

100 Million 431

Chapter 431 - 431 Refuse Any Form of Moral Kidnapping!

431 Refuse Any Form of Moral Kidnapping!

The moment the wooden box was opened, everyone present held their breaths.

Their eyes were focused on the wooden box, wanting to see what was inside.

However, the item inside the wooden box was wrapped in yellow silk, so they couldn't see what it was.

Cao Xinrui immediately took out a pair of white gloves from her pocket.

After putting it on, she carefully took out the thing wrapped in yellow silk.

Then, she peeled off the yellow silk layer by layer.

Everyone's hearts were also on tenterhooks.

Until the last layer was removed, revealing the true appearance inside...

It was actually a jade seal.

The jade seal was about the size of a teacup.

It was square in shape, with dragon-shaped embossed carved around it.

The carvings were very exquisite.

However, the quality of the jade was not too good.

There were also many pieces of uncut jade skin on it.

Ye Feng, Chen Qiushan, Cao Xinrui, and the rest were all people who had high attainments in antiques and jade.

When they saw the jade seal, they all frowned.

Logically speaking, when the imperial family made jade seals, they would usually choose high-quality jade materials.

However, this jade seal had a rough quality and looked very bad.

This shouldn't be!

Could it be a fake?

Cao Xinrui flipped the jade seal over.

When she saw the words carved on it, her eyes widened.

Ye Feng and Chen Qiushan stood a little further away, they could not see the words clearly.

"Teacher Cao, what is engraved on it?"

Cao Xinrui looked at the two of them in a daze... "Divine Emperor..."

When she said these words, her voice was trembling.

"The Divine Emperor? Who is it?"

Ye Feng was dumbfounded.

Chen Qiushan immediately looked at him with disdain. “Your history class was taught by a physical education teacher, right? The Divine Emperor is Wu Zetian...”

Halfway through his explanation, he suddenly reacted.

“What is it? Wu Zetian?”

He rushed over in disbelief and snatched the jade seal.

When he saw the words on it, his hand trembled and almost fell to the ground.

Cao Xinrui was shocked.

If this was really Wu Zetian’s jade seal, then its value was immeasurable.

If it broke just like that, it would be a sin.

And Ye Feng was only slightly surprised.

He quickly calmed down.

He was already indifferent to these antiques.

He didn't think it was anything special.

Besides, he still had King Xiang's treasure map.

What was there to be surprised about a mere jade seal of Wu Zetian?

Chen Qiushan, Cao Xinrui, and the others felt extremely uncomfortable when they saw this.

Why did it seem like they had never seen the world?

“Teacher Cao, is this jade seal authentic?”

When Chen Qiushan faced Cao Xinrui, his attitude was extremely respectful.

He asked in the tone of a student.

Cao Xinrui held the jade seal and looked at it for a long time before finally nodding to confirm, "It is indeed Wu Zetian's jade seal!"

Chen Qiushan was overjoyed. He turned around and grabbed Ye Feng's arm.

"Brother Ye, leave this jade seal to our Sotheby's South Guangdong branch for auction. I believe it will definitely break the record."

"How much do you think you can sell it for?" Lin Qianqian asked hurriedly.

Chen Qiushan was a little excited. "Such a historical treasure is priceless. I estimate that it's worth at least 1 billion!"

His voice was trembling.

It had been a long time since he had seen a treasure that made him so excited.

When Kong Xianghui, Lin Qianqian, and the others heard his words, they were all dumbfounded.

More than 1 billion?

Wasn't this too exaggerated?

A small jade seal could actually be sold for 1 billion?

However, on second thought, this was Wu Zetian's seal.

She was the only female emperor in the history of China.

How significant was its historical significance?

They immediately felt relieved.

They could not help but exclaim at Ye Feng in their hearts.

This guy casually made a move and it was a big deal worth 1 billion.

It was really enviable.

At this moment, a discordant voice sounded.

“Student Ye, I think such a precious cultural relic should be handed over to the country.”

Cao Xinrui looked at Ye Feng sincerely.

Ye Feng touched his nose. “If I hand it over to the country, what benefits can I get?”

Cao Xinrui frowned.

She had always been indifferent to fame and fortune and hated people who talked about benefits.

However, she had no choice but to hold it in for the time being.

“The country should give you a certain amount of cash reward. Although it won’t be much, it’s still a symbolic meaning. At the same time, you will be issued a certificate...”

When everyone heard her words, they suppressed the smiles on their faces.

Asking him to give up a treasure worth 1 billion in exchange for a certificate?

This Teacher Cao was really naïve and cute.

Ye Feng did not smile.

He just looked at Cao Xinrui seriously. “How about this? Let Brother Chen auction it first. If no one buys it, I’ll consider handing it over to the country.”

He was only giving Cao Xinrui face.

After all, the other party was introduced by Chen Qiushan.

She even helped him open the mechanism box.

He still had to give her some face.

As for the nonsense about no one buying it and handing it over to the country...

It was just a casual remark.

How could no one buy such a peerless treasure?

As soon as it appeared, it would probably be fought over by people, right?

Cao Xinrui knew that he was just trying to brush her off, but she was still a little unwilling.

“Student Ye, I think that as a student who has received higher education, you should put the overall situation first...”

Ye Feng did not wait for her to finish speaking and immediately interrupted her.

“Teacher Cao, this is considered moral kidnapping. As a citizen, it is my duty to pay taxes legally. Other than that, you have no right to criticize.”

“You’re willing to selflessly contribute and generate electricity for love. I admire your great personality. However, I personally refuse any form of moral kidnapping!”

“You...”

Cao Xinrui was at a loss for words as she faced his powerful aura.

Chapter 432 - 432 You Are Niu Sidun, Your Whole Family Is Niu Sidun

432 You Are Niu Sidun, Your Whole Family Is Niu Sidun

Chen Qiushan also felt that Cao Xinrui's request was too much.

How could she ask him to donate treasures worth more than 1 billion?

However, she was invited by him after all, so he couldn't embarrass her.

He hurriedly said to ease the atmosphere, "Hahaha, Teacher Cao, don't lower yourself to his level. He has a bad temper."

Cao Xinrui did not appreciate it. She glared at Ye Feng hatefully. "If I knew that you were such a greedy person, I would not have helped you."

With that, she put down the jade seal and turned to leave.

The situation was very awkward.

Chen Qiushan could only smile bitterly as he looked at Ye Feng. "Brother Ye, I did not expect things to turn out this way. You won't blame me, right?"

Ye Feng smiled lightly. "What does this have to do with you? I'm already very grateful that you helped me open this box."

Chen Qiushan glanced at the jade seal. "But to be honest, this jade seal is indeed a rare treasure. It's a pity to sell it..."

Ye Feng pondered for a moment: "Then let's keep it for now. It's not a bad idea to use it as the treasure of my Maple Leaf Pavilion."

Chen Qiushan and the others were speechless.

Using Wu Zetian's jade seal as the treasure of the shop was really extravagant.

Only a tycoon like Ye Feng could do this.

When this treasure was brought out, the whole antique world of Zhonghai would be shocked.

Ye Feng's goal for this trip had already been accomplished. He did not plan to stay any longer.

He was about to bid farewell to the two of them.

At this moment, he suddenly received a call from Chen Xuan.

"Xiao Feng, where are you now?"

"I'm at the golf course with Brother Chen and Brother Kong."

"Wait at the stadium. I'll go and find you now."

"Let's talk when we arrive..."

After hanging up, Ye Feng was a little confused.

Chen Xuan sounded a little anxious.

Could it be that she had encountered some trouble again?

But now that Niu Sidun's trouble had been resolved, who would dare to provoke him in the short term?

After that, he chatted with Chen Qiushan and the other two for a while.

Then, he saw Chen Xuan rushing over.

He hurriedly stood up and went up to greet her.

Chen Xuan was sweating profusely, probably because she had walked too quickly.

A few strands of hair stuck to her forehead.

Ye Feng carefully combed her hair. "What's the matter? Why is it so urgent?"

Perhaps in his opinion, this action was reasonable and there was nothing wrong with it.

However, in the eyes of others, it had a profound meaning.

Chen Qiushan and Kong Xianghui looked at each other with strange expressions.

“Looks like these two really have an affair.”

“Yeah, otherwise, he wouldn’t have done such an intimate action.”

“Sigh, the goddess of our Zhonghai business world has been seduced by this kid. I guess a lot of people will be sad, right?”

“If the news spreads, there will probably be many people who will fight to the death with this kid.”

“Hahaha...”

The two of them chatted brazenly and did not deliberately lower their voices.

Chen Xuan’s face turned red from their teasing. She hid behind Ye Feng, not daring to show herself.

Ye Feng was thick-skinned. He glared at the two of them. “Why, are you two jealous?”

As he spoke, he placed his hand on Chen Xuan’s shoulder without hesitation.

The two of them immediately rolled their eyes.

They could only say sourly, “Show off your love and you’ll die quickly.”

Of course, they were just joking.

However, no one noticed that Lin Qianqian, who was standing at the side, was a little downcast. She quietly hid to the side.

“Why are you looking for me?”

After Ye Feng finished showing off, he remembered the important matter and immediately turned to look at Chen Xuan.

“It’s like this. We just received an invitation from the Dragon Country Real Estate Forum. They invited us to attend the real estate forum held in Binhai City in South Guangdong and give a speech as a representative of a new company.”

Chen Xuan immediately explained her intentions.

Chen Qiushan and Kong Xianghui were shocked.

“What is it? Dragon Country Real Estate Forum? This is a high-end gathering in the real estate industry. The participants were all big shots in the real estate industry. I didn’t expect Lingyun Real Estate to be invited.”

Chen Qiushan felt that his brain was not working properly.

Kong Xianghui explained, “It’s normal. Lingyun Real Estate just won an important old city renovation project in Zhonghai. They’ve been in the limelight recently and are very optimistic about the capital market.”

Ye Feng was also very surprised, but he felt that it was reasonable.

“Since you’ve been invited, you can go and participate.”

Chen Xuan was stunned. “You’re the big boss of Lingyun Real Estate. Shouldn’t you be participating?”

Ye Feng immediately shook his head and rejected: “I am not interested in such public events. You can just participate.”

Chen Xuan and the others were stunned.

To be able to attend such a high-end forum and have the opportunity to speak on stage...

This was a once-in-a-lifetime opportunity for anyone.

As long as they performed well, they would definitely be famous in the business world.

And Ye Feng did not hesitate to give up such a good opportunity.

“Brother Ye, are you trying to learn from Niu Sidun and play behind the scenes?”

Kong Xianghui could not help but sigh.

“Are you cursing me? You are Niu Sidun, and your whole family is Niu Sidun.”

When Ye Feng heard him comparing him to Niu Sidun, he was extremely displeased.

Kong Xianghui immediately realized that Niu Sidun had ended up with nothing left of him. Saying that Ye Feng had learned from him was like scolding someone.

“Bah! Bah! Bah! I was wrong. I take it back.”

Everyone present burst into laughter.

Chen Qiushan shook his head and sighed. “If Niu Sidun had a spirit underground, he would probably be so angry that he would vomit blood. After all, he was a big shot in the business world of South Guangdong Province. Now, he has actually become a curse.”

Everyone laughed even louder.

Many people in the stadium looked at them.

Chapter 433 - 433 It's Like Your Yang Qi Has Been Sucked by a Female Vixen

433 It's Like Your Yang Qi Has Been Sucked by a Female Vixen

“Are you really not going?”

Chen Xuan still felt that Ye Feng should participate in this forum.

This would be extremely beneficial to his future development.

“I’m a hands-off boss anyway. It doesn’t matter if I go or not. You, on the other hand, need this opportunity more. Besides, you’ve been so tired recently. You can go and relax. I heard that the scenery in Binhai City is quite good.”

Ye Feng rubbed her little head.

Chen Xuan was so touched that she grabbed his hand tightly. “Xiao Feng, I…”

Although she really wanted to participate, she felt bad.

Ye Feng suddenly whispered into her ear, “If you feel bad, then tonight, wear that set of~ erotic~ lingerie~ again?”

Chen Xuan’s face instantly turned red as she punched his shoulder in annoyance.

However, in the end, she still replied with a soft ‘hmm’.

Ye Feng was instantly heated up by her ‘hmm’.

“Brother Chen, Brother Kong, I suddenly remembered that I still have something to do, so I’ll take my leave first.”

Chen Qiushan and Kong Xianghui were instantly annoyed.

“You just said that you wanted to thank us and treat us to a meal. Are you going back on your word now?”

“I even helped you unlock this mechanism box. How can you forget your friendship at the sight of women?”

Ye Feng did not care about their complaints. He immediately took the jade seal and left with Chen Xuan.

Chen Qiushan and Kong Xianghui shook their heads and sighed.

“This kid is finished. He has completely fallen. Do you think he can still be saved?”

“I don’t think there’s any hope. The land of gentleness is the tomb of heroes. How many heroes in history have died at this stage?”

“Sigh, I thought he was different. I didn’t expect him to be a little pervert.”

“Men are all the same...”

The two of them complained one after another.

However, they did not notice that Lin Qianqian's gaze was downcast.

..

Chen Xuan's performance at night had far exceeded Ye Feng's expectations.

Not only did she put on that sexy lingerie, she even took the initiative to cater to him.

He tried out the seventy-two forms of the In-Room Technique given by the system once and enjoyed himself until the sun rose in the morning.

Ye Feng finally understood what it meant to have a cow die from exhaustion when the land was not cultivated.

He was already exhausted and fell into a deep sleep on the bed.

Chen Xuan packed her things and went straight to Binhai City.

..

Ye Feng slept all the way until the afternoon when he was woken up by the urgent ringing of the bell.

The call was from Shen Baitian.

Some time ago, he and Niu Sidun were openly hostile, and everyone knew about it.

Naturally, Shen Baitian also called to express her support for him.

But she was rejected by Ye Feng because she was a member of the Shen family.

If she made a public statement, she would drag the entire Shen family down with her.

Unless it was absolutely necessary, Ye Feng did not want Shen family to be involved.

This was because favors could only be used once. It had to be used at a critical moment.

“Hello, Baitian, why are you looking for me?”

“Why does your voice sound so weak? Are you sleeping?”

“Yes, I was woken up by your call.”

“What a lazy pig. What time is it? Are you still sleeping?”

“I... I’m too tired.”

Ye Feng propped himself up with difficulty and leaned against the headboard.

It seemed that he had to control himself in the future. Otherwise, his iron-made body would not be able to withstand such torture.

“That’s true. No matter who it is, facing an opponent like Niu Sidun, they would also feel exhausted.”

Shen Baitian thought that he was tired because he was competing with Niu Sidun.

“Ahem, you haven’t told me why you’re looking for me.”

Ye Feng coughed awkwardly and quickly changed the topic.

“First of all, congratulations on beating Niu Sidun. You’re now in the limelight in the business world of Zhonghai.”

“There’s nothing to congratulate me. It’s just a piece of cake.”

“Tsk, I said you’re fat, but you’re still panting. Also, because I didn’t help you much previously, I feel a little bad and want to make it up to you.”

“Don’t say that. What compensation? How do you plan to compensate me?”

Ye Feng’s originally weak body seemed to be filled with vitality again.

“I’ll treat you to a vacation. It’s a good time to relax,” Shen Baitian immediately suggested.

“Traveling? Forget it then. I just want to sleep now.”

Ye Feng immediately lost interest.

“Big lazy pig, you’re too lazy. Anyway, I don’t care. I’ve already applied for leave from the company. I’m driving to your house now. Hurry up and pack up. We’ll set off immediately.”

“Is it that urgent? Shouldn’t I at least pack my things first?”

“If a woman doesn’t need to deal with it, what’s there for a man like you to deal with? You just need to get a few new clothes. As for the rest, it won’t be too late to buy them there.”

“Then... You have to tell me where we’re going, right?”

“Binhai City.”

“Hmm?”

..

Half an hour later.

Shen Baitian’s pink Mercedes-Benz was already on the highway to Binhai.

Ye Feng sat in the front passenger seat, looking listless.

Shen Baitian chewed on bubble gum as she sized him up. "What's wrong with you? Why do I feel like your yang qi has been sucked in by a female vixen?"

"Cough, cough..."

Ye Feng choked on her words and almost fainted.

"Do you know how to speak? What do you mean by having yang qi sucked by a female vixen?"

He glared at her angrily.

"I'm just joking. Do you have to have such a big reaction? Why does it feel guilty?"

Shen Baitian sized him up with a scrutinizing gaze.

Ye Feng quickly looked out the window.

“I just think that you... are quite rude...”

Chapter 434 - 434 A Life for a Murder, a Chicken for a Compensation

434 A Life for a Murder, a Chicken for a Compensation

Nanyue Province was adjacent to Zhongshan Province.

Zhonghai City was located at the border of Zhongshan Province, right next to Binhai City in South Guangdong Province.

It was only about 200 kilometers.

They arrived in less than two hours.

Shen Baitian drove off the highway while introducing the fun places in Binhai City to Ye Feng.

“Hurry up and drive seriously. Don’t hit anyone.”

Ye Feng saw her dancing around and quickly reminded her.

“Don’t worry. I’ve been to Binhai City many times. Even if I drive with my eyes closed, I guarantee that nothing will happen...” she said proudly.

Suddenly, a rooster flew out from the side of the road.

“Ah...” Shen Baitian screamed and began to make a flurry of movements.

The windshield wipers started to operate.

She was still stepping on the accelerator.

The car crashed into a big tree by the roadside.

“Mommy, save me...”

She hurriedly covered her face and did not dare to look anymore.

Fortunately, Ye Feng reacted quickly and turned the steering wheel to the right.

The car almost brushed past the big tree.

The car was already going at a speed of over 100 km/h.

Shen Baitian had just stepped on the accelerator again, and it shot up to about 120.

If Ye Feng did not make a move in time, the car might have been destroyed.

When the car stopped, Shen Baitian finally reacted.

She suddenly jumped into Ye Feng's embrace. "Ye Feng, I'm sorry... Are you hurt? I..."

She was obviously frightened, and her delicate body was still trembling.

Ye Feng hurriedly patted her back. "Don't be afraid, it's fine."

At the same time, he was puzzled.

Why would there be a rooster near the highway?

At this moment, someone knocked on the car window.

The two of them turned around and saw a few fierce-looking men standing outside.

Ye Feng immediately rolled down the car window. "What's the matter?"

The men were about to speak when they saw Shen Baitian. Their eyes widened.

They probably didn't expect the driver to be a female driver.

And she was so beautiful.

The bald man in the lead was the first to react. "What's the matter? You killed my chicken. What do you think I should do?"

Ye Feng immediately understood when he heard this.

This was a scam.

He immediately pushed the door open and got out of the car.

Shen Baitian wanted to stop him, but it was too late. She could only follow him.

“This is a highway intersection. How can you raise chickens here?”

She was furious.

If Ye Feng had not reacted fast enough, the two of them would have died in the car crash.

“Who said we were raising chickens at the highway entrance? Our chicken ran away, so of course we had to chase after it. Who knew that it would run to the highway intersection?” the bald man said shamelessly.

Shen Baitian continued to argue.

But Ye Feng stopped her, he looked at those bullies. “Just say it, how do you want to solve it?”

It was obvious that the other party wanted to scam them.

Why waste your breath on them?

The bald man gave her a thumbs up. "That's right. You killed my chicken, that's the truth. Why did you say so much? A life for a life, a chicken for a chicken... Of course, I'll compensate you."

Shen Baitian was a little angry.

However, she didn't want to argue with the other party in the wilderness.

"Alright, I'll compensate you."

As she spoke, she took out 100 dollar bill from her wallet and handed it over.

"Is that alright?"

The bald man glanced at the note and sneered. "Are you trying to get rid of a beggar?"

Shen Baitian was a little angry. "It's just a chicken. I'm already giving you 100 yuan. How much more do you want?"

The bald man immediately said with a sobbing tone, "Is that an ordinary chicken? I've raised it since it was a little chick. It's like my family. If your family was killed, how much do you think you should pay?"

As he spoke, he did not forget to squeeze his eyes, but he could not squeeze out a single tear.

When Shen Baitian encountered such a scoundrel, she was at her wit's end.

Ye Feng, who was at the side, had a cold smile on his face. "Then tell me, how much money do you want?"

The bald man glanced at their car.

He might not know about other cars.

However, he still knew about the Mercedes-Benz.

He knew that this car was not cheap.

These two people seemed to be from rich families.

With this in mind, he immediately extended five fingers.

“50,000.”

“How much? You really dare to ask for an exorbitant price. 50,000 yuan is enough to buy a chicken farm, right?”

Shen Baitian was furious when she heard what the other party said.

Although 50,000 yuan was nothing to her, being blackmailed by the other party, she was still a little angry.

The bald man grinned smugly.

“Is 50,000 expensive? It isn’t expensive at all. Not only do you have to compensate me for the chicken, but you also have to compensate me for my mental damage. Xiao Ya is dead, and my mental state has been greatly damaged. I’m letting you off easy by asking you for 50,000 yuan.”

Shen Baitian was so angry that her pretty face turned pale. “I can still say that your chicken scared me. How are you going to compensate me for my mental damage?”

The bald man immediately revealed a lewd smile. “Yo, you want to extort us? Sister, I think you’re going to refuse a toast only to drink a forfeit? Come, let me make it up to you.”

As he spoke, he was about to step forward and touch her.

The others were also eager to try.

Ye Feng blocked Shen Baitian behind him and confronted those men: "I advise you not to move, otherwise, you will bear the consequences!"

The powerful pressure he emitted immediately intimidated the few men.

They did not dare to take another step forward.

The bald man subconsciously took a step back.

However, he felt that this was a little too cowardly.

He immediately glared at Ye Feng.

"Cut the crap and pay up. Otherwise, don't even think about leaving this place today."

As soon as he finished speaking...

Those few men immediately surrounded Ye Feng and Shen Baitian.

Chapter 435 - 435 One of the Top People in Zhonghai

435 One of the Top People in Zhonghai

Ye Feng's gaze swept across those few people.

With his current combat strength, it was as easy as playing with them.

However, he came out this time to relax and didn't want to be too disappointing.

"I don't want to talk nonsense with you. Go find someone who is in charge."

When the bald man heard this, he immediately sneered. "Who the f*ck do you think you are? You can see whoever you want? I don't care about my face..."

Before he could finish, his vision suddenly blurred.

In the next moment, Ye Feng's leg was already in front of him.

The sharp wind blew against his cheek, causing it to hurt.

If the other party's foot had kicked forward a little more, his face would have bloomed.

He felt a heat in his crotch and almost peed.

The other party's movements were too fast, and he did not see it clearly at all.

If it wasn't for the other party showing mercy, he wouldn't be able to stand here unscathed.

"Call... Call the village chief over, quickly..." He hurriedly ordered one of his subordinates.

The subordinate also knew that he had encountered a tough opponent and hurriedly walked to the side to make a phone call.

After a while, a group of people holding shovels and sickles rushed over.

There were at least 40 to 50 people.

“Who is it? You dare to cause trouble in our Grass Temple Village?”

The leader was a man in his fifties.

He had a tanned face and looked honest.

However, when he spoke, there was a hint of viciousness. Clearly, he was not a good bird.

When the bald man saw him, it was as if he had seen his savior. He hurriedly went up to him and cried.

“Village Chief, this kid killed my chicken. It’s fine if he doesn’t compensate me, but he even wants to hit me. You have to help me!”

When the village chief heard this, he immediately looked at Ye Feng with a dark gaze.

The group of unruly people behind him immediately waved their sickles and shovels.

“Compensate!”

“Compensate!”

“Compensate...”

Shen Baitian was immediately frightened by their arrogance, but she still stood in front of Ye Feng.

“They’re clearly the ones who are blackmailing us. They want us to pay 50,000 yuan for a rooster.”

She felt that the other party was a village chief after all, so he should still uphold justice.

Unexpectedly, the village chief immediately laughed sinisterly when he heard this. “I think it’s very reasonable. They’ve raised the chicken for a long time and have developed feelings for it. It’s very reasonable for you to compensate them for their mental damage.”

Shen Baitian was instantly defeated by the other party’s shamelessness.

She did not expect that this group of people were all jackals of the same feather.

“All of you... This is robbery! It’s illegal!”

When the village chief heard this, he immediately laughed arrogantly.

“We’re robbing, so what? If you know what’s good for you, just compensate the money honestly and you’ll be fine. If you don’t know what’s good for you, don’t blame us for being rude.”

As soon as he finished speaking, the group of unruly people behind him started to scare the two of them again.

“Since you’ve come to our Grass Temple Village, you have to abide by our rules. Otherwise, don’t even think about leaving.”

“I planted this tree and opened this road. If you want to cross this road, leave behind money to buy the road.”

“Hurry up and pay up, or I won’t be polite to you.”

“If you don’t pay, confiscate their cars...”

When had Shen Baitian ever seen such an unreasonable person?

Being yelled at by them, she was instantly at a loss.

“Ye Feng, why don’t we... Give them the money.”

She could only turn to look at Ye Feng.

50,000 yuan was nothing to them.

There was no need to put themselves in danger because of this.

Ye Feng only smiled lightly. He pulled her behind him and walked toward the village chief.

“Are you the village chief here?”

The village chief sized him up. “Yes, what’s wrong?”

Ye Feng could not help but sneer: “Village chief taking the lead to rob, this is really something new?”

The village chief’s face darkened. “I don’t have time to talk nonsense with you. Hurry up and hand over the money, or else... Humph!”

The smile on Ye Feng's face disappeared. It was replaced by a cold and murderous look.

"Or else what?"

The village chief met his gaze and could not help but shiver.

He remembered that when he was young, he went hunting in the mountains with others.

He met a wild wolf in the mountains. The wild wolf had a bloody prey in its mouth.

When it brushed past them, it glanced at them lightly and scared them out of their wits.

It had been several months before he had recovered from the shock.

The eyes of the young man in front of him were extremely similar to that of the wild wolf.

It made people shudder.

Since he could become the village chief, his brain was naturally better than the others.

He immediately realized that this young man probably had a powerful background.

He glanced at the Mercedes-Benz again.

His heart was beating faster and faster.

“What’s your name? What are you doing in Binhai City?”

Shen Baitian saw that he was stunned by Ye Feng and quickly answered: “His name is Ye Feng, he is one of the most powerful people in Zhonghai. If you dare to hurt us, someone will take care of you.”

The village chief sneered. “Aren’t you afraid that the wind will hurt your tongue? One of the top figures in Zhonghai? You really know how to brag.”

The group of people behind him also started laughing.

“This little girl really knows how to brag. How old is this kid? How dare he say that he’s one of the best in Zhonghai?”

“Do you really think we are fools? Can you scare us with a random lie?”

“This kid is only in his twenties. He probably hasn’t graduated from university yet, right? You dare to say that you are one of the best in Zhonghai?”

“Stop talking nonsense with them. Just kidnap them and let their families send the money.”

Shen Baitian panicked. “I’m not lying. If you don’t believe me, go to Zhonghai and ask around. See if I’m telling the truth.”

The village chief was even more uncertain now and began to hesitate.

At this moment, a bespectacled man walked over. “Village Chief, isn’t your son doing quite a big business in Zhonghai? You can call him and ask him.”

The village head, Dazhu, also felt that it made sense. He immediately ordered the villagers, “Keep an eye on them. I’ll make a call.”

After saying that, he walked to the side and picked up his phone to call his son.

Chapter 436 - 436 He's the King of Zhonghai's Business World

436 He's the King of Zhonghai's Business World

Mao Xiaojie was in a meeting with the company's higher-ups when he suddenly received a call from his father, Mao Dazhu.

He hung up without thinking.

Although his father had paid for his company, he looked down on this old farmer from the bottom of his heart.

Other than relying on his identity as the village chief to bully men and women, what else did this guy have?

However, Mao Dazhu's call came again.

Mao Xiaojie frowned and could only instruct the higher-ups, "You guys look at the information first. We'll discuss it later."

With that, he walked out of the conference room and picked up the call.

"I'm in a meeting. What's the matter?"

His father Mao Dazhu's voice immediately came from the other side.

"Son, the bald monk and the others stopped a car from Zhonghai just now, but I think those two people are quite powerful. I'm afraid they'll cause trouble, so I called you to ask."

When Mao Xiaojie heard this, he felt even more contempt in his heart.

"I've warned you many times not to do such wicked things again. Why didn't you listen? I think you'll die sooner or later."

"I know you look down on me, but didn't you rely on the money your father saved for you by doing such wicked things?"

"Alright, I don't want to play the lute to a cow. Just tell me directly, why are you looking for me?"

"The girl said that the boy is very powerful in Zhonghai. You have a lot of connections in Zhonghai. I want to ask you if you have heard of him."

"There are millions of people in Zhonghai. How can I have heard of everyone? Go deal with your own mess. I'm hanging up!"

Mao Xiaojie couldn't be bothered to talk nonsense with him and was about to hang up the phone.

At this moment, he heard his father mention a name, “She said that the kid is called Ye Feng, I guess you haven’t heard of him before. Alright, I’ll hang up first.”

“Wait, what did you just say? What did you say his name was?”

Mao Xiaojie’s expression suddenly turned serious.

Mao Dazhu heard his son’s strange tone and hurriedly asked, “Ye Feng. Have you heard of him?”

“How old is he? What does he look like?” Mao Xiaojie asked hurriedly.

“He’s only in his twenties. He’s a few years younger than you... He’s quite handsome. Oh, right, this kid’s skills seem to be quite good. The bald donkey even suffered a loss at his hands...”

When Mao Dazhu heard his son’s words, he suddenly shivered. “Son, don’t scare me. Is it that serious?”

Mao Xiaojie swallowed hard.

He hurriedly grabbed his trembling right hand with his left hand to ensure that the phone would not fall to the ground.

“Do you know who he is?”

“Who is it?”

“He... He’s the king of Zhonghai’s business world. No one in the entire Zhonghai would dare to offend him, but you dare? It’s over, I’m dead. I’m going to be exhausted by you...”

“Son, don’t scare me. Is it really that serious?”

“Let me put it this way. Niu Sidun, the richest man in South Guangdong Province, died in his hands two days ago.”

“Wha... What’s that? This... how is that possible?”

“Furthermore, Fuli Group is in a precarious situation now. This is all Mr. Ye’s doing. You’re really my biological father. Of all the people you can offend, how could you offend him?”

Mao Dazhu was scared out of his wits when he heard his son’s words.

“Son, what should we do now? You... hurry up and think of a way, I... I don’t want to die yet.”

“You offended Mr. Ye. What can I do?”

“You’ve been in Zhonghai for a long time. You should know a lot of big shots, right? Ask someone to plead for mercy. As long as he lets us go, we’ll do anything.”

“You flatter me. The most awesome big shot I know can’t even speak in front of Mr. Ye. People like us are nothing in the eyes of others!”

“What should we do now? Then aren’t we dead for sure?”

“You... did you just say that Mr. Ye has a female companion?”

“Yes, a very beautiful girl. She looks like a big star.”

“Go and beg that girl now. Girls are more soft-hearted. As long as she is willing to speak up for us, we still have a glimmer of hope.”

“Okay, okay, okay. I’ll go beg her now.”

Mao Xiaojie hung up the phone and sat down in the corridor.

He was no longer in the mood to attend the meeting.

If his disappointing father could not get Mr. Ye's forgiveness...

He might not even be able to keep his company.

What meeting?

..

"Beauty, can this kid satisfy you?"

While waiting for the village's Mao Dazhu to make a call, the man nicknamed 'Bald Donkey' looked at Shen Baitian with lust again.

Shen Baitian was wearing a purple t-shirt today.

She was wearing a pair of white shorts.

Her two long legs were white and long.

Coupled with her beautiful face, it had a fatal attraction to men.

When had this group of unruly people ever seen such a beautiful girl in real life?

Therefore, they could not help but want to tease her.

Shen Baitian's face turned cold when she heard his dirty words.

"Watch your mouth."

Bald Donkey saw that she looked extremely cute when she was angry, and his heart became even more itchy.

He immediately walked toward her.

"My mouth is very clean. If you don't believe me, try kissing me."

As he spoke, he shamelessly kissed Shen Baitian.

Right at this time, Ye Feng appeared again.

He didn't waste any words and directly slapped him.

Pa!

This slap was extremely powerful.

Bald Donkey spun three times on the spot and fell to the ground.

A few of his teeth flew out, and blood seeped out from the corner of his mouth.

Half of his face was already swollen.

He looked as miserable as he could be.

“Little b*stard, there are so many of us, and you still dare to attack? You're courting death!”

As he spoke, he immediately waved his hand at the group of unruly people behind him.

“Beat him to death!”

Hearing his order, the group of unruly people waved their sickles and shovels as they charged toward Ye Feng.

Chapter 437 - 437 When a Woman Is Ruthless, There's Nothing a Man Can Do

437 When a Woman Is Ruthless, There's Nothing a Man Can Do

Seeing that a bloody conflict was inevitable, at this time, the village leader, Mao Dazhu, happened to return.

Seeing this scene, Mao Dazhu almost fainted.

“Stop, all of you stop!”

Those unruly people had already rushed to Ye Feng.

Some of them even raised their shovels and sickles.

Hearing the village chief's order, they all stopped.

"Village Chief, this kid made the first move..." Bald Donkey hurriedly went forward to explain.

However, before he could finish speaking, Mao Dazhu suddenly slapped him.

Pa!

A loud slap.

Bald Donkey spun three times on the spot.

His cheeks were swollen.

"Village Chief, why did you hit me?"

Bald Donkey was beaten until he saw stars, and his face had an aggrieved expression.

The surrounding unruly people were also stunned.

Bald Donkey was the village chief's right-hand man.

All these years, he had gained a lot of benefits for him.

He was even closer to him than his own son.

Now, the village chief actually hit him?

And he even beat him up so ruthlessly?

What was going on?

Just as they were confused, Mao Dazhu quickly walked toward Ye Feng.

“Mr. Ye, this kid was blinded by greed and offended you. I apologize on his behalf. Please don't hold it against him.”

Even the richest man in South Guangdong Province had died at his hands.

Dealing with a mere village chief like him was easier than crushing an ant.

Therefore, when he talked to him, he had the urge to kneel down.

When the surrounding villagers saw this, they were even more shocked and speechless.

In a remote area like the south, the clan system was more effective than the law.

In front of them, Mao Dazhu was like a local emperor, with a supreme status.

When had they ever seen him act so lowly?

They looked at Ye Feng.

Who was this young man?

He actually scared the village chief to this extent?

Ye Feng did not appreciate it at all. He stared at him expressionlessly.

“If it was before, it would have been fine if he apologized. However, he dared to speak obscenities to my friend just now. How could I forgive him?”

When Mao Dazhu heard this, he immediately shivered.

He turned around and glared at Bald Donkey.

He wished he could strangle this b*stard to death.

But now was not the time to settle scores with him.

He thought of his son’s idea just now.

He hurriedly turned to look at Shen Baitian.

“This little miss, that b*stard was rude to you just now. It was his fault. However, you have to understand that we peasants in the remote countryside have never seen such a beautiful woman like you, so...”

Shen Baitian's pretty face turned cold. "You mean, just because I'm beautiful, I deserve to be cursed by him?"

Mao Dazhu hurriedly waved his hand. "That's not what I meant. I'll definitely teach him a lesson later and avenge you. I only hope that you can calm down and not lower yourself to his level."

Shen Baitian chuckled. "Why did you turn back? You'll deal with him right in front of me and avenge me."

Mao Dazhu was a little stunned. "How do you want to vent your anger?"

Shen Baitian looked around.

When she saw the dead rooster not far away, her eyes lit up.

"He dared to accuse us of killing his chicken. As punishment, let him eat that chicken."

Mao Dazhu was dumbfounded. "But the meat is raw. How can he eat it?"

Shen Baitian glared at him. "You mean I have to cook it? Is that still punishment? Should I buy him another bottle of wine? Buy some peanuts?"

Mao Dazhu didn't dare to say any more nonsense.

This lady was now in control of his life and death.

He could only do as she said.

He immediately turned around and ordered Bald Donkey, "Are you deaf? Little grandaunt asked you to eat that chicken. Why aren't you going?"

Bald Donkey immediately took two steps back. "Village Chief, that's a dead chicken. Can it be eaten?"

Mao Dazhu's expression turned ugly. "This is an order from little grandaunt. Forget about a dead chicken, even if it's sh*t, you have to eat it."

His words were powerful and there was no room for negotiation.

Bald Donkey could only brace himself and walk over.

The chicken was first hit by a car and then run over by a tire.

Chicken blood splattered all over the ground, and the corpse was even more tragic.

It was a little disgusting to look at, let alone eat.

Shen Baitian smiled teasingly and placed her hands on her waist.

“Don’t pluck the chicken feathers.”

Hearing his words, even Ye Feng who was watching the show, was speechless.

Once a woman became ruthless, there was nothing a man could do.

Bald Donkey did not dare to defy her. He could only grab the dead chicken on the ground and bite it down.

As soon as it entered his mouth, the smell of blood wafted into his mouth.

He immediately retched.

“Don’t vomit. Swallow it all!” Shen Baitian immediately berated him.

Bald Donkey hurriedly swallowed the chicken meat that he was about to spit out and then ate it bite by bite.

A mouthful of chicken feathers and blood.

It looked a little scary.

All the villagers, including Mao Dazhu, looked at Shen Baitian in fear.

This woman was really as beautiful as a fairy and had the heart of a devil. She could actually think of such a way to torture people.

They had really kicked an iron plate this time.

Bald Donkey ate for half an hour before he finished the last bite.

His mouth was full of chicken blood and feathers.

There were even some chicken droppings at the corner of his mouth.

It was disgusting to look at.

Mao Dazhu heaved a sigh of relief and looked at Shen Baitian again.

“Little grandaunt, the punishment is over. Can you forgive us?”

Shen Baitian snorted coldly. “The punishment just now was only for him slandering us. However, he had just spoken obscenities to me, so of course he had to be punished differently.”

Mao Dazhu opened his mouth. “Still... How should I punish him?”

Shen Baitian did not answer directly. Instead, she asked, “Do you have cigarettes with you?”

Mao Dazhu didn't know what was going on, but he still took out a bag of Hongtashan.

“There's still half a pack left. If you want to smoke, I'll get someone to buy some cigarettes...”

Shen Baitian interrupted him. "Enough. Light all these cigarettes now and extinguish them on his tongue."

As soon as she said this, everyone present felt as if they had been struck by lightning.

Chapter 438 - 438 Do You Have Some Misunderstanding About Gentleness?

438 Do You Have Some Misunderstanding About Gentleness?

Mao Dazhu and the others had seen ruthless people before, but they had never seen such a ruthless person.

Put out the cigarette with your tongue?

To think that she could think of that.

Shen Baitian's face darkened when she saw his hesitation.

"If you can't even punish him, how can I trust your sincerity?"

Mao Dazhu actually felt an invisible pressure from her.

He was instantly shocked.

It seemed that this girl had a powerful background.

He absolutely did not dare to offend such a person.

He immediately made up his mind and waved his hand at the villagers.

“Control Bald Donkey’s limbs.”

A few people immediately rushed out and pressed Bald Donkey to the ground.

“Village Chief, you can’t do this to me, Village Chief. Everything I did was instructed by you...”

Bald Donkey immediately struggled violently.

Mao Dazhu walked over with a cigarette in his mouth. “Bald Donkey, endure it. I... I have no choice!”

As he spoke, he pinched his mouth open.

He stuffed the cigarette into his mouth.

Chi la...

“Ah...”

Bald Donkey immediately let out a blood-curdling scream.

He struggled even more violently.

Mao Dazhu lit another cigarette. “Bald Donkey, if it hurts, just scream. It’ll be over soon.”

As he spoke, he opened his mouth again and stuffed the cigarette butt in.

“Ah...”

“Ah...”

“Ah...”

Bald Donkey's screams came one after another.

Hearing this, everyone present felt their hair stand on end.

Especially when they looked at Shen Baitian.

It was as if they had seen a ghost.

They had provoked a female devil who killed without batting an eye.

Finally, Mao Dazhu finished lighting up all the cigarettes in the pack.

He heaved a sigh of relief.

He let go of Bald Donkey.

Bald Donkey hurriedly stuck out his tongue and breathed like a dog.

There were already a few blisters on his tongue.

When these bubbles burst, the pain...

Just thinking about it made one's scalp go numb.

Mao Dazhu wiped his sweat as he walked back to Shen Baitian.

"Little grandaunt, are you satisfied now?"

Shen Baitian nodded in satisfaction. "Not bad, I'm very satisfied."

Only then did Mao Dazhu completely relax. "That's good, that's good..."

"However..."

As Shen Baitian spoke again, Mao Dazhu's heart was on tenterhooks again.

"If a scum like him continues to stay in your village, it will affect your village's reputation. What do you think?"

Shen Baitian had an innocent smile on her face, just like an innocent little girl.

But in Mao Dazhu's eyes, she was even more terrifying than a demon.

This was killing them all.

But did he have any other choice now?

Anyway, he had already bowed 99 times, so he didn't need to tremble.

He immediately turned to look at Bald Donkey.

"I hereby announce that Bald Donkey and the people who were scamming with him just now will be expelled from Grass Temple Village and will never return."

As soon as he said this, Bald Donkey and the few people who tried to scam Ye Feng and the others complained incessantly.

"Village Chief, please have mercy. We can't read much. If you chase us out of Grass Temple Village, we will starve to death."

“That’s right, Village Chief. My wife is about to give birth. I can’t leave!”

“Village Chief, everything we did was ordered by you. How can you abandon us?”

“Mao Dazhu, if you kick us out of Grass Temple Village today, who will still respect you in the future?”

Mao Dazhu turned a deaf ear to their words and immediately waved his hand. “Throw them all out. If anyone dares to take half a step into Grass Temple Village again, break their legs.”

“Mao Dazhu, we were wrong about you...”

“Mao Dazhu, you will die a horrible death...”

“Mao Dazhu, we know about your corruption and perverting the law. We’re going to sue you...”

The few people were dragged away while roaring unwillingly.

Mao Dazhu walked up to Shen Baitian, exhausted. “Little grandaunt, do you have any other instructions?”

Shen Baitian immediately waved her hand. "You did well. I forgive you."

Mao Dazhu didn't know whether to laugh or cry.

Even though he had obtained the other party's forgiveness, he had also suffered a major blow.

Not only did he expel all his trusted followers from Grass Temple Village...

He was afraid that his position as the village chief would be unstable.

But at least his son was safe.

This was already a blessing in disguise.

"Darling, let's go."

Shen Baitian immediately turned around and held onto Ye Feng's arm, smiling sweetly.

Ye Feng could not help but shiver. “When you smile now, I feel a little scared. It’s the smile of a devil.”

Shen Baitian immediately acted coquettishly and leaned her little head on his arm.

“Nonsense! I’m very gentle, okay?”

“Gentle? Hehe, do you have some misunderstanding about gentleness?”

“How can you say that about me? I’m ignoring you, hmph!”

The two of them teased each other as they got into the car.

This time, Shen Baitian took the initiative to sit in the front passenger seat.

After the thrilling scene from before...

She was already traumatized by driving.

She could only let Ye Feng drive.

The Mercedes-Benz left behind a shadow and quickly drove away.

The villagers of Grass Temple Village watched the car leave as if they were sending off a plague.

“Village Chief, are we really going to chase Bald Donkey and the others out of the village?”

“Anyway, these two people have already left. Let’s go and call them back.”

“Yeah, they don’t know anyway. Let’s hurry up and chase Bald Donkey and the others back.”

“Do I even need you to say that? The village chief doing that was definitely just a stopgap measure. How could he really chase them away?”

Everyone immediately spoke up, but Mao Dazhu looked at them with a gloomy gaze.

“Who said it was just a stopgap measure? Bald Donkey and the others had to leave the village and never return.”

Everyone was shocked when they heard this.

Was it really for real?

“Village Chief, why is this?” someone immediately asked in confusion.

Mao Dazhu looked in the direction where the Mercedes-Benz disappeared with lingering fear.

“This is for Bald Donkey and the others. It’s good for us too. Because these two people are too terrifying! In their eyes, we are just a bunch of ants.”

Everyone looked at each other and saw shock in each other’s eyes.

Who did they offend?

This was too terrifying!

Chapter 439 - 439 Let's Go, I'll Take You to Treasure Hunt

439 Let's Go, I'll Take You to Treasure Hunt

Next, Ye Feng displayed a god-level driving skill.

The Mercedes-Benz sped through the traffic.

Several times, it brushed past the cars, with only a few centimeters between them.

Shen Baitian screamed in fear.

“Ye Feng, slow down, my heart is about to jump out.”

“It’s good that it jumps out. Let me see what color your heart is.”

Ye Feng still could not forget her ruthless performance just now.

“Don’t say that about me. I’m very kind.”

Shen Baitian pouted, feeling wronged.

Ye Feng could not help but laugh: “You are kind? If you were kind, then there would be no evil people in the world.”

Shen Baitian turned her head away angrily. “Hmph, I’m ignoring you.”

Ye Feng was about to continue teasing her.

At this moment, a system notification suddenly sounded in his ear. [The system has detected a new treasure navigation. Please go straight along the current road for 500 meters and turn right.]

He couldn't help but laugh when he heard the system notification.

Binhai City was really his blessed land. He had just arrived and was already given a big gift.

"What are you laughing at?"

Shen Baitian was curious when she saw him laugh.

"Let's go, I'll take you to search for treasure."

"What treasure?"

"You'll know when we get there," Ye Feng said as he followed the system's instructions.

The car drove for more than twenty minutes.

The two of them soon arrived at the demolition site of an old house.

Judging from the few remaining old houses, this house was very old.

It was a pity to dismantle it just like that.

“What are you doing here? Is there a treasure here?”

Shen Baitian looked at the dusty outside and didn't want to get out of the car.

“It's easy to dig out treasures from an old house like this.”

Ye Feng did not explain further. He pushed the door open and got out of the car.

“Tsk, only a ghost would believe you.”

Although Shen Baitian didn't believe that he could dig up any treasure here, she still got out of the car.

“What do you want to do?”

When Ye Feng and Shen Baitian approached the construction site, a worker wearing a safety helmet immediately went forward to stop them.

“We want to go in and take a look.”

Ye Feng immediately greeted him with a smile.

“This is a construction site. It’s very dangerous.”

The staff immediately chased him away.

“Brother, please make an exception. We are very interested in ancient buildings.”

Ye Feng took out a pack of Zhonghua cigarettes from his pocket. He took out one and handed it to the man.

The man took the cigarette, but he couldn’t bear to smoke it. He put it directly to his ear.

And toward Ye Feng, his attitude changed 180 degrees. "Brother, you are a very particular person, I will tell you the truth. It is not that I do not want to help you, but I cannot make the decision."

Ye Feng stuffed the remaining half of the pack of cigarettes into his hands. "Then where is your supervisor? I'll talk to him."

The staff member hurriedly put the cigarette into his pocket, afraid that others would see it and ask him for a cigarette.

"Our supervisor is over there for inspection. I'll bring you over."

After saying that, he enthusiastically led the way.

Ye Feng and Shen Baitian immediately followed.

Soon, they found the supervisor who was directing the demolition.

"Why did you bring an outsider in? Didn't I tell you that outsiders are not allowed to enter?"

When the supervisor saw Ye Feng and the other two, he glared at the staff member unhappily.

Ye Feng immediately walked forward.

“Hello, we are students from the Construction Department of Zhonghai University. We came from hundreds of miles away to study the ancient buildings here.”

The supervisor sized them up.

“Student? That’s even more so. All of you are too precious. If there is any accident, I can’t bear the responsibility.”

Ye Feng immediately explained with a smile: “Don’t worry, we will just walk around the periphery, we will not go inside.”

As he spoke, he took out a stack of cash from his pocket. “This money is for the tickets.”

The supervisor’s face darkened. “What do you mean? Are you trying to bribe me? I’ve always been a fair and impartial person. I’ll never be corrupted...”

Before he could finish, Ye Feng had already stuffed the stack of cash into his hand.

He pinched the thickness and found that it was more than 1,000.

The supervisor stuffed the money into his pocket without leaving a trace and immediately smiled.

“However, being impartial is one thing. I’m actually a very reasonable person. If you students can come and study, you can better inherit and carry forward the splendid culture of our nation...”

Ye Feng and Shen Baitian could not help but admire the shamelessness of this supervisor.

How could this be resolved?

“However, in order to ensure your safety, I’ll personally take you there.”

As the supervisor spoke, he found two safety helmets for the two of them.

The quality of the service could be said to be excellent.

“This house belonged to a first-grade official of the Ming Dynasty. It was said that he embezzled a lot of money back then. After he retired and returned to his hometown, he built this courtyard...”

As the supervisor walked, he introduced the details of the courtyard to the two of them.

Ye Feng pretended to be a snake while observing the direction the system indicated.

“Supervisor, what is that place?”

He suddenly interrupted the supervisor’s introduction and pointed at the ruins not far away.

The supervisor looked in the direction he was pointing. “Oh, that’s a temple hall. I guess someone in the owner’s family believed in Buddhism back then?”

“Can I go over and take a look?”

“What’s so good about a pile of ruins?”

“I saw many windows and rubble in the ruins. The design is quite exquisite. Maybe I can find some inspiration.”

Ye Feng could only lie.

“Alright, you guys go over and take a look. I’ll smoke here.”

As the supervisor spoke, he subconsciously touched the stack of cash in his pocket.

He wasn’t smoking. He was obviously thinking about money.

Ye Feng smiled and did not say anything else. He pulled Shen Baitian towards the ruins.

“What are you doing here?” Shen Baitian asked in a low voice.

“Didn’t I tell you? Of course, I’m here to search for treasures,” Ye Feng answered mysteriously.

“Tsk, if there is a treasure here, I’ll read my name backward.”

Shen Baitian couldn’t help but purse her lips.

“You said it yourself, Tianbai Shen.”

Ye Feng laughed as he joked. He stopped in his tracks.

[Go straight ahead for three meters to the right.]

Chapter 440 - 440 Do You Think I Haven't Seen Ghost Blows Out the Light?

440 Do You Think I Haven't Seen Ghost Blows Out the Light?

He followed the GPS and confirmed the final location of the treasure.

Ye Feng did not say anything. He jumped into the ruins and started to clean up the ruins.

For a moment, dust flew everywhere.

Shen Baitian really wanted to help, but when she saw this scene, she flinched.

“Ye Feng, what are you looking for? Stop looking, it’s so dirty.”

Ye Feng was not moved. He continued to dig deeper.

After digging for more than half an hour, they had already cleared the area.

However, there was still no trace of the treasure.

He couldn't help but feel puzzled.

He believed that the system's positioning would not be wrong.

The treasure must be here.

Just as he was deep in thought, he suddenly noticed a broken wall.

Due to the lack of maintenance, the surface of the wall had peeled off, revealing a hole.

He hurriedly walked forward and dug a bigger hole.

Only then did he realize that there was a layer inside.

This immediately made him ecstatic, and he quickly peeled off the skin.

Finally, he found a wooden box in the middle.

The wooden box had decayed due to its age.

He pinched it lightly with his fingers and immediately crushed it into pieces.

When the wooden box was completely peeled off, the item inside was immediately revealed.

It was a white ceramic cup.

It was about an inch high and three inches wide.

The porcelain cup was open and slightly tilted, and the mouth was gradually closed. The bottom of the cup was flat and the foot was lying on it.

Turning it over, the bottom was signed 'Ming Chenghua Year System'.

This cup was small and exquisite. It was definitely not an ordinary item.

Shen Baitian, who was standing far away, widened her eyes in disbelief.

He actually found a treasure?

Wasn't this too unbelievable?

Ye Feng patted the dirt off his body, then walked over and waved the porcelain cup in front of her.

"How is it, Tianbai Shen? Are you convinced?"

Shen Baitian looked at him blankly. "How did you know there was a treasure here?"

Ye Feng looked at her seriously. "Actually, I have a secret that I didn't tell you."

Shen Baitian's interest was piqued. "What secret?"

Ye Feng looked into the distance as if he was recalling something.

"When I was eight years old, three people came to our village. Two men and a woman. I heard that they came to find a big tomb and stayed at our house. They saw that my bones were clear and my talent was extraordinary, so they taught me a set of secret techniques to divide metal and fix acupoints. With a simple calculation, I can accurately find the location of the treasure..."

Shock was written all over Shen Baitian's face.

“Who are these three people? Are they really that powerful?”

Ye Feng shifted his gaze to her face, “I only know that the leader is called Hu Baiyi, the other man is called Fatty, and that woman is called...”

Before he could finish, Shen Baitian rolled her eyes. “You’re bluffing. Keep bluffing. Do you think I haven’t watched Ghost Blows Out the Light? Who are you lying to?”

Ye Feng nodded. “I am lying to a ghost, a female demon.”

Shen Baitian pretended to hit him.

At this moment, the supervisor walked over.

Seeing the porcelain cup in Ye Feng’s hand, his expression changed.

“This... did you find this in the ruins?”

Ye Feng did not deny it, he immediately nodded. “Yes.”

The supervisor's expression turned serious. "Although you found this, in principle, it belongs to the owner of this house. If you want to take it away, you have to get the original owner's permission."

Ye Feng nodded again. "Sure, please help me contact Master."

The supervisor immediately went to the side to make a call.

Soon, they saw a fat middle-aged man rushing over.

"What did you find? Hurry up and let me take a look."

Saying so, he took the ceramic cup from Ye Feng's hands and looked at it carefully.

Shen Baitian was a little unhappy. "We found this cup."

The fat man glared at her. "So what if you find it? This house is mine, so this cup should be mine too."

Shen Baitian was a little unconvinced. "If we didn't find it in the wall, you wouldn't have known about this cup in your entire life."

The fat man snorted coldly. "Did I beg you to look for it?"

Shen Baitian wanted to say more.

But Ye Feng reached out to stop her, he turned to look at that man.

"You're the owner of this house. This cup is indeed yours, but I quite like this cup."

The fat man gave him a thumbs-up. "I like what this brother has to say."

Saying so, he sized up Ye Feng and Shen Baitian's clothes.

Judging from their clothes, they didn't look like poor students.

"I'll give it to you for 100,000."

When Shen Baitian heard that, she immediately became anxious. "Aren't you too evil? You want us to pay 100,000 yuan for a broken ceramic cup?"

The fat man sneered. "I didn't ask you to buy it. If you don't want to buy it, then go ahead."

At this time, the supervisor at the side was quite particular, he quickly helped Ye Feng.

"Mr. Yuan, let me be fair. Although this house is yours, this cup was indeed discovered by this little brother. Without him, we might have been thrown away like trash. The price you offered is a little too high."

When the man heard his words, he frowned and pondered for a moment.

"On account of Supervisor Wang, I can take a step back and ask for 50,000 yuan from you."

Ye Feng pretended to hesitate for a moment before he gritted his teeth and nodded. "Alright, 50,000 it is, I like this cup."

Then, he transferred 50,000 yuan to the fatty on the spot.

Then, he took the ceramic cup and pulled Shen Baitian, who still wanted to argue, and turned to leave.

The fatty ignored them.

He was so happy that he forgot everything after picking up 50,000 yuan.

Supervisor Wang glared at him. "You're really black-hearted. You even earn money from students."

The fat man shrugged. "This is called Zhou Yu hitting the yellow canopy. One is willing to hit and the other is willing to accept. I didn't force him to buy it."

Supervisor Wang was speechless. He snorted coldly and turned around to leave.

The fat man ignored him and immediately called his wife to ask for credit.

"Honey, let me tell you something good. I just picked up 50,000 yuan for nothing..."
