinxi were both surprised and delighted.

They were originally just hot-blooded and stood behind Ye Feng.

In reality, with their strength, they could not affect the situation at all.

Any one of them could easily crush them to death.

However, they never expected that they would have reinforcements, and so many of them at once.

It was just like the general platform before the battle in ancient times.

It made one's blood boil.

Ye Feng looked at Chen Qiushan and the rest, his heart was in turmoil.

He did not expect them to appear at this time.

After all, the enemy they were facing now was Niu Sidun.

Others would avoid it like the plague, so why would they send themselves to the door?

How silly!

Especially people like Huo Wenming, who was still wrapped in a bathrobe. He probably rushed over halfway through the hot spring.

Wen Tingguang still had rice grains on the corner of his mouth.

Chen Qiushan was still holding a small hammer used for auctions...

This deep friendship was truly moving.

Niu Sidun's gaze was like a knife as it swept across Chen Qiushan and the others.

"Are you sure you want to be enemies with me, Niu Sidun?"

In South Guangdong Province...

'Niu Sidun' was the Dragon Slaying Saber.

Anyone who saw it would have to avoid it.

Unexpectedly, in a small Zhonghai, there were actually so many people who ignored his dignity and dared to touch the tiger's butt.

This made his heart burn with rage.

Chen Qiushan waved the small hammer in his hand twice in the air.

"Who is Niu Sidun? Is he very powerful? Why haven't I heard of it before? Have you heard of it?"

"I've never heard of him. He's probably some rich man from some remote mountain, right?" Wen Tingguang immediately shook his head. "Anyway, his name sounds quite rich," Huang Zhiyuan immediately chimed in.

"What do you mean?" Everyone turned to look at him.

"Four tons of beef. Beef is quite expensive now. A four-ton cow is worth a lot of money," Huang Zhiyuan explained seriously.

"Hahaha, in that case, he's indeed quite rich."

“My family is poor and can’t afford anything else. Give me two catties of beef brisket.”

“Give me two ox legs.”

“The ox head is mine. Don’t fight with me.”

“I’m not greedy. Just a cow’s tail will do...”

Everyone teased each other.

They did not take Niu Sidun, who was famous in South Guangdong, seriously at all.

Niu Sidun had never suffered such humiliation before, and he was instantly enraged.

“I, Niu Si Dun, will say this today. I will eliminate all of you one by one. You will have no place in Zhonghai!”

Chen Qiushan and the others looked at each other when they heard his threat.

“My education level is low. Can anyone help me explain what it means to have no place to stand?”

“What I mean is that there isn’t even a place to stand except an awl.”

“But I don’t have an awl at home. It was eliminated decades ago.”

“That shouldn’t be talking about you.

“Then I can rest assured...”

Ye Feng heard everyone’s teasing and could not help but shake his head and smile.

Then, he turned to look at Niu Sidun. “My brothers all like to joke around. I’m sorry to make a fool out of you, Mr. Niu.”

Niu Sidun sneered. “I hope they can still laugh after today.”

Ye Feng nodded. “Thanks for your kind words, I hope that Mr. Niu will listen to jokes more often, but don’t make yourself a joke.” After saying that, he waved his hand at the people behind him.

“We won’t disturb Mr. Niu’s elegant mood. Let’s retreat.”

“Goodbye, Mr. Niu.”

“Mr. Niu, eat and drink well.”

“Mr. Niu, have fun.”

“Mr. Niu...”

Everyone politely bid farewell to Niu Sidun.

Then, they followed Ye Feng out. These greetings...

It was as if he was slapping Niu Sidun’s face.

“Ye Feng, one day, you will kneel down and beg me. This day is not far away!”

Niu Sidun looked at Ye Feng’s back as he left.

He clenched his fists tightly.

Hualala...

The prayer beads in his hand immediately scattered on the ground.

From this, one could see the anger in his heart.

The people standing behind him were all as quiet as cicadas in winter. They did not even dare to breathe loudly.

Ye Feng and the rest returned to the Prince Palace.

He asked the waiter to remove the food and served another table.

Ye Feng raised his wine glass.

“Thank you for coming to help today, I, Ye Feng, will remember your kindness!” As he spoke, he downed the wine in his glass.

Everyone also picked up their wine glasses and drank them all.

“Brother Ye, you’re treating us like outsiders. Aren’t you scolding us?”

Chen Qiushan put down his wine glass and spoke with some dissatisfaction.

“Yeah, Mr. Ye is in trouble. Can we just sit back and do nothing? Are we still human?”

“I don’t like hearing that. How can we let Niu Sidun do whatever he wants in our territory?”

“We’re already on the same ship. How can we treat you like an outsider?”

“Ye Feng, if you treat us as your own people, take back what you said just now.” Everyone protested against Ye Feng. Ye Feng could only smile bitterly: “I said something wrong, I will drink a cup as punishment.”

As he spoke, he drank another cup and barely calmed down the ‘public anger’. Everyone continued toasting. Almost everyone present was Ye Feng’s direct descendant.

In addition to the confrontation with Niu Sidun, their relationship had improved a lot. Therefore, the banquet was extremely lively.

Lin Qianqian sat at the side as if she was sitting on pins and needles. She felt a little melancholic for no reason. Almost all of the people present were CEOs of major companies.

They could help Ye Feng share the pressure and defend against the enemies. But what about her?

Although she wanted to share the burden with Ye Feng... However, she could not help at all. She had never felt so disappointed before. Kong Ping, on the other hand.

It was another state of mind.

Although he had heard his cousin Kong Xianghui praise Ye Feng before. However, he only thought that the other party was just a relatively outstanding young man. But after tonight's thrilling scene...

Seeing that Ye Feng could fight Niu Sidun as an equal. Only then did he truly have a clear understanding of this young man who was the same age as him.

How was this an outstanding young man? This was clearly awesome!

Chapter 372 Honestly, I'm Scared Too

Gao Jinxi was still in a daze.

It could even be said that...

He was dizzy the entire night.

At the beginning, Ye Feng easily made Xue Xiangdong lose face, he already felt that it was very impressive.

Later on, after entering the Emperor Palace, Ye Feng displayed his might and flipped all the people who provoked him off their horses.

In the end, when he faced Niu Sidun head-on, not only did he not lose, he even made the other party's face dirty.

That was Niu Sidun!

He was a super big shot that shook the entire South Guangdong Province.

To him, that was definitely an unattainable existence.

He actually suffered a loss in Ye Feng's hands.

He felt like he was dreaming.

No, he didn't even dare to dream of such a scene.

This was too surreal.

After three rounds of wine.

Chen Xuan spoke first.

"Although everyone's morale is high, I still have to pour some cold water on you. Although Zhonghai is our home ground, Niu Sidun's influence here is not to be underestimated."

The originally lively atmosphere immediately began to cool down.

Everyone knew that Chen Xuan was telling the truth.

Niu Sidun had dominated the business world for decades and had almost never lost.

Many of his business cases had been written into textbooks.

Many of them had studied and dissected before.

There were even people who once regarded him as an idol.

Now, who wouldn't panic if they were made enemies with their former idol?

The excitement just now was just to hide the fear in their heart.

Ye Feng took in everyone's expressions, his expression also became serious.

"It's normal for everyone to be afraid. To be honest, I'm afraid too. That is Niu Sidun, a legendary existence in the business world. If you say that you are not afraid of such an enemy, you are deceiving yourself."

Everyone listened attentively.

To think that Ye Feng actually admitted that he was afraid of Niu Sidun in public.

This made them very surprised.

Ye Feng had a determined expression on his face. "But fear is fear, we must not cower. Now that he has come to bully us, if we don't accept the battle, what's the difference between us and cowards?"

Everyone nodded.

They were able to achieve what they had today.

Which one of them didn't overcome all the obstacles along the way?

If they were as timid as a mouse, they would have died on the way.

As Ye Feng spoke, his gaze turned sharp. "I don't care who he is, provoking me, Ye Feng, is the stupidest decision he has ever made in his life."

Bang!

As soon as he finished speaking, the wine glass in his hand immediately shattered.

Chen Qiushan was the first to stand up. "What Mr. Niu and Mr. Ma? F\*ck them!"

Everyone stood up.

All the wine glasses clinked together.

"Motherf\*cker!"

When everyone dispersed, it was already past midnight.

Ye Feng sent everyone out.

Then, he personally sent Lin Qianqian back to her residence.

She did not live in Zhongtian Lake-View Villa.

After all, that kind of place was not something a property manager like her could afford to live in.

She had drunk a lot tonight and was already drowsy.

Ye Feng sent her home, helped her to the bed, removed her high heels, covered her with the blanket, and was about to leave.

Lin Qianqian suddenly grabbed his wrist.

Ye Feng turned around.

He saw her looking at him with drunken eyes. "I'm sorry, I can't help you with anything..." Ye Feng smiled lightly. "You don't have to help me with anything, I can handle it myself..."

Before he could finish, Lin Qianqian suddenly sat up from the bed.

"But I can... help you release the pressure. Do you want to give it a try..."

Her breath was like orchids, and her voice was full of temptation.

At the same time, she took off her coat.

She was wearing a close-fitting black singlet. Her perfect figure was completely exposed. Ye Feng was shocked. "That... I'll be leaving first."

With that, he fled.

Lin Qianqian stared blankly at his retreating figure.

What was wrong with him?

She just wanted him to try her massage technique to help him relax.

Was there a need to be so scared? After lampooning for a while, she directly lay back on the bed.

She fell asleep.

Ye Feng drove toward Zhongtian Lake-View Villa.

He was very clear.

After tonight, everyone would avoid him like the plague.

There were even many people who wanted to take the opportunity to attack him so that they could take credit for it.

If someone really had such thoughts, then he didn't mind sacrificing them to the flag first. Just as he was lost in his thoughts, a system notification suddenly sounded in his ear. [A new opportunity navigation has been detected. Please go straight for 100 meters and turn right...]

Ye Feng's eyes lit up.

He had just encountered a great enemy.

The system sent him a new destiny navigation.

He just didn't know what the reward this time was.

He immediately increased his speed and rushed forward.

On the other side, Liu Mei was limping through a roundabout alley.

Her face was filled with panic.

As she fled, she kept looking back.

One of her high heels had long since disappeared. Ever since that day in the parking lot, Ye Feng had recorded her conversation with Peng Shaokun.

She already had a bad feeling. Yesterday, when she heard Peng Shaokun say that they were going to make things difficult for Ye Feng, she knew that things were not going well.

If he really fell out with Ye Feng, the other party would take out that video in anger.

Peng Shaokun was still alright. After all, he was Peng Wannian's son.

No matter how angry Peng Wannian was, he wouldn't do anything to him. However, all the anger would gather on her.

So, she forced Peng Shaokun to sign a document last night.

She successfully transferred 20 million yuan from the company.

She also bought a plane ticket to go abroad.

She planned to run away from here and never come back.

God's plan was better than man's. Due to the weather, the plane couldn't take off normally today.

When she was waiting at the airport, she saw that the company's Security Department had already arrived at the airport.

They were searching for her.

She was so scared that her legs went weak and she couldn't even stand up.

However, in the end, she still fled in a hurry under her survival instincts. Of course, Liu Mei didn't even have time to take her luggage because she was in a hurry.

However, those people were alert enough to chase after her.

In a panic, she ran into this alley.

At this moment, she suddenly realized in despair.

The road ahead was blocked by a wall. It was a dead end!

At the same time, the footsteps behind them were getting closer and closer.

Liu Mei fell to the ground.

It was over.

It was all over.

Chapter 373 I Can Give You Everything!

Liu Mei had followed Peng Wannian for several years and was used to his ruthless methods.

Before her, Peng Wannian had another mistress.

That mistress was keeping a gigolo behind his back.

After Peng Wannian found out, he used some unknown method to send the man to prison.

Not only was he sentenced to more than ten years, it was said that he had suffered inhuman treatment inside.

As for the woman, her fate was even worse.

She was tortured by the six or seven men assigned by Peng Wannian. She didn't know what kind of torture she suffered, but she went crazy.

She was still locked up in the mental hospital.

Liu Mei had once been ordered by Peng Wannian to help that woman pay for her hospitalization fees.

She went to take a look at her.

At that time, she saw her curled up in a corner and eating the lice on her body.

Even now, she still felt her hair stand on end when she thought of that terrifying scene.

And her current behavior...

She was even a hundred times, a thousand times worse than that woman.

This was because the person she cheated on him with was Peng Wannian's son.

If she was really captured...

She would only end up worse than that woman.

As her thoughts drifted, Liu Mei clearly heard the footsteps of that group of people getting closer and closer.

Some people even laughed and teased her.

"This b\*tch sure knows how to run. She's been walking us all night."

"There's a dead end ahead. Even if she has wings, she can't fly over."

“I can finally go back and report my work. I was halfway through with my wife when I was called over. I’m still feeling uncomfortable.”

“What’s so good about your wife? Isn’t this woman prettier than your wife?”

“She’s beautiful, but we can only look at her with envy. Would the old man let us touch her?”

“The old man was so angry that he was hospitalized. Even if you play her to death now, the old man won’t say anything. Maybe he will even give you some rewards.”

“Really?”

When Liu Mei heard their conversation, she was in complete despair.

Peng Wannian was so angry that he was hospitalized?

That would be even more hopeless for her.

She immediately took out a fruit knife from her bag.

She trembled as she pressed it against her throat.

Although she was afraid of death, this was better than living a life worse than death.

Just as she was about to end her life... Suddenly, a car stopped at the entrance of the alley.

The dazzling lights illuminated the entire alley.

Liu Mei, who was already in despair, saw a glimmer of hope and hurriedly shouted.

“Help, help...”

Seeing this, the security guards all hid in the shadows.

Liu Mei seemed to have grabbed onto her last life-saving straw as she scrambled out of the alley.

The distance of a dozen meters was not considered long, but she felt as if she had walked for a lifetime.

When she reached the entrance of the alley, she seemed to have exhausted all her strength.

Unable to hold on any longer, she fell to the ground.

At this moment, a pair of men's leather shoes that had been polished appeared in front of her.

Liu Mei followed the leather shoes and looked up.

She saw a handsome face.

At this moment, under the illumination of the car lights.

His body emitted a dazzling light.

He was like an angel.

Ye Feng?

Liu Mei was completely stunned.

She had never expected this.

The one who saved her life was actually Ye Feng.

A large part of the reason why she had fallen to this stage was because of this person.

Logically speaking, she should hate him to the bone.

However, when she was in a desperate situation, he descended like an angel and saved her from the brink of death.

This immediately made her extremely conflicted.

“Get in the car first.”

Ye Feng did not say anything else.

He did not act like a gentleman and help her up.

He turned around and got into the car.

Liu Mei could only get up with difficulty. She sat in the passenger seat. Only then did her heart finally settle down.

Then, she took off her remaining high heel and threw it out of the window. Her entire body was in a mess.

A pair of black stockings had several big holes.

Her snow-white skin was exposed from the hole. There was a different kind of temptation. Ye Feng did not look too much.

He thought about the messy relationship between this woman and Peng Wannian and his son.

He was really not interested at all.

He gathered his thoughts and immediately started the car.

Not long after his car left, a few burly men chased after him from the alley. "Captain, should we continue chasing?"

"Nonsense. If we don't capture this woman today, we'll all be in trouble."

“This kid actually dared to ruin our business.

Later, we’ll find a quiet place and teach him a good lesson.”

“That kid’s car looks pretty awesome. He seems to be rich.”

“What are you afraid of? If anything happens, the old man will take responsibility. Let’s go, get in the car!”

The few of them immediately got into a Toyota MPV and chased after him.

“They... They’re catching up...”

Liu Mei’s emotions had just calmed down a little when she quickly saw the commercial vehicle from the rearview mirror. Her heart, which was already at ease, was once again on tenterhooks.

Ye Feng glanced at the rearview mirror. A disdainful smile appeared on his face. “Fasten your seatbelt.”

Although Liu Mei didn’t know what he meant, she still obediently put on her seatbelt.

At this moment, a strong feeling of being pushed on the back came.

The Lykan immediately rushed out like an arrow.

“Ah...”

Liu Mei’s scream pierced through the silent night. When she opened her eyes again, she had no idea where she was.

The commercial vehicle behind them had long disappeared.

“They ... Where did they go?”

Liu Mei looked at Ye Feng in a daze.

“Five kilometers away.”

Ye Feng placed his arm on the window and casually replied.

“Uh...’ Liu Mei was dumbfounded.

Did this guy fly a fighter jet in the past?

This speed was too abnormal.

At this time, Ye Feng stopped the car by the side.

“Get out of the car.

Liu Mei looked at him in a daze. “You... You want me to get off?”

Ye Feng could not help but laugh. “Nonsense, if you don’t get off the car, do you want to go home with me?”

Liu Mei hurriedly stretched out her hands and held his hands tightly. “Ye Feng, I beg you, save me, Peng Wannian will really kill me.”

Ye Feng heartlessly shook off her hand.

“You brought this upon yourself. I can’t help you.”

Liu Mei bit her lips. She raised her head again.

A pair of big watery eyes stared at him.

“As long as you save me, I can give you everything!”

As she spoke, she pulled the black stockings on her legs to the end.

Her snow-white thighs were exposed.

It was even more dazzling than car lights.

Chapter 374 Get Out of the Car

Ye Feng frowned. “What do you mean?”

Liu Mei looked at him with a pleading expression. “I know you think I’m dirty. You just need to treat me as a toy to vent your anger. I beg you to save me.

“I Ye Feng slowly leaned back in his seat. “I can save you, do you have any evidence against the Peng father and son?”

Liu Mei revealed a vigilant expression. “What do you want?”

Ye Feng rubbed the steering wheel. “If you have any evidence against them, you can hand it over to me for safekeeping, I will warn them on your behalf. They will not dare to find trouble with you again.”

Liu Mei’s gaze was a little evasive. “No, I don’t.”

Ye Feng’s lips curled into a cold smile. “Then I have no choice. You can leave.”

Liu Mei wanted to continue begging.

But when she met Ye Feng’s cold gaze, she could only reluctantly get out of the car.

Ye Feng did not waste any time and drove away.

From the rearview mirror, he could still see Liu Mei’s lonely figure.

However, he didn't have much sympathy.

It was this woman's fickle nature that led to today's outcome.

Moreover, Ye Feng had already given her a chance.

As long as she handed over the evidence against the Peng father and son, he didn't mind helping her.

However, since she was unwilling to hand it over, he could not be bothered to meddle in other people's business.

Although Liu Mei had denied it earlier and said that she had no evidence against the Peng father and son, Ye Feng was not so easy to fool.

With this woman's intelligence, she had probably expected this day to come. How could she not leave a backup plan for herself?

At this moment, the system notification sounded in his ear again.

[Congratulations, host, for completing the navigation. System reward: All shares of Longteng E-Commerce Corporation, worth 4 billion.]

Ye Feng was stunned when he heard this.

The reward this time was actually an e-commerce company.

At present, he already owned real estate, holiday bases, shopping malls, hotels, bond companies, and so on.

They all tended to be physical industries and financial industries.

This was the first internet company.

Moreover, this Longteng E-Commerce seemed quite familiar.

It was probably quite famous in Zhonghai.

At the same time, on the other side, the general manager of Wangjiang Pavilion, or rather, the former general manager, Wan Haiyun, returned home drunk.

After knocking for a long time, his wife, Yang Hongmei, finally opened the door.

“Why are you back so late? I thought you were going to work overtime again tonight,” Yang Hongmei asked gently as she tidied up her silk pajamas.

“Overtime? I don’t have to work overtime in the future.”

Wan Haiping staggered through the door and entered the hall without even changing his shoes.

Yang Hongmei hurriedly kicked a pair of men’s shoes at the door to the shoe cabinet before following him.

“What did you just say? You don’t need to work overtime anymore? Your boss is so understanding?”

Wan Haiyun gulped down a mouthful of wine. “Understanding? Good understanding. That little brat fired me.”

Yang Hongmei was stunned. “Fired? How was this possible? Little brat? Isn’t your boss Cao Xinfu? What was going on?”

“Make yourself clear.”

Wan Haiyun threw the empty bottle on the ground. "Wangjiang Pavilion has changed owners..."

As he spoke, he told his wife what happened that night.

Yang Hongmei listened patiently, and the gentleness on her face immediately disappeared.

"You're really a good-for-nothing. Why don't you go and die? Why are you meddling? Now that you've lost your job, do you want me to live on air with you?"

Wan Haiyun glared at her. "What do you know?"

Yang Hongmei became even angrier.

"Watch your mouth. Am I wrong? You've endured for so many years and finally reached the position of the general manager of Wangjiang Pavilion. Now, you've returned to your previous position overnight. I... Why is my life so bitter..."

Wan Haiyun immediately sneered. "Do you know what it means to be blessed with misfortune? It looks like I lost my job, but it's actually a good thing."

Yang Hongmei wiped her tears. "Is losing your job a good thing? Is there something wrong with your brain?"

Wan Haiyun explained patiently.

"That brat Ye Feng offended Mr. Niu. Will Mr.

Niu let him off? Next, he will definitely suffer a tsunami of revenge. How can there be an intact egg under the overturned nest? It's just the right time for me to leave Wangjiang Pavilion..."

Yang Hongmei scratched her head and pondered over her husband's words.

"Do you understand?"

"Uh... I think I understand."

"What do you understand?"

"You want to be a complete egg."

“I...” Wan Haiyun was so angry that he almost vomited blood. “That’s enough. You just need to know that leaving Wangjiang Pavilion was definitely a wise move.”

Yang Hongmei pouted. “You make it sound like you left on your own accord. You were obviously on the wrong side and were kicked away.”

Wan Haiyun was almost angered to death by this woman. He couldn’t be bothered to talk nonsense anymore. He got up and walked toward the bathroom.

“Then what do you have in the future?”

“Don’t worry, I’ve already found a job. I can start working tomorrow.”

“What company? What position?”

“Vice President of Longteng E-Commerce.”

Bang!

The bathroom door was closed. Yang Hongmei smiled.

That was more like it. Although the vice president was not as good as the original general manager, the salary should not be low either. This old fellow was only worth so much now.

If he couldn't earn money in the future and even had to be supported by her, what use would he have?

Old, ugly, and useless in that aspect. How could it be as beautiful as those young bodies?

At this moment, a strong man walked out of the bedroom.

He patted her butt heavily. "That old thing is back. I have to go now."

"Why? Are you afraid that he will fight you to the death?"

"I'm afraid of him? What a joke. I'm thinking about our child. In another six months, our child will be born."

"Haha, that old man thought that he had a child in his old age. With that trash, it's impossible for him to have a child in this lifetime."

"He helped me raise my wife and children. He treats me better than my parents."

“Alright, let’s hurry up and leave. Don’t let him find out.”

“Come, give me another kiss.”

“Mua..”

### Chapter 375 Undercurrent Surges!

That night was destined to be a sleepless night for many people.

Because, the news of Ye Feng and Niu Sidun’s falling out had spread to the upper circles of Zhonghai at an astonishing speed.

That night, when he received the news, he was in a high-end residential area in Zhonghai.

“Father, we have completely offended Ye Feng by siding with Niu Sidun this time. Isn’t it inappropriate?”

“This is probably the best decision I’ve ever made in my life.”

“Father, are you that confident in Niu Sidun?”

“You guys are still young. You don’t know how powerful Niu Sidun was back then. He was simply a living legend.”

“But his power is mainly concentrated in Southern Guangdong, in Zhonghai, can he defeat Ye Feng?”

“You are underestimating Niu Sidun, since he dares to fall out with Ye Feng, he must have a trump card.”

“Then I can rest assured, I will definitely make sure that brat Ye Feng is doomed.”

At the headquarters of a real estate company in Zhonghai, the high-level executives gathered in the conference room.

“President Qian, isn’t it a little too risky for us to stake everything this time?”

“Do you think that Ye Feng still has a chance to turn the tables this time?”

“It’s not impossible. For this kid to be able to rise so powerfully in such a short period of time, he must have something extraordinary.”

“So what if he’s extraordinary? He’s facing Niu Sidun this time. No one can save him.”

“And this time, there are so many big shots from Zhonghai. Even if Ye Feng has three heads and six arms, he cannot come back from the dead.”

“That’s true. As long as Ye Feng falls, these people will pounce on him like leeches and gnaw him until not even his bones are left.”

“If those big shots eat meat, small companies like us can also eat some meat dregs behind them.”

“But Ye Feng is indeed powerful. He has such a huge team without anyone noticing. If he continues to develop for a few more years, no one will be able to defeat him.”

“Who asked him to expose his strength too early? Now that he has been exposed, he can only become a piece of meat for everyone to divide.”

A small party was being held in a private room of a high-end hotel in Zhonghai.

“Have you heard? Ye Feng and Niu Sidun have completely broken off.”

“Is this news reliable? Ye Feng is so bold. He dares to be Niu Sidun’s enemy?”

“I didn’t believe it at first either, but after repeated confirmation, this news is beyond doubt.”

“Isn’t this kid too arrogant? He really doesn’t know the immensity of heaven and earth.”

“The King of Hell can’t save this d\*mned ghost. Looks like this kid’s fate is over.”

“Let’s discuss and see what benefits we can get this time.”

“This kid Ye Feng has many businesses under him, and they are all high-quality fatty meat. I have been eyeing them for a long time.”

“Then we’ll wait for them to fight until they’re too busy. We’ll take advantage of his illness and take his life.”

“That’s exactly what I was thinking. Hahaha...”

It was not just the undercurrents among the major forces in Zhonghai.

Even the people in Ye Feng’s company were panicking.

At the residence of a high-level executive of Dong’an Security.

“Hubby, what are you doing up so late at night?”

“Write my resignation letter.”

“It wasn’t easy for you to be promoted to department manager. Why do you suddenly want to resign?”

“Don’t mention it. Our stupid boss offended a super big shot. If I don’t resign quickly, I’ll definitely be implicated by him.”

“Is it your new boss? Didn’t you praise him for being a hero from a young age?”

“I was blind in the past, but now I can see clearly that this kid is a hothead who dares to provoke anyone.”

“Do you want to wait and see? What if your boss still has a trump card?”

“What trump card does he have? I have to resign immediately. I can’t stay any longer.”

Jiuzhou Design Company.

In a WeChat group.

[I just received reliable information that our company is going to be finished.]

[How is that possible? Our company has just been acquired. How can it be finished?]

[It's because it was acquired that it's finished.]

[What exactly happened?]

[I have a sister who recently hooked up with a rich second-generation heir. That rich second-generation heir told her personally. He said that our new boss has offended a super powerful big shot.....]

[How powerful is super powerful?]

[Let's put it this way. As long as they move their little finger, our Jiuzhou Design Company will be annihilated.]

[So terrifying? How could our new boss offend such a person?]

[Who knows what's wrong with him? Anyway, our company is going to be finished. Let's hurry up and think of a way out.]

[In a few months, the year-end bonus will be given out. It's too much of a loss to leave now.]

[Are you still thinking about the year-end bonus? Now, as long as we don't get implicated by that stupid boss, we're already burning incense.]

[Then what are we waiting for? Hurry up and write your resignation letter.]

[I've already finished writing it. I've already sent it to the HR Department's email.]

Lingyun Real Estate.

Zhang Youting was already having a splitting headache from her colleagues in the Legal Department.

"Director Zhang, say something. What should we do now?"

"If you ask me, who should I ask?"

“Aren’t you on good terms with President Chen? Ask her, what is going on with that Ye Feng?”

“Yeah, the whole of Zhonghai is saying that our boss has offended a big shot. We’re going to face a disaster at any time.” Zhang Youting snorted coldly. “If the sky falls, there will be a tall one to hold it up. What’s there to be afraid of?”

“You can’t say that. I heard that Chairman Peng of Cinda Corporation has already said that if Ye Feng’s employees don’t resign within three days, they will be blacklisted by all the companies in Zhonghai.”

“Director Zhang, we can’t hang ourselves on the same tree. Anyway, I’m already prepared to leave.”

“The company just got a big project and is about to take off. But this Ye Feng has caused such a huge mess at this critical moment. It’s too infuriating.”

“Director Zhang, we’ve discussed it and are ready to leave together. Please come with us.”

“That’s right. With your ability, no matter which company you go to, you’ll be put in an important position. Why should we die with them?”

“As long as Director Zhang gives the order, we’ll all write our resignation reports now.” Zhang Youting picked up the coffee in front of her and took a sip.

“If you want to leave, you can leave. I’m not going anywhere.”

“Director Zhang...”

“Alright, we’re colleagues after all. I don’t want to say anything too harsh. Pack your things and get lost.”

Everyone saw how determined she was. They didn’t dare to persuade her. They turned around and left. Zhang Youting stretched her back and shook her head with a smile.

“This guy has stirred up a huge mess this time.

I want to see how it will end this time.”

Chapter 376 Let the Storm Come More Violently!

Inside Zhongtian Lake-View Villa No. 1, Ye Feng did not know about the storm outside.

After he went to sleep, he didn’t get up until the sun was high in the sky the next day. He went to the courtyard to practice some boxing.

Liu Wenyuan had said that his foundation was very solid, and he no longer needed anyone to guide him, so he didn't need to visit Xu Jingxin every day.

After a round of boxing, Wang Yi was drenched in sweat. Then, he went to take a cold shower and felt relaxed.

When he walked back to the living room wrapped in a towel and picked up his phone to check, only then did he realize that there were countless missed calls and messages.

He had muted his phone last night, so he didn't hear the notification.

Before he could check the information.

Chen Xuan called.

As soon as the call connected, he heard her anxious voice.

“Ye Feng, our company's Legal Department has all submitted their resignations. Many higher-ups in other departments have also submitted their resignations.”

Ye Feng was stunned for a moment, but he quickly regained his composure.

“Zhang Youting also resigned?”

“Youting didn’t, but she’s the director of the Legal Department. Now that the Legal Department has all resigned, she’s also a lone commander.”

“Lingyun Real Estate just won the bid for such a big project. It’s their loss if they choose to resign now.”

“But...”

“Don’t worry, the sky won’t fall.”

Just as he hung up on Chen Xuan, Xu Man called.

“Ye Feng, I received many resignation reports from the company’s higher-ups early in the morning. What do you think we should do now?”

“To be honest, I have no choice.”

“But dragging it out like this isn’t a solution. If all the higher-ups resign, how will the company continue to operate?”

“Niu Sidun is trying to make me panic without any effort. As expected of an old fox.”

“Yeah, this old man has been in the business world for decades. He can’t be underestimated.”

“The strong wind recognizes the strong grass, and the loyal minister is seen. In fact, he also gave us a chance to get rid of those weak-willed villains.”

“Then what should we do now?”

“All resignation reports have been approved. Then, we’ll raise the salaries of other employees and continue to recruit talents.”

“But this won’t solve the fundamental problem. Now that the morale of the army is unstable, many people can’t work in peace. When a newcomer comes, they have to go through a long adaptation period...” “Don’t worry, as long as we win a beautiful battle, we can stabilize the morale of the army. And those who leave will regret it too late.”

“Ugh, this is the only way...”

He had just hung up on Xu Man when Dai Qiang called again.

“Mr. Ye...”

“Someone on your side has also resigned?”

“Not only that, but many of our partners have also terminated their cooperation with us. The estimated losses this time are as high as hundreds of millions...”

“A bunch of villains who sail with the wind!”

“It’s understandable. Peng Wannian has already said that anyone who dares to cooperate with your company will be suppressed by the Cinda Corporation. They also chose to terminate the cooperation under pressure.”

“Peng Wannian, this old dog, is quite enthusiastic. Let’s start with him.”

“Do you already have a plan?”

“Keep it a secret for now. What you need to do now is to stabilize the morale of the army and continue to develop new partners. I’ll take care of the rest.”

“Alright...”

For the entire morning, Ye Feng's phone did not stop ringing.

Basically, they were all calls from the people in charge of his businesses.

Either the employees under the company collectively jumped ship, or the partners terminated the cooperation. It could be said that there were internal and external problems.

All in all, it was a signal.

Ye Feng was finished!

Niu Sidun and Peng Wannian were indeed old foxes in the business world. They had made the first move, giving everyone a psychological hint.

If he did not retaliate immediately, Ye Feng would collapse before the other party even made a move.

Just as he finished dealing with the company, Zhao Fulin called again.

"Brother Ye, I heard that your days are very difficult now, hahaha..."

There was a hint of schadenfreude in his words.

If it wasn't for the fact that the two of them had a good relationship, he would really think that the other party was here to watch a joke. Ye Feng could not help but smile bitterly: "Don't mention it, Niu Sidun this old thing is trying to kill me."

"Finally experiencing the fear of being dominated by Niu Sidun? You can imagine how our Zhao family has survived all these years."

"However, I'm afraid I'll have to disappoint him if he wants to kill me so easily. I, Ye Feng, am a cockroach that cannot be killed. Even if I am trampled to death by him, I will break one of his legs."

"Ambitious! If you need my help, just let me know."

"Aren't you afraid of dragging your Zhao family into this whirlpool?"

"Uh... I can't support you openly, so I can only help you secretly. If our Zhao family and Niu Sidun were to go to war, it would be a world-shaking and long-lasting war. Neither side can withstand it."

"I understand. I'm already very glad that you have this intention."

“Brother, hold on!”

“No problem...”

He had just hung up on Zhao Fulin.

Shen Guanlin called again. Although he didn't explicitly say that he wanted to help him, he said, “If you're too stressed, come over for a meal.”

Ye Feng naturally understood the meaning behind this.

Now, the entire Zhonghai was paying attention to his every move.

If he went to the Shen family's house for dinner, it would reveal a message to Zhonghai – Ye Feng was Shen Guanlin's man. Whoever wanted to touch him would have to first ask the Shen family if they agreed or not.

Even though the Shen family was not on the list, no one in Zhonghai dared to look down on them. However, Ye Feng did not plan to drag Shen family down with him.

If he couldn't even handle such a small battle...

How could he talk about achieving great things? Soon after, Tan Bohong also called. He expressed the same meaning as Shen Guanlin. With these two super big shots of Zhonghai backing him up, Ye Feng was in an invincible position.

Even the businesses under his banner had suffered a heavy blow, he still had a chance to make a comeback.

However, he would not allow such a situation to happen.

Chen Xuan, Xu Man, Dai Qiang, and the others chose to stand on his side without hesitation when he was in the most difficult time. He would never allow them to suffer any harm.

Niu Sidun and Peng Wannian had tried to use a little trick to make him suffer a heavy blow.

It was simply wishful thinking!

If he wanted to deal a blow to him, he would have to pay a greater price.

Let the storm come more violently!

Chapter 377 - 377 A Beautiful Woman Delivers Soft Rice to the Door

### 377 A Beautiful Woman Delivers Soft Rice to the Door

Soon after, Shen Baitian, Lu Xiaoya, Zhou Shuyao, Qiu Min, and the others also called to express their condolences.

They all expressed the same meaning, "It doesn't matter if you lose, I'll support you."

Ye Feng almost vomited blood.

Did he really have the potential to be a gigolo?

So many beautiful women had taken the initiative to offer themselves to him.

How many men dreamed of this?

If he really lost in the end...

Living off a woman was also a good choice.

Just as he thought of this

Xu Jingxin called again.

“Do you need me to make a move?”

She didn't waste any time and went straight to the point.

“Uh... I don't need it for the time being.”

“You don't have to be polite with me. I don't care how arrogant Niu Sidun is in South Guangdong Province. But in Zhonghai, he doesn't have the right to show his fangs and claws.”

Ye Feng was speechless when he heard this.

There was probably only a handful of them, right?

Shen Guanlin and Tan Bohong were one of them.

Now, there was another Xu Jingxin.

And when she said this, it was very natural and sincere.

It wasn't an overestimation of her own ability to say such harsh words, as if it was a matter of course.

The aura of a big shot was undoubtedly revealed.

"Alright, when I can't take it anymore, I'll definitely ask for your help."

"Then I'm hanging up."

"Wait, why are you so good to me?"

"You're the person I have to protect. Other than me, no one can bully you," Xu Jingxin replied.

Then, she hung up.

Ye Feng put down his phone.

He immediately went into the bathroom to look at himself in the mirror.

Although the young man was very handsome, but he wasn't so handsome that all women couldn't help but fall in love with him, right?

Why were they all feeding him?

Could it be that deep down in his bones, he exuded the aura of a woman?

It seemed that he could also embark on the path of becoming rich and well-off by relying on living off a woman.

Just as he was immersed in his narcissism...

His phone rang again.

However, this time, they were not here to console him.

They weren't here to give him a free meal.

It was from Longteng E-Commerce.

They asked him to go through the handover procedures.

..

Ye Feng drove the Lycan supercar out of the garage.

When he passed by the property management office, coincidentally, he bumped into Lin Qianqian and a few female employees who were collecting packages at the door.

Normally, he wouldn't have cared too much.

However, when he saw the dragon logo on the courier's clothes, he immediately stopped the car.

"Are you guys the delivery men from Longteng?"

The delivery man saw that he was driving a cool supercar and didn't dare to neglect him. "Yes, I'm a delivery man for Longteng."

Ye Feng was a little puzzled: "Aren't ordinary shopping platforms outsourcing their delivery services? Are you a delivery platform?"

This time, before the courier could answer.

Lin Qianqian was the first to speak up. “Longteng E-Commerce does their own goods storage and logistics. The speed of logistics is greatly accelerated, greatly improving the user experience.”

A few girls beside him also started chattering.

“Longteng’s user experience is the best out of all the shopping platforms I’ve used.”

“That’s right. I placed the order before I went to bed last night. It was delivered this morning. The logistics are super fast.”

“Moreover, they are guaranteed to be authentic. You can place an order with your eyes closed. If you buy a fake, they can even pay ten for the fake.”

“I’m only buying expensive items at Longteng. I’m not at ease with other websites.”

“...”

Ye Feng listened to their discussion.

He already had an initial impression of Longteng E-Commerce.

This company was different from other shopping platforms on the market. They took the premium route.

However, this path was very difficult to walk.

Just the process of building a warehouse was time-consuming, laborious, and costly.

It was no wonder that it had fallen into the situation of being acquired.

After figuring this out, he smiled at the girls.

“Thank you. I’ll treat you to a meal when I have time.”

After saying that, he drove away.

“Wow, did you see that just now? Mr. Ye actually smiled at me. He actually smiled at me. ”

“Nonsense, he was obviously smiling at me. Don’t be so sentimental, okay?”

“You’re the one who’s talking nonsense. He’s not even looking in your direction, okay?”

“Alright, stop arguing. He’s obviously smiling at Sister Qianqian.”

“...It seems so. However, Mr. Ye looks so good when he smiles.”

“He looks good even without smiling. He’s even more charming than many big stars.”

“He’s so handsome and rich. I wonder what kind of woman will be so lucky to marry him?”

“I think there’s hope for our Sister Qianqian. She’s so pretty and has become a manager at such a young age. She has such good conditions.”

“Yeah, I think so too.”

Lin Qianqian could not help but sigh when she heard their discussion.

“Don’t say such things. I’m not worthy of him.”

When the girls heard this, they were a little stunned.

“Sister Qianqian, you don’t have to belittle yourself. We feel that you’re not inferior to him at all.”

“Yeah, he’s handsome, but you’re also very beautiful. He’s rich, and you’re not bad either.”

“Yes, I even think that he’s not worthy of you. As long as you’re willing, many rich people in Zhonghai will line up to pursue you.”

“Sister Qianqian, don’t think that way.”

Lin Qianqian smiled bitterly when she heard them comforting her.

“You don’t understand him at all. If you knew his true strength, you wouldn’t say that.”

Saying so, she raised her head and looked in the direction where Ye Feng had left.

Chapter 378 - 378 Why Are You Going Back in Time?

378 Why Are You Going Back in Time?

Longteng E-Commerce Company.

Chairman Qi Dongqiang gathered all the higher-ups in the meeting room.

He announced that the company had been acquired by Ye Feng.

“What is it? Ye Feng? I heard from a friend last night that he offended Peng Wannian.”

“Not only Peng Wannian, but also Niu Sidun of the Fuli Corporation. It can be said that he has poked a hornet’s nest.”

“Moreover, Peng Wannian said this morning that if the employees of Ye Feng’s company do not resign within three days, they will be blacklisted by all the companies in Zhonghai.”

“Just because he said he would blacklist us, he will blacklist us? Is there any law?”

“Cinda Corporation is a giant in Zhonghai. Who dares to disobey Peng Wannian’s words? Coupled with Niu Sidun’s support, his words are the law now.”

“Isn’t our luck too bad? Why were we bought by Ye Feng?”

“Yeah, isn’t this courting death?”

Hearing the discussions of the higher-ups...

Qi Dongqiang raised his hand and pressed down. “I’ll say a few words.”

Everyone immediately stopped and looked at him.

Qi Dongqiang’s gaze slowly swept across everyone present.

“I don’t care what conflicts Ye Feng has with Niu Sidun and Peng Wannian, the company has already been bought over by him. He will be the boss of Longteng in the future, and he will be here for the handover later.”

Hearing this, everyone’s expressions darkened.

What was done was done.

Regardless of whether they were willing or not, they could not change the outcome.

Qi Dongqiang slowly leaned back in his chair.

“If you are afraid of being implicated, you can leave. I will not stop you. However, if you are my brothers, I hope that you can stick with me and defend Longteng. I also guarantee that I will never let down any of my brothers”

Those who had already begun to plan their escape route, hearing him call them brother, they gradually dispelled this thought.

For the sake of their brother, they could even put in their lives.

How could they retreat just because of a small difficulty?

Was that what brothers should do?

“Alright, Mr. Ye will be here soon. Go and get ready. Follow me to welcome him.”

When Qi Dongqiang saw that everyone had calmed down, he announced the end of the meeting.

At this moment, the HR manager beside him suddenly reminded him, “Chairman Qi, Wan Haiyun will be arriving soon. Should we send two people to pick him up?”

Qi Dongqiang was stunned. “Which Wan Haiyun?”

The HR manager smiled awkwardly.

“He’s the general manager of Wangjiang Pavilion. When you went to Wangjiang Pavilion for a meal previously, didn’t you mention that if he didn’t want to work at Wangjiang Pavilion anymore, he could come to Longteng to be the vice president?”

Qi Dongqiang recalled for a long time and felt that something like this had happened before.

However, what he said at that time was just for show. This guy actually took it seriously?

The general manager of Wangjiang Pavilion, regardless of status, was far higher than the vice president of the Longteng Company, right?

Why did he suddenly come to Longteng?

“He was doing well in the Wangjiang Pavilion. Why did he suddenly quit?”

“He said that the new boss’ character is too bad, and he disdains to associate with him,”the HR manager answered carefully.

Qi Dongqiang tapped his fingers on the table.

“When he comes later, sign the contract with him directly. Let him take on the position of vice president first. He doesn’t have to be in charge of the specific affairs. I’ll still receive my salary and benefits.”

The HR manager was a little stunned. “Chairman Qi, aren’t you going to meet him first? What if he can’t do it?”

Qi Dongqiang smiled faintly. “What I value is the connections he has accumulated in Wangjiang Pavilion. As for his ability, is it important?”

The HR manager immediately understood.

“I understand.”

..

At the same time, Ye Feng’s car had already arrived at Longteng’s headquarters.

As soon as he got out of the car, he heard a sneer behind him.

“Hey, isn’t this Boss Ye? We’re really enemies on a narrow road.”

Ye Feng turned around.

He saw Wan Haiyun walking over in a suit.

“What are you doing here?”

When Wan Haiyun heard this, he couldn’t help but sneer.

“If your Wangjiang Pavilion doesn’t keep me, there will still be a place for me to stay. Don’t tell me you think that the world won’t turn without you?”

Ye Feng thought for a while and understood. “From what you mean, you have found a new job?”

Wan Haiyun sneered. “Do I still need to find a job? Which company wouldn’t want a talent like me?”

Ye Feng smiled noncommittally. "Can you tell me which company you are working at now?"

Wan Haiyun looked at him proudly. "What's the harm in telling you? Listen up, I'm now the vice president of Longteng E-Commerce Company."

When Ye Feng heard the two words 'Longteng', a strange smile appeared on his face.

"Vice President? Everyone says that people strive for the higher ground. Why are you regressing the more you live? How does it feel to be demoted from general manager to vice president?"

"What's wrong with vice president? You're already a grasshopper after autumn. You won't be able to survive for more than a few days. Being a vice president elsewhere is still ten thousand times better than being a general manager under you."

The smile on Ye Feng's face became even wider. "Then if I tell you that Longteng Company is also under my management, do you have any other places to go?"

Wan Haiping laughed out loud as if he had just heard the funniest joke in the world.

"Why don't you say that the entire Zhonghai is yours? The chairman of Longteng Company is called Qi Dongqiang. He's my best friend for many years. What does he have to do with you?"

Ye Feng touched his nose. "Believe it or not, you will know soon enough."

Just as the two of them were talking.

Suddenly, they saw a group of people walking out of the building.

The man walking in front was not considered handsome.

However, his every move revealed a powerful aura.

It was the chairman of Longteng E-Commerce, Qi Dongqiang.

Wan Haiping immediately looked at Ye Feng proudly. "See? They're all here to welcome me. That's how domineering they are!"

After saying that, he did not care about Ye Feng's expression.

He immediately walked up to him.

“Chairman Qi, why are you so polite? I can go up myself. How dare I trouble you to come down personally to welcome me?”

Qi Dongqiang frowned when he saw Wan Haiyun welcoming him warmly.

Before he could speak, he pushed him away.

He walked straight toward Ye Feng.

“Mr. Ye, on behalf of all the employees of Longteng, I welcome the new boss home.”

“Welcome home, new boss!”

Chapter 379 - 379 Whether Zhonghai Is In Chaos or Not, It's Still Up to Master Wan

379 Whether Zhonghai Is In Chaos or Not, It's Still Up to Master Wan

When Wan Haiyun heard Qi Dongqiang's words, he felt like he was being cursed.

“Chairman Qi, what did you just say? Welcome the new boss? Ye Feng is the new boss of your Longteng?”

Qi Dongqiang looked at him strangely. "Yes, Mr. Ye has already acquired our Longteng and is now the new boss of Longteng. What's wrong?"

Wan Haiping felt as if he had been struck by lightning and could not come back to his senses for a long time.

Ye Feng was Longteng's new boss?

Then why did he jump ship and come here?

This was a lonely dance!

Wan Haiping's face twitched twice, and he looked embarrassed.

Qi Dongqiang looked at Ye Feng in confusion. "Mr. Ye, what is going on?"

Ye Feng smiled as he introduced, "This General Manager Wan was just fired by me, I heard that he is going to be the vice president of Longteng?"

Qi Dongqiang shook his head hurriedly. "No, no. Since he was fired by you, it must be because of his poor character and lack of ability. Why would our company hire such a person?"

As he spoke, he could not help but feel a lingering fear in his heart.

If he really recruited this guy into the company, wouldn't he offend Ye Feng?

At the same time, he was a little shocked.

From Ye Feng's words, could it be that Wangjiang Pavilion was already Ye Feng's property?

The speed at which this guy's assets were expanding was too unbelievable, right?

Wan Haiping panicked when he heard that.

"Chairman Qi, you told me back then that if one day I don't want to work at Wangjiang Pavilion anymore, I can come here and be the vice president. Why didn't you keep your word?"

Qi Dongqiang flung his hand away. "That's right. I said 'you don't want to do it anymore.' But you were clearly fired. I'm not going back on my word."

Wan Haiyun was completely dumbfounded.

The executives of Longteng Company looked at him as if he was a clown.

A few female executive even laughed out loud.

Qi Dongqiang didn't say anything else.

He pushed him away.

Then, he respectfully invited Ye Feng into the company.

Wan Haiyun looked at Ye Feng, who was like the moon being worshipped by everyone, he felt so depressed that he wanted to vomit blood.

Now, he was first expelled from Wangjiang Pavilion, and then he was rejected by Longteng Company.

At his age, it was impossible for him to find a better job.

After thinking about it, he could only go and beg Niu Sidun.

He was kicked out of Wangjiang Pavilion by Ye Feng because of him.

He couldn't just sit back and do nothing, right?

Thinking of this, he immediately set off for Niu Sidun's mountain villa.

When he arrived at the villa in the mountains, he reported his name.

He waited for more than half an hour.

The person in charge of reporting returned.

"Mr. Niu is reading a book in the study. We don't dare to disturb him."

Wan Haiyun almost vomited blood.

After all, he was once the general manager of Wangjiang Pavilion.

Now that he had come to meet Niu Sidun personally, he was actually rejected by such a strange reason?

It was really like a tiger being bullied by a dog.

“Then Can you tell Jiang Bingkun? Just say that I have something to do with Ye Feng, it’s very urgent, and I need to see him.”

As he spoke, he stuffed a stack of cash into the man’s hand.

Only then did the man leave in satisfaction.

A moment later.

Jiang Bingkun walked out while picking his teeth.

He was not wearing any clothes, and there was a hideous dragon tattooed on his shoulder.

He looked extremely domineering.

“Tell me, what is it?”

Wan Haiyun hurriedly and carefully said, "I just went to Longteng E-Commerce for an interview. Do you know who I saw?"

"Who is it?"

"Ye Feng."

"So what if you saw him? What's the big deal?"

"Guess what he went to do?"

"If you have something to say, say it. I don't have time to guess riddles with you."

"Longteng E-Commerce was actually acquired by him. He even ruined my interview"

Wan Haiyun gritted his teeth.

Jiang Bingkun sneered. "This is between you and him. Why are you telling me?"

With that, he turned around and was about to leave.

“He... He even scolded Mr. Niu.”

Wan Haiping immediately became anxious and began to make up stories.

As expected, Jiang Bingkun turned around again. “How did he scold Mr. Niu?”

Wan Haiyun’s brain spun quickly as he made up stories.

“He said, ‘Aren’t you Niu Sidun’s dog? Didn’t he reward you with a dog bone?’”

“What did you say?”

“I said that I only admire Mr. Niu’s character. I don’t have any other thoughts.”

“And then?”

“Then he said, ‘Isn’t Niu Sidun awesome? Let him arrange a job for you. Otherwise, as long as I, Ye Feng, am here, there will be no place for you in Zhonghai.’”

“Is that all?”

“In the end, he also said that Niu Sidun is a grasshopper after autumn and won’t be able to survive for a few days. That includes Niu Sidun’s dog, Jiang Bingkun. When the time comes, he’ll cut off his legs and pluck his fur, and throw him into the Ling River to feed the fish”

“B\*stard!”

Jiang Bingkun punched the iron door.

He had actually smashed a hole in the thick iron door.

Wan Haiyun held back his laughter and looked serious.

“Brother Kun, it doesn’t matter if I lose my job, but I can’t take it lying down on behalf of Mr. Niu and you. This Ye Feng is too arrogant, we should teach him a lesson.”

“I’m going to see Mr. Niu now. I’m going to break that kid’s legs today,” Jiang Bingkun said through gritted teeth.

With that, he left in a rage.

Wan Haiyun looked at his back and couldn't help but smile proudly.

What bullsh\*t Ye Feng?

What bullsh\*t Niu Sidun?

Was Zhonghai chaotic?

It was still up to him, Master Wan.

Your Master Wan was the uncrowned king!

Chapter 380 - 380 I'm Really a Smart Little Thing

380 I'm Really a Smart Little Thing

A few minutes later, in Niu Sidun's study, Jiang Bingkun relayed Wan Jianghai's words to him.

Niu Sidun slowly put down the book after listening. "Did Wan Haiyun really tell you that?"

“Yes, he said that not only did Ye Feng call you a grasshopper after autumn, he also called me a dog.”

Jiang Bingkun became angrier as he spoke. “Boss, give the order. As long as you say the word, I will go and chop that kid up right now.”

“And then?” Niu Sidun asked calmly.

“And then... At most, I’ll turn myself in. A life for a life. It’s worth it!” Jiang Bingkun said.

“Foolish!”

Niu Sidun slammed the table and stood up. “Let’s not talk about whether you can kill Ye Feng or not. Even if I can kill him, what will the world say about me?”

Jiang Bingkun scratched his head. “What will they say?”

Niu Sidun glared at him in disappointment. “They will say that I, Niu Sidun, am afraid of him, Ye Feng, that is why I am doing this.”

Jiang Bingkun was instantly enraged. "They're bullsh\*tting. Why would you be afraid of that brat who's still wet behind his ears?"

Niu Sidun patted him on the shoulder. "So, you have to be calm when you encounter something. You don't have to rely on force to solve a problem, but you have to use your brain."

Jiang Bing Kun still could not take it lying down. "But that brat Ye Feng is scolding you behind your back. Are we just going to sit back and do nothing?"

Niu Sidun sneered. "Wan Haiyun is lying."

Jiang Bingkun was stunned. "How do you know?"

Niu Sidun sat back in his chair.

"Although that brat Ye Feng overestimates his own strength and wants to be my enemy, he is not so petty as to speak ill of me behind my back. I guess Wan Haiyun suffered a loss at his hands and wants to use me to take revenge on him."

Jiang Bingkun was instantly enraged. "This b\*stard actually dared to lie to you, I'll go and scold him right now."

Niu Sidun opened the book again. "You don't have to be so polite. Just throw it into the lake and feed it to the fish."

Jiang Bingkun was dumbfounded. "Didn't you just say that you can't use violence to solve problems? You have to use your brain instead?"

Niu Sidun's lips curled up. "That's for the strong. Why waste brain cells on such stinky fish and rotten prawns?"

Jiang Bingkun nodded heavily. "I understand."

After saying that, he turned around and was about to leave.

"Wait a minute."

Niu Sidun suddenly stopped him.

"Boss, is there anything else I can do for you?"

Jiang Bingkun immediately turned around.

“Although Wan Haiyun made it up, it is time to teach that brat Ye Feng a lesson. Otherwise, he will really think that I, Niu Sidun, am a paper tiger.”

“Boss, what do you want to do?”

“Contact a few influential media outlets in Zhonghai. I want to release a piece of news.”

“Yes.”

Although Jiang Bingkun didn't know what he wanted to do, he still nodded in agreement.

He turned around and walked out.

Niu Sidun's bold reading voice came from behind.

“When autumn comes, on the 8th of the 9th month, I will kill all the flowers when they bloom. The array of heavenly incense penetrated Chang'an, and the whole city was covered with golden armor. Wonderful, wonderful!”

On the other side, outside the door, Wan Haiyun was waiting anxiously.

There was a hint of anticipation in his anxiety.

If he could use this opportunity to cling onto Niu Sidun, then he would not have to worry about the rest of his life.

Just as he was panicking, he saw Jiang Bingkun return.

Wan Haiyun had been in the business world for half his life and was well-versed in observing people's expressions.

From the corner of Jiang Bingkun's lips that curled up slightly, it could be seen that he seemed to be in a good mood.

'It seems like my fabricated conversation just now worked.'

This guy must have been praised by Niu Sidun.

'Presumably, I'll get a lot of benefits as well.'

At the thought of this, he immediately smiled and took the initiative to greet him. "Brother Kun, did you tell Mr. Niu?"

“I did.”

“What did Mr. Niu say?”

“Mr. Niu said that he wants to teach Ye Feng a lesson.”

“Really? That’s great!”

Wan Haiyun danced excitedly.

He did not expect that a few words he casually made up would trigger a direct battle between the two giants.

He was really a clever little thing.

“Then Did Mr. Niu say anything else?”

Actually, what he was most concerned about was Niu Sidun’s attitude toward him.

As long as the other party said a word, he would be able to soar.

“Mr. Niu also said You’re lying.” Jiang Bingkun told the truth.

Wan Haiyun felt as if he had been given a sharp warning, and his face immediately turned pale.

“I didn’t No, I swear to god, I’m telling the truth. Otherwise I won’t die a good death.”

Jiang Bingkun looked at him with a smile. “Are you sure you’re not lying?”

Wan Haiyun nodded heavily. “I would never dare to lie to Mr. Niu. My loyalty to Mr. Niu can be seen from the sky. I’m not lying at all.”

“Really?”

“It’s absolutely true. As long as Mr. Niu needs me, I’ll definitely go through fire and water,” Wan Haiyun hurriedly expressed his loyalty.

Jiang Bingkun put his arm around his shoulder. “There’s a chance now. You must seize it.”

“Please speak.”

Jiang Bingkun pointed at the Tianxin Lake opposite him. “Tell me, how deep is this lake?”

Wan Haiyun was confused. “It should be quite deep, right?”

Jiang Bingkun nodded. “There should be a lot of fish inside.”

Wan Haiyun’s eyes lit up. “You mean Mr. Niu wants to eat fish? Alright, I’ll bring people to salvage it now.”

Jiang Bingkun pulled him back. “Why go through so much trouble? Why don’t you just jump into the lake and fish up two?”

Wan Haiyun looked at him awkwardly. “I’m not good at swimming. I’d better find some fishing tools.”

Jiang Bingkun’s face darkened. “Didn’t you say that you’re willing to go through fire and water for Mr. Niu? I asked you to go down and fish for two fish, but you’re still refusing?”

Wan Haiyun hurriedly explained, “My loyalty to Mr. Niu is obvious. Even if I die for Mr. Niu, I will not hesitate. But...”

Before he could finish...

Jiang Bingkun kicked his butt.

“Then go to h\*ll!”

Plop

Wan Haiyun fell into the lake like a dead dog.

He began to flutter wildly.

“Help, oh I can’t swim... Save me”

Jiang Bingkun sneered.

He turned around and returned to the villa.
